

REQUEST FOR PROPOSALS

FOR ARCHITECTURAL AND ENGINEERING SERVICES FOR THE RENOVATION OF HILLSIDE MANOR

Addendum #5

Issue Date: December 21, 2017

It is the sole responsibility of the respondent to note the contents of this Addendum.

A. Questions:

1. In regards to the Exhibits: Is Exhibit F to be included? Also there does not appear to be any place for a name and signature on Exhibit E. Do we need to execute that form or just include it in the response? Only Exhibits A-E need to be attached to the proposal. For Exhibit E, there is no signature but by attaching it to the proposal the firm is acknowledging receipt of the document. Exhibit F is not to be attached as it is just the template contract for professional services.
