REQUEST FOR QUOTES #2018-79  
CRANE AND HOIST INSPECTION AND MAINTENANCE SERVICES  
RESPONSE TO CLARIFYING QUESTIONS  
October 2, 2018

Note that these are questions submitted by interested firms to the above referenced solicitation. The below answers are for clarification purposes only and in no way alter or amend the RFQ as published.

*I have a few questions regarding the following matters:*

1. *Is the county looking for hard pricing in this bid (RFQ) for (5) consecutive years after awarding?*

**Answer:** Pricing submitted with the quote should take into consideration the expected five year term of the resulting contract. Pricing responses should be accurate and achievable by the Quoter for the entire expected contract term. Whereas this RFQ is being evaluated using subjective factors, final pricing and related terms may be further addressed in contract negotiations.

2. *Page (2) regarding 'Delivery', does this pertain to scheduling your annual crane & hoist inspections or scheduling your crane & hoist repairs?*

**Answer:** Time is of the essence, and therefore the timing and scheduling of all services in the RFQ may be a factor in making the award.
