EXECUTIVE SUMMARY: There are certain County roads, such as S Forsythe Road in Oregon City, that are wholly, mostly, or partially within various Cities throughout Clackamas County. Fragmented jurisdiction over these roads often results in differing road maintenance activities and confusion by the public as to which agency is responsible for the operation and maintenance of the roads.

On September 5, 2024, Clackamas County and the City of Oregon City entered into an intergovernmental agreement for the transfer of a portion of S Forsythe Road with the intent of streamlining planned roadway improvements, eliminating confusion to the public and improving the efficiencies of maintenance and public service. This portion of S Forsythe Road is located entirely within the limits of Oregon City.

Pursuant to the September 2024 Intergovernmental Agreement, the County agreed to provide funds to the City of Oregon City in the amount of \$23,590, which is equal to the cost of a 2”

asphalt overlay, in exchange for the City assuming exclusive jurisdiction over S Forsythe Road, containing approximately 15,720 square feet of Right-of-Way. By accepting jurisdiction over S Forsythe Road, the City becomes the "Road Authority" responsible for all maintenance, improvements, permitting and road standard activities.

RECOMMENDATION: Staff respectfully requests that the Board approve this Board Order related to transfer of jurisdiction of a portion of S Forsythe Road in an amount equivalent to a 2" asphalt overly.

Respectfully submitted,
