EXECUTIVE SUMMARY:

There are certain County roads, such as Long Standing Court in Oregon City, that are wholly, mostly, or partially within various Cities throughout Clackamas County. Fragmented jurisdiction over these roads often results in differing road maintenance activities and confusion by the public as to which agency is responsible for the operation and maintenance of the roads.

On January 4, 2024, Clackamas County and the City of Oregon City entered into an intergovernmental agreement to the transfer of Long Standing Court with the intent of streamlining planned roadway improvements, eliminating confusions to the public and improve the efficiencies of maintenance and public service. Long Standing Court is located entirely within Oregon City city limits.

For Filing Use Only

The County and the City of Oregon City have an agreement to provide funds to the City of Oregon City in the amount of \$26,700, which is equal to the cost of a 2" asphalt overlay, in exchange for the City assuming exclusive jurisdiction over Long Standing Court, containing approximately 28,480 square feet of Right-of-Way. By accepting jurisdiction over Long Standing Court, the City becomes the "Road Authority" responsible for all maintenance, improvements, permitting and road standard activities.

RECOMMENDATION:

Staff respectfully requests that the Board approve this Board Order related to transfer of jurisdiction of Long Standing Court in an amount equivalent to a 2" asphalt overlay.

Respectfully submitted,

Dan Johnson
