MEASURE APPROVING ANNEXATION OF 0.46 ACRES INTO OREGON CITY

Question 20 words

Shall 0.46 acres along S. Columbine Court, south of South End Road be annexed into the Oregon City city limits?

Summary 175 words

Annexation is the legal process to bring property into the city limits. Because of a failing septic system, Steve and June Taylor, the applicants and property owners, have asked the city to bring one 0.46 acre parcel of land located at 19328 S. Columbine Court into the city limits.

The annexation area is located within Oregon City's Urban Growth Boundary and is contiguous to property already located in the city limits. The property is currently zoned County FU-10 and will retain its FU-10 designation should annexation be approved. No development of the subject property is proposed. The City Commission has concluded that the proposal meets all state, regional and City requirements for annexation into the City and services can be adequately provided to the property.

The following authorized city official hereby certifies the above ballot title is true and complete, which includes publication of notice and the completion of the ballot title challenge process.
