**BACKGROUND:**

A Petition for formation of the Hoodland Park District under ORS Chapter 266 has been filed for consideration at a public hearing by the Clackamas County Board of Commissioners. The petition is attached as Exhibit 1.

**SCOPE OF REVIEW:**

The Board of County Commissioners' role in the formation of a new parks and recreation district under ORS Chapter 266 is limited to conducting the public hearing and determining, in accordance with ORS 199.462, whether the area could be benefited by the formation of the district.

**REQUIREMENTS TO HOLD PUBLIC HEARING:**

In order to hold the public hearing to consider the petition the Petitioners must follow the process prescribed in the Oregon District Boundary Procedures Act. ORS 198.705 to 198.955. Among other requirements, a petition must set forth a description of the boundaries of the territory proposed to be included in the district. The requirements for filing a petition are found in ORS 198.765. A petition must be filed with a security deposit or bond, as required by ORS 198.775, and an economic feasibility statement pursuant to ORS 198.749. If a permanent tax rate limit for the operating funds of the district is required or is otherwise sought by petitioners, this statement forms the reasoning for the proposed permanent tax rate limit. ORS 198.749 and .750(1)(g). See Exhibit 1.

Prior to circulating a petition among landowners, the petitioner must first file a prospective petition with the County Clerk. ORS 198.748. This was completed on October 22, 2021. Exhibit 2.

Completed petitions are filed with the County Clerk. ORS 198.675. Upon filing, the petition must be accompanied by the economic feasibility statement required by ORS 198.749. A Petitioner also must include a security deposit or bond, as required at the time of filing by the County. See ORS 198.775. This petition for formation of a district includes a proposed permanent rate limit for the operating taxes of the district, therefore the petition must be filed not later than one hundred eighty (180) days before the date of the next May or November election at which a vote on the question of formation will take place. ORS 198.675(1). The Petition was filed on November 18, 2021. This date is 180 days before the May 17, 2022 election.

Once the petition is filed, the County Clerk has ten (10) days from the date the petition is received to determine whether it has been signed by the requisite number of qualified signers. If there are a sufficient number of signatures, the petition shall be filed by the Clerk and referred to the County Commission for a hearing on formation of the proposed district. A petition cannot be filed unless the Clerk certifies that the signatures of all signers of the petition have been compared with the appropriate records, that the number of qualified signers appearing on the petition has been ascertained, and that the petition is signed by the requisite number of qualified signers. ORS 198.765(2) and (3). The County Clerk cannot accept a petition for filing unless the signatures thereon have been secured within six (6) months of the date on which the first signature on the petition was obtained. See ORS 198.765(1). The County Clerk has certified that an adequate number of signatures have been received. The Certification is attached as Exhibit 3.

**HEARINGS PROCESS AND CRITERIA:**

As stated above the role of the Board of County Commissioners when presented with a petition for formation of a new district is to conduct a public hearing and to determine, in accordance with ORS 199.462, whether the area could be benefited by the formation of the district. The County Commission's only options are to approve, modify or reject the petition based upon the evidence received and the criteria to be applied. ORS 198.810(1).

On or before the date set for any hearing on the petition, any person interested in the proposed formation of a special district may appear and present written statements for or

against granting of the petition. At the hearing on the petition for formation, the County Commission may receive oral or written testimony in favor of or opposing formation. Any written statement objecting to the formation must clearly identify the error, omission or defect that is the basis for the objection. If the written objection is not timely filed, the objection is considered waived.

Upon conclusion of the hearing, the County Commission must evaluate the petition by applying the criteria in ORS 199.462, which requires consideration of the local comprehensive planning for the area, economic, demographic and sociological trends and projections pertinent to the proposal, past and prospective physical development of land that would directly or indirectly be affected by the proposed district and the statewide goals. See ORS 198.805 and .810(1). ORS 199.462 also incorporates portions of 199.464, 199.410 and the statewide goals adopted pursuant to ORS 197.225. Statewide Goal 8 is attached as Exhibit 4.

The pertinent portions of the County Comprehensive plan are Chapters 9 (Open Space, Parks and Historic Sites) and 10 (Mt. Hood Community Plan). These chapters are attached for your reference as Exhibits 5 and 6 respectively. There are a number of maps and tables within the comprehensive plan that are wither wholly or partially within the proposed district boundary:

1. Map 3-01b Principal River Conservation Area Sandy-Salmon River Design Plan. Exhibit 7;
2. Map 3-02 Scenic & Distinctive Resource Areas surrounding the Sandy and Salmon Rivers. Exhibit 8;
3. Map 4-07b Mt Hood Corridor Land Use Plan. Exhibit 9;

The County has entered into a Memorandum of Understanding (MOU) with the Hoodland Women's Club, Inc., a nonprofit corporation for the transfer of four properties upon the successful formation of a Park District. Exhibit 18. The four properties are known as the Dorman Center – Map 37E04AA03600 (2.71 acres) and 37E04AA03300 (1.24 acres), the Water Tower- Map 37E04 00903 (5.14 acres), and the Hunchback Strip - Map 37E04 00904 (10.62 acres). This MOU has been amended and remains in effect through May 31, 2022 at this time. Exhibit 19.

The County Commission may modify the boundaries of the proposed district to include or exclude territory considering the benefit the proposed district will have to territory in or outside of the proposed district. The County Commission may not modify the boundaries to exclude land that could be benefited by the district formation and may not include land that will not be benefited. If the County Commission determines that land has been improperly omitted from the proposed district and the owner has not appeared, the County Commission must continue the hearing and order notice to be given to the non-appearing owner in the manner provided by ORS 198.805.

The County Commission may adjourn this public meeting to allow for additional testimony, evidence to be received, or if required additional notice to be sent. However, the public hearing must be completed within four weeks from the initial date of the hearing. ORS 198.805(1).

At the conclusion of the hearing the Commission must determine after review of the evidence and testimony received if the petition should be approved, modified, or rejected based upon the application of the criteria contained in ORS 199.462. A draft Order is attached for reference. Exhibit 20. Should the petition be approved as presented, or as modified, the matter will be placed on the May 17, 2022 ballot for consideration by the voters within the proposed new district.

If a majority vote favors formation of the district, the Commission will adopt an order creating the district. After the date of the formation order, the inhabitants of the territory within the new district become a municipal corporation with all the powers conferred by the Principal Act. The new district pays the costs of forming the district and the County refunds the cash deposit or other form of security to the chief petitioner(s) who posted the security with the County.

If a majority votes against formation of the special district, the County Commissioners must adopt an order dismissing the petition. The County Clerk will reimburse the County for the costs of the attempted formation from the security deposit or other form of security posted by the chief petitioner(s) and refunds any remaining portion of the security deposit to the chief petitioner(s). If the costs of the attempted formation exceed the amount of the deposit, the chief petitioners must pay the amount of the excess costs.

**OPTIONS:**

1. Approve the Petition and enter an Order to hold an election; or
2. Modify the Petition and enter an Order to hold an election; or
3. Reject the Petition and enter an Order dismissing the Petition.

Respectfully submitted,

Jeffrey D. Munns

Hoodland Park District  
Economic Feasibility Study  
2021

I. Description of services and functions to be performed or provided by the proposed district.

Hoodland Park District will serve the villages of Brightwood, Wemme, Welches, ZigZag, Rhododendron, Government Camp, Wapanitia, Summit Meadows and the remote residential areas on either end of the district. The District will be responsible for the development of park lands, management of the construction of said lands, applications for grant money as an eligible entity to receive such monies, ongoing maintenance and security of the developed properties, and will provide supervision for all activities sponsored or co-sponsored by the District within District boundaries. The District Board will also remain alert to the Park District needs and goals of each Village within the District in order to ensure the services remain current and relevant for its residents.

The development of District Park lands will, initially, include four parcels of land donated to the District by Clackamas County Parks Department. Specifically, the properties known as the Dorman Center - Map 37E04AA03600 (2.71 acres) and 37E04AA03300 (L24 acres), the Water Tower - Map 37804 00903 (5.14 acres), and the Hunchback Strip - Map 37804 00904 (10.62 acres). This will involve the design and construction of a community park on the Dorman Center tract of land described in more detail below. The District will also be responsible for any subsequent real property acquired by the district after formation. The development of District projects may also include but not be limited to bike and pedestrian pathways and trails connecting the smaller Villages and their planned Parks to each other. Such trails or pathways already developed and maintained by other government agencies or other organizations would not be included. Additional special projects already discussed include a Community Center to house such necessary organizations as the Senior Center, a Daycare Center and rooms for large and small community meetings and instructional classes, a proposed skating rink in Government Camp, and specialized activities in partnership with local organizations such as the Oregon Trail School District and Hoodland Senior Center.

The District will also provide construction management of the initial park plan developing construction timelines and contracting with construction companies as well as monitoring the construction process to completion of the work. The Park elements will include but not be limited to a parking space and amenities needed for an onsite park host, a pavilion with tables and an outside kitchen, playground, restroom, safety lighting, skate park, pump track, walking trails with an ADA accessible loop, dog area with fencing, expanded community garden, amphitheater, bike racks, benches, information and historical kiosk, and parking area with shuttle transfer. Once the District is formed and a Board of Directors is elected a more inclusive process would be instituted to test assumptions of the planners about the needs of the community. These Park elements are included in the original design for a park to be built on the property donated to the District by Clackamas County and are not listed in prioritized order. See attached Exhibit A.

The elected District Board will be responsible for acquisition and management of funds to operate the District, will oversee hired staff and will have the authority to approve any new development or program. The primary source of funding will come from the annexed tax rate approved by voters within the proposed District boundaries at the time of the formation of the District. The Board will focus heavily on grant money from both private and public sources to fund major asset development. See an attached list of potential grant resources. See attached Exhibit B.

There will be ongoing maintenance needs such as upgrades of safety equipment to meet improved protocols, repairs and improvements of Park District properties. The maintenance will be provided by employees and contracted staff of the District.

The District will provide supervision for any and all activities sponsored by the District. These activities may include scheduled and special events such as concerts, other cultural events and gatherings, sports competitions with District leagues. The District will develop partnerships with other districts, organizations and state and local colleges to provided educational programming to different groups of residents who live within the boundaries of the District. These partnerships will be sought by the District and may include Oregon Trail School District, Mt Hood Community College, Clackamas Community College, Oregon State University Extension Services, private organizations and clubs, and US, state and county agencies for example.

## II. Analysis of Relationships between Hoodland Park District and Other existing or needed local government services.

Within the proposed Hoodland Park District boundaries there are other districts, government agencies, and private organizations providing services to the residents of the proposed district. The proposed Hoodland Park District will seek a working relationship with these other government and private entities by partnering with them to provide enhanced services and activities for overlapping populations and/or by identifying, developing, and implementing programming opportunities that will complement existing services making sure that special needs populations are included in all planning.

The US Bureau of Land Management (BLM) owns and manages Wildwood Park which is a well-developed park and recreational opportunities including trails, picnicking, pavilions, and interpretive paths illustrating the habitat of the Wild and Scenic Salmon River, one of three rivers in the Hoodland community with that special designation. Wildwood Park is a valued asset to the community and is often used for large and small group gatherings by reservation at the pavilion facilities. BLM has suggested plans to develop this day use area further with some overnight facilities (rentable yurts or other camping facilities). As a day use park there is a daily use fee. Hoodland Park District facilities would be free, day use only, provide previously listed services, and could be placed within direct access to each of the Hoodland Villages with the plan to connect the Villages with network of pathways. The proposed District may seek a partnership with Wildwood Park and the Welches Schools to provide supervised after school educational and recreational programming as an example of a potential for many opportunities to mutually serve the District's population.

BLM also has developed a mountain biking course, Sandy Ridge Trail, which is located within the Hoodland Community. Sandy Ridge attracts both local and out of town families and experienced mountain bike enthusiasts to a planned trail network which includes parking and restroom facilities. This is, indeed, an important and desirable asset to the Community. These trails are self guided and provide year-round activities. Hoodland Park District would not duplicate this asset but, instead would compliment Sandy Ridge by developing a bike pump track which would serve as a training and practice activity for the mountain biking sport enjoyed all over the mountain community and beyond. The Park District may also want to use the Sandy Ridge facilities for on sight mountain biking safety and skill instruction.

Barlow Wayside Park Trails is adjacent to Sandy Ridge Trail and was developed in partnership with Clackamas County Parks. This network of hiking trails are lovingly maintained by local private citizens. It is another example a history of partnerships between residents and government agencies. The trails provide an easy hike and introduction to the beauty of Hoodland forests. The Hoodland Park District may seek out a partnership with Barlow Wayside to provide youth with the education and activity of trail management. There are future plans of connecting the Barlow Wayside and Sandy Ridge Trail networks. The proposed Hoodland Park District once established would be a likely partner in the development of such plans. The proposed Hoodland Park will have trails seeking to accommodate a wider population including people with mobility challenges.

The United States Forest Service (USFS) has several assets in and around the Hoodland area with the Zigzag Ranger Station at the heart of their recreational activities. The USFS trail system is well developed and attracts people from all over the world as does their camping facilities. Hoodland Park District will want to partner with USFS to connect the proposed Hoodland Park trails with the Forest service trails as the proposed park boundaries are adjacent to USFS land. The Park District would seek a partnership to provide educational/recreational activities with the Ranger Station services, for example, mushroom hunting, wilderness safety, and vegetation identification classes.

The Hoodland Park District Committee has already been in discussion with the Oregon Trail School District about partnering in afterschool programming as well as adult continuing education. The school district has both the Welches Elementary and Middle Schools conveniently situated across the street from the proposed Hoodland Park (Dorman Center site). The close proximity could offer easy access for children after school as a safer alternative to traveling into Sandy, Oregon (20 miles away) for skateboarding and pump track activities. This relationship between School District and Park District becomes particularly economic in the shared cost of building uses after school and in the evenings. Planned cooperative activities could include an unlimited range of activities and instruction for both children and adults. This is currently a huge gap in service provision in the Hoodland community due to the rural and remote location of this community of villages.

Along the same lines, The Hoodland Park District could partner with local Community Colleges and Extension Services to provide a wide range of instruction to the local residents. There are many private organizations in the community who's members would benefit from such

partnerships. The Trillium Garden Club might want to host an OSU Extension lecture on native plant care either at the school or the Park District Community Center as an example. There are a wide variety of private groups with a full range of interests that could be networked by a central Park District to provide services to a broader range of residents of varying needs. These groups include Hoodland Senior Center, Hoodland Library, Local Church groups, Lion's Club, Hoodland Women's Club, Trillium Garden Club, Iwaca Community Garden, Golf Club, and the local Rhododendron and Government Camp CPO's. They all have a stake in the community and, therefore, in the Hoodland Park District's plans for the community. With so many potential partners with a wide range of interests The Hoodland Park District will be very effective at planning for and executing programs and properties that meet the needs of its community members.

In conclusion it is safe to say that the formation of a governmental District to centralize the organization, planning, development and implementation of recreational programming for the Hoodland area is way overdue. Without its own centralized, local government agency, the Hoodland area struggles to behave like an integrated community. There is, currently, no structured vehicle capable of giving voice or responsive action to the many needs and concerns of the uniquely diverse people of the Hoodland area in a unified way. Developing a locally operated Park District will bring to this diverse community an identity based on a mutual desire to gather and recreate together. A cohesion results and out of that cohesion comes a much more effectual community able to meet the needs of its people.

**HOODLAND PARK DISTRICT**  
**PROPOSED ITEMIZED BUDGET**

**The budget is set up on a fiscal year basis to coincide with anticipated tax revenue distribution time frames.**

The over all concept of the first four years is based on the first year not having property tax revenue until the later part of 2022 or early 2023. Therefore donations will be the chief source of revenue during 2022. These donations are represented in cash value, but in many instances will be in kind in the form of both furniture, equipment and some services.

The idea is to put the organization in place, establish an office and allow the elected board to begin work. Initial focus for the park is obtaining grant money for construction of improvements.

Second year is focused on obtaining grant money, engineering and design. Thereafter the initial ground work, installation of utilities and simple improvements. There is considerable carry over to the third year which is designed to insure there are adequate matching funds necessary for a substantial grant request.

The third and fourth year are dedicated to major park improvements as listed. These improvements are in the current concept drawings. Once the initial build out of the park is completed routine operation cost are well within the means of the district. The present thoughts are to build substantial reserves to acquire additional property for the construction of additional park facilities. Current discussions center around building an ice rink in Government Camp which could potentially create a substantial revenue stream for the district.

Property Tax Revenue:

The tax revenue is predicted on a rate of \$0.57 per \$1000. The requested maximum rate for the district is \$.067 per \$1000.

The base rate property value for the district was estimated at \$1,000,000,000.00. This value is below the current value within the Hoodland Fire District which is slightly larger than the proposed Park District, but very similar as to location and boundaries.

The Revenue from property assessments was increased annually on an assumed inflation rate of 2%. This rate is assumed to be very conservative given the current market demand and limited availability of housing inventory within the district. To the extent property values do not provide adequate revenue increases, there is the ability to adjust the assessed rate and still stay within the proposed limits.

Inflation:

Inflation adjustments for operating cost and construction of improvements is based on initial surveyed cost in current dollars. These cost have been inflated at an assumed annual inflation rate of 4%. It is acknowledged that inflation may exceed this rate in the near term, the 4% rate is based on an assumed future three year average.

PARK AT DORMAN CENTER SITE | HOODLAND PARK DISTRICT  
MASTER PLAN | 05.24.19

**NARRATIVE**

The accompanying park design is intended to inform a feasibility study in the creation of the Hoodland Park District. The use of this plan is not intended for construction, but rather to generate interest and create a vision for what would be developed on this site. Should a parks district be created, it would be necessary to begin a more inclusive design process, verify assumptions, obtain a survey and design the park through a process that involves schematic design, design development, and construction documents.

At the direction of the Hoodland Women’s Club, the park program elements include the following:

- Playground
- Pavilion with tables and outdoor kitchen
- Restroom
- Lighting
- Skatepark
- Pump track
- Walking trail with accessible inner loop
- Dog area with fencing
- Expanded community garden
- Amphitheater
- Bike racks
- Benches
- Kiosk
- Parking area with shuttle dropoff

The design idea for this park is to place the pavilion in the center of the site, which would enable many other activities to take advantage of it. The pavilion itself is envisioned to be a jewel in the center of the park that speaks to the Pacific Northwest architectural vernacular of the area. A grand fireplace and chimney on the backside would create a spectacular background to a performance stage to the east, while referencing the historical Dorman Center. A restroom could be located at one corner of the open-sided pavilion and within the pavilion would be tables and benches.

An amphitheater to the east would take advantage of existing topography, create usable lawn area and enable performances at the park. West of the pavilion is a tree grove which would create a sense of arrival to the park and accommodate a farmers market. North of the pavilion is a play area that takes advantage of full sun and features a play structure, toddler play elements, natural materials like logs and boulders, and a grassy mound for sitting. Adjacent to the play area is an expanded community garden. South of the pavilion is an open lawn area for informal play with a fenced dog area just beyond. Nearby is a pump track.

Vehicular access is near its current location and parking has been organized off a one-way circulation pattern that would accommodate the existing Mt. Hood shuttle. Nineteen parking stalls are shown. Within the semicircle shape is the skatepark, separated from other uses and easily viewable from East Salmon River Road.

The cost for the park can vary widely depending on the park program, level of design complexity, size of park, accessibility for contractors, and demand within the construction market. In this design concept, some significant cost drivers would be site excavation and grading, the pavilion, and the skate park. The conceptual nature of the plan necessitates a high contingency and a wide range for potential cost. Using a comparative analysis, the park design could cost between \$3 million and \$5 million in today’s construction market.

## HOODLAND PARK DISTRICT FUNDING ADDITIONAL RESOURCES Grants and Low Interest Loans

In addition to property tax revenues from the Hoodland Park District annexation the intension is to access outside grants and loans to pay for the acquisition, development and construction of specific park components as new projects are adopted. As documented in the budget, a Grant Writer will be under contract with the Hoodland Park District to assist the District Board of Directors with research of and application to a variety of available grants and low interest loans. Below is a list of just a few current grants and loans for which the Hoodland Park District will be eligible.

- **The Local Government Grant Program (LGGP)** is a voter approved, State lottery funded grant program administrated by the **Oregon Parks and Recreation Department**. Typically, the program awards over \$5 million annually to qualified projects. Eligible applicants include Local government agencies that are obligated by state law to provide public recreation facilities which includes Park and Recreation Districts. The grants are limited to outdoor park and recreation areas and facilities open and accessible to the public-at-large. Appropriate projects include Planning and Feasibility of project, Acquisition of property, Development of property, and Rehabilitation/Maintenance of property components. The grant would be matching funds and the amount of the matching funds depends on the population of the district. The LGGP awards include Small Grants (up to \$75,000), Large Grants (up to \$750,000 or \$1,000,000 for land acquisition) and Small Community Planning Grants ( up to \$40,000). In 2019 LGGP awarded a total of \$6.619 million in grant requests. - **The Community Facilities Grant** program is funded by the **Department of Agriculture (USDA)** and provides grants to communities with less than 20,000 residents to construct and renovate facilities used for public service, health care, recreation, community service and public safety as well as equipment needed to operate said facilities. Districts are included as eligible applicants and up to 75% of the cost eligible projects can be awarded depending on size and income of population. - **Outdoor Recreational Grant Program** is sponsored by **The National Park Service**. Grants are used to acquire land and plan and develop recreational areas such as playgrounds, tennis court, outdoor swimming pools, hiking trails, picnic areas, campgrounds, and boat launching ramps. Funds are also used to build restrooms, water

systems and other support facilities for the general public. States, cities, counties and park districts are eligible to apply for these grants.

- **State Administered Community Development Block Grant Program (CDBG)** is sponsored by the **Department of Housing and Urban Development** and administered by the State. Grant money is used to acquire real estate property for public use, construct recreational facilities and public buildings particularly in under populated areas.

- **The Oregon Parks Foundation Fund** of the **Oregon Community Foundation (OCF)** was created in 2009 by the **Oregon Parks Foundation (OPF)**. This fund supports the acquisition, preservation and restoration of Oregon's native landscape, as well as environmental, recreational and educational improvements to public parks throughout Oregon. The OPF Fund invites proposals from nonprofits and public agencies at the community, district, county and regional level. Grant recommendations are made to the OCF board by an advisory committee created by OPF. Grants disbursed by the OPF Fund generally range from \$1,000 to \$5,000. Larger grants may occasionally be considered for unique or special projects.

- **The Rivers, Trails and Conservation Assistance Program (RTCA)** assists communities in preserving recreational spaces. RTCA helps communities create recreational greenways through their partnership with other agencies. The RTCA does not provide grant money directly. Rather, the National Park Service has teamed with Groundwork USA to provide over \$400,000 in community grant money.

- **National Park Service** operates a land grant program designed to transfer federal lands to communities for park spaces and to preserve historical landmarks. This grant program allows state and local government to apply to receive federal lands in order to create parks for public use. The granted land must be returned to the federal government if it is no longer being used for a park, recreational space or as a historical monument space. Land must be open for public use in order for the state or local government to maintain control of it. To apply, local and state agencies must submit an application that clearly outlines how the land will be used in the community. Those wishing to create or preserve a historical monument must submit architectural plans with their grant application.

- **Statewide Comprehensive Outdoor Recreation Plans (SCORPs)**  
This program, developed by the **National Park Service**, was designed to help state governments and their subsidiaries acquire land and fund projects to develop park spaces for the general public, according to the Federal Grants Wire website. Grants can be given to states for a variety of development projects, including picnic areas, outdoor recreation areas, inner city parks, campgrounds, tennis courts, boat launching ramps, bike trails and picnic areas. Funds are not granted for the maintenance or operation of public park spaces.  
Only government agencies designated by the governor for the development of Statewide Comprehensive Outdoor Recreation Plans (SCORPs) may apply for the grant money. Indian tribes are also eligible to receive grant monies. The state government is responsible for determining and proving a high recreational need in their area. Awarded grants have ranged from \$150 to more than \$5 million.

Dear Mr. Munns:

I have now received preliminary approval of the property description from ODR and have completed the petition for the park district. The petition is being filed today, probably within the next hour or so. To expedite review in your office I have attached a copy of the petition. My understanding is that the district has a very limited amount of time to collect signatures so any help you can provide to expedite the process would be greatly appreciated.

Respectfully,

Gary G. Linkous

# *Oregon's Statewide Planning Goals & Guidelines*

## **GOAL 8: RECREATIONAL NEEDS**

### **OAR 660-015-0000(8)**

***To satisfy the recreational needs of the citizens of the state and visitors and, where appropriate, to provide for the siting of necessary recreational facilities including destination resorts.***

#### **RECREATION PLANNING**

The requirements for meeting such needs, now and in the future, shall be planned for by governmental agencies having responsibility for recreation areas, facilities and opportunities: (1) in coordination with private enterprise; (2) in appropriate proportions; and (3) in such quantity, quality and locations as is consistent with the availability of the resources to meet such requirements. State and federal agency recreation plans shall be coordinated with local and regional recreational needs and plans.

#### **DESTINATION RESORT SITING**

Comprehensive plans may provide for the siting of destination resorts on rural lands subject to the provisions of state law, including ORS 197.435 to 197.467, this and other Statewide Planning Goals, and without an exception to Goals 3, 4, 11, or 14.

#### **Eligible Areas**

(1) Destination resorts allowed under the provisions of this goal must be sited on lands mapped as eligible by the affected county. A map adopted by a county may not allow destination resorts approved under the provisions of this goal to be sited in any of the following areas:

(a) Within 24 air miles of an urban growth boundary with an existing population of 100,000 or more unless residential uses are limited to those necessary for the staff and management of the resort;

(b) On a site with 50 or more contiguous acres of unique or prime farm land identified and mapped by the United States Natural Resources Conservation Service or its predecessor agency; or within three miles of a High Value Crop Area except that "small destination resorts" may not be closer to a high value crop area than one-half mile for each 25 units of overnight lodging or fraction thereof;

(c) On predominantly Cubic Foot Site Class 1 or 2 forest lands, as determined by the State Forestry Department, that are not subject to an approved goal exception;

(d) In the Columbia River Gorge National Scenic Area as defined by the Columbia River Gorge National Scenic Act, P.L. 99-663;

(e) In an especially sensitive big game habitat as generally mapped by the Oregon Department of Fish and Wildlife in July 1984 and as further refined through development of comprehensive plans implementing this requirement.

(2) "Small destination resorts" may be allowed consistent with the siting requirements of section (1), above, in the following areas:

(a) On land that is not defined as agricultural or forest land under Goal 3 or 4; or

(b) On land where there has been an exception to Statewide Planning Goals 3, 4, 11, or 14.

### **Siting Standards**

(1) Counties shall ensure that destination resorts are compatible with the site and adjacent land uses through the following measures:

(a) Important natural features, including habitat of threatened or endangered species, streams, rivers, and significant wetlands shall be maintained. Riparian vegetation within 100 feet of streams, rivers and significant wetlands shall be maintained. Alterations to important natural features, including placement of structures that maintain the overall values of the feature, may be allowed.

(b) Sites designated for protection in an acknowledged comprehensive plan designated pursuant to Goal 5 that are located on the tract used for the destination resort shall be preserved through conservation easements as set forth in ORS 271.715 to 271.795. Conservation easements adopted to implement this requirement shall be sufficient to protect the resource values of the site and shall be recorded with the property records of the tract on which the destination resort is sited.

(c) Improvements and activities shall be located and designed to avoid or minimize adverse effects of the resort on uses on surrounding lands, particularly effects on intensive farming operations in the area. At a minimum, measures to accomplish this shall include:

(i) Establishment and maintenance of buffers between the resort and adjacent land uses, including natural vegetation and where appropriate, fences, berms, landscaped areas, and other similar types of buffers.

(ii) Setbacks of structures and other improvements from adjacent land uses.

(iii) Measures that prohibit the use or operation in conjunction with the resort of a portion of a tract that is excluded from the site of a destination resort pursuant to ORS 197.435(7). Subject to this limitation, the use of the excluded property shall be governed by otherwise applicable law.

### **Implementing Measures**

(1) Comprehensive plans allowing for destination resorts shall include implementing measures that:

(a) Adopt a map consisting of eligible lands for large destination resorts within the county. The map shall be based on reasonably available information, and shall not be subject to revision or refinement after adoption except in conformance with ORS 197.455, and 197.610 to 197.625, but not more frequently than once every 30 months. The county shall develop a process for collecting and processing concurrently all map amendments made within a 30-

month planning period. A map adopted pursuant to this section shall be the sole basis for determining whether tracts of land are eligible for siting of large destination resorts under the provisions of this goal and ORS 197.435 to 197.467.

(b) Limit uses and activities to those permitted by this goal.

(c) Assure developed recreational facilities and key facilities intended to serve the entire development and visitor oriented accommodations are physically provided or are guaranteed through surety bonding or substantially equivalent financial assurances prior to closure of sale of individual lots or units. In phased developments, developed recreational facilities and other key facilities intended to serve a particular phase shall be constructed prior to sales in that phase or guaranteed through surety bonding.

## **DEFINITIONS**

***Destination Resort*** -- A self-contained development providing visitor-oriented accommodations and developed recreational facilities in a setting with high natural amenities, and that qualifies under the definition of either a “large destination resort” or a “small destination resort” in this goal. Spending required under these definitions is stated in 1993 dollars. The spending required shall be adjusted to the year in which calculations are made in accordance with the United States Consumer Price Index.

***Large Destination Resort*** -- To qualify as a “large destination resort” under this Goal, a proposed development must meet the following standards:

(1) The resort must be located on a site of 160 acres or more except within two miles of the ocean shoreline where the site shall be 40 acres or more.

(2) At least 50 percent of the site must be dedicated as permanent open space excluding yards, streets and parking areas.

(3) At least \$7 million must be spent on improvements for onsite developed recreational facilities and visitor-oriented accommodations exclusive of costs for land, sewer, and water facilities and roads. Not less than one-third of this amount shall be spent on developed recreational facilities.

(4) Commercial uses allowed are limited to types and levels necessary to meet the needs of visitors to the development. Industrial uses of any kind are not permitted.

(5) Visitor-oriented accommodations including meeting rooms, restaurants with seating for 100 persons, and 150 separate rentable units for overnight lodging must be provided. Accommodations available for residential use shall not exceed two such units for each unit of overnight lodging, or two and one-half such units on land that is in Eastern Oregon as defined by ORS 321.805. However, the rentable overnight lodging units may be phased in as follows:

(a) On land that is not in Eastern Oregon, as defined in ORS 321.805:

(A) A total of 150 units of overnight lodging must be provided.

(B) At least 75 units of overnight lodging, not including any individually owned homes, lots or units must be constructed or guaranteed through surety

bonding or equivalent financial assurance prior to the closure of sale of individual lots or units.

(C) The remaining overnight lodging units must be provided as individually owned lots or units subject to deed restrictions that limit their use to overnight lodging units. The deed restrictions may be rescinded when the resort has constructed 150 units of permanent overnight lodging as required by this section.

(D) The number of units approved for residential sale may not be more than two units for each unit of permanent overnight lodging provided under this section.

(E) The development approval shall provide for the construction of other required overnight lodging units within five years of the initial lot sales.

(b) On lands in Eastern Oregon, as defined in ORS 321.805:

(A) A total of 150 units of overnight lodging must be provided.

(B) At least 50 units of overnight lodging must be constructed prior to the closure of sale of individual lots or units.

(C) At least 50 of the remaining 100 required overnight lodging units must be constructed or guaranteed through surety bonding or equivalent financial assurance within five years of the initial lot sales.

(D) The remaining required overnight lodging units must be constructed or guaranteed through surety bonding or equivalent financial assurances within 10 years of the initial lot sales.

(E) The number of units approved for residential sale may not be more than 2-1/2 units for each unit of permanent overnight lodging provided under this section.

(F) If the developer of a resort guarantees the overnight lodging units required under paragraphs (C) and (D) of this subsection through surety bonding or other equivalent financial assurance, the overnight lodging units must be constructed within four years of the date of execution of the surety bond or other equivalent financial assurance.

(6) When making a land use decision authorizing construction of a "large destination resort" in Eastern Oregon, as defined in ORS 321.805, the governing body of the county or its designee shall require the resort developer to provide an annual accounting to document compliance with the overnight lodging standards of this definition. The annual accounting requirement commences one year after the initial lot or unit sales. The annual accounting must contain:

(a) Documentation showing that the resort contains a minimum of 150 permanent units of overnight lodging or, during the phase-in period, documentation showing the resort is not yet required to have constructed 150 units of overnight lodging.

(b) Documentation showing that the resort meets the lodging ratio described in section (5)(b) of this definition.

(c) For a resort counting individually owned units as qualified overnight lodging units, the number of weeks that each overnight lodging unit is available for rental to the general public as described in section (2) of the definition for "overnight lodgings" in this goal.

**Small Destination Resort** -- To qualify as a “small destination resort” under Goal 8, a proposed development must meet standards (2) and (4) under the definition of “large destination resort” and the following standards:

- (1) The resort must be located on a site of 20 acres or more.
- (2) At least \$2 million must be spent on improvements for onsite developed recreational facilities and visitor-oriented accommodations exclusive of costs for land, sewer, and water facilities and roads. Not less than one-third of this amount must be spent on developed recreation facilities.
- (3) At least 25 but not more than 75 units of overnight lodging shall be provided.
- (4) Restaurant and meeting rooms with at least one seat for each unit of overnight lodging must be provided.
- (5) Residential uses must be limited to those necessary for the staff and management of the resort.
- (6) The county governing body or its designee must review the proposed resort and determine that the primary purpose of the resort is to provide lodging and other services oriented to a recreational resource that can only reasonably be enjoyed in a rural area. Such recreational resources include, but are not limited to, a hot spring, a ski slope or a fishing stream.
- (7) The resort shall be constructed and located so that it is not designed to attract highway traffic. Resorts shall not use any manner of outdoor advertising signing except:
  - (a) Tourist oriented directional signs as provided in ORS 377.715 to 377.830; and
  - (b) Onsite identification and directional signs.

**Developed Recreation Facilities** -- are improvements constructed for the purpose of recreation and may include but are not limited to golf courses, tennis courts, swimming pools, marinas, ski runs and bicycle paths.

**High-Value Crop Area** -- an area in which there is a concentration of commercial farms capable of producing crops or products with a minimum gross value of \$1,000 per acre per year. These crops and products include field crops, small fruits, berries, tree fruits, nuts, or vegetables, dairying, livestock feedlots, or Christmas trees as these terms are used in the 1983 County and State Agricultural Estimates prepared by the Oregon State University Extension Service. The High-Value Crop Area Designation is used for the purpose of minimizing conflicting uses in resort siting and is not meant to revise the requirements of Goal 3 or administrative rules interpreting the goal.

**Map of Eligible Lands** -- a map of the county adopted pursuant to ORS 197.455.

**Open Space** -- means any land that is retained in a substantially natural condition or is improved for recreational uses such as golf courses, hiking or

nature trails or equestrian or bicycle paths or is specifically required to be protected by a conservation easement. Open spaces may include ponds, lands protected as important natural features, land preserved for farm or forest use and lands used as buffers. Open space does not include residential lots or yards, streets or parking areas.

**Overnight Lodgings** -- are permanent, separately rentable accommodations that are not available for residential use. Overnight lodgings include hotel or motel rooms, cabins, and time-share units. Tent sites, recreational vehicle parks, manufactured dwellings, dormitory rooms, and similar accommodations do not qualify as overnight lodgings for the purpose of this definition. Individually owned units may be considered overnight lodgings if:

(1) With respect to lands not in Eastern Oregon, as defined in ORS 321.805, they are available for overnight rental use by the general public for at least 45 weeks per calendar year through a central reservation and check-in service, or

(2) With respect to lands in Eastern Oregon, as defined in ORS 321.805, they are available for overnight rental use by the general public for at least 38 weeks per calendar year through a central reservation system operated by the destination resort or by a real estate property manager, as defined in ORS 696.010.

**Recreation Areas, Facilities and Opportunities** -- provide for human development and enrichment, and include but are not limited to: open space and scenic landscapes; recreational lands; history, archaeology and natural science resources; scenic roads and travelers; sports and cultural events; camping, picnicking and recreational lodging; tourist facilities and accommodations; trails; waterway use facilities; hunting; angling; winter sports; mineral resources; active and passive games and activities.

**Recreation Needs** -- refers to existing and future demand by citizens and visitors for recreations areas, facilities and opportunities.

**Self-contained Development** -- means a development for which community sewer and water facilities are provided onsite and are limited to meet the needs of the development or are provided by existing public sewer or water service as long as all costs related to service extension and any capacity increases are borne by the development. A "self-contained development" must have developed recreational facilities provided on-site.

**Tract** -- means a lot or parcel or more than one contiguous lot or parcel in a single ownership. A tract may include property that is not included in the proposed site for a destination resort if the property to be excluded is on the boundary of the tract and constitutes less than 30 percent of the total tract.

**Visitor-Oriented Accommodations** -- are overnight lodging, restaurants, meeting facilities which are designed to and provide for the needs of visitors rather than year-round residents.

## **GUIDELINES FOR GOAL 8**

### **A. PLANNING**

1. An inventory of recreation needs in the planning area should be made based upon adequate research and analysis of public wants and desires.

2. An inventory of recreation opportunities should be made based upon adequate research and analysis of the resources in the planning area that are available to meet recreation needs.

3. Recreation land use to meet recreational needs and development standards, roles and responsibilities should be developed by all agencies in coordination with each other and with the private interests. Long range plans and action programs to meet recreational needs should be developed by each agency responsible for developing comprehensive plans.

4. The planning for lands and resources capable of accommodating multiple uses should include provision for appropriate recreation opportunities.

5. The *State Comprehensive Outdoor Recreation Plan* could be used as a guide when planning, acquiring and developing recreation resources, areas and facilities.

6. When developing recreation plans, energy consequences should be considered, and to the greatest extent possible non-motorized types of recreational activities should be preferred over motorized activities.

7. Planning and provision for recreation facilities and opportunities should give priority to areas, facilities and uses that

(a) Meet recreational needs requirements for high density population centers,

(b) Meet recreational needs of persons of limited mobility and finances,

(c) Meet recreational needs requirements while providing the maximum conservation of energy both in the transportation of persons to the facility or area and in the recreational use itself,

(d) Minimize environmental deterioration,

(e) Are available to the public at nominal cost, and

(f) Meet needs of visitors to the state.

8. Unique areas or resources capable of meeting one or more specific recreational needs requirements should be inventoried and protected or acquired.

9. All state and federal agencies developing recreation plans should allow for review of recreation plans by affected local agencies.

10. Comprehensive plans should be designed to give a high priority to enhancing recreation opportunities on the public waters and shorelands of the state especially on existing and potential state and federal wild and scenic waterways, and Oregon Recreation Trails.

11. Plans that provide for satisfying the recreation needs of persons in the planning area should consider as a major determinant, the carrying capacity of the air, land and water resources of the planning area. The land conservation and development actions provided for by such plans should not exceed the carrying capacity of such resources.

## **B. IMPLEMENTATION**

Plans should take into account various techniques in addition to fee acquisition such as easements, cluster developments, preferential assessments, development rights acquisition, subdivision park land dedication that benefits the subdivision, and similar techniques to meet recreation requirements through tax policies, land leases, and similar programs.

## **C. RESORT SITING**

Measures should be adopted to minimize the adverse environmental effects of resort development on the site, particularly in areas subject to natural hazards. Plans and ordinances should prohibit or discourage alterations and structures in the 100 year floodplain and on slopes exceeding 25 percent. Uses and alterations that are appropriate for these areas include:

1. Minor drainage improvements that do not significantly impact important natural features of the site;
2. Roads, bridges and utilities where there are no feasible alternative locations on the site; and
3. Outdoor recreation facilities including golf courses, bike paths, trails, boardwalks, picnic tables, temporary open sided shelters, boating facilities, ski lifts and runs. Alterations and structures permitted in these areas should be adequately protected from geologic hazards or of minimal value and designed to minimize adverse environmental effects.

## **Chapter 9: OPEN SPACE, PARKS, AND HISTORIC SITES**

The conservation of land, water, and historic resources, and the related provision of recreation opportunities, is one of the most important factors in maintaining the quality of life which has made Clackamas County an attractive place to live. Recently, however, the urban area in particular has experienced a sharp jump in population, with substantial changes in the physical environment. Population growth is inevitable, at least for the foreseeable future, but the degradation of our communities is not.

Numerous natural, historic and recreation resources will continue to be available for everyone's enjoyment if the commitment is made to preserve them. The streams and river corridors, the steep wooded hillsides, marshes and wetlands, the rich farmlands, and the vast, magnificent mountains form a natural network of significant benefit. A distinctive building or section of the Barlow Trail provide us with an historical context which can be an important part of our identity. They give us a feeling of continuity, a connection with the past and with the future. Recreation resources are also important but, unlike the others, these need to be built up, changed, and improved as the demands of the people who use them change. This must be done within the limits of the natural resource systems. For instance, the natural characteristics of a stream must not be sacrificed to satisfy the demands of the people who use it for recreation. Rather, more recreation opportunities must be developed elsewhere to satisfy the demand.

This example illustrates the need for a resource conservation and recreation development strategy for Clackamas County. In the past there was ample open space and a wide selection of recreation activities available to virtually everyone. With little urban development pressure, there was little need to preserve either natural or man-made resources. Now the pressures on these resources are increasing, and will continue to mount in the future. Population density and recreation needs are rising, once cherished local open spaces are disappearing, and more people are demanding more places for a variety of recreation activities. It is increasingly clear that our options and opportunities, especially within the urban area, are becoming fewer every day. The County must take the lead to preserve the resources and develop facilities which will assure that a high quality of life is available to all County residents.

### **ISSUES**

- The effective protection of an adequate amount of open space, especially within the urban area
- The provision of adequate local recreation land, facilities and programs to meet the needs of residents and visitors
- The type of financial strategy needed to acquire, develop, and maintain recreation facilities
- The preservation of historically or culturally significant sites and structures

**SUMMARY OF FINDINGS AND CONCLUSIONS**

- Although approximately one-third of the urban area is open land at the present time, only about 5 percent is effectively preserved, and most of the balance could disappear over the next 20 years.
- Many of the areas which are a natural part of the open space network also are areas subject to natural hazards (over 11 percent of the land in the urban area), are valuable as natural resource areas, and provide natural buffers between urban communities. The two primary components of the network are stream and river corridors and forested hillsides.
- An effective land use regulation process will have to be established over the area designated as open space. Without this process, no effective preservation is possible in areas which are not acquired.
- The north urban area of the County (Census Tracts 208 through 226) is significantly deficient in public park land--approximately 2.8 acres per 1,000 population as compared to the standard of 10 acres per 1,000 population. Well over half of the total park acreage is undeveloped.
- The most deficient categories are neighborhood and community parks, particularly east of the Willamette River where there are fewer than two park acres per 1,000 population. The unincorporated part of this area is especially deficient. The north urban area also has less than average play field acreage at some schools. Serious deficiencies exist in other recreation facilities as well, especially public swimming pools and beaches, tennis and multipurpose courts, ball fields, and various types of trail systems.
- As the urbanizing area is filled in, the need for parks and other recreation facilities will intensify since the informal play areas and open spaces will no longer be there. There is a need to develop local facilities and site them for access by foot and transit. However the amount of vacant land suitable for park development in the east urban area is very limited. It is imperative that suitable acreage be acquired quickly in this area before it has been irreversibly committed to development.
- In order to meet minimum standards for the expected north urban area population in the year 2010, the amount of park acreage will have to be increased by almost 1,200 acres in the next 20 years. Local governments are responsible for the provision of most urban area recreation facilities and cannot necessarily expect assistance from the state or federal governments in meeting urban area park needs.

- Consideration must be given to various methods of financing the provision of adequate park and recreation facilities and programs in the urban area. A park and recreation district would probably be the best solution. It could either cover the entire urban area, or just the unincorporated area and any interested cities. Local improvement districts (LIDs) are another method. A system development charge or real estate transfer tax also should be considered to provide new facilities for the developing areas. A capital improvements program (CIP) should be instituted to make better use of all available funds.
- Many historic sites and structures in Clackamas County are in disrepair and may be expensive to restore and maintain. While many can be adapted to contemporary use, care must be taken not to harm the features which made the structure or site significant.
- Many historical features in the County are located in areas where land is quite valuable and subject to redevelopment pressure. They are often overwhelmed by surrounding developments or destroyed because their value is not recognized.
- Archaeological sites are often difficult to locate due to the lack of a written historical record. This frequently means that they have been unknowingly destroyed. These sites, even when known, cannot be specifically identified in the inventory because of their sensitivity to exploration.

## **OPEN SPACE**

The preservation of open space is a necessity if the quality of life, particularly in the northwest urban area, is to be maintained and enhanced. The following goals and policies supplement those found in the Land Use Chapter.

### **OPEN SPACE GOALS**

- Protect the open space resources of Clackamas County.
- Improve the environmental quality of the northwest urban area.

### **9.A Open Space Policies**

9.A.1 Initiate an environmental management program to ensure the retention and enhancement of environmental quality and open space values, particularly in the urban area.

9.A.1.1 The program will resolve conflicts between a proposed land use activity (e.g., housing, timber harvesting) and the open space, scenic, historic, and natural resources of the County. The social, economic, environmental, and energy consequences of the proposed action will be identified. Changes may then be required in the proposal in order to minimize any adverse impact upon these resources. Policies from other sections of this chapter may be relevant.

9.A.1.2 Detail the nature and character of visually sensitive areas (see Natural Resources and Energy Chapter). This information will be used in the site analysis outlined in Policy 4.GG.5 of the Open Space section of the Land Use Chapter.

9.A.1.3 Provide site management assistance for lands which are maintained as open space, including utilization of the County's professional expertise to advise property owners on methods of land management.

9.A.1.4 Initiate an urban tree conservation and planting program in cooperation with business and community groups. This program should include street tree plantings, with an emphasis on major arterials, and regulation of the removal of trees and other significant vegetation which may have value as a feature of the urban area open space (see Forestry section of Natural Resources and Energy Chapter).

9.A.2 Use the Open Space Network Map, which has identified desirable open space within the urban area, natural areas identified through the Metropolitan Greenspaces Master Plan and natural areas within Metro's Urban Reserve Area, as the guide for public acquisition of open space (willing seller, willing buyer basis only) and open space dedication during the development process (see map 9-1).

- 9.A.2.1 Refine the open space network to more specifically focus on local neighborhood and community needs. This refinement should consider the relationship between lot and ownership patterns and the natural systems and features of the open space network. The map should also indicate suitable areas for clustering development, and appropriate combinations of adjoining properties which would achieve the best balance of urban development and open space within each community.
  - 9.A.2.2 Major adjustments to this map shall be incorporated onto the Land Use Map as they occur, in accordance with the amendment process outlined in the Planning Process Chapter. Minor adjustments will be considered compatible with the existing map.
  - 9.A.2.3 Open Space Management zoning may be applied to natural areas identified through the Metropolitan Greenspaces Master Plan and natural areas within Metro's Urban Reserve Area, when under public or common ownership.
- 9.A.3 Protect open space resources outside the urban area through the policies of the Land Use and the Natural Resources and Energy chapters of the Plan, specifically the policies for agriculture, forestry, water resources, wildlife habitats, and distinctive resource areas.
- 9.A.4 Use all available methods of acquiring or protecting open space for the enjoyment of all County residents including the following.
- 9.A.4.1 Finance the purchase of open space land either in combination with an urban area parks and recreation district acquisition program (see Parks and Recreation Policy 9.B.7) or through a special funding measure based on all taxable property in the urban area. Full-fee acquisitions, development-rights purchase and scenic easements, among other methods, may be used to implement this program. The County will maximize the use of local money through the aggressive pursuit of federal and state funds.
  - 9.A.4.2 Set standards for accepting land dedications as part of subdivision or PUD approval. If the site contains land designated as Open Space, that land should have the highest priority for open space dedication.
  - 9.A.4.3 Publish and distribute information indicating desirable areas for land donations, what procedure to follow, and how the donor will benefit.
  - 9.A.4.4 Support the state's existing property tax reduction program for all property in designated Open Space areas as long as they are maintained as open space.

*Clackamas County Comprehensive Plan*

- 9.A.5 Establish responsibility through an existing or new commission to advise the County on the preservation of open space, natural, scenic, historic and cultural resources, and the provision of adequate recreation sites. The existing Parks Advisory Board could be expanded to assume this role; however, given the extent of responsibility, formation of a new commission may be necessary.
  
- 9.A.6 Cooperate with ODOT in addressing specific location and completion of the Goal 5 process for the Sandy River and Indian Ridge trails after general trail alignment is determined by ODOT.

## **PARKS AND RECREATION**

Clackamas County, like all rapidly urbanizing areas, needs to set aside land and develop facilities for the recreation and enjoyment of its residents and visitors. Various types of parks, urban recreation trails, and a number of outdoor and indoor recreational facilities will be needed over the next 20 years. Recognizing the limitations of existing facilities, priorities and standards have been set for the acquisition and development of land for recreation purposes, with a strong emphasis on the urban area.

The initial step is a commitment to provide an adequate park and recreation system to meet the needs of the people. This commitment must be met, however, within an overall strategy that considers the other legitimate needs of County residents. Different types of budgetary and funding mechanisms will need to be used and many segments of the community involved, including all governmental jurisdictions and the private sector.

### **PARKS AND RECREATION GOALS**

- Provide land, facilities and programs which meet the recreation needs of County residents and visitors.
- Establish an equitable means of financing parks and recreation facilities and programs.

### **9.B Parks and Recreation Policies**

9.B.1 Establish the following park classifications and standards to guide the provision of parks and other recreation facilities throughout the County.

Policies 9.B.1.1 through 9.B.1.3 are detailed in Table 9-1.

9.B.1.4 The County will seek to establish a park and recreation system which maximizes access for walkers, hikers, bicyclists and transit riders.

9.B.1.5 The County will seek to provide improved access and conveniences for disabled people in its park and recreation facilities.

9.B.2 Acquire and develop park sites in the urban area in order to bring that part of the County up to adopted standards. Due to the significant lack of parks and open space, the north urban area should be given special emphasis, particularly the Oak Lodge and Overland/Kendall neighborhoods.

9.B.2.1 The following park land will be acquired by the County or other appropriate agency as soon as possible (see map 9-2 for subarea boundaries):

- Subarea A not in County parks planning area
- Subarea B neighborhood parks: 150 acres  
community parks: 150 acres  
metropolitan parks: 250 acres
- Subarea C neighborhood parks: 40 acres  
community parks: 20 acres  
metropolitan parks: 80 acres
- Subarea D not in County parks planning area

Following is the projected total parks acreage needed over the next 20 years:

- Subarea A not in County parks planning area
- Subarea B neighborhood parks: 225 acres  
community parks: 225 acres  
metropolitan parks: 450 acres
- Subarea C neighborhood parks: 75 acres  
community parks: 75 acres  
metropolitan parks: 150 acres
- Subarea D not in County parks planning area

(The above acreage requirements are based on the standards outlined in Policies 9.B.1.1 - 9.B.1.3, Metro 1987 population figures, and 2010 population forecasts.)

9.B.2.2 Parks and other recreation sites will be developed with facilities to meet the short-term recreation needs of residents (see the Parks, Open Space, Historic Sites Background Report for information on determining recreation needs). The following is a partial list of desirable facilities for Subareas B and C:

- 5-6 swimming pools
- 3,000 feet of swimming beach
- 300-400 miles of pedestrian ways (including sidewalks)
- 100-150 miles of bike trails
- 30 ball fields
- 35 tennis courts
- 2 community centers

Many other facilities will also be needed to meet the expected demand over the next 20 years.

- 9.B.3 Provision of recreation in rural areas must be closely coordinated with other local, state and federal agencies (e.g., school districts, Willamette Greenway Program).
- 9.B.4 Consider the need to protect environmentally sensitive areas from overuse as well as satisfy the needs of County residents and visitors in developing area park and recreation facilities.
- 9.B.5 Pursue the following priorities for recreation land acquisition and development, subject to review and update at regular intervals. As a general strategy, acquisition will have priority over development, due to the rate of urban development on good park sites.

9.B.5.1 Acquisition Priorities

- Priority 1: Land suitable for neighborhood or community park development in subarea B, recognizing the significant lack of both existing park facilities and available land. Action should be taken immediately to acquire as many suitable parcels as possible in the unincorporated urban area to assure an adequate amount of park land for the future.
- Priority 2: Neighborhood and community parks in subarea C. Parks should be acquired prior to or as residential areas are developed. Action should be taken immediately due to the rapid pace of development currently taking place in this area. Acquire community park sites within the open space network.
- Priority 3: A metropolitan park site for the eastern part of the urban area. This site should be centrally located and easily accessible to both Subareas B and C. Because of the requirements for this type of park, Mt. Talbert should be considered as a potential site.

9.B.5.2 Development Needs

- An urban trail system for both walking and bicycling, especially in conjunction with the development of neighborhood and community parks. Use should be made of open space linkages along creek and river banks, ridgelines, and existing rights-of-way. Open space dedication at the time of development will be used as a means of completing this trail system (see map 9-1).
- Swimming pools in community and metropolitan parks. A diversity of pool types is preferred, ranging from small, outdoor pools to a large, indoor, Olympic-sized pool.
- Neighborhood parks, which would include children's play equipment, picnic facilities, and informal open space. These parks should be strategically located so that no resident would

travel more than one mile to reach the facilities.

- Ball fields as part of neighborhood and community parks, with sufficient area for several different simultaneous activities.
- Multipurpose courts in neighborhood and community parks.
- Natural areas as part of all three major urban area park types.

9.B.5.3 Use the preceding list of needs as a general guide for acquiring and developing recreation areas in the County. The list should be updated at least once every two years. Any funds available for general park and recreation development should be used in these priority areas. Donations of land outside the urban area should be accepted by the County. Purchase of additional land in the rural portions of the County may be considered if the land is a significant natural area that is being seriously threatened.

9.B.5.4 Establish a park and recreation site selection process, with location as the primary determining factor. All future acquisition and development programs should also take into account: (a) areas of substantial need; (b) how well a site meets the relative recreation needs of the service area; (c) the suitability of environmental conditions; (d) fiscal feasibility; (e) threat of loss of valuable resource; and (f) opportunity for cooperative projects.

9.B.5.5 Use the following criteria when considering the timing of site acquisition: (a) unusually favorable acquisition opportunities; (b) the likelihood that the site will be lost to development; (c) the appreciation rate of property in the area; and (d) the existence of advantageous opportunities to cooperate with other public agencies or private organizations.

9.B.6 Require all new urban residential developments to contribute to the provision of park facilities in their communities proportionate to the need generated by the development and based on the park standards established in Policy 9.B.1.

9.B.6.1 Develop specifications for park and open space dedications and fees in coordination with urban area and/or local park acquisition programs. Options for the developer may be:

- Dedicate land for a new park on site which meets established standards and is approved by the County;
- Provide fees-in-lieu of park land or contribute to a systems development fund or other appropriate fund (see Process Chapter, Policy 11.B.10) in proportion to the standard; or
- Some combination of the above.

- 9.B.6.2 Provide for a density bonus to be available for land developed with recreation facilities dedicated to public use. The bonus will be used to encourage the provision of public recreation facilities in conjunction with large development projects (see Density Bonus Section of the Housing Chapter).
  
- 9.B.7 Establish an urban area service district, or initiate the formation of a parks and recreation district to provide a full range of recreation facilities and programs to urban residents.
  - 9.B.7.1 Provide for the district to assume ownership, planning, administration, acquisition, development and maintenance of all parks in the urban part of the County.
  - 9.B.7.2 Provide for the district to initiate a recreation program, coordinate the use of publicly operated recreation facilities, and provide access to recreation services for all County residents, focusing on the special needs of urban area residents. The recreation program will attempt to meet the recreation needs of all age groups and serve as many different interest groups as possible. Potential programs include: soccer, softball, baseball, and basketball leagues; gymnastics, martial arts, volleyball, and exercise classes; arts and crafts classes; swimming lessons; free play time in a gymnasium for children and adults; and other activities. User or participant fees will be kept as low as possible, while an attempt will be made to recoup many of the costs involved in each program.
  - 9.B.7.3 Allow the district to take over ownership and maintenance of all dedicated open space upon approval of the organization (e.g., homeowners association) or agency which holds the title.
  
- 9.B.8 Use all available and responsible means to reduce the cost of acquisition, development, operation and maintenance of parks and recreation facilities, while working toward the provision of facilities and programs specified in Policies 9.B.1 and 9.B.6.
  - 9.B.8.1 Develop a capital improvements program for parks and recreation facilities to make efficient use of all funding sources and to plan for needed facilities and their maintenance.
  - 9.B.8.2 Seek to place idle park or open space lands into revenue producing interim uses compatible with their ultimate use and with environmentally sound land management practices (e.g., agriculture, selective timber harvest, community gardens).

- 9.B.8.3 Prepare park development plans which easily adapt to changing conditions and the changing needs of County residents. Plans will phase development, where appropriate, in order to assess whether full development is warranted. Consideration will be given to materials and technologies that reduce development and long-term maintenance costs while maintaining environmental compatibility.
  - 9.B.8.4 Encourage the private sector to help meet the recreation needs of County residents and visitors. The recreation program should use private facilities on a program-by-program basis when public facilities are not available. Where appropriate, nonprofit organizations will be encouraged to operate special purpose parks and facilities (e.g., nature exhibits, historic sites).
  - 9.B.8.5 Support legislation to enable local governments to use up to 25 percent of their federal park and recreation grants for normal park operation and maintenance, rather than just for acquisition and development.
- 9.B.9 Coordinate County activities with other agencies and organizations to provide park and recreation facilities.
- 9.B.9.1 Coordinate the development of facilities and programs with the cities and school districts when mutual concerns exist.
  - 9.B.9.2 Explore joint development projects in order to provide facilities needed by residents of both incorporated and unincorporated areas.
  - 9.B.9.3 Avoid duplication of facilities through coordination with state and federal agencies and the private sector.
- 9.B.10 Ensure opportunities for citizen participation in park and recreation decisions as provided in the Citizen Involvement Chapter and Policy 9.A.5 of the Open Space Section of this chapter.

## **HISTORIC LANDMARKS, DISTRICTS, AND TRANSPORTATION CORRIDORS**

Clackamas County has a rich and unique heritage from its founding through its development over time. Historic sites, objects, structures, and transportation corridors still remain which represent prehistory, the era of the Territorial Government, western migration along the Oregon Trail, the existence of the first and longest running electric street car line in the nation, the influence of the railroad on development and our heritage as an agricultural and lumber based economy. We are the stewards of these historic resources and charged through state law to protect and preserve them.

Cultural, economic, and social benefits can come from preservation of the County's historic resources. There is cultural value in establishing firm, visible links with the past. Economic benefits include enhanced property values, savings in structure replacement costs, tourism, and, in commercial areas, strengthened retail sales. Social and community benefits appear in the renewal of older neighborhoods and the increased pride fostered in the residents.

To effectively preserve historical resources, an evaluation must determine which structures and sites are worthy of preservation. A method of regulating the use or demolition of historic resources would then be necessary to protect them. It is essential that the County make a firm commitment to protect its historic resources.

Individual descriptions and maps of Clackamas County Historic Landmarks which are located within the urban area of the County can be found in the Clackamas County Historic Landmarks book, adopted by Clackamas County.

A detailed mapping project of the Barlow Road, the westernmost segment of the Oregon Trail, was undertaken in 1988. This document, entitled Maps of the Barlow Road, Mt. Hood to Oregon City, Clackamas County, prepared by the Planning and Economic Development Division, exhibits maps of the historic road corridor as well as associated historic sites. It also includes recommendations for a more detailed survey to assist in the preservation and management of this historic resource.

### **HISTORIC LANDMARKS, DISTRICTS, AND TRANSPORTATION CORRIDORS GOAL**

- Preserve the historical, archaeological, and cultural resources of the County.

#### **9.C Historic Landmarks, Districts, and Transportation Corridors Policies**

- 9.C.1 Conduct a comprehensive inventory in the County of historic areas, sites, structures, and objects. Inventory the location, quantity and quality of these resources using state and federal criteria.

- 9.C.2 The County adopts the Barlow Road Historic Corridor as defined by the Barlow Road Survey Project and the Barlow Road Background Report and Management Plan as a Clackamas County Historic Corridor. All provisions of the Historic Landmarks, Historic Districts and Historic Corridors Ordinance shall apply to the designated sites and historic corridor of the Barlow Road.
- 9.C.3 Develop criteria to further evaluate the significance of these historic resources using state and federal criteria as models.
- 9.C.4 Zone properties Historic Landmark (HL), Historic Districts (HD), or Historic Corridor (HC) which are determined significant by the evaluation criteria.
- 9.C.5 Identify conflicts by analyzing the economic, social, environmental, and energy consequences of land use actions with regard to significant historic resources.
- 9.C.6 Develop policies and programs to protect historic resources and minimize the conflicts.
- 9.C.7 Pursue private and public sources of funding for use by property owners in the renovation and maintenance of historic properties.
- 9.C.8 Pursue options and incentives to allow productive, reasonable use, and adaptive reuse of historic properties.
- 9.C.9 Appoint an Historic Review Board whose role is to protect and preserve Historic Landmarks, Districts, and Corridors and who individually have demonstrated interest and expertise in the field of Historic Preservation. This Board shall be empowered to:
  - 9.C.9.1 Recommend zoning of Historic Landmarks, Historic Districts, and Historic Corridors.
  - 9.C.9.2 Review alterations, new construction land divisions, and proposed demolition on all Landmark, District, and Corridor properties.
  - 9.C.9.3 Provide technical assistance and conduct workshops to provide an educational forum for historic preservation to broaden community awareness and public participation.
  - 9.C.9.4 Coordinate local preservation programs, including signing, plaques or other monumentation, driving and walking tour brochures, and other informational pieces.
  - 9.C.9.5 Make recommendations for designation of sites on the National Register of Historic Places.

## **MOUNT HOOD COMMUNITY PLAN**

The Mt. Hood area is unique, and the policies of the Mt. Hood Community Plan recognize this character. The economy of the community is dependent upon the conservation of the environment, which creates the setting so attractive to both residents and visitors. The Mt. Hood Community Plan, in conjunction with the rest of the Comprehensive Plan, provides the guidelines to assure reasonable development potential consistent with the need for environmental conservation.

The rest of the Comprehensive Plan is applicable to the Mt. Hood area; however, the Mt. Hood Community Plan takes precedence where conflicts exist.

The Mt. Hood Community Plan contains some policies that are in addition to, or different from, the rest of the Comprehensive Plan in four subject areas: Land Use, Public Facilities, Transportation, and Planning Process.

### **LAND USE**

In the Mt. Hood area, the Forest, Agriculture, Rural, Rural Commercial, Urban Low Density Residential, Community Commercial, and Open Space land use plan designations are applicable. Additionally, the Mountain Recreation designation may be applied. All land designated Urban in the Mt. Hood area is Immediate Urban. The three village areas of Government Camp, Rhododendron, and Wemme/Welches are recognized for their separate character and individual environment.

#### **10.A Village Area Policies**

##### **10.A.1 Government Camp**

- 10.A.1.1 The Government Camp Village is identified as an Urban Unincorporated Community in compliance with Chapter 660, Division 22 of the Oregon Administrative Rules (OARs).
- 10.A.1.2 Provide for a high intensity development character.
- 10.A.1.3 Development of US Forest Service lands may occur only if it complies with the US Forest Service regulations. Upon completion of a land transfer to private ownership, development of these lands may occur only if it complies with the provisions of this Plan.
- 10.A.1.4 Provide for pedestrian circulation and access within the business center.
- 10.A.1.5 Require new commercial or residential development of more than three units to provide a plan for snow removal and stockpiling.
- 10.A.1.6 Require one on-site parking space for each single-family residence developed on a lot of record existing prior to the adoption of this provision.

[10-MH-1]

10.A.1.7 Require all new residential development of more than three units to provide covered parking.

10.A.2 Rhododendron

10.A.2.1 Provide for a development character of low intensity.

10.A.3 Wemme/Welches

10.A.3.1 Provide for a development character of medium intensity.

10.A.3.2 Encourage development of recreational-resort facilities to provide accommodations for the users of the area's recreational amenities.

10.A.3.3 Encourage development of a shuttle bus system to provide access to the ski areas.

**10.B Residential Policies**

10.B.1 Property may be zoned Recreational Residential in areas designated Rural within the Mount Hood Community Plan, when all of the following criteria are met:

10.B.1.1 Parcels are generally two acres or smaller,

10.B.1.2 The area is significantly affected by development, and

10.B.1.3 There are no natural hazards and the topography and soils conditions are well-suited for the location of homes.

10.B.2 Allow density bonuses within the Low Density Residential and Mountain Recreation designations pursuant to Chapter 6, *Housing*, and the Zoning and Development Ordinance. In the Mountain Recreation designation, units allowed through the density bonus provisions shall be developed with the same unit size mixture as provided in the base density for the development. For example, if a development is proposed with a mixture of 50 units of 700 square feet each, and 50 units of 500 square feet each, and a bonus density of 10 units is allowed—the ten units shall include five units of 700 square feet each, and five units of 500 square feet.

10.B.3 The Low Density Residential land use plan designation may be applied within the Mt. Hood urban area, according to the policies for designation stated in Chapter 4, *Land Use*.

10.B.4 Implement the Low Density Residential designation by application of only the Hoodland Residential (HR) zone, which shall allow a maximum density of four units per acre.

10.B.5 The Mountain Recreation areas provide overnight housing for the users of the recreational facilities in the Mt. Hood area, in addition to providing for a variety in housing types at a density higher than allowed in the Low Density Residential areas. Uses allowed include multifamily dwellings, resort housing, and motels.

10.B.5.1 The Mountain Recreation designation may be applied within the Mt. Hood urban area, when all of the following criteria are met:

10.B.5.1.a The land is located within a village district,

10.B.5.1.b Public sewer and a State-approved water system are available and adequate to support the development potential of this designation, and

10.B.5.1.c The pattern and character of development within the area would not be adversely affected by uses allowed by this designation.

10.B.5.2 Recognize the unique character of individual village districts by varying density according to the village.

10.B.5.2.a In Wemme/Welches and Rhododendron, encourage a variety of housing types and individual unit sizes by calculating density based on floor area, according to the following development level chart:

Floor Area per unit in sq. ft.	No. of units per acre at development levels	
	Wemme/Welches	Rhododendron
1200+	6	4
1000-1199	7	5
800-999	8	6
600-799	10	8
400-599	14	12
200-399	32	22

10.B.5.2.b In Government Camp, allow a density of 22 units per acre.

10.B.5.3 Allow incidental commercial uses within a development in the Mountain Recreation area, as a limited use.

10.B.5.4 Implement the Mountain Recreation designation with the Mountain Recreational Resort zone.

10.B.6 Establish density standards for fragile or hazardous areas within the Mt. Hood urban area as follows:

10.B.6.1 Land within the 100-year floodplain shall be excluded from land area calculations; there is no density credit allowed for this area.

- 10.B.6.2 Except as modified by policy 10.B.7, identified land movement areas, wetlands, and slopes over 25 percent shall not be developed; 50 percent of the density allowed by zoning may be transferred to an unrestricted area within the development.
- 10.B.6.3 Except as modified by policy 10.B.7, development shall not occur within stream corridor areas; 100 percent of the density allowed by zoning may be transferred to an unrestricted area.
- 10.B.7 Notwithstanding policies 10.B.6.1-10.B.6.3, one single-family dwelling may be developed on a lot of record, provided that such development is otherwise consistent with the provisions of the Comprehensive Plan and the Zoning and Development Ordinance. The policies stated in policies 10.B.6.1-10.B.6.3 apply only to residential development; all other development shall be controlled by other provisions of the Comprehensive Plan and by the Zoning and Development Ordinance.
- 10.B.8 Implement dimensional and development standards to address compatibility, function, and aesthetics.

#### **10.C Commercial Policies**

- 10.C.1 The Community Commercial land use plan designation may be applied in the Mt. Hood urban area, according to the criteria for designation stated in Chapter 4, *Land Use*.
  - 10.C.1.1 Implement the Community Commercial designation by application of only the Rural Tourist Commercial (RTC) zoning district.
  - 10.C.1.2 Apply the density standards of Policy 10.B.5.2.a of the Residential section to resort accommodations in Community Commercial areas in Wemme/Welches and Rhododendron, and allow 50 units per acre in Government Camp.
- 10.C.2 The Rural Commercial land use plan designation may be applied outside of the Mt. Hood urban area, according to the criteria for designation stated in Chapter 4.
- 10.C.3 The Neighborhood Commercial zone shall not be applied in the Mt. Hood area.
- 10.C.4 Implement dimensional and development standards to address compatibility, function, and aesthetics.

**10.D Open Space Policies**

- 10.D.1 All areas within the 100-year floodplain, wetlands, and slopes exceeding 25 percent in the Mt. Hood area shall be designated Resource Protection Open Space. See Maps 10-MH-1, 10-MH-2, and 10-MH-3.
- 10.D.2 For the Government Camp Urban Unincorporated Community, there are two Open Space designations that are implemented through the Government Camp Open Space Management District: (1) Public and Community Use, and (2) Buffer areas.
  - 10.D.2.1 Designate Public and Community Use areas for utility facilities and public and private recreation uses and structures, including ski facilities, ice skating arenas, and indoor and other outdoor athletic and sport training facilities.
  - 10.D.2.2 Designate buffer areas as open to maintain the area’s environmental character and residential privacy. Development shall be minimized in these areas to the fullest possible extent.
- 10.D.3 Open space uses shall not substantially contribute to vehicular trip generations.

**PUBLIC FACILITIES**

**10.E Public Facilities Policies**

- 10.E.1 Prohibit lot divisions or development requiring subsurface disposal systems, within the Mt. Hood urban area, except for:
  - 10.E.1.1 Remodeling or additions to existing development, when such remodeling would not require any alteration or expansion of the subsurface disposal system, or
  - 10.E.1.2 Parcels with unique topographic or other natural features which make sewer extension impractical.
- 10.E.2 Ensure that subsurface sewage disposal systems in non-urban areas are allowed only when lot sizes give maximum assurance that no failures will occur that could require annexation to the Hoodland Service District.
- 10.E.3 Extension of sanitary sewer service to lands outside an unincorporated community boundary may be allowed in the Hoodland Service District or Government Camp Sanitary District boundary only under the following circumstances:

- 10.E.3.1 The property is located within an acknowledged unincorporated community boundary or the sanitary sewer line extension is the only practicable alternative to resolve a health hazard as defined by the State of Oregon; or
- 10.E.3.2 The sanitary sewer extension provides service to an existing, committed nonforest public use area, such as Timberline Lodge and its related facilities, Silcox Hut, or a Boy Scout lodging facility provided: (1) these uses are approved as an exception to Statewide Planning Goal 4; and (2) the extension is approved as an exception to Statewide Planning Goal 11.
- 10.E.4 The Government Camp Water System Master Plan, dated July 2000, shall be acknowledged as the water element of the Government Camp Facilities Plan.
- 10.E.5 The Government Camp Sanitary District Wastewater Facilities Plan, dated October 1995, shall be acknowledged as the sanitary sewer element of the Government Camp Facilities Plan.
- 10.E.6 The County shall acknowledge periodic updates of the sanitary sewer, water and transportation elements of the Government Camp Facilities Plan.
- 10.E.7 Review of development applications shall be coordinated with all service agencies to ensure facility service capacity is available to new developments.

## **TRANSPORTATION**

The development of the transportation system shall be in accordance with the following policies.

### **10.F Transportation Policies**

- 10.F.1 Encourage intersection improvements at the following intersections with US 26:
  - East Brightwood Loop
  - East Lolo Pass Road
  - East Welches Road
  - Highway 35
  - Entrance to Multorpor Ski Bowl facilities
  - Government Camp Loop

- 10.F.2 Encourage development of a loop road south of US 26 in Government Camp. The loop would complete access from the west to the east side of Government Camp, and would improve access to the Multitorpor/Ski Bowl facilities. Interchanges should be developed at the intersections with US 26.
- 10.F.3 Recognize the *Villages at Mt. Hood Pedestrian and Bikeway Implementation Plan* as the guiding document for the development of a connected multi-modal system within the Villages of Mt Hood, as established pursuant to Clackamas County Code, Chapter 2.10.
- 10.F.4 Cooperate with the Oregon Department of Transportation (ODOT) to maintain a reasonable level of service and safety on US 26, in the Mt. Hood Corridor.
  - 10.F.4.1 Limit access to US 26, and encourage shared access where access to US 26 is necessary.
  - 10.F.4.2 Focus access management strategies on areas where access points are not defined and where driveways can be consolidated with new development or redevelopment according to the *Villages at Mt. Hood Pedestrian and Bikeway Implementation Plan*.
  - 10.F.4.3 Encourage redesign of older platted areas along US 26, to reduce the number of access points.
  - 10.F.4.4 Encourage the development of alternatives to automobile transportation to ski facilities, to reduce parking needs at ski areas and to reduce congestion on US 26. Individual developers and existing resort facilities should be encouraged to provide shuttle systems or other facilities such as an aerial tram between Government Camp and Timberline Lodge.
  - 10.F.4.5 Coordinate with the community and ODOT to refine the design and location of safe and convenient pedestrian and bicycle crossings across US 26, enhanced with rapid flashing beacons or other safety measures and/or signals as identified in the *Villages at Mt. Hood Pedestrian and Bikeway Implementation Plan* and Tables 5-3a-d and Map 5-11b.
  - 10.F.4.6 Support the design and construction of a multi-use path adjacent to US 26 connecting Wildwood Recreation Site to E. Salmon River Road according to the *Villages at Mt. Hood Pedestrian and Bikeway Implementation Plan*.
- 10.F.5 Cooperate with ODOT to provide a rest area and information center between Sleepy Hollow and Zigzag.

- 10.F.6 Encourage development of a community-wide network of pedestrian trails.
  - 10.F.6.1 Ensure continued public access to recreation trails shown on Map 10-MH-5-and located within the Government Camp Urban Unincorporated Community boundary. Provisions may be made through appropriate legal documents, and may include requirements such as retaining conservation easements on these lands.
  - 10.F.6.2 Encourage the efficient connection of Forest Service trails located outside the Government Camp Urban Unincorporated Community Boundary to trail systems located within the boundary, to provide an integrated network of walkways, bikeways, and trails.
  - 10.F.6.3 Support connections to destinations and to Forest Service and Bureau of Land Management trails as part of an integrated network of pedestrian and bicycle facilities.
- 10.F.7 Support development and installation of gateway signs that identify the entrances of the Villages at Mt. Hood.
- 10.F.8 Promote active transportation by providing wayfinding signs including signs to an existing underpass and “bike hubs” – areas of secure and sheltered parking, benches, bike tools, and/or other amenities – to maximize investment in existing and new transportation facilities that accommodate multimodal travel and tourism in the Villages at Mt. Hood.
- 10.F.9 Support continuation and/or expansion of a shuttle bus system providing access to the Villages at Mt. Hood and ski areas.
- 10.F.10 Enhance existing and planned transit facilities and services by providing supportive facilities and features such as park and ride facilities and wayfinding signs in the Villages at Mt. Hood.
- 10.F.11 Support the development of pedestrian and bikeway connections along Huckleberry Drive, Woodsey Way and Learning Lane in order to provide safe routes to schools.

**THE PLANNING PROCESS**

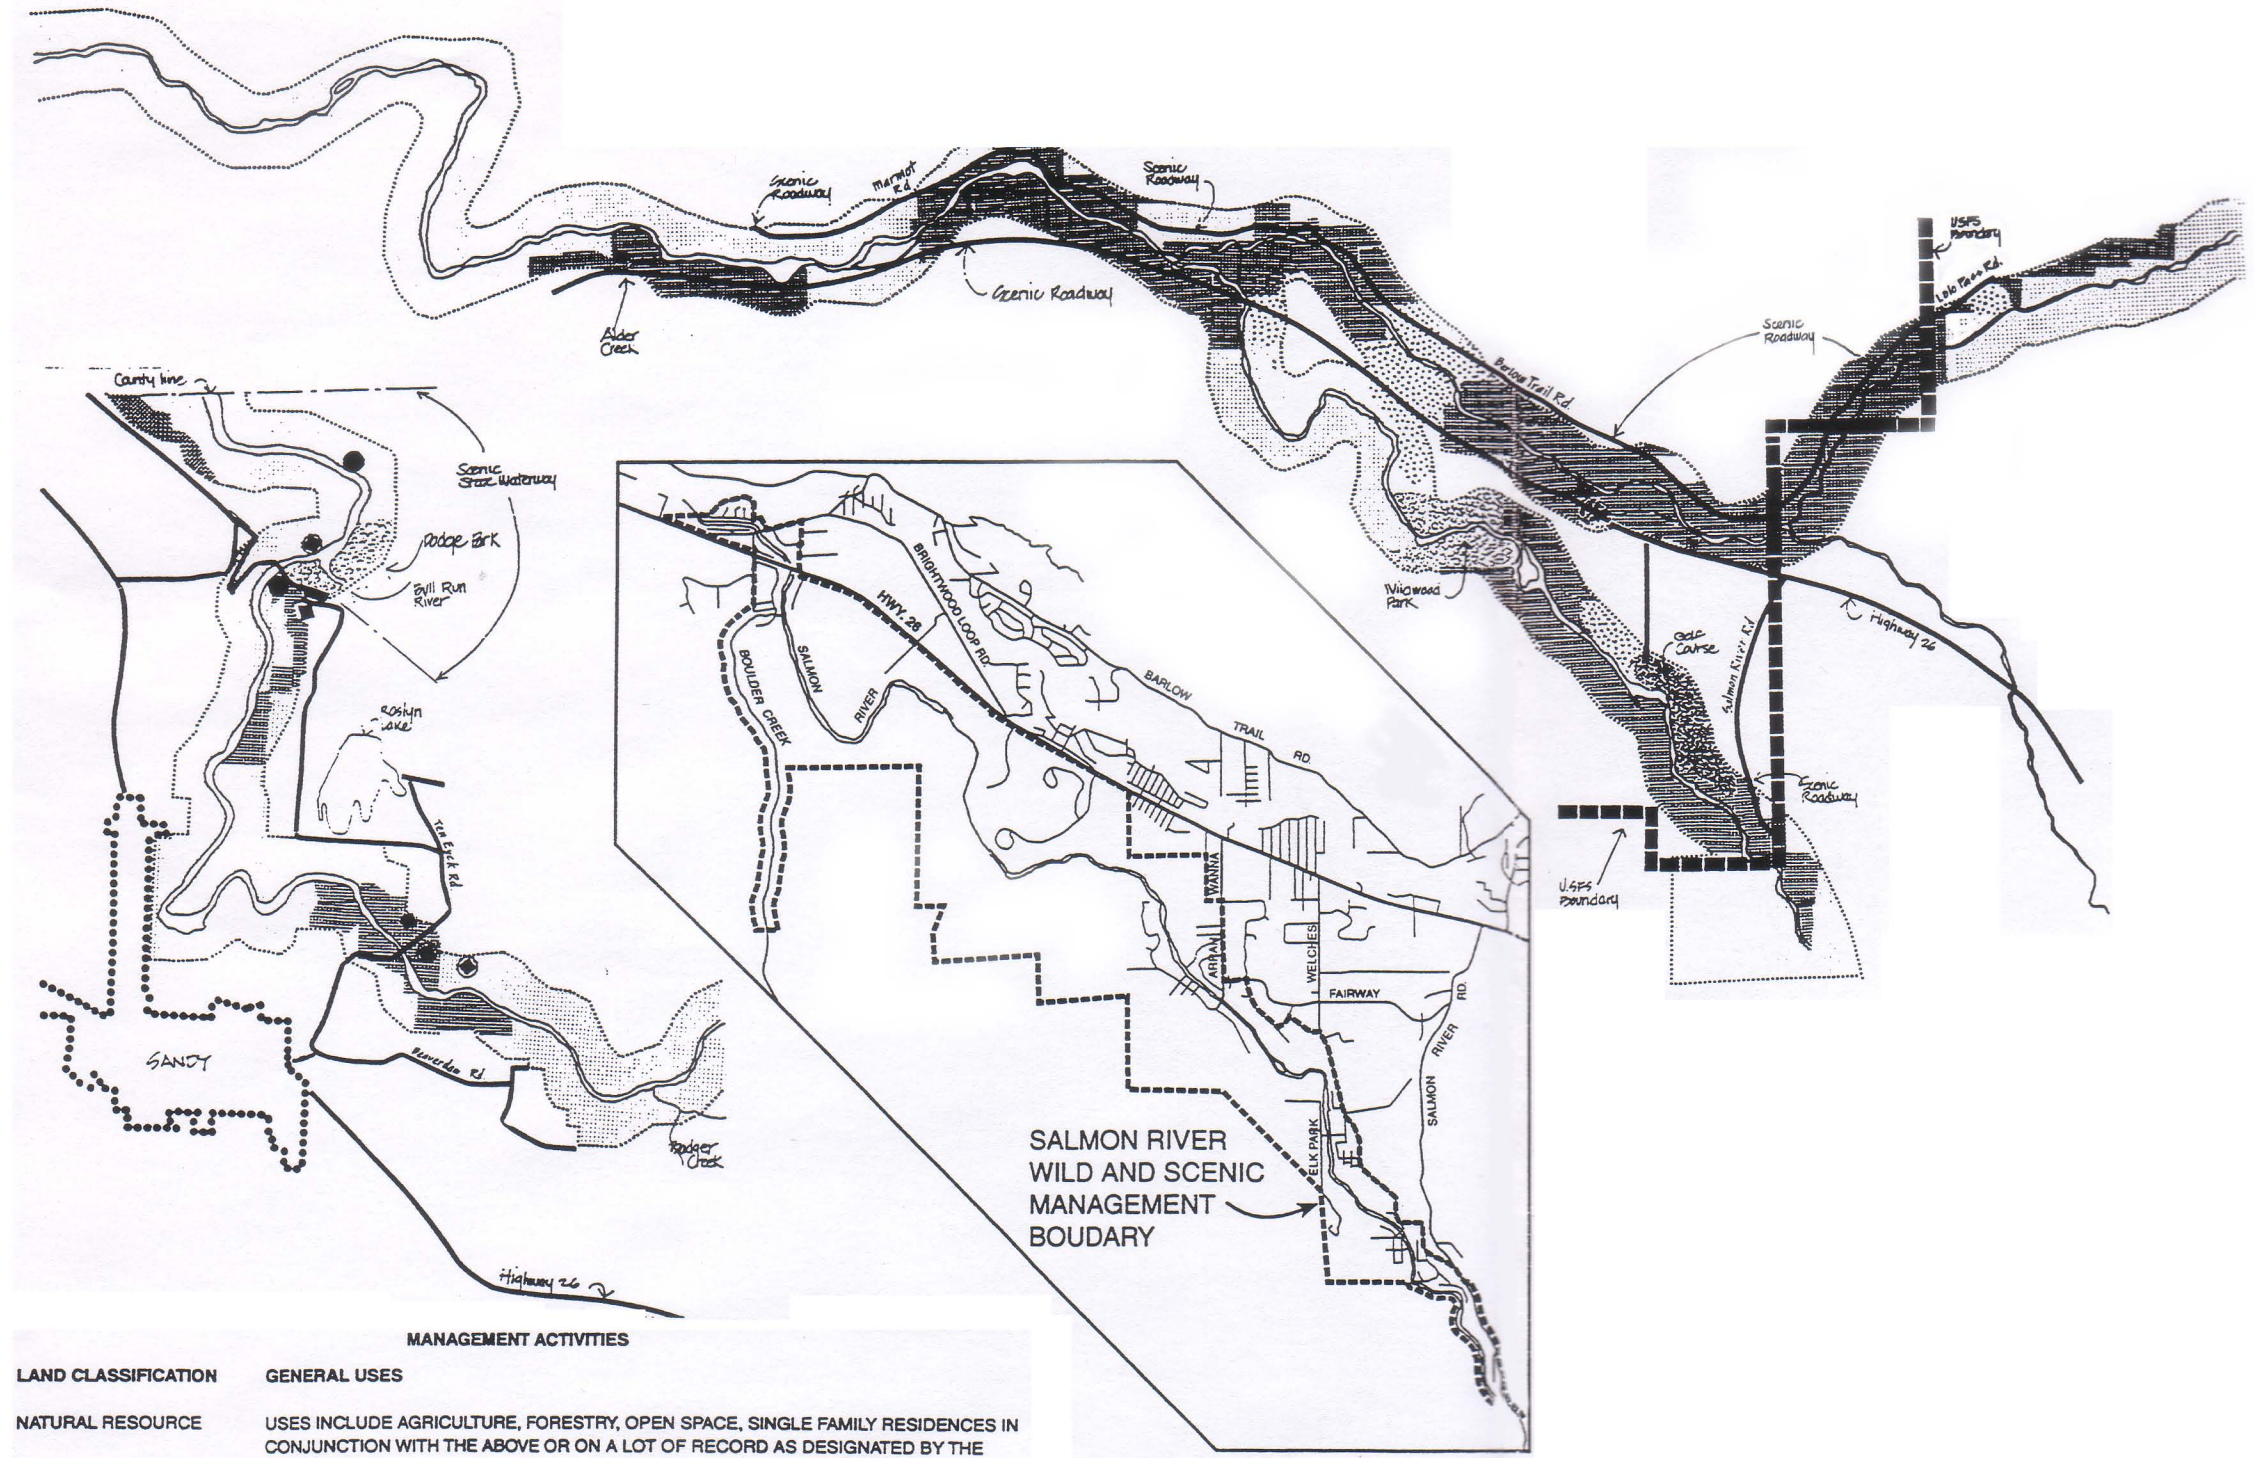

**10.G Planning Process Policies**

10.G.1 The statements of issues and alternatives and the inventories and data of the 1976 Mt. Hood Community Plan, the 1976 Mt. Hood Planning Unit Draft Environmental Statement, 1989 Government Camp Village Revitalization Plan and Report, 1999 Government Camp Village Design Incentives Plan, 1980 Summit Ski Area Expansion Environmental Assessment Report, 1981 Multorpor Ski Bowl Master Plan, 1995 Government Camp Sanitary District Wastewater Facility Plan, 2000 Government Camp Water System Master Plan, 2000 Rural Transportation System Plan, Mt. **BACKGROUND:**

The Hoodland Park property, now unimproved following the demolition of the Dorman Center, has housed over time a senior center, child care services and other community-oriented services overseen by the Hoodland Women's Club (HWC). This MOU acknowledges the HWC's efforts to work with the community to form and approve the formation of a Park District as a Special District of the State of Oregon. Oregon Revised Statutes (ORS 275) permits the transfer of tax foreclosed and surplus real property from one government entity to another. It is the intent and desire of Clackamas County, as approved by the Board of County Commissioners and County Parks Advisory Board, to transfer certain real properties to a local Park District upon its successful formation so that the community can self-determine and support the ongoing uses of the transferred real property assets.

County Counsel has reviewed this MOU as to form and content.

**RECOMMENDATION:**

Staff recommends Board approval of a Memorandum of Understanding between Hoodland Women's Club and Business and Community Services County Parks and further authorizes the Interim Director of Business and Community Services to sign the MOU on behalf of the County.

Respectfully submitted,

  
 Laura Zentner, Interim Director

**Business & Community Services (County Parks)**

This **MEMORANDUM OF UNDERSTANDING (MOU)** is entered into by and between the Hoodland Women’s Club, hereinafter referred to as “HWC” and Business & Community Services (County Parks), hereinafter referred to as “BCS”.

**A. PURPOSE:**

Clackamas County, by and through BCS, currently owns certain real properties known as Hoodland Park, 25400 East Salmon River Road in Welches, Oregon. Specifically, the properties are known as the Dorman Center – Map 37E04AA03600 (2.71 acres) and 37E04AA03300 (1.24 acres), the Water Tower – Map 37E04 00903 (5.14 acres), and the Hunchback Strip – Map 37E04 00904 (10.62 acres).

The Dorman Center property, now unimproved and vacant following the demolition of the Dorman Center, housed over time a senior center, child care services and other community-oriented activities overseen by the Hoodland Women’s Club. This MOU is for the purpose of acknowledging the HWCs efforts to work with the community in order to form and approve the creation of a Park District as a Special District of the State of Oregon. It is the intent and desire of Clackamas County, as acknowledged by the Board of County Commissioners and County Parks Advisory Board, to transfer the above referenced real property pursuant to applicable Oregon Revised Statutes, upon the successful formation of a Park District.

**B. GENERAL PROVISIONS:**

1. BCS agrees to defer designation of the properties as surplus with the intention of selling for a period of not less than two years from the date of signing this agreement to give time for the HWC and Community to form and approve a Park District. This provision can be extended through November, 2020 upon the approval of the Board of County Commissioners.
2. Should the Community successfully pass a Park District, BCS will convey by deed to the Park District the following County Park real properties: 1) Hoodland Park Property, 2) Water Tower and 3) Hunchback Strip. These conveyances will be subject to ORS statutory procedures.
3. If the Community does not successfully form and pass a Park District by the agreed upon time, BCS will move forward with declaring the property as surplus with the intent to sell and return these properties to the County tax rolls.
4. In the interim period, BCS will retain the use of Hoodland Park “as is”, providing only limited/periodic maintenance of the site as needed.

**BACKGROUND:**

On February 1, 2018, the Board of County Commissioners approved Business & Community Services (BCS) to enter into an MOU with the Hoodland Women’s Club through the November 2020 election. The MOU provided the recognition of time for Hoodland Women’s Club (HWC) and the desire of Clackamas County, as approved by the Board of County Commissioners and County Parks Advisory Board, to transfer certain real properties to a local Park District upon its successful formation so that the community can self-determine and support the ongoing uses of the transferred real property assets. If district formation is not successful, BCS County Parks would move forward with the sale of these surplus assets as presented to the BCC in 2018. Since that time, the HWC and community have been working diligently to navigate the complex processes for district formation.

On April 30, 2020, the BCC approved an amendment to the MOU due to the COVID-19 pandemic creating challenges to organizing and getting on the ballot as planned. Due to additional delays, a second

amendment was approved on October, 15, 2020. HWC has requested a third extension to May 31, 2022 with the new goal of getting the proposed district on the May, 2022 ballot.

Should a Park District not be formed resulting in the properties not being transferred, BCS intends this to be the last extension granted for this purpose due to the need to transition the real properties to other purposes to reduce and/or eliminate ongoing operational and maintenance costs.

**RECOMMENDATION:**

Staff respectfully recommends the BCC approve the MOU amendment #3 through May 31, 2022, and clarify that this will be the final extension of this MOU.

**ATTACHEMENT:**

Amendment #2 to Memorandum of Understanding between Clackamas County Business and Community Services and the Hoodland Women's Club

**AMENDMENT #3 TO MEMORANDUM OF UNDERSTANDING  
BETWEEN CLACKAMAS COUNTY BUSINESS AND  
COMMUNITY SERVICES AND  
AND THE HOODLAND WOMEN'S CLUB**

THIS AMENDMENT ("Amendment") is entered into by and between Clackamas County on behalf of its Department of Business and Community Services ("BCS"), a political subdivision of the State of Oregon, and the Hoodland Women's Club ("HWC") and shall become a part of that Memorandum of Understanding entered between the parties on February 1, 2018 (the "MOU").

WHEREAS, Clackamas County currently owns certain real properties known as Hoodland Park, 25400 East Salmon River Road in Welches Oregon. WHEREAS, it is the intent and desire of Clackamas County, as acknowledged by the Board of County Commissioners and County Parks Advisory Board, to transfer the above referenced real property, consistent with applicable law, upon the successful formation of a Park District;

WHEREAS, the parties desire to extend the effective date of the MOU through May 31, 2022;

WHEREAS, the parties desire to further defer designation of the properties as surplus with the intention of selling for a period through May 31, 2022 to give time for the HWC to form and approve a Park District.

NOW, THEREFORE, in consideration of the mutual promises set forth below and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree to amend the Agreement as follows:

1. **General Provisions.** Section B.1 is hereby amended to provide a new deferral date, as set for below:

BCS will agree to defer designation of the properties as surplus with the intention of selling for a period through **May 31, 2022** to give time for the HWC to form and approve a Park District consistent with applicable law. **MEMORANDUM**

TO: Clackamas County Board of County Commissioners (BCC)  
FROM: County Administration Staff  
RE: Hoodland Park District Petition  
DATE: January 13, 2022

---

A petition for formation of the Hoodland Park District under ORS Chapter 266 has been filed for consideration at a public hearing by the Clackamas County Board of Commissioners. The Board held a first hearing on January 6 and continued the hearing to January 13.

Commissioners have asked for additional information before, during, and following the January 6 hearing. This memo compiles the responses to those requests and serves as a supplement to the memo from County Counsel which is included in the Board packet.

**How many households are in the proposed district, and in the 97028 ZIP code portion of the boundary (the communities of Government Camp, Summit Meadows, and Wapinitia)?**

There are approximately 7,000 properties within the proposed boundary. Of that, approximately 900 are located in the 97028 ZIP code.

**What is the taxable value in the proposed district, and in the 97028 portion?**

The taxable value in the proposed district is \$1,100,988,410. Of that, \$232,497,131 is within the 97028 ZIP code and \$868,491,279 is in the balance of the proposed boundary.

**How many registered voters are in the 97028 ZIP code?**

193 as of December 8, 2021.

**How many children live in the 97028 ZIP code?**

26 people aged 19 or younger according to the US Census Bureau's most recent available data, the 2019 American Community Survey.

**What tax rate are the petitioners proposing?**

\$0.67 per \$1000 assessed value. That would be the rate voters are asked to consider on the ballot, and would be the permanent levy for the district if passed by the voters. Taxing districts have the option to assess less than their maximum permanent rate.

**How does that tax rate compare to North Clackamas Parks and Recreation District's permanent rate and to other park districts across Oregon?**

**When does the current MOU with the Hoodland Women's Club expire?**

December 31, 2022, which the Board approved at the December 9, 2021 Business Meeting with Amendment #4 to the MOU.

A general area map of the ZIP codes is on the following page.

**BACKGROUND:** Community Corrections, the Court, and District Attorney’s Office developed a Pretrial Program during the 2017-2019 biennium with Justice Reinvestment (JRI) grant funding. That funding also allowed expansion of the Short-Term Transitional Leave (STTL) program and Clackamas Substance Abuse Program (CSAP). The STTL program provides housing and resources for people releasing from prison with up to 120 days remaining on their sentence. Community Corrections provides supervision, housing, and resources to assist these clients in their transition into the community. The CSAP program increased residential treatment beds and programming services at the Residential Treatment & Counseling location in Milwaukie. The 2021-2023 JRI grant funding will allow Community Corrections to maintain the current service levels of these programs. The 2021-2023 Justice Reinvestment grant funding will allow Community Corrections to maintain the current service levels of these programs. The Pretrial Program and expanded STTL and CSAP programs, are showing positive results toward reducing recidivism and the prison population while increasing public safety and offender accountability. Ten percent of the award will support Victim Services programs and 3% will be dedicated back to the Criminal Justice Commission for a Random Control Trial.

**RECOMMENDATION:** Community Corrections respectfully requests that the Board of County Commissioners approve Grant Agreement JR-23-003 from the Criminal Justice Commission, Justice Reinvestment, to maintain the Pretrial Program, STTL, and CSAP services to clients in our community.

Respectfully submitted,

Captain Malcom McDonald

No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by Grantee of this Agreement.

**b. Binding Obligation.** This Agreement has been duly executed and delivered by Grantee and constitutes a legal, valid and binding obligation of Grantee, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.

**c. No Solicitation.** Grantee's officers, employees, and agents shall neither solicit nor accept gratuities, favors, or any item of monetary value from contractors, potential contractors, or parties to subagreements. No State of Oregon employee shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

**d. No Debarment.** Neither Grantee nor its principals is presently debarred, suspended, or voluntarily excluded, or proposed for debarment, declared ineligible or voluntarily excluded from participating in this Agreement by any state agency. Grantee

agrees to notify CJC immediately if it is debarred, suspended or otherwise excluded by any state agency or if circumstances change that may affect this status, including without limitation upon any relevant indictments or convictions of crimes.

The warranties set in this section are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

## **7. Records Maintenance and Access; Audit.**

**a. Records, Access to Records and Facilities.** Grantee shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with all applicable generally accepted accounting principles, generally accepted governmental auditing standards, and state minimum standards for audits of municipal corporations. Grantee shall ensure that each of its subgrantees and subrecipients complies with these requirements. CJC, the Secretary of State of the State of Oregon (the "Secretary"), and their duly authorized representatives shall have access to the books, documents, papers and records of Grantee that are directly related to this Agreement, the funds provided hereunder, or the Project for the purpose of making audits and examinations. In addition, CJC, the Secretary, and their duly authorized representatives may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Grantee shall permit authorized representatives of CJC and the Secretary to perform site reviews of the Project, and to inspect all vehicles, real property, facilities and equipment purchased by Grantee as part of the Project, and any transportation services rendered by Grantee.

**b. Retention of Records.** Grantee shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project for a minimum of six (6) years, or such longer period as may be required by other provisions of this Agreement or applicable law, following the Project End Date. If there are unresolved audit questions at the end of the six-year period, Grantee shall retain the records until the questions are resolved.

**c. Expenditure Records.** Grantee shall document the expenditure of all funds disbursed by CJC under this Agreement. Grantee shall create and maintain all expenditure records in accordance with generally accepted accounting principles and in sufficient detail to permit CJC to verify how the moneys were expended.

## **8. Grantee Subagreements and Procurements**

**a. Subagreements.** Grantee may enter into agreements with subgrantees and subrecipients ("Subagreements") for implementation of portions of the Project.

**i.** Each Subagreement must be in writing executed by Grantee and must incorporate and pass through all of the applicable requirements of this Agreement to the other party or parties to the Subagreement. Use of a Subagreement does not relieve Grantee of its responsibilities under this Agreement.

ii. Grantee shall notify CJC of each Subagreement and provide CJC with a copy of a Subagreement upon request by CJC. Any material breach of a term or condition of a Subagreement relating to Grant Funds provided under this Agreement must be reported by Grantee to CJC within ten (10) days of its discovery.

**b. Subagreement indemnity; insurance.**

*Each Grantee Subagreement shall require each other party to such Subagreement, that is not a unit of local government as defined in ORS 190.003, or a unit of state government as defined in ORS 174.111, to indemnify, defend, save and hold harmless the CJC and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to the Subagreement or any of such party's officers, agents, employees or contractors ("Claims"). It is the specific intention of the Parties that CJC shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the CJC, be indemnified by the other party to the Subagreement from and against any and all Claims.*

Any such indemnification shall also provide that neither the other party to such Subagreement nor any attorney engaged by such party shall defend a Claim in the name of the State of Oregon or an agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that the other party to such Subagreement is prohibited from defending State or that such other party is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against the other party to such Subagreement if State elects to assume its own defense.

Grantee shall require each other party to each of its Subagreements, that is not a unit of local government as defined in ORS 190.003, or a unit of state government as defined in ORS 174.111, to obtain and maintain insurance of the types and in the amounts provided in Exhibit B to this Agreement.

**c. Procurements.**

i. Grantee shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, including all applicable provisions of the Oregon Public Contracting Code and rules.

ii. All procurement transactions, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner so as to provide maximum open and free competition. Justification must be provided to CJC for

any non-competitive or sole-source procurement. Justification should include a description of the equipment, materials or services procured, an explanation of why it was necessary to procure noncompetitively, time constraints and any other pertinent information. All sole source procurements in excess of \$100,000 must receive prior written approval from CJC in addition to any other approvals required by law applicable to Grantee. Intergovernmental agreements between units of government are excluded from this requirement to obtain CJC approval of sole source procurements.

**iii.** The Grantee shall be alert to organizational conflicts of interest or non-competitive practices among vendors that may restrict or eliminate competition or otherwise restrain trade. A vendor that develops or drafts specifications, requirements, statements of work, or Requests for Proposals (RFP) for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award in such procurement. A request for a waiver of this restriction must be submitted to and approved by CJC in advance and in writing.

**9. Default.** Grantee shall be in default under this Agreement upon the occurrence of any of the following events:

**a.** Grantee fails to perform, observe or discharge any of its covenants, agreements or obligations set forth herein, including but not limited to a failure to make progress on the four goals of the Justice Reinvestment Grant Program, as described in Exhibit A; or

**b.** Any representation, warranty or statement made by Grantee herein or in any documents or reports relied upon by CJC to monitor implementation of the Project, the use of the Grant Funds or the performance by Grantee is untrue in any material respect when made.

**10. Remedies upon Default.** If Grantee's default is not cured within 30 calendar days of written notice thereof to Grantee from CJC or such longer period as CJC may authorize in its sole discretion, CJC may pursue any remedies available under this Agreement, at law or in equity. Such remedies include, but are not limited to, termination of this Agreement as provided in Section 11.a.ii, suspension of further disbursements of Grant Funds, recovery of Grant Funds (including but not limited to return, upon CJC's demand, of any Grant Funds expended in violation or contravention of one or more of the provisions of this Agreement), and declaration of ineligibility for the receipt of future awards from CJC.

## **11. Termination**

**a. Termination by CJC.** CJC may terminate this Agreement upon thirty (30) days advance written notice of termination to Grantee. In addition, CJC may terminate this Agreement effective upon delivery of written notice of termination to Grantee, or at such later date as may be established by CJC in such written notice, if:

- i. Grantee fails to implement the Project during the Project Period or commencement or continuation of the Project by Grantee is, for any reason, rendered improbable, impossible, or illegal; or
- ii. Grantee is in default under this Agreement and has failed to cure the default within the time period specified in Section 10; or
- iii. Grantee takes an action without the approval of CJC that, under the provisions of this Agreement, requires the approval of CJC; or
- iv. CJC fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow CJC, in the exercise of its reasonable administrative discretion, to continue to make payments under this Agreement; or
- v. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
- vi. The Project would not produce results commensurate with the further expenditure of funds.

**b. Termination by Grantee.** Grantee may terminate this Agreement effective upon delivery of written notice of termination to CJC, or at such later date as may be established by Grantee in such written notice, if:

- i. After conferring with CJC, Grantee has determined that the requisite local funding to continue the Project is unavailable to Grantee or Grantee is unable to continue implementation of the Project as a result of circumstances not reasonably anticipated by Grantee at the time it executed this Agreement and that are beyond Grantee's reasonable control; or
- ii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.

**c. Effect of Termination.** Upon termination of this Agreement, CJC may end all further disbursements of Grant Funds. Termination of this Agreement shall not affect Grantee's obligations under this Agreement or CJC's right to enforce this Agreement against Grantee in accordance with its terms, with respect to Grant Funds actually received by Grantee or with respect to portions of the Project actually implemented. Specifically, but without limiting the generality of the preceding sentence, Sections 7 and 12 shall survive termination of this Agreement.

## 12. GENERAL PROVISIONS

**a. Contribution.** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against CJC or Grantee relating to this Agreement or the Project and with respect

to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's contribution obligation with respect to the Third Party Claim.

With respect to a Third Party Claim for which CJC is jointly liable with Grantee (or would be if joined in the Third Party Claim), CJC shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Grantee in such proportion as is appropriate to reflect the relative fault of the CJC on the one hand and of the Grantee on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of CJC on the one hand and of Grantee on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. CJC's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if CJC had sole liability in the proceeding.

With respect to a Third Party Claim for which Grantee is jointly liable with CJC (or would be if joined in the Third Party Claim), Grantee shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by CJC in such proportion as is appropriate to reflect the relative fault of Grantee on the one hand and of CJC on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Grantee on the one hand and of CJC on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Grantee's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

**b. Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

**c. Amendments; budget changes.** This Agreement may be amended only by a written instrument signed by both Parties and approved as required by applicable law. Grantee may propose changes to the Project Budget in Exhibit A that do not increase the total budget amount. If Grantee's proposed changes do not alter any line item in the Project Budget by more than ten percent, the proposed changes to the Project Budget will be effective upon written approval by CJC delivered to Grantee as provided in Section 12.f. All other changes to the Project Budget must be implemented through a formal amendment to this Agreement before the changes become effective.

**d. Duplicate Payment.** Grantee is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for costs covered by Grant Funds under this Agreement from any agency of the State of Oregon or any other party, organization or individual.

**e. No Third-Party Beneficiaries.** CJC and Grantee are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Grantee acknowledges and agrees that the federal government, absent express written consent by the federal government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to the Grantee or any other person pertaining to any matter resulting from the this Agreement.

**f. Notices.** Except as otherwise expressly provided in this Agreement, any notices to be given by a Party to the other Party hereunder shall be given in writing by personal delivery, facsimile, email, or mailing the same by registered or certified mail, postage prepaid, to Grantee Contact or CJC Contact at the address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either Party may hereafter indicate pursuant to this Section 12.f. Any notice personally delivered shall be deemed to be given when actually delivered. Any notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against CJC, such facsimile transmission must be confirmed by telephone notice to CJC Contact. Any notice by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any notice by registered or certified mail shall be deemed to be given three (3) days after mailing. The parties also may communicate by telephone, regular mail or other means, but such communications shall not be deemed notices under this Section unless receipt by the other Party is expressly acknowledged in writing by the receiving party.

**g. Work Product.** To the extent it has the necessary rights, Grantee hereby grants to CJC a non-exclusive, irrevocable, perpetual, royalty-free, license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display for governmental purposes, all documents, reports and works of authorship created,

produced or obtained as part of or in connection with the Project (“Work Product”). Grantee shall deliver copies of Work Product to CJC upon request. In addition, if applicable law requires that the CJC own any intellectual property created, produced or obtained as part of or in connection with the Project, then Grantee shall execute such further documents and instruments as CJC may reasonably request in order to assign ownership in the intellectual property to CJC.

**h. Governing Law, Consent to Jurisdiction.**

**i.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law.

**ii.** Any claim, action, suit or proceeding (collectively, "Claim") between CJC (and/or any other agency or department of the State of Oregon) and Grantee that arises from or relates to this Agreement must be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon (unless Oregon law requires that it be brought and conducted in another Oregon county). Grantee hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such form is an inconvenient forum.

**iii.** Notwithstanding Section 12.h.ii above, if a Claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This Section 12.h.iii applies to a Claim brought against CJC or any other agency or department of the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon’s sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This Section 12.h.iii is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

**i. Compliance with Law.** Grantee shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project. Without limiting the generality of the foregoing, Grantee expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.

**j. Insurance; Workers’ Compensation.** All employers, including Grantee, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers’ Compensation coverage, unless such employers are exempt under ORS 656.126. Employer’s liability insurance with coverage

limits of not less than \$500,000 must be included. Grantee shall ensure that each of its subgrantees and subrecipients complies with these requirements.

**k. Independent Contractor.** Grantee shall implement the Project as an independent contractor and not as an agent or employee of CJC. Grantee has no right or authority to incur or create any obligation for or legally bind CJC in any way. CJC cannot and will not control the means or manner by which Grantee implements the Project, except as specifically set forth in this Agreement. Grantee is responsible for determining the appropriate means and manner of implementing the Project. Grantee acknowledges and agrees that Grantee is not an “officer”, “employee”, or “agent” of CJC, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.

**l. Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.

**m. Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.

**n. Integration and Waiver.** This Agreement, including all Exhibits, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision.

Grantee, by the signature below of its authorized representative, hereby acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

## Project Description and Budget

The goal of the Criminal Justice Commission’s *Justice Reinvestment Grant Program* (“Grant Program”) is to financially support Oregon localities in fulfilling the requirements of House Bill 3194 (2013) by reducing prison populations of offenders convicted of felonies described in ORS 137.717, 475.752 to 475.935, 811.182, 813.010, or 813.011 and averting future prison construction; reducing recidivism through evidence-based practices and data-driven research; increasing public safety through collaboration; and increasing offender accountability.

The Grant Program requires a data-driven approach to (1) analyze criminal justice trends to understand drivers of local prison use; (2) promote the effective implementation of investments that increase public safety and improve offender accountability; (3) measure the impact of policy changes and reinvestment resources; and (4) tie results to future funding. Accordingly, Grantee shall base implementation of its Project on existing research and evidence-based practices.

In implementing its Project, Grantee shall establish a process to assess offenders within its jurisdiction and provide a continuum of community-based sanctions, services and programs that results in progress on the following goals of the Grant Program: (1) reducing recidivism of offenders while protecting public safety and holding offenders accountable and (2) reducing utilization of prison capacity by offenders convicted of felonies described in ORS 137.717, 475.752 to 475,935, 811.182, 813.010, or 813.011 while protecting public safety and holding offenders accountable.

The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to CJC. Grantee shall not authorize a subgrantee to begin work under a Subagreement until the insurance is in full force. Thereafter, Grantee shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Grantee shall incorporate appropriate provisions in the Subagreements permitting it to enforce subgrantee compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subagreement as permitted by the Subagreement, or pursuing legal action to enforce the insurance requirements. In no event shall Grantee permit a subgrantee to work under a Subagreement when the Grantee is aware that the subgrantee is not in compliance with the insurance requirements.

Coverage must be primary and non-contributory with any other insurance and self-insurance.

"TAIL" COVERAGE. If any of the required insurance is on a "claims made" basis and does not include an extended reporting period of at least 24 months, the subgrantee shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subagreement, for a minimum of 24 months following the later of : (i) the subgrantee's completion and Grantee's acceptance of all work required under the Subagreement or, (ii) the expiration of all warranty periods provided under the Subagreement.

As proof of insurance, CJC has the right to request copies of the certificate(s) or insurance policies relating to the insurance requirements in this Agreement.

NOTICE OF CHANGE OR CANCELLATION. The subgrantee or its insurer must provide at least 30 days' written notice to Grantee and CJC before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

**BACKGROUND:** Clackamas County Community Corrections will provide supervised offender work crews for sites under the control of Willamette National Cemetery. Crews consisting of a minimum of four offenders perform landscaping and cleanup for up to approximately six hours per day. Community Corrections provides a Work Crew Specialist to supervise each crew. This Agreement provides a way for offenders to give back to the communities they have victimized while generating revenue for the program. The \$450.00 per crew fee helps to offset the cost of staff supervision, tools, and transportation to and from the site. The term of this Agreement is for three years, February 1, 2022 through January 31, 2025.

**RECOMMENDATION:** Community Corrections respectfully requests that the Board of County Commissioners approve this Intergovernmental Agreement to provide work service crews to Willamette National Cemetery.

The warranties set forth in this section are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

## **8. Records Maintenance and Access; Audit.**

- a. Records, Access to Records and Facilities.** Subrecipient shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with all applicable generally accepted accounting principles, generally accepted governmental auditing standards and state minimum standards for audits of municipal corporations. Subrecipient acknowledges and agrees, and Subrecipient will require its contractors, subcontractors, sub-recipients (collectively hereafter “contractors”), successors, transferees, and assignees to acknowledge and agree, to provide OEM, Oregon Secretary of State (Secretary), Office of Inspector General (OIG), Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), or any of their authorized representatives, access to records, accounts, documents, information, facilities, and staff. Subrecipient and its contractors must cooperate with any compliance review or complaint investigation by any of the above listed agencies, providing them access to and the right to examine and copy records, accounts, and other documents and sources of information related to the grant and permit access to facilities, personnel, and other individuals and information as may be necessary. The right of access is not limited to the required retention period but shall last as long as the records are retained.
- b. Retention of Records.** Subrecipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project for until the latest of (a) six years following termination, completion or expiration of this Agreement, (b) upon resolution of any litigation or other disputes related to this Agreement, or (c) as required by 2 CFR 200.333. It is the responsibility of Subrecipient to obtain a copy of 2 CFR Part 200, and to apprise itself of all rules and regulations set forth.
- c. Audits.**

  - i. If Subrecipient expends \$750,000 or more in Federal funds (from all sources) in its fiscal year, Subrecipient shall have a single organization-wide audit conducted in accordance with the provisions of 2 CFR 200 Subpart F. Copies of all audits must be submitted to OEM within 30 days of completion. If Subrecipient expends less than \$750,000 in its fiscal year in Federal funds, Subrecipient is exempt from Federal audit requirements for that year. Records must be available for review or audit by appropriate officials as provided in Section 8.a. herein.
  - ii. Audit costs for audits not required in accordance with 2 CFR 200 Subpart F are unallowable. If Subrecipient did not expend \$750,000 or more in Federal funds in its fiscal year, but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the grant.
  - iii. Subrecipient shall save, protect and hold harmless the OEM from the cost of any audits or special investigations performed by the Secretary or any federal agency with respect to the funds expended under this Agreement. Subrecipient acknowledges and agrees that any audit costs incurred by Subrecipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Subrecipient and the State of Oregon.

## **9. Subrecipient Procurements; Property and Equipment Management and Records; Subcontractor Indemnity and Insurance**

- a. Subagreements.** Subrecipient may enter into agreements (hereafter “subagreements”) for performance of the Project. Subrecipient shall use its own procurement procedures and regulations, provided that the procurement conforms to applicable Federal and State law (including without limitation ORS chapters 279A, 279B, 279C, and that for contracts for more

than \$150,000, the contract shall address administrative, contractual or legal remedies for violation or breach of contract terms and provide for sanctions and penalties as appropriate, and for contracts for more than \$10,000 address termination for cause or for convenience including the manner in which termination will be effected and the basis for settlement).

- i. Subrecipient shall provide to OEM copies of all Requests for Proposals or other solicitations for procurements anticipated to be for \$100,000 or more and to provide to OEM, upon request by OEM, such documents for procurements for less than \$100,000. Subrecipient shall include with its RFR a list of all procurements issued during the period covered by the report.
  - ii. All subagreements, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner that encourages fair and open competition to the maximum practical extent possible. All sole-source procurements in excess of \$100,000 must receive prior written approval from OEM in addition to any other approvals required by law applicable to Subrecipient. Justification for sole-source procurement in excess of \$100,000 should include a description of the program and what is being contracted for, an explanation of why it is necessary to contract noncompetitively, time constraints and any other pertinent information. Interagency agreements between units of government are excluded from this provision.
  - iii. Subrecipient shall be alert to organizational conflicts of interest or non-competitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. Contractors that develop or draft specifications, requirements, statements of work, or Requests for Proposals (RFP) for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award of such procurement. Any request for exemption must be submitted in writing to OEM.
  - iv. Subrecipient agrees that, to the extent it uses contractors, such contractors shall use small, minority, women-owned or disadvantaged business concerns and contractors or subcontractors to the extent practicable.
- b. Purchases and Management of Property and Equipment; Records.** Subrecipient agrees to comply with all applicable federal requirements referenced in Exhibit B, Section II.C.1 to this Agreement and procedures for managing and maintaining records of all purchases of property and equipment will, at a minimum, meet the following requirements:
- i. All property and equipment purchased under this agreement, whether by Subrecipient or a contractor, will be conducted in a manner providing full and open competition and in accordance with all applicable procurement requirements, including without limitation ORS chapters 279A, 279B, 279C, and purchases shall be recorded and maintained in Subrecipient's property or equipment inventory system.
  - ii. Subrecipient's property and equipment records shall include: a description of the property or equipment; the manufacturer's serial number, model number, or other identification number; the source of the property or equipment, including the Catalog of Federal Domestic Assistance (CFDA) number; name of person or entity holding title to the property or equipment; the acquisition date; cost and percentage of Federal participation in the cost; the location, use and condition of the property or equipment; and any ultimate disposition data including the date of disposal and sale price of the property or equipment.
  - iii. A physical inventory of the property and equipment must be taken and the results reconciled with the property and equipment records at least once every two years.
  - iv. Subrecipient must develop a control system to ensure adequate safeguards to prevent loss, damage, or theft of the property and equipment. Subrecipient shall investigate any loss, damage, or theft and shall provide the results of the investigation to OEM upon request.

- v. Subrecipient must develop, or require its contractors to develop, adequate maintenance procedures to keep the property and equipment in good condition.
  - vi. If Subrecipient is authorized to sell the property or equipment, proper sales procedures must be established to ensure the highest possible return.
  - vii. Subrecipient agrees to comply with 2 CFR 200.313 pertaining to use and disposal of equipment purchased with Grant Funds, including when original or replacement equipment acquired with Grant Funds is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency.
  - viii. Subrecipient shall require its contractors to use property and equipment management requirements that meet or exceed the requirements provided herein applicable to all property and equipment purchased with Grant Funds.
  - ix. Subrecipient shall, and shall require its contractors to, retain the records described in this Section 9.b. for a period of six years from the date of the disposition or replacement or transfer at the discretion of OEM. Title to all property and equipment purchased with Grant Funds shall vest in Subrecipient if Subrecipient provides written certification to OEM that it will use the property and equipment for purposes consistent with the State Homeland Security Program.
- c. **Subagreement indemnity; insurance.** Subrecipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless OEM and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Subrecipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that OEM shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of OEM, be indemnified by the other party to Subrecipient's subagreement(s) from and against any and all Claims.

Any such indemnification shall also provide that neither Subrecipient's contractor(s) nor any attorney engaged by Subrecipient's contractor(s) shall defend any claim in the name of OEM or any agency of the State of Oregon (collectively "State"), nor purport to act as legal representative of the State or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Subrecipient's contractor is prohibited from defending State or that Subrecipient's contractor is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Subrecipient's contractor if State elects to assume its own defense.

Subrecipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement.

## 10. Termination

- a. **Termination by OEM.** OEM may terminate this Agreement effective upon delivery of written notice of termination to Subrecipient, or at such later date as may be established by OEM in such written notice, if:
  - i. Subrecipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Subrecipient is, for any reason, rendered improbable, impossible, or illegal; or
  - ii. OEM fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow OEM, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
  - iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
  - iv. The Project would not produce results commensurate with the further expenditure of funds; or
  - v. Subrecipient takes any action pertaining to this Agreement without the approval of OEM and which under the provisions of this Agreement would have required the approval of OEM.
  - vi. OEM determines there is a material misrepresentation, error or inaccuracy in Subrecipient's application.
- b. **Termination by Subrecipient.** Subrecipient may terminate this Agreement effective upon delivery of written notice of termination to OEM, or at such later date as may be established by Subrecipient in such written notice, if:
  - i. The requisite local funding to continue the Project becomes unavailable to Subrecipient; or
  - ii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- c. **Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days notice to the other Party and failure of the other Party to cure within the ten days, if the other Party fails to comply with any of the terms of this Agreement.
- d. **Settlement upon Termination.** Immediately upon termination under Sections 10.a.i, v., or vi, no Grant Funds shall be disbursed by OEM and Subrecipient shall return to OEM Grant Funds previously disbursed to Subrecipient by OEM in accordance with Section 6.c and the terminating party may pursue additional remedies in law or equity. Termination of this Agreement does not relieve Subrecipient of any other term of this Agreement that may survive termination, including without limitation Sections 11.a and c.

## 11. GENERAL PROVISIONS

- a. **Contribution.** To the extent authorized by law, Subrecipient shall defend (subject to ORS chapter 180), indemnify, save and hold harmless OEM and its officers, employees and agents from and against any and all claims, suits, actions, proceedings, losses, damages, liability and court awards including costs, expenses, and attorneys' fees incurred related to any actual or alleged act or omission by Subrecipient, or its employees, agents or contractors. This Section shall survive expiration or termination of this Agreement.
- b. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or

arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. Each party shall bear its own costs incurred under this Section 11.b.

- c. **Responsibility for Grant Funds.** Subrecipient, pursuant to this Agreement with OEM, shall assume sole liability for its breach of the conditions of this Agreement, and shall, upon its breach of conditions that causes or requires OEM to return funds to DHS or FEMA, hold harmless and indemnify OEM for an amount equal to the funds received under this Agreement; or if legal limitations apply to the Subrecipient's indemnification ability, the indemnification amount shall be the maximum amount of funds available to Subrecipient for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.
- d. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- e. **Duplicate Payment.** Subrecipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- f. **No Third Party Beneficiaries.** OEM and Subrecipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Thereafter, Subrecipient shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Subrecipient shall incorporate appropriate provisions in the subagreement permitting it to enforce compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. In no event shall Subrecipient permit work under a subagreement when Subrecipient is aware that the contractor is not in compliance with the insurance requirements. As used in this section, "first tier" means a subagreement in which Subrecipient is a Party.

Employers' liability insurance with coverage limits of not less than \$500,000 must be included.

ii. COMMERCIAL GENERAL LIABILITY.

This insurance shall include personal injury liability, products and completed operations. Coverage shall be written on an occurrence form basis, with not less than the following amounts as determined by OEM:

Bodily Injury, Death and Property Damage:

Not less than \$1,000,000 per occurrence, (for all claimants for claims arising out of a single accident or occurrence) and an annual aggregate limit of not less than \$2,000,000.

iii. AUTOMOBILE Liability Insurance: Automobile Liability.

Automobile Liability Insurance covering all owned, non-owned and hired vehicles. Coverage must be primary and non-contributory with any other insurance and self-insurance.

**"TAIL" COVERAGE.** If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the subagreement, for a minimum of 24 months following the later of : (i) the contractor's completion and Subrecipient's acceptance of all Services required under the subagreement or, (ii) the expiration of all warranty periods provided under the subagreement. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and OEM may grant approval of the maximum "tail " coverage period reasonably available in the marketplace. If OEM approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

**NOTICE OF CANCELLATION OR CHANGE.** The contractor or its insurer must provide 30 days' written notice to Subrecipient before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

The warranties set forth in this section are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

## **8. Records Maintenance and Access; Audit.**

- a. Records, Access to Records and Facilities.** Subrecipient shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with all applicable generally accepted accounting principles, generally accepted governmental auditing standards and state minimum standards for audits of municipal corporations. Subrecipient acknowledges and agrees, and Subrecipient will require its contractors, subcontractors, sub-recipients (collectively hereafter “contractors”), successors, transferees, and assignees to acknowledge and agree, to provide OEM, Oregon Secretary of State (Secretary), Office of Inspector General (OIG), Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), or any of their authorized representatives, access to records, accounts, documents, information, facilities, and staff. Subrecipient and its contractors must cooperate with any compliance review or complaint investigation by any of the above listed agencies, providing them access to and the right to examine and copy records, accounts, and other documents and sources of information related to the grant and permit access to facilities, personnel, and other individuals and information as may be necessary. The right of access is not limited to the required retention period but shall last as long as the records are retained.
- b. Retention of Records.** Subrecipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project for until the latest of (a) six years following termination, completion or expiration of this Agreement, (b) upon resolution of any litigation or other disputes related to this Agreement, or (c) as required by 2 CFR 200.333. It is the responsibility of Subrecipient to obtain a copy of 2 CFR Part 200, and to apprise itself of all rules and regulations set forth.
- c. Audits.**

  - i. If Subrecipient expends \$750,000 or more in Federal funds (from all sources) in its fiscal year, Subrecipient shall have a single organization-wide audit conducted in accordance with the provisions of 2 CFR 200 Subpart F. Copies of all audits must be submitted to OEM within 30 days of completion. If Subrecipient expends less than \$750,000 in its fiscal year in Federal funds, Subrecipient is exempt from Federal audit requirements for that year. Records must be available for review or audit by appropriate officials as provided in Section 8.a. herein.
  - ii. Audit costs for audits not required in accordance with 2 CFR 200 Subpart F are unallowable. If Subrecipient did not expend \$750,000 or more in Federal funds in its fiscal year, but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the grant.
  - iii. Subrecipient shall save, protect and hold harmless the OEM from the cost of any audits or special investigations performed by the Secretary or any federal agency with respect to the funds expended under this Agreement. Subrecipient acknowledges and agrees that any audit costs incurred by Subrecipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Subrecipient and the State of Oregon.

## **9. Subrecipient Procurements; Property and Equipment Management and Records; Subcontractor Indemnity and Insurance**

- a. Subagreements.** Subrecipient may enter into agreements (hereafter “subagreements”) for performance of the Project. Subrecipient shall use its own procurement procedures and regulations, provided that the procurement conforms to applicable Federal and State law (including without limitation ORS chapters 279A, 279B, 279C, and that for contracts for more

than \$150,000, the contract shall address administrative, contractual or legal remedies for violation or breach of contract terms and provide for sanctions and penalties as appropriate, and for contracts for more than \$10,000 address termination for cause or for convenience including the manner in which termination will be effected and the basis for settlement).

- i. Subrecipient shall provide to OEM copies of all Requests for Proposals or other solicitations for procurements anticipated to be for \$100,000 or more and to provide to OEM, upon request by OEM, such documents for procurements for less than \$100,000. Subrecipient shall include with its RFR a list of all procurements issued during the period covered by the report.
  - ii. All subagreements, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner that encourages fair and open competition to the maximum practical extent possible. All sole-source procurements in excess of \$100,000 must receive prior written approval from OEM in addition to any other approvals required by law applicable to Subrecipient. Justification for sole-source procurement in excess of \$100,000 should include a description of the program and what is being contracted for, an explanation of why it is necessary to contract noncompetitively, time constraints and any other pertinent information. Interagency agreements between units of government are excluded from this provision.
  - iii. Subrecipient shall be alert to organizational conflicts of interest or non-competitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. Contractors that develop or draft specifications, requirements, statements of work, or Requests for Proposals (RFP) for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award of such procurement. Any request for exemption must be submitted in writing to OEM.
  - iv. Subrecipient agrees that, to the extent it uses contractors, such contractors shall use small, minority, women-owned or disadvantaged business concerns and contractors or subcontractors to the extent practicable.
- b. Purchases and Management of Property and Equipment; Records.** Subrecipient agrees to comply with all applicable federal requirements referenced in Exhibit B, Section II.C.1 to this Agreement and procedures for managing and maintaining records of all purchases of property and equipment will, at a minimum, meet the following requirements:
- i. All property and equipment purchased under this agreement, whether by Subrecipient or a contractor, will be conducted in a manner providing full and open competition and in accordance with all applicable procurement requirements, including without limitation ORS chapters 279A, 279B, 279C, and purchases shall be recorded and maintained in Subrecipient's property or equipment inventory system.
  - ii. Subrecipient's property and equipment records shall include: a description of the property or equipment; the manufacturer's serial number, model number, or other identification number; the source of the property or equipment, including the Catalog of Federal Domestic Assistance (CFDA) number; name of person or entity holding title to the property or equipment; the acquisition date; cost and percentage of Federal participation in the cost; the location, use and condition of the property or equipment; and any ultimate disposition data including the date of disposal and sale price of the property or equipment.
  - iii. A physical inventory of the property and equipment must be taken and the results reconciled with the property and equipment records at least once every two years.
  - iv. Subrecipient must develop a control system to ensure adequate safeguards to prevent loss, damage, or theft of the property and equipment. Subrecipient shall investigate any loss, damage, or theft and shall provide the results of the investigation to OEM upon request.

- v. Subrecipient must develop, or require its contractors to develop, adequate maintenance procedures to keep the property and equipment in good condition.
  - vi. If Subrecipient is authorized to sell the property or equipment, proper sales procedures must be established to ensure the highest possible return.
  - vii. Subrecipient agrees to comply with 2 CFR 200.313 pertaining to use and disposal of equipment purchased with Grant Funds, including when original or replacement equipment acquired with Grant Funds is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency.
  - viii. Subrecipient shall require its contractors to use property and equipment management requirements that meet or exceed the requirements provided herein applicable to all property and equipment purchased with Grant Funds.
  - ix. Subrecipient shall, and shall require its contractors to, retain the records described in this Section 9.b. for a period of six years from the date of the disposition or replacement or transfer at the discretion of OEM. Title to all property and equipment purchased with Grant Funds shall vest in Subrecipient if Subrecipient provides written certification to OEM that it will use the property and equipment for purposes consistent with the State Homeland Security Program.
- c. **Subagreement indemnity; insurance.** Subrecipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless OEM and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Subrecipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that OEM shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of OEM, be indemnified by the other party to Subrecipient's subagreement(s) from and against any and all Claims.

Any such indemnification shall also provide that neither Subrecipient's contractor(s) nor any attorney engaged by Subrecipient's contractor(s) shall defend any claim in the name of OEM or any agency of the State of Oregon (collectively "State"), nor purport to act as legal representative of the State or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Subrecipient's contractor is prohibited from defending State or that Subrecipient's contractor is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Subrecipient's contractor if State elects to assume its own defense.

Subrecipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement.

## 10. Termination

- a. Termination by OEM.** OEM may terminate this Agreement effective upon delivery of written notice of termination to Subrecipient, or at such later date as may be established by OEM in such written notice, if:
- i. Subrecipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Subrecipient is, for any reason, rendered improbable, impossible, or illegal; or
  - ii. OEM fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow OEM, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
  - iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
  - iv. The Project would not produce results commensurate with the further expenditure of funds; or
  - v. Subrecipient takes any action pertaining to this Agreement without the approval of OEM and which under the provisions of this Agreement would have required the approval of OEM.
  - vi. OEM determines there is a material misrepresentation, error or inaccuracy in Subrecipient's application.
- b. Termination by Subrecipient.** Subrecipient may terminate this Agreement effective upon delivery of written notice of termination to OEM, or at such later date as may be established by Subrecipient in such written notice, if:
- i. The requisite local funding to continue the Project becomes unavailable to Subrecipient; or
  - ii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- c. Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days notice to the other Party and failure of the other Party to cure within the ten days, if the other Party fails to comply with any of the terms of this Agreement.
- d. Settlement upon Termination.** Immediately upon termination under Sections 10.a.i, v., or vi, no Grant Funds shall be disbursed by OEM and Subrecipient shall return to OEM Grant Funds previously disbursed to Subrecipient by OEM in accordance with Section 6.c and the terminating party may pursue additional remedies in law or equity. Termination of this Agreement does not relieve Subrecipient of any other term of this Agreement that may survive termination, including without limitation Sections 11.a and c.

## 11. GENERAL PROVISIONS

- a. Contribution.** To the extent authorized by law, Subrecipient shall defend (subject to ORS chapter 180), indemnify, save and hold harmless OEM and its officers, employees and agents from and against any and all claims, suits, actions, proceedings, losses, damages, liability and court awards including costs, expenses, and attorneys' fees incurred related to any actual or alleged act or omission by Subrecipient, or its employees, agents or contractors. This Section shall survive expiration or termination of this Agreement.
- b. Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or

arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. Each party shall bear its own costs incurred under this Section 11.b.

- c. **Responsibility for Grant Funds.** Subrecipient, pursuant to this Agreement with OEM, shall assume sole liability for its breach of the conditions of this Agreement, and shall, upon its breach of conditions that causes or requires OEM to return funds to DHS or FEMA, hold harmless and indemnify OEM for an amount equal to the funds received under this Agreement; or if legal limitations apply to the Subrecipient's indemnification ability, the indemnification amount shall be the maximum amount of funds available to Subrecipient for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.
- d. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- e. **Duplicate Payment.** Subrecipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- f. **No Third Party Beneficiaries.** OEM and Subrecipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Subrecipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to Subrecipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from the this Agreement.

- g. **Notices.** Except as otherwise expressly provided in this Section, any communications between the parties hereto or notice to be given hereunder shall be given in writing by personal delivery, facsimile, email or mailing the same by registered or certified mail, postage prepaid to Subrecipient or OEM at the appropriate address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either party may hereafter indicate pursuant to this Section. Any communication or notice so addressed and sent by registered or certified mail shall be deemed delivered upon receipt or refusal of receipt. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine. Any communication or notice by personal delivery shall be deemed to be given when actually delivered. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. The parties also may communicate by telephone, regular mail or other means, but such communications shall not be deemed Notices under this Section unless receipt by the other party is expressly acknowledged in writing by the receiving party.
- h. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by, construed in accordance with, and enforced under the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between OEM (or any other agency or department of the State of Oregon) and Subrecipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a

waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. Each party hereby consents to the exclusive jurisdiction of the Circuit Court of Marion County in the State of Oregon, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

- i. Compliance with Law.** Subrecipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project, including without limitation as described in Exhibit B.
- j. Insurance; Workers' Compensation.** All employers, including Subrecipient, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included. Subrecipient shall ensure that each of its subrecipient(s), contractor(s), and subcontractor(s) complies with these requirements.
- k. Independent Contractor.** Subrecipient shall perform the Project as an independent contractor and not as an agent or employee of OEM. Subrecipient has no right or authority to incur or create any obligation for or legally bind OEM in any way. Subrecipient acknowledges and agrees that Subrecipient is not an "officer", "employee", or "agent" of OEM, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- l. Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- m. Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.
- n. Integration and Waiver.** This Agreement, including all Exhibits and referenced documents, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision. Subrecipient, by the signature below of its authorized representative, hereby acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

**THE PARTIES**, by execution of this Agreement, hereby acknowledge that each Party has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

- ii. Subrecipient is in compliance with the terms of this Agreement including, without limitation, Exhibit B and the requirements incorporated by reference in Exhibit B.
- iii. Subrecipient's representations and warranties set forth in Section 7 hereof are true and correct on the date of disbursement with the same effect as though made on the date of disbursement.

Subrecipient shall return all Misexpended Funds to OEM promptly after OEM's written demand and no later than 15 days after OEM's written demand.

**7. Representations and Warranties of Subrecipient.** Subrecipient represents and warrants to OEM as follows:

**a. Organization and Authority.** Subrecipient is a political subdivision of the State of Oregon and is eligible to receive the Grant Funds. Subrecipient has full power, authority, and legal right to make this Agreement and to incur and perform its obligations hereunder, and the making and performance by Subrecipient of this Agreement (1) have been duly authorized by all necessary action of Subrecipient and (2) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency, (3) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which Subrecipient is a party or by which Subrecipient or any of its properties may be bound or affected. No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by Subrecipient of this Agreement.

**b. Binding Obligation.** This Agreement has been duly executed and delivered by Subrecipient and constitutes a legal, valid and binding obligation of Subrecipient, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.

**c. No Solicitation.** Subrecipient's officers, employees, and agents shall neither solicit nor accept gratuities, favors, or any item of monetary value from contractors, potential contractors, or parties to subagreements. No member or delegate to the Congress of the United States shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

**d. NIMS Compliance.** By accepting FY 2021 funds, Subrecipient certifies that it has met National Incident Management System (NIMS) compliance activities outlined in the Oregon NIMS Requirements located through OEM at [http://www.oregon.gov/oem/emresources/Plans\\_Assessments/Pages/NIMS.aspx](http://www.oregon.gov/oem/emresources/Plans_Assessments/Pages/NIMS.aspx).

The warranties set forth in this section are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

## **8. Records Maintenance and Access; Audit.**

- a. Records, Access to Records and Facilities.** Subrecipient shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with all applicable generally accepted accounting principles, generally accepted governmental auditing standards and state minimum standards for audits of municipal corporations. Subrecipient acknowledges and agrees, and Subrecipient will require its contractors, subcontractors, sub-recipients (collectively hereafter “contractors”), successors, transferees, and assignees to acknowledge and agree, to provide OEM, Oregon Secretary of State (Secretary), Office of Inspector General (OIG), Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), or any of their authorized representatives, access to records, accounts, documents, information, facilities, and staff. Subrecipient and its contractors must cooperate with any compliance review or complaint investigation by any of the above listed agencies, providing them access to and the right to examine and copy records, accounts, and other documents and sources of information related to the grant and permit access to facilities, personnel, and other individuals and information as may be necessary. The right of access is not limited to the required retention period but shall last as long as the records are retained.
- b. Retention of Records.** Subrecipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project for until the latest of (a) six years following termination, completion or expiration of this Agreement, (b) upon resolution of any litigation or other disputes related to this Agreement, or (c) as required by 2 CFR 200.333. It is the responsibility of Subrecipient to obtain a copy of 2 CFR Part 200, and to apprise itself of all rules and regulations set forth.
- c. Audits.**

  - i. If Subrecipient expends \$750,000 or more in Federal funds (from all sources) in its fiscal year, Subrecipient shall have a single organization-wide audit conducted in accordance with the provisions of 2 CFR 200 Subpart F. Copies of all audits must be submitted to OEM within 30 days of completion. If Subrecipient expends less than \$750,000 in its fiscal year in Federal funds, Subrecipient is exempt from Federal audit requirements for that year. Records must be available for review or audit by appropriate officials as provided in Section 8.a. herein.
  - ii. Audit costs for audits not required in accordance with 2 CFR 200 Subpart F are unallowable. If Subrecipient did not expend \$750,000 or more in Federal funds in its fiscal year, but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the grant.
  - iii. Subrecipient shall save, protect and hold harmless the OEM from the cost of any audits or special investigations performed by the Secretary or any federal agency with respect to the funds expended under this Agreement. Subrecipient acknowledges and agrees that any audit costs incurred by Subrecipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Subrecipient and the State of Oregon.

## **9. Subrecipient Procurements; Property and Equipment Management and Records; Subcontractor Indemnity and Insurance**

- a. Subagreements.** Subrecipient may enter into agreements (hereafter “subagreements”) for performance of the Project. Subrecipient shall use its own procurement procedures and regulations, provided that the procurement conforms to applicable Federal and State law (including without limitation ORS chapters 279A, 279B, 279C, and that for contracts for more

than \$150,000, the contract shall address administrative, contractual or legal remedies for violation or breach of contract terms and provide for sanctions and penalties as appropriate, and for contracts for more than \$10,000 address termination for cause or for convenience including the manner in which termination will be effected and the basis for settlement).

- i. Subrecipient shall provide to OEM copies of all Requests for Proposals or other solicitations for procurements anticipated to be for \$100,000 or more and to provide to OEM, upon request by OEM, such documents for procurements for less than \$100,000. Subrecipient shall include with its RFR a list of all procurements issued during the period covered by the report.
  - ii. All subagreements, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner that encourages fair and open competition to the maximum practical extent possible. All sole-source procurements in excess of \$100,000 must receive prior written approval from OEM in addition to any other approvals required by law applicable to Subrecipient. Justification for sole-source procurement in excess of \$100,000 should include a description of the program and what is being contracted for, an explanation of why it is necessary to contract noncompetitively, time constraints and any other pertinent information. Interagency agreements between units of government are excluded from this provision.
  - iii. Subrecipient shall be alert to organizational conflicts of interest or non-competitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. Contractors that develop or draft specifications, requirements, statements of work, or Requests for Proposals (RFP) for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award of such procurement. Any request for exemption must be submitted in writing to OEM.
  - iv. Subrecipient agrees that, to the extent it uses contractors, such contractors shall use small, minority, women-owned or disadvantaged business concerns and contractors or subcontractors to the extent practicable.
- b. Purchases and Management of Property and Equipment; Records.** Subrecipient agrees to comply with all applicable federal requirements referenced in Exhibit B, Section II.C.1 to this Agreement and procedures for managing and maintaining records of all purchases of property and equipment will, at a minimum, meet the following requirements:
- i. All property and equipment purchased under this agreement, whether by Subrecipient or a contractor, will be conducted in a manner providing full and open competition and in accordance with all applicable procurement requirements, including without limitation ORS chapters 279A, 279B, 279C, and purchases shall be recorded and maintained in Subrecipient's property or equipment inventory system.
  - ii. Subrecipient's property and equipment records shall include: a description of the property or equipment; the manufacturer's serial number, model number, or other identification number; the source of the property or equipment, including the Catalog of Federal Domestic Assistance (CFDA) number; name of person or entity holding title to the property or equipment; the acquisition date; cost and percentage of Federal participation in the cost; the location, use and condition of the property or equipment; and any ultimate disposition data including the date of disposal and sale price of the property or equipment.
  - iii. A physical inventory of the property and equipment must be taken and the results reconciled with the property and equipment records at least once every two years.
  - iv. Subrecipient must develop a control system to ensure adequate safeguards to prevent loss, damage, or theft of the property and equipment. Subrecipient shall investigate any loss, damage, or theft and shall provide the results of the investigation to OEM upon request.

- v. Subrecipient must develop, or require its contractors to develop, adequate maintenance procedures to keep the property and equipment in good condition.
  - vi. If Subrecipient is authorized to sell the property or equipment, proper sales procedures must be established to ensure the highest possible return.
  - vii. Subrecipient agrees to comply with 2 CFR 200.313 pertaining to use and disposal of equipment purchased with Grant Funds, including when original or replacement equipment acquired with Grant Funds is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency.
  - viii. Subrecipient shall require its contractors to use property and equipment management requirements that meet or exceed the requirements provided herein applicable to all property and equipment purchased with Grant Funds.
  - ix. Subrecipient shall, and shall require its contractors to, retain the records described in this Section 9.b. for a period of six years from the date of the disposition or replacement or transfer at the discretion of OEM. Title to all property and equipment purchased with Grant Funds shall vest in Subrecipient if Subrecipient provides written certification to OEM that it will use the property and equipment for purposes consistent with the State Homeland Security Program.
- c. **Subagreement indemnity; insurance.** Subrecipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless OEM and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Subrecipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that OEM shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of OEM, be indemnified by the other party to Subrecipient's subagreement(s) from and against any and all Claims.

Any such indemnification shall also provide that neither Subrecipient's contractor(s) nor any attorney engaged by Subrecipient's contractor(s) shall defend any claim in the name of OEM or any agency of the State of Oregon (collectively "State"), nor purport to act as legal representative of the State or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Subrecipient's contractor is prohibited from defending State or that Subrecipient's contractor is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Subrecipient's contractor if State elects to assume its own defense.

Subrecipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement.

## 10. Termination

- a. **Termination by OEM.** OEM may terminate this Agreement effective upon delivery of written notice of termination to Subrecipient, or at such later date as may be established by OEM in such written notice, if:
  - i. Subrecipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Subrecipient is, for any reason, rendered improbable, impossible, or illegal; or
  - ii. OEM fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow OEM, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
  - iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
  - iv. The Project would not produce results commensurate with the further expenditure of funds; or
  - v. Subrecipient takes any action pertaining to this Agreement without the approval of OEM and which under the provisions of this Agreement would have required the approval of OEM.
  - vi. OEM determines there is a material misrepresentation, error or inaccuracy in Subrecipient's application.
- b. **Termination by Subrecipient.** Subrecipient may terminate this Agreement effective upon delivery of written notice of termination to OEM, or at such later date as may be established by Subrecipient in such written notice, if:
  - i. The requisite local funding to continue the Project becomes unavailable to Subrecipient; or
  - ii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- c. **Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days notice to the other Party and failure of the other Party to cure within the ten days, if the other Party fails to comply with any of the terms of this Agreement.
- d. **Settlement upon Termination.** Immediately upon termination under Sections 10.a.i, v., or vi, no Grant Funds shall be disbursed by OEM and Subrecipient shall return to OEM Grant Funds previously disbursed to Subrecipient by OEM in accordance with Section 6.c and the terminating party may pursue additional remedies in law or equity. Termination of this Agreement does not relieve Subrecipient of any other term of this Agreement that may survive termination, including without limitation Sections 11.a and c.

## 11. GENERAL PROVISIONS

- a. **Contribution.** To the extent authorized by law, Subrecipient shall defend (subject to ORS chapter 180), indemnify, save and hold harmless OEM and its officers, employees and agents from and against any and all claims, suits, actions, proceedings, losses, damages, liability and court awards including costs, expenses, and attorneys' fees incurred related to any actual or alleged act or omission by Subrecipient, or its employees, agents or contractors. This Section shall survive expiration or termination of this Agreement.
- b. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or

arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. Each party shall bear its own costs incurred under this Section 11.b.

- c. **Responsibility for Grant Funds.** Subrecipient, pursuant to this Agreement with OEM, shall assume sole liability for its breach of the conditions of this Agreement, and shall, upon its breach of conditions that causes or requires OEM to return funds to DHS or FEMA, hold harmless and indemnify OEM for an amount equal to the funds received under this Agreement; or if legal limitations apply to the Subrecipient's indemnification ability, the indemnification amount shall be the maximum amount of funds available to Subrecipient for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.
- d. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- e. **Duplicate Payment.** Subrecipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- f. **No Third Party Beneficiaries.** OEM and Subrecipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Subrecipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to Subrecipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from the this Agreement.

- g. **Notices.** Except as otherwise expressly provided in this Section, any communications between the parties hereto or notice to be given hereunder shall be given in writing by personal delivery, facsimile, email or mailing the same by registered or certified mail, postage prepaid to Subrecipient or OEM at the appropriate address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either party may hereafter indicate pursuant to this Section. Any communication or notice so addressed and sent by registered or certified mail shall be deemed delivered upon receipt or refusal of receipt. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine. Any communication or notice by personal delivery shall be deemed to be given when actually delivered. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. The parties also may communicate by telephone, regular mail or other means, but such communications shall not be deemed Notices under this Section unless receipt by the other party is expressly acknowledged in writing by the receiving party.
- h. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by, construed in accordance with, and enforced under the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between OEM (or any other agency or department of the State of Oregon) and Subrecipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a

waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. Each party hereby consents to the exclusive jurisdiction of the Circuit Court of Marion County in the State of Oregon, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

- i. Compliance with Law.** Subrecipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project, including without limitation as described in Exhibit B.
- j. Insurance; Workers' Compensation.** All employers, including Subrecipient, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included. Subrecipient shall ensure that each of its subrecipient(s), contractor(s), and subcontractor(s) complies with these requirements.
- k. Independent Contractor.** Subrecipient shall perform the Project as an independent contractor and not as an agent or employee of OEM. Subrecipient has no right or authority to incur or create any obligation for or legally bind OEM in any way. Subrecipient acknowledges and agrees that Subrecipient is not an "officer", "employee", or "agent" of OEM, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- l. Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- m. Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.
- n. Integration and Waiver.** This Agreement, including all Exhibits and referenced documents, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision. Subrecipient, by the signature below of its authorized representative, hereby acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

**THE PARTIES**, by execution of this Agreement, hereby acknowledge that each Party has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

All subagreements, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner that encourages fair and open competition to the maximum practical extent possible. All sole-source procurements in excess of \$100,000 must receive prior written approval from OEM in addition to any other approvals required by law applicable to Subrecipient. Justification for sole-source procurement in excess of \$100,000 should include a description of the program and what is being contracted for, an explanation of why it is necessary to contract noncompetitively, time constraints and any other pertinent information. Interagency agreements between units of government are excluded from this provision.
  - iii. Subrecipient shall be alert to organizational conflicts of interest or non-competitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. Contractors that develop or draft specifications, requirements, statements of work, or Requests for Proposals (RFP) for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award of such procurement. Any request for exemption must be submitted in writing to OEM.
  - iv. Subrecipient agrees that, to the extent it uses contractors, such contractors shall use small, minority, women-owned or disadvantaged business concerns and contractors or subcontractors to the extent practicable.
- b. Purchases and Management of Property and Equipment; Records.** Subrecipient agrees to comply with all applicable federal requirements referenced in Exhibit B, Section II.C.1 to this Agreement and procedures for managing and maintaining records of all purchases of property and equipment will, at a minimum, meet the following requirements:
- i. All property and equipment purchased under this agreement, whether by Subrecipient or a contractor, will be conducted in a manner providing full and open competition and in accordance with all applicable procurement requirements, including without limitation ORS chapters 279A, 279B, 279C, and purchases shall be recorded and maintained in Subrecipient's property or equipment inventory system.
  - ii. Subrecipient's property and equipment records shall include: a description of the property or equipment; the manufacturer's serial number, model number, or other identification number; the source of the property or equipment, including the Catalog of Federal Domestic Assistance (CFDA) number; name of person or entity holding title to the property or equipment; the acquisition date; cost and percentage of Federal participation in the cost; the location, use and condition of the property or equipment; and any ultimate disposition data including the date of disposal and sale price of the property or equipment.
  - iii. A physical inventory of the property and equipment must be taken and the results reconciled with the property and equipment records at least once every two years.

- iv. Subrecipient must develop a control system to ensure adequate safeguards to prevent loss, damage, or theft of the property and equipment. Subrecipient shall investigate any loss, damage, or theft and shall provide the results of the investigation to OEM upon request.
  - v. Subrecipient must develop, or require its contractors to develop, adequate maintenance procedures to keep the property and equipment in good condition.
  - vi. If Subrecipient is authorized to sell the property or equipment, proper sales procedures must be established to ensure the highest possible return.
  - vii. Subrecipient agrees to comply with 2 CFR 200.313 pertaining to use and disposal of equipment purchased with Grant Funds, including when original or replacement equipment acquired with Grant Funds is no longer needed for the original project or program or for other activities currently or previously supported by a federal agency.
  - viii. Subrecipient shall require its contractors to use property and equipment management requirements that meet or exceed the requirements provided herein applicable to all property and equipment purchased with Grant Funds.
  - ix. Subrecipient shall, and shall require its contractors to, retain, the records described in this Section 9.b. for a period of six years from the date of the disposition or replacement or transfer at the discretion of OEM. Title to all property and equipment purchased with Grant Funds shall vest in Subrecipient if Subrecipient provides written certification to OEM that it will use the property and equipment for purposes consistent with the Emergency Management Performance Grant Program.
- c. **Subagreement indemnity; insurance.** Subrecipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless OEM and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Subrecipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that OEM shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of OEM, be indemnified by the other party to Subrecipient's subagreement(s) from and against any and all Claims.

Any such indemnification shall also provide that neither Subrecipient's contractor(s) nor any attorney engaged by Subrecipient's contractor(s) shall defend any claim in the name of OEM or any agency of the State of Oregon (collectively "State"), nor purport to act as legal representative of the State or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Subrecipient's contractor is prohibited from defending State or that Subrecipient's contractor is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Subrecipient's contractor if State elects to assume its own defense.

Subrecipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement.

## 10. Termination

- a. Termination by OEM.** OEM may terminate this Agreement effective upon delivery of written notice of termination to Subrecipient, or at such later date as may be established by OEM in such written notice, if:

Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Subrecipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to Subrecipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from this Agreement.

- g. Notices.** Except as otherwise expressly provided in this Section, any communications between the parties hereto or notice to be given hereunder shall be given in writing by personal delivery, facsimile, email or mailing the same by registered or certified mail, postage prepaid to Subrecipient or OEM at the appropriate address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either party may hereafter indicate pursuant to this Section. Any communication or notice so addressed and sent by registered or certified mail shall be deemed delivered upon receipt or refusal of receipt. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. Each party hereby consents to the exclusive jurisdiction of the Circuit Court of Marion County in the State of Oregon, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.
- i. Compliance with Law.** Subrecipient shall comply with all federal, state, and local laws, regulations, executive orders, and ordinances applicable to the Agreement or to the implementation of the Project, including without limitation as described in Exhibit B. Without limiting the generality of the foregoing, Subrecipient expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules, and regulations.

OEM cannot and will not control the means or manner by which Subrecipient performs the Project, except as specifically set forth in this Agreement. Subrecipient is responsible for determining the appropriate means and manner of performing the Project. Subrecipient acknowledges and agrees that Subrecipient is not an “officer”, “employee”, or “agent” of OEM, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.

- m. Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.

**n. Integration and Waiver.** This Agreement, including all Exhibits and referenced documents, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision. ### Subagreement Insurance Requirements

#### GENERAL.

Subrecipient shall require in its first tier subagreements with entities that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before performance under the subagreement commences, and ii) maintain the insurance in full force throughout the duration of the subagreement. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to OEM. Subrecipient shall not authorize work to begin under subagreements until the insurance is in full force. Thereafter, Subrecipient shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Subrecipient shall incorporate appropriate provisions in the subagreement permitting it to enforce compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. In no event shall Subrecipient permit work under a subagreement when Subrecipient is aware that the contractor is not in compliance with the insurance requirements. As used in this section, "first tier" means a subagreement in which Subrecipient is a Party.

#### TYPES AND AMOUNTS.

i. WORKERS COMPENSATION. Insurance in compliance with ORS 656.017, which requires all employers that employ subject workers, as defined in ORS 656.027, to provide workers' compensation coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Employers' liability insurance with coverage limits of not less than \$500,000 must be included.

ii. COMMERCIAL GENERAL LIABILITY.

Commercial General Liability Insurance covering bodily injury, death, and property damage in a form and with coverages that are satisfactory to State. This insurance shall include personal injury liability, products and completed operations. Coverage shall be written on an occurrence form basis, with not less than the following amounts as determined by OEM:

Bodily Injury, Death and Property Damage:

\$1,000,000 per occurrence for all claimants for claims arising out of a single accident or occurrence and \$2,000,000 annual aggregate.

iii. AUTOMOBILE Liability Insurance: Automobile Liability.

Automobile Liability Insurance covering all owned, non-owned and hired vehicles. This coverage may be written in combination with the Commercial General Liability Insurance (with separate limits for "Commercial General Liability" and "Automobile Liability"). Automobile Liability Insurance must be in not less than the following amounts as determined by OEM:

**Bodily Injury, Death and Property Damage:**

\$500,000 per occurrence (for all claimants for claims arising out of a single accident or occurrence).

**ADDITIONAL INSURED.** The Commercial General Liability Insurance and Automobile Liability insurance must include OEM, its officers, employees, and agents as Additional Insureds but only with respect to the contractor's activities to be performed under the Subcontract. Coverage must be primary and non-contributory with any other insurance and self-insurance.

**"TAIL" COVERAGE.** If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of: (i) the contractor's completion and Subrecipient's acceptance of all Services required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and OEM may grant approval of the maximum "tail" coverage period reasonably available in the marketplace. If OEM approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

**NOTICE OF CANCELLATION OR CHANGE.** The contractor or its insurer must provide 30 days' written notice to Subrecipient before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

**CERTIFICATE(S) OF INSURANCE.** Subrecipient shall obtain from the contractor a certificate(s) of insurance for all required insurance before the contractor performs under the Subcontract. The certificate(s) or an attached endorsement must specify: i) all entities and individuals who are endorsed on the policy as Additional Insured and ii) for insurance on a "claims made" basis, the extended reporting period applicable to "tail" or continuous "claims made" coverage.

**INSURANCE REQUIREMENT REVIEW.** Recipient agrees to periodic review of insurance requirements by OEM under this Agreement and to provide updated requirements as mutually agreed upon by OEM and Recipient.

**OEM ACCEPTANCE.** All insurance providers are subject to OEM acceptance. If requested by OEM, Recipient shall provide complete copies of its Contractors' insurance policies, endorsements, self-insurance documents and related insurance documents to OEM's representatives responsible for verification of the insurance coverages required under this Exhibit C.

**BACKGROUND:** The Director of the Department of Disaster Management respectfully requests that the Clackamas County Board of Commissioners approve and sign the Maintenance Assurance Letter that is a standard requirement for the acceptance of federal mitigation grant funds from FEMA.

This letter acknowledges the County's understanding of its responsibility for the routine maintenance of the project's infrastructure but also references that the County will ensure the performance of this obligation through an agreement with a third party (PGE) to perform the necessary work, if we are awarded the grant.

These maintenance assurance letters are standard requirements for all FEMA mitigation grant awards and can usually be signed at the staff level. As this project is unique, as a Public Private Partnership with PGE and the County seeking federal grant funds as the grant sponsor, we are requesting that the Board approve of this maintenance letter for the BRIC grant sub-application.

**RECOMMENDATION:** Staff recommends approval of this letter for inclusion in the FEMA BRIC grant application.

Respectfully submitted,

### **BACKGROUND:**

Since 2005, Clackamas County has received funding from the State of Oregon for Child Abuse Multi-Disciplinary Intervention (CAMI). These funds are directed by the Clackamas County MDT to the Children's Center, the County's designated medical provider for child abuse, who responds to all child abuse referrals from Clackamas County agencies, mandatory reporters, and families.

The Children's Center is a partner in Clackamas County's response to child abuse, intervention, prevention, and prosecution. The Children's Center provides complete medical assessments, including complete physical examinations and videotaped interviews by trained professionals, to children suspected to be victims of abuse or neglect. Children are referred to the Children's Center from law enforcement agencies, child protective workers, parents, teachers, doctors, and others concerned for the welfare of the child. The Children's Center also provides law enforcement and prosecution with necessary information to proceed with prosecution and ensures that staff will be available to appear in judicial proceedings. This agreement is funded with Emergency Housing Assistance state grant funds passed through to SSD from Oregon Housing and Community Services (OHCS). OHCS executed the County's Master Grant Agreement to fund this program, along with many others providing services to low income households, in August 2021.

MASTER GRANT AGREEMENT 2021-2023

EXHIBIT B

STANDARD TERMS AND CONDITIONS

**I. Disbursement of Grant Funds; Allowable Costs.**

**1.1 Disbursement**

**1.1.1 Funding Availability.** Subject to the availability of sufficient monies in and from the Program funding source based on OHCS' reasonable projections of monies accruing to the Program funding source, OHCS will disburse Grant Funds to Subgrantee for the allowable Program work described in the approved Implementation Report that is undertaken during the Performance Period.

**1.1.2 Implementation Report.** OHCS' disbursement of Grant Funds to Subgrantee are contingent upon Subgrantee's prior submission to OHCS and OHCS' review and acceptance of Subgrantee's plan to execute the Program work in accordance with the applicable Program Elements (the "Implementation Report"). At OHCS's sole discretion, OHCS may disburse Grant Funds prior to the submission and approval of an Implementation Report.

**1.1.3 Notices of Allocation (NOAs).** Upon its acceptance of Subgrantee's Implementation Report, OHCS will issue through OPUS one or more Notices of Allocation (NOAs) to Subgrantee to indicate the approval of the Implementation Report. Subgrantee is subject to, and will comply with, all such NOA terms and conditions including this Agreement and the applicable Program Elements. Any NOA issued as described herein is immediately effective, is incorporated into and constitutes a part of this Agreement. Subgrantee accepts a NOA, including modifications thereto, upon undertaking performance of the Program work funded by the NOA. OHCS reserves the right in its sole discretion to modify, correct, adjust, or terminate any NOAs. OHCS' modification or termination of a NOA does not terminate OHCS' remedies with respect to Subgrantee's performance or non-performance of obligations due under this Agreement.

**1.1.4 Federal Funding Terms.** Grant Funds that are derived from federal sources are subject to the terms under which they are received. Subject to the availability of Program funds, OHCS having continued funding, appropriation, limitation, allotment, or other expenditure authority sufficient to allow it, in the exercise of its reasonable administrative discretion, to meet its obligations under this Agreement, and conditioned upon the terms and conditions of this Agreement, OHCS will make the Grant Funds to Subgrantee up to the maximum principal amount stated in Section 3 (Consideration) of the Agreement, to perform under this Agreement. OHCS will provide Grant Funds to Subgrantee only upon approved reimbursement requests for allowable costs incurred or if allowed by OHCS to be incurred by Subgrantee consistent with the terms and conditions of this Agreement, including applicable Program Elements.

**1.1.5 Backup Documentation; Substantiation.**

**1.1.5.1** Subgrantee must provide to OHCS any information or detail regarding the expenditure of Grant Funds required under the Implementation Report and applicable Program Elements prior to disbursement or as OHCS may request.

**1.1.5.2** Subgrantee's request for Grant Funds must be supported by documentation satisfactory to OHCS, including but not limited to: properly executed payroll and time records, invoices, contracts, vouchers, orders, canceled checks and/or any other accounting documents pertaining in whole or in part to the Agreement (or in the case of subrecipients, under their respective contracts with Subgrantee) in accordance with generally accepted accounting principles and applicable state and federal requirements, including as specified herein. OHCS may require such other information or clarification as it deems necessary or appropriate in its sole discretion.

**1.1.5.3** Approval by OHCS. OHCS will only disburse Grant Funds to Subgrantee for activities completed or materials produced, that, if required by the Implementation Report or applicable Program Elements, are approved by OHCS. If OHCS determines any completed Program work is not acceptable and any deficiencies are the responsibility of Subgrantee, OHCS will prepare a detailed written description of the deficiencies within fifteen (15) days of receipt of the materials or performance of the activity and will deliver such notice to Subgrantee. Subgrantee must correct any deficiencies at no additional cost to OHCS within fifteen (15) days. Subgrantee may resubmit a request for disbursement that includes evidence satisfactory to OHCS demonstrating deficiencies were corrected.

**1.2 Conditions Precedent to Disbursement.** OHCS' obligation to disburse Grant Funds to Subgrantee under this Agreement is subject to satisfaction of each of the following conditions precedent:

**1.2.1** OHCS has received sufficient funding, appropriations, expenditure limitation, allotments, or other necessary expenditure authorizations to allow OHCS, in the exercise of its reasonable administrative discretion, to make the disbursement from the Program funding source;

**1.2.2** No default as described in Section 12 of this Exhibit B has occurred; and

**1.2.3** Subgrantee's representations and warranties set forth in Section 7 of this Exhibit B are true and correct on the date of disbursement(s) with the same effect as though made on the date of disbursement.

### **1.3 Advances and Reimbursement of Grant Funds.**

**1.3.1 Generally.** Subgrantee must request Grant Funds in such form and manner as is satisfactory to or required by OHCS. Further, in accordance with U.S. Treasury Regulations, 31 CFR Part 205, implementing the Cash Management Improvement Act, Subgrantee must limit any request for Grant Funds to the minimum amount needed to accomplish its described purposes and to time the request in accordance with the actual, immediate cash requirements of the Subgrantee in performing the Program work. Submission of proper account records showing revenue and expenditures for the reporting period must be submitted as documentation to support the amounts being requested. The foregoing requirements apply to all Grant Funds requested under this Agreement.

**1.3.2 Advance of Funds (Projected).** Subgrantee may request to be paid in advance, provided it maintains or demonstrates the willingness to maintain both written procedures that minimize the time elapsing between the transfer of funds and disbursement, and financial management systems that meet the standards for fund control and accountability as established in this part. Advance payments to the Subgrantee must be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the Subgrantee in carrying out the purposes of the grant as described in this Agreement. The timing and amount of advance payments must be as close as is administratively feasible to the actual disbursements by the Subgrantee for allowable grant direct costs and the proportionate share of any allowable indirect costs. Subgrantee must make timely payment to contractors in accordance with the contract provisions. Advance grant fund payments are at OHCS' sole discretion and will be made only as close as is administratively feasible to the actual use by the Subgrantee for applicable direct or indirect Program work costs and only up to the proportionate share of such allowable costs as is permitted under the Agreement, including applicable Program Elements.

**1.3.3 Reimbursement of Funds.** When the Subgrantee requests payment by reimbursement, reimbursement is the preferred method when the requirements in Section 1.4.2 of this Exhibit B above cannot be met. OHCS will make payment within thirty (30) calendar days upon receipt of the reimbursement request and all adequate backup documentation (to OHCS' satisfaction in its sole discretion), unless OHCS reasonably believes the request to be improper.

### **1.4 Disallowance of Costs.**

**1.4.1** OHCS is not responsible nor will it pay for any costs disallowed either upon a request for funds or as a result of any audit, review, site visit, or other disallowance action by OHCS, except for costs incurred by Subgrantee solely due to the willful misconduct or gross negligence of OHCS, its employees, officers, or agents. If a cost is disallowed by OHCS after reimbursement has occurred, Subgrantee shall repay all disallowed costs to OHCS upon written notice within the time frame specified by OHCS, which in no event shall exceed thirty (30) days.

**1.4.2** If Subgrantee is a county, such disallowed costs may be recovered by OHCS only through repayment, withholding, or by other means authorized by this Agreement or as allowed at law not inconsistent with the Oregon Constitution, and particularly Article XI, Section 10 and consistent with the applicable Program Elements and specifically requirements set forth by the federal government.

**1.4.3** If Subgrantee is other than a county, OHCS may recover such disallowed costs through repayment, withholding, offset, or other means permitted under this Agreement, by law or otherwise but consistent with the applicable Program Elements and specifically requirements set forth by the federal government.

**1.4.4** Subgrantee will, and will cause its subrecipients to, cooperate with OHCS and all appropriate investigative agencies will assist in recovering invalid payments.

**1.5 Unallowable Costs and Lobbying Activities.** Subgrantee will review and comply with the applicable Program Elements and adhere to provisions on allowable costs and expenditures. Subgrantee will, among other obligations, comply with the provisions prohibiting the expenditure of funds for lobbying and related activities, whether in 2 CFR

Part 230, 2 CFR Part 225, or otherwise, as such provisions may be modified from time to time. If Subgrantee makes expenditures or incurs costs for purposes or amounts inconsistent with the allowable costs of the Grant Funds as described in the Implementation Report, applicable Program Elements, or elsewhere in this Agreement, such funds are subject to recapture and OHCS may exercise any and all remedies under this Agreement to otherwise available at law.

**1.6 No Duplicate Payments.** Subgrantee may use other funds in addition to the Grant Funds to complete the Program work; provided, however, the Subgrantee may not credit or pay any Grant Funds for Program work costs that are paid for with other funds and would result in duplicate funding. Subgrantee is provided thirty (30) days to return the duplicative payments. After thirty (30) days, if a duplicate payment has not been returned or applied to a cost not already covered by Program funding, reimbursement of the duplicate payment must be made to OHCS and shall include the entire amount of duplicate payment funds received regardless of OHCS reimbursement amounts.

**1.7 Suspension of Funding and Project.** OHCS may by written notice to Subgrantee, temporarily cease funding and require Subgrantee to stop all, or any part, of the Program work for a period of up to 180 days after the date of the notice, if OHCS has or reasonably projects that it will have insufficient funds from the Program funding source to disburse the full amount of the Grant Funds. Upon receipt of the notice, Subgrantee must immediately cease all Program work, or if that is impossible, must take all necessary steps to minimize the Program work.

If OHCS subsequently projects that it will have sufficient funds, OHCS will notify Subgrantee that it may resume activities. If sufficient funds do not become available, Subgrantee and OHCS will work together to amend this Agreement and any applicable NOAs to revise the amount of Grant Funds and Program work to reflect the available funds. If sufficient funding does not become available or an amendment is not agreed to within a period of 180 days after issuance of the notice, OHCS will either (i) cancel or modify its cessation order by a supplemental written notice, or (ii) terminate this Agreement as permitted by either the termination at OHCS' discretion or for cause provisions of this Agreement.

## **2. Nonexclusive Remedies Related to Funding.**

**2.1 Spending Down and Reallocation Policy.** All Grant Funds with the exception of administrative allocations, will be spent proportionally to the expenditure period at the rate prescribed below (as tracked through the OPUS "Award Summary" report).

### **2.1.1 Minimum Spending Targets:**

- At 25% through expenditure period, at least 10% of the funding must be spent
- At 50% through expenditure period, at least 25% of the funding must be spent
- At 75% through expenditure period, at least 65% of the funding must be spent
- At 90% through expenditure period, at least 90% of the funding must be spent

Any spending below these targets will be evaluated against the Subgrantee's time-bound expenditure plan (which outlines the Subgrantee's flexible spend rate) as approved by and on file with OHCS. Any spending below these stated rates is subject to rescission of Grant Funds. Any amount of funding greater than 10% of a funding source's total allocation or a combined total of \$100,000 that is subject to rescission will trigger Community Action Agency (CAA) Board Notification.

**2.2 OHCS and Subgrantee Collaboration to Cure.** When spending is below the thresholds described above, and prior to funding rescission, OHCS and Subgrantee agree to collaborate to find solutions that resolve the issues, provided it is within OHCS' control (in its sole discretion) to adjust to meet Subgrantee's needs and does not conflict with federal law. OHCS will allow proposals from subgrantee to cure spending issues and prevent funding rescission. Subgrantee will have 30 days to modify Implementation Reports and update the flexible spend rate in the time-bound expenditure plans to demonstrate how compliance with spending targets will be achieved.

### **2.3 Subgrantee Board and Housing Stability Council Notification Protocols.**

**2.3.1 Board Notification.** OHCS will notify Subgrantee's Board Chair and Subgrantee's Executive Director about the potential funding rescission. This notice will occur after modified Implementation Reports have been approved and only if the updated spending targets remain unmet. A final time-bound expenditure plan must be submitted to OHCS with a final Implementation Report by the Subgrantee's Executive Director within thirty (30) days of OHCS's notice to Subgrantee's board.

**2.3.2 Housing Stability Council Notification.** If all efforts to retain funding in Subgrantee's intended community fail, a report to the Housing Stability Council will be generated which outlines the facts and circumstances associated with the funding rescission.

**2.4 Withholding, Retention, and Redistribution of Grant Funds.**

**2.4.1 Withholding.** OHCS may withhold any and all undisbursed Grant Funds from Subgrantee if OHCS determines, in its sole discretion, that Subgrantee has failed to timely satisfy any material obligation arising under this Agreement, including but not limited to compliance with the applicable Program Elements, providing complete, accurate and timely reports in a form satisfactory to OHCS, or if OHCS determines that the rate or scale of request for Grant Funds in any expenditure category materially deviates from an applicable NOA or is unsubstantiated by related documentation.

**2.4.2 Retention or Redistribution of Grant Funds.**

**2.4.2.1 Due to Non-Timely Use.** If Grant Funds are not obligated for reimbursement by Subgrantee in a timely manner as determined by OHCS at its sole discretion, OHCS may in its sole discretion, reduce Subgrantee's Grant Funds and redistribute Grant Funds to other subgrantees or retain such funds for other OHCS use, within applicable state and federal law. OHCS may implement adjustments pursuant to this subsection by modifying the applicable NOA(s). This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

**2.4.2.2 Due to Substantial Difference.** If the rate of request for any expenditure or cost category is substantially different (as determined by OHCS in its sole discretion) that in OHCS-approved budget submissions, including applicable NOAs, OHCS has sole discretion to reduce and redistribute or retain any and all funds otherwise available to Subgrantee under this Agreement. OHCS may implement adjustments pursuant to this subsection by modifying the applicable NOA. This remedy is in addition to any other remedies available to OHCS under this Agreement.

**2.4.3 Repayment of Excess Disbursed Funds.**

**2.4.3.1 Due to Modified NOA.** If Grant Funds previously disbursed by OHCS to Subgrantee exceed a relevant modified NOA amount and remain unexpended by Subgrantee, Subgrantee shall not expend any such excess Grant Funds. Subgrantee, instead shall return any remaining unexpended Grant Funds in excess of the modified NOA to OHCS within thirty (30) calendar days of the modified NOA unless another use of such funds is authorized in writing by OHCS. This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

**2.4.3.2 Due to Overpayment.** If OHCS makes overpayment of Grant Funds to Subgrantee in response to one or more funds requests, whether or not the underlying request(s) were inaccurate, Subgrantee shall repay such overpayment within thirty (30) calendar days of its discovery by Subgrantee or upon notice by OHCS, unless OHCS in writing designates an earlier time for repayment or authorizes another use by Subgrantee of such overpayment. This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

**2.4.3.3 Return of Unexpended Funds.** Within thirty (30) days following the end of the Performance Period or Termination of this Agreement, Subgrantee must return to OHCS all unexpended Grant Funds, unless required earlier in accordance with the applicable Program Elements.

**3. Rollover Funds From a Prior Grant Agreement.**

**3.1** Subject to funding restrictions, Subgrantee may request in writing that financial assistance allocated, but not expended under a prior Master Grant Agreement, be allocated under this Agreement as an award of "rollover" grant funds.

**3.2** Subject to funding restrictions, OHCS may, at its sole and absolute discretion, approve any award of rollover grant funds. Any rollover grant funds shall be subject to all terms and conditions of this Agreement and shall be subject to such terms and conditions of the prior Master Grant Agreement as OHCS may specify in its rollover approval.

Any request for an award of rollover grant funds by Subgrantee must be made in form and content satisfactory to OHCS.

This limitation applies whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if OHCS has been informed of the possibility of such damage.

**4.7 Indemnification.** Subject to applicable law, Subgrantee agrees, and shall require its subrecipients to agree, to defend, indemnify (consistent with ORS Chapter 180), and hold harmless OHCS and its employees, contractors, officers, and directors from all liabilities, claims, and expenses, including but not limited to attorney fees, that arise from use or misuse of the Sites. OHCS reserves the right, at its own expense, to assume the exclusive defense and control of any matter otherwise subject to indemnification by Subgrantee, in which event Subgrantee will cooperate with OHCS in asserting any available defenses.

**5. Fixed Assets.** If applicable, Subgrantee shall, and shall cause its subrecipients to, maintain policies and procedures for the management of property and equipment that comply with all requirements of the applicable Code of Federal Regulations, 2 CFR Subtitle B with guidance at 2 CFR Part 200, and specific requirements of the source of funds. Failure by Subgrantee or any of its subrecipients or vendors to comply with this requirement is sufficient cause for OHCS to require special conditions, take such other action (including the exercise of available remedies) as it deems appropriate, and may be deemed by OHCS as a material failure by the Subgrantee to perform its obligations under this Agreement.

#### **6.4 Subgrantee to Monitor Its Subrecipients.**

6.4.1 At least once during the term of this Agreement and as otherwise directed by OHCS, Subgrantee will monitor the activities and expenditures of its subrecipients as is reasonable to ensure: (1) compliance with this Agreement, including the Program Requirements; and (2) achievement of this Agreement's performance goals, in OHCS' sole discretion.

Subgrantee will timely report to OHCS any perceived or actual conflict of interest. Subgrantee certifies it has established a conflict of interest policy that outlines the process for disclosing in writing any potential conflict of interest and such policy must be provided to OHCS upon OHCS' request, or as otherwise requested during a Subgrantee audit.

**15.2 Nonappropriation.** OHCS' obligation to pay any amounts and otherwise perform its duties under this Agreement is conditioned upon OHCS receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow OHCS, in the exercise of its reasonable administrative discretion, to meet its obligations under this Agreement. Nothing in this Agreement may be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of OHCS.

### **15.3 Amendments.**

**15.3.1** OHCS reserves the right to add or amend Implementation Reports and NOAs. **15.15 Contracts and Subgrants.** Subgrantee may not, without OHCS' prior written consent, enter into any contracts or subgrants for any of the Program work. OHCS' consent to any contract or subgrant will not relieve Subgrantee of any of its duties or obligations under this Agreement.

**15.16 Time of the Essence.** Time is of the essence in the performance of this Agreement.

**15.17 No Limitations on Actions of OHCS in Exercise of Its Governmental Powers.** Nothing in this Agreement is intended, nor will it be construed, to in any way limit the actions of OHCS in the exercise of its governmental powers. It is the express intention of the Parties that OHCS will retain the full right and ability to exercise its governmental powers with respect to the Subgrantee, the Grant Funds, and the transaction contemplated by this Agreement to the same extent as if it were a party to this Agreement, and in no event will OHCS have any liability in contract arising under this Agreement by virtue of any exercise of its governmental powers.

**15.18 Records Maintenance and Access.** Subgrantee must, and must require and cause its subrecipients to, maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, Subgrantee must, and must require and cause its subrecipients to, maintain any other records, whether in paper, electronic or other form, pertinent to this Agreement in such a manner as to clearly document Subgrantee's and subrecipients' performance. **EXHIBIT C**

**SPECIAL PROVISIONS**

**1. Procurement.**

Except as specifically provided in this Agreement, OHCS does not waive or herein provide a waiver of any regulations, requirements and/or procedures applicable to use of grant funds. For example, 2 CFR Subtitle B with guidance at 2 CFR Part 200 requires, among other things, Subgrantee's procurement procedures to mandate that all procurement transactions be conducted, as practical, to provide open and free competition. If a proposal identifies a specific entity to provide the services, the OHCS award does not provide the justification or basis to sole-source the procurement.

Subgrantee shall develop and maintain policies and procedures for procuring, by purchase, rental/lease or otherwise, any equipment, supplies, or other goods and services. Subgrantee must ensure that policies reflect guidance at 2 CFR, Part 200 and related regulations, as well as any applicable federal regulations with respect to The Grants Management Common Rule for procurement of all goods or services.

If allowable under this Agreement, with respect to applicable Program Element for which funds will be expended and approved or pre-approved as necessary or required by OHCS:

**a. Contracts for Goods and Services.**

1. Subgrantee may contract for services purchased in whole or in part with funds provided under this Agreement. Contractor must be of recognized professional expertise, certification, license, registration, or stature in the relevant field where required. Contractor shall further be registered to do business in the State of Oregon, as required by Oregon Law.

When Subgrantee purchases any motor vehicle, or any equipment or other property costing more than \$5,000 per unit with funds provided in whole or in part under this Agreement, Subgrantee shall:
  - a. Provide written request to OHCS Program Coordinator prior to the purchase and receive required pre-approval from OHCS specific to the amount and source of funds that will be expended.
  - b. Comply with Exhibit B, Section 5, Fixed Assets.

**b. Construction Contracts.**

1. Subgrantee shall comply with, and OHCS' performance hereunder is conditioned upon Subgrantee's compliance with, the terms of this Agreement, including without limitation the provisions of Oregon Revised Statute Chapters 279B and 279C, as amended from time to time.
2. All Construction Contractors must be currently licensed and bonded through the State of Oregon Construction Contractors Board, <https://www.oregon.gov/ceb/Pages/index.aspx>

**2. Wage Determinations.**

Subgrantee shall, and shall cause and require its Subrecipients, contractors, and subcontracts, to fully comply with, on projects where DBRA prevailing wage requirements must be paid, the requirements set out in the DOL regulations at 29 CFR Parts 1, 3, and 5 as applicable. In accordance with 29 CFR Part 1, federal agencies directly contracting for weatherization projects or providing assistance under the ARRA to other entities for such projects must include the standard DBRA contract clauses found in 29 CFR 5.5(a) in their bid solicitations, assistance agreements, and the resulting

contracts and grants, and must require that those requirements flow down to any contracts or subcontracts for the performance of the work. See also Exhibit E, Davis-Bacon and Related Acts Provisions and Procedures; [www.wcol.gov](http://www.wcol.gov); and 29 CFR 5.5 - Contract provisions and related matters. Subgrantee shall, and shall cause and require its Subrecipients, contractors, and subcontracts, to fully comply with, on projects where Oregon's prevailing wage rate law, ORS 279C.800 to 279C.870 (PWRL) requirements must be paid, the requirements established therein and as established by the Bureau of Labor and Industry (BOLI), which administers the PWRL.

**3. Emerging Small, Minority, Women-Owned Business Objectives.**

It is an important business objective of OHCS to promote the economic enhancement of small businesses (SBE), minority businesses (MBE), and women-owned businesses (WBE). Subgrantee shall have a policy that incorporates federal requirements under 2 CFR Part 200.321, including processes for placing qualified small and minority businesses and women's business enterprises on solicitation lists and dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises.

Subgrantee may use the COBID Certification Management System to assist in soliciting quotes or invite bids from MWESBs. <https://oregon4biz.diversitysoftware.com/>

**4. Subrecipient Agreements (Subawards).**

Subgrantee shall not enter into any agreement or renewal with Subrecipients without prior written approval of OHCS Program Coordinator(s) as outlined in Exhibit B, Section 15.15. Subgrantee shall require and cause its subrecipients to comply with all applicable provisions of this Agreement between OHCS and Subgrantee, each of which must be specifically incorporated into the subrecipient agreements in a manner satisfactory to OHCS. OHCS reserves the right to request that any subrecipient agreement be submitted for review and approval by OHCS within ten (10) business days from the date of written request.

Subgrantee shall require and cause that all of its subrecipient agreements related to this Agreement must include language specifying that such agreements are subject to termination upon such a directive to Subgrantee by OHCS and that OHCS shall not be liable to any of the parties of that agreement or to other persons for directing that such agreement be terminated.

Subgrantee shall have a written agreement with each subrecipient that is consistent with this Agreement, including without limitation, relevant Exhibits and Implementation Reports that identify:

- a. The services or benefits that the Subrecipient must provide when delivering the program.
- b. The laws and regulations with which the subrecipient must comply under the terms of the agreement (including but not limited to program specific requirements such as eligibility criteria and matching obligations, public policy for protecting civil rights and the environment, written procedures for appeal by clients of subrecipient determinations, government-wide administrative mandates affecting the Subrecipient's accounting and record keeping systems, and local laws imposed by Subgrantee).
- c. The Subgrantee's and OHCS' monitoring rights and responsibilities and the methods used by Subgrantee for monitoring.
- d. A provision to certify that the Subrecipient is an independent contractor and not an agent of OHCS or of Subgrantee.

**5. Subgrant or Contractual Determination.**

A Subrecipient is a state government, local government, or nonprofit organization that expends subawarded funds received by Subgrantee from OHCS under this Agreement to carry out a program. Subgrantee must determine whether relevant payments made or to be made by it in furtherance of this Agreement constitute an award under a subgrant received by a Subrecipient or a payment for goods and services under a procurement contract received by a contractor. Determination must be made using the criteria set forth in 2 CFR Part 200.331.

**a. Use of Judgment in Making Determination.**

There may be unusual circumstances or exceptions to the listed characteristics. In making the determination of whether a subgrant or contractual relationship exists, the substance of the relationship is more important than the form of the agreement. It is not expected that all of the characteristics will be uniformly present. Accordingly, prudent judgment shall be exercised by Subgrantee and should be used in determining whether an entity with which it contracts to accomplish its performance under this Agreement is a Subrecipient or vendor.

**b. Applicability to For-profit Subrecipients.**

Subgrantee (as the pass-through entity) shall establish reasonable requirements, as necessary, to ensure compliance by for-profit subrecipients. Consequently, Subgrantee should describe in any agreements with for-profit subrecipients the applicable compliance requirements and the for-profit subrecipient's compliance responsibilities. Methods to ensure compliance for federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the contract and post-award audits.

**c. Compliance Responsibility for Contractors.**

In most cases, the Subgrantee's or other auditee's compliance responsibility for vendors is only to ensure that the procurement, receipt and payment for goods and services comply with laws, regulations and the provisions of contracts or grant agreements. Program compliance requirements normally do not pass through to contractors. However, the Subgrantee or other auditee shall be responsible for ensuring compliance for contractor transactions that are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these contractor transactions relate to a major program, the scope of the audit shall include determining whether these transactions are in compliance with laws, regulations and the provisions of contracts or grant agreements.

Regardless of whether goods or services are provided by a subrecipient or contractor, Subgrantee is still responsible for ensuring compliance with all grant requirements including but not limited to tracking and reporting requirements by the Agreement.

**6. Responsibility for Work.**

Subgrantee shall timely perform all Work identified in this Agreement consistent with its terms and conditions, including without limitation, the Work required with respect to the applicable Program Elements, Implementation Reports, and NOA's. OHCS may add additional approved Implementation Reports and NOAs to Exhibit A of this Agreement from time to time with the written approval of Subgrantee.

**7. Implementation Report(s) and Budget(s).**

Each Implementation Report is unique to the Subgrantee. It must be consistent with and reflect the purposes of the related Program Elements and the methods proposed by the Subgrantee and its subrecipients, in detail acceptable to OHCS, to administer and/or deliver the Work associated with the requirements of the applicable Program Elements. Implementation Report Budgets must reflect the manner, in detail acceptable to OHCS that related grant funds will be employed to accomplish the corresponding Work and are subject to corresponding NOAs.

Subgrantee must request and receive prior written approval from OHCS for amendments to or deviations from its approved Implementation Reports. OHCS may give or withhold such approval at its sole discretion. OHCS may allow the combining of applicable Implementation Reports at its sole discretion.

Subgrantee shall perform all Work in accordance with the terms and conditions of this Agreement, including but not limited to applicable Program Elements, Implementation Reports, and NOAs, in a manner satisfactory to OHCS.

**8. Maintenance of Programmatic Capacity and Non-Compliance.**

Subgrantee shall provide for and maintain the capacity for administration and performance of all Work required under this Agreement so as to result in a timely usage of grant funds.

OHCS remedies for Subgrantee non-compliance with any Work or other Agreement requirements (including all applicable Program Requirements), including for untimely usage of grant funds, may include, among other things, the withholding of requested grant funds or the reduction and redistribution of current or future funding allocations. OHCS may also impose conditions to specific grants received by Subgrantee in the event of reoccurring non-compliance on part of Subgrantee.

**9. Financial Integrity.**

Subgrantee shall be responsible for financial integrity of accounting records and compliance with the following requirements in addition to those otherwise required under this Agreement:

- a. Subgrantee shall and shall cause its subrecipients (including by contract) to, prepare and maintain accurate financial records documenting all expenditures made from funds provided under this Agreement. These records shall include financial and audit reports for the applicable accounting period for the applicable Program Element, including adjustments to reconcile the accounting records.
- b. Subgrantee shall reimburse expenditures of subrecipients under this Agreement only if they are:
  - 1. Named as a subrecipient receiving grant funds in the OHCS approved Implementation Report.
  - 2. In payment of eligible activities or services performed under this Agreement.
  - 3. In payment of services performed or supplies delivered during the applicable Program Element period;
  - 4. In the aggregate not in excess of 100% of the funds provided to the respective applicable Program Element under this Agreement; and
  - 5. Not for duplicate payment for the same activities or services under both this Agreement and any other contract or agreement with Subrecipients.
- c. Subgrantee shall pay its subrecipients within thirty (30) days of the date of requests for payment.
- d. Subgrantee shall maintain documentation of its monitoring of subrecipients. The documentation shall include, but not be limited to:
  - 1. An agreement that complies with the requirements of this Agreement.
  - 2. Documentation of the non-profit status of the subrecipient; and
  - 3. Copies of all of the Subrecipients audits performed under the requirement of 2 CFR Subtitle B with guidance at 2 CFR, Part 200, as well as applicable supplemental regulations, if the subrecipient is required to have such an audit.
  - 4. Documentation of follow up that the subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award as detected through audits, on-site reviews, and other means.

5. Documentation of other methods used by Subgrantee for monitoring subrecipient activities.
- e. Subgrantee shall maintain an Accounting System which conforms with the following requirements:
  1. Expenditures shall be segregated by line-item category within the accounting system of Subgrantee or subrecipient, as the case may be, and reported on the required fiscal reports.
  2. Funds received together with any income that is attributable to funds provided thereby shall be identified and segregated for expenditures relating to the Program Elements for which the original funds were provided. Any allocation methodology shall comply with any requirements applicable to that entity or Program Element.
  3. Receipts that offset or reduce expense items allocable to the Federal award as direct or indirect costs must be credited to the federal award either as a cost reduction (reduction of expense) or cash refund, as appropriate.
- f. Subgrantee shall develop and maintain a policy that describes all direct and indirect methods of cost allocation that are applicable to OHCS grants.

OHCS may, in its sole discretion, reduce Subgrantee funding and redistribute such grant funding to other Subgrantees. Adjustments pursuant to this subsection may be implemented by means of the Notices of Allocation (NOA) described in this Agreement. This remedy is in addition to any other remedy allowed OHCS under this Agreement.

#### **10. Programmatic Integrity**

Subgrantee shall be responsible for programmatic integrity and compliance with the programmatic intent including but not limited to the following requirements:

Subgrantee shall provide and maintain adequate resources necessary to ensure that all staff, Subgrantee and subrecipient, are adequately trained to perform under this Agreement including, but not limited to the training in processing of eligibility determinations and authorizations or other programmatic and/or grant compliance requirements.

Subgrantee shall comply with programmatic regulations and guidelines as detailed in Exhibit B, Standard Terms and Conditions.

Subgrantee shall have a written procedure for the handling of client appeal of determinations, acceptable to OHCS.

#### **11. Reporting**

In addition to specific reporting requirements addressed elsewhere in this Agreement and, including its Exhibits and Attachments, Subgrantee shall and shall cause its subrecipients (including by contract) to:

Submit the required reports so that they are received by OHCS on or before the due dates specified herein this Agreement, as outlined in the applicable Implementation Report or otherwise, as newly required by any provider of funding under this Agreement, or as otherwise required by OHCS. Subgrantee shall require its subrecipients (including by contract) to submit the required reports to Subgrantee in sufficient time to allow Subgrantee to fulfill its reporting obligations to OHCS.

All reports shall be timely, complete, accurate and satisfactory to OHCS as well as in the format required by OHCS. No funding pursuant to an implementation report will be forthcoming until such implementation report has been approved by OHCS. OHCS reserves the right to require modifications to submitted implementation reports. Funding also may be subject to receipt and approval of other reporting under this Agreement.

Reports must agree with the accounting records maintained by Subgrantee and/or its Subrecipients and be certified by the chief executive officer or their designee of the Subgrantee or its subrecipients, as the case may be.

FSRs (Financial Status Reports) are due to OHCS on the 20<sup>th</sup> of the month following the end of a quarter. All final reports shall be submitted by Subgrantee so as to be received by OHCS on or before the 60th day following the last day of the applicable Program Element period, or the date that all activities funded by this Agreement for that Program Element are completed, whichever is earlier.

If Subgrantee fails to produce or timely submit reports satisfactory to OHCS, OHCS may withhold any or all reimbursement requests of Subgrantee under this Agreement or any other contract or agreement in effect between OHCS and Subgrantee except as expressly limited by law. OHCS also may reduce, suspend, terminate and/or redistribute any or all grant funds due to Subgrantee failure to produce or timely submit reports satisfactory to OHCS.

**12. Eligibility Determination.**

Subgrantee shall make eligibility determinations for its respective Program Element funds in a form and manner prescribed or authorized by OHCS.

### HISTORIC PRESERVATION

#### 1. Introduction

OHCS has entered into a Programmatic Agreement (“**Programmatic Agreement**”) with the United States Department of Energy (“**USDOE**”), Oregon State Historic Preservation Office (“**ORSHPO**”) and the Advisory Council on Historic Preservation (“**ACHP**”) regarding properties affected by use of federally funded state weatherization assistance.

OHCS has determined that the administration of these programs may have an effect on properties included in or eligible for inclusion in the National Register of Historic Places (National Register) and has consulted with ORSHPO pursuant to 36 CFR 800.13 of the regulations implementing Section 106 of the National Historic Preservation Act (16 U.S.C. 470F).

#### 2. Stipulations

OHCS and Subgrantee agree that the programs will be administered in accordance with the following stipulations to satisfy the Section 106 responsibilities for all individual undertakings of the weatherization assistance.

##### A. APPLICABILITY

Subgrantee shall ensure that the review process established by the Programmatic Agreement will be completed prior to weatherization measures being installed. Undertakings that involve properties greater than fifty (50) years old and are not listed in Section B- Exempt Activities, shall be submitted to the ORSHPO for review in accordance with this agreement.

##### B. EXEMPT ACTIVITIES - PROJECTS NOT REQUIRING REVIEW BY ORSHPO

All undertakings will be done in accordance with applicable local building codes or the International Building Code, where applicable. In accordance with 36 CFR 800.3(a)(1), the following undertakings have been determined to have no potential to cause effects on historic properties:

1. Projects affecting properties less than fifty (50) years old at the time the work takes place; provided it has not been determined to be eligible under National Register Criterion Consideration G for exceptional significance (36 CFR 60.4).
2. Exterior Work
  - a. Air sealing of the building shell, including caulking, weather-stripping, window glazing and in-kind glass replacement on windows and doors, and installing thresholds in a manner that does not harm or obscure historic windows or trim, or prevent them from operating.
  - b. Thermal insulation, such as non-toxic fiberglass and foil wrapped, in walls, floors, ceilings, attics, and foundations in a manner that does not harm or damage historic fabric.
  - c. The installation of dense pack wall insulation when the following conditions are met:
    - i. The installation is performed by a qualified contractor who follows the standards and guidelines that OHCS has implemented for dense pack insulation (dry installation) and must meet the maximum air permeance measured using BPI – 102 “Standard for Air Resistance of Thermal Insulation Used in Retrofit Cavity Applications”;
      1. Cellulose: density of installed insulation must be 3.5 pounds/ cu ft.
      2. Fiberglass: density of installed insulation must be 2.5 pounds/cu ft or meet manufacturer’s specifications. Material must meet ASTM C522, E283, or E2178.
    - ii. The building does not display construction methods, techniques, and/or materials that are uniquely susceptible to damage that could be caused by the introduction of wall insulation (e.g., the siding does not appear to be able to withstand removal and replacement; the siding is masonry or stucco; there appear to be unique historic wall assemblies);

- iii. Portions of the siding are carefully removed before blowing dense pack cellulose into the walls, and then replaced;
  - iv. The exterior wall surface is free from areas where water can leak into the wall cavity (caulking around window openings and other wall penetrations has occurred or is part of the project);
  - v. There are no untreated wood members in direct contact with the ground, and the distance from the ground to the sill plate is more than 6 inches to keep water from wicking up into the wall cavity;
  - vi. The potential for splash back from rain dripping from roofs is minimized with functioning gutters and/or other water diversion features;
  - vii. There are overhanging eaves, and/or other protection is in place to protect the wall surface from the elements (rain and wind);
  - viii. Post diagnostic testing (blower door tests) results must meet the ASHRAE 62.2-2016 Standard;
  - ix. Number of occupants and use is considered in evaluating expected interior moisture levels; and
  - x. Exhaust Fans are installed according to ASHRAE 62.2-2016 Standard.
- d. Removable film on windows (if the film is transparent), solar screens, or window louvers, in a manner that does not harm or obscure historic windows or trim.
  - e. Reflective roof coating in a manner that matches the historic materials and form, or with materials that restore the original feature based on historic evidence, and in a manner that does not alter the roofline, or where not on a primary roof elevation or visible from the public right-of-way.
  - f. Storm windows or doors, and wood screen doors in a manner that does not harm or obscure historic windows or trim.
  - g. In-kind replacement or repair of primary windows, doors and door frames. In-kind is defined as an exact replacement of existing material type, design, dimensions, texture, detailing, finish and exterior appearances.
  - h. Repair of minor roof and wall leaks prior to insulating attics or walls, provided repairs closely resemble existing surface composite.
  - i. Weatherization of mobile homes and trailers.

**1.1.2 Implementation Report.** OHCS' disbursement of Grant Funds to Subgrantee are contingent upon Subgrantee's prior submission to OHCS and OHCS' review and acceptance of Subgrantee's plan to execute the Program work in accordance with the applicable Program Elements (the "Implementation Report"). At OHCS's sole discretion, OHCS may disburse Grant Funds prior to the submission and approval of an Implementation Report.

**1.1.3 Notices of Allocation (NOAs).** Upon its acceptance of Subgrantee's Implementation Report, OHCS will issue through OPUS one or more Notices of Allocation (NOAs) to Subgrantee to indicate the approval of the Implementation Report. Subgrantee is subject to, and will comply with, all such NOA terms and conditions including this Agreement and the applicable Program Elements. Any NOA issued as described herein is immediately effective, is incorporated into and constitutes a part of this Agreement. Subgrantee accepts a NOA, including modifications thereto, upon undertaking performance of the Program work funded by the NOA. OHCS reserves the right in its sole discretion to modify, correct, adjust, or terminate any NOAs. OHCS' modification or termination of a NOA does not terminate OHCS' remedies with respect to Subgrantee's performance or non-performance of obligations due under this Agreement.

**1.1.4 Federal Funding Terms.** Grant Funds that are derived from federal sources are subject to the terms under which they are received. Subject to the availability of Program funds, OHCS having continued funding, appropriation, limitation, allotment, or other expenditure authority sufficient to allow it, in the exercise of its reasonable administrative discretion, to meet its obligations under this Agreement, and conditioned upon the terms and conditions of this Agreement, OHCS will make the Grant Funds to Subgrantee up to the maximum principal amount stated in Section 3 (Consideration) of the Agreement, to perform under this Agreement. OHCS will provide Grant Funds to Subgrantee only upon approved reimbursement requests for allowable costs incurred or if allowed by OHCS to be incurred by Subgrantee consistent with the terms and conditions of this Agreement, including applicable Program Elements.

##### **1.1.5 Backup Documentation; Substantiation.**

**1.1.5.1** Subgrantee must provide to OHCS any information or detail regarding the expenditure of Grant Funds required under the Implementation Report and applicable Program Elements prior to disbursement or as OHCS may request.

**1.1.5.2** Subgrantee's request for Grant Funds must be supported by documentation satisfactory to OHCS, including but not limited to: properly executed payroll and time records, invoices, contracts, vouchers, orders, canceled checks and/or any other accounting documents pertaining in whole or in part to the Agreement (or in the case of subrecipients, under their respective contracts with Subgrantee) in accordance with generally accepted accounting principles and applicable state and federal requirements, including as specified herein. OHCS may require such other information or clarification as it deems necessary or appropriate in its sole discretion.

**1.1.5.3** Approval by OHCS. OHCS will only disburse Grant Funds to Subgrantee for activities completed or materials produced, that, if required by the Implementation Report or applicable Program Elements, are approved by OHCS. If OHCS determines any completed Program work is not acceptable and any deficiencies are the responsibility of Subgrantee, OHCS will prepare a detailed written description of the deficiencies within fifteen (15) days of receipt of the materials or performance of the activity and will deliver such notice to Subgrantee. Subgrantee must correct any deficiencies at no additional cost to OHCS within fifteen (15) days. Subgrantee may resubmit a request for disbursement that includes evidence satisfactory to OHCS demonstrating deficiencies were corrected.

**1.2.1** OHCS has received sufficient funding, appropriations, expenditure limitation, allotments, or other necessary expenditure authorizations to allow OHCS, in the exercise of its reasonable administrative discretion, to make the disbursement from the Program funding source;

**1.2.2** No default as described in Section 12 of this Exhibit B has occurred; and

**1.2.3** Subgrantee's representations and warranties set forth in Section 7 of this Exhibit B are true and correct on the date of disbursement(s) with the same effect as though made on the date of disbursement.

**1.3 Advances and Reimbursement of Grant Funds.**

**1.3.1 Generally.** Subgrantee must request Grant Funds in such form and manner as is satisfactory to or required by OHCS. Further, in accordance with U.S. Treasury Regulations, 31 CFR Part 205, implementing the Cash Management Improvement Act, Subgrantee must limit any request for Grant Funds to the minimum amount needed to accomplish its described purposes and to time the request in accordance with the actual, immediate cash requirements of the Subgrantee in performing the Program work. Submission of proper account records showing revenue and expenditures for the reporting period must be submitted as documentation to support the amounts being requested. The foregoing requirements apply to all Grant Funds requested under this Agreement.

**1.3.2 Advance of Funds (Projected).** Subgrantee may request to be paid in advance, provided it maintains or demonstrates the willingness to maintain both written procedures that minimize the time elapsing between the transfer of funds and disbursement, and financial management systems that meet the standards for fund control and accountability as established in this part. Advance payments to the Subgrantee must be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the Subgrantee in carrying out the purposes of the grant as described in this Agreement. The timing and amount of advance payments must be as close as is administratively feasible to the actual disbursements by the Subgrantee for allowable grant direct costs and the proportionate share of any allowable indirect costs. Subgrantee must make timely payment to contractors in accordance with the contract provisions. Advance grant fund payments are at OHCS' sole discretion and will be made only as close as is administratively feasible to the actual use by the Subgrantee for applicable direct or indirect Program work costs and only up to the proportionate share of such allowable costs as is permitted under the Agreement, including applicable Program Elements.

**1.3.3 Reimbursement of Funds.** When the Subgrantee requests payment by reimbursement, reimbursement is the preferred method when the requirements in Section 1.4.2 of this Exhibit B above cannot be met. OHCS will make payment within thirty (30) calendar days upon receipt of the reimbursement request and all adequate backup documentation (to OHCS' satisfaction in its sole discretion), unless OHCS reasonably believes the request to be improper.

**1.4 Disallowance of Costs.**

**1.4.1** OHCS is not responsible nor will it pay for any costs disallowed either upon a request for funds or as a result of any audit, review, site visit, or other disallowance action by OHCS, except for costs incurred by Subgrantee solely due to the willful misconduct or gross negligence of OHCS, its employees, officers, or agents. If a cost is disallowed by OHCS after reimbursement has occurred, Subgrantee shall repay all disallowed costs to OHCS upon written notice within the time frame specified by OHCS, which in no event shall exceed thirty (30) days.

**1.4.2** If Subgrantee is a county, such disallowed costs may be recovered by OHCS only through repayment, withholding, or by other means authorized by this Agreement or as allowed at law not inconsistent with the Oregon Constitution, and particularly Article XI, Section 10 and consistent with the applicable Program Elements and specifically requirements set forth by the federal government.

**1.4.3** If Subgrantee is other than a county, OHCS may recover such disallowed costs through repayment, withholding, offset, or other means permitted under this Agreement, by law or otherwise but consistent with the applicable Program Elements and specifically requirements set forth by the federal government.

**1.4.4** Subgrantee will, and will cause its subrecipients to, cooperate with OHCS and all appropriate investigative agencies will assist in recovering invalid payments.

**1.5 Unallowable Costs and Lobbying Activities.** Subgrantee will review and comply with the applicable Program Elements and adhere to provisions on allowable costs and expenditures. Subgrantee will, among other obligations, comply with the provisions prohibiting the expenditure of funds for lobbying and related activities, whether in 2 CFR

Part 230, 2 CFR Part 225, or otherwise, as such provisions may be modified from time to time. If Subgrantee makes expenditures or incurs costs for purposes or amounts inconsistent with the allowable costs of the Grant Funds as described in the Implementation Report, applicable Program Elements, or elsewhere in this Agreement, such funds are subject to recapture and OHCS may exercise any and all remedies under this Agreement to otherwise available at law.

**1.6 No Duplicate Payments.** Subgrantee may use other funds in addition to the Grant Funds to complete the Program work; provided, however, the Subgrantee may not credit or pay any Grant Funds for Program work costs that are paid for with other funds and would result in duplicate funding. Subgrantee is provided thirty (30) days to return the duplicative payments. After thirty (30) days, if a duplicate payment has not been returned or applied to a cost not already covered by Program funding, reimbursement of the duplicate payment must be made to OHCS and shall include the entire amount of duplicate payment funds received regardless of OHCS reimbursement amounts.

**1.7 Suspension of Funding and Project.** OHCS may by written notice to Subgrantee, temporarily cease funding and require Subgrantee to stop all, or any part, of the Program work for a period of up to 180 days after the date of the notice, if OHCS has or reasonably projects that it will have insufficient funds from the Program funding source to disburse the full amount of the Grant Funds. Upon receipt of the notice, Subgrantee must immediately cease all Program work, or if that is impossible, must take all necessary steps to minimize the Program work.

If OHCS subsequently projects that it will have sufficient funds, OHCS will notify Subgrantee that it may resume activities. If sufficient funds do not become available, Subgrantee and OHCS will work together to amend this Agreement and any applicable NOAs to revise the amount of Grant Funds and Program work to reflect the available funds. If sufficient funding does not become available or an amendment is not agreed to within a period of 180 days after issuance of the notice, OHCS will either (i) cancel or modify its cessation order by a supplemental written notice, or (ii) terminate this Agreement as permitted by either the termination at OHCS' discretion or for cause provisions of this Agreement.

## **2. Nonexclusive Remedies Related to Funding.**

**2.1 Spending Down and Reallocation Policy.** All Grant Funds with the exception of administrative allocations, will be spent proportionally to the expenditure period at the rate prescribed below (as tracked through the OPUS "Award Summary" report).

### **2.1.1 Minimum Spending Targets:**

- At 25% through expenditure period, at least 10% of the funding must be spent
- At 50% through expenditure period, at least 25% of the funding must be spent
- At 75% through expenditure period, at least 65% of the funding must be spent
- At 90% through expenditure period, at least 90% of the funding must be spent

Any spending below these targets will be evaluated against the Subgrantee's time-bound expenditure plan (which outlines the Subgrantee's flexible spend rate) as approved by and on file with OHCS. Any spending below these stated rates is subject to rescission of Grant Funds. Any amount of funding greater than 10% of a funding source's total allocation or a combined total of \$100,000 that is subject to rescission will trigger Community Action Agency (CAA) Board Notification.

**2.2 OHCS and Subgrantee Collaboration to Cure.** When spending is below the thresholds described above, and prior to funding rescission, OHCS and Subgrantee agree to collaborate to find solutions that resolve the issues, provided it is within OHCS' control (in its sole discretion) to adjust to meet Subgrantee's needs and does not conflict with federal law. OHCS will allow proposals from subgrantee to cure spending issues and prevent funding rescission. Subgrantee will have 30 days to modify Implementation Reports and update the flexible spend rate in the time-bound expenditure plans to demonstrate how compliance with spending targets will be achieved.

### **2.3 Subgrantee Board and Housing Stability Council Notification Protocols.**

**2.3.1 Board Notification.** OHCS will notify Subgrantee's Board Chair and Subgrantee's Executive Director about the potential funding rescission. This notice will occur after modified Implementation Reports have been approved and only if the updated spending targets remain unmet. A final time-bound expenditure plan must be submitted to OHCS with a final Implementation Report by the Subgrantee's Executive Director within thirty (30) days of OHCS's notice to Subgrantee's board.

**2.3.2 Housing Stability Council Notification.** If all efforts to retain funding in Subgrantee's intended community fail, a report to the Housing Stability Council will be generated which outlines the facts and circumstances associated with the funding rescission.

**2.4 Withholding, Retention, and Redistribution of Grant Funds.**

**2.4.1 Withholding.** OHCS may withhold any and all undisbursed Grant Funds from Subgrantee if OHCS determines, in its sole discretion, that Subgrantee has failed to timely satisfy any material obligation arising under this Agreement, including but not limited to compliance with the applicable Program Elements, providing complete, accurate and timely reports in a form satisfactory to OHCS, or if OHCS determines that the rate or scale of request for Grant Funds in any expenditure category materially deviates from an applicable NOA or is unsubstantiated by related documentation.

**2.4.2 Retention or Redistribution of Grant Funds.**

**2.4.2.1 Due to Non-Timely Use.** If Grant Funds are not obligated for reimbursement by Subgrantee in a timely manner as determined by OHCS at its sole discretion, OHCS may in its sole discretion, reduce Subgrantee's Grant Funds and redistribute Grant Funds to other subgrantees or retain such funds for other OHCS use, within applicable state and federal law. OHCS may implement adjustments pursuant to this subsection by modifying the applicable NOA(s). This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

**2.4.2.2 Due to Substantial Difference.** If the rate of request for any expenditure or cost category is substantially different (as determined by OHCS in its sole discretion) that in OHCS-approved budget submissions, including applicable NOAs, OHCS has sole discretion to reduce and redistribute or retain any and all funds otherwise available to Subgrantee under this Agreement. OHCS may implement adjustments pursuant to this subsection by modifying the applicable NOA. This remedy is in addition to any other remedies available to OHCS under this Agreement.

**2.4.3 Repayment of Excess Disbursed Funds.**

**2.4.3.1 Due to Modified NOA.** If Grant Funds previously disbursed by OHCS to Subgrantee exceed a relevant modified NOA amount and remain unexpended by Subgrantee, Subgrantee shall not expend any such excess Grant Funds. Subgrantee, instead shall return any remaining unexpended Grant Funds in excess of the modified NOA to OHCS within thirty (30) calendar days of the modified NOA unless another use of such funds is authorized in writing by OHCS. This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

**2.4.3.2 Due to Overpayment.** If OHCS makes overpayment of Grant Funds to Subgrantee in response to one or more funds requests, whether or not the underlying request(s) were inaccurate, Subgrantee shall repay such overpayment within thirty (30) calendar days of its discovery by Subgrantee or upon notice by OHCS, unless OHCS in writing designates an earlier time for repayment or authorizes another use by Subgrantee of such overpayment. This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

**2.4.3.3 Return of Unexpended Funds.** Within thirty (30) days following the end of the Performance Period or Termination of this Agreement, Subgrantee must return to OHCS all unexpended Grant Funds, unless required earlier in accordance with the applicable Program Elements.

**3. Rollover Funds From a Prior Grant Agreement.**

**3.1** Subject to funding restrictions, Subgrantee may request in writing that financial assistance allocated, but not expended under a prior Master Grant Agreement, be allocated under this Agreement as an award of "rollover" grant funds.

**3.2** Subject to funding restrictions, OHCS may, at its sole and absolute discretion, approve any award of rollover grant funds. Any rollover grant funds shall be subject to all terms and conditions of this Agreement and shall be subject to such terms and conditions of the prior Master Grant Agreement as OHCS may specify in its rollover approval.

Any request for an award of rollover grant funds by Subgrantee must be made in form and content satisfactory to OHCS.

**4. Online Systems.**

**4.1** Subgrantee and its subrecipients must enter all appropriate and necessary data into OPUS (a web-based application developed by OHCS), ServicePoint, Allita HSM, or other OHCS-approved system (the "Sites") at the

time of client intake for all Federal, State, and private grant programs awarded by OHCS through this Agreement. OHCS will enter allocations to Subgrantee on a program by program expenditure category basis unless it determines otherwise. Exceptions are only allowed with prior written approval by OHCS.

**4.2 Sites' Terms and Conditions.** As a condition of the use of the Sites, Subgrantee and its subrecipients ("User") agrees to all OHCS terms and conditions contained in this Agreement, notices on the Sites, or as otherwise directed by OHCS. User agrees not to use the Sites for any unlawful purpose. OHCS reserves the right, at its discretion, to update or revise the Sites' terms of use. Continued use of the Sites constitutes acceptance of the Sites' terms and conditions.

**4.3 Local Data Collection.** Use of the Sites for additional reported "local" program data is at the entity's own risk. OHCS will not modify or otherwise create any screen, report or tool in the Sites to meet needs related to this local data.

**4.4 Data Rights.** Subgrantee hereby grants and will require and cause any subrecipient to grant OHCS the right to reproduce, use, display, adapt, modify, distribute, and promote the content in any form and disclose, as allowed by law, any or all of the information or data furnished to or received by OHCS directly or indirectly resulting from this Agreement. Subgrantee also shall use and shall require and cause its subrecipients to use Client Release forms and Privacy Policy forms (samples provided by OHCS) in connection with obtaining and transmitting client data.

**4.5 Disclaimer of Warranties.** Subgrantee understands and agrees, and shall require its subrecipients to agree, that all materials, information, software, products, and services included in or available through the Sites (the "Content") are provided "as is" and "as available" for use. The Content is provided without warranties of any kind, either express or implied, including but not limited to, implied warranties of merchantability, fitness for a particular purpose, or non-infringement. OHCS does not warrant that: (1) the content is accurate, reliable, or correct; (2) the Sites will be available at any particular time or location (3) any defects or errors will be corrected; or (4) the content is free of viruses or other harmful components. Use of the Sites is solely at the User's risk. User hereby accepts the risk of its use of the Sites, and of the use of the Sites by its subrecipients, and expressly waives any claims and causes of action against the State and OHCS.

**4.6 Limitation of Liability.** Subgrantee agrees that under no circumstances will OHCS be liable for any direct, indirect, punitive, incidental, special, or consequential damages that result from the use of, or inability to use the Sites. This limitation applies whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if OHCS has been informed of the possibility of such damage.

**4.7 Indemnification.** Subject to applicable law, Subgrantee agrees, and shall require its subrecipients to agree, to defend, indemnify (consistent with ORS Chapter 180), and hold harmless OHCS and its employees, contractors, officers, and directors from all liabilities, claims, and expenses, including but not limited to attorney fees, that arise from use or misuse of the Sites. OHCS reserves the right, at its own expense, to assume the exclusive defense and control of any matter otherwise subject to indemnification by Subgrantee, in which event Subgrantee will cooperate with OHCS in asserting any available defenses.

**5. Fixed Assets.** If applicable, Subgrantee shall, and shall cause its subrecipients to, maintain policies and procedures for the management of property and equipment that comply with all requirements of the applicable Code of Federal Regulations, 2 CFR Subtitle B with guidance at 2 CFR Part 200, and specific requirements of the source of funds. These regulations shall apply to all equipment purchased with OHCS funding, regardless of source of funds. The following practices are in addition to those otherwise required:

**5.1 High Risk Items.** Fixed assets with a value greater than \$5,000 will include computer equipment, electronic equipment, photography equipment, hand tools and other items.

**5.2 Equipment.** The title to all equipment as defined in 2 CFR Part 200, purchased in whole or in part with funds provided under this Agreement, shall rest with the Subgrantee. Property and equipment purchased with OHCS grant funds shall not be used for collateral or to secure financing.

In its agreements with its subrecipients, Subgrantee shall require and cause its subrecipients to comply with the requirements of this Section.

**5.4 Loaned Equipment / Property Disposition.** All fixed assets owned by OHCS and loaned to Subgrantee under a standard agreement will remain the property of OHCS, regardless of their value. The disposition of all loaned equipment shall be readily available.

**5.5 Disposal Requiring Prior Approval.** When Subgrantee, or its subrecipients, wishes to dispose of equipment having an original cost of more than \$5,000, Subgrantee shall submit a written notification to the appropriate OHCS Program coordinator with a copy to the OHCS Financial Compliance Monitor. If OHCS consents, OHCS will provide instructions regarding the method of disposition. OHCS reserves the right to refuse to consent to such disposal and the right to object to the timing of each disposition. Such disposition, if permitted, shall be done in a manner consistent with the property management standards of equipment of OHCS from which the original funding was received. In the case of mixed funding sources, the most restrictive standards shall apply.

**5.5.1** Items of equipment with a current per-unit, fair-market value of \$5,000 or less may be retained, sold, or otherwise disposed of upon written notification to the appropriate OHCS Program coordinator with a copy to OHCS Financial Compliance Monitor with no further obligation. **6.1.1** Subgrantee will comply and will require and cause (including by contract) all subrecipients, vendors, contractors, and assigns to comply with this Agreement, including applicable Program Requirements.

**6.1.2** Without limiting the generality of the foregoing, Subgrantee will comply and will require and cause its subrecipients, vendors, contractors, agents, and assigns to comply with all federal requirements, including but not limited to the Federal Funding Accounting and Transparency Act (FFATA) of 2006 (P.L. 109-282), provisions of which include, but are not limited to, a requirement for Subgrantees, subrecipients, and vendors to have a Data Universal Numbering System (DUNS) number and to maintain a current registration in the SAMs (System for Awards Management) database.

### **6.2 OHCS to Monitor Subgrantee.**

**6.2.1** OHCS, including its authorized representatives and authorized third parties, may monitor the activities and records of each Subgrantee and Subgrantee's subrecipients and vendors as it deems necessary or appropriate for, among other things, to ensure: (1) Subgrantee and its subrecipients comply with the terms of this Agreement, including but not limited to the Program Requirements, and that Grant Funds are used properly for authorized purposes hereunder; and (2) that performance goals are achieved as specified in this Agreement, including without limitation in the Community Plan, NOAs, and the Program Requirements, and that performance is to the satisfaction of OHCS.

**6.2.2** OHCS' monitoring activities may include any action deemed necessary or appropriate by OHCS including, but not limited to the following: (1) the review (including copying) from time to time of any and all Subgrantee,

Failure by Subgrantee or any of its subrecipients or vendors to comply with this requirement is sufficient cause for OHCS to require special conditions, take such other action (including the exercise of available remedies) as it deems appropriate, and may be deemed by OHCS as a material failure by the Subgrantee to perform its obligations under this Agreement.

#### **6.4 Subgrantee to Monitor Its Subrecipients.**

6.4.1 At least once during the term of this Agreement and as otherwise directed by OHCS, Subgrantee will monitor the activities and expenditures of its subrecipients as is reasonable to ensure: (1) compliance with this Agreement, including the Program Requirements; and (2) achievement of this Agreement's performance goals, in OHCS' sole discretion.

**13.1.3 No Waiver.** No failure or delay by OHCS to enforce any provision of this Agreement will constitute a waiver by OHCS of that or any other provision, nor will any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise of such right, power, or privilege or the exercise of any other right, power, or privilege.

**13.1.4 Survival.** Remedies provided under this Agreement or otherwise will survive termination of this Agreement.

**13.2 Subgrantee Remedies.** In the event OHCS is in default under Section 12.2 of this Exhibit B and whether or not Subgrantee elects to terminate this Agreement, Subgrantee's sole monetary remedy will be, within any limits set forth in this Agreement, reimbursement of Program work completed and accepted by OHCS and authorized expenses incurred, less any claims OHCS has against Subgrantee. In no event will OHCS be liable to Subgrantee for any expenses related to termination of this Agreement or for anticipated profits.

#### **14. Termination.**

**14.1 Mutual.** This Agreement may be terminated at any time by mutual written consent of the Parties.

**14.2 By OHCS.** OHCS may terminate this Agreement as follows:

**14.2.1** At OHCS' discretion, upon thirty (30) days advance written notice to Subgrantee;

**14.2.2** Immediately upon written notice to Subgrantee, if OHCS fails to receive funding, or appropriations, limitations, or other expenditure authority at levels sufficient in OHCS' reasonable and administrative discretion, to perform its obligations under this Agreement;

**14.2.3** Immediately upon written notice to Subgrantee, if federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that OHCS' performance under this Agreement is prohibited or OHCS is prohibited from funding the Agreement from the funding source; or

**14.2.4** Immediately upon written notice to Subgrantee, if Subgrantee is in default under this Agreement and such default remains uncured fifteen (15) days after written notice thereof to Subgrantee.

**14.3 By Subgrantee.** Subgrantee may terminate this Agreement as follows:

**14.3.1** If Subgrantee is a governmental entity, immediately upon written notice to OHCS, if Subgrantee fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to perform its obligations under this Agreement.

**14.3.2** If Subgrantee is a governmental entity, immediately upon written notice to OHCS, if applicable laws, rules, regulations or guidelines are modified or interpreted in such a way that the Program work is prohibited by law or Agreement is prohibited from paying for the Program work from the Grant Funds or other planned funding; or

**14.3.3** Immediately upon written notice to OHCS, if OHCS is in default under this Agreement and such default remains uncured fifteen (15) days after written notice thereof to OHCS.

**14.4 Cease Activities.** Upon receiving a notice of termination of this Agreement, Subgrantee must immediately cease all activities under this Agreement, unless OHCS expressly directs otherwise in such notice. Upon termination, Subgrantee must deliver to OHCS all materials or other property that are or would be required to be provided to OHCS under this Agreement or that are needed to complete the Program work that would have been performed by Subgrantee.

#### **15. Miscellaneous.**

##### **15.1 Conflict of Interest.**

**15.1.1 Generally.** By signature to this Agreement, Subgrantee declares and certifies the award of this Agreement

and the Program work, create no potential or actual conflict of interest, as defined by ORS Chapter 244, for a director, officer, or employee of Subgrantee.

**15.1.2 Conflict of Interest Policy and Reporting.** A conflict of interest exists if, among other things, a decision or recommendation could affect the finances of the public official or the finances of a relative. If a conflict of interest exists, the public official must always give notice of the conflict, and in some situations the public official is restricted in their ability to participate in the matter that presents the conflict of interest. Subgrantee will timely report to OHCS any perceived or actual conflict of interest. Subgrantee certifies it has established a conflict of interest policy that outlines the process for disclosing in writing any potential conflict of interest and such policy must be provided to OHCS upon OHCS' request, or as otherwise requested during a Subgrantee audit.

**15.2 Nonappropriation.** OHCS' obligation to pay any amounts and otherwise perform its duties under this Agreement is conditioned upon OHCS receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow OHCS, in the exercise of its reasonable administrative discretion, to meet its obligations under this Agreement. Nothing in this Agreement may be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of OHCS.

### **15.3 Amendments.**

**15.3.1** OHCS reserves the right to add or amend Implementation Reports and NOAs. Otherwise, the Parties may not waive, supplement, or amend the terms of this Agreement, in any manner whatsoever, except by written amendment signed by the Parties and for which all necessary OHCS approvals have been obtained.

**15.3.2** Subgrantee's proposed changes to or additions of a Implementation Report must be submitted to OHCS in writing and require the prior written approval of OHCS before Subgrantee may commence a change.

**15.3.3** All federal terms and conditions included in this Agreement at time of original Agreement execution may be amended from time to time by the federal grantor or regulator of funds.

**15.4 Notices.** Except as otherwise expressly provided in this Agreement, any notices to be given under this Agreement must be given in writing by email, personal delivery, or postage prepaid mail, to a Party's Grant Manager at the physical address or email address set forth in this Agreement, or to such other addresses as either Party may indicate pursuant to this Section. Any notice so addressed and mailed becomes effective five (5) days after mailing. Any notice given by personal delivery becomes effective when actually delivered. Any notice given by email becomes effective upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system.

**15.5 Required Notifications to OHCS.** In addition to the requirements provided elsewhere in this Agreement, Subgrantee will immediately report changes in Key Personnel including Fiscal, Program, and Executive Level Leadership.

**15.6 Survival.** All rights and obligations of the Parties under this Agreement will cease upon termination of this Agreement, other than the rights and obligations arising under Sections 2, 4.6, 4.7, 11, 13, 15.6, 15.7 and 15.10 hereof and those rights and obligations that by their express terms survive termination of this Agreement; provided, however, termination of this Agreement will not prejudice any rights or obligations accrued to the Parties under this Agreement prior to termination.

**15.7 Headings.** The headings in this Agreement are for convenience only and in no way define, limit, or describe the scope intent of any provisions of this Agreement.

**15.8 Severability.** The Parties agree if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.

**15.9 Execution in Counterparts.** This Agreement may be executed in several counterparts, all of which when taken together constitute one agreement, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of the Agreement so executed constitutes an original.

**15.10 Indemnity.** Subject to applicable law, Subgrantee will and will require by contract that its subrecipients will,

defend, save, hold harmless, and indemnify (consistent with ORS Chapter 180) the State of Oregon and OHCS and their officers, employees and agents from and against all claims, suites, actions, losses, damages, liabilities, costs and expenses of any nature whatsoever resulting from, arising out of, or, relating to the activities of Subgrantee or its officers, employees, subrecipients, subcontractors, or agents under this Agreement.

**15.11 Attorney Fees.** In the event a lawsuit of any kind is instituted on behalf of OHCS or the Subgrantee with respect to this Agreement, or any right or claim related thereto, including but not limited to the collection of any payment due under this Agreement or to obtain performance of any kind under this Agreement, the prevailing party is, to the extent permitted by law, entitled to its reasonable attorney fees incurred before and during trial, on appeal, in arbitration, in bankruptcy, and in such other forum or proceeding appropriate thereto, together with such additional terms as the court or hearings officer may adjudge for reasonable costs and disbursements incurred therein. Reasonable fees will not exceed the rate charged to OHCS by its attorneys.

**15.12 Compliance with Law.** In connection with their activities under this Agreement, the Parties must comply with all applicable federal, state, and local laws. While OHCS will make reasonable efforts to update its Program guidance and notify the Subgrantee thereof, the Subgrantee is ultimately responsible for maintaining awareness of and compliance with updates to federal law governing the Program.

**15.13 No Third-Party Beneficiaries.** OHCS and Subgrantee are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement provides, is intended to provide, or may be construed to provide any direct or indirect benefit or right to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of this Agreement.

**15.14 Assignment and Successors.** Subgrantee may not assign or transfer its interest in this Agreement without the prior written consent of OHCS and any attempt by Subgrantee to assign or transfer its interest in this Agreement without such consent will be void and of no force or effect. OHCS' consent to Subgrantee's assignment or transfer of its interest in this Agreement will not relieve Subgrantee of any of its duties or obligations under this Agreement. The provisions of this Agreement will be binding upon and inure to the benefit of the Parties hereto, and their respective successors and permitted assigns.

**15.15 Contracts and Subgrants.** Subgrantee may not, without OHCS' prior written consent, enter into any contracts or subgrants for any of the Program work. OHCS' consent to any contract or subgrant will not relieve Subgrantee of any of its duties or obligations under this Agreement.

**15.16 Time of the Essence.** Time is of the essence in the performance of this Agreement.

**15.17 No Limitations on Actions of OHCS in Exercise of Its Governmental Powers.** Nothing in this Agreement is intended, nor will it be construed, to in any way limit the actions of OHCS in the exercise of its governmental powers. It is the express intention of the Parties that OHCS will retain the full right and ability to exercise its governmental powers with respect to the Subgrantee, the Grant Funds, and the transaction contemplated by this Agreement to the same extent as if it were a party to this Agreement, and in no event will OHCS have any liability in contract arising under this Agreement by virtue of any exercise of its governmental powers.

**15.18 Records Maintenance and Access.** Subgrantee must, and must require and cause its subrecipients to, maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, Subgrantee must, and must require and cause its subrecipients to, maintain any other records, whether in paper, electronic or other form, pertinent to this Agreement in such a manner as to clearly document Subgrantee's and subrecipients' performance. All financial records and other records, whether in paper, electronic or other form, that are pertinent to this Agreement, are collectively referred to as "Records". Subgrantee acknowledges and agrees OHCS and the Oregon Secretary of State's Office and the federal government and their duly authorized representatives will have access to all Records to perform examinations and audits and make excerpts and transcripts. Subgrantee must retain and keep accessible all Records for a minimum of six (6) years, or such longer period as may be required by applicable law, following termination of this Agreement, or until the conclusion of any audit, controversy or litigation arising out of or related to this Agreement, whichever date is later. In its agreements with subrecipients, Subgrantee shall require and cause its subrecipients to comply with the requirements of this Section and to grant right of access to and ownership by OHCS of the subrecipients' books and records related to this Agreement.

**15.19 Audits.**

**15.19.1 OHCS Required Audits.** As required by OHCS, Subgrantee will and will cause its subrecipients to, submit to OHCS financial and compliance audits satisfactory to OHCS for such periods and programs covered by this Agreement.

**15.19.2 Federal Audits.** If Subgrantee expends \$750,000 or more in federal funds (from all sources) in a fiscal year, Subgrantee will have a single organization-wide audit conducted in accordance with the provisions of 2 CFR Subtitle B with guidance at 2 CFR Part 200 and applicable federal regulations.

**15.20 Headings.** The headings and captions to sections of this Agreement have been inserted for identification and reference purposes only and may not be used to construe the meaning or to interpret this Agreement.

## MASTER GRANT AGREEMENT 2021-23

### EXHIBIT C

#### SPECIAL PROVISIONS

##### **1. Procurement.**

Except as specifically provided in this Agreement, OHCS does not waive or herein provide a waiver of any regulations, requirements and/or procedures applicable to use of grant funds. For example, 2 CFR Subtitle B with guidance at 2 CFR Part 200 requires, among other things, Subgrantee's procurement procedures to mandate that all procurement transactions be conducted, as practical, to provide open and free competition. If a proposal identifies a specific entity to provide the services, the OHCS award does not provide the justification or basis to sole-source the procurement.

Subgrantee shall develop and maintain policies and procedures for procuring, by purchase, rental/lease or otherwise, any equipment, supplies, or other goods and services. Subgrantee must ensure that policies reflect guidance at 2 CFR, Part 200 and related regulations, as well as any applicable federal regulations with respect to The Grants Management Common Rule for procurement of all goods or services.

If allowable under this Agreement, with respect to applicable Program Element for which funds will be expended and approved or pre-approved as necessary or required by OHCS:

##### **a. Contracts for Goods and Services.**

1. Subgrantee may contract for services purchased in whole or in part with funds provided under this Agreement. Contractor must be of recognized professional expertise, certification, license, registration, or stature in the relevant field where required. Contractor shall further be registered to do business in the State of Oregon, as required by Oregon Law.  
[http://egov.sos.state.or.us/br/pkg\\_web\\_name\\_srch\\_inq.login](http://egov.sos.state.or.us/br/pkg_web_name_srch_inq.login).
2. In addition, purchases of Fixed Assets must adhere to requirements set forth in 2 CFR Part 200, Subpart D. When Subgrantee purchases any motor vehicle, or any equipment or other property costing more than \$5,000 per unit with funds provided in whole or in part under this Agreement, Subgrantee shall:
  - a. Provide written request to OHCS Program Coordinator prior to the purchase and receive required pre-approval from OHCS specific to the amount and source of funds that will be expended.
  - b. Comply with Exhibit B, Section 5, Fixed Assets.

##### **b. Construction Contracts.**

1. Subgrantee shall comply with, and OHCS' performance hereunder is conditioned upon Subgrantee's compliance with, the terms of this Agreement, including without limitation the provisions of Oregon Revised Statute Chapters 279B and 279C, as amended from time to time.
2. All Construction Contractors must be currently licensed and bonded through the State of Oregon Construction Contractors Board, <https://www.oregon.gov/ceb/Pages/index.aspx>

##### **2. Wage Determinations.**

Subgrantee shall, and shall cause and require its Subrecipients, contractors, and subcontracts, to fully comply with, on projects where DBRA prevailing wage requirements must be paid, the requirements set out in the DOL regulations at 29 CFR Parts 1, 3, and 5 as applicable. In accordance with 29 CFR Part 1, federal agencies directly contracting for weatherization projects or providing assistance under the ARRA to other entities for such projects must include the standard DBRA contract clauses found in 29 CFR 5.5(a) in their bid solicitations, assistance agreements, and the resulting

contracts and grants, and must require that those requirements flow down to any contracts or subcontracts for the performance of the work. See also Exhibit E, Davis-Bacon and Related Acts Provisions and Procedures; [www.wcol.gov](http://www.wcol.gov); and 29 CFR 5.5 - Contract provisions and related matters. Subgrantee shall, and shall cause and require its Subrecipients, contractors, and subcontracts, to fully comply with, on projects where Oregon's prevailing wage rate law, ORS 279C.800 to 279C.870 (PWRL) requirements must be paid, the requirements established therein and as established by the Bureau of Labor and Industry (BOLI), which administers the PWRL.

### **3. Emerging Small, Minority, Women-Owned Business Objectives.**

It is an important business objective of OHCS to promote the economic enhancement of small businesses (SBE), minority businesses (MBE), and women-owned businesses (WBE). Subgrantee shall have a policy that incorporates federal requirements under 2 CFR Part 200.321, including processes for placing qualified small and minority businesses and women's business enterprises on solicitation lists and dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises.

Subgrantee may use the COBID Certification Management System to assist in soliciting quotes or invite bids from MWESBs. <https://oregon4biz.diversitysoftware.com/>

### **4. Subrecipient Agreements (Subawards).**

Subgrantee shall not enter into any agreement or renewal with Subrecipients without prior written approval of OHCS Program Coordinator(s) as outlined in Exhibit B, Section 15.15. OHCS' approval of any subrecipient shall not relieve Subgrantee of any of its duties or obligations under this Agreement.

Subgrantee shall require and cause its subrecipients to comply with all applicable provisions of this Agreement between OHCS and Subgrantee, each of which must be specifically incorporated into the subrecipient agreements in a manner satisfactory to OHCS. OHCS reserves the right to request that any subrecipient agreement be submitted for review and approval by OHCS within ten (10) business days from the date of written request.

Subgrantee shall require and cause that all of its subrecipient agreements related to this Agreement must include language specifying that such agreements are subject to termination upon such a directive to Subgrantee by OHCS and that OHCS shall not be liable to any of the parties of that agreement or to other persons for directing that such agreement be terminated.

Subgrantee shall have a written agreement with each subrecipient that is consistent with this Agreement, including without limitation, relevant Exhibits and Implementation Reports that identify:

- a. The services or benefits that the Subrecipient must provide when delivering the program.
- b. The laws and regulations with which the subrecipient must comply under the terms of the agreement (including but not limited to program specific requirements such as eligibility criteria and matching obligations, public policy for protecting civil rights and the environment, written procedures for appeal by clients of subrecipient determinations, government-wide administrative mandates affecting the Subrecipient's accounting and record keeping systems, and local laws imposed by Subgrantee).
- c. The Subgrantee's and OHCS' monitoring rights and responsibilities and the methods used by Subgrantee for monitoring.
- d. A provision to certify that the Subrecipient is an independent contractor and not an agent of OHCS or of Subgrantee.

### **5. Subgrant or Contractual Determination.**

A Subrecipient is a state government, local government, or nonprofit organization that expends subawarded funds received by Subgrantee from OHCS under this Agreement to carry out a program. Subgrantee must determine whether relevant payments made or to be made by it in furtherance of this Agreement constitute an award under a subgrant received by a Subrecipient or a payment for goods and services under a procurement contract received by a contractor. Determination must be made using the criteria set forth in 2 CFR Part 200.331.

**a. Use of Judgment in Making Determination.**

There may be unusual circumstances or exceptions to the listed characteristics. In making the determination of whether a subgrant or contractual relationship exists, the substance of the relationship is more important than the form of the agreement. It is not expected that all of the characteristics will be uniformly present. Accordingly, prudent judgment shall be exercised by Subgrantee and should be used in determining whether an entity with which it contracts to accomplish its performance under this Agreement is a Subrecipient or vendor.

**b. Applicability to For-profit Subrecipients.**

Subgrantee (as the pass-through entity) shall establish reasonable requirements, as necessary, to ensure compliance by for-profit subrecipients. Consequently, Subgrantee should describe in any agreements with for-profit subrecipients the applicable compliance requirements and the for-profit subrecipient's compliance responsibilities. Methods to ensure compliance for federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the contract and post-award audits.

**c. Compliance Responsibility for Contractors.**

In most cases, the Subgrantee's or other auditee's compliance responsibility for vendors is only to ensure that the procurement, receipt and payment for goods and services comply with laws, regulations and the provisions of contracts or grant agreements. Program compliance requirements normally do not pass through to contractors. However, the Subgrantee or other auditee shall be responsible for ensuring compliance for contractor transactions that are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these contractor transactions relate to a major program, the scope of the audit shall include determining whether these transactions are in compliance with laws, regulations and the provisions of contracts or grant agreements.

Regardless of whether goods or services are provided by a subrecipient or contractor, Subgrantee is still responsible for ensuring compliance with all grant requirements including but not limited to tracking and reporting requirements by the Agreement.

**6. Responsibility for Work.**

Subgrantee shall timely perform all Work identified in this Agreement consistent with its terms and conditions, including without limitation, the Work required with respect to the applicable Program Elements, Implementation Reports, and NOA's. OHCS may add additional approved Implementation Reports and NOAs to Exhibit A of this Agreement from time to time with the written approval of Subgrantee.

**7. Implementation Report(s) and Budget(s).**

Each Implementation Report is unique to the Subgrantee. It must be consistent with and reflect the purposes of the related Program Elements and the methods proposed by the Subgrantee and its subrecipients, in detail acceptable to OHCS, to administer and/or deliver the Work associated with the requirements of the applicable Program Elements. Implementation Report Budgets must reflect the manner, in detail acceptable to OHCS that related grant funds will be employed to accomplish the corresponding Work and are subject to corresponding NOAs.

Subgrantee must request and receive prior written approval from OHCS for amendments to or deviations from its approved Implementation Reports. OHCS may give or withhold such approval at its sole discretion. OHCS may allow the combining of applicable Implementation Reports at its sole discretion.

Subgrantee shall perform all Work in accordance with the terms and conditions of this Agreement, including but not limited to applicable Program Elements, Implementation Reports, and NOAs, in a manner satisfactory to OHCS.

**8. Maintenance of Programmatic Capacity and Non-Compliance.**

Subgrantee shall provide for and maintain the capacity for administration and performance of all Work required under this Agreement so as to result in a timely usage of grant funds.

OHCS remedies for Subgrantee non-compliance with any Work or other Agreement requirements (including all applicable Program Requirements), including for untimely usage of grant funds, may include, among other things, the withholding of requested grant funds or the reduction and redistribution of current or future funding allocations. OHCS may also impose conditions to specific grants received by Subgrantee in the event of reoccurring non-compliance on part of Subgrantee.

**9. Financial Integrity.**

Subgrantee shall be responsible for financial integrity of accounting records and compliance with the following requirements in addition to those otherwise required under this Agreement:

- a. Subgrantee shall and shall cause its subrecipients (including by contract) to, prepare and maintain accurate financial records documenting all expenditures made from funds provided under this Agreement. These records shall include financial and audit reports for the applicable accounting period for the applicable Program Element, including adjustments to reconcile the accounting records.
- b. Subgrantee shall reimburse expenditures of subrecipients under this Agreement only if they are:
  - 1. Named as a subrecipient receiving grant funds in the OHCS approved Implementation Report.
  - 2. In payment of eligible activities or services performed under this Agreement.
  - 3. In payment of services performed or supplies delivered during the applicable Program Element period;
  - 4. In the aggregate not in excess of 100% of the funds provided to the respective applicable Program Element under this Agreement; and
  - 5. Not for duplicate payment for the same activities or services under both this Agreement and any other contract or agreement with Subrecipients.
- c. Subgrantee shall pay its subrecipients within thirty (30) days of the date of requests for payment.
- d. Subgrantee shall maintain documentation of its monitoring of subrecipients. The documentation shall include, but not be limited to:
  - 1. An agreement that complies with the requirements of this Agreement.
  - 2. Documentation of the non-profit status of the subrecipient; and
  - 3. Copies of all of the Subrecipients audits performed under the requirement of 2 CFR Subtitle B with guidance at 2 CFR, Part 200, as well as applicable supplemental regulations, if the subrecipient is required to have such an audit.
  - 4. Documentation of follow up that the subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award as detected through audits, on-site reviews, and other means.

5. Documentation of other methods used by Subgrantee for monitoring subrecipient activities.
- e. Subgrantee shall maintain an Accounting System which conforms with the following requirements:
    1. Expenditures shall be segregated by line-item category within the accounting system of Subgrantee or subrecipient, as the case may be, and reported on the required fiscal reports.
    2. Funds received together with any income that is attributable to funds provided thereby shall be identified and segregated for expenditures relating to the Program Elements for which the original funds were provided. Any allocation methodology shall comply with any requirements applicable to that entity or Program Element.
    3. Receipts that offset or reduce expense items allocable to the Federal award as direct or indirect costs must be credited to the federal award either as a cost reduction (reduction of expense) or cash refund, as appropriate.
  - f. Subgrantee shall develop and maintain a policy that describes all direct and indirect methods of cost allocation that are applicable to OHCS grants.

OHCS may, in its sole discretion, reduce Subgrantee funding and redistribute such grant funding to other Subgrantees. Adjustments pursuant to this subsection may be implemented by means of the Notices of Allocation (NOA) described in this Agreement. This remedy is in addition to any other remedy allowed OHCS under this Agreement.

#### **10. Programmatic Integrity**

Subgrantee shall be responsible for programmatic integrity and compliance with the programmatic intent including but not limited to the following requirements:

Subgrantee shall provide and maintain adequate resources necessary to ensure that all staff, Subgrantee and subrecipient, are adequately trained to perform under this Agreement including, but not limited to the training in processing of eligibility determinations and authorizations or other programmatic and/or grant compliance requirements.

Subgrantee shall comply with programmatic regulations and guidelines as detailed in Exhibit B, Standard Terms and Conditions.

Subgrantee shall have a written procedure for the handling of client appeal of determinations, acceptable to OHCS.

#### **11. Reporting**

In addition to specific reporting requirements addressed elsewhere in this Agreement and, including its Exhibits and Attachments, Subgrantee shall and shall cause its subrecipients (including by contract) to:

Submit the required reports so that they are received by OHCS on or before the due dates specified herein this Agreement, as outlined in the applicable Implementation Report or otherwise, as newly required by any provider of funding under this Agreement, or as otherwise required by OHCS. Subgrantee shall require its subrecipients (including by contract) to submit the required reports to Subgrantee in sufficient time to allow Subgrantee to fulfill its reporting obligations to OHCS.

All reports shall be timely, complete, accurate and satisfactory to OHCS as well as in the format required by OHCS. No funding pursuant to an implementation report will be forthcoming until such implementation report has been approved by OHCS. OHCS reserves the right to require modifications to submitted implementation reports. Funding also may be subject to receipt and approval of other reporting under this Agreement.

Reports must agree with the accounting records maintained by Subgrantee and/or its Subrecipients and be certified by the chief executive officer or their designee of the Subgrantee or its subrecipients, as the case may be.

FSRs (Financial Status Reports) are due to OHCS on the 20<sup>th</sup> of the month following the end of a quarter. All final reports shall be submitted by Subgrantee so as to be received by OHCS on or before the 60th day following the last day of the applicable Program Element period, or the date that all activities funded by this Agreement for that Program Element are completed, whichever is earlier.

If Subgrantee fails to produce or timely submit reports satisfactory to OHCS, OHCS may withhold any or all reimbursement requests of Subgrantee under this Agreement or any other contract or agreement in effect between OHCS and Subgrantee except as expressly limited by law. OHCS also may reduce, suspend, terminate and/or redistribute any or all grant funds due to Subgrantee failure to produce or timely submit reports satisfactory to OHCS.

**12. Eligibility Determination.**

Subgrantee shall make eligibility determinations for its respective Program Element funds in a form and manner prescribed or authorized by OHCS.

## EXHIBIT E

### HISTORIC PRESERVATION

#### 1. Introduction

OHCS has entered into a Programmatic Agreement (“**Programmatic Agreement**”) with the United States Department of Energy (“**USDOE**”), Oregon State Historic Preservation Office (“**ORSHPO**”) and the Advisory Council on Historic Preservation (“**ACHP**”) regarding properties affected by use of federally funded state weatherization assistance.

OHCS has determined that the administration of these programs may have an effect on properties included in or eligible for inclusion in the National Register of Historic Places (National Register) and has consulted with ORSHPO pursuant to 36 CFR 800.13 of the regulations implementing Section 106 of the National Historic Preservation Act (16 U.S.C. 470F).

#### 2. Stipulations

OHCS and Subgrantee agree that the programs will be administered in accordance with the following stipulations to satisfy the Section 106 responsibilities for all individual undertakings of the weatherization assistance.

##### A. APPLICABILITY

Subgrantee shall ensure that the review process established by the Programmatic Agreement will be completed prior to weatherization measures being installed. Undertakings that involve properties greater than fifty (50) years old and are not listed in Section B- Exempt Activities, shall be submitted to the ORSHPO for review in accordance with this agreement.

##### B. EXEMPT ACTIVITIES - PROJECTS NOT REQUIRING REVIEW BY ORSHPO

All undertakings will be done in accordance with applicable local building codes or the International Building Code, where applicable. In accordance with 36 CFR 800.3(a)(1), the following undertakings have been determined to have no potential to cause effects on historic properties:

1. Projects affecting properties less than fifty (50) years old at the time the work takes place; provided it has not been determined to be eligible under National Register Criterion Consideration G for exceptional significance (36 CFR 60.4).
2. Exterior Work
  - a. Air sealing of the building shell, including caulking, weather-stripping, window glazing and in-kind glass replacement on windows and doors, and installing thresholds in a manner that does not harm or obscure historic windows or trim, or prevent them from operating.
  - b. Thermal insulation, such as non-toxic fiberglass and foil wrapped, in walls, floors, ceilings, attics, and foundations in a manner that does not harm or damage historic fabric.
  - c. The installation of dense pack wall insulation when the following conditions are met:
    - i. The installation is performed by a qualified contractor who follows the standards and guidelines that OHCS has implemented for dense pack insulation (dry installation) and must meet the maximum air permeance measured using BPI – 102 “Standard for Air Resistance of Thermal Insulation Used in Retrofit Cavity Applications”;
      1. Cellulose: density of installed insulation must be 3.5 pounds/ cu ft.
      2. Fiberglass: density of installed insulation must be 2.5 pounds/cu ft or meet manufacturer’s specifications. Material must meet ASTM C522, E283, or E2178.
    - ii. The building does not display construction methods, techniques, and/or materials that are uniquely susceptible to damage that could be caused by the introduction of wall insulation (e.g., the siding does not appear to be able to withstand removal and replacement; the siding is masonry or stucco; there appear to be unique historic wall assemblies);

- iii. Portions of the siding are carefully removed before blowing dense pack cellulose into the walls, and then replaced;
  - iv. The exterior wall surface is free from areas where water can leak into the wall cavity (caulking around window openings and other wall penetrations has occurred or is part of the project);
  - v. There are no untreated wood members in direct contact with the ground, and the distance from the ground to the sill plate is more than 6 inches to keep water from wicking up into the wall cavity;
  - vi. The potential for splash back from rain dripping from roofs is minimized with functioning gutters and/or other water diversion features;
  - vii. There are overhanging eaves, and/or other protection is in place to protect the wall surface from the elements (rain and wind);
  - viii. Post diagnostic testing (blower door tests) results must meet the ASHRAE 62.2-2016 Standard;
  - ix. Number of occupants and use is considered in evaluating expected interior moisture levels; and
  - x. Exhaust Fans are installed according to ASHRAE 62.2-2016 Standard.
- d. Removable film on windows (if the film is transparent), solar screens, or window louvers, in a manner that does not harm or obscure historic windows or trim.
  - e. Reflective roof coating in a manner that matches the historic materials and form, or with materials that restore the original feature based on historic evidence, and in a manner that does not alter the roofline, or where not on a primary roof elevation or visible from the public right-of-way.
  - f. Storm windows or doors, and wood screen doors in a manner that does not harm or obscure historic windows or trim.
  - g. In-kind replacement or repair of primary windows, doors and door frames. In-kind is defined as an exact replacement of existing material type, design, dimensions, texture, detailing, finish and exterior appearances.
  - h. Repair of minor roof and wall leaks prior to insulating attics or walls, provided repairs closely resemble existing surface composite.
  - i. Weatherization of mobile homes and trailers.

### 3. Interior Work:

Special Note: Undertakings to interior spaces where the work will not be visible from the public right of way; no structural alterations are made; no demolition of walls, ceilings or floors occurs; no drop ceilings are added; no character defining interior features will be impacted, or no walls are leveled with furring or moved, will be automatically excluded from ORSHPO review. This work includes:

- a. Energy efficiency work within the building shell:

Description.** The Low-Income Home Energy Assistance Program (LIHEAP) is intended to assist low-income households, particularly those with the lowest incomes who pay a high proportion of household income for home energy, primarily to meet their immediate home energy needs. LIHEAP is federally funded by the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Community Services. Services covered by LIHEAP include bill payment assistance, energy education, case management, weatherization, and other energy-related repairs.
- 2. Scope of Work.**
  - A. Subgrantee shall, and shall cause and shall require by contract that its subrecipients comply and perform all work to the satisfaction of OHCS, and in accordance with the terms of this agreement, including its local work plan application as approved by OHCS and supplemented herein, together with applicable legal requirements including CFDA 93.568, 2 U.S.C. 8621, ORS 458.505, 45 CFR 96, and OAR 813-200. The approved work plan application is incorporated herein by reference. The remaining provisions of this Section 2 are supplemental to, and do not limit the obligations of subgrantee or its subrecipients arising under this subsection 2A or otherwise under this agreement.
  - B. Subgrantee shall, and shall cause and shall require its subrecipients by contract to administer LIHEAP funds in a manner satisfactory to OHCS and in compliance with all program requirements, including but not limited to the following terms and conditions:
    - 1) Provide heating and, at subgrantee's discretion, cooling assistance with LIHEAP funds anytime between October 1<sup>st</sup> and September 30<sup>th</sup> as funding allows.
    - 2) At minimum, provide crisis assistance from December 1st through March 15th. If direct service funds are exhausted before March 15th, subgrantee and subrecipients must be available to assist households in crisis by providing information, referral, advocacy, and/or case management services. Subgrantee may choose to offer crisis assistance on a year-round basis.
    - 3) May request approval from OHCS program coordinator to extend timelines for any assistance component based on funding and operational circumstances.
    - 4) Assure that outreach is performed in a manner which ensures all eligible households are made aware of available LIHEAP assistance. This includes but is not limited to placing posters in local and county social service offices, publishing articles in local newspapers, broadcast media announcements, and vendor billing inserts and/or mailings. Subgrantee may also execute interagency agreements with other low-income program offices to perform outreach tasks.
      - a. Households residing in any OHCS multifamily housing portfolio property are considered to be year-round priorities for outreach. These properties have been supported with public funds and the preservation and stabilization of this housing is a priority for the State of Oregon. A current list is available on the OHCS website in both an Excel version or as a PDF.
      - b. OHCS is committed to "Meaningfully engage culturally specific and culturally responsive organizations and their constituents to ensure OHCS policies, practices, systems of accountability and

program awards are designed to advance equity and racial justice and meet the needs of communities of color.”

- 5) Assure applications for the LIHEAP program (every component, including crisis) shall be accepted at sites that are geographically accessible to all households across their service area.
- 6) Ensure that individuals who are “homebound” (physically infirm) shall be provided alternative application methods, including, but not limited to phone, mail and/or home visits.
- 7) May choose to prioritize vulnerable populations (including elderly, disabled and families with young children) for a brief phase at the start of the heating or cooling season. Priority intake periods are intended to allow for additional time and outreach necessary to provide quality services to vulnerable populations, and shall not exclude non-targeted households for more than a short period of time.

Clear policies for application, eligibility and outreach practices must be outlined in the local work plan application and approved by OHCS. Examples of targeted populations include, but are not limited to:

If for any reason an eligible tribal member is unable to access their tribal LIHEAP program (e.g., out of funds, geographically inaccessible, unanticipated hardship) they should be served as any other eligible household. Households affiliated with tribes not receiving LIHEAP funds from HHS should be treated as any other applicant. Any deviation from these policies must be approved by OHCS.
- 10) Assure that households receiving LIHEAP benefits are determined to be eligible based on guidelines provided annually by OHCS.
- 11) Use the benefit matrix and payment guidelines as outlined in the Energy Assistance Operations Manual to determine LIHEAP benefit levels. Any variation from statewide payment levels or types must be approved by OHCS.

These timeframes must be documented to ensure compliance with federal requirements and must include comments outlining how the situation was addressed.
- 13) Provide any of the following forms of assistance, or a combination thereof, to resolve energy related emergencies:
  - a) Bill payment assistance
  - b) Heating or cooling system repair or replacement- includes repair, replacement, or conversion of inoperative, non-functional, or unsafe household heating or cooling equipment necessary to alleviate

- c) Other equipment repair/replacement- includes repair or replacement of energy-related inoperative, non-functional, or unsafe household appliances/equipment necessary to alleviate home energy crisis. When considering equipment repair or replacement, considerable effort should be made to supplement LIHEAP funds with other leveraged resources.
  - d) Other emergency services- including, but not limited to, information, referral, coordination of benefits, advocacy, case management and/or other goods and services necessary to relieve immediate threat to health and safety.

Subgrantee shall outline policies and procedures for awarding Assurance 16 funding in their local workplan application.
  - 16) Assure that participating home energy supplier sign and comply with vendor contracts and ensure that no home energy supplier is paid with LIHEAP funds without a signed contract. In cases where a home energy supplier is not under contract, households may be paid directly.
  - 17) Authenticate all home energy suppliers paid with LIHEAP funds. A process for authentication (e.g. verifiable tax ID, business documentation) must be outlined and approved in the local work plan application.
  - 18) Pay home energy suppliers within 45 days of committing a LIHEAP benefit, unless otherwise specified in the vendor contract.

**BACKGROUND:**

The Social Services Division (SSD) of the Health, Housing, and Human Services Department requests the approval of Amendment #5 with Clackamas Women’s Services for System Diversion, Homelessness Prevention, and Rapid Re-Housing Services. This agreement is funded with Emergency Housing Assistance state grant funds passed through to SSD from Oregon Housing and Community Services (OHCS). OHCS executed the County’s 21-23 Master Grant Revenue Agreement to fund this program, along with many others providing services to low income households, in August 2021. Since the agreement was executed, SSD has been working with OHCS on approval of work plans, subrecipient lists and budgets for each individual funding stream in order to be able to spend funds.

**1.1.2 Implementation Report.** OHCS' disbursement of Grant Funds to Subgrantee are contingent upon Subgrantee's prior submission to OHCS and OHCS' review and acceptance of Subgrantee's plan to execute the Program work in accordance with the applicable Program Elements (the "Implementation Report"). At OHCS's sole discretion, OHCS may disburse Grant Funds prior to the submission and approval of an Implementation Report.

**1.1.3 Notices of Allocation (NOAs).** Upon its acceptance of Subgrantee's Implementation Report, OHCS will issue through OPUS one or more Notices of Allocation (NOAs) to Subgrantee to indicate the approval of the Implementation Report. Subgrantee is subject to, and will comply with, all such NOA terms and conditions including this Agreement and the applicable Program Elements. Any NOA issued as described herein is immediately effective, is incorporated into and constitutes a part of this Agreement. Subgrantee accepts a NOA, including modifications thereto, upon undertaking performance of the Program work funded by the NOA. OHCS reserves the right in its sole discretion to modify, correct, adjust, or terminate any NOAs. OHCS' modification or termination of a NOA does not terminate OHCS' remedies with respect to Subgrantee's performance or non-performance of obligations due under this Agreement.

**1.1.4 Federal Funding Terms.** Grant Funds that are derived from federal sources are subject to the terms under which they are received. Subject to the availability of Program funds, OHCS having continued funding, appropriation, limitation, allotment, or other expenditure authority sufficient to allow it, in the exercise of its reasonable administrative discretion, to meet its obligations under this Agreement, and conditioned upon the terms and conditions of this Agreement, OHCS will make the Grant Funds to Subgrantee up to the maximum principal amount stated in Section 3 (Consideration) of the Agreement, to perform under this Agreement. OHCS will provide Grant Funds to Subgrantee only upon approved reimbursement requests for allowable costs incurred or if allowed by OHCS to be incurred by Subgrantee consistent with the terms and conditions of this Agreement, including applicable Program Elements.

**1.1.5 Backup Documentation; Substantiation.**

**1.1.5.1** Subgrantee must provide to OHCS any information or detail regarding the expenditure of Grant Funds required under the Implementation Report and applicable Program Elements prior to disbursement or as OHCS may request.

OHCS may require such other information or clarification as it deems necessary or appropriate in its sole discretion.

OHCS will only disburse Grant Funds to Subgrantee for activities completed or materials produced, that, if required by the Implementation Report or applicable Program Elements, are approved by OHCS. If OHCS determines any completed Program work is not acceptable and any deficiencies are the responsibility of Subgrantee, OHCS will prepare a detailed written description of the deficiencies within fifteen (15) days of receipt of the materials or performance of the activity and will deliver such notice to Subgrantee. Subgrantee must correct any deficiencies at no additional cost to OHCS within fifteen (15) days. Subgrantee may resubmit a request for disbursement that includes evidence satisfactory to OHCS demonstrating deficiencies were corrected.

**1.2 Conditions Precedent to Disbursement.** OHCS' obligation to disburse Grant Funds to Subgrantee under this Agreement is subject to satisfaction of each of the following conditions precedent:

Further, in accordance with U.S. Treasury Regulations, 31 CFR Part 205, implementing the Cash Management Improvement Act, Subgrantee must limit any request for Grant Funds to the minimum amount needed to accomplish its described purposes and to time the request in accordance with the actual, immediate cash requirements of the Subgrantee in performing the Program work. Submission of proper account records showing revenue and expenditures for the reporting period must be submitted as documentation to support the amounts being requested. The foregoing requirements apply to all Grant Funds requested under this Agreement.

**1.3.2 Advance of Funds (Projected).** Subgrantee may request to be paid in advance, provided it maintains or demonstrates the willingness to maintain both written procedures that minimize the time elapsing between the transfer of funds and disbursement, and financial management systems that meet the standards for fund control and accountability as established in this part. Advance payments to the Subgrantee must be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the Subgrantee in carrying out the purposes of the grant as described in this Agreement. The timing and amount of advance payments must be as close as is administratively feasible to the actual disbursements by the Subgrantee for allowable grant direct costs and the proportionate share of any allowable indirect costs. Subgrantee must make timely payment to contractors in accordance with the contract provisions. Advance grant fund payments are at OHCS' sole discretion and will be made only as close as is administratively feasible to the actual use by the Subgrantee for applicable direct or indirect Program work costs and only up to the proportionate share of such allowable costs as is permitted under the Agreement, including applicable Program Elements.

**1.3.3 Reimbursement of Funds.** When the Subgrantee requests payment by reimbursement, reimbursement is the preferred method when the requirements in Section 1.4.2 of this Exhibit B above cannot be met. ### **1.4 Disallowance of Costs.**

**1.4.1** OHCS is not responsible nor will it pay for any costs disallowed either upon a request for funds or as a result of any audit, review, site visit, or other disallowance action by OHCS, except for costs incurred by Subgrantee solely due to the willful misconduct or gross negligence of OHCS, its employees, officers, or agents. If a cost is disallowed by OHCS after reimbursement has occurred, Subgrantee shall repay all disallowed costs to OHCS upon written notice within the time frame specified by OHCS, which in no event shall exceed thirty (30) days.

**1.4.2** If Subgrantee is a county, such disallowed costs may be recovered by OHCS only through repayment, withholding, or by other means authorized by this Agreement or as allowed at law not inconsistent with the Oregon Constitution, and particularly Article XI, Section 10 and consistent with the applicable Program Elements and specifically requirements set forth by the federal government.

**1.4.3** If Subgrantee is other than a county, OHCS may recover such disallowed costs through repayment, withholding, offset, or other means permitted under this Agreement, by law or otherwise but consistent with the applicable Program Elements and specifically requirements set forth by the federal government.

**1.5 Unallowable Costs and Lobbying Activities.** Subgrantee will review and comply with the applicable Program Elements and adhere to provisions on allowable costs and expenditures. Subgrantee will, among other obligations, comply with the provisions prohibiting the expenditure of funds for lobbying and related activities, whether in 2 CFR

Part 230, 2 CFR Part 225, or otherwise, as such provisions may be modified from time to time. If Subgrantee makes expenditures or incurs costs for purposes or amounts inconsistent with the allowable costs of the Grant Funds as described in the Implementation Report, applicable Program Elements, or elsewhere in this Agreement, such funds are subject to recapture and OHCS may exercise any and all remedies under this Agreement to otherwise available at law.

**1.6 No Duplicate Payments.** Subgrantee may use other funds in addition to the Grant Funds to complete the Program work; provided, however, the Subgrantee may not credit or pay any Grant Funds for Program work costs that are paid for with other funds and would result in duplicate funding. Subgrantee is provided thirty (30) days to return the duplicative payments. After thirty (30) days, if a duplicate payment has not been returned or applied to a cost not already covered by Program funding, reimbursement of the duplicate payment must be made to OHCS and shall include the entire amount of duplicate payment funds received regardless of OHCS reimbursement amounts.

**1.7 Suspension of Funding and Project.** OHCS may by written notice to Subgrantee, temporarily cease funding and require Subgrantee to stop all, or any part, of the Program work for a period of up to 180 days after the date of the notice, if OHCS has or reasonably projects that it will have insufficient funds from the Program funding source to disburse the full amount of the Grant Funds. Upon receipt of the notice, Subgrantee must immediately cease all Program work, or if that is impossible, must take all necessary steps to minimize the Program work.

If OHCS subsequently projects that it will have sufficient funds, OHCS will notify Subgrantee that it may resume activities. If sufficient funds do not become available, Subgrantee and OHCS will work together to amend this Agreement and any applicable NOAs to revise the amount of Grant Funds and Program work to reflect the available funds. If sufficient funding does not become available or an amendment is not agreed to within a period of 180 days after issuance of the notice, OHCS will either (i) cancel or modify its cessation order by a supplemental written notice, or (ii) terminate this Agreement as permitted by either the termination at OHCS' discretion or for cause provisions of this Agreement.

- At 75% through expenditure period, at least 65% of the funding must be spent
- At 90% through expenditure period, at least 90% of the funding must be spent

Any spending below these targets will be evaluated against the Subgrantee's time-bound expenditure plan (which outlines the Subgrantee's flexible spend rate) as approved by and on file with OHCS. Any spending below these stated rates is subject to rescission of Grant Funds. Any amount of funding greater than 10% of a funding source's total allocation or a combined total of \$100,000 that is subject to rescission will trigger Community Action Agency (CAA) Board Notification.

**2.2 OHCS and Subgrantee Collaboration to Cure.** When spending is below the thresholds described above, and prior to funding rescission, OHCS and Subgrantee agree to collaborate to find solutions that resolve the issues, provided it is within OHCS' control (in its sole discretion) to adjust to meet Subgrantee's needs and does not conflict with federal law. OHCS will allow proposals from subgrantee to cure spending issues and prevent funding rescission. Subgrantee will have 30 days to modify Implementation Reports and update the flexible spend rate in the time-bound expenditure plans to demonstrate how compliance with spending targets will be achieved.

### **2.3 Subgrantee Board and Housing Stability Council Notification Protocols.**

**2.3.1 Board Notification.** OHCS will notify Subgrantee's Board Chair and Subgrantee's Executive Director about the potential funding rescission. **2.3.2 Housing Stability Council Notification.** If all efforts to retain funding in Subgrantee's intended community fail, a report to the Housing Stability Council will be generated which outlines the facts and circumstances associated with the funding rescission.

**2.4 Withholding, Retention, and Redistribution of Grant Funds.**

**2.4.1 Withholding.** OHCS may withhold any and all undisbursed Grant Funds from Subgrantee if OHCS determines, in its sole discretion, that Subgrantee has failed to timely satisfy any material obligation arising under this Agreement, including but not limited to compliance with the applicable Program Elements, providing complete, accurate and timely reports in a form satisfactory to OHCS, or if OHCS determines that the rate or scale of request for Grant Funds in any expenditure category materially deviates from an applicable NOA or is unsubstantiated by related documentation.

**2.4.2 Retention or Redistribution of Grant Funds.**

**2.4.2.1 Due to Non-Timely Use.** If Grant Funds are not obligated for reimbursement by Subgrantee in a timely manner as determined by OHCS at its sole discretion, OHCS may in its sole discretion, reduce Subgrantee's Grant Funds and redistribute Grant Funds to other subgrantees or retain such funds for other OHCS use, within applicable state and federal law. OHCS may implement adjustments pursuant to this subsection by modifying the applicable NOA(s). This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

**2.4.2.2 Due to Substantial Difference.** If the rate of request for any expenditure or cost category is substantially different (as determined by OHCS in its sole discretion) that in OHCS-approved budget submissions, including applicable NOAs, OHCS has sole discretion to reduce and redistribute or retain any and all funds otherwise available to Subgrantee under this Agreement. OHCS may implement adjustments pursuant to this subsection by modifying the applicable NOA. This remedy is in addition to any other remedies available to OHCS under this Agreement.

Subgrantee, instead shall return any remaining unexpended Grant Funds in excess of the modified NOA to OHCS within thirty (30) calendar days of the modified NOA unless another use of such funds is authorized in writing by OHCS. This remedy is in addition to any other remedies available to OHCS under this Agreement or otherwise.

**2.4.3.2 Due to Overpayment.** If OHCS makes overpayment of Grant Funds to Subgrantee in response to one or more funds requests, whether or not the underlying request(s) were inaccurate, Subgrantee shall repay such overpayment within thirty (30) calendar days of its discovery by Subgrantee or upon notice by OHCS, unless OHCS in writing designates an earlier time for repayment or authorizes another use by Subgrantee of such overpayment. Subgrantee will timely report to OHCS any perceived or actual conflict of interest. **15.2 Nonappropriation.** OHCS' obligation to pay any amounts and otherwise perform its duties under this Agreement is conditioned upon OHCS receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow OHCS, in the exercise of its reasonable administrative discretion, to meet its obligations under this Agreement. Nothing in this Agreement may be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of OHCS.

### **15.3 Amendments.**

**15.3.1** OHCS reserves the right to add or amend Implementation Reports and NOAs. **MASTER GRANT AGREEMENT 2021-23**

**EXHIBIT C**

**SPECIAL PROVISIONS**

**1. Procurement.**

Except as specifically provided in this Agreement, OHCS does not waive or herein provide a waiver of any regulations, requirements and/or procedures applicable to use of grant funds. For example, 2 CFR Subtitle B with guidance at 2 CFR Part 200 requires, among other things, Subgrantee's procurement procedures to mandate that all procurement transactions be conducted, as practical, to provide open and free competition. If a proposal identifies a specific entity to provide the services, the OHCS award does not provide the justification or basis to sole-source the procurement.

Subgrantee shall develop and maintain policies and procedures for procuring, by purchase, rental/lease or otherwise, any equipment, supplies, or other goods and services. Subgrantee must ensure that policies reflect guidance at 2 CFR, Part 200 and related regulations, as well as any applicable federal regulations with respect to The Grants Management Common Rule for procurement of all goods or services.

If allowable under this Agreement, with respect to applicable Program Element for which funds will be expended and approved or pre-approved as necessary or required by OHCS:

**a. Contracts for Goods and Services.**

1. Subgrantee may contract for services purchased in whole or in part with funds provided under this Agreement. Contractor must be of recognized professional expertise, certification, license, registration, or stature in the relevant field where required. Contractor shall further be registered to do business in the State of Oregon, as required by Oregon Law.  
[http://egov.sos.state.or.us/br/pkg\\_web\\_name\\_srch\\_inq.login](http://egov.sos.state.or.us/br/pkg_web_name_srch_inq.login).
2. In addition, purchases of Fixed Assets must adhere to requirements set forth in 2 CFR Part 200, Subpart D. When Subgrantee purchases any motor vehicle, or any equipment or other property costing more than \$5,000 per unit with funds provided in whole or in part under this Agreement, Subgrantee shall:
  - a. Provide written request to OHCS Program Coordinator prior to the purchase and receive required pre-approval from OHCS specific to the amount and source of funds that will be expended.
  - b. Comply with Exhibit B, Section 5, Fixed Assets.

**b. Construction Contracts.**

1. Subgrantee shall comply with, and OHCS' performance hereunder is conditioned upon Subgrantee's compliance with, the terms of this Agreement, including without limitation the provisions of Oregon Revised Statute Chapters 279B and 279C, as amended from time to time.
2. All Construction Contractors must be currently licensed and bonded through the State of Oregon Construction Contractors Board, <https://www.oregon.gov/ceb/Pages/index.aspx>

**2. Wage Determinations.**

Subgrantee shall, and shall cause and require its Subrecipients, contractors, and subcontracts, to fully comply with, on projects where DBRA prevailing wage requirements must be paid, the requirements set out in the DOL regulations at 29 CFR Parts 1, 3, and 5 as applicable. In accordance with 29 CFR Part 1, federal agencies directly contracting for weatherization projects or providing assistance under the ARRA to other entities for such projects must include the standard DBRA contract clauses found in 29 CFR 5.5(a) in their bid solicitations, assistance agreements, and the resulting

contracts and grants, and must require that those requirements flow down to any contracts or subcontracts for the performance of the work. See also Exhibit E, Davis-Bacon and Related Acts Provisions and Procedures; [www.wcol.gov](http://www.wcol.gov); and 29 CFR 5.5 - Contract provisions and related matters. Subgrantee shall, and shall cause and require its Subrecipients, contractors, and subcontracts, to fully comply with, on projects where Oregon's prevailing wage rate law, ORS 279C.800 to 279C.870 (PWRL) requirements must be paid, the requirements established therein and as established by the Bureau of Labor and Industry (BOLI), which administers the PWRL.

### **3. Emerging Small, Minority, Women-Owned Business Objectives.**

It is an important business objective of OHCS to promote the economic enhancement of small businesses (SBE), minority businesses (MBE), and women-owned businesses (WBE). Subgrantee shall have a policy that incorporates federal requirements under 2 CFR Part 200.321, including processes for placing qualified small and minority businesses and women's business enterprises on solicitation lists and dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises.

Subgrantee may use the COBID Certification Management System to assist in soliciting quotes or invite bids from MWESBs. <https://oregon4biz.diversitysoftware.com/>

### **4. Subrecipient Agreements (Subawards).**

Subgrantee shall not enter into any agreement or renewal with Subrecipients without prior written approval of OHCS Program Coordinator(s) as outlined in Exhibit B, Section 15.15. OHCS' approval of any subrecipient shall not relieve Subgrantee of any of its duties or obligations under this Agreement.

Subgrantee shall require and cause its subrecipients to comply with all applicable provisions of this Agreement between OHCS and Subgrantee, each of which must be specifically incorporated into the subrecipient agreements in a manner satisfactory to OHCS. OHCS reserves the right to request that any subrecipient agreement be submitted for review and approval by OHCS within ten (10) business days from the date of written request.

Subgrantee shall require and cause that all of its subrecipient agreements related to this Agreement must include language specifying that such agreements are subject to termination upon such a directive to Subgrantee by OHCS and that OHCS shall not be liable to any of the parties of that agreement or to other persons for directing that such agreement be terminated.

Subgrantee shall have a written agreement with each subrecipient that is consistent with this Agreement, including without limitation, relevant Exhibits and Implementation Reports that identify:

- a. The services or benefits that the Subrecipient must provide when delivering the program.
- b. The laws and regulations with which the subrecipient must comply under the terms of the agreement (including but not limited to program specific requirements such as eligibility criteria and matching obligations, public policy for protecting civil rights and the environment, written procedures for appeal by clients of subrecipient determinations, government-wide administrative mandates affecting the Subrecipient's accounting and record keeping systems, and local laws imposed by Subgrantee).
- c. The Subgrantee's and OHCS' monitoring rights and responsibilities and the methods used by Subgrantee for monitoring.
- d. A provision to certify that the Subrecipient is an independent contractor and not an agent of OHCS or of Subgrantee.

### **5. Subgrant or Contractual Determination.**

A Subrecipient is a state government, local government, or nonprofit organization that expends subawarded funds received by Subgrantee from OHCS under this Agreement to carry out a program. Subgrantee must determine whether relevant payments made or to be made by it in furtherance of this Agreement constitute an award under a subgrant received by a Subrecipient or a payment for goods and services under a procurement contract received by a contractor. Determination must be made using the criteria set forth in 2 CFR Part 200.331.

**a. Use of Judgment in Making Determination.**

There may be unusual circumstances or exceptions to the listed characteristics. In making the determination of whether a subgrant or contractual relationship exists, the substance of the relationship is more important than the form of the agreement. It is not expected that all of the characteristics will be uniformly present. Accordingly, prudent judgment shall be exercised by Subgrantee and should be used in determining whether an entity with which it contracts to accomplish its performance under this Agreement is a Subrecipient or vendor.

**b. Applicability to For-profit Subrecipients.**

Subgrantee (as the pass-through entity) shall establish reasonable requirements, as necessary, to ensure compliance by for-profit subrecipients. Consequently, Subgrantee should describe in any agreements with for-profit subrecipients the applicable compliance requirements and the for-profit subrecipient's compliance responsibilities. Methods to ensure compliance for federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the contract and post-award audits.

**c. Compliance Responsibility for Contractors.**

In most cases, the Subgrantee's or other auditee's compliance responsibility for vendors is only to ensure that the procurement, receipt and payment for goods and services comply with laws, regulations and the provisions of contracts or grant agreements. Program compliance requirements normally do not pass through to contractors. However, the Subgrantee or other auditee shall be responsible for ensuring compliance for contractor transactions that are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these contractor transactions relate to a major program, the scope of the audit shall include determining whether these transactions are in compliance with laws, regulations and the provisions of contracts or grant agreements.

Regardless of whether goods or services are provided by a subrecipient or contractor, Subgrantee is still responsible for ensuring compliance with all grant requirements including but not limited to tracking and reporting requirements by the Agreement.

**6. Responsibility for Work.**

Subgrantee shall timely perform all Work identified in this Agreement consistent with its terms and conditions, including without limitation, the Work required with respect to the applicable Program Elements, Implementation Reports, and NOA's. OHCS may add additional approved Implementation Reports and NOAs to Exhibit A of this Agreement from time to time with the written approval of Subgrantee.

**7. Implementation Report(s) and Budget(s).**

Each Implementation Report is unique to the Subgrantee. It must be consistent with and reflect the purposes of the related Program Elements and the methods proposed by the Subgrantee and its subrecipients, in detail acceptable to OHCS, to administer and/or deliver the Work associated with the requirements of the applicable Program Elements. Implementation Report Budgets must reflect the manner, in detail acceptable to OHCS that related grant funds will be employed to accomplish the corresponding Work and are subject to corresponding NOAs.

Subgrantee must request and receive prior written approval from OHCS for amendments to or deviations from its approved Implementation Reports. OHCS may give or withhold such approval at its sole discretion. OHCS may allow the combining of applicable Implementation Reports at its sole discretion.

Subgrantee shall perform all Work in accordance with the terms and conditions of this Agreement, including but not limited to applicable Program Elements, Implementation Reports, and NOAs, in a manner satisfactory to OHCS.

**8. Maintenance of Programmatic Capacity and Non-Compliance.**

Subgrantee shall provide for and maintain the capacity for administration and performance of all Work required under this Agreement so as to result in a timely usage of grant funds.

OHCS remedies for Subgrantee non-compliance with any Work or other Agreement requirements (including all applicable Program Requirements), including for untimely usage of grant funds, may include, among other things, the withholding of requested grant funds or the reduction and redistribution of current or future funding allocations. OHCS may also impose conditions to specific grants received by Subgrantee in the event of reoccurring non-compliance on part of Subgrantee.

**9. Financial Integrity.**

Subgrantee shall be responsible for financial integrity of accounting records and compliance with the following requirements in addition to those otherwise required under this Agreement:

- a. Subgrantee shall and shall cause its subrecipients (including by contract) to, prepare and maintain accurate financial records documenting all expenditures made from funds provided under this Agreement. These records shall include financial and audit reports for the applicable accounting period for the applicable Program Element, including adjustments to reconcile the accounting records.
- b. Subgrantee shall reimburse expenditures of subrecipients under this Agreement only if they are:
  - 1. Named as a subrecipient receiving grant funds in the OHCS approved Implementation Report.
  - 2. In payment of eligible activities or services performed under this Agreement.
  - 3. In payment of services performed or supplies delivered during the applicable Program Element period;
  - 4. In the aggregate not in excess of 100% of the funds provided to the respective applicable Program Element under this Agreement; and
  - 5. Not for duplicate payment for the same activities or services under both this Agreement and any other contract or agreement with Subrecipients.
- c. Subgrantee shall pay its subrecipients within thirty (30) days of the date of requests for payment.
- d. Subgrantee shall maintain documentation of its monitoring of subrecipients. The documentation shall include, but not be limited to:
  - 1. An agreement that complies with the requirements of this Agreement.
  - 2. Documentation of the non-profit status of the subrecipient; and
  - 3. Copies of all of the Subrecipients audits performed under the requirement of 2 CFR Subtitle B with guidance at 2 CFR, Part 200, as well as applicable supplemental regulations, if the subrecipient is required to have such an audit.
  - 4. Documentation of follow up that the subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award as detected through audits, on-site reviews, and other means.

5. Documentation of other methods used by Subgrantee for monitoring subrecipient activities.
- e. Subgrantee shall maintain an Accounting System which conforms with the following requirements:
  1. Expenditures shall be segregated by line-item category within the accounting system of Subgrantee or subrecipient, as the case may be, and reported on the required fiscal reports.
  2. Funds received together with any income that is attributable to funds provided thereby shall be identified and segregated for expenditures relating to the Program Elements for which the original funds were provided. Any allocation methodology shall comply with any requirements applicable to that entity or Program Element.
  3. Receipts that offset or reduce expense items allocable to the Federal award as direct or indirect costs must be credited to the federal award either as a cost reduction (reduction of expense) or cash refund, as appropriate.
- f. Subgrantee shall develop and maintain a policy that describes all direct and indirect methods of cost allocation that are applicable to OHCS grants.

OHCS may, in its sole discretion, reduce Subgrantee funding and redistribute such grant funding to other Subgrantees. Adjustments pursuant to this subsection may be implemented by means of the Notices of Allocation (NOA) described in this Agreement. This remedy is in addition to any other remedy allowed OHCS under this Agreement.

#### **10. Programmatic Integrity**

Subgrantee shall be responsible for programmatic integrity and compliance with the programmatic intent including but not limited to the following requirements:

Subgrantee shall provide and maintain adequate resources necessary to ensure that all staff, Subgrantee and subrecipient, are adequately trained to perform under this Agreement including, but not limited to the training in processing of eligibility determinations and authorizations or other programmatic and/or grant compliance requirements.

Subgrantee shall comply with programmatic regulations and guidelines as detailed in Exhibit B, Standard Terms and Conditions.

Subgrantee shall have a written procedure for the handling of client appeal of determinations, acceptable to OHCS.

#### **11. Reporting**

In addition to specific reporting requirements addressed elsewhere in this Agreement and, including its Exhibits and Attachments, Subgrantee shall and shall cause its subrecipients (including by contract) to:

Submit the required reports so that they are received by OHCS on or before the due dates specified herein this Agreement, as outlined in the applicable Implementation Report or otherwise, as newly required by any provider of funding under this Agreement, or as otherwise required by OHCS. Subgrantee shall require its subrecipients (including by contract) to submit the required reports to Subgrantee in sufficient time to allow Subgrantee to fulfill its reporting obligations to OHCS.

All reports shall be timely, complete, accurate and satisfactory to OHCS as well as in the format required by OHCS. No funding pursuant to an implementation report will be forthcoming until such implementation report has been approved by OHCS. OHCS reserves the right to require modifications to submitted implementation reports. Funding also may be subject to receipt and approval of other reporting under this Agreement.

Reports must agree with the accounting records maintained by Subgrantee and/or its Subrecipients and be certified by the chief executive officer or their designee of the Subgrantee or its subrecipients, as the case may be.

FSRs (Financial Status Reports) are due to OHCS on the 20<sup>th</sup> of the month following the end of a quarter. All final reports shall be submitted by Subgrantee so as to be received by OHCS on or before the 60th day following the last day of the applicable Program Element period, or the date that all activities funded by this Agreement for that Program Element are completed, whichever is earlier.

If Subgrantee fails to produce or timely submit reports satisfactory to OHCS, OHCS may withhold any or all reimbursement requests of Subgrantee under this Agreement or any other contract or agreement in effect between OHCS and Subgrantee except as expressly limited by law. OHCS also may reduce, suspend, terminate and/or redistribute any or all grant funds due to Subgrantee failure to produce or timely submit reports satisfactory to OHCS.

**12. Eligibility Determination.**

Subgrantee shall make eligibility determinations for its respective Program Element funds in a form and manner prescribed or authorized by OHCS.

## EXHIBIT E

### HISTORIC PRESERVATION

#### 1. Introduction

OHCS has entered into a Programmatic Agreement (“**Programmatic Agreement**”) with the United States Department of Energy (“**USDOE**”), Oregon State Historic Preservation Office (“**ORSHPO**”) and the Advisory Council on Historic Preservation (“**ACHP**”) regarding properties affected by use of federally funded state weatherization assistance.

OHCS has determined that the administration of these programs may have an effect on properties included in or eligible for inclusion in the National Register of Historic Places (National Register) and has consulted with ORSHPO pursuant to 36 CFR 800.13 of the regulations implementing Section 106 of the National Historic Preservation Act (16 U.S.C. 470F).

#### 2. Stipulations

OHCS and Subgrantee agree that the programs will be administered in accordance with the following stipulations to satisfy the Section 106 responsibilities for all individual undertakings of the weatherization assistance.

##### A. APPLICABILITY

Subgrantee shall ensure that the review process established by the Programmatic Agreement will be completed prior to weatherization measures being installed. Undertakings that involve properties greater than fifty (50) years old and are not listed in Section B- Exempt Activities, shall be submitted to the ORSHPO for review in accordance with this agreement.

##### B. EXEMPT ACTIVITIES - PROJECTS NOT REQUIRING REVIEW BY ORSHPO

All undertakings will be done in accordance with applicable local building codes or the International Building Code, where applicable. In accordance with 36 CFR 800.3(a)(1), the following undertakings have been determined to have no potential to cause effects on historic properties:

1. Projects affecting properties less than fifty (50) years old at the time the work takes place; provided it has not been determined to be eligible under National Register Criterion Consideration G for exceptional significance (36 CFR 60.4).
2. Exterior Work
  - a. Air sealing of the building shell, including caulking, weather-stripping, window glazing and in-kind glass replacement on windows and doors, and installing thresholds in a manner that does not harm or obscure historic windows or trim, or prevent them from operating.
  - b. Thermal insulation, such as non-toxic fiberglass and foil wrapped, in walls, floors, ceilings, attics, and foundations in a manner that does not harm or damage historic fabric.
  - c. The installation of dense pack wall insulation when the following conditions are met:
    - i. The installation is performed by a qualified contractor who follows the standards and guidelines that OHCS has implemented for dense pack insulation (dry installation) and must meet the maximum air permeance measured using BPI – 102 “Standard for Air Resistance of Thermal Insulation Used in Retrofit Cavity Applications”;
      1. Cellulose: density of installed insulation must be 3.5 pounds/ cu ft.
      2. Fiberglass: density of installed insulation must be 2.5 pounds/cu ft or meet manufacturer’s specifications. Material must meet ASTM C522, E283, or E2178.
    - ii. The building does not display construction methods, techniques, and/or materials that are uniquely susceptible to damage that could be caused by the introduction of wall insulation (e.g., the siding does not appear to be able to withstand removal and replacement; the siding is masonry or stucco; there appear to be unique historic wall assemblies);

- iii. Portions of the siding are carefully removed before blowing dense pack cellulose into the walls, and then replaced;
  - iv. The exterior wall surface is free from areas where water can leak into the wall cavity (caulking around window openings and other wall penetrations has occurred or is part of the project);
  - v. There are no untreated wood members in direct contact with the ground, and the distance from the ground to the sill plate is more than 6 inches to keep water from wicking up into the wall cavity;
  - vi. The potential for splash back from rain dripping from roofs is minimized with functioning gutters and/or other water diversion features;
  - vii. There are overhanging eaves, and/or other protection is in place to protect the wall surface from the elements (rain and wind);
  - viii. Post diagnostic testing (blower door tests) results must meet the ASHRAE 62.2-2016 Standard;
  - ix. Number of occupants and use is considered in evaluating expected interior moisture levels; and
  - x. Exhaust Fans are installed according to ASHRAE 62.2-2016 Standard.
- d. Removable film on windows (if the film is transparent), solar screens, or window louvers, in a manner that does not harm or obscure historic windows or trim.
  - e. Reflective roof coating in a manner that matches the historic materials and form, or with materials that restore the original feature based on historic evidence, and in a manner that does not alter the roofline, or where not on a primary roof elevation or visible from the public right-of-way.
  - f. Storm windows or doors, and wood screen doors in a manner that does not harm or obscure historic windows or trim.
  - g. In-kind replacement or repair of primary windows, doors and door frames. In-kind is defined as an exact replacement of existing material type, design, dimensions, texture, detailing, finish and exterior appearances.
  - h. Repair of minor roof and wall leaks prior to insulating attics or walls, provided repairs closely resemble existing surface composite.
  - i. Weatherization of mobile homes and trailers.

### 3. Interior Work:

Special Note: Undertakings to interior spaces where the work will not be visible from the public right of way; no structural alterations are made; no demolition of walls, ceilings or floors occurs; no drop ceilings are added; no character defining interior features will be impacted, or no walls are leveled with furring or moved, will be automatically excluded from ORSHPO review. This work includes:

- a. Energy efficiency work within the building shell:

Board of County Commissioners  
Clackamas County

Members of the Board:

Resolution to support designation of the  
Clackamas County Rural Renewable Energy Development Zone (RREDZ)

<b>Purpose/Outcome</b>	Approve a resolution to designate the Clackamas County Rural Renewable Energy Development Zone (RREDZ).
<b>Dollar Amount and Fiscal Impact</b>	The fiscal impact would be limited to abatement of property taxes on the new investment portion of an RREDZ application, and only for the eligible portion of the new investment, up to five years.
<b>Funding Source</b>	Applicants pay an application fee of 0.1% of the proposed total investment.
<b>Duration</b>	Upon approval by Business Oregon, the RREDZ will be in effect until June 30, 2032.
<b>Previous Board Action/Review</b>	BCC approved moving forward with application submittal to Business Oregon for RREDZ designation during Administrator Issues on July 27, 2021. An additional update was provided at Administrators Issues on January 11, 2022.
<b>Strategic Plan Alignment</b>	1. Approval of the RREDZ resolution aligns with the BCS strategic goal to create living wage jobs as the incentive promotes new investment in rural areas of the County.  2. Approval of the RREDZ resolution aligns with the County's goal to grow a vibrant economy. Promotion of alternative energy options is complimentary to the goals of the Climate Action Plan.
<b>Counsel Review</b>	County Counsel Review Date: October 5, 2021 1. Counsel Initials: ARN
<b>Procurement Review</b>	Was the item processed through procurement? No  This is a resolution, therefore is not subject to Procurement oversight.
<b>Contact Person</b>	Cindy Moore, Economic Development Coordinator, 971-284-1002
<b>Contract No.</b>	No BCS contract number required as this is a resolution.

**BACKGROUND:**

The RREDZ incentive is a standard (3- to 5-year) exemption on qualified property available in any enterprise zone; however, in a RRED Zone it is only for renewable energy activities (which would also be eligible in an enterprise zone).

RRED Zones offer an incentive to encourage new investments that either:

- Harness wind, geothermal, solar, biomass or other unconventional forms of energy in Oregon to generate electricity, or
- Produce, distribute, or store any of a wide variety of biofuels.

The total amount of property (among one or more projects) that can qualify for an exemption is subject to a locally-set cap with each RRED Zone. For the Clackamas County RREDZ the cap is set at \$250M. Throughout Oregon, a city, county or several contiguous counties can set up a RRED Zone that covers all the territory in the jurisdiction(s) outside the urban growth boundary (UGB) of any metropolitan area or sizeable city. In Clackamas County, this excludes any area within the UGB of a metropolitan region or city with a population of 30,000 or more.

In order for the Clackamas County RRED zone to receive designation, a resolution must be submitted by Clackamas County to Business Oregon. The designation is valid for ten years.

Notice has been distributed to the taxing districts in the proposed boundary. During the comment period, staff received a general inquiry phone call from Canby Fire and one email from the City of Molalla regarding zoning impacts, of which there are none. Both questions were answered by staff. No formal comments were received from the taxing districts for consideration by the BCC.

It has been confirmed by Business Oregon that Clackamas County does have final authority to submit the designation request. No resolutions are required from the cities.

Once the RREDZ resolution is adopted, staff will submit the RREDZ designation application to Business Oregon for final approval.

**RECOMMENDATION:**

Staff respectfully recommends approval of the Resolution to support the designation of the Rural Renewable Energy Development Zone.

RESOLUTION NO. \_\_\_\_\_  
Page 1 of 2

**WHEREAS**, Oregon Revised Statutes (“ORS”) 285C.350 to 285C.370 provide for the designation of “Rural Renewable Energy Development Zones” (hereinafter RREDZ’s) by request of a single city, a single county or multiple counties, to encompass the entire rural area of the jurisdiction(s), for purposes of offering the standard property tax abatement of an enterprise zone to the qualified property of renewable energy projects locating therein.

**WHEREAS**, Clackamas County is seeking designation of a RREDZ in rural Clackamas County outside the Metro Urban Growth Boundary to encourage new business investment, job creation, higher incomes for local residents, greater diversity of economic activity and renewable energy development investment.

**WHEREAS**, the proposed RREDZ will include all eligible territory (whether incorporated or not) encompassed by the county line of Clackamas County, including partnering rural cities illustrated in the map attached.

**WHEREAS**, the designation of a RREDZ does not grant or imply permission to develop land within Clackamas County without complying with applicable laws including, but not limited to, prevailing zoning, regulatory and permitting processes and restrictions for the applicable jurisdiction; nor does it indicate any intent to modify those laws, processes, or restrictions.

**WHEREAS**, in accordance with the Oregon Administrative Rules (“OAR”) 123-680-1200, Clackamas County timely issued notice and communication with local taxing districts consistent with OAR 123-650-5500.

**WHEREAS**, Clackamas County previously sponsored an RREDZ which was approved in 2010 and expired on June 30, 2021.

**NOW THEREFORE, the Clackamas County Board of Commissioners do hereby resolve and affirm that:**

Clackamas County supports the application for a RREDZ and requests that the Director of the Oregon Business Development Department order the designation thereof.

And further affirms that Clackamas County sets the maximum amount of real market value (RMV) for all qualified property that may be exempt during the term of this RREDZ at \$250 million, based upon the RMV of each qualified investment for the assessment year at the start of the exemption immediately after the property is placed in service.

Clackamas County is hereby authorized and delegates signing authority to Clackamas County Chair Tootie Smith to submit the request for the aforementioned RREDZ designation application to the Oregon Business Development Department, and to take all reasonably necessary actions, and to make any substantive or technical change to the application materials, as necessary to support the intent of this Resolution.

Be it further resolved that the County of Clackamas appoints the Business & Economic Development Coordinator to serve in the capacity of the local zone manager for the RREDZ.
