EXECUTIVE SUMMARY: On behalf of the Housing and Community Development Division (HCDD), Health, Housing & Human Services requests approval to apply for funding from the Oregon Housing and Community Services (OHCS) Department for Neighborhood Stabilization Program (NSP) funds.

On January 10, 2025, OHCS contacted several jurisdictions regarding available NSP-1 funds. Staff identified the possible use of these funds to assist a non-profit housing developer redevelop one or two of the Housing Authority public housing disposition properties. HCDD staff have discussed eligible NSP grant activities with OHCS program staff and have been asked to provide a Funding Reservation Request.

Enclosed are the internal lifecycle form and the Funding Reservation materials for applications that require signature. If OHCS approves the funding request, a grant agreement will be brought back to the board for approval at a future business meeting as a consent agenda item.

RECOMMENDATION: Staff respectfully request that the Board of County Commissioners approve the OHCS NSP Grant funds application and fund reservation and authorize Chair Roberts to sign on behalf of Clackamas County.

Respectfully submitted,

Mary Rumbaugh

Brief Description of Project:

NSP funding was created in 2008 during the financial housing crisis and mirrored the Community Development Block Grant (CDBG) program requirements. OHCS administered three rounds of NSP through which it allocated the funding to local jurisdictions that could award the funds to eligible projects. In 2025 Oregon Housing and Community Services has remaining funding available from the Neighborhood Stabilization Program (NSP) that Clackamas County may request for eligible housing re-development projects situated in NSP Map areas within Clackamas County. Clackamas County Housing and Community Development Division (HCDD) was awarded these funds in the past, for down payment assistance, and rehabilitation projects. HCDD will request these funds to re-develop eligible properties that are part of the Housing Authority of Clackamas County Disposition Project.

Brief Project Narrative: The Housing Authority of Clackamas County (HACC), a division of Clackamas County, owns 145 scattered-site properties located throughout the county. With approval from HUD, HACC is implementing a plan to sell these properties as part of a broader effort to transition away from public housing. The initiative focuses on converting as many of these homes as possible into affordable homeownership opportunities by collaborating directly with current tenants and Community Land Trusts (CLTs). HACC plans to use the NSP funds as acquisition/redevelopment funding for developers to purchase 3 duplexes located in Oregon City and redevelop these properties as permanently affordable homes. We are pursuing Activity E – Redevelopment.
