

- 1) **Develop a board management model that provides clear policy direction to management.**
- 2) **Create an "Action items" list and an "issues Parking lot" list that is to be reviewed on a regular basis by the BCC.**
- 3) **Develop the Strategic Plan**

- a. **Introduce "fiscal sustainability" to all Sustainability activities to achieve good fiscal management.**
- b. **Better engage the budget committees.**
- c. **Accelerate efforts to find ways to better use our gas tax revenues to pave more roads.**
- d. **We must better define what "public safety" services actually are. Not only does the Sheriff provide a portion of public safety, but also other services such as jails, prisons, courts, district attorney's office, mental health, building codes, road department, water districts, wastewater agencies, fire districts, ambulance providers, health department, medical facilities, 911 department, Search and Rescue, emergency management, the national guard and many more.**
- e. **Work on the Incessant, continuous, nagging Dog Barking that is a growing concern that has negative impacts on our quality of life.**
- f. **Streamline and resolve Code Compliance ordinances, procedures, and policies.**
- g. **Employment Land-Strategy, how to we address this critical shortfall?**
- h. **Search and Rescue is in need of a home for their specialized equipment.**
