

INFORMATION ON LOW COST HOUSING IN CLACKAMAS COUNTY

June 2019

If you have a low income you may be eligible to receive help with your rent. This information explains some of the different programs available and how to apply. Almost all of these options have waiting lists. The length of a waiting list may be long but will be different for every program. This information is only a brief overview of very complicated programs.

Low Cost Privately Owned Apartments:

Attached to this sheet is a list of privately owned apartments with lower than market rate rents. Some of them are subsidized based on your income and some are not. You can contact the managers at as many of these places as you wish. It is a good idea to get on the waiting list at every building you would consider living in.

Section 8 Housing Choice Voucher Program:

This waitlist is currently closed. Please visit www.clackamas.us/housingauthority/ for more information.

Under this program, the Housing Authority of Clackamas County provides you with a voucher that shows the number of bedrooms for which your family qualifies and the maximum rent that may be paid to the landlord. You then find your own apartment or house, and if it passes the inspection by the Housing Authority, your rent will be subsidized.

Public Housing Projects run by the Housing Authority:

This waitlist is currently closed. Please visit www.clackamas.us/housingauthority/ for more information.

The Housing Authority owns a number of public housing projects and individual houses. Tenants in public housing have their rent subsidized.

To request an updated copy of this list please contact the Housing Rights and Resources Program at 503-650-5750.
