REQUEST FOR PROPOSALS #2018-101  
Building Information and Asset Management System  
ADDENDUM NUMBER 2  
January 8, 2018

On November 13, 2018, Clackamas County (“County”) published Request for Proposals #2018-101 (“RFP”). The County has found that it is in its interest to amend the RFP through the issuance of this Addendum #2. Except as expressly amended below, all other terms and conditions of the original RFP and subsequent Addenda shall remain unchanged.

1. The RFP is hereby amended to remove the word “Excel” from Section 5.2. The amended language is below:

**5.2. Software Survey (0-35 Points):**

Review and provide responses for all the survey questions found in Attachment A. If responses to the Software Survey questions are provided separately from the table format found on Attachment A (e.g., because responses do not fit on the table), all Software survey responses must clearly reference applicable survey questions. If other benefits of the system were not part of the survey questions, those items could be included in a supplemental section called “Additional System Benefits”. Notwithstanding the aforementioned exceptions, please provide the electronic document with the responses to the survey questions.
