EXECUTIVE SUMMARY On behalf of the Housing & Community Development Division (HCDD), the Health, Housing & Human Services (H3S) Department requests approval of an Intergovernmental Agreement (IGA) with the Housing Authority of Clackamas County (HACC) to facilitate payments between the two entities for the delivery of housing and homeless programs and services.

As separate legal entities, a formal agreement is needed between the Housing Authority and Clackamas County to memorialize respective responsibilities and facilitate payments between the parties.

Following the passage of the Supportive Housing Services (SHS) Measure in May 2020, an IGA was executed between the Housing Authority and Clackamas County in July 2021 that allowed the transfer of SHS funds to HACC to administer the SHS program. At that time, the County planned for HACC to be the primary administrator of SHS programs and services.

Since then, the County has formed the Housing and Community Development Division within H3S to consolidate the administration of the County’s growing housing and homeless services programs under the purview of a single division. The Housing and Community Development Division is primarily responsible for administering SHS-funded programming, with HACC holding responsibility for specific aspects, including the Regional Long-term Rent Assistance (RLRA) program. Similarly, the County has received new funding from the State of Oregon as part of the

Healthy Families. Strong Communities.

Governor's emergency orders on homelessness. HCDD holds primary responsibility for the administration of these funds, and HACC administers a piece of the programming, the new state-funded Long-term Rent Assistance (LTRA) program.

With these changes, H3S is initiating a new IGA between the County and HACC to replace the SHS-specific IGA executed in July 2021. The new IGA outlines the roles and responsibilities of the parties for the broader administration of housing-related services. It contains a Scope of Work outlining the details of specific programs carried out by each party and an Annual Budget detailing the allocation of resources to fund those programs. This new IGA will provide more specificity and transparency as to the activities being carried out by each entity.

The term of the IGA is for five years, ending on June 30, 2029. Each year, the parties will agree to a new Scope of Work for their respective services and an Annual Budget for the respective costs of the programs and services to be provided by each party. The Board of County Commissioners and the Board of HACC will be presented with the Scope of Work and Annual Budget for their approval each year.

The Scope of Work for the Fiscal Year 2024-25 includes the administration of the SHS-funded Regional Long-Term Assistance Program by HACC, the Administration of the State Funded Long Term Rent Assistance Program by HACC, the collaborative administration of Peer Support and Resident Services by the County and HACC, and Environmental Reviews done by HCDD staff at the request of HACC. The Annual Budget for Fiscal Year 2024-25 is \$30,050,409.96 for funds moving from the County to the Housing Authority and \$725,063.00 for funds moving from the Housing Authority to the County.

RECOMMENDATION: The Staff respectfully requests that the Board of County Commissioners approve the IGA (#11979) for the provision of housing and homeless services and authorize Chair Roberts or his designee to sign on behalf of Clackamas County.

Respectfully submitted,

Mary Rumbaugh
Director of Health Housing and Human Services
