**This application does NOT replace the need for Grading and Erosion Control Permits, Building Permits, Site Development Permits, DEQ 1200-C Permits or other permits as issued by the Department of Environmental Quality, Department of State Lands and/or the Army Corps of Engineers. All required permits and approvals must be obtained and completed under applicable Local, State, and Federal law.**

By signing this form, the Owner or Owner's authorized agent or representative, acknowledges and agrees that employees of Water Environment Services have authority to enter the project site at all reasonable times for the purpose of inspecting project site conditions and gathering information related to the project site. I certify that I am familiar with the information contained in this document, and to the best of my knowledge and belief, this information is true, complete, and accurate.

### FOR DISTRICT USE ONLY

☐ Based on review of the submitted **Sensitive Area Site Assessment** and best available information, Sensitive Areas do not appear to exist on site or within 200' of the site. This Sensitive Area Authorization does **NOT** eliminate the need to evaluate and protect sensitive areas if they are subsequently discovered. This document will serve as your **SENSITIVE AREA AUTHORIZATION**. All required permits and approvals must be obtained and completed under applicable Local, State, and Federal law.

☐ Based on review of the submitted **Sensitive Area Site Assessment** and best available information, the above referenced proposed project complies with the District requirements for Sensitive Area and Vegetated Buffers as defined in **Chapter 3** of the Stormwater Design Standards. This Sensitive Area Site Assessment does **NOT** eliminate the need to evaluate and protect additional sensitive areas if they are subsequently discovered. This document will serve as your **SENSITIVE AREA AUTHORIZATION**. All required permits and approvals must be obtained and completed under applicable Local, State, and Federal law.

☐ Based on review of the submitted **Sensitive Area Site Assessment** and best available information the above referenced proposed project **does not comply** with the District requirements for Sensitive Area and Vegetated Buffers as defined in **Chapter 3** of the Stormwater Design Standards. Additional information and submittals will be required.
