RE: Planning Commission Interviews

The Planning Commission consists of nine members appointed by the Board of County Commissioners (Board) to advise the Board of County Commissioners on land use applications and issues.

In April we will have three vacancies, two by term and one by resignation. Historically the Board has had interest in being a part of the interview process for those positions where exiting Planning Commission members are not choosing to reapply. For those positions vacant by term, both Planning Commission members have chosen to reapply. As to the third vacancy due to resignation, we have four interested citizens needing to go through the interview process.

That leaves us with two questions:

- 1.) Does the Board wish to have representation on the Planning Commissioner interview process?
- 2.) Which Board members would like to participate?
