OREGON DEPARTMENT OF TRANSPORTATION
Transportation Safety Division Grant Agreement
(Federal Funded only)

This Transportation Safety Division Grant Agreement ("Agreement") is made by the State of Oregon, acting by and through its Department of Transportation, Transportation Safety Division hereinafter referred to as ODOT or Agency, and Clackamas County Sheriff's Office, hereinafter referred to as Grantee or Subrecipient, and collectively referred to as the Parties (the "Project").

Agreement Terms and Conditions

1. Effective Date. This Agreement is effective on the date that it is fully executed and approved as required by applicable law or October 1, 2020, whichever is later (the "Effective Date"). Reimbursements will be made for Project Costs incurred on or after **October 1, 2020** through and including **September 30, 2021** (the "Grant Period"). No Grant Funds are available for expenditures incurred after the Grant Period.

2. Agreement Documents. This Agreement includes the following documents, listed in descending order of precedence for purposes of resolving any conflict between two or more of the parts:

Exhibit C - SUMMARY OF FEDERAL REQUIREMENTS.
The Agreement Terms and Conditions set forth herein
Exhibit A Project Description
Exhibit B ODOT Grant Budget and Cost Sharing
Exhibit D - INFORMATION REQUIRED BY 2 CFR § 200.331(a)(1).

All of the Exhibits attached hereto are incorporated herein by this reference.

3. Grant Award. In accordance with this Agreement, Agency shall provide Grantee an amount not to exceed **\$15,000** (the "Grant Funds") for eligible costs of the Project.

4. Project.

a. Description. The Grant Funds shall be used solely for the activities described in Exhibit A (the "Project") and may not be used for any other purpose. No Grant Funds will be disbursed for any changes to the Project unless such changes are approved by Agency pursuant to **Section 5c** hereof. Grantee shall implement and complete the Project in accordance with Exhibit A.

b. Project Change Procedures. Any proposed changes in the scope of the Project, the Project objectives, key Project personnel, time period, or Budget must be requested in writing and approved by Agency. Grantee shall not perform any Project changes without a Grant Adjustment Form, submitted in the form provided by ODOT, and signed by Agency and Grantee. Any extension of the time period for completion or performance of the Project must be requested at least six weeks prior to the end of the stated time period and

may need approval of the funding agency (identified in **Section 8** of this Agreement) if the end of the grant award year is involved.

c. Conditions of Project Approval. [RESERVED].

5. Grant Funds.

a. Use of Grant Funds. The Grant Funds shall be used solely for the Project activities described in Exhibit A in accord with the ODOT Grant Budget and Cost Sharing set forth in Exhibit B (the "Budget"). Grantee agrees to use its best efforts to fully expend the Grant Funds for their stated purposes within the Grant Period, after which time all unspent award funds are no longer available for the project beyond the end of the Grant Period.

b. Eligible Project Costs. The Grant Funds may be used only for Grantee's actual Project costs to the extent those costs are (a) reasonable, necessary and directly used for the Project; and (b) eligible or permitted uses of the Grant Funds under, as applicable, federal and State law and this Agreement and are (c) not excluded from reimbursement or payment as a result of any later financial review or audit ("Eligible Project Costs"). Eligible Project Costs do not include any expenditures incurred outside of the Grant Period.

c. Reimbursement. ODOT will disburse the Grant Funds only as reimbursement for Eligible Project Costs paid by Grantee and upon receipt and approval of Grantee's Quarterly Reports and Claims for Reimbursement (along with any required supplementary documents like Residual Value Agreement form, receipts indicating proof of purchase, etc.) submitted in accord with **Section 6** of this Agreement. Grantee will be reimbursed only for Eligible Project Costs incurred by Grantee after the date set forth in the "Authorization to Proceed" for the Project provided to Grantee by Agency. Grant Funds shall not be used for Project activities previously carried out with the Grantee's own resources with no declared intent to be reimbursed under this Agreement (supplanting). Income earned through services conducted through the Project should be used to offset the cost of the Project and be included in the Budget.

d. Conditions Precedent to Reimbursement.

ODOT's obligation to disburse Grant Funds to Grantee is subject to the conditions precedent that:

(i) ODOT has received funding (including federal funds), appropriations, limitations, allotments, or other expenditure authority sufficient to allow ODOT, in the exercise of its reasonable administrative discretion, to make the reimbursement;

(ii) Grantee is in compliance with the terms of this Agreement and no Grantee Default under **Section 13** of this Agreement has occurred or is occurring; and
(iii) ODOT has received and approved the reports and Claims for Reimbursement submitted by Grantee.

e. Availability of Federal Funds. The federal funds committed under this Agreement are subject to the continuation of funds made available to Agency by the National Highway Traffic Safety Administration (NHTSA)

and the Federal Highway Administration (FHWA) (each or collectively the "Federal Funding Agency") by statute or administrative action.

6. Project Reporting and Management. Grantee's Project Director (described below) shall be responsible for implementing this Agreement and establishing and maintaining procedures that will ensure the effective administration of the Project.

a. Project Director Responsibilities. The Project Director shall:

(i) **Accounting.** Establish or use an accounting system that conforms to general accepted accounting principles, as described in **Section 10a** of this Agreement, and ensure that source documents are developed which will reliably account for the Grant Funds expended, any required match provided, and any grant project income.

(ii) **Personnel.** Maintain copies of job descriptions and resumes of persons hired for all Project-related positions which are funded at 0.25 FTE or more.

(iii) **Hours Worked.** Maintain records showing actual hours utilized in Project-related activities by all Grant Funded personnel and by all other staff personnel or volunteers whose time is used as in-kind match.

(iv) **Quarterly Reports.** Complete a quarterly highway safety project report ("Quarterly Report"). Each Quarterly Report must be signed by the Project Director or the Designated Alternate and submitted to Agency by the tenth day of the month following the close of each calendar quarter for the duration of the Grant Period. The "Project Director" is the person responsible for implementing this Agreement and establishing and maintaining procedures that will ensure the effective administration of the project objectives. The "Designated Alternate" is an individual who is given the authority to sign Quarterly Reports for the Project Director, in the event he/she is unable to sign due to circumstances beyond his/her control.

(v) **Reimbursement Claims.** Submit a Claim for Reimbursement within 35 days of the end of the calendar quarter in which expenses were incurred (submit claims no more than monthly), using the form provided by Agency as follows:

(A) Residual Value Agreement form, and invoices and/or receipts indicating proof of purchase. Copies of ODOT's pre-approval, invoices and/or receipts for all specified items must be submitted to Agency upon request with the Claim for Reimbursement.

(B) Claims for Reimbursement may be submitted as often as monthly but must be submitted at least quarterly; and

(C) Claims for Reimbursement must be signed (or electronically 'signed/approved', if applicable) by the Project Director or the Designated Alternate (Agency will not accept duplicated signatures).

b. Travel. Grantee shall keep a record of all significant travel. Agency will provide reimbursement without pre-approval only for in-state travel by persons employed by Grantee in Project-related activities. All out-of-state or other travel must be pre-approved by Agency. Grantee must adhere to the State's travel policy, such as utilizing

Government Services Administration (GSA) travel reimbursement rates. To receive approval or reimbursement, the trip must be detailed on the Budget or requested in a grant adjustment as described under Project Change Procedures. All travel outside the Grantee's jurisdiction should be summarized on the Quarterly Reports.

c. Development of Print or Production Materials.

(i) **Agency Rights.** Grantee shall provide Agency with draft copies of all outreach, media, and/or educational materials to be developed using Grant Funds, and prior to production (regardless of medium: print, broadcast, radio, etc.). Agency may suggest revisions and must pre-approve production of any materials developed using Grant Funds. All brochures; course, workshop and conference announcements; and other materials that are developed and/or printed using Grant Funds shall include a statement crediting Agency. Materials produced through the Project shall be provided to Agency for its use and distribution and may not be sold for profit by either the Grantee or any other party. Every invention, discovery, work or authorship, trade secret or other tangible or intangible item that Grantee is required to deliver to Agency under this Agreement and all intellectual property rights therein ("Work Product"), including derivative works and compilations shall be the property of Agency; any original work of authorship created by Grantee under this Agreement is "work made for hire" of which Agency is the author. Grantee hereby irrevocably assigns to Agency any and all rights, title, and interest in all original Work Product created by Grantee under this Agreement. Upon Agency's reasonable request, Grantee shall execute such further documents and instruments necessary to fully vest such rights in Agency. Grantee forever waives any and all rights relating to Work Product created by Grantee under this Agreement, including without limitation, any and all rights arising under 17 U.S.C. §106A or any other rights of identification of authorship or rights of approval, restriction or limitation on use or subsequent modifications.

(ii) **Grantee Rights.** If the Work Product created by Grantee under this Agreement is a derivative work based on Grantee Intellectual Property, or is a compilation that includes Grantee Intellectual Property, Grantee hereby grants to Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform, and display the pre-existing elements of the Grantee intellectual property employed in the Work Product, and to authorize others to do the same on Agency's behalf.

(iii) **Third Party Rights.** If the Work Product created by Grantee under this Agreement is third party intellectual property or a derivative work based on third party intellectual property, Grantee shall secure on Agency's behalf and in the name of Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the pre-existing element of the third party intellectual property employed in the Work Product, and to authorize others to do the same on Agency's behalf.

(iv) **Other State/Federal Rights.** The rights granted or reserved under this section are subject to any requirements

of the Federal or State Funding Agency, including those set forth in Exhibit C of this Agreement. If state or federal law requires that Agency or Grantee grant to the United States a license to any intellectual property in the Work Product, or if state or federal law requires that Agency or the United States own the intellectual property in the Work Product, then Grantee shall execute such further documents and instruments as Agency may reasonably request in order to make any such grant or to assign ownership in such intellectual property to the United States or Agency.

d. Equipment Purchased with Grant Funds.

(i) **Residual Value Agreement.** If Grant Funds are used in whole or in part to acquire any single item of equipment costing \$5,000 or more (which acquisition is only upon ODOT's pre-approval), Grantee shall complete and submit to Agency an equipment inventory that lists such items and includes Agency's rules governing the removal or release of such items from Grantee's inventory (a "Residual Value Agreement"), in the form provided by Agency. Agency may, at its discretion, require Grantee to execute a Residual Value Agreement for equipment costing less than \$5,000 in order to track the tangible equipment purchased with Grant Funds. A copy of the original vendor's invoice indicating quantity, description, manufacturer's identification number and cost of each item will be attached to the signed agreement. All equipment should be identified with the Grantee's property identification number.

(ii) **Federal Requirements.** Grantee shall comply with all applicable federal requirements related to the purchase of equipment with Grant Funds, including but not limited to any "Buy America," ownership and disposition requirements set forth in Exhibit C.

e. Costs and Expenses Related to Employment of Individuals; Insurance; Workers' Compensation.

Grantee is responsible for all costs and expenses related to its employment of individuals to perform the work under this Agreement, including but not limited to retirement contributions, workers' compensation, unemployment taxes, and state and federal income tax withholding. In addition, Grantee's subcontractors, if any, and all employers working under this Agreement are subject employers under the Oregon Workers' Compensation Law and shall comply with ORS 656.017 and shall provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included. Grantee shall ensure that each of its sub-recipient(s), contractor(s), and subcontractor(s) complies with these requirements.

7. Final Report. Grantee must prepare a Project Director's Final Evaluation Report ("Final Report") in accordance with the Evaluation Plan described in Exhibit A and in the form provided by Agency to Grantee. This report is separate and distinct from the required fourth Quarterly Report; this Final Report must cover the entire grant year. The Final Report must be submitted within 35 days following the last day of the Grant Period. The

report may be no more than ten pages and must include the following elements:

a. Objective and Activities. A summary of the Project including problems addressed, objectives, major activities and accomplishments as they relate to the objectives;

b. Costs. A summary of the costs of the Project including the amount of Grant Funds and amounts paid by Grantee, other agencies and private sources. The amount of volunteer time should be identified;

c. Implementation. Discussion of implementation process so that other agencies implementing similar projects can learn from Grantee's experiences; including descriptions of what went as planned, what didn't work as expected, what important elements made the Project successful or as successful as expected;

d. Evaluation. Respond to each of the evaluation questions set forth in Exhibit A, including completing and referencing the Data Table (as applicable);

e. Completed Data Table. Complete the Data Table (as applicable) by inserting the information in the format required in Exhibit A.

8. Recovery of Grant Funds.

a. Recovery of Grant Funds. Any Grant Funds disbursed to Grantee under this Agreement that are expended in violation of one or more of the provisions of this Agreement, including any Grant Funds used for ineligible or unauthorized expenditures as determined by a state or federal review for which Grant Funds have been claimed and payment received, ("Misexpended Funds") must be returned to Agency. Grantee shall return all Misexpended Funds to Agency no later than fifteen (15) days after ODOT's written demand.

b. Audit.

i. Grantee shall comply, and require any subcontractor to comply, with applicable audit requirements and responsibilities set forth in this Agreement and applicable state or federal law.

ii. If Grantee receives federal awards in excess of \$750,000 in a federal fiscal year, Grantee is subject to audit conducted in accordance with the provisions of 2 CFR part 200, subpart F.

iii. Grantee shall save, protect and hold harmless from the cost of any audits or special investigations performed by the Secretary of State with respect to the funds expended under this Agreement. Grantee acknowledges and agrees that any audit costs incurred by Grantee as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Grantee and the State or Oregon.

9. General Representation and Warranties of Grantee. Grantee represents and warrants to ODOT as follows:

a. Organization and Authority. Grantee is duly organized and validly existing under the laws of the

State of Oregon and is eligible to receive the Grant Funds. Grantee has full power, authority and legal right to make this Agreement and to incur and perform its obligations hereunder, and the making and performance by Grantee of this Agreement:

- (i) have been duly authorized by all necessary action of Grantee;
- (ii) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency or any provision of Grantee's, as applicable, governing laws or Articles of Incorporation or Bylaws,
- (iii) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which Grantee is a party or by which Grantee or any of its properties may be bound or affected, and
- (iv) no further authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by Grantee of this Agreement.

b. Binding Obligation. This Agreement has been duly executed and delivered by Grantee and constitutes a legal, valid and binding obligation of Grantee, enforceable in accordance with its terms subject to, if applicable, the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.

c. No Gratuities. Grantee's officers, employees, and agents shall neither solicit nor accept gratuities, favors, or any item of monetary value from contractors, potential contractors, or parties to subagreements, except as permitted by applicable law. No member or delegate to the Congress of the United States or State of Oregon employee shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

The warranties set in this **Section 9** are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

10. Records Maintenance and Retention.

a. Records, Access to Records and Facilities.

Grantee shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with, as applicable, all generally accepted accounting principles, generally accepted governmental auditing standards, and minimum standards for audits of non-profit organizations. Grantee shall ensure that each of its sub-recipients and subcontractors, if any, complies with these requirements. Agency, the Secretary of State of Oregon (Secretary), the federal government (including the Federal Funding Agency or the Comptroller General of the United States), and their duly authorized representatives shall have access to the books, documents, papers and records of Grantee that are directly related to this Agreement, the Grant Funds, or the Project for the purpose of making audits and

examinations and may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Nothing herein is meant to be or will be interpreted to be a waiver of any protection against disclosure of records or communication otherwise provided by law, including protection provided by attorney-client privilege or the attorney work product doctrine.

b. Retention of Records. Grantee shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project (including all records required under 49 CFR Part 18.42) until the date that is the later of: (i) any date required under 49 CFR Part 18.42 or (ii) six (6) years following the expiration of the Grant Period.

c. Expenditure Records. Grantee shall document the expenditure of all Grant Funds reimbursed by ODOT under this Agreement. Grantee shall create and maintain all expenditure records in sufficient detail to permit Agency to verify how the Grant Funds were expended. This Section 10 shall survive any expiration or termination of this Agreement.

11. Sub-agreements.

a. Subcontractors. Performance of this Agreement shall not be subcontracted in whole or in part, except with the written consent of Agency. If applicable, Grantee shall not assign this Agreement or the Project described herein, either in whole or in part, or otherwise attempt to convey any right, privilege, duty or obligation hereunder, without the prior written consent of Agency.

b. Terms of Subcontracts. Any contracts or other service agreements that are entered into by the Grantee as part of the Project shall be reviewed and approved by Agency to determine whether the work to be accomplished is consistent with the objectives and funding criteria of the Project. Grantee shall ensure that any subcontractors adhere to applicable requirements established for the Grant Funds and that any subcontracts include provisions for the following:

- (i) Administrative, contractual, or legal remedies in instances where subcontractors violate or breach sub contract terms, and provide for such sanctions and penalties as may be appropriate;
- (ii) Access by the Grantee, the state, the federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives, to any books, documents, papers, and records of the contractor which are directly pertinent to that specific subcontract, for the purpose of making audit, examination, excerpts, and transcriptions. Subcontractors shall maintain all required records for six years after Grantee makes final payments and all other pending matters are closed;
- (iii) Notice of Agency's requirements and regulations pertaining to reporting, requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such subcontract, and requirements and regulations pertaining to copyrights and rights in data;

and

c. Conditional Terms. Where applicable, subcontracts shall include the following provisions:

- (i) Termination for cause and for convenience by the Grantee including the manner by which it will be effected and the basis for the settlement (subcontracts in excess of \$10,000);
- (ii) Compliance with Executive Order 11246 of September 24, 1965 entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967 and supplemented in Dept. of Labor regulations (41 CFR Part 60) (subcontracts in excess of \$10,000);
- (iii) Compliance with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 USC 327-330) as supplemented by Dept. of Labor regulations (29 CFR Part 5) (subcontracts in excess of \$2,500);
- (iv) Bidders, proposers, and applicants must certify that neither they nor their principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in the Project by any federal agency or department (subcontracts in excess of \$25,000; and

(v) Any additional terms required by federal law and set forth in Exhibit C.

d. Subcontractor Indemnity/Insurance.

(i) **Indemnity.** Grantee's subcontract(s) shall require the other party to such subcontract(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless State of Oregon ("State") and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Grantee's subcontract or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Grantee's subcontract(s) from and against any and all Claims. Any such indemnification shall also provide that neither Grantee's subrecipient(s), contractor(s) nor subcontractor(s) (collectively

"Subgrantees"), nor any attorney engaged by Grantee's Subgrantee(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Grantee's Subgrantee is prohibited from defending State or that Grantee's Subgrantee is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Grantee's Subgrantee if the State elects to assume its own defense.

(ii) **Insurance.** Grantee may require the other party, or parties, to each of its subcontracts that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts typically provided for projects of the Project's nature. Any insurance obtained by the other party to Grantee's subagreements, if any, shall not relieve Grantee of the requirements of Section 11 of this Agreement. The other party to any subcontract with Grantee, if the other party employs subject workers as defined in ORS 657.027, must obtain Workers Compensation Coverage as described in **Section 6**.

12. Termination

a. Termination by Agency. Agency may terminate this Agreement effective upon delivery of written notice of termination to Grantee, or at such later date as may be established by Agency in such written notice, if:

- (i) Grantee fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Grantee is, for any reason, rendered improbable, impossible, or illegal;
- (ii) Agency fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
- (iii) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
- (iv) The Project would not produce results commensurate with the further expenditure of funds; or
- (v) Grantee takes any action pertaining to this Agreement without the approval of Agency and which under the provisions of this Agreement would have required the approval of Agency; or
- (vi) Grantee is in default under any provision of this Agreement.

b. Termination by Grantee. Grantee may terminate this Agreement effective upon delivery of written notice of termination to Agency, or at such later date as may be established by Grantee in such written notice, if:

(i) The requisite local funding or match, if any, to continue the Project becomes unavailable to Grantee; or

(ii) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.

(iii) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that Grantee is no longer authorized to operate or to carry out the Project.

c. Termination by Either Party. If a Party fails to comply with any of the terms of this Agreement, the other Party may terminate this Agreement upon at least ten days' notice to the other Party or upon failure of the other Party to cure within any cure period provided in the notice.

13. Default.

a. Grantee Default. Any of the following constitutes a default by Grantee under this Agreement:

(i) Any false or misleading representation is made by or on behalf of Grantee or sub-grantee, in this Agreement or in any document provided by Grantee to Agency related to the Grant Funds or the Project;

(ii) Grantee fails to cure any performance as provided in Section 12.c;

(iii) Grantee fails to perform any other obligation required under this Agreement; or

(iv) If and to the extent allowed by law, Grantee initiates or consents to a proceeding or case, or a proceeding or case is commenced without the application or consent of Grantee, seeking: (A) the liquidation, dissolution or winding-up, or the composition or readjustment of debts, of Grantee, (B) the appointment of a trustee, receiver, custodian, liquidator, or the like of Grantee or of all or any substantial part of its assets, or (C) similar relief in respect to Grantee under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, and such proceeding or case continues undismissed, or an order, judgment, or decree approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty (60) consecutive days, or an order for relief against Grantee is entered in an involuntary case under the Federal Bankruptcy Code (as now or hereafter in effect).

b. Agency Default. Agency will be in default under this Agreement if it fails to perform, observe or discharge any of its covenants, agreements or obligations under this Agreement.

14. Remedies.

a. Agency Remedies. Upon any default, Agency may pursue any or all remedies in this Agreement and any other remedies available at law or in equity to enforce the performance of any obligation of Grantee. Remedies may include, but are not limited to:

(i) Terminating Agency's commitment and obligations under the Agreement as provided in **Section 12**;

(ii) Requiring repayment of the Grant Funds and all interest earned by Grantee on those Grant Funds as

provided in **Section 8**.

No remedy available to Agency is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right power or privilege under this Agreement will preclude any other or further exercise thereof or the exercise of any other such right, power or privilege.

b. Grantee Remedies. In the event Agency defaults on any obligation in this Agreement, Grantee's remedy will be limited to injunction, special action, action for specific performance, or other available equitable remedy for performance of Agency's obligations.

15. General Provisions.

a. Indemnification and Hold Harmless. Subject to the conditions and limitations of the Oregon Constitution, if any, and the Oregon Tort Claims Act (ORS 30.260 to 30.300), if applicable, Grantee shall indemnify, defend, save and hold harmless State of Oregon ("State") and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Grantee, its officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by Grantee from and against any and all Claims. Neither Grantee or any attorney engaged by Grantee may defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Grantee is prohibited from defending State or that Grantee is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Grantee if the State elects to assume its own defense.

b. Dispute Resolution. The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

c. Amendments. This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.

d. Duplicate Payment. Grantee is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the

State of Oregon or the United States of America or any other party, organization or individual.

e. No Third Party Beneficiaries. Agency and Grantee are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. OREGON DEPARTMENT OF TRANSPORTATION
Transportation Safety Division

EXHIBIT A
GRANT PROJECT APPLICATION

Project No: M1HVE-21-46-03 222

Project Name: Clackamas CSO Safety Belt Overtime Enforcement

Answer each question in the boxes provided. Answer each question completely and according to the instructions in *Italics*. All fields are required.

I. Project Description

The Clackamas County Sheriff's Office will conduct safety belt overtime traffic enforcement during the blitz periods established by ODOT Transportation Safety Division, and as funds allow at other times when additional traffic enforcement coverage is deemed appropriate by the Police Department based on local data. Overtime traffic enforcement under this grant will focus primarily on maintaining and increasing public compliance with Oregon motor vehicle safety restraint laws and secondarily on other local traffic safety priority issues. The Department will notify their community of their planned participation in the blitz periods and their results (news media, social media, agency webpage or other.)

II. Problem Statement

- A. Describe the problem(s) this project will try to impact:
(Describe the problem(s) you intend to impact with this grant.)

The primary purpose of this project is to maintain or increase local compliance with motor vehicle safety restraint laws. The most recent 100-car survey done in our community was performed in October 2018 and revealed a local belt use rate of 90%.

Activities include officer overtime for traffic and educational activities that facilitate compliance with Oregon motor vehicle restraint laws, including participation in three, two-week high-visibility enforcement "blitzes". Expenses to undergo initial child passenger safety certification training may also be covered (certification fee & lodging/travel/meals per diem).

- B. Provide summary data about the problem(s):
(Give summary data regarding the problem as it exists in your jurisdiction.)

Non-Use of Restraints: According to the 2019 Oregon statewide observed use survey, 4.3% of front seat MV occupants do not routinely use restraints. During 2018, crash reports (FARS) indicate 26.2% of motor vehicle occupant fatalities were unrestrained.

Improper Use of Safety Belts: Oregon law requires "proper" use of safety belt and child restraint systems. Some adult occupants inadvertently compromise the effectiveness of their belt systems and put themselves or other occupants at severe risk of unnecessary injury by using safety belts improperly. This is most often accomplished by placing the shoulder belt under the arm or behind the back, securing more than one passenger in a single belt system, or using only the automatic shoulder portion of a two-part belt system (where the lap belt portion is manual).

Improper Use of Child Restraint Systems: Motor vehicle crashes remain a leading cause of death for children. Nationally, a total of 880 children younger than 13 died in motor vehicle crashes in 2018; more than 70 percent of these deaths were children riding in passenger vehicles, according to the Insurance Institute for Highway Safety (IIHS). Proper restraint use can help significantly reduce these deaths. Although the majority of children ride restrained, 193 children killed in crashes in 2018 were unrestrained, where others were improperly restrained, (IIHS). Drivers are also confused by frequently changing state laws, national "best practice" recommendations, and constantly evolving child seat technology.

Premature Graduation of Children to Adult Belt Systems: Crash data from 2018 indicates that of the 1,832 injured children under age twelve, 10.2 percent were reported not using a child restraint system. Although Oregon law requires use of child restraints to age eight or four feet nine inches in height, Safe Kids Worldwide indicates many children will be eight to twelve years of age before they meet this height requirement and can fit properly in an adult belt system.

- C. List current activities and associated agencies already involved in solving the problem(s):
(Include all related activities and agencies involved. If you have a current project, list the objectives of that project and progress in achieving them.)

During 2020, forty-five local police departments (46 in 2019), thirteen Sheriff's Offices (19 in 2019), and Oregon State Police participated in ODOT Transportation Safety Division's safety belt overtime enforcement program. These agencies enforce restraint laws as a matter of routine when working traffic. However, smaller departments often do not have sufficient resources to adequately address identified

traffic safety concerns so rely heavily on ODOT's federal overtime funding support to address local traffic safety issues.

III. Objectives

(Describe quantifiable products or outcomes that address those problems identified in Section II that should result from the proposed activities. Normally at least three very specific objectives should be given and each should include beginning and ending date.

The following are examples:

"To increase safety belt usage in (funded jurisdiction) from 85% to 90% by September 30, 2004, with the use rate determined by conducting observed use surveys."

"To reduce nighttime fatal and injury crashes occurring in (funded jurisdiction) by 20% from 60, the average for the 1998-2001 period, to 48 during the 12-month period starting October 1, 2003, and ending September 30, 2004."

"To provide intensive probation supervision to a minimum of 30 additional persons convicted of DUII in (funded jurisdiction) by making at least three face-to-face contacts with each person weekly from October 1, 2003, through September 30, 2004."

"To complete an evaluation by July 1, 2004, to determine if using photo radar will lead to a significant reduction in fatal and injury traffic crashes in that location."

	Start Date	End Date	Objective
1.	10/01/2020	9/30/2021	Maintain or increase local compliance with Oregon safety restraint laws through enforcement and community education.
2.	10/01/2020	9/30/2021	Conduct overtime enforcement during blitz periods established by ODOT Transportation Safety Division to complement national Click It or Ticket and National Child Passenger Safety Week campaigns and at other times deemed appropriate by the local Police Department.
3.	10/01/2020	9/30/2021	Conduct other overtime enforcement and/or education activities described in the agency's Notice of Opportunity, as grant funds allow.
4.	10/01/2020	9/30/2021	Coordinate with other local law enforcement agencies for HVE events.

IV. Proposed Activities

A. Major Activities

(List major activities to be carried out to achieve objectives stated in Section III above. List the start and end date for each activity, and include in your description what will be done, who will do it, and who will be affected.)

	Start Date	End Date	Activity

V. Evaluation Plan

A. Evaluation Questions

(You will be reporting on your objectives in your Project Evaluation. At a minimum each objective should be rephrased as an evaluation question. For example, what percentage of the public in (funded jurisdiction) wears a safety belt? What percentage increase is this? Add questions that demonstrate expected or potential impact of the project on the state or jurisdiction's traffic safety environment. Avoid yes/no evaluation questions.)

Evaluation Question	
1.	Did the Department participate in the required enforcement in the grant year? Describe how the Department used overtime for traffic enforcement conducted outside of established blitz periods, if any.
2.	Briefly summarize how the Department used overtime, if any, for traffic safety educational activities.
3.	How did the Department notify the community of participation in the blitz periods? Attach examples or sample.
4.	How many contacts did the Department make during the year specifically for suspected safety belt or child restraint violations?
5.	Did the local safety belt use rate increase during the year, as evidenced by the 100-car survey at beginning and end of the grant year? What was that rate?
6.	Did the Department reach out to other law enforcement agencies to coordinate HVE events?

B. Data Requirements

1. Data to be collected: The Data Table presented as Exhibit A will be submitted with required quarterly reports.
2. Data System

Describe how the data will be collected, stored, and tabulated:

8. Uniform Guidance and Administrative Requirements. 2 CFR Part 200, or the equivalent applicable provision adopted by the Federal Funding Agency in 2 CFR Subtitle B, including but not limited to the following:

a. Property Standards. 2 CFR 200.313, or the equivalent applicable provision adopted by the awarding federal agency in 2 CFR Subtitle B, which generally describes the required maintenance, documentation, and allowed disposition of equipment purchased with federal funds. Such requirements include, without limitation, that material and equipment shall be used in the program or activity for which it was acquired as long as needed, whether or not the Project continues to be supported by Grant Funds. Ownership of equipment acquired with Grant Funds shall be vested with the Grantee. Costs incurred for maintenance, repairs, updating, or support of such equipment shall be borne by the Grantee. If any material or equipment ceases to be used in Project activities, the Grantee agrees to promptly notify Agency. In such event, Agency may

direct the Grantee to transfer, return, keep, or otherwise dispose of the equipment.

b. Procurement Standards. When procuring goods or services (including professional consulting services) with *state funds*, the applicable state procurement regulations found in the Oregon Public Contracting Code, ORS chapters 279A, 279B and 279C; or for *federally funded* projects 2 CFR §§ 200.318 b through 200.326, or the equivalent applicable provision adopted by the awarding federal agency in 2 CFR Subtitle B, as applicable.

c. Contract Provisions. The contract provisions listed in 2 CFR Part 200, Appendix II, or the equivalent applicable provision adopted by the awarding federal agency in 2 CFR Subtitle B, that are hereby incorporated into this Exhibit, are, to the extent applicable, obligations of Grantee, and Grantee shall also include these contract provisions in its contracts with non-Federal entities. As applicable, Grantee shall make purchases of any equipment, materials, or services pursuant to this Agreement under procedures consistent with those outlined in ORS Chapters 279, 279A, 279B and 279C.

9. Federal Whistleblower Protection. Grantee shall comply, and ensure the compliance by subcontractors or subgrantees, with 10 USC 2409 2324 and 41 U.S.C. 4712.

10. Nondiscrimination. Grantee will comply with all Federal statutes and implementing regulations relating to nondiscrimination ("Federal Nondiscrimination Authorities"). These include but are not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin) and 49 CFR part 21;
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Federal-Aid Highway Act of 1973, (23 U.S.C. 324 et seq.), and Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) (prohibit discrimination on the basis of sex);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. 794 et seq.), as amended, (prohibits discrimination on the basis of disability) and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. 6101 et seq.), (prohibits discrimination on the basis of age);
- The Civil Rights Restoration Act of 1987, (Pub. L. 100-209), (broadens scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal aid recipients, subrecipients and contractors, whether such programs or activities are Federally-funded or not);

- Titles II and III of the Americans with Disabilities Act (42 U.S.C. 12131-12189) (prohibits discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing) and 49 CFR parts 37 and 38;
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (prevents discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations); and
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (guards against Title VI national origin discrimination/discrimination because of limited English proficiency (LEP) by ensuring that funding recipients take reasonable steps to ensure that LEP persons have meaningful access to programs (70 FR at 74087 to 74100).

In addition, Grantee:

- Will take all measures necessary to ensure that no person in the United States shall, on the grounds of race, color, national origin, disability, sex, age, limited English proficiency, or membership in any other class protected by Federal Nondiscrimination Authorities, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any of its programs or activities, so long as any portion of the program is Federally-assisted.
- Will administer the program in a manner that reasonably ensures that any of its subrecipients, contractors, subcontractors, and consultants receiving Federal financial assistance under this program will comply with all requirements of the Non-Discrimination Authorities identified in this Assurance;
- Agrees to comply (and require any of its subrecipients, contractors, subcontractors, and consultants to comply) with all applicable provisions of law or regulation governing US DOT's or NHTSA's access to records, accounts, documents, information, facilities, and staff, and to cooperate and comply with any program or compliance reviews, and/or complaint investigations conducted by US DOT or NHTSA under any Federal Nondiscrimination Authority;
- Acknowledges that the United States has a right to seek judicial enforcement with regard to any matter arising under these Non-Discrimination Authorities and this Assurance;
- Agrees to insert in all contracts and funding agreements with other state or private entities the following clause:
 "During the performance of this contract/funding agreement, the contractor/funding recipient agrees—
a. To comply with all Federal nondiscrimination laws and regulations, as may be amended from time to time;
b. Not to participate directly or indirectly in the discrimination prohibited by any Federal non-

discrimination law or regulation, as set forth in Appendix B of 49 CFR part 21 and herein;

c. To permit access to its books, records, accounts, other sources of information, and its facilities as required by the State or Oregon highway safety office, US DOT or NHTSA;

d. That, in event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding agreement, the State highway safety agency will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies; and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part; and
e. To insert this clause, including paragraphs (a) through (e), in every subcontract and subagreement and in every solicitation for a subcontract or sub-agreement, that receives Federal funds under this program.

11. Buy America Act. All material and equipment purchased shall be produced in the United States in accordance with Section 165 of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424; 96 Stat. 2097) unless the Secretary of Transportation has determined under Section 165 that it is appropriate to waive this agreement.

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal Funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

12. Prohibition on Using Grant Funds to Check for Helmet Use. The State and each subrecipient will not use 23 U.S.C Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.

13. Political Activity (Hatch Act). The State will comply with provisions of the Hatch Act (5 U.S.C. §§1501-1508) which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

14. Certification Regarding Federal Lobbying.

Certification for Contracts, Grants, Loans, and Cooperative Agreements.

Grantee certifies by the signature of its authorized representative to this Agreement that, to the best of his or her knowledge and belief:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

c. The undersigned shall require that the language of this certification be included in the award documents for all sub-award at all tiers (including subcontracts, subgrants, and contracts under grant, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

15. Restriction on State Lobbying. None of the funds will be used for any activity specifically designed to urge or influence a state or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (e.g., "grassroots")

lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

16. Certification Regarding Debarment and Suspension.

Instructions for Primary Tier Participant Certification (States)

a. By signing and submitting this proposal, the prospective primary tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR Parts 180 and 1200.

b. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective primary tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary tier participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

c. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.

d. The prospective primary tier participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

j. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department or agency may terminate the transaction for cause or default.

Reimbursements will be made for Project Costs incurred on or after **October 1, 2020** through and including **September 30, 2021** (the "Grant Period"). No Grant Funds are available for expenditures incurred after the Grant Period.

2. Agreement Documents. This Agreement includes the following documents, listed in descending order of precedence for purposes of resolving any conflict between two or more of the parts:

Exhibit C - SUMMARY OF FEDERAL REQUIREMENTS.
The Agreement Terms and Conditions set forth herein
Exhibit A Project Description
Exhibit B ODOT Grant Budget and Cost Sharing
Exhibit D - INFORMATION REQUIRED BY 2 CFR § 200.331(a)(1).

All of the Exhibits attached hereto are incorporated herein by this reference.

3. Grant Award. In accordance with this Agreement, Agency shall provide Grantee an amount not to exceed **\$20,000** (the "Grant Funds") for eligible costs of the Project.

4. Project.

a. Description. The Grant Funds shall be used solely for the activities described in Exhibit A (the "Project") and may not be used for any other purpose. No Grant Funds will be disbursed for any changes to the Project unless such changes are approved by Agency pursuant to **Section 5c** hereof. Grantee shall implement and complete the Project in accordance with Exhibit A.

b. Project Change Procedures. Any proposed changes in the scope of the Project, the Project objectives, key Project personnel, time period, or Budget must be requested in writing and approved by Agency. Grantee shall not perform any Project changes without a Grant Adjustment Form, submitted in the form provided by ODOT, and signed by Agency and Grantee. Any extension of the time period for completion or performance of the Project must be requested at least six weeks prior to the end of the stated time period and

may need approval of the funding agency (identified in **Section 8** of this Agreement) if the end of the grant award year is involved.

c. Conditions of Project Approval. [RESERVED].

5. Grant Funds.

a. Use of Grant Funds. The Grant Funds shall be used solely for the Project activities described in Exhibit A in accord with the ODOT Grant Budget and Cost Sharing set forth in Exhibit B (the "Budget"). The Grant Funds may be used only for Grantee's actual Project costs to the extent those costs are (a) reasonable, necessary and directly used for the Project; and (b) eligible or permitted uses of the Grant Funds under, as applicable, federal and State law and this Agreement and are (c) not excluded from reimbursement or payment as a result of any later financial review or audit ("Eligible Project Costs"). Eligible Project Costs do not include any expenditures incurred outside of the Grant Period.

c. Reimbursement. ODOT will disburse the Grant Funds only as reimbursement for Eligible Project Costs paid by Grantee and upon receipt and approval of Grantee's Quarterly Reports and Claims for Reimbursement (along with any required supplementary documents like Residual Value Agreement form, receipts indicating proof of purchase, etc.) submitted in accord with **Section 6** of this Agreement. Grantee will be reimbursed only for Eligible Project Costs incurred by Grantee after the date set forth in the "Authorization to Proceed" for the Project provided to Grantee by Agency. Grant Funds shall not be used for Project activities previously carried out with the Grantee's own resources with no declared intent to be reimbursed under this Agreement (supplanting). Income earned through services conducted through the Project should be used to offset the cost of the Project and be included in the Budget.

d. Conditions Precedent to Reimbursement. ODOT's obligation to disburse Grant Funds to Grantee is subject to the conditions precedent that:

(i) ODOT has received funding (including federal funds), appropriations, limitations, allotments, or other expenditure authority sufficient to allow ODOT, in the exercise of its reasonable administrative discretion, to make the reimbursement;

(ii) Grantee is in compliance with the terms of this Agreement and no Grantee Default under **Section 13** of this Agreement has occurred or is occurring; and

(iii) ODOT has received and approved the reports and Claims for Reimbursement submitted by Grantee.

e. Availability of Federal Funds. The federal funds committed under this Agreement are subject to the continuation of funds made available to Agency by the National Highway Traffic Safety Administration (NHTSA)

and the Federal Highway Administration (FHWA) (each or collectively the "Federal Funding Agency") by statute or administrative action.

6. Project Reporting and Management. Grantee's Project Director (described below) shall be responsible for implementing this Agreement and establishing and maintaining procedures that will ensure the effective administration of the Project.

a. Project Director Responsibilities. The Project Director shall:

(i) **Accounting.** Establish or use an accounting system that conforms to general accepted accounting principles, as described in **Section 10a** of this Agreement, and ensure that source documents are developed which will reliably account for the Grant Funds expended, any required match provided, and any grant project income.

(ii) **Personnel.** Maintain copies of job descriptions and resumes of persons hired for all Project-related positions which are funded at 0.25 FTE or more.

(iii) **Hours Worked.** Maintain records showing actual hours utilized in Project-related activities by all Grant Funded personnel and by all other staff personnel or volunteers whose time is used as in-kind match.

(iv) **Quarterly Reports.** Complete a quarterly highway safety project report ("Quarterly Report"). Each Quarterly Report must be signed by the Project Director or the Designated Alternate and submitted to Agency by the tenth day of the month following the close of each calendar quarter for the duration of the Grant Period. The "Project Director" is the person responsible for implementing this Agreement and establishing and maintaining procedures that will ensure the effective administration of the project objectives. The "Designated Alternate" is an individual who is given the authority to sign Quarterly Reports for the Project Director, in the event he/she is unable to sign due to circumstances beyond his/her control.

(v) **Reimbursement Claims.** Submit a Claim for Reimbursement within 35 days of the end of the calendar quarter in which expenses were incurred (submit claims no more than monthly), using the form provided by Agency as follows:

(A) Residual Value Agreement form, and invoices and/or receipts indicating proof of purchase. Copies of ODOT's pre-approval, invoices and/or receipts for all specified items must be submitted to Agency upon request with the Claim for Reimbursement.

(B) Claims for Reimbursement may be submitted as often as monthly but must be submitted at least quarterly; and

(C) Claims for Reimbursement must be signed (or electronically 'signed/approved', if applicable) by the Project Director or the Designated Alternate (Agency will not accept duplicated signatures).

b. Travel. Grantee shall keep a record of all significant travel. Agency will provide reimbursement without pre-approval only for in-state travel by persons employed by Grantee in Project-related activities. All out-of-state or other travel must be pre-approved by Agency. Grantee must adhere to the State's travel policy, such as utilizing

Government Services Administration (GSA) travel reimbursement rates. To receive approval or reimbursement, the trip must be detailed on the Budget or requested in a grant adjustment as described under Project Change Procedures. All travel outside the Grantee's jurisdiction should be summarized on the Quarterly Reports.

c. Development of Print or Production Materials.

(i) **Agency Rights.** Grantee shall provide Agency with draft copies of all outreach, media, and/or educational materials to be developed using Grant Funds, and prior to production (regardless of medium: print, broadcast, radio, etc.).

Agency may suggest revisions and must pre-approve production of any materials developed using Grant Funds. All brochures; course, workshop and conference announcements; and other materials that are developed and/or printed using Grant Funds shall include a statement crediting Agency. Materials produced through the Project shall be provided to Agency for its use and distribution and may not be sold for profit by either the Grantee or any other party. Every invention, discovery, work or authorship, trade secret or other tangible or intangible item that Grantee is required to deliver to Agency under this Agreement and all intellectual property rights therein ("Work Product"), including derivative works and compilations shall be the property of Agency; any original work of authorship created by Grantee under this Agreement is "work made for hire" of which Agency is the author. Grantee hereby irrevocably assigns to Agency any and all rights, title, and interest in all original Work Product created by Grantee under this Agreement. Upon Agency's reasonable request, Grantee shall execute such further documents and instruments necessary to fully vest such rights in Agency. Grantee forever waives any and all rights relating to Work Product created by Grantee under this Agreement, including without limitation, any and all rights arising under 17 U.S.C. §106A or any other rights of identification of authorship or rights of approval, restriction or limitation on use or subsequent modifications.

(ii) **Grantee Rights.** If the Work Product created by Grantee under this Agreement is a derivative work based on Grantee Intellectual Property, or is a compilation that includes Grantee Intellectual Property, Grantee hereby grants to Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform, and display the pre-existing elements of the Grantee intellectual property employed in the Work Product, and to authorize others to do the same on Agency's behalf.

(iii) **Third Party Rights.** If the Work Product created by Grantee under this Agreement is third party intellectual property or a derivative work based on third party intellectual property, Grantee shall secure on Agency's behalf and in the name of Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the pre-existing element of the third party intellectual property employed in the Work Product, and to authorize others to do the same on Agency's behalf.

(iv) **Other State/Federal Rights.** The rights granted or reserved under this section are subject to any requirements

of the Federal or State Funding Agency, including those set forth in Exhibit C of this Agreement. If state or federal law requires that Agency or Grantee grant to the United States a license to any intellectual property in the Work Product, or if state or federal law requires that Agency or the United States own the intellectual property in the Work Product, then Grantee shall execute such further documents and instruments as Agency may reasonably request in order to make any such grant or to assign ownership in such intellectual property to the United States or Agency.

d. Equipment Purchased with Grant Funds.

(i) **Residual Value Agreement.** If Grant Funds are used in whole or in part to acquire any single item of equipment costing \$5,000 or more (which acquisition is only upon ODOT's pre-approval), Grantee shall complete and submit to Agency an equipment inventory that lists such items and includes Agency's rules governing the removal or release of such items from Grantee's inventory (a "Residual Value Agreement"), in the form provided by Agency. Agency may, at its discretion, require Grantee to execute a Residual Value Agreement for equipment costing less than \$5,000 in order to track the tangible equipment purchased with Grant Funds. A copy of the original vendor's invoice indicating quantity, description, manufacturer's identification number and cost of each item will be attached to the signed agreement. All equipment should be identified with the Grantee's property identification number.

(ii) **Federal Requirements.** Grantee shall comply with all applicable federal requirements related to the purchase of equipment with Grant Funds, including but not limited to any "Buy America," ownership and disposition requirements set forth in Exhibit C.

e. Costs and Expenses Related to Employment of Individuals; Insurance; Workers' Compensation.

Grantee is responsible for all costs and expenses related to its employment of individuals to perform the work under this Agreement, including but not limited to retirement contributions, workers' compensation, unemployment taxes, and state and federal income tax withholding. In addition, Grantee's subcontractors, if any, and all employers working under this Agreement are subject employers under the Oregon Workers' Compensation Law and shall comply with ORS 656.017 and shall provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included. Grantee shall ensure that each of its sub-recipient(s), contractor(s), and subcontractor(s) complies with these requirements.

7. Final Report. Grantee must prepare a Project Director's Final Evaluation Report ("Final Report") in accordance with the Evaluation Plan described in Exhibit A and in the form provided by Agency to Grantee. This report is separate and distinct from the required fourth Quarterly Report; this Final Report must cover the entire grant year. The Final Report must be submitted within 35 days following the last day of the Grant Period. The

report may be no more than ten pages and must include the following elements:

a. Objective and Activities. A summary of the Project including problems addressed, objectives, major activities and accomplishments as they relate to the objectives;

b. Costs. A summary of the costs of the Project including the amount of Grant Funds and amounts paid by Grantee, other agencies and private sources. The amount of volunteer time should be identified;

c. Implementation. Discussion of implementation process so that other agencies implementing similar projects can learn from Grantee's experiences; including descriptions of what went as planned, what didn't work as expected, what important elements made the Project successful or as successful as expected;

d. Evaluation. Respond to each of the evaluation questions set forth in Exhibit A, including completing and referencing the Data Table (as applicable);

e. Completed Data Table. Complete the Data Table (as applicable) by inserting the information in the format required in Exhibit A.

8. Recovery of Grant Funds.

a. Recovery of Grant Funds. Any Grant Funds disbursed to Grantee under this Agreement that are expended in violation of one or more of the provisions of this Agreement, including any Grant Funds used for ineligible or unauthorized expenditures as determined by a state or federal review for which Grant Funds have been claimed and payment received, ("Misexpended Funds") must be returned to Agency. Grantee shall return all Misexpended Funds to Agency no later than fifteen (15) days after ODOT's written demand.

b. Audit.

i. Grantee shall comply, and require any subcontractor to comply, with applicable audit requirements and responsibilities set forth in this Agreement and applicable state or federal law.

ii. If Grantee receives federal awards in excess of \$750,000 in a federal fiscal year, Grantee is subject to audit conducted in accordance with the provisions of 2 CFR part 200, subpart F.

iii. Grantee shall save, protect and hold harmless from the cost of any audits or special investigations performed by the Secretary of State with respect to the funds expended under this Agreement. Grantee acknowledges and agrees that any audit costs incurred by Grantee as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Grantee and the State or Oregon.

9. General Representation and Warranties of Grantee. Grantee represents and warrants to ODOT as follows:

a. Organization and Authority. Grantee is duly organized and validly existing under the laws of the

State of Oregon and is eligible to receive the Grant Funds. Grantee has full power, authority and legal right to make this Agreement and to incur and perform its obligations hereunder, and the making and performance by Grantee of this Agreement:

- (i) have been duly authorized by all necessary action of Grantee;
- (ii) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency or any provision of Grantee's, as applicable, governing laws or Articles of Incorporation or Bylaws,
- (iii) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which Grantee is a party or by which Grantee or any of its properties may be bound or affected, and
- (iv) no further authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by Grantee of this Agreement.

b. Binding Obligation. This Agreement has been duly executed and delivered by Grantee and constitutes a legal, valid and binding obligation of Grantee, enforceable in accordance with its terms subject to, if applicable, the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.

c. No Gratuities. Grantee's officers, employees, and agents shall neither solicit nor accept gratuities, favors, or any item of monetary value from contractors, potential contractors, or parties to subagreements, except as permitted by applicable law. No member or delegate to the Congress of the United States or State of Oregon employee shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

The warranties set in this **Section 9** are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

10. Records Maintenance and Retention.

a. Records, Access to Records and Facilities.

Grantee shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with, as applicable, all generally accepted accounting principles, generally accepted governmental auditing standards, and minimum standards for audits of non-profit organizations. Grantee shall ensure that each of its sub-recipients and subcontractors, if any, complies with these requirements. Agency, the Secretary of State of Oregon (Secretary), the federal government (including the Federal Funding Agency or the Comptroller General of the United States), and their duly authorized representatives shall have access to the books, documents, papers and records of Grantee that are directly related to this Agreement, the Grant Funds, or the Project for the purpose of making audits and

examinations and may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Nothing herein is meant to be or will be interpreted to be a waiver of any protection against disclosure of records or communication otherwise provided by law, including protection provided by attorney-client privilege or the attorney work product doctrine.

b. Retention of Records. Grantee shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project (including all records required under 49 CFR Part 18.42) until the date that is the later of: (i) any date required under 49 CFR Part 18.42 or (ii) six (6) years following the expiration of the Grant Period.

c. Expenditure Records. Grantee shall document the expenditure of all Grant Funds reimbursed by ODOT under this Agreement. Grantee shall create and maintain all expenditure records in sufficient detail to permit Agency to verify how the Grant Funds were expended. This Section 10 shall survive any expiration or termination of this Agreement.

11. Sub-agreements.

a. Subcontractors. Performance of this Agreement shall not be subcontracted in whole or in part, except with the written consent of Agency. If applicable, Grantee shall not assign this Agreement or the Project described herein, either in whole or in part, or otherwise attempt to convey any right, privilege, duty or obligation hereunder, without the prior written consent of Agency.

b. Terms of Subcontracts. Any contracts or other service agreements that are entered into by the Grantee as part of the Project shall be reviewed and approved by Agency to determine whether the work to be accomplished is consistent with the objectives and funding criteria of the Project. Grantee shall ensure that any subcontractors adhere to applicable requirements established for the Grant Funds and that any subcontracts include provisions for the following:

- (i) Administrative, contractual, or legal remedies in instances where subcontractors violate or breach sub contract terms, and provide for such sanctions and penalties as may be appropriate;
- (ii) Access by the Grantee, the state, the federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives, to any books, documents, papers, and records of the contractor which are directly pertinent to that specific subcontract, for the purpose of making audit, examination, excerpts, and transcriptions. Subcontractors shall maintain all required records for six years after Grantee makes final payments and all other pending matters are closed;
- (iii) Notice of Agency's requirements and regulations pertaining to reporting, requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such subcontract, and requirements and regulations pertaining to copyrights and rights in data; and

(iv) Any additional requirements imposed by federal law and set forth in **Exhibit C**, including without limitation, sections 1 (Miscellaneous Federal Provisions), 2 (Equal Employment Opportunity), 3 (Clean Air, Water and EPA), 4 (Other Environmental Standards), 5 (Energy Efficiency), 6 (Audits), 7 (Intellectual Property Rights), 8 (Super Circular), 9 (Whistleblower), 10 (Nondiscrimination), 11 (Buy America), 12 (Prohibits Helmet Use Survey/Checkpoints), 13 (Political Activity), 14 (Federal Lobbying), 15 (State Lobbying), and 16 (Debarment).

c. Conditional Terms. Where applicable, subcontracts shall include the following provisions:

- (i) Termination for cause and for convenience by the Grantee including the manner by which it will be effected and the basis for the settlement (subcontracts in excess of \$10,000);
- (ii) Compliance with Executive Order 11246 of September 24, 1965 entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967 and supplemented in Dept. of Labor regulations (41 CFR Part 60) (subcontracts in excess of \$10,000);
- (iii) Compliance with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 USC 327-330) as supplemented by Dept. of Labor regulations (29 CFR Part 5) (subcontracts in excess of \$2,500);
- (iv) Bidders, proposers, and applicants must certify that neither they nor their principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in the Project by any federal agency or department (subcontracts in excess of \$25,000); and

(v) Any additional terms required by federal law and set forth in Exhibit C.

d. Subcontractor Indemnity/Insurance.

(i) **Indemnity.** Grantee's subcontract(s) shall require the other party to such subcontract(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless State of Oregon ("State") and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Grantee's subcontract or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Grantee's subcontract(s) from and against any and all Claims. Any such indemnification shall also provide that neither Grantee's subrecipient(s), contractor(s) nor subcontractor(s) (collectively

"Subgrantees"), nor any attorney engaged by Grantee's Subgrantee(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Grantee's Subgrantee is prohibited from defending State or that Grantee's Subgrantee is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Grantee's Subgrantee if the State elects to assume its own defense.

(ii) **Insurance.** Grantee may require the other party, or parties, to each of its subcontracts that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts typically provided for projects of the Project's nature. Any insurance obtained by the other party to Grantee's subagreements, if any, shall not relieve Grantee of the requirements of Section 11 of this Agreement. The other party to any subcontract with Grantee, if the other party employs subject workers as defined in ORS 657.027, must obtain Workers Compensation Coverage as described in **Section 6**.

12. Termination

a. Termination by Agency. Agency may terminate this Agreement effective upon delivery of written notice of termination to Grantee, or at such later date as may be established by Agency in such written notice, if:

- (i) Grantee fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Grantee is, for any reason, rendered improbable, impossible, or illegal;
- (ii) Agency fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
- (iii) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
- (iv) The Project would not produce results commensurate with the further expenditure of funds; or
- (v) Grantee takes any action pertaining to this Agreement without the approval of Agency and which under the provisions of this Agreement would have required the approval of Agency; or
- (vi) Grantee is in default under any provision of this Agreement.

b. Termination by Grantee. Grantee may terminate this Agreement effective upon delivery of written notice of termination to Agency, or at such later date as may be established by Grantee in such written notice, if:

(i) The requisite local funding or match, if any, to continue the Project becomes unavailable to Grantee; or

(ii) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.

(iii) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that Grantee is no longer authorized to operate or to carry out the Project.

c. Termination by Either Party. If a Party fails to comply with any of the terms of this Agreement, the other Party may terminate this Agreement upon at least ten days' notice to the other Party or upon failure of the other Party to cure within any cure period provided in the notice.

13. Default.

a. Grantee Default. Any of the following constitutes a default by Grantee under this Agreement:

(i) Any false or misleading representation is made by or on behalf of Grantee or sub-grantee, in this Agreement or in any document provided by Grantee to Agency related to the Grant Funds or the Project;

(ii) Grantee fails to cure any performance as provided in Section 12.c;

(iii) Grantee fails to perform any other obligation required under this Agreement; or

(iv) If and to the extent allowed by law, Grantee initiates or consents to a proceeding or case, or a proceeding or case is commenced without the application or consent of Grantee, seeking: (A) the liquidation, dissolution or winding-up, or the composition or readjustment of debts, of Grantee, (B) the appointment of a trustee, receiver, custodian, liquidator, or the like of Grantee or of all or any substantial part of its assets, or (C) similar relief in respect to Grantee under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, and such proceeding or case continues undismissed, or an order, judgment, or decree approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty (60) consecutive days, or an order for relief against Grantee is entered in an involuntary case under the Federal Bankruptcy Code (as now or hereafter in effect).

b. Agency Default. Agency will be in default under this Agreement if it fails to perform, observe or discharge any of its covenants, agreements or obligations under this Agreement.

14. Remedies.

a. Agency Remedies. Upon any default, Agency may pursue any or all remedies in this Agreement and any other remedies available at law or in equity to enforce the performance of any obligation of Grantee. Remedies may include, but are not limited to:

(i) Terminating Agency's commitment and obligations under the Agreement as provided in **Section 12**;

(ii) Requiring repayment of the Grant Funds and all interest earned by Grantee on those Grant Funds as

provided in **Section 8**.

No remedy available to Agency is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right power or privilege under this Agreement will preclude any other or further exercise thereof or the exercise of any other such right, power or privilege.

b. Grantee Remedies. In the event Agency defaults on any obligation in this Agreement, Grantee's remedy will be limited to injunction, special action, action for specific performance, or other available equitable remedy for performance of Agency's obligations.

15. General Provisions.

a. Indemnification and Hold Harmless. Subject to the conditions and limitations of the Oregon Constitution, if any, and the Oregon Tort Claims Act (ORS 30.260 to 30.300), if applicable, Grantee shall indemnify, defend, save and hold harmless State of Oregon ("State") and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Grantee, its officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by Grantee from and against any and all Claims. Neither Grantee or any attorney engaged by Grantee may defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Grantee is prohibited from defending State or that Grantee is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Grantee if the State elects to assume its own defense.

b. Dispute Resolution. The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

c. Amendments. This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.

d. Duplicate Payment. Grantee is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the

State of Oregon or the United States of America or any other party, organization or individual.

e. No Third Party Beneficiaries. Agency and Grantee are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

f. Notices. Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email or mailing the same, postage prepaid, to Grantee Project Director or Agency Contact at the address or number set forth below or to such other addresses or numbers as either Party may hereafter indicate pursuant to this Section. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against Agency, such facsimile transmission must be confirmed by telephone notice to Agency Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received. Notices shall be directed to:

g. Governing Law, Consent to Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between Agency (or any other agency or department of the State of Oregon) and Grantee that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. *Each Party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.*

h. Compliance with Law. Grantee shall comply with all applicable federal (including those set forth in **Exhibit**

C), state, and local laws, regulations, executive orders and ordinances applicable to the Project including, but not limited to, the provisions of ORS 319.020 and OAR 738 Divisions 124 and 125 where applicable by this Agreement, incorporated herein by reference and made a part of this Agreement.

i. Independent Contractor. Grantee shall perform the Project as an independent contractor and not as an agent or employee of Agency. Grantee has no right or authority to incur or create any obligation for or legally bind Agency in any way. Agency cannot and will not control the means or manner by which Grantee performs the Project, except as specifically set forth in this Agreement. Grantee is responsible for determining the appropriate means and manner of performing the Project. Grantee acknowledges and agrees that Grantee is not an "officer", "employee", or "agent" of Agency, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.

j. Severability. If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.

k. Counterparts. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.

l. Integration and Waiver. This Agreement, and the attached Exhibits, constitute the entire Agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver or consent under this Agreement shall bind either Party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver or consent, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of Agency to enforce any provision of this Agreement shall not constitute a waiver by Agency of that or any other provision.

The Grantee, by its signature below, acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

EXHIBIT A
GRANT PROJECT APPLICATION

Project No: SE-21-35-05 LLL

Project Name: Clackamas CO SO Speed OT

Answer each question in the boxes provided. Answer each question completely and according to the instructions in *Italics*. All fields are required.

I. Project Description

A continuing priority for Clackamas County SO is enforcement of traffic violations including speed enforcement. Our goal is to reduce the number and severity of motor vehicle crashes on local roadways by increased traffic safety enforcement. Speeding drivers contribute significantly to property, injury and fatal crashes each year; speed was evident in 29% of all Oregon roadway fatalities in 2018. This grant will focus on enforcement of speed laws in statistically identified problem areas. Priority utilization deputies with knowledge of traffic laws and current knowledge of speed related "hot spots" such as traffic team members, motor officers etc. is encouraged. Deputies working the grant must be radar/lidar certified.

II. Problem Statement

- A. Describe the problem(s) this project will try to impact:
(Describe the problem(s) you intend to impact with this grant.)

The overall need for focused and sustained traffic enforcement has not diminished.

In 2018, 29% of all traffic fatalities in Oregon involved speeding (146 of 502 traffic deaths). Data reflects excessive speed or driving too fast for present conditions as the number two contributing factor to fatal traffic crashes on Oregon roads in the year 2018.

- B. Provide summary data about the problem(s):
(Give summary data regarding the problem as it exists in your jurisdiction.)

Our agency maintains speed enforcement as a top priority and places a strong emphasis on speed enforcement. Most driving complaints are centered around speeding and aggressive motorists, therefore, our agency remains active in speed enforcement.

- C. List current activities and associated agencies already involved in solving the problem(s):
(Include all related activities and agencies involved. If you have a current project, list the objectives of that project and progress in achieving them.)

A strong emphasis is placed toward speed enforcement. This is done through routine patrol, special enforcement projects, and when possible, a joint effort directed toward speed enforcement that may include partnering with other state and local law enforcement agencies.

III. Objectives

(Describe quantifiable products or outcomes that address those problems identified in Section II that should result from the proposed activities. Normally at least three very specific objectives should be given and each should include beginning and ending date.

The following are examples:

"To increase safety belt usage in (funded jurisdiction) from 85% to 90% by September 30, 2004, with the use rate determined by conducting observed use surveys."

"To reduce nighttime fatal and injury crashes occurring in (funded jurisdiction) by 20% from 60, the average for the 1998-2001 period, to 48 during the 12-month period starting October 1, 2003, and ending September 30, 2004."

"To provide intensive probation supervision to a minimum of 30 additional persons convicted of DUII in (funded jurisdiction) by making at least three face-to-face contacts with each person weekly from October 1, 2003, through September 30, 2004."

"To complete an evaluation by July 1, 2004, to determine if using photo radar will lead to a significant reduction in fatal and injury traffic crashes in that location."

	Start Date	End Date	Objective
1.	10/01/2020	9/30/2021	Decrease statewide fatalities in speed related crashes from the 2016-2018 moving average of 174 to 159 or lower by December 31, 2021.
2.	10/01/2020	9/30/2021	Increase patrols in the worst speed-related crash locations on local roadways and focus speed-enforcement efforts in those areas during the grant year based on most current data by priority utilization of deputies most familiar with problem areas and traffic laws, such as traffic team members, motor officers etc. Report quarterly on the enforcement results for each of the selected roadways. Overtime enforcement will reflect this priority by having a goal of three citizen contacts per hour during overtime enforcement.
3.	10/01/2020	9/30/2021	Partner with media outlets on a case-by-case basis and when necessary to educate the public about speed related crash issues and saturations being conducted.
4.	10/01/2020	9/30/2021	Coordinate and/or participate in targeted law enforcement saturation patrols on identified problem roadways as resources allow.
5.	10/01/2020	9/30/2021	Goal of having a minimum of three citizen contacts per hour during overtime enforcement.

IV. Proposed Activities

A. Major Activities

(List major activities to be carried out to achieve objectives stated in Section III above. List the start and end date for each activity, and include in your description what will be done, who will do it, and who will be affected.)

	Start Date	End Date	Activity
1.	10/01/2020	9/30/2021	Schedule agency HVE OT enforcement events for/during the grant year; at locations that over-represent the speeding problem/crashes based on local data.
2.	10/01/2020	9/30/2021	Involve the media when appropriate to educate the public about the roadways being patrolled for speed enforcement.
3.	10/01/2020	9/30/2021	As needed, coordinate high visibility enforcement saturations with other LEA's.
4.	10/01/2020	9/30/2021	Maintain the goal of three citizen contacts per hour during overtime enforcement hours.

Plans for sharing the project activities with others:

Local LEA's for HVE events; Multi-Agency Traffic Teams (MATT).

B. Coordination

(List the groups and agencies with which you will be cooperating to complete the activities of the project. Explain how you will be working together. In those projects not requiring the involvement of other agencies, a statement justifying the ability of the applicant to carry out the project independently should be included.)

Is coordination with outside agencies or groups required? If **yes**, check here:

1) If you checked the box above, please fill in the following. Otherwise skip to item 2) below:

Name/role of groups and agencies involved:

2) Fill this if you did not check the box above:

Ability to complete the project independently:

LEA can complete this project independently, however, when possible, coordinated High Visibility Enforcement saturations with other state and local law enforcement agencies will be done.

C. Continuation

Plans to continue the project activities after funding ceases:

This project will be annually evaluated as speed is one of Oregon's most significant traffic safety issues killing and injuring the motoring public and their passengers.

V. Evaluation Plan

A. Evaluation Questions

(You will be reporting on your objectives in your Project Evaluation. At a minimum each objective should be rephrased as an evaluation question. For example, what percentage of the public in (funded jurisdiction) wears a safety belt? What percentage increase is this? Add questions that demonstrate expected or potential impact of the project on the state or jurisdiction's traffic safety environment. Avoid yes/no evaluation questions.)

Evaluation Question	
1.	How many speed-related fatal and serious injury crashes occurred in Oregon, and was it a decrease or an increase, per the goal of the program? (by Dec 31, 2021)
2.	Was a listing of all enforcement and education activities provided to ODOT TSD giving details about overtime worked for each roadway segment? Was all required reporting data submitted to TSD for each OT enforcement event?
3.	How many speed related citations were issued during grant overtime hours?
4.	Were media releases or press events conducted as it relates to the roadways targeted? Please attach any media releases or other pertinent information.

B. Data Requirements

1. Data to be collected: The Data Table presented as Exhibit A will be submitted with required quarterly reports.

2. Data System

Describe how the data will be collected, stored, and tabulated:

Data will be collected from officers. All data collected will be reported to TSD in the final evaluation report and with quarterly claims.

C. Evaluation Design

Describe how the data will be analyzed:

Data will be analyzed and evaluated to ensure number of hours worked toward speed enforcement activities meet the grant requirements.

D. Project Evaluation Preparation

A Project Evaluation Report will be submitted to TSD following the requirements given in the Agreements and Assurances.

No federal funds may be used to provide work in violation of 42 U.S.C. 14402.

2. Equal Employment Opportunity. If this Agreement, including amendments, is for more than \$10,000, then Grantee shall comply and require all subcontractors to comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 CFR Part 60).

 "During the performance of this contract/funding agreement, the contractor/funding recipient agrees—
a. To comply with all Federal nondiscrimination laws and regulations, as may be amended from time to time;
b. Not to participate directly or indirectly in the discrimination prohibited by any Federal non-

- discrimination law or regulation, as set forth in Appendix B of 49 CFR part 21 and herein;

- d.** That, in event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding agreement, the State highway safety agency will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies; and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part; and
- e.** To insert this clause, including paragraphs (a) through (e), in every subcontract and subagreement and in every solicitation for a subcontract or sub-agreement, that receives Federal funds under this program.

11. Buy America Act. All material and equipment purchased shall be produced in the United States in accordance with Section 165 of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424; 96 Stat. 2097) unless the Secretary of Transportation has determined under Section 165 that it is appropriate to waive this agreement.

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal Funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

12. Prohibition on Using Grant Funds to Check for Helmet Use. The State and each subrecipient will not use 23 U.S.C Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.

13. Political Activity (Hatch Act). The State will comply with provisions of the Hatch Act (5 U.S.C. §§1501-1508) which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

14. Certification Regarding Federal Lobbying. Certification for Contracts, Grants, Loans, and Cooperative Agreements.

Grantee certifies by the signature of its authorized representative to this Agreement that, to the best of his or her knowledge and belief:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

c. The undersigned shall require that the language of this certification be included in the award documents for all sub-award at all tiers (including subcontracts, subgrants, and contracts under grant, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

15. Restriction on State Lobbying. None of the funds will be used for any activity specifically designed to urge or influence a state or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (e.g., "grassroots")

lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

16. Certification Regarding Debarment and Suspension.

Instructions for Primary Tier Participant Certification (States)

a. By signing and submitting this proposal, the prospective primary tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR Parts 180 and 1200.

b. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective primary tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary tier participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

c. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.

d. The prospective primary tier participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

e. The terms *covered transaction*, *civil judgment*, *debarment*, *suspension*, *ineligible*, *participant*, *person*, *principal*, and *voluntarily excluded*, as used in this clause, are defined in 2 CFR parts 180 and 1200. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

f. The prospective primary tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

g. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>)

i. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

j. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department or agency may terminate the transaction for cause or default.

BACKGROUND:

This program, legislated in 1999 as ORS 306.135, provides for the funding from the Oregon Department of Revenue for GIS digital tax lot capture and the creation of digital Assessor's tax lot maps. The ORMAP program collects \$1.00 for each recorded land related document from all Oregon Counties. These funds go into a pool administered by the Oregon Department of

Revenue. Funds are distributed to Counties based on competitive grant applications twice a year. This contract represents our fall 2020 award of our grant request for continuing work to retire Mylar Maps (paper maps created in the 1960's) and create digital maps for the ORMAP program, which satisfies ORMAP Goal 6.

The product created by funds from this IGA contract benefits the County, the State, and most importantly, the public. Having an accurate ownership GIS layer allows users of the data to make more informed decisions and provides a more accurate base map for other GIS map data.

This project is a collaborative effort between the Clackamas County's Assessor's Office and the GIS Division of the Technology Services Department. Also assisting in this effort is the County's Surveyor. County Counsel has reviewed, and approved, these on-going ORMAP contracts.

RECOMMENDATION:

Staff respectfully recommends that the Board of County Commissioners approve Intergovernmental Agreement Contract # DOR-310-20 with the State of Oregon Department of Revenue for the continued conversion of Mylar maps to a digital GIS database.

Respectfully submitted,

**DEPARTMENT OF REVENUE
ORMAP INTERGOVERNMENTAL AGREEMENT
CONTRACT #DOR-310-20**

This Agreement is entered into by and between the State of Oregon, acting by and through the Department of Revenue (“Department”) and Clackamas County A&T (“County”).

WHEREAS, under ORS 306.135 the Department is charged with developing a base map system to facilitate and improve the administration of the ad valorem property tax system;

WHEREAS, pursuant to ORS 190.110, the Department may cooperate, by agreement or otherwise, with a unit of local government in performing the duties imposed upon it by ORS 306.135.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Department and the County agree to the following:

I. EFFECTIVE DATE OF AGREEMENT; AWARD; PROJECT COMPLETION

- A. Effective Date of Agreement. This Agreement shall become effective on the date this Agreement has been signed by every party and all required approvals have been obtained, and no sooner than January 1, 2021.
- B. Award. The Department shall provide funds in the amount of **\$35,000.00** (the “Award”) to the County to fund all or part of the activities set forth in Exhibit A (“Proposal”) which is attached hereto and by this reference made a part hereof. The part of the activities set forth in the Proposal which is funded by the Award shall be called the “Project”. All of the activities set forth in the Proposal, whether funded by the Department or by other sources, shall be referred to as the “Total Project”. (If there are no other funders beside the Department for the activities described in the Proposal, the Total Project is the same as the Project.) The Department shall not be obligated to provide to the County, and the County shall not use the Award other than for costs for the Project.
- C. Project Completion. County agrees to complete the Total Project in accordance with the terms and specifications of the Proposal by **December 31, 2021** (“Project Completion Date”). Final billing for the Project shall be submitted to the Department on or before **January 31, 2022**.

- A. Disbursement of Funds by the Department. Subject to Section IV, upon receipt of the County’s request for disbursement, the Department shall disburse the

Award to the County on a cost reimbursement basis. The Department may, in its sole discretion, impose a minimum or maximum dollar amount for each disbursement request or limit the frequency of disbursement requests.

- B. Overpayment. In the event that the aggregate amount of the Department's disbursements hereunder exceeds the costs of the County for the Project, the County agrees to refund to the Department the amount paid in excess of such costs within thirty (30) days of final billing by the County or the Project Completion Date, whichever is earlier.
- C. Disallowed Costs. The County agrees that payment(s) under this Agreement shall be subject to offset or reduction for amounts previously paid hereunder which are found by the Department not to constitute allowable costs under this Agreement. If such disallowed amount exceeds the payment(s); the County shall immediately upon demand pay the Department the amount of such excess.
- D. Cost Savings. Any cost savings realized on the Total Project shall be prorated between the funding sources based on the percentage of their respective cash contributions as set forth in the Proposal. In no event shall the Department pay for more than its pro rata share of the County's actual out-of-pocket cost of the Total Project.
- E. No Duplicate Payment. The County shall not be compensated for, or receive any other duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party.

IV. CONDITIONS TO DISBURSEMENT

- A. Conditions Precedent to Disbursement. The Department shall not be obligated to disburse any funds hereunder for Project costs unless (1) there exists no event of default or default which with notice or lapse of time or both will become an event of default hereunder, and (2) the Department has received from the County (i) a request for disbursement signed by a duly authorized representative of the County (which shall, among other things, state that the County has or will have sufficient funds to complete the Total Project by the Project Completion Date), (ii) an itemized invoice and (iii) such other documentation as the Department may require, all in form and substance satisfactory to the Department; further, the Department shall only be obligated to disburse Award funds to the extent that the portion of the Award represented by the aggregate amount of all disbursements made through the date of the disbursement request (including the amount of the disbursement request) does not exceed the percentage of the Project completed through the date of the disbursement request, as determined by the Department.
- B. Conditions Precedent to Final Disbursement. The Department shall not be obligated to make final disbursement hereunder until a final payment request and such documentation as may be required by the Department, all in form and substance satisfactory to the Department, shall be submitted by the County to the Department. Final payment will be made to the County within forty-five (45) days of approval by the Department.

V. COVENANTS

- A. Assignment. If the County hires a contractor(s) to do all or part of the Project, the County shall remain liable for compliance with the terms and conditions of this Agreement and shall not in any way be relieved of any of its obligations under this Agreement. The County shall be responsible for all cost overruns.
- B. Payments. To the extent required by state and federal law, the County agrees to:
1. Make payment promptly as due to all contractors, subcontractors, vendors and other persons supplying labor and/or materials for the Project; and
 2. All employers, including County, that employ subject workers, as defined in ORS 656.027, shall comply with ORS 656.017 and shall provide workers' compensation insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). County shall require and ensure that each of its subcontractors complies with these requirements.

- C. Liabilities. County shall perform its obligations under this Agreement as an independent contractor. Each party shall be responsible exclusively with respect to its employees, for providing for employment-related benefits and deductions that are required by law, including but not limited to federal and state income tax deductions, workers' compensation coverage, and contributions to the Public Employees Retirement System.

Each party shall be responsible, to the extent required by law (including the Oregon Tort Claims Act, ORS 30.260-30.300), only for the acts, omissions or negligence of its own officers, employees or agents.

- D. Compliance with Applicable Law. The County shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to this Agreement. The Department's performance under this Agreement is conditioned upon the County's compliance with the provisions of ORS 279B.220, 279B.235, 279B.230 and 279B.270, as amended from time to time, which are incorporated by reference herein. The parties shall, to the maximum extent economically feasible in the performance of this Agreement, use recycled paper (as defined in ORS 279A.010(ee)), recycled PETE products (as defined in ORS 279A.010(ff)), and other recycled products (as "recycled product" is defined in ORS 279A.010(gg))
- E. Records Maintenance. The County shall maintain all fiscal records relating to this Agreement in accordance with generally accepted accounting principles and the Oregon Local Budget Law, ORS 294.305 to 294.565.. In addition, the County shall maintain any other records pertinent to this Agreement in such a manner as to clearly document the County's performance. The County's accounting procedures shall provide for an accurate and timely recording of receipt of funds by source, of expenditures made from such funds, and of unexpended balances. Controls shall be established which are adequate to ensure that all expenditures reimbursed under this Agreement are for allowable purposes and that documentation is readily available to verify that such charges are accurate.
- F. Access. The County acknowledges and agrees that the Department and the Oregon Secretary of State's Office and the federal government and their duly authorized representatives shall have access to such fiscal records and other books, documents, papers, plans and writings of the County that are pertinent to this Agreement to perform examinations and audits and make copies, excerpts and transcripts. The County shall retain and keep accessible all such fiscal records, books, documents, papers, plans and writings for a minimum of five (5) years, or such longer period as may be required by applicable law, following final payment under this Agreement, or until the conclusion of any audit, controversy, or litigation arising out of or related to this Agreement, whichever date is later.

- G. Project Ownership. The Department acknowledges and agrees that the Project is the exclusive property of the County. The County acknowledges and agrees that the Department is not responsible or liable in any manner for the completion or maintenance of the Project or Total Project.

VI. TERMINATION; REMEDIES

- A. Termination for Convenience. Either party may terminate this Agreement at any time upon thirty (30) days prior written notice to the other party; provided, however, that the County shall, within thirty (30) days of such termination, reimburse the Department for all funds disbursed by the Department hereunder to the extent that the amount of funds disbursed exceeds the amount of the Award multiplied by the percentage of the Project completed to the satisfaction of the Department; provided further that until the County has fully reimbursed the Department for such funds, the County shall comply with the terms of this Agreement.

B. Termination Because of Non-Appropriation or Project Ineligibility.

1. The Department, at any time upon prior written notice to the County, may terminate this Agreement if the Department fails to receive funding or appropriations, limitations, or other expenditure authority at levels sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to pay for the allowable costs of the Project to be funded hereunder or any state law, regulation or guideline is modified, changed or interpreted in such a way that the Total Project, or any portion of the Total Project, is no longer eligible for Award funds.
2. In the event insufficient funds are appropriated by the County for its share of the costs of the Total Project and the County has no other lawfully available funds, then the County may terminate this Agreement at the end of its current fiscal year, with no further liability to the Department. The County shall deliver to the Department written notice of such termination within thirty (30) days of its determination of such shortfall.

C. Termination for Default. The Department may, at any time upon thirty (30) days prior written notice to the County, terminate this Agreement if:

1. The design and implementation of the Total Project is not pursued with due diligence; or
2. The cadastral portions of the Total Project do not conform to the Department of Revenue Oregon Cadastral Map System; or

3. The County fails to receive funding for portions of the Total Project from outside sources as described in its Proposal; or
 4. The County, without the prior written approval of the Department, uses the funds provided by the Department hereunder in a way other than the Project described in the Proposal.
 5. The County violates any other provision of this Agreement.
- D. Rights and Remedies. The County shall, within thirty (30) days of its receipt of the notice described in Section VI.C above, reimburse the Department for all funds disbursed hereunder to the extent that the funds disbursed exceed the amount of the Award multiplied by the percentage of the Project completed to the satisfaction of the Department as of the date of County's receipt of the notice described in Section VI.C above. Further, the Department shall have any and all rights and remedies available at law or in equity.

VII. GENERAL PROVISIONS

- A. Force Majeure. - E. Severability. The Department and the County agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term or provisions held to be invalid.
- F. Notice. Except as otherwise expressly provided in this Agreement, any communications between the parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, or mailing the same, postage prepaid, to the Department or the County at the address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either party may hereafter indicate pursuant to this Section. Any communication or notice so addressed and mailed shall be deemed to be given five (5) days after mailing. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine. Any communication or notice by personal delivery shall be deemed to be given when actually delivered.

Section III. Detail Project Information –Answer all questions

A. Overview

1. Describe what the project is trying to accomplish.

Clackamas County is continuing to retire Mylar Maps that were created in the 1960’s. As the Digital tax lot layer is upgraded, A&T updates & annotates Digital Assessor Maps in a Final form in accordance with ORMAP Goal 6 standards to retire Mylar maps.

2. What part(s) of the county does this project cover (Township, Range, and Sections, if applicable)?

The project will cover a variety of areas in the remaining 20% of the incomplete Final Digital Assessor maps.

3. What is the status/outcome of all previously funded ORMAP projects? (Please include funding cycles and a “status map” of your county.)

Prior to the Fall 2006 ORMAP contract, all efforts were to re-map urban areas. As the digital GIS database developed through ORMAP funding and regular maintenance, we started to finalize Digital Maps and retire Mylar Assessment Maps that were up to ORMAP Goal 4 standards. This was through our normal maintenance process. The Fall 2019 grant was used for annotating maps that have line work up to ORMAP standards and are now designated as “ready for Cartography” in our map status list by temporary employee/s. The Fall 2020 grant will continue this work.

4. Describe, in detail, your technical approach to the project (such as, mapping methodology).

Take converted digital maps and newly created tax lot parcel maps and identify missing Cartographic Elements that are required by the Department of Revenue for Goal 6 compliant Assessor’s cadastral maps by comparing the digital elements with the current Assessor’s Mylar maps. Add those elements into an ORMAP/ESRI compliant geodatabase to produce final maps. Deeds, surveys, and GPS points in our construction fabric layer, orthophotography, and existing tax lot maps are used to annotate and adjust tax maps to create final digital tax maps. To ensure quality, staff will use the ESRI ArcMap 10.7 tools as well as the ORMAP Parcel editing tools to add annotation to create the cartographic features necessary to produce final maps.

5. Describe the project deliverables.

This project will deliver 272 additional maps, fully annotated, rectified to control meeting ORMAP tax lot standards. As new subdivisions are created those tax lots are mapped to ORMAP standards under our maintenance process.

6. Who will be doing the work (county staff, contractor, or DOR staff)? Please define their roles.

Temporary staff working under the supervision of the Cartography staff will do the work. They will annotate, verify deeds, and survey information to complete the assessor Map. Cartography staff will QC the maps to verify that everything is to ORMAP Goal 6 standards. Control points will be obtained from County staff.

7. How will the county cartographer integrate the deliverables into the County’s maintenance plan?

The County Cartographer will use various tools developed for maintenance to update any changes that might occur for the Assessor Maps finalized in this project. The projects deliverables will be part of the overall countywide GIS tax lot layer. The deliverables from this project will be used to complete the tax maps, directed exclusively by the County Cartographer.

8. Provide a project timeline with milestones or completion dates.

This project deals with tax maps, of which 80% are completed. Based on current resources and anticipated ORMAP funding, we estimate completion of Goal 6 in December 2021. Thus far, we have finalized 2,738 tax maps to ORMAP specifications to date.

9. Does this project have any partnerships? If yes, please identify them.

Yes. The deliverables from this project are used by many agencies as a base to map infrastructure and other details. Typical agencies outside the County who have entered into partnership agreements include cities, water districts, utilities providers, school districts, community planning organizations, and a variety of state and federal agencies. Additionally, Clackamas County has developed boundary agreements with all our County neighbors. We have agreements covering 100% of the area that bounds our county.

10. Describe any innovations utilized by this project.

We use the tools developed by the ORMAP tools group and have participated in that group from its inception either to be part of the application development team or as a test group. We are also using the latest tools developed by ESRI to stay current with ArcGIS releases. Finally, the deliverables from this project are allowing the Assessor's Cartographers to retire the old Mylar tax maps and completely replace them with a digital product.

11. Detail Costs (who is paying for what).

100% of this current project is funded by ORMAP.

B. Quality Control

1. Who will be responsible for quality control (QC)?

All Quality Control is the responsibility of Clackamas County's Departments of Assessment and Taxation and Technology Services, GIS Division.

2. Will county cartography staff review the deliverables?

Yes. The cartography staff in the Assessor's Office performs the final QC. They insure all components are present and correct for map production to DOR and Clackamas County standards.

3. Will there be a review by Department of Revenue's cartography staff?

That is arranged by A&T Cartographers. DOR Cartography staff has come to the county to review our technique and process and are always welcome to see what we are doing with tax lot capture.

4. Describe QC procedures.

The quality control process is very extensive. A quality control checklist was developed for those entering COGO information and for those checking it. Ground control is evaluated as to its level of survey accuracy for the plat rectification process. If customary ground control is not available, rectified orthophotos are used. Plats controlled in this manor will be revisited when better ground control is obtained. Plats are never rubber sheeted. The County Surveyor resolves any errors that occur when rectifying to ground control (i.e. gaps and overlaps). In summary, all quality control efforts will meet or exceed ORMAP Technical Specifications.

C. Project Detail

1. Is this project an "edge matching project"? If so, how much of the county boundary will be completed?

No. 100% of edge matching has been completed with surrounding counties with prior projects and we have agreements with all our neighbors.

2. Is this project part of an ongoing or multi-phased remapping project?

Yes, this project is a continuation of our on-going re-mapping project as outlined in our Business Plan. In addition, this project is likely to be the first of three where ground control will be requested.

3. What percentage of the county taxlots and tax maps meet the ORMAP technical specifications?

	Total Countywide	Meet Tech Specs	Percent Complete
Tax Lots	162,403	162,167	99.9%
Tax Maps	3,405	2,738	80.4%

4. Upon completion of this project will your county meet goal 6 (100% of tax maps meeting technical specification)?

Current projected completion date is estimated to be December 2021.

5. Is this project part of a multi-county effort? If so, please explain.

No.

6. Will the project cost be affected if it is not fully funding this cycle?

Yes. It will delay our overall completion time. However, if partially funded (say half), we may be able to continue work assuming we get additional funding for the Spring 2021 ORMAP grant.

D. Data Availability

1. Does the county have a data sharing agreement with the State?

Yes.

2. Identify any data restrictions or licensing issues.

All data produced under the ORMAP program is freely available through a Data Sharing Agreement to other government agencies. Clackamas County has entered into an IGA with the State for data sharing. All publication of this data, particularly via the Internet, must comply with all Clackamas County policies and disclaimers as adopted by County Administration or the Board of County Commissioners. All data is governed by a data licensing agreement. The public has access to digital tax lot lines freely over a GIS Data Portal.

E. Background Information

Any other information that you feel may help support the project.

F. Other Issues - Please identify.

We have entered areas of the County that have insufficient survey ground control to map tax lots to rural ORMAP standards. Acquiring this control will be time consuming and expensive. This may affect the progress towards our completion timeframe.
