

City of West Linn Councilor

Casey Stroupe

Occupation: President and owner of S&H Landscape Supplies & Recycling and Stroupe Family Farm (local farm-to-fork meats & sausages).

Occupational Background: Expertise includes yard debris composting, landscape & renewable resource/recycling business management, insurance and capital financing, livestock & farm management.

Educational Background: West Linn High School, Diploma; University of Oregon, Business/Science

Prior Governmental Experience: I may not have the extensive political resume to compare to my counterparts in this race. In fact, I have never been in politics. Maybe that's what we need as a community, a real person that wants to make a real difference. Now is the time and I plan on doing just that.

CANDIDATE STATEMENT

I have been part of this community my entire life. My family has served the local community through our business, S&H Landscaping/Logging, since 1968. I am a graduate of West Linn High School. I attended the University of Oregon and returned to the community where I was raised. I have worked in our family business for over 35 years and I have been an owner/operator for over 20 years. We employ approximately 100 hard-working men and women, and we pride ourselves on living within our means. We actively support our customers and community, as well as our employees.

I am, most importantly, the father of two amazing young children, Ella and Dylan. As I watch my children grow, I realize that I am growing with them. Things that I never would have worried about before seem to be far more important when I add my children into the mix.

I believe I have responsibility to give back, as a way of expressing my gratitude for the many opportunities I have received. It makes sense to start in my own back yard. I am a simple man with a simple goal: to streamline the ability of the citizens of West Linn to have a voice and more importantly, offer someone to listen to that voice. I am that person.

CANDIDATE STATEMENT

AN INDEPENDENT VOICE ON CITY COUNCIL

Our divided City Council needs a consensus-builder. Neither Council faction recruited me to run, and I have refused to accept endorsements from sitting Councilors so that **I don't owe my campaign to anyone but the voters!**

"Mike is an independent thinker who can reach across party lines."
- **Representative Julie Parrish**

Our Council needs to do more than just hear us -- It needs to listen! I will work to:

- Stop holding certain portions of Council meetings away from the public.
- Simplify Council processes so it's easier to make our voice heard!
- Work with state and regional partners to improve Highway 43 and I-205.

LOCALLY INVOLVED

I am the **only candidate that has appeared before the Planning Commission to express concern about the proposed Tanner development**, and I drafted a resolution about it **used by many of our neighborhood associations!** We need a Councilor who is engaged on these issues.

A RECORD OF BUILDING CONSENSUS

Let's get the Council working again! We can disagree on details, but on big issues it's time for the City Council to put aside personal disagreements and find consensus.

"Mike understands that as West Linn residents, there is far more bringing us together than keeping us apart."
- **Jim Mattis, former City Councilor**

SIGNIFICANT PUBLIC POLICY EXPERIENCE

I have developed and worked on policies that benefit West Linn residents, including:

- Expanding re-investment of public funds into local businesses.
- Saving taxpayers interest costs when borrowing money.
- Creating a law that protects children from known abusers.

"I have no doubt that Mike's experience will serve West Linn residents very well."

- **State Treasurer Ted Wheeler**

Prior Governmental Experience: 7 Years West Linn Planning Commission (2 years as Chair)

CANDIDATE STATEMENT

An Experienced Leader in a Time of Transition!

West Linn is at a crossroads. Regional growth creates pressures on our community that challenge our quality of life. Traffic, loss of open space, and poorly designed infill all threaten the very qualities that make West Linn so unique and so desirable.

In my seven years on the Planning Commission, I worked hard to make sure that the vision that guided our decisions was YOUR vision, not the vision of regional development interests or a planning staff. I worked to increase citizen involvement, to make sure that citizens wrote the code that we live by, and to expose attempts to exclude citizens from the land use process.

Protecting our values and our city requires understanding of the land-use processes, knowledge of our Community Development Code, and the ability to work together. I worked with Mayor Axelrod and Councilors Tan and Frank when they were Planning Commissioners. Councilor Perry has endorsed me. I would be honored to work with each one of them.

As a Planning Commissioner, I had the opportunity to hear hundreds of citizens testify. I was always impressed by their intelligence, eloquence, and courage. I believe that your collective wisdom is our city's greatest asset.

You deserve a City Council and professional staff who listen to your wishes and execute them in an efficient and professional manner. I will work hard to preserve your rights, empower your voice and execute your vision. It would be an honor to serve as your City Councilor.

Endorsed by
Russ Axelrod, West Linn Mayor,
And Brenda Perry, West Linn City Councilor.

***“OH NO! I forgot
to use the
secrecy envelope!”***

Relax . . . it's not that big a deal. The secrecy envelope is designed to preserve the anonymity of your ballot choices, from the moment you vote onward. Once your ballot reaches the processing table, we've arranged the examination procedure so the ballot processors have no way of knowing which ballots came from which voters. Of course, you *could* carefully re-open the outer return envelope, put your ballot in the secrecy envelope and re-seal the return envelope with tape. Or . . . just send it in the way it is. The absence of a secrecy envelope will not affect the tallying of your vote in any way.
