REQUEST FOR QUOTES #2018-111  
Mount Talbert Flow Monitoring  
RESPONSE TO CLARIFYING QUESTIONS  
November 21, 2018

Note that these are questions submitted by interested firms to the above referenced solicitation. The below answers are for clarification purposes only and in no way alter or amend the RFQ as published.

1. *Para 2.2 - bi-weekly maintenance requirement - twice weekly or every other week?*

**Answer:** The district would like them performed every other week.

2. *Para 2.5 -- ...within 24 hours of any significant rain event... -- business day?*

**Answer:** The district will extend to 72 hours to avoid weekend work.

3. *Para 2.8 - confirmation that the City will cover traffic control for installation and demob*

**Answer:** District will pay cost for traffic control for initial installation and demobilization of the meters only. Additional traffic control for maintenance visits is considered the responsibility of the contractor.

4. *Para 2.12 - appears we can markup traffic control costs 5% - please confirm*

**Answer:** Yes, Consultant can markup third party traffic control costs by up to 5%.
