**INTERGOVERNMENTAL AGREEMENT
BETWEEN CLACKAMAS COUNTY
AND THE CITY OF SANDY**

THIS AGREEMENT (this "Agreement") is entered into and between Clackamas County ("County"), a political subdivision of the State of Oregon, and the City of Sandy ("City"), an Oregon municipal corporation, collectively referred to as the "Parties" and each a "Party."

RECITALS

Oregon Revised Statutes Chapter 190.010 confers authority upon local governments to enter into agreements for the performance of any and all functions and activities that a party to the agreement, its officers or agencies have authority to perform.

The County, by and through its Community Development division, and City intend to engage in a project (the "Project") for the installation of electronic push-buttons and ADA control arms on existing exterior doors and restroom doors to improve pedestrian safety and improve mobility for persons with disabilities. There will be a total of five (5) ADA control arms and ten (10) electronic push-buttons installed at Sandy City Hall (the "Project"). The Project is located at real property owned by the City and commonly described as 39250 Pioneer Blvd., Sandy, Oregon, 97055, within Clackamas County.

The Project meets the U.S. Department of Housing and Urban Development Office ("HUD") requirements for a National Objective, by using federal Community Development Block Grant ("CDBG") funds to remove architectural barriers in the City of Sandy in low-to-moderate income benefit areas. The County agrees to grant \$28,800 for the Project with CDBG funds, and the City agrees to provide a minimum 20% match (estimated to be \$5,760), together with all additional Project costs in excess of the CDBG funds granted by the County.

The County will be responsible for bidding, negotiating, and managing any public contracts with third parties necessary to complete the Project. The City will coordinate with County and any third party the County contracts with to complete the Project. The Project is named the City of Sandy at City Hall ADA Improvements Projects.

In consideration of the mutual promises set forth below and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

TERMS

1. **Term.** This Agreement shall be effective upon execution by both parties and unless terminated as set forth herein, shall expire upon the completion of each and every obligation of the Parties set forth herein, or July 1, 2027, whichever is sooner.
2. **Project.** The Project will be for the installation of electronic push-buttons and ADA control arms on existing exterior doors and restroom doors to improve pedestrian safety and improve mobility for persons with disabilities. There will be a total of five (5)

ADA control arms and ten (10) electronic push-buttons installed at Sandy City Hall, as identified in Exhibit B-1. All of the Project work to be contracted by the County and will be started and completed in accordance with applicable ADA requirements.

3. **Scope of Work.** The parties agree to perform the services and other tasks identified as set forth in the Scope of Work attached hereto as Exhibit A.
4. **Consideration.** The County will grant CDBG funds toward the Project in an amount not to exceed Twenty Eight Thousand Eight Hundred Dollars (\$28,800.00) ("CDBG Funds"). The CDBG Funds will be paid directly by the County to a contractor hired by County ("Contractor") to complete the Project upon full execution of a construction contract.

The City will be responsible for a minimum 20% match of the total CDBG Funds, estimated to be \$5,760.

The Project is estimated to cost \$34,560.00. In the event the Project will cost more than the estimated \$34,560.00, the City agrees to pay any cost which exceed the estimated \$34,560.00 of Project costs. These costs include, but are not limited to, construction costs permitted under the contract with the Contractor to complete the Project as well as approved change orders. Project costs do not include architectural and engineering costs that the City will provide pursuant to the City's responsibilities set forth in Exhibit A.

If, following receipt of construction bid proposals as part of the County's public bid process, either party determines the Project cannot be completed for \$34,560.00, the County and City agree to negotiate, in good faith, a possible modification of the Project or this Agreement to accommodate funding limitations. If the parties are unable to reach an agreement as to a modified Project or amendment to the Agreement, this Agreement shall terminate, the parties shall bear their own costs incurred as of the date of termination, and the parties shall have no further obligations regarding this Agreement.

5. **Payment.** The County shall require the Contractor to submit monthly invoices jointly to the City and County for work performed to complete the Project. The invoices shall include the total amount billed to date prior to the current invoice and shall describe all work performed with particularity, by whom it was performed, and shall itemize and explain all expenses for which reimbursement is claimed.

Payments shall be made by the County to the Contractor directly following the County's review and approval of invoices submitted. County shall make payment(s) to the Contractor in the time and manner set forth in the construction contract with Contractor. The CDBG Funds will be used first to pay the Contractor. The City funds will be used second to pay the Contractor. Once the County has expended all of the CDBG Funds allocated for the Project, the City will pay County additional amounts necessary to complete the Project on a reimbursement basis as follows: County will submit monthly invoices for amounts paid to the Contractor, and the City shall make payment to County within twenty one (21) days of receipt of each invoice. The City will reimburse County for all amounts owed to the Contractor in excess of the CDBG Funds provided by the County under this agreement. Payment shall be made to County at the following address:
