

Clackamas County

DD Licensing

July 2024

We are seeing triple digit temperatures across the county, it is important to stay hydrated and use sunblock. Water activities are a great way to stay cool. This could mean a [local](#) day trip, outing to the coast or surrounding area, or [activities](#) at home. Be sure to use life jackets as appropriate and ensure they [fit properly](#). Remember sunblock needs to be reapplied, check out this [link for more extensive guidelines](#). Consider a face applicator, like [solar buddies](#), if needed.

SAVE THE DATE

Our next in person provider meeting will be on September 11th at 1:00 pm. Official invites will go out as we get closer.

Emergency supply kits are available to individuals in services. See attachment.
