Gladstone Community Library Planning Task Force

Charter

BACKGROUND

In October 2017, the City of Gladstone and Clackamas County entered into an agreement which contemplates the County constructing and managing two new libraries, one in the Oak Lodge library service area, and one in the City of Gladstone on the current City Hall site (525 Portland Avenue).

In May 2018, City of Gladstone voters approved ballot measure 3-530, which provided necessary Charter approvals for the implementation of the agreement between Clackamas County and the City of Gladstone.

The Board of County Commissioners has authorized the creation of a Gladstone Community Library Planning Task Force to evaluate the needs of the Gladstone community and advise the Board of County Commissioners on the new Gladstone library’s facilities, services, and governance.

CHARGE

The Task Force will serve in an advisory capacity to the Board of County Commissioners, and is charged with the following purposes:

- To assist in the assessment, evaluation, and prioritization of the needs of Gladstone library users. This assessment may include, but not be limited to: analysis and prioritization of community library needs; assessing conditions at the Portland Avenue site; recommending best use(s) of space within a new library facility based on prioritized needs; evaluating opportunities for cost savings and operational efficiencies between Gladstone and Oak Lodge locations; working with consultants as necessary; and assisting in the review of financial estimates and forecasts.
- To evaluate best practices for library governance and make recommendations on the future role of the Gladstone Library Advisory Board.
- After submission of the Task Force’s recommendations to the Board, and consistent with the Board’s subsequent direction, to assist with and advise on the creation of a Master Plan for the development of the Gladstone library. The Master Plan will likely include, but not be limited to: project principles, a site plan, conceptual building floorplans, cost estimate and schedule, phasing plan, and a funding strategy.
• During any subsequent construction of the Gladstone Library, to serve as a community liaison group. The Task Force will receive periodic project updates, assist with disseminating project information to the community, and provide community feedback.
• To provide quarterly updates on Task Force activities to the Board of County Commissioners and the Gladstone City Council.
