Questions and Clarifications:

Q. 2.11 PREPARATION OF OFFERS

Please clarify how the below text pertains to 2.11

"Proposers shall state a definite time for delivery of supplies or for performance of services. Time, if stated as a number of days, will include Saturdays, Sundays and holidays".

A. When we order supplies, how quickly will we receive them? As discussed in the scope of service, what is the turnaround time for receiving test results "from the time of pick up"? Answers to this question, if stated in number of days, should include Saturdays, Sundays and holidays. (For example, if a specimen is picked up Thursday and your turn around time is 2 days, does that mean the results will be received on Saturday?)

Q. 5.1 INTRODUCTION

Please Clarify which sites require phlebotomy and for what hours of operation

"The LABORATORY must be able to provide phlebotomy services on-site to CCHCD in connection with those specimens being sent to LABORATORY".

A. It is our expectation that the LABORATORY will provide a phlebotomist at our Beavercreek and Sunnyside clinics to perform the draws for requested testing.

Q. 5.1 INTRODUCTION

1. Please provide CCHCD's Payor Mix including the Uninsured.

2. Please define CCHCD's Sliding Fee Scale.

3. Please provide the % of the Uninsured Patient payor mix Patients who would receive a 0%, 25%, 50%, 75% or 100% discount based on the federal poverty level.

A. We will not define this for the proposer. We are asking the proposer to tell us what they offer, what their sliding fee is, and what their break down would be.
