EXECUTIVE SUMMARY:

Pursuant to statute, Clackamas County Service District No. 5 may, in accordance with the order adopted under ORS 451.485, finance the construction, operation or maintenance of service facilities for a district by tax assessments against the property in the district.

As outlined in the budget presentations in June of this year, the District budget assumes the collection of an annual assessment upon all benefiting real property annexed in to the district. These assessments, included on the property tax statements for the County and collected in the same manner as ad valorem taxes, provide for the provision of street lighting services. These services include, but are not limited to, general maintenance, electrical service costs, and district administrative expenses.

ORS 310.060 requires the Board to certify the roll for the District and the District to provide this information to the County Assessor not

Staff respectfully recommends that the Board of County Commissioners, acting in the capacity of governing board for Clackamas County Service District No. 5, approve this Resolution directing the County Tax Assessor to place the street lighting service assessment, in the amount of \$2,257,738.24, on the 2023-2024 tax roll.
