RESPONSE TO CLARIFYING QUESTIONS
December 4, 2018

Note that these are questions submitted by interested firms to the above referenced solicitation. The below answers are for clarification purposes only and in no way alter or amend the RFP as published.

- 1. Regarding Section 3.1, we note that the introductory text to the Scope of Work refers to developing “recommendations for funding needs and strategies.” However, under the Scope of Work (Section 3.3) there is no mention of developing a funding strategy, apart from possibly under 7(e) Implementation Plan. Can you clarify whether the Consultant is expected to develop a detailed funding strategy under the Implementation Plan?*

Answer: The County is not expecting a detailed funding strategy on this project. What is being requested are broad funding needs and recommendations for the implementation.
