

## PRE-APPLICATION CONFERENCE INFORMATION

The purpose of a land use pre-application conference is to provide project specific information to the applicant on Clackamas County development policies, procedures, fees, and environmental regulations. The pre-application conference is an informal meeting with Clackamas County Development Review staff members and other affected agencies. The main objectives of the conference are to:

- Provide a preliminary review of the proposal for compliance with all applicable development standards.
- Identify significant issues.
- Assist in identifying design alternatives.
- Explain the submittal requirements and outline the review process, timelines, and costs associated with the application.
- Answer additional questions posed by the applicant.
- Introduce staff and provide staff contact information.
- Discuss the permitting required to comply with land use entitlements.

**If you have questions regarding your application, please refer to page 2 of this document for planning staff contact information.**

### FREQUENTLY ASKED QUESTIONS

#### **Are pre-application conferences mandatory?**

Pre-application conferences are required some land use applications: Design Review, Partition, Subdivision, Zone Changes, Home Occupation Exceptions and Conditional Use. Pre-application conferences are optional for other applications.

#### **How do I schedule the conference? Who coordinates the meeting?**

To schedule a pre-application conference, you must submit a complete Pre-Application Conference Request and provide the required documentation as listed on the form. Pre-application conference materials can be delivered or mailed to Planning & Zoning (See address below). Once Planning & Zoning has received and reviewed your pre-application conference request and materials, you will be contacted with a date and time for your pre-application conference.

#### **How much does it cost?**

\$500, which is due at the time the pre-application is submitted.

#### **How quickly can I schedule a pre-application conference?**

A conference generally can be scheduled within 2-6 weeks from the time a complete pre-application material is submitted. Conferences are scheduled on a first come, first-serve basis. Please provide 24 hours notice to cancel or reschedule.

#### **When are the conferences held?**

Pre-application conferences for a conditional use are held on Tuesday and all others are held on Wednesday between the hours of 9:00am and 3:30pm.

#### **How long does the conference last?**

60 minutes is scheduled for each pre-application conference.

#### **Where will the conference be held?**

Pre-application conferences are held at the Clackamas County Development Services Building, 150 Beaver Creek Road, Oregon City, OR 97045. Check in at the 2nd floor lobby.

**Who will the County ask to attend the meeting?**

Planning & Zoning staff will review the development proposal and arrange for the appropriate staff members from other divisions and agencies to attend the conference and/or to provide comments on the proposal.

**As the applicant, who should I ask to attend the conference? (Staff recommendation)**

You, as the applicant should attend. If this is a leased property, the owner is encouraged to attend. However, if the applicant is performing due diligence, the property owner may not be necessary. If the consultant (such as an engineer or an architect) are known, the applicant may invite them to attend at the applicant’s discretion.

**CONFERENCE PROCEDURE**

During the pre-application conference, Planning & Zoning staff and other representatives will meet with the applicant.

1. Planning & Zoning staff introduces the participants, explains the conference procedure, and invites the applicant to present an overview of the proposal. Questions follow.
2. Planning & Zoning staff may invite other agencies, jurisdictions and county representatives to present requirements related to the proposal.
3. Planning & Zoning staff identifies pertinent standards of the Zoning and Development Ordinance (ZDO) and Comprehensive Plan that will apply to the applicant's proposal.
4. Planning & Zoning staff summarizes staff concerns, application submittal requirements, timelines and costs.

During the pre-application conference or shortly thereafter, staff may present the applicant with a summary report responding to the proposal, identify applicable ZDO sections, Comprehensive Plan policies, key issues, and requirements for special studies. It is the applicant’s responsibility to take notes throughout the conference. Staff will prepare a pre-application summary report and mail it within 14 days of the conference date.

**REQUIRED MATERIALS:**

**Some Key Things to Remember:**

- ✓ Staff is able to provide more explicit information at your pre-application meeting when you submit detailed information in your application.
- ✓ You are required to submit the pre-application conference report as part of your formal land use application.
- ✓ The property you are investigating may have private obligations, such as codes, covenants, and restrictions (CC&Rs) to which the County is not a party and does not consider in its review.

**I understand that the comments provided by staff at the pre-application conference are preliminary, additional concerns may be raised during the land use review process. More comprehensive information may be required for a formal land use application. All parties, including the owner, are encouraged to participate.**
