1. By way of Board Order 2020-66, Clackamas County formally declared a state of emergency due to Wildfires for Clackamas County, effective on the 8thth day of September for the entire County. On September 10, the Board of County Commissioners authorized the imposition of curfews as an emergency measure. That declaration of emergency was scheduled to expire on September 22, 2020.
2. By way of this First Addendum, the Board of County Commissioners found that the conditions giving rise to the declaration of emergency remained in existence and that it was therefore necessary to extend the duration of the declaration of emergency until November 10, 2020.
3. By way of a Second Addendum, the Board of County Commissioners removed curfew as an emergency measure deemed no longer necessary. All other emergency measures to remain in effect.
4. By way of this Third Addendum, the Board of County Commissioners further finds that In addition to the conditions giving rise to the initial declaration of emergency, the consequence and the aftermath of the wildfires will require additional resources including but not limited to the sheltering of those individuals displaced by the wildfires, in addition to those combating the wildfires; the collecting, transporting, and disposing of the debris created by the wildfires; and assistance related to re-entry and resource centers needed for the impacted population.

Moreover, Clackamas County continues to work through wildland fire recovery and needs assistance from state and federal partners including, but not limited to, social services/case management, debris removal for public owned properties, personal property debris removal (as approved by FEMA and the State of Oregon), watershed assessment and recovery, and mitigation efforts related to potential mudslides, landslides, and flooding.

Based on the above, the Board of County Commissioners finds that the conditions giving rise to the declaration of emergency remain in existence and it is therefore necessary to extend the duration of the declaration of emergency until January 8, 2021.

IT IS FURTHER ORDERED BY WAY OF THIS FIRST ADDENDUM that:

Any individual or entity that violates any provision of any emergency measures is subject to a \$500 fine for each offense.

All previously declared emergency measures (see attached) shall remain in effect for the duration of the declaration of emergency.
