BACKGROUND:

Clackamas County Social Services Division seeks Approval of Amendment #2 to a Contract with SRS LLC for on-call hotel rooms for temporary housing participants. This program provides safety and temporary housing to this vulnerable population while partner agencies assist them with obtaining permanent housing.

Between December, 2020, and March, 2021, the County, through its Social Services Division, developed a Non-Congregate Hotel Shelter program for houseless persons who were at high risk of a COVID19 infection due to age or health conditions. There are approximately 67 households still housed in hotels. To avoid transitioning people back into an unhoused situation while we are seeking permanent housing options, the County will contract with motel/hotel owners'/operators' to provide shelter during this time. The program is expected to end by September 30, 2022.

The contract will be paid using American Rescue Plan Act (ARPA) funds dedicated by the Board of County Commissioners for use to provide temporary hotel shelter for vulnerable populations. No county general fund is involved.

County Counsel approved the Amendment, and it is effective upon signature by all parties.

PROCUREMENT PROCESS:

This project was advertised in accordance with ORS and LCRB Rules on August 3, 2021, through RFQ 2021-66 the County requested for multiple contracts. The RFQ is continuously open to allow for multiple vendors to quote and for the County to award multiple contracts. The County received the quote from SRS LLC for the Budget Inn on August 26, 2021. It was determined to be in the best interest of the county to move forward with the quote with SRS LLC.

RECOMMENDATION:

Staff recommends the Board approval of this Agency Services Contract Amendment and authorization for the Chair to sign on behalf of the county.

Respectfully submitted,

Rodney A. Cook
Director
Health, Housing and Human Services
