BACKGROUND:

Housing and Community Development Division (HCDD), a division of the Health, Housing and Human Services Department (H3S) of Clackamas County, requests approval to execute an assignment addendum of a personal services contract with the Housing Authority of Clackamas County (HACC), for transfer of the Do Good Multnomah contract that provides Veterans Village management services, as well as intensive case management, peer support, and housing navigation for veterans receiving services at Clackamas County Veterans Village.

The Do Good Multnomah contract was procured by HACC with the intention of being managed by HACC staff. Subsequent to the procurement, Clackamas County elected to create the Housing and Community Development Division, within its Department of Health, Housing, and Human Services, to consolidate the provision of housing-related services, including those funded by the Supportive Housing Services Measure that were previously managed by HACC. With the creation of the new division, HACC intends to assign the approved contract to Clackamas County for management by the HCDD during the term of the contract. As a result,

the proposed contract contains an assignment addendum to be executed by HACC and Clackamas County that enables the assignment to occur.

Total contract value is for \$1,685,300.21 for 5 years.
