

WILDFIRE RECOVERY ASSISTANCE

SUPPORT. REBUILD. RECOVER.

The Clackamas County Long Term Recovery Group is a group of volunteer community members and nonprofit organizations who are ready and willing to help. Our mission is to assist anyone impacted or displaced by the 2020 wildfires navigate the systems and processes on the road to rebuilding.

Contact us today for free guidance from a disaster recovery specialist to help you or your family navigate the road to recovery.

The types of assistance available include:

- Organizing documents needed for applications and claims
- Navigating insurance claims, FEMA applications and appeals
- Understanding rights associated with insurance
- Completing Small Business Administration (SBA) disaster loan applications
- Identifying other state and local financial resources
- Records recovery including, ID, vehicle title, social security card, and other vital records
- Working through the cleanup process
- Evaluating rebuild options
