Background:

Even in a nation as wealthy as ours, hunger is a serious issue. According to the U.S. Department of Agriculture, 50.1 million Americans live in food-insecure households – 33 million adults and 17.2 million children.

Hunger is a particularly serious problem in Oregon. In an average month, an estimated 260,000 people are receiving food from a food pantry.

- The rate of food insecurity (being without access to a sufficient quantity of affordable, nutritious food) in Oregon is 14.6 percent.
- About 552,900 Oregonians are food insecure, of those 194,070 are children.
- About 72 percent of the people who receive food have incomes below the federal poverty level.
- Of households utilizing food pantries, about 80 percent of them are able to meet their food needs for the month with the help of a pantry.

Record numbers of people are seeking food assistance. In an average month, 92,000 children eat meals from emergency food boxes. An additional 3.9 million emergency meals were served at soup kitchens and shelters.

Most adult emergency food recipients are looking for work, working, retired or disabled. 34 percent of those receiving emergency food are children.

Food provided by the Oregon Food Bank is extremely important for people in need here in Clackamas County. Donations are what keeps places like the Clackamas Service Center on Southeast 80th Avenue, the Sandy Community Action Center, the Estacada Area Food Bank and the Colton Community center up and running and able to feed the hungry.

Healthy Families. Strong Communities.

Every year, Clackamas County Health, Housing and Human Services holds a food drive to help support the Oregon Food Bank and the many organizations here in Clackamas County that rely on donations.

In our first food drive in 2009, we collected the equivalent of 15,440 pounds of food. In 2010, we collected 11,859 pounds, followed by 17,283 pounds in 2011, 18,481 pounds in 2012, 28,343 pounds in 2013, 26,277 pounds in 2014, 34,850 pounds in 2015, 42,226 pounds in 2016 and 60,533 pounds last year.

This year, we collected \$10,380 for the Oregon Food Bank, resulting in 31,140 meals.

Since 2009, H3S has collected nearly 268,000 pounds of food, resulting in 223,333 meals.

One of the highlights of the food drive was the carnival. On Aug. 2, several department directors volunteered their time to sit in a dunk tank. Employees paid for the chance to dunk directors, commissioners and others. We want to specifically thank Commissioner Jim Bernard, PGA Director Gary Schmidt, Water Environment Services Department Director Greg Geist for their willingness to brave the cold water to help make a difference in the lives of Clackamas County residents. All told, more than \$1,000 was raised from the dunk tank alone.

This year, we also extended the H3S Food Drive to other departments. We want to thank the following for their participation in the food drive: the Board of County Commissioners, Public and Government Affairs Department, Department of Transportation and Development, Juvenile Department, Human Resources Department, Water Environment Services Department,

We also want to thank the following food trucks who were on campus throughout the summer and donated a portion of their sales to the food drive: Tamale Boy, Café de Crepe, Pepe Caliente, Chicagoland Deep Dish, Koi Fusion, Retrolicious and Chop Chop Chicken Sundaes.

On behalf of H3S, I want to thank all of the staff who participated, along with the coordinators in each division, who helped to make the food drive a success. We know that in difficult times, it is important for communities to come together to help each other. The H3S Food Drive is a great example of this, and we look forward to beating our record next year.

Recommendation:

No action needed.

Respectfully submitted,

Richard Swift, Director
Health, Housing & Human Services
