## II. RELATIONSHIP OF THE PARTIES

- 2.1 STATUS OF PARTIES.** By way of this Agreement, the Provider is a Regence Participating Provider. Provider and Regence are independent contractors. This Agreement is not intended to create an employer-employee partnership or joint venture relationship between Regence and Provider or their respective directors, officers, employees, or agents. Regence shall not have the authority to exercise control or direction over Provider or Provider Services provided to Members pursuant to this Agreement. Nothing in this Agreement or in its performance will be construed to result in any person being the officer, servant, agent, or employee of the other party when such person, absent this Agreement and its performance, would not in law have had such status.
- 2.2 NON-EXCLUSIVITY.** Regence may contract with any hospital, physician, facility, groups of physicians, or other health care professional to become a Participating Provider upon such terms and conditions as Regence deems appropriate, without the prior consultation or approval of Provider. Provider may contract with any other health plan without the prior consultation or approval of Regence, as long as such participation or practice does not preclude Provider from complying with the terms of this Agreement.
- 2.3 TRADE NAMES, SERVICE MARKS, AND TRADEMARKS.** Provider and Regence acknowledge that the other party may be the exclusive owner or licensee of various trademarks, service marks, trade names, logos, and symbols used from time to time by that party in connection with its business, and the goodwill associated therewith (collectively, "Marks"). Neither party shall have the right to use, and shall not use any Marks, or any confusingly similar names or Marks, of the other party for advertising or marketing purposes, except as expressly authorized in writing by the other party. Except for Regence's or Payor's use of Provider and Providers' name(s) to notify Members and others that Provider is a Participating Provider (e.g., through the Regence provider directory) and for payment purposes, each party shall submit any proposed advertisements or marketing materials that refer to, or in any way depict, the other party for approval by the other party in advance of publication.
- 2.4 PROVIDING SERVICES TO MEMBERS OF PAYORS.** Provider agrees that Regence may enter into an agreement with Payors that want access to and use of those provider networks in which Provider participates. Provider authorizes Payors contracting with Regence to offer Provider's services to groups of employees or individuals in accordance with the terms of this Agreement and any Member Contract offered or administered by Payor for the payment of Covered Services. Provider agrees to furnish services to Members of such Payors when those Members utilize Regence's provider networks in accordance with the same terms and conditions of participation and compensation as apply when such services are furnished to Regence's Members under this Agreement.
- 2.5 RELATIONSHIP TO BLUECROSS BLUESHIELD ASSOCIATION.** Provider hereby expressly acknowledges its understanding that this Agreement constitutes a contract between Provider and Regence; that Regence is an independent corporation operating under a license from the BlueCross BlueShield Association, an association of independent BlueCross BlueShield Plans (the "Association"), permitting Regence to use the BlueCross and/or BlueShield service marks in Regence's service area; and that Regence is not contracting as an agent of the Association. Provider further acknowledges and agrees that it has not entered into this Agreement based upon representations by any person, entity, or organization other than Regence and that no person, entity, or organization other than Regence shall be held accountable or liable to Provider for any of Regence's obligations to Provider created under this Agreement. This paragraph shall not create any additional obligations whatsoever on the part of Regence other than those obligations created under other provisions of this Agreement.

## III. REGENCE OR PAYOR OBLIGATIONS

- 3.1 PAYMENT.** Please refer to the attached state addendum.

- 3.2 MEMBER IDENTIFICATION.** Regence will issue identification cards to Regence Members and will make eligibility and benefits information available to Provider via either (a) telephone during normal business hours; or (b) Regence's secure web site twenty-four (24) hours a day, subject to technical difficulties that Regence may experience. Confirmation of coverage by Regence is not a guarantee of payment if it is later determined that a Member was not eligible for benefits on the date of service or if the material supplied for review was inaccurate, incomplete, or misleading.
- 3.3 BENEFIT DESIGN / COVERAGE DECISIONS.** Regence, Regence's designee, or the Payor will be solely responsible for Member Contract design and for interpreting the terms of and making final coverage determinations under a Member Contract.
- 3.4 PARTICIPATING PROVIDER IDENTIFICATION.** Regence may include Provider in the Participating Provider directories for the Member Contracts and products in which Provider is a Participating Provider, including when Provider is designated a preferred participant, and shall make said directories available to Members.
- 3.5 LIABILITY INSURANCE.** Regence will procure and maintain professional and general liability insurance and other insurance, as Regence reasonably determines may be necessary, to protect Regence and Regence's employees against claims, liabilities, damages, and judgments that arise out of services provided by Regence or Regence's employees under this Agreement.
- 3.6 LICENSURE.** Regence will maintain, without material restriction, such licensure, registration, and permits as are necessary to enable Regence to lawfully perform this Agreement.

#### **IV. PROVIDER SERVICES AND OBLIGATIONS**

- 4.1 STANDARD OF CARE.** Provider shall provide only Medically Necessary Covered Services in accordance with (a) the same standard of care, skill, and diligence customarily used by similar physicians in the community in which such services are rendered; (b) the provisions of Regence's quality improvement program; (c) the requirements of applicable law; and (d) the standards of applicable accreditation organizations. Provider agrees to render Medically Necessary Covered Services to all Members in the same manner, in accordance with the same standards, and with the same time availability as offered to other patients. Provider shall ensure that all employees of Provider and all health care professionals and physicians providing services at the Provider's locations meet all applicable state laws and regulations, all applicable legal standards of care, all rules of Provider, and all applicable provisions of this Agreement.
- 4.2 COMPLIANCE WITH POLICIES AND GUIDELINES.** Please refer to the attached state addendum.
- 4.3 MEMBER IDENTIFICATION.** Provider will request Member identification cards of all patients who present themselves as Members under any Member Contract and will report to Regence any apparent abuse of the privileges of such Member Contract. Regence shall issue identification cards to its Members and will make eligibility and benefits information available to Provider via Regence's secure Provider Web Site.
- 4.4 CREDENTIALING/RE-CREDENTIALING OF PROVIDER.** Provider will comply with Regence Credentialing or Re-credentialing criteria then in effect and available in the credentialing section of the Provider Web Site. Except as otherwise required by law or regulation, Provider will also:
- a. promptly provide information required by Regence to conduct Credentialing or Re-credentialing;
  - b. notify Regence immediately upon any change in licensure, change in accreditation status, or termination or suspension from any government programs at any time during the term of this Agreement; and

- c. notify Regence immediately upon confirmation that Provider is subject to any informal or formal disciplinary orders, decisions, disciplinary actions, or other actions, including but not limited to restrictions, probations, limitations, conditions, and suspensions resulting from Provider's acts, omissions, or conduct.

**4.5 REGULATORY COMPLIANCE AND ACCREDITATION.** Provider warrants that it is, and at all times during this Agreement will remain, in compliance with all applicable local, state, and federal laws, rules, and regulations, including but not limited to, those (a) regarding licensure, certification, and accreditation; (b) necessary for participation in any government programs; and (c) regulating the operations and safety.

**4.6 INSURANCE.** Throughout the term of this Agreement, Provider will maintain at Provider's expense general and professional liability coverage in a form and amount as stipulated in accordance with Regence's credentialing criteria. Provider will give Regence a certificate of insurance evidencing such coverage upon request. Provider will give Regence immediate written notice of cancellation, material modification, or termination of such insurance.

If Provider procures one or more claims-made policies to satisfy its obligations under this Agreement, Provider will obtain any extended reporting endorsement ("tail") required to continuously maintain such coverage in effect for all acts, omissions, events or occurrences during the term of this Agreement, without limit or restriction as to the making of the claim or demand.

**4.7 CHANGE IN PROVIDER SERVICES OR OTHER INFORMATION.** Provider agrees that the following material changes to Provider Services, including but not limited to: (a) discontinuation, reduction, or limitation of Provider Services; (b) expansion of Provider Services through acquisition or implementation of a service, technology, facility, or any type of provider; (c) any change in Provider's ownership, including a change in the facilities and/or providers use of the Provider's tax identification number; and/or (d) a change in Provider's incorporation must be agreed upon in writing by both Parties. Failure to formally incorporate any changes to Provider Services in accordance with this provision will result in non-payment; in such instance, Regence, Payor, and Member shall be held harmless. Provider agrees to provide ninety (90) days advanced written notice to Regence of nonmaterial changes that include but are not limited to (a) a significant change in Provider's management or management company; (b) a filing of any bankruptcy action; or (c) other relevant information regarding Provider's status in the medical community.

**4.7.1 Directory Updates.** Provider further agrees to comply with Regence policies and procedures related to furnishing information (including but not limited to information on which providers are accepting new patients, the provider's location, contact information, specialty, medical group and any institutional affiliations) necessary to ensure provider directories are up-to-date, accurate, and complete pursuant to federal and state law, including 45 C.F.R. 156.230(b).

**4.8 NON-DISCRIMINATION.**

**4.8.1 Services Provided to Members.** Provider will provide Covered Services to Members without regard to race, religion, creed, color, national origin, ancestry, physical handicap, health status, marital status, age, sex, or source of payments. Provider further agrees to provide Covered Services to Members without regard to the Member's enrollment in a health benefit plan as a private purchaser of the plan or as a participant in publicly financed programs of health care services. Provider will include the nondiscrimination provisions of this section in all subcontracts entered into to fulfill its obligations under this Agreement.

**4.8.2 Employment.** Provider recognizes that as a government contractor with the Federal Employees Health Benefits Program and The Centers for Medicare & Medicaid Services (CMS), Regence is subject to various federal laws, executive orders, and regulations regarding equal opportunity and affirmative action, which may also be applicable to

subcontractors. Consequently, the parties agree that, as applicable, they will abide by the requirements of 41 CFR 60-1.4(a), 41 CFR 60-300.5(a) and 41 CFR 60-741.5(a) and that these laws are incorporated herein by reference. These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, or national origin. These regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability. The parties also agree that, as applicable, they will abide by the requirements of Executive Order 13496 (29 CFR Part 471, Appendix A to Subpart A), relating to the notice of employee rights under federal labor laws.

- 4.9 NOTICE OF ACTIONS.** Provider will notify Regence within fifteen (15) business days of the filing of any demand for arbitration or lawsuit against Provider by a Member. Provider will provide Regence with any pertinent information related to such arbitration demands and lawsuits that is requested by Regence. In addition, Provider shall promptly notify Regence of any legal or governmental action initiated against Provider, its employees, or its staff that could affect this Agreement or Provider's performance of this Agreement, including, but not limited to, any action for professional negligence brought by a Member, fraud, or violation of any law or against any license, certification, or accreditation.
- 4.10 QUALITY MANAGEMENT.** Provider shall comply with the requirements of and participate in Regence's and/or other Payor's quality improvement program as specified on the Provider Web Site. Provider will provide quality improvement information pertaining to Provider and Provider's staff to Regence at Regence's request.
- 4.11 UTILIZATION REVIEW.** Regence utilizes processes and systems for Utilization Management and quality management consistent with applicable federal and state laws, to promote adherence to accepted clinical standards and to encourage Participating Providers to avoid unnecessary and/or wasteful costs while acting in a manner consistent with sound medical judgment. To this end, Provider agrees to participate in, and to abide by Regence's Utilization Review, patient management, quality improvement processes and programs, and all other related programs as modified from time to time with respect to all Members as specified on the Provider Web Site.
- 4.12 REFERRALS.** Provider agrees to refer Members only to Participating Providers, regardless of Member Contract, except in cases of an emergency. For the purpose of providing quality care to Members, Provider will notify Regence of any referral to a Non-Participating provider. In the event of referral to any Non-Participating provider and as permitted by law, Regence may hold Provider financially responsible for the cost of any resulting claims.
- 4.13 INFORMATION AND RECORDS.**
- 4.13.1 Maintenance and Retention of Records.** Provider will maintain medical and administrative records related to services provided to Members for a period of ten (10) years from the date of service or such longer period as required by state and federal law for retention of medical records.

Provider shall maintain Member medical records in a format that documents diagnosis, assessment, continuity of care and follow up, in conformity with generally accepted community standards.

Provider will maintain a contemporaneous, written record of all treatment for which payment is requested that supports the diagnosis, shows that the treatment was Medically Necessary and demonstrates that the services were indeed performed by Provider on the date claimed. Any alterations or amendments to these contemporaneous records must include the date and time of the alteration or amendment, be signed by the person making the alteration or amendment, refrain from obliterating or obscuring any prior documentation and be clearly identified and identifiable as an amendment or

alteration. Regence may deny claims in those cases where, in Regence's sole discretion, there is inadequate documentation of the services rendered, in which case Provider shall not bill the Member.

During an audit or review involving Provider's records, such records must be retained until all issues related to the audit are resolved. If the audit results in a good faith determination that the Provider engaged in a pattern of fraudulent or improper billing practice in violation of state law, federal law, or any provision of this Agreement or the Provider Web Site, Provider shall reimburse Regence for its reasonable costs incurred in conducting the audit.

**4.13.2 Audit and Access to Records.** Provider will provide Regence access to Member medical records, including access to electronic medical records (EMR), and will allow Regence to make or obtain copies of medical and administrative records directly related to services rendered to Members for purposes that may include, but are not limited to: Utilization Management, quality management, Medicare Stars ratings, risk adjustment, appropriateness of billing, Medical Necessity, credentialing and recredentialing, appeals, or other activities necessary to support the administration of a Member Contract or this Agreement. Access to, or copies of, records described in this section, including electronic records, shall be provided at no charge to Regence, Payors, or Members. Additionally, no subscription fee(s) will be assessed for use of the facility's EMR system. If Provider uses a vendor for records acquisition all fees related to a records request, will be the responsibility of the Provider. This provision will survive the termination of this Agreement.

**4.13.2.1 Access to Records at Provider Locations.** Provider agrees to provide Regence access to records at their location, upon written request by Regence no less than three (3) business days in advance, except when Regence determines there is a significant quality of care issue or risk that the Provider's documents may be altered, created or destroyed. In such case, Provider shall provide Regence with access to locations or records upon twenty-four (24) hours' notice.

**4.13.2.2 Record Requests by Regence.** Upon written request by Regence, Provider agrees to provide records not otherwise available through access to Provider's EMR within fourteen (14) calendar days of Regence's request for pre-pay reviews. For post-pay audits, Provider agrees to provide records not otherwise available through access to Provider's EMR within thirty (30) days of Regence's request. The request to Provider from Regence and the records submitted from Provider shall include dates of service, name of Member, diagnosis, description of services provided, any supporting documentation, medical and billing records. Records not produced in response to a request for a pre-pay review or a post pay audit within the time frame specified above will be deemed non-existent and will not be processed or paid until all requested records are received. For prepayment reviews or post payment audits, any statutory or contractual requirements for penalties and interest related to late claim payments will be made consistent with the date that Regence received from the Provider all the records that were requested relative to its review/audit. Provider shall send Regence copies of any records requested at no cost to Regence, Payors, or Members. Regence will limit the request to those records necessary to perform the audit.

**4.13.2.3 Release of Records.** Provider agrees to accept from Regence or its designee, as a legally sufficient release of Members' medical records, Members' participation under a Member Contract, and Regence will not be required to obtain additional medical release from a Member in order to access or make copies of Members' medical records. This provision will survive the termination of this Agreement.

**4.13.2.4 Compliance.** Record access and review will comply with all laws, statutes, and regulations pertaining to the confidentiality of Member records. These rights shall survive termination of this Agreement. Regence's remedies for the Provider's failure to cooperate with the record access and requests shall include, but not be limited to, one hundred percent (100%) review of Provider's current and future claims and supporting documentation prior to payment; recovery of payments made to Provider for past inappropriately billed claims, including denial of future inappropriately billed claims; and/or immediate termination of Provider's agreements with Regence.

- 4.14 SUBCONTRACTORS.** In the event Provider subcontracts with subcontractors for provision of Covered Services to Members, with the expectation of receiving payment directly or indirectly from Regence, such subcontractors must agree to abide by all appropriate provisions set forth in this Agreement, including, but not limited to, Section 5.9. As applicable under State and/or Federal Law, Regence reserves the right to review, approve, suspend or terminate any subcontracts as they pertain to Covered Services provided to Members.
- 4.15 PROVIDER DISCRETION.** Provider may decline to accept any Member whom Provider has previously discharged from care and may decline to accept a Member for professional reasons. Provider may withdraw from care of a Member when, in their professional judgment, it is in the best interest of the Member to do so.
- 4.16 PROVIDER-PATIENT RELATIONSHIP.** Please refer to the attached state addendum.
- 4.17 PRIOR AUTHORIZATION.** Provider shall obtain prior authorization, when such authorization is required and within the specified time period and in the manner specified on the Provider Web Site, prior to rendering applicable services to Members. Provider shall obtain prior authorization before delivering any services beyond those originally authorized. Except in the event of emergency, Regence is not obligated to compensate Provider for services provided when Provider has not first obtained a required prior authorization or approval from Regence.
- 4.18 ACCESSIBILITY.** Provider will provide or arrange for the provision of Covered Services to Members twenty-four (24) hours a day, seven (7) days per week.
- 4.19 LABORATORY SERVICES.** Upon request by Regence, Provider will provide full laboratory test values and/or data, that support initiatives including, but not limited to, HEDIS measures, Medicare Stars measures, or other quality programs and initiatives at no charge to Regence, Payor, or Member no later than 10 business days following discharge or completion of summaries by attending physicians.
- 4.20 DATA ACCURACY.** Provider agrees to provide Regence with what Provider believes is, to the best of its knowledge, accurate, complete, and truthful claims and encounter data. The claims and encounter data supplied by Provider to Regence will contain International Classification of Diseases, Tenth Revision, Clinical Modification ("ICD-10-CM") diagnosis codes accurately reflecting the diagnoses documented in the accompanying medical record.

- 4.21.1 Member Hold Harmless.** Please refer to the attached state addendum.
- 4.21.2 Continue Providing Services.** Please refer to the attached state addendum.
- 4.21.3 Member Contract.** Please refer to the attached state addendum.

- 4.21.5 Survival of Termination.** Please refer to the attached state addendum.
- 4.21.6 Provider Contracts with Other Health Care Professionals.** Please refer to the attached state addendum.

## V. PAYMENT AND BILLING

**5.1 PAYMENT FOR COVERED SERVICES.** Regence or Payor will reimburse Provider for Covered Services provided to Members in accordance with payment terms set forth and attached to this Agreement. Regence or Payor will not be liable to Provider for payment of applicable Coinsurance, Copayment, or Deductibles or for charges for Provider Services that are determined to be Non-Covered Services. Except as otherwise set forth in Section 5.7, Provider agrees to accept payment, subject to medical and reimbursement policies, as payment in full, whether that amount is paid in whole or in part by the Member, Regence, a Payor, or any combination of third-party Payors that may pay before Regence in the order of benefit determination.

Except as allowed by law, Regence or Payor will not make retroactive denials of Covered Services that were preauthorized or concurrently certified as Medically Necessary unless Regence or Payor finds in good faith that the information supplied for review was substantially inaccurate, incomplete, or misleading, when services submitted on a claim differ from the services approved in the prior-authorization, or the Member was ineligible for Covered Services when the service or supply was provided.

**5.2 PAYMENT FOR INELIGIBLE MEMBERS.** Except as required by law, neither Regence nor Payor is obligated to make payment to Provider for services provided to any individual who is not, at the time such services are rendered, a duly eligible Member. The fact that an individual possesses an identification card shall not obligate Regence or Payor to pay for or provide coverage if, on the date(s) that such services were rendered, the individual is, or is later found to have been, ineligible for coverage under a Member Contract. Authorization by Regence or Payor to provide services to Members does not guarantee that the Member is eligible for benefits on the date of service and/or that the services furnished are Covered Services under the Member Contract.

**5.3 PROMPT PAYMENT OF CLAIMS.** Please refer to the attached state addendum.

**5.4 COPAYMENTS, COINSURANCE, AND DEDUCTIBLES.** Provider will not bill, charge, collect a deposit from, seek remuneration or payment from, or require pre-payment by Members as a condition to rendering Covered Services except for amounts attributable to Copayments, Deductibles, and/or Coinsurance. In the event Provider collects Copayment, Coinsurance, or Deductibles prior to delivery of Covered Services, Provider agrees to refund to Member any overpayments paid by Member within thirty (30) days after receiving a determination of the claim by Regence or Payor. Regence or Payor shall be responsible for only the amount due for Covered Services rendered to a Member less the Member's Copayment, Coinsurance, and/or Deductible, as applicable. Except for infrequent and isolated waivers for charitable purposes, Provider shall charge to and make reasonable attempts to collect from Members all Copayments, Coinsurance and Deductibles. The parties agree that Regence may deny all or part of claims if Provider fails to make a reasonable attempt to collect Copayments, Coinsurance and Deductibles.

**5.5 OVERPAYMENTS AND ADJUSTMENTS.**

**5.5.1 Overpayments.** Please refer to the attached state addendum.

**5.5.2 Refunds and Adjustments.** Please refer to the attached state addendum.

**5.6 CLAIM SUBMISSION.** Provider agrees to submit claims for Covered Services electronically, as prescribed by Regence, CMS regulation or as required by law. Claims shall be submitted within ninety (90) days of the date of service or as otherwise required by law. Except as otherwise set forth in Section 5.7, claims not submitted within the specified time frame(s) shall be disallowed and the Provider shall not bill the Member, Regence or Payor for services or supplies associated with such claims. Provider shall not bill Regence for more than Provider's usual and customary fee for the services rendered, nor shall Provider bill services provided to Members with health care coverage at a rate higher than Provider bills services provided to Members without health care coverage.

**5.7 COORDINATION OF BENEFITS.** Regence and Provider will cooperate to exchange information relating to coordination of benefits with regard to Members and will comply with the following requirements:

**5.7.1 Regence or Payor as Primary Payor.** When a Member's coverage under Regence or Payor is determined to be primary under applicable coordination of benefits rules, Regence or Payor shall pay Provider in accordance with this Agreement for Covered Services provided to Member without regard for the obligations of any secondary Payors.

**5.7.2 Regence or Payor as Secondary Payor.** Provider will bill a payor which may be primary under applicable coordination of benefits rules for Covered Services provided to Members when information regarding such primary payor becomes available to Provider and whenever so requested by Regence. Provider will notify Regence when it obtains information regarding such primary payor and will make such information available to Regence. When another payor is primary, Provider will follow that payor's billing rules, including but not limited to the primary payor's limitations on billing. When it is determined that a Member's coverage, under Regence or Payor, is secondary under applicable coordination of benefits rules, Regence or Payor will pay Provider an amount no greater than that which, when added to amounts payable to Provider from other sources under applicable coordination of benefits rules, equals one hundred percent (100%) of Provider's payment for Covered Services pursuant to this Agreement, but may be less as determined by the terms of the Member Contract. Regence will not reimburse claims submitted more than 60 days after payment by the Primary Payor in adherence with CMS regulation or as required by law.

**5.8 APPROPRIATE BILLING.** Provider agrees to use the most appropriate, current, and specific coding when billing for services rendered. Provider will not engage in misleading billing practices or otherwise interfere with timely and accurate claims adjudication. Such practices include, but are not limited to:

- a. Billing for services not rendered by the Provider or entities legally owned and operating under Provider's tax identification number and national provider identifier (NPI);
- b. Billing for services that cannot be substantiated from written or electronic medical records;
- c. Failing to supply information requested by Regence for claims adjudication;
- d. Incorrect coding such as but not limited to MS-DRG, CPT, and Revenue coding;
- e. Itemized bills that are not consistent with the electronic claim submission.

**5.9 LIMITATIONS ON BILLING MEMBERS.** Provider agrees that in no event, including, but not limited to: nonpayment by Regence or Payor, determination that the services furnished were Non-Covered Services; Provider's failure to submit claims within the specified or a regulated time period; Regence or Payor's insolvency; Provider's failure to comply with Regence care management, Utilization Management, and/or quality initiatives, including required pre-authorizations and other administrative requirements or guidelines; denial of payment due to Provider's failure to comply with the terms of this Agreement; and/or, breach of this Agreement by Provider will Provider bill, charge, collect a deposit from, seek compensation, remuneration, or payment from, or have any recourse against a Member or persons acting on behalf of the Member, other than Regence or Payor, for Covered Services provided pursuant to this Agreement, except as described in Section 5.9.1 or unless the Member fails to provide coverage information.

This provision will not prohibit collection of the established Deductibles, Copayments, and Coinsurance within the terms of the Member Contract, nor will it prohibit Provider from (a) collecting payment from third-party Payor(s) with primary or secondary responsibility in accordance with Section 5.7, or (b) collecting payment from Members for Non-Covered Services or not Medically Necessary services in accordance with Section 5.9.1.

**5.9.1 Limitations on Billing Members for Not Medically Necessary or Non-Covered Services.** Provider may bill a Member for Non-Covered Services or not Medically Necessary services, as determined by Regence, Payor, or their designees, only after obtaining appropriate written Member Consent, which lists the specific service, at least twenty-four (24) hours in advance of Provider Services being provided. Neither Regence nor Payor shall be liable for any amounts associated with services or supplies that are determined by Regence, Payor, or their designees to be Non-Covered Services or not Medically Necessary services. Provider may not bill Members for services that are deemed to be not Medically Necessary or Non-Covered through an adverse determination in any of Regence's appeal processes. In no event will Regence or Payor be responsible for any amount owed by Member to Provider for Non-Covered Services in the event that Provider is unable to collect such amount from Member.

**5.9.1.1 Member Consent.** At a minimum, the written Member Consent must include the following information: Member name, specific service or supply, expected date of service, condition and diagnosis, a statement informing the Member that the service or supply may be a Non-Covered Service or not Medically Necessary service, an estimation of the cost of the service, and a statement in which the Member agrees to pay for the Non-Covered Service or not Medically Necessary service. The written Member Consent must be signed by the Member, Member's guardian, or Member's authorized health care representative and maintained in the Provider's records. Provider agrees not to bill Regence, Payor, or Member any amount owed for not Medically Necessary or Non-Covered Services or supplies if Provider fails to obtain written Member Consent.

**5.9.2 CONTINUATION OF LIMITATIONS.** Provider agrees that (a) the provisions in Section 5.9 shall survive termination of this Agreement regardless of the cause giving rise to termination and shall be construed to be for the benefit of the Members; and (b) this provision supersedes any oral or written contrary agreement now existing or hereafter entered into between the Provider and Member, or persons acting on behalf of the Member.

**5.10 PROVIDER NETWORKS.** Provider agrees to provide Covered Services to any Member under any Provider Network in which Provider participates pursuant to the terms of this Agreement and any addenda or exhibits attached hereto. Nothing in this Agreement gives Provider the right to participate in any new provider networks or lines of business developed by Regence.

## **VI. CONFIDENTIALITY**

**6.1 CONFIDENTIAL AND PROPRIETARY INFORMATION.** As used in this Agreement, "Regence Confidential and Proprietary Information" means: (a) proprietary information of Regence in whatever form (hard-copy, electronic, on-line, encoded disk, etc.); (b) information marked or designated by Regence as confidential or proprietary; (c) claims and health information that Regence treats as confidential, including raw claims data, claim data extracts, utilization information, and health information specific to a particular Member or his/her dependents; (d) the names, addresses, and telephone numbers of all Members and employer groups; (e) this Agreement; and (f) other information provided by Regence, which Regence is obligated to keep confidential. "Regence Confidential and Proprietary Information" excludes any information now or hereafter voluntarily disseminated by Regence to the public, which otherwise becomes part of the public domain through lawful means, or which is required to be disclosed by or to a government agency publicly.

As used in this Agreement, "Provider Confidential and Proprietary Information" means (a) information related to an arbitration proceeding; (b) this Agreement; and (c) information marked or designated by Provider as confidential or proprietary. Provider Confidential and Proprietary Information excludes any information now or hereafter voluntarily disseminated by Provider to the public, which otherwise becomes part of the public domain through lawful means, or which is required to be disclosed by or to a government agency publicly.

Regence Confidential and Proprietary Information and Provider Confidential and Proprietary Information collectively shall be hereafter referred to as “Confidential and Proprietary Information.” Confidential and Proprietary Information may be used by Provider and Regence as follows:

- a. For patient care;
- b. For populating a Member’s personal health record;
- c. For administrative, payment, and/or management functions, including, but not limited to, medical review, quality management, provider Credentialing, and peer review; and
- d. For purposes of reviewing Provider’s catastrophic expenses and billing Provider’s catastrophic reinsurance carrier.

**6.2 NON-DISCLOSURE AND NON-USE.** Each party recognizes and acknowledges that it shall, in fulfilling its obligations under this Agreement, necessarily become conversant with the other party’s Confidential and Proprietary Information that is not generally available to the public and that except as otherwise allowed by law or this Agreement, it would be irreparably damaging to the relevant party and its affiliates, employees, representatives, or agents to disclose such Confidential and Proprietary Information. Either party may seek relief for breach of this Agreement.

Provider agrees that unless required by law or permitted pursuant to applicable provisions of 45 CFR parts 160 and 164, Provider shall not disclose any Regence Confidential and Proprietary Information without the prior written consent of Regence. In the event Provider’s employees have the need to know such Regence Confidential and Proprietary Information for the limited purpose of performing the obligations under this Agreement, Provider shall first inform each employee of the confidential nature of the information and the relevant terms of this Agreement related to confidentiality. In the event Provider obtains consulting services from a third party that has access to this Agreement, Provider shall obtain a written confidentiality statement signed by the third party acknowledging its written agreement to be bound to the confidentiality terms of this Agreement and provide a copy to Regence within ten (10) business days.

**6.3 SAFEGUARD OF CONFIDENTIAL AND PROPRIETARY INFORMATION.** Each party agrees to exercise no less care in safeguarding the other party’s Confidential and Proprietary Information against loss, theft, or other inadvertent disclosure than the party exercises in safeguarding the confidentiality of its own Confidential and Proprietary Information. In no event shall either party use less than reasonable care in safeguarding the other party’s Confidential and Proprietary Information.

**6.4 CONFIDENTIALITY OF MEDICAL RECORDS.** Provider will maintain the confidentiality of information contained in Members’ medical records including Member identifiable information and will only release such records: (a) to Regence upon request and as is necessary to comply with the terms of this Agreement; (b) subject to applicable laws; (c) as necessary to other providers treating the Member; (d) to Provider’s medical review committees; or (e) with the consent of the Member.

**6.5 RATE INFORMATION.** Notwithstanding the above, Regence may disclose to Participating Providers the information and data required to allow those Participating Providers to effectively manage the quality, care, and cost of Members Regence has attributed to them.

**6.5.1 Disclosure of Rates to Members.** Notwithstanding any other provision of this Agreement to the contrary, either party may disclose to Members the Member’s actual or estimated cost-sharing amount (e.g., Copayment, Deductible, and/or Coinsurance) for a Covered Service, to explain claims payment and to facilitate informed decisions regarding health care services use and cost. The parties understand that in some cases, the cost-sharing amount may be equal to the allowed amount for services under the Agreement.

- 6.6 THIRD-PARTY SERVICES.** In the event Provider utilizes any third-party service provider in any matter that involve claims data or any Provider or Regence Confidential and Proprietary information, Provider shall ensure that such third party executes a business associate agreement and complies with all applicable state and federal laws that relate to privacy. In addition, Provider shall be responsible for notifying Regence of the name and address of any third-party service providers that, in performing Provider duties, are given access to any Provider or Regence Confidential and Proprietary Information and that the third-party service provider has the authority to act on behalf of the Provider. If Provider changes such third-party service provider, Provider shall notify Regence of the change within ten (10) business days.
- 6.7 SURVIVAL.** The obligations set forth in this Article VI will survive the termination of this Agreement and shall continue for so long as either party possesses any of the other party's Confidential and Proprietary Information, regardless of the reason, or lack thereof, for termination of this Agreement.

## **VII. TERM AND TERMINATION**

- 7.1 TERM.** The "Initial Term" of this Agreement shall be one (1) year from the Effective Date of this Agreement. Thereafter, this Agreement shall continue from year to year unless terminated.
- 7.2 TERMINATION WITHOUT CAUSE.** This Agreement, or participation in any provider network addendum attached thereto, may be terminated without cause by either party, after the Initial Term, with at least one hundred and twenty (120) days' advance written notice to the other party, in accordance with Section 9.3. This option may be exercised by either party for any reason and does not require either party to establish or prove that there is cause for the termination or to disclose the basis of its decision to the other party. Both parties agree to accept the other's decision on termination as final, without recourse to further external, internal, judicial, or arbitral process. In the event of a termination, the parties shall have no right to claim and do hereby waive and release any claim for damages that may result from or arise out of that termination, other than any claim that the parties may have for Covered Services rendered to Members prior to the effective date of the termination.
- 7.3 TERMINATION FOR CAUSE.** This Agreement may be terminated for cause due to a breach of any material term, covenant or condition at any time by either party upon at least thirty (30) days' prior written notice of such termination, in accordance with Section 9.3. Such notice shall specify the reason(s) for termination. The other party shall be provided thirty (30) days from the date of receipt of the notice of termination to correct the breach to the satisfaction of the party requesting termination. The thirty (30) day cure period may be extended upon mutual written consent of both parties. Should the breach not be corrected within the thirty (30) day cure period or any agreed upon extensions to the cure period, this agreement will terminate.
- 7.4 IMMEDIATE TERMINATION.** Notwithstanding any other provision of this Agreement, Regence may terminate this Agreement immediately upon notice to Provider, in accordance with Section 9.3, in the case of any of the following:
- 7.4.1** Expiration, suspension, restriction, revocation, or non-renewal of required federal, state, or local licensure or certificates that would affect the provision of Covered Services to Members.
  - 7.4.2** Expiration, suspension, restriction, revocation, or non-renewal of Regence's licensure that would affect the ability of Regence to conduct the business of administering and funding Member Contracts.
  - 7.4.3** Continued participation under this Agreement may adversely affect the health, safety or welfare of any Member.
  - 7.4.4** Failure to maintain liability insurance, in amounts required by Regence's credentialing criteria.

- 7.4.5 Failure to comply completely with Regence Credentialing or Recredentialing standards or procedures then in effect.
- 7.4.6 Debarment, suspension, or exclusion of Provider from any government-sponsored program.
- 7.4.7 Deliberate misrepresentation or falsifying any information supplied by Provider to Regence, including but not limited to medical record information.
- 7.4.8 Engagement in fraud or deception or knowingly permitting fraud or deception by another, in connection with Provider's obligations under this Agreement.
- 7.4.9 Any final legal or governmental action against Provider which impairs Provider's ability to carry out its duties and obligations under this Agreement.
- 7.4.10 Failure to comply with Regence's care management programs, Utilization Management, and Quality Improvement Activities.
- 7.4.11 Failure to comply with the provisions of this Agreement regarding the limitations on billing Members.
- 7.4.12 Any action or communication that fundamentally undermines or could fundamentally undermine the confidence of Members, potential Members, their employers, unions, physicians, other health care professionals, or the public in Regence or in the quality of care provided to Members.

Any termination under this provision may be appealed by Provider in accordance with Article VIII of the Agreement.

- 7.5 **CONTINUATION OF SERVICES.** Upon termination of this Agreement, Regence and Payor will direct Members to Participating Providers. Provider's obligation to provide Covered Services in accordance with the terms of this Agreement to Members will continue for a period of twelve (12) months following the termination effective date ("Continuation Period"). During this Continuation Period, the payment terms defined in the current Attachment A to this Agreement shall prevail. Continuation of Services may not be applied to providers who retire and permanently close their practice, or no longer render services in Regence's service area.
- 7.6 **OBLIGATION TO COOPERATE.** Upon notice of termination, and in accordance with Section 7.5 above, Providers will cooperate with Regence in the orderly transfer of Members' care, including the provision of copies of records to other Participating Providers, at no charge to Regence, Payors or Members. The parties will cooperate on promptly resolving any outstanding financial, administrative, or patient care issues upon the termination of this Agreement. This provision will survive termination of this Agreement. Notwithstanding anything in this Agreement to the contrary, either party may seek damages for breach of this provision.
- 7.7 **NOTICE TO MEMBERS.** Upon notice of termination of this Agreement, Regence will provide notice of the impending termination to Members currently under the treatment of Provider. In the event of immediate termination, Regence will notify its Members as soon as is practical of Provider's termination. Provider agrees to refrain from any action that interferes with the relationship between Regence and its existing or prospective Members or Participating Providers.

## **VIII. DISPUTE RESOLUTION**

- 8.1 **MEMBER COMPLAINTS.** Provider agrees to cooperate fully with Regence in the investigation and resolution of Member complaints and grievances concerning health care services provided under this Agreement. Upon request, Provider will furnish Regence with a copy of its procedures for handling Member complaints.
- 8.2 **INTERNAL PROVIDER APPEAL PROCESSES.** Please refer to the attached state addendum.

- 8.3 POST-APPEAL PROCESSES.** Please refer to the attached state addendum.
- 8.4 FAILURE TO TIMELY APPEAL.** If the disputing party (i.e., the party that requests or initiates the post-appeal process) fails to request or initiate a post-appeal process as required by this Agreement, and within the time frames prescribed in this Agreement, Regence's last determination on the disputed issue(s) shall be deemed final and binding. In addition, the disputed issue(s) shall be conclusively deemed to have been waived by the disputing party and shall not be the subject of any further post-appeal process. Once the decision is deemed final, nothing in this Agreement shall prevent the prevailing party from pursuing remedies available to it, including without limitation a judicial remedy, to collect any amounts owed to it by the other party. Also, nothing in this Agreement shall prevent a party from asserting defenses, claims, causes of action, or demands in response to a post-appeal process initiated by the disputing party. This provision shall survive termination of this Agreement.
- 8.5 PRECEDENTIAL EFFECT OF DECISIONS.** The parties agree that any disputes that arise under this Agreement shall be considered independently and on their own merits without regard for any other determination made by a third party through one of the post-appeal processes or by Regence through the internal provider appeal process or otherwise. The parties agree that none of the determinations made under this Agreement through one of the dispute resolution processes described above shall be used as precedent for other disputes that may arise between Regence and any Participating Provider or between Regence and any third party. This provision shall survive termination of this Agreement.

## **IX. GENERAL PROVISIONS**

- 9.1 AMENDMENTS WITH NOTICE.** Regence may amend this Agreement by providing ninety (90) days' prior written notice to Provider in accordance with Section 9.3.2. If Provider objects to the amendment, Provider may terminate the Agreement by giving Regence written notice no later than thirty (30) days after receipt of the written notice of the amendment. Said termination shall be effective at the end of the ninety (90) day notice period, unless within sixty (60) days of the date of the notice of amendment, Regence gives Provider written notice that it will not implement the amendment. Regence reserves the right to update any document, attachment or addendum to this Agreement to restate Provider's network participation status and will provide such notice with no less than ninety (90) days' prior written notice to Provider.
- 9.2 AMENDMENTS REQUIRED BY LAW.** If state or federal laws or regulations require a change to any provision of this Agreement, this Agreement will be deemed amended to conform to the law or regulation on the date the law or regulation becomes effective.   - b. Provider Web Site—Not a permitted method of notice or communication for confidential information and PHI, unless the web site is secured or the information is appropriately encrypted.

**9.5 INDEMNIFICATION.** To the extent not otherwise inconsistent with the laws of the relevant jurisdiction, each party will indemnify and hold harmless the other and its officers, directors, agents, and employees, individually and collectively, from all fines, claims, demands, suits, or actions of any kind or nature arising by reason of the indemnifying party's negligent or intentional acts or omissions in the course of its performance of its obligations under this Agreement.

**9.6 SEVERABILITY.** If any provision of this Agreement is determined unenforceable in any respect, the enforceability of the provision in any other respect and of the remaining provisions of this Agreement will not be impaired.

**9.7 BANKRUPTCY.** If bankruptcy, receivership, or liquidation proceedings are commenced with respect to any party hereto, and if this Agreement has not otherwise been terminated, then a non-filing party may suspend all further performance of this Agreement pursuant to Section 365 of the Bankruptcy Code or any similar or successor provision of federal or state law. Any such suspension of further performance by a non-filing party will not be a breach of this Agreement and will not affect the non-filing party's right to pursue or enforce any of its rights under this Agreement or otherwise.

**9.8 ASSIGNMENT.** Neither party shall assign any rights or delegate any obligations hereunder without the written consent of the other party, provided, however, that any reference to Regence herein shall include any successor in interest and that Regence may assign its duties, rights, and

- 9.10 FORCE MAJEURE.** Neither party will be deemed to be in violation of this Agreement if it is prevented from performing its obligations by events beyond its control, including, without limitations, acts of God, war, or insurrection, terrorism, flood or storm, strikes, or rule or action of the government or agency. The parties shall make a good faith effort, however, to assure Members have access to services consistent with applicable law, despite such events.

Regence and Provider each agree to be bound by the terms and conditions contained in this Addendum. In the event of a conflict or inconsistency between this Addendum and any term or condition contained in the Agreement, this Addendum shall control. This Addendum will be deemed to be updated to incorporate any changes to the laws and regulations referenced herein, effective as of the date of such changes. Except as specifically amended herein, all terms and conditions of the Agreement remain in effect.

**The referenced section of the Agreement is deleted in its entirety and replaced with the following:**

**1.7 MEDICALLY NECESSARY or MEDICAL NECESSITY:** Health care services or supplies that a physician or other health care professional, exercising prudent clinical judgment, would provide to a patient for the purpose of preventing, evaluating, diagnosing, or treating an illness, injury, disease, or its symptoms, and that are (a) in accordance with generally accepted standards of medical practice; (b) clinically appropriate, in terms of type, frequency, extent, site, and duration, and considered effective for the patient’s illness, injury, or disease; (c) not primarily for the convenience of the patient, physician, or other health care professional; and (d) not more costly than an alternative service or sequence of services or supplies that are at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient’s illness, injury, or disease. For these purposes, “generally accepted standards of medical practice” means standards that are based on credible scientific evidence published in applicable peer-reviewed medical literature generally recognized by the relevant medical community, physician specialty society recommendations, and the views of physicians and other health care professionals practicing in relevant clinical areas and any other relevant factors.

**The referenced section of the Agreement is deleted in its entirety and replaced with the following:**

**3.1 PAYMENT.** Regence or Payor will compensate the Provider for Medically Necessary Covered Services provided to Members in accordance with this Agreement and Regence’s or Payor’s claims payment policies.

If Provider objects to a change in rules, guidelines, policies, and procedures on the Provider Web Site, Provider may elect to terminate this Agreement pursuant to Article VII of this Agreement.

**The referenced section of the Agreement is deleted in its entirety and replaced with the following:**

**4.16 PROVIDER-PATIENT RELATIONSHIP.** Providers will maintain the provider-patient relationship with Members, and Providers will be solely responsible for medical advice to and treatment of Members and for the provision of all health care services set forth in the Member Agreement, in accordance with accepted professional standards and practices. Providers may freely communicate with Members regarding available treatment options, including medication treatment options, regardless of benefit limitations or exclusions in the applicable Member Agreement.

**The referenced section of the Agreement is deleted in its entirety and replaced with the following:**

**4.21.1 Member Hold Harmless.** Provider hereby agrees that in no event, including, but not limited to, nonpayment by Regence, Regence's insolvency, or breach of this Agreement, will Provider bill, charge, collect a deposit from, seek compensation, remuneration or reimbursement from, or have any recourse against a Member or person acting on their behalf, other than Regence, for services provided pursuant to this Agreement. This provision does not prohibit collection of Deductibles, Coinsurance, Copayments, and/or payment for Non-Covered Services, which have not otherwise been paid by a primary or secondary carrier in accordance with regulatory standards for coordination of benefits, from Members in accordance with the terms of the Member's Member Contract.

**The referenced section of the Agreement is deleted in its entirety and replaced with the following:**

**4.21.5 Survival of Termination.** Provider further agrees that (i) the above provisions will survive termination of this Agreement regardless of the cause giving rise to termination and shall be construed to be for the benefit of the Members, and (ii) this provision supersedes any oral or written contrary agreement now existing or hereafter entered into between the Provider and Member or persons acting on their behalf.

**The referenced section of the Agreement is deleted in its entirety and replaced with the following:**

**4.21.6 Provider Contracts with Other Health Care Professionals.** If Provider contracts with other health care providers who agree to provide Covered Services to Members of Regence or Payor with the expectation of receiving payment directly or indirectly from Regence or Payor, such providers must agree to abide by the above provisions.

**The referenced section of the Agreement is deleted in its entirety and replaced with the following:**

**5.3 PROMPT PAYMENT OF CLAIMS.** Regence will pay or deny clean claims in accordance with the prompt payment rules set forth in applicable Oregon state law. If Regence requires additional information to process a claim, Provider will provide such information at no charge. Once the additional information is received by Regence, Regence will process the claim in accordance with the standards required by state law. For purposes of this Section 5.3, a "clean claim" means a claim under a Member Contract that has no defect, impropriety, lack of any required substantiating documentation, or particular circumstance requiring special treatment that prevents timely payment.

To the extent required by Oregon state law, Regence will pay simple interest at the rate of one percent (1%) per month on payable clean claims not paid by Regence within thirty-one (31) days of receipt. Such interest will be calculated based on the amount to be paid to Provider for the Covered Services and will be added to Provider's payment without further claim submission from Provider. Notwithstanding the foregoing, neither Regence nor Payor will be subject to interest, penalties, or late fees that may be established by Oregon state law for clean claims for Covered Services provided to Members pursuant to a Member Contract with, or on behalf of, the federal government or otherwise pursuant to federal law, including, but not limited to, those under the Federal Employees Health Benefits Program, Medicare, and self-funded health plans.

**The referenced section of the Agreement is deleted in its entirety and replaced with the following:**

**5.5.1 Overpayments.** Regence or Payor may request a refund from Provider of a payment previously made to satisfy a claim within eighteen (18) months after the date that the payment was made or, in the case of a claim involving the coordination of benefits, within thirty (30) months of such date. Any such request must be in writing and must specify why Regence or Payor believes that Provider owes the refund. In the case of a claim involving the coordination of benefits, the request must include the name and mailing address of the other entity that has primary responsibility for payment of the claim. If Provider fails to contest a refund request in writing to Regence or Payor within thirty (30) days of receiving the request, the request is deemed accepted and Provider must pay the refund within thirty (30) days after the request is deemed accepted. If Provider has not paid the refund within thirty (30) days after the request is deemed accepted, Regence or Payor may recover the amount through an offset to a future claim. The parties agree that this Section does not apply in cases of fraud.

**The referenced section of the Agreement is deleted in its entirety and replaced with the following:**

**5.5.2 Refunds and Adjustments.** Provider may request additional payment from Regence or Payor to satisfy a claim within eighteen (18) months after the date that the claim was denied or payment intended to satisfy the claim was made or, in the case of a claim involving the coordination of benefits, within thirty (30) months of such date. Any such request must be in writing and must specify why Provider believes that Regence or Payor owes the additional payment. In the case of a claim involving the coordination of benefits, the request must include the name and mailing address of any entity that has disclaimed responsibility for payment of the claim. The original claims decision will be final and binding unless Provider requests additional payment within the eighteen (18) or thirty (30) month time periods, as applicable. The parties agree that this Section does not apply in cases of fraud.

**8.2 INTERNAL PROVIDER APPEAL PROCESSES.** Regence shall maintain one or more internal provider appeal processes to adjudicate disputes that may arise between a Participating Provider and Regence. Regence's internal provider appeal processes are set forth on the Provider Web Site, which is incorporated herein by reference. Unless otherwise indicated herein or in the Provider Web Site, the Participating Provider must exhaust the applicable provider appeals process before initiating any of the post-appeal processes set forth herein.

If the Participating Provider submits a dispute to the internal provider appeal process, and Regence fails to render a timely decision based on the time frames described in the Provider Web Site, Provider may bypass the provider appeal process and proceed directly to one or more of the post-appeal processes described below.

**The referenced section of the Agreement is deleted in its entirety and replaced with the following:**

**8.3 POST-APPEAL PROCESSES.** If, after the exhaustion of the applicable internal provider appeal process, either party is dissatisfied with the outcome of the internal provider appeal and wants to

further dispute the issue(s), the disputed issue(s) must be submitted to one or more of the processes as described below. Any prerequisites to initiating one of the processes described below must be met before the process can be initiated.

**8.3.1 Binding External Review.** For disputes that have exhausted the billing dispute and Medical Necessity/investigational procedure appeal process, the Participating Provider may elect to resolve the disputed issue(s) by binding external review, if certain conditions are met. In all cases, if a dispute is submitted to external review, the decision of the external reviewer is binding and is the final decision on the disputed issue. Disputes submitted to external review shall not be submitted to mediation or arbitration as provided herein. A description of the external review process and any prerequisites to initiating the external review process can be found on the Provider Web Site. Disputes that do not meet the criteria to be submitted to binding external review may be submitted to binding external review only upon mutual written agreement of the parties.

**8.3.2 Mandatory Non-Binding Mediation.** For disputes that have not been or cannot be submitted to external review, the disputed issue(s) must be submitted to mandatory non-binding mediation prior to seeking arbitration. Mandatory non-binding mediation must be requested within sixty (60) days following the date of Regence's decision on Provider's last internal provider appeal. Where Provider is allowed to bypass the internal provider appeal process as provided herein, mandatory non-binding mediation must be requested within sixty (60) days from the last day Regence has to timely respond to a dispute. Provider and Regence shall each bear their own costs of mediation and shall split equally the costs of the third-party mediator.

**8.3.3 Binding Arbitration.** If, after exhausting Regence's internal provider appeals process and mandatory non-binding mediation, either party is still dissatisfied with the outcome and wants to further dispute the issue(s), the disputed issue(s) must be submitted to binding arbitration. Such arbitration must be initiated by making a written demand for arbitration on the other party. The demand for arbitration must identify all issues on which the party seeks arbitration, the contractual provisions on which the party relies, the amount in dispute, and the relief requested.

The arbitration shall be conducted in a city within reasonable distance of both parties and mutually agreed upon by both parties. The parties agree that the dispute shall be submitted to one (1) arbitrator mutually selected by the parties. If the parties cannot agree on an arbitrator, they shall obtain a list of ten (10) possible arbitrators from a neutral source, such as the Judicial Arbitration and Mediation Services (JAMS), and shall strike arbitrators from the list in turn, beginning with the party who won a coin toss, until only one arbitrator remains. The remaining arbitrator shall hear the dispute. The parties shall share equally the fee of the arbitrator, excluding the filing fee, if any, incurred in commencement of the proceeding. The parties shall have the right to make substantive motions. The arbitrator shall be bound by applicable federal and state law and shall render a written decision within thirty (30) days of the hearing. The arbitrator shall award the prevailing party any applicable filing fees and arbitrator's fees paid by the prevailing party. The arbitrator also may award the prevailing party attorneys' fees and costs associated with the arbitration proceeding. Judgment upon an award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

**9.11 GOVERNING LAW / VENUE.** This Agreement is governed by the laws of the State of Oregon, without giving effect to any conflict-of-law principle that would result in the laws of any other jurisdiction governing this Agreement. Any action, suit, or proceeding arising out of the subject matter of this Agreement will be litigated in courts located in Multnomah County, Oregon. Each party consents and submits to the jurisdiction of any local, state, or federal court located in Multnomah County, Oregon.

Upon termination, Provider shall return or destroy Confidential Data as described under Provision IV.

MEDICARE ADVANTAGE PPO REIMBURSEMENT ADDENDUM**

This is an Addendum ("Addendum"), effective on , to the Participating Agreement ("Agreement"), by and between Regence BlueCross BlueShield of Oregon ("Regence") and **CLACKAMAS HEALTH CENTERS** ("Provider"). All references herein to "Provider" shall mean "Medical Group," or "Physician or Other Health Care Professional," as defined in the Agreement(s).

WHEREAS, Regence has a contract to serve as a Medicare Advantage (MA) plan for the U.S. Department of Health and Human Services (HHS), Centers for Medicare and Medicaid Services (CMS), to administer Medicare benefits within certain counties in the Regence service areas;

WHEREAS, Provider has an existing Agreement to provide medical services to Members, as more particularly set forth in the Agreement;

WHEREAS, Provider is entering into this Addendum to provide medical services to MA PPO Members;

NOW THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, receipt and sufficiency of which are acknowledged, the parties hereby agree as follows:

**A. REIMBURSEMENT PROVISIONS**

The following reimbursement provisions and fee schedule amounts shall apply to Provider for Covered Services rendered to MA PPO Members:

1. The fee schedule for professional providers is structured on the most recent edition of the CPT coding manual. For most procedures, Regence will determine Maximum Allowable Fees using the Resource Based Relative Value Scale (RBRVS) published by the Centers for Medicare & Medicaid Services (CMS). In the absence of CMS RBRVS unit values for specific procedures, Regence will establish such unit values for purposes of its Maximum Allowable Fee determination. For certain procedures, the Maximum Allowable Fee will be individually determined at Regence's discretion. Procedures assigned "by report" status are paid as determined by Regence's Medical Director.
2. The allowance for each CPT procedure code is the lesser of the charge or the fee assigned to that procedure code under the fee schedule. Payment for Covered Services is based upon this allowance.
3. For Covered Services provided by MDs, and DOs, the fee schedule shall be based upon one hundred percent (100.00%) of the current Medicare fee schedule and payment methodologies for the locale where the service is rendered. Regence will update within sixty (60) days of the release/publication date with regard to the Medicare Pricer updates of the Medicare Physician rates.
4. For Covered Services provided by Nurse Practitioners and Physician Assistants, the fee schedule shall be based upon eighty-five percent (85.00%) of the MD and DO rate listed above. Payments for Physician Assistants and Certified Registered Nurse First Assistants assisting at surgery shall be reimbursed based on Medicare guidelines.
5. For Covered Services provided by other provider types (i.e., not MDs, DOs, NPs and PAs), including but not limited to: PT, OT, ST, CRNAs, DCs, DPMs, ODs the fee schedule shall be based upon the current Medicare allowable for the provider type based on the locale where the service is rendered. For certain procedures, the Maximum Allowable Fee will be individually determined at Regence's discretion. Procedures assigned "by report" status are paid as determined by Regence's Medical Director.

8. Durable Medical Equipment, Prosthetics, Orthotics, Supplies (DMEPOS) and Drugs will be reimbursed according to Regence reimbursement policy.

## **B. MISCELLANEOUS PROVISIONS**

6. Other Provisions. The provisions of the Agreement, and any addendum(-a) thereto, that are not changed by this Addendum remain unchanged and in full force and effect.

## **C. PROVIDER SERVICES AND OBLIGATIONS**

1. Primary Care Physicians. Provider understands that under the MA HMO, MA Members will designate a primary care physician ("PCP") at the time of enrollment in the MA HMO and that MA HMO Members will have the flexibility to change their choice of PCP periodically. The designated PCP will be responsible for referring MA HMO Members for Covered Services pursuant to the Members' benefits and to in-network providers. Claims payment will be contingent on referral guidelines established by Regence.

2. PCP Responsibilities. Provider shall:
- a. Provide or arrange for the provision of Covered Services on a routine, urgent, and emergency care basis for MA HMO Members assigned to Provider.
  - b. Accept MA HMO Members assigned to Provider without discrimination or screening of such members based upon their health status.
  - c. Be responsible twenty-four (24) hours a day, seven (7) days a week for providing, prescribing, directing and authorizing all Covered Services.
  - d. Provide to Regence a description of arrangements for urgent and emergency care and service coverage in the event a PCP is unavailable due to vacation, illness or after hours, and will assure that the physician providing coverage will provide services under the same terms and conditions and in compliance with all provisions of the Provider's Agreement with Regence. Provider shall be responsible for any and all compensation for such other physician(s). Neither Provider nor the physician(s) shall seek additional compensation from Regence or MA HMO Members assigned to Provider for services rendered.
  - e. Issue referrals for MA HMO Members assigned to Provider in accordance with Regence referral guidelines.
3. Services to Members. In the event Provider provides a MA HMO Member a non-covered service, Provider shall, prior to the provision of such non-covered service, inform the MA HMO Member: (i) of the service(s) to be provided; (ii) that Regence will not pay or be liable financially for such non-covered service(s); and (iii) that MA HMO Member will be responsible financially for non-covered service(s) that are requested by the MA HMO Member.
- Provider agrees to be responsible twenty-four (24) hours a day, seven (7) days a week for providing Covered Services for MA HMO Members including, but not limited to, prescribing, directing and monitoring all urgent and emergency care for Members.
- In the event that emergency or urgent care services are needed by a MA HMO Member outside the service area, Provider agrees to monitor and authorize the out-of-area care, to the extent they are aware of such event, and to provide direct care as soon as the MA HMO Member is able to return to the service area for treatment without medically harmful or injurious consequences.
4. Specific Referrals. Except in the case of a medical emergency, Provider agrees to use its best efforts to admit, refer, and cooperate with the transfer of MA HMO Members for Covered Services only to providers designated, specifically approved by or under contract with Regence. In addition, Provider acknowledges and agrees that certain MA HMO Members may have health benefits contracts that limit coverage to certain types of participating providers. For such MA HMO Members, referrals are required to be made to specific providers designated by Regence.
5. Referral System Rules. Regence has established and may at times revise, amend or, modify its referral system rules with respect to payment of claims for certain services without a referral. This includes, but is not limited to, services mandated by state or federal laws, rules or regulations, certain low cost diagnostic services, other routine services and urgent and emergency care. Provider agrees that such claims shall not be contested by Provider for Provider's failure to comply with Regence referral system rules.

Any term not defined herein shall have the meaning set forth in the Agreement. The terms of this Addendum shall become a part of, and shall be specifically incorporated into, the terms of the Agreement. In the event of any conflict or inconsistency between the terms of this Addendum and the terms of the Agreement, the terms of this Addendum shall apply. This Addendum supersedes and replaces in its entirety any prior MA Addenda between the parties.

**REGENCE**

### I. RECITALS

## AGREEMENT

### II. DEFINITIONS

For purposes of this Addendum, the following terms will have the following stated meanings. Any term not defined in this Addendum will have the meaning given to the term in the Agreement.

- 2.1 **Advance Monthly CMS Payments** means the advance monthly payments that are made by CMS to Regence, in Regence's capacity as a Medicare Advantage organization, in return for providing Covered Services to MA Members during those months.
- 2.2 **Advance Payment Adjustment** means the amount of any reduction in the Advance Monthly CMS Payments that are made by CMS to Regence, expressed as a percentage reduction from the amount of the Advance Monthly CMS Payments that Regence would have otherwise received in the absence of the reduction, and that is caused by or that results from any unplanned, unforeseen, or unusual budgetary event that was not contemplated by Regence, or that was not contemplated by Provider, or that was not contemplated by both Regence and Provider, when Regence and Provider agreed upon the Medicare Advantage Compensation that is otherwise applicable or payable to Provider under the Agreement. Unplanned, unforeseen, or unusual events include without limitation any state or federal budgetary sequestrations, any changes in state or federal law or policy, any mid-year budget adjustments, or any unanticipated taxes or fees that cause a reduction in the Advance Monthly CMS Payments otherwise due to, or expected to be received by, Regence.
- 2.3 **Medicare Advantage Compensation** means the compensation payable under the Agreement by Regence to Provider in return for providing Covered Services to MA Members.

### **III. COMPENSATION**

The Medicare Advantage Compensation paid to Provider for Covered Services received by MA Members during a particular month will be reduced by the same percentage as, or by such lower percentage as Regence may determine in Regence's sole discretion, any Advance Payment Adjustment imposed upon or levied against the Advance Monthly CMS Payments that are paid to Regence during that month. For example, if a federal budgetary sequestration reduces the Advance Monthly CMS Payments paid to Regence by 2% during the months of April and May of a particular year, then the Medicare Advantage Compensation payable under the Agreement to Provider for any Covered Services received by MA Members during April and May of that year will also be reduced by 2%, or by such other lower percentage that Regence may determine in Regence's sole discretion.

### **IV. OTHER PROVISIONS**

The provisions of the Agreement that are not amended or deleted by this Addendum remain unchanged and in full force and effect.
