**30.5%** have received an extra dose (*3<sup>rd</sup> dose or booster*)

## **Entire ClackCo Population**

Primary Series In Progress: **22,748**

Primary Series Complete: **280,336**

**693,562** doses administered in Clackamas

**303,084** people vaccinated in Clackamas

# Omicron Updates

- Nearly 9.5 million cases worldwide last week, the most of any week during the pandemic
- U.S. averaging more than 714,000 new cases a day in the past week
- Oregon averaging more than 6,750 cases a day in the past week
- ClackCo averaging 722 cases a day in the past week
- 32.5% rise in COVID-19 hospitalizations in the U.S. in the past week
- States with early Omicron presence showing sharp increases in hospitalization rates
- Impacting all sectors: schools and childcares, health systems, restaurants, retail etc.

**5 most common symptoms:** runny nose, headache, fatigue, sneezing, sore throat

Symptomatic people should stay at home and away from others and get tested

# OHA COVID-19 Hotline and Website

- Report positive at-home or testing provider COVID-19 tests
- Take a 20-45 minute [online survey](#)
- Get information about what to do if you test positive:
  - Isolation or quarantine guidance
  - How to tell your close contacts they may have been exposed
  - Access resources and health information

**Have you tested positive  
for COVID-19?**

**Visit [Oregon.gov/positivecovidtest](https://Oregon.gov/positivecovidtest)**

- Need more health information?
- Questions about isolation or quarantine?
- Wondering how to tell your close contacts they may have been exposed to COVID-19?
- Fill out the COVID-19 Case Survey to help public health.

**Talk to a Public Health Representative.**

**Call: 866-917-8881 toll free**

**Oregon  
Health  
Authority**

OHA 4057A (1/12/2022)

**Call: 866-917-8881 Hours: M-F from 8am to 6pm and Saturday 10am to 4pm**

# Shortened Quarantine and Isolation Options for the General Public

Healthcare workers have specific [guidance](#).

## **If you test positive for COVID-19 or show symptoms (Isolate):**

Regardless of vaccination status:

- Stay home and away from others for a minimum of 5 days.
- If you have had no symptoms, or mild symptoms that have resolved after 5 days, you may leave the house if you wear a mask while around others for another 5 days.

## **If You Were Exposed to Someone with COVID-19 (Quarantine):**

Unvaccinated or not yet boosted:

- Stay home and away from others for a minimum of 5 days.
- Then consistently and diligently wear a well-fitting mask around others for 5 more days.

Received booster shot or vaccinated primary series and not yet eligible for a booster:

- Do not need to quarantine
- Wear mask around others for 10 days.

Both groups should test on day 5, if possible.

# BOOST UP, CLACKAMAS!

- Primary series **plus a booster** dose gives over 70% protection against omicron
- Anyone age 12+ can get a booster dose five months after their second dose of a Pfizer vaccine or Moderna vaccine
- 12-17 year olds are only eligible to receive the Pfizer vaccine
- The CDC recommends everyone 18 and older get a booster dose two months after a Johnson & Johnson dose.

# VACCINE SCHEDULING
