

CCI Meeting Minutes

April 20, 2021

6 p.m.

Attendees: Jerry Andersen, Barbara Smolak, Susan Nielsen, Laurie Swanson, Rick Cook

Staff: Katie Wilson

Jerry called the meeting to order at 6:00 p.m.

Approval of March Meeting Minutes: Laurie moved to approve the February 2021 meeting minutes. Rick second. Approval was unanimous.

Community Engagement Framework: Katie reviewed the newly adopted Community Engagement Framework adopted by the county. This framework will help guide program improvements moving forward to provide more inclusive, equitable, and effective engagement opportunities. The committee discussed at length, provided positive feedback, and asked to be regularly updated as these principles are implemented.

Community Leaders Meeting: The committee discussed plans for the next CLM. Katie introduced the idea of using the meeting as a community planning session for the wildfire debrief. There was a lengthy discussion on the topic. The committee members voiced concerns it has taken so long to get to a time where a debrief is possible and concerns the perception may be that they planning session is further extending the prolonged timeline. Committee members also shared ideas they had to help inform the community of the status of an emergency response including posting the BCC updates given by Emergency Operations Center staff to other platforms.

Inactive CPOs: Katie gave an update that she is working with the Damascus and Mt. Hood communities to help them re-activate their inactive CPOs. Katie also gave an update on her visit with Brent and the Redland CPO. Due to Brent's absence, the committee agreed to hold on discussing further until his return.

Youth Task Force: Katie gave an update on the youth engagement pilot work the county is doing. The youth task force continues to meet and work to define their role. The committee had a lengthy discussion about youth engagement and asked Katie to keep them updated on this work.

Public Comment: None.
