1. By way of Board Order 2020-09, Clackamas County formally declared a state of emergency for Clackamas County, effective on the 2nd day of March 2020, at 10:25 a.m., for the entire County. That declaration of emergency was continued by way of Resolution No 2020-14.
2. A First Addendum to Resolution No. 2020-14, was approved by the Board of County Commissioners on March 24, 2020 where the Board found that the conditions giving rise to the declaration of emergency remained in existence and it was necessary to extend the duration of the declaration of emergency until June 30, 2020.

4. A Third Addendum to Resolution No. 2020-14, was approved by the Board of County Commissioners on June 11, 2020, where the Board extended the declaration of emergency to July 31, 2020.
5. A Fourth Addendum to Resolution No. 2020-14 was approved by the Board of County Commissioners on July 23, 2020, where the Board extended the declaration of emergency to September 12, 2020, and imposed additional emergency measures numbered 13 and 14.
6. A Fifth Addendum to Resolution No. 2020-14 was approved by the by the Board of County Commissioners on September 10, 2020, where the Board extended the declaration of emergency to January 8, 2021.
7. By way of this Sixth Addendum to Resolution No. 2020-14, the Board of County Commissioners finds that the conditions giving rise to the declaration of emergency remain in existence and it is therefore necessary to extend the duration of the declaration of emergency and all previously imposed emergency measures until February __, 2021.

Moreover, the Board of County Commissioners finds that there are now approved vaccines coming to Oregon and eventually to counties and limited resources for dispensing of the vaccines. Now that there are approved vaccines for COVID, which are critical to the economy, reopening of schools and recovery, Clackamas County will require resources for vaccination clinics for any populations that are expected by the State of Oregon. The resources include but are not limited to funding, vaccine, supplies, etc.
