COUNTY OF CLACKAMAS,

Petitioner,

v.

DOUGLAS A. RANDALL, and
ROSE M. OJEDA,

Respondents.

File No.: V0058917

STATEMENT OF PROOF

History of Events and Exhibits:

September 7, 2017	Clackamas County Code Enforcement received a complaint that the second story of the detached garage was converted to an accessory dwelling unit and was being used as a rental apartment. The structure was permitted as a detached garage in 2003.
September 13, 2017 Exhibit: A	Correspondence was mailed to the Respondents.
September 22, 2017	Respondent Randall telephoned Code Enforcement Specialist (CES) Shane Potter. Respondent Randall explained it was built for guests and he has rented it out. The structure has a bathroom but does not have a kitchen. Respondent Randall indicated he wishes to comply and was provided the phone number of Clackamas County Planning and Zoning.
October 11, 2017 Exhibit: B	CES Potter mailed correspondence to the Respondents by first class mail, requesting contact.
October 11-25, 2017	Respondent Ojeda and CES Potter exchanged phone calls and discussed the violation and the paths to compliance. CES Potter provided contact information with the Building Codes Division.
January 4, 2018 Exhibit: C	Facts of the alleged violations were reviewed, the violation verified and the Notice of Violation was mailed via first class mail to the Respondents.
April 18, 2018 Exhibit: D	CES Potter had no further contact from the Respondents. After additional review and verification a second Notice of Violation was mailed via first class mail to the Respondents, providing a deadline of May 18, 2018 to comply.

June 28, 2018	An application and accompanying documents were submitted to schedule a pre-application conference, ZPSC0102-18 with Planning and Zoning for a zone change and a partition. The conference was scheduled for July 18, 2018. A successful zone change and partition of the tax lot may allow the garage to be converted into a single family residence.
July 18, 2018	The preliminary analysis from the pre-application conference was issued to the Respondent.
August 8, 2018 Exhibit: E	Citation #1700589-1 issued for a Priority 1 Building Code violation for \$100 for the unpermitted conversion of the garage to living quarters. The citation was sent via first class mail and certified mail. The first class mail was not returned. This citation has not been paid.
August 21-23, 2018	Respondent Ojeda left a voice mail message for CES Potter. He returned the call and she explained they are seeking a land use authorization to split the tax lot as an option to gain compliance. CES Potter explained he would stay further enforcement until the land use decision was completed.
October 15, 2018	Respondents submitted a land use application and documents to change the zoning applied to the lot and for a partition of the lot File# Z0556-18-M and Z0557-18-ZAP
February 5, 2019	Land use application file #Z0556-18-M and Z0557-18-ZAP was approved with conditions to change the R-20 parcel into two R-7 parcels.
April 14, 2020	CES Potter spoke with Respondent Ojeda. Respondent Ojeda stated they were evaluating whether or not they could afford to do all the work associated with the zone change and partition. CES Potter and Respondent Ojeda discussed options for the garage structure. She said they would prefer it to be just a guest house. CES Potter advised that she check in with the Planning Division and Building Codes Division to insure she understands the building permitting needs and the standards required by the zoning ordinance. CES Potter asked the Respondent to provide an update on progress of abatement within 30 days. Respondent Ojeda said she would do that.

July 31, 2020	CES Michael Barnes received a voice mail message from Respondent Ojeda. She stated that she was calling because they have an improved area above their shop, which they added a full bath to and want to use as a guest space. They rented it out prior, but were informed that was a violation. CES Barnes believed she was trying to reach either the Building Codes Division or Planning and Zoning Division. He returned the call provided phone numbers for the two Divisions and a reminder that CES Potter is now assigned to this file.
February 17, 2021 Exhibit: F	Citation #1700589-2 issued for a Priority 1 Building Code violation for \$100 for the unpermitted conversion of the garage to habitable space. The citation was sent via first class mail. The first class mail was not returned. This citation has not been paid.
May 13, 2022	CES Kimberly Benthin confirmed with Planning and Zoning they have not received a rough draft of the final plat and the Surveyors office has not recorded a final plat.

A review of County records revealed that permits had been submitted to bring the shop structure into compliance.

If the Compliance Hearings Officer affirms the County's position by a preponderance of the evidence; the County may request a Continuing Order in this matter recommending the following:

REQUIRED NOTICE OF FINES AND PENALTIES

It is important that you contact the Code Enforcement Section to resolve the violations described in the enclosed letter. Failure to resolve those violations may result in one or more of the following: (1) a citation and fine, (2) assessment of a \$75 per month administrative compliance fee, and (3) referral of this matter to the County Code Enforcement Hearings Officer.

Clackamas County Code provides for fine amounts of up to \$500 and additional civil penalties of up to \$3,500 for each day the County verifies the noncompliance. Fine amounts and civil penalties may be assessed for each cited violation and may be assessed separately against each named party. In addition, the Code Enforcement Hearings Officer may order the violation to be abated by the County at the expense of the property owner(s) and responsible parties.

Clackamas County encourages voluntary compliance with code violations to support a safe and healthy community for all. Please note that when a property owner works cooperatively with the County to resolve a confirmed code enforcement violation, the County may in its discretion waive all or part of the \$75 per month administrative fee.

Fines and costs are payable upon the effective date of the final order declaring the fine and costs. Fines and costs under this Chapter are a debt owing to the County, pursuant to ORS 30.460, and may be collected in the same manner as any other debt allowed by law. If fines or costs are not paid within 60 days after payment is ordered the County may file and record the order for payment in the County Clerk Lien Road.

Also, be advised that non-compliance with a Hearing Officer's Order may result in the matter being referred to County Counsel; for legal action in Circuit Court which may result in additional penalties or other sanctions.

Finally, recurrence of abated violations may result in the issuance of a citation without prior notice.
