EXECUTIVE SUMMARY

The Business and Community Services County Parks Management Team annually reviews and evaluates policies and procedures. As part of that review, staff is proposing amendments to County Code Chapter 6.06.

While the proposed amendments are mostly “housekeeping” items, there are two proposed amendments that impact park reservations:

- 1) Large group bookings (over 30 campsites) will be restricted during certain peak season dates and require advance payment.
- 2) Year-in-advance reservations that are partially cancelled will be subject to cancellation penalties.

In addition, staff are proposing to add language explicitly prohibiting public urination and defecation, and codifying the fine for such activity.

The County Parks Advisory Board (PAB) has reviewed the proposed policy amendments and respectfully recommended acceptance of the code amendments at its February 19, 2019 meeting.

County Counsel has reviewed and approved the amended policies and procedures as to form and content.

6.06.030 Opening, Closing, Entry Into Parks

A. The Division is hereby authorized to close to the public use of any County Park area or portion thereof, restrict the times when any County park area shall be open to such use, and limit or prohibit a recreation use whenever such action is necessary to protect the health or safety of the public, or the safety of the park area or its facilities. Cause for park area closure or limitation, or prohibition, on park area or recreational use includes, but is not limited to: Fire hazard, dangerous weather, water conditions, sanitary protection of the watershed, park area construction or repairs, conservation of fish and wildlife, excessive traffic; unsafe or overcrowded shoreline, ramp, parking or road conditions; the prevention of damage to the park or any of its facilities; or any dangerous, unsafe or unhealthful conditions.

B. Any County employee designated by the Director of Business and Community Services Department or any peace officer may request, as a condition of the license or permit to enter the County's park areas, that persons entering or about to enter allow inspections of all backpacks, briefcases, suitcases, athletic bags, packages, duffle bags, coolers, ice chests, picnic baskets, and other containers capable of concealing prohibited articles:

1. Inspections under this section may occur anywhere on park property. Persons possessing containers subject to inspection shall be informed that they are free to decline the inspection and then must immediately leave the park area.

2. If a person already inside the park area possesses a prohibited article, that person shall be considered to have violated the license to enter and use the park area. The person's license is automatically revoked and the person shall be requested to leave immediately.

3. Any person in violation of park rules is subject to citation and immediate trespass. C. The County shall display signs at entrances to the park area that generally identify prohibited articles and provide notification of the request for inspection. The signs shall generally describe prohibited articles, explain the potential request for inspection and the right-to-decline options. Similar explanations may be printed on parking receipts and where available may be displayed at ticket windows on County property where parking passes or admissions are regularly sold.

D. No person shall enter or use any County park area or any of its facilities without first paying the required fee, if any, unless such entry or use is otherwise authorized by a valid existing permit in the name of said person. For all misplaced or stolen parking permits, there shall be a nominal fee for replacement. Any permit for entry or receipt for the use of any County park shall be displayed in a way that makes it easily visible from outside the vehicle. Failure to display a TITLE 6 - 18 permit or receipt in a visible manner is a violation of this section requiring payment.

E. Any County employee designated by the Director of Business and Community Services Department or any peace officer may revoke any permit that has been issued erroneously or where there is reasonable cause to believe the permit holder or any person in his or her custody, control, or family, has violated any of the provisions of these rules or any State, County or federal law. Any person whose permit has been revoked and all other persons in his or her custody, control, and family shall immediately leave the park area.

F. Any person who violates any of these Park Rules, or who violates any state statute (including the vehicle chapter), County ordinance or code while in a County park, may be ordered to leave the park area.

O. No more than two (2) vehicles are allowed in a single campsite. The first vehicle is included in the campsite fee. All excess vehicles will be charged an additional fee and may need to be parked in designated overflow parking.

P. In order to avoid unnecessary congestion of campground roadways and overloading of campground water and sanitation facilities, a park employee may prohibit entry of non-camper vehicles into the campground area. The park employee may issue temporary entry permits to non-camper vehicles when, in their opinion, such entry will not unnecessarily disrupt the operation, safety, and sanitation facilities of the campground.

Q. Campsites may be accommodated with any approved camping shelter except those areas that have specific designated usage, i.e., RV only, **ground** tent only. TITLE 6 - 19

R. Individual campsites are designed to serve one family unit. The following capacities shall apply:
