

**DRAFT – Clackamas County Commitments to Mt. Hood Rest Area  
Relocation Project – 2022-04-05**

**Clackamas County:** Commits to continuing to participate in the stakeholder group, including having a Commissioner serve as liaison between the project and the Board of County Commissioners. The County will provide information and technical support for the project in areas of our expertise, including planning and land use, tourism, and transportation and transit. Additionally, the County will continue to advocate for the rest area as a resource that benefits the Mt. Hood community, local businesses, the traveling public, and those who depend on Highway 26.
