**RECITALS**

- COUNTY has determined the COVID-19 pandemic and its after effects has exacerbated the negative impacts that Seniors and those with physical disabilities face daily. During the pandemic, Molalla Adult Community Center was relocated to a shared space at Foothills Community Church.
- Molalla Adult Community Center is a Non-Profit organization in partnership with Foothills Community Church. The mission of the Center is to provide programs and services that help equip clients to stay independent as long as possible. Molalla Adult Community Center provides resources, assistance, social activities and meals with a focus of aiding Seniors and those with physical disabilities in Molalla and the surrounding area including Mulino, Colton, Beavercreek, and rural Canby.
  - Client Service: Reassurance calls, case management, information and assistance
  - Congregate lunch served four days per week. Serving over 400 meals per month

- Deliver Meals on Wheels to homebound individuals in Molalla and the surrounding area. Currently delivering to over 90 individuals three days per week. Delivering on average 2,000 meals per month.
  - Is a member of Meals on Wheels America
  - Transportation – Molalla Center, Medical Appointments, Shopping, field trips
  - Evidence Based approved fitness classes
  - Utility Assistance
  - Educational classes; Medicare, estate planning, health and wellness, Veteran services
  - Lawyer consultation appointments monthly
  - Foot care appointments twice a month
  - OPI referrals (Operation Project Independence) Offering resources for house cleaning, caregiving, home repairs etc.
  - Arts and Craft classes
  - Pet food from FIDO Animals- Meals on Wheel Clients
  - Social activity games: Bunco, Bingo, Pinochle, Cribbage, Ping Pong
3. Molalla Adult Community Center is open five days a week and provides Congregate meals four days a week, delivers Meals on Wheels three days a week, bus transportation four days a week, foot care, utility assistance, reassurance calls, veteran program and social activities. During the pandemic, the Center was closed to the public, but the Meals on Wheels programs continued to be a lifeline for many in the community with Center Staff delivering meals. The Meals on Wheels program grew due to many clients who were congregate diner's prior, were now homebound and qualified for the Meals on Wheels program. The Meals on Wheels program has continued to increase in the last few years. The Center is currently serving 97 individuals in Molalla and surrounding area. This is the highest number of MOW clients in the 43-year history of the Molalla Adult Community Center.
4. The shared space that the Center is currently utilizing does not best meet the needs of a Center, the community or those served. The current space is not the most inclusive home for a center whose mission is to serve the entire eligible population.
5. Molalla Adult Community Center is experiencing continued growth, but the current space is hindering any additional growth in the future. Statistics show that in the coming years the aging population will continue to increase. By the year 2030 1 in 6 individuals will be 60 and over. The need to build a new center to accommodate future generations is great. The Center is a vital resource to the senior community and those with physical disabilities in the area.
6. The Center's Advisory Board is currently in the final steps of purchasing land in the Molalla City limits to build a new building to house the Molalla Adult Community Center.
7. In compliance with SLFRF expenditure category 2.37 Economic Impact Assistance: Other, SUBRECIPIENT will use provided funds to pay for building site prep, building permits, plans, hiring of a project consultant, and other requirements that are needed before the construction of the building begins, and to address COUNTY's concerns with negative economic impacts on Seniors and those with physical disabilities deriving from the COVID-19 pandemic and its after-effects.

  - b. Comes into effect due to the expiration or termination of the Agreement; or

- c. Otherwise survives the expiration or termination of this Agreement.

Following the termination of this Agreement, SUBRECIPIENT shall promptly identify all unexpended funds and return all unexpended funds to COUNTY. Unexpended funds are those funds received by SUBRECIPIENT under this Agreement that (i) have not been spent or expended in accordance with the terms of this Agreement; and (ii) are not required to pay allowable costs or expenses that will become due and payable as a result of the termination of this Agreement.

8. **Funds Available and Authorized.** COUNTY certifies that it has received an award sufficient to fund this Agreement. SUBRECIPIENT understands and agrees that payment of amounts under this Agreement is contingent on COUNTY receiving appropriations or other expenditure authority sufficient to allow COUNTY, in the exercise of its sole administrative discretion, to continue to make payments under this Agreement.
9. **Future Support.** COUNTY makes no commitment of future support and assumes no obligation for future support for the activity contracted herein except as set forth in Section 8.

In addition, the SUBRECIPIENT certifies that it is a nonprofit organization described in Section 501(c) (3) of the Code, but does not and will not engage in lobbying activities as defined in Section 3 of the Lobbying Disclosure Act.
- p) **Audit.** SUBRECIPIENT shall comply with the audit requirements prescribed in the Single Audit Act Amendments and the new Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, located in 2 CFR 200.501. SUBRECIPIENT expenditures of \$750,000 or more in Federal funds require an annual Single Audit. SUBRECIPIENT is required to hire an independent auditor qualified to perform a Single Audit. Subrecipients of Federal awards are required under the Uniform Guidance to submit their audits to the Federal Audit Clearinghouse ("FAC") within 9 months from SUBRECIPIENT's fiscal year end or 30 days after issuance of the reports, whichever is sooner. The website for submissions to the FAC is <https://harvester.census.gov/facweb/>. At the time of submission to the FAC, SUBRECIPIENT will also submit a copy of the audit to COUNTY. If requested and if SUBRECIPIENT does not meet the threshold for the Single Audit requirement, SUBRECIPIENT shall submit to COUNTY a financial audit or independent review of financial statements within 9 months from SUBRECIPIENT's fiscal year end or 30 days after issuance of the reports, whichever is sooner.
- q) **Monitoring.** SUBRECIPIENT agrees to allow COUNTY access to conduct site visits and inspections of financial records for the purpose of monitoring in accordance with 2 CFR 200.332. COUNTY, the Federal government, and their duly authorized representatives shall have access to such financial records and other books, documents, papers, plans, records of shipments and payments and writings of SUBRECIPIENT that are pertinent to this Agreement, whether in

paper, electronic or other form, to perform examinations and audits and make excerpts and transcripts. Monitoring may be performed onsite or offsite, at COUNTY's discretion. Depending on the outcomes of the financial monitoring processes, this Agreement shall either a) continue pursuant to the original terms, b) continue pursuant to the original terms and any additional conditions or remediation deemed appropriate by COUNTY, or c) be de-obligated and terminated.

- r) **Record Retention.** SUBRECIPIENT will retain and keep accessible all such financial records, books, documents, papers, plans, records of shipments and payments and writings for a minimum of six (6) years from the end of program date, or such longer period as may be required by the Federal agency or applicable state law, following final payment and termination of this Agreement, or until the conclusion of any audit, controversy or litigation arising out of or related to this Agreement, whichever date is later, according to 2 CFR 200.334-338.
- s) **Certification of Compliance with Grant Documents.** SUBRECIPIENT acknowledges that it has read the award conditions and certifications for the State and Local Fiscal Recovery Funds Final Rule, that it understands and accepts those conditions and certifications, and that it agrees to comply with all the obligations, and be bound by any limitations applicable to the Clackamas County, as COUNTY, under those grant documents.
- t) SUBRECIPIENT is responsible for compliance with Section 503 of the Social Security Act, regulations adopted by Treasury pursuant to Section 603(f) of the Act, and the SLFRF Final Rule, published at the U.S. Treasury's website (as amended, <https://home.treasury.gov/policy-issues/coronavirus/assistance-for-state-local-and-tribal-governments/state-and-local-fiscal-recovery-funds>).
- u) **Real Property.** SUBRECIPIENT is required to comply with 2 CFR 200.311. Real property acquired or improved under this Agreement will be used for its originally authorized purpose as long as it is needed for that purpose. When property is no longer needed for the originally authorized purpose, SUBRECIPIENT will obtain disposition instructions from COUNTY prior to disposition or encumbrance of SUBRECIPIENT's title to the property. Disposition will occur in accordance with one of the three disposition alternatives set forth in 2 CFR 200.311, as determined by COUNTY in its sole discretion. This provision will expressly survive termination of the Agreement.

## 15. Default

- a) **Subrecipient's Default.** SUBRECIPIENT will be in default under this Agreement upon the occurrence of the following:
  - a. SUBRECIPIENT fails to use the grant funds for eligible purposes described in Exhibit A;
  - b. SUBRECIPIENT fails to complete the project by June 5, 2025 and no extension to this Agreement has been approved by COUNTY;

  - d. After thirty (30) days' written notice with an opportunity to cure, SUBRECIPIENT fails to comply with any term or condition set forth in this Agreement;
  - e. A petition, proceeding, or case is filed by or against SUBRECIPIENT under federal or state bankruptcy, insolvency, receivership, or other law.
- b) **County's Default.** COUNTY will be in default under this Agreement if, after thirty (30) days' notice and opportunity to cure, COUNTY fails to perform a material obligation under this Agreement provided, however, that failure to disburse grant funds due to lack of appropriation shall not constitute a default of COUNTY.

## 16. Remedies

- a) **County's Remedies.** In the event of SUBRECIPIENT's default, COUNTY may, at its option, pursue any or all remedies available to it under this Agreement, at law, or in equity including, but not limited to: (1) withholding SUBRECIPIENT grant funds until compliance is met; (2) reclaiming grant funds in the case of omissions or misrepresentations in financial or programmatic reporting; (3) requiring repayment of any funds used by SUBRECIPIENT in violation of this Agreement; (4) termination of this Agreement; (5) declaring SUBRECIPIENT ineligible for receipt of future awards from COUNTY; (6) initiation of an action or proceeding for damages, declaratory, or injunctive relief; and/or (7) in the event the project is not completed by June 5, 2025, and no extension to the Agreement has been approved by COUNTY, requiring SUBRECIPIENT to repay all funds issued under this Agreement.
- b) **Subrecipient's Remedies:** In the event COUNTY is in default, and whether or not SUBRECIPIENT elects to terminate this Agreement, SUBRECIPIENT's sole remedy for COUNTY's default, subject to the limits of applicable law or in this Agreement, is reimbursement for eligible costs incurred in accordance with this Agreement, less any claims COUNTY may have against SUBRECIPIENT. In no event will COUNTY be liable to SUBRECIPIENT for expenses related to termination of this Agreement or for any indirect, incidental, consequential or special damages.

Molalla Adult Community Center is experiencing continued growth, but the current space is hindering any additional growth in the future. Statistics show that in the coming years the aging population will continue to increase. By the year 2030 1 in 6 individuals will be 60 and over. The need to build a new center building to accommodate future generations is great. The Center is a vital resource to the senior community and those with physical disabilities in our area.

Our Advisory Board is currently in the final steps of purchasing land in the Molalla City limits to build a new building to house the Molalla Adult Community Center.

The ARPA funds will be used to pay for building site prep, building permits, plans, hiring of a project consultant, and other requirements that are needed before the construction of the building begins.

### **Structure**

During the pandemic, Molalla Adult Community Center was relocated to a shared space at Foothills Community Church. The shared space that the Center is currently utilizing does not best meet the needs of a Center, the community or those we serve. The current space isn't the most inclusive home for a center whose mission is to serve the entire eligible population.

### **Approach**

Molalla Adult Community Center is open five days a week and provides Congregate meals four days a week, delivers Meals on Wheels three days a week, bus transportation four days a week, foot care, utility assistance, reassurance calls, veteran program and social activities.

During the pandemic the Center was closed to the public, but the Meals on Wheels programs continued to be a lifeline for many in our community with Center Staff delivering meals. The Meals on Wheels program grew due to many clients who were congregate diner's prior, were now homebound and qualified for the Meals on Wheels program. Our Meals on Wheels program has continued to increase in the last few years. The Center is currently serving 97 individuals in Molalla and surrounding area. This is the highest number of MOW clients in the 43-year history of the Molalla Adult Community Center. Prior to the pandemic the average number of MOW clients was 60 individuals. January 2020 2,146 meals were served and delivered. In January 2024 2,429 meals were served and delivered. In January 2024 the Center was closed for two meal days due to inclement weather. Without the closures the total number of meals served and delivered would have been around 2,800. In addition to the increase for the MOW programs our congregate dining, bus transportation, and other essential programs have increased since moving to our current location in the shared space. New activities have been added to the daily schedule, which results in more planning and moving of tables and chairs, walls, etc. Because all activities occur in one room it takes staff time to setup for each activity throughout the day. Because staff time is used to transition the Center room throughout the day, it takes away time for client help and work that needs to be accomplished during the day. At any given time throughout the day there are multiple activities going on at once. For example, the staff desks are located within the same room as all the Center activities. This does not provide our clients with the privacy and dignity that they deserve.
