

APRIL 21-24, 2020 | PORTLAND, OR

Dear Summit Supporter,

We welcome your participation in the 21<sup>st</sup> annual Child Abuse & Family Violence Summit held in Portland, Oregon on April 21-24, 2020. The Summit is the only conference of its kind in the Pacific Northwest, and we're proud to have trained over 13,000 law enforcement officers, educators, medical staff, treatment providers, prosecutors, and advocates.

The Child Abuse & Family Violence Summit is a three and a half day multi-disciplinary conference that offers a unique opportunity for professionals to engage in world class training, expand their professional networks, and ensure strong partnerships between agencies to drive best practices forward, fulfilling our motto of "The Power of One in Collaboration with Others."

The Summit has been generously supported by our community partners who provide donations, sponsorships, and volunteers to ensure that our conference is a huge success year after year! Last year, we trained nearly 1,000 professionals, had over 100 volunteers, and could not have done it without many generous contributions.

We are actively seeking new sponsorship partners to create more scholarship opportunities, secure national expert trainers, and provide in-kind donations for our attendees and volunteers. Sponsorship packages can be customized to meet your specific needs. There are numerous ways to get involved and help the Summit continue its very important mission:

- Five levels of monetary sponsorship:  
\$30,000 Presenting, \$15,000 Platinum, \$10,000 Gold, \$5,000 Silver and \$2,500 Bronze
- Sponsor a lunch, coffee break, or networking event
- In-kind donations (which may qualify as a comparable monetary donation)

All donations are tax deductible through our Clackamas County Peace Officers Benevolent Foundation, a 501(c)(3) charitable non-profit organization.

Thank you for your consideration. I am happy to meet with you personally to discuss your interest in participating in this extraordinary event!

Sincerely,

Julie L. Bitz, Conference Coordinator

---

*The Power of One in Collaboration with Others: Through relevant and thoughtful programming, we hope to reduce harm to children and families. Our goal is to connect agencies, educate individuals, and build community to improve outcomes. Working together, we can stand strong to better serve those who need us most.*
