EXECUTIVE SUMMARY:

The Housing Authority of Clackamas County (HACC), a division of the Health, Housing and Human Services Department (H3S), requests approval of a construction contract between the Housing Authority and Nomarco, Inc. for Flatwork Project # 22006 (HACC #c002-23/H3S #11025). The public housing project will replace driveways, walkways, or patios at 20 units and repair driveways or patios at 5 units, bringing the flatwork conditions up to current HUD standards. Funding is through the Department of Housing and Urban Development (HUD) capital grant funds for maintaining public housing units.

Nomarco, Inc. was selected through a competitive Invitation for the Bids process to repair and replace the flatwork to original conditions with new materials. The scope of work includes removing, replacing, and repairing damaged driveways, walkways, and patios. This work also includes seal coating and striping for selected locations. Bringing the flatwork back to its original conditions will allow the Housing Authority to maintain its High Performer status, prevent safety hazards and provide energy-efficient public housing units.

RECOMMENDATION: Staff recommends the Board approve the Construction contract with Nomarco, Inc and authorize Commissioner Tootie Smith, Chair, to sign the agreement on behalf of the Housing Authority Board.

Respectfully submitted,

FORM OF CONTRACT
PROJECT #22006
Contract # c002-23

THIS CONTRACT, effective upon signature of both parties, is made by and between **Nomarco, Inc. (Contractor)**, a business entity authorized to do business in the State of Oregon, hereinafter called the "Contractor," and **the Housing Authority of Clackamas County** hereinafter call the "PHA."

WITNESSETH, that the Contractor and the PHA for the consideration stated herein mutually agreed as follows:

ARTICLE 1. Statement of Work. The Contractor shall furnish all labor, material, equipment and services, and perform and complete all work ("Work") described in the Contract Documents, defined below, or reasonably inferred therefrom, as required for completion of the **HACC WIDE FLATWORK PROJECT**, a prevailing wage project, **#22006**. Work shall be performed in strict accordance with this Contract and all Contract Documents, defined below, including the Scope of Work, HUD General Conditions, and any Addenda.

ARTICLE 2. The Contract Price. The PHA shall pay the Contractor for the performance of the Contract, in current funds, subject to additions and deductions as provided in the Scope of Work, a sum not to exceed three hundred twenty eight thousand dollars and zero cents. **(\$328,000.00)**.

ARTICLE 3. Contract Dates. The following critical dates are hereby set for the HACC WIDE FLATWORK PROJECT. Time is of the essence.

- A. START DATE: March 13, 2023
- B. SUBSTANTIAL COMPLETION DATE: N/A
- C. FINAL COMPLETION DATE: July 13, 2023

ARTICLE 4. Contract Documents. The Contract shall consist of the following component parts:

- a. This Agreement
- b. Bid Documents
- c. HUD General Conditions
- d. Addendum(s), if any
- e. Special Conditions
- f. Scope of Work

This instrument, together with the other documents enumerated in this Article 4, which said other documents are as fully a part of the Contract as if hereto attached or herein repeated, form the Contract. In the event that any provision in any component part of this Contract conflicts with any provision of any other component part, the provision of the component part first enumerated in this Article 4 shall govern, except as otherwise specifically stated. The various provisions in Addenda shall be construed in the order of preference of the component part of the Contract which each modifies.

ARTICLE 5. Responsibility for Damages/Indemnity. Contractor shall be responsible for all damage to property, injury to persons, and loss, expense, inconvenience, and delay that may be caused by, or result from, the carrying out of the Work to be done under the Contract, or from any act, omission or neglect of the Contractor, its subcontractors, employees, guests, visitors, invitees and agents.

To the fullest extent permitted by law, Contractor shall indemnify, defend (with counsel approved by PHA) and hold harmless the PHA and its elected officials, officers, directors, agents, and employees (collectively "Indemnitees") from and against all liabilities, damages, losses, claims, expenses, demands and actions of any nature whatsoever which arise out of, result from or are related to: (a) any damage, injury, loss, expense, inconvenience or delay described in this Article 5; (b) any accident or occurrence which happens or is alleged to have happened in or about the project site or any place where the Work is being performed, or in the vicinity of either, at any time prior to the time the Work is fully completed in all respects; (c) any failure of the Contractor to observe or perform any duty or obligation under the Contract Documents which is to be observed or performed by the Contractor, or any breach of any agreement, representation or warranty of the Contractor contained in the Contract Documents or in any subcontract; (d) the negligent acts or omissions of the Contractor, a subcontractor or anyone directly or indirectly employed by them or any one of them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder (except to the extent otherwise void under ORS 30.140); and (e) any lien filed upon the project or bond claim in connection with the Work. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this Article 5.

In claims against any person or entity indemnified under this Article 5 by an employee of the Contractor, a subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under this Article 5 shall not be limited on amount or type of damages, compensation or benefits payable by or for the Contractor or a subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

ARTICLE 6. No person shall be employed for more than 10 hours in any one day, or 40 hours in any one week, except in cases of necessity, emergency, or where the public policy absolutely requires it, and in such cases, except in cases of contracts for personal services as described in ORS 279C.100, the employee shall be paid at least time and a half pay for (1) all overtime in excess of eight hours in any one day or 40 hours in any one week if the work week is five consecutive days, Monday through Friday or (2) all overtime in excess of 10 hours in any one day or 40 hours in any one week if the work week is four consecutive days, Monday through Friday; and all work the employee performs on Saturday and on any legal holiday specified in ORS 279C.540. All subject employers working under this contract are either employers that will comply with ORS 656.017 or employers that are exempt under ORS 656.126. Contractor shall comply with the prohibition set forth in ORS 652.220, compliance of which is a material element of the Contract and a failure to comply is a breach entitling PHA to terminate the Contract for cause.

ARTICLE 7. Under the provisions of ORS 279C.515, if the Contractor fails, neglects, or refuses to make prompt payment of any claim for labor or services furnished to the Contractor or a subcontractor by any person in connection with this contract as the claim becomes due, the proper officer representing the PHA may pay such claim to the person furnishing the labor or services and charge the amount of the payment against the funds due or to become due the Contractor by reason of the contract.

If the Contractor or a first-tier subcontractor fails, neglects or refuses to pay a person that provides labor or materials in connection with the public improvement contract within 30 days after receiving payment from the contracting agency or a contractor, the Contractor or first-tier subcontractor owes the person the amount due plus interest charges that begin at the end of the 10-day period within which payment is due under ORS 279C.580 (4) and that end upon final

payment, unless payment is subject to a good faith dispute as defined in ORS 279C.580. The rate of interest on the amount due is nine percent per annum. The amount of interest may not be waived.

If the Contractor or a subcontractor fails, neglects or refuses to make payment to a person furnishing labor or materials in connection with the public contract, the person may file a complaint with the Construction Contractors Board, unless payment is subject to a good faith dispute as defined in ORS 279C.580.

ARTICLE 8. The Contractor agrees to pay daily, weekly, weekend and holiday overtime as required by ORS 279C.520.

ARTICLE 9. The Contractor agrees that all employees/workers working on this project, whether employed by the Contractor or any subcontractor, shall be given written notice of the number of hours per day and days per week they may be required to work.

ARTICLE 10. The Contractor shall promptly, as due, make payment to any person, co-partnership, association or corporation furnishing medical, surgical and hospital care services or other needed care and attention, incident to sickness or injury, to the employees of the contractor, of all sums that the contractor agrees to pay for the services and all moneys and sums that the contractor collected or deducted from the wages of employees under any law, contract or agreement for the purpose of providing or paying for the services.

ARTICLE 11. The Contractors agrees to pay no less than the applicable state or federal prevailing wage rate, whichever is higher per ORS 279C.830(1)(b).

ARTICLE 12. The Contractor agrees to have a performance bond and payment bond in place before starting any work on the project per ORS 279C.380. The Contractor agrees to have filed a public works bond with the Construction Contractors Board before starting any work on the project.

ARTICLE 13. The Contractor agrees that every subcontract shall include a provision requiring all subcontractors to have a public works bond filed with the Construction Contractors Board before starting any work on the project per ORS 279C.830.

ARTICLE 14. Contractor certifies that both it and any of its subcontractors are (1) Registered to conduct business in the state of Oregon; (2) are actively licensed with the Oregon Construction Contractors Board; (3) are bonded and insured in amounts that meet or exceed the county's minimal requirements.

ARTICLE 15. CONTRACTOR shall:

- (1) Make payment promptly, as due, to all persons supplying to such contractor labor or material for the prosecution of the work provided for in such contract.
- (2) Pay all contributions or amounts due the State Industrial Accident Fund from such contractor or subcontractor incurred in the performance of the contract.
- (3) Not permit any lien or claim to be filed or prosecuted against the state, county, school district, municipality, municipal corporation or subdivision thereof, on account of any labor or material furnished.

- (4) Pay to the Revenue Department all sums withheld from the employees pursuant to ORS 316.167.
- (5) Demonstrate that an employee drug testing program is in place.

ARTICLE 16. The Contractor shall include in each subcontract those provisions required under ORS 279C.580.

ARTICLE 17. For demolition tasks, if any, the Contractor shall salvage or recycle construction and demolition debris, if feasible and cost-effective.

ARTICLE 18. Tax Laws.

18.1 The Contractor represents and warrants that, for a period of no fewer than six calendar years preceding the effective date of this Agreement, has faithfully complied with:

- a) All tax laws of this state, including but not limited to ORS 305.620 and ORS chapters 316, 317, and 318;
- b) Any tax provisions imposed by a political subdivision of this state that applied to Contractor, to Contractor's property, operations, receipts, or income, or to Contractor's performance of or compensation for any work performed by Contractor;
- c) Any tax provisions imposed by a political subdivision of this state that applied to Contractor, or to goods, services, or property, whether tangible or intangible, provided by Contractor; and
- d) Any rules, regulations, charter provisions, or ordinances that implemented or enforced any of the foregoing tax laws or provisions.

18.2 Contractor represents and warrants that, throughout the duration of this Agreement and any extensions, comply with all tax laws of this state and all applicable tax laws of any political subdivision of this state. Any violation of this section shall constitute a material breach of this Agreement. Further, any violation of Contractor's warranty in this Agreement that Contractor has complied with the tax laws of this state and the applicable tax laws of any political subdivision of this state also shall constitute a material breach of this Agreement. Any violation shall entitle PHA to terminate this Agreement, to pursue and recover any and all damages that arise from the breach and the termination of this Agreement, and to pursue any or all of the remedies available under this Agreement, at law, or in equity, including but not limited to:

- a. Termination of this agreement, in whole or in part;
- b. Exercise of the right of setoff, and withholding of amounts otherwise due and owing to Contractor, in an amount equal to PHA's setoff right, without penalty; and
- c. Initiation of an action or proceeding for damages, specific performance, declaratory or injunctive relief. PHA shall be entitled to recover any and all damages suffered as the result of PHA's breach of this Agreement, including but not limited to direct, indirect, incidental and consequential damages, costs of cure, and costs incurred in securing replacement performance.

These remedies are cumulative to the extent the remedies are not inconsistent, and PHA may pursue any remedy or remedies singly, collectively, successively, or in any order whatsoever.

ARTICLE 19. Liquidated damages

The Contractor acknowledges that PHA will sustain damages as a result of the Contractor's failure to substantially complete the work authorized under this Contract and in accordance with the Contract Documents. These damages may include, but are not limited to delays in completion, use of the project, and costs associated with Contract administration and use of temporary facilities.

19.1 Liquidated Damages shall be as follows if the actual Final Completion exceeds the required date of Final Completion:

19.1.1. \$75.00 per each Calendar day after the set Final Completion date.
