The following capitalized terms have the meanings assigned below.

Grant Amount: \$136,121.00

Period of Performance: July 1, 2024 to June 30, 2025

SECTION 2 - GRANT

OEM shall provide Recipient, and Recipient shall accept from OEM, a(n) EMPG grant (the “Grant”) not to exceed in Grant Funds for eligible costs. If applicable, Recipient shall provide matching funds for all project costs as described in Exhibit A.

OEM’s obligations are subject to the receipt of the following items, in form and substance satisfactory to OEM and its Counsel:

- (1) This Agreement duly signed by an authorized officer of Recipient; and
- (2) Such other certificates, documents, opinions and information as OEM may reasonably require.

Recipient shall complete the Project and use its own fiscal resources or money from other sources to pay for any costs of the Project in excess of the total amount of financial assistance provided pursuant to this Agreement.

SECTION 3 - DISBURSEMENTS

A. Reimbursement Basis. The Financing Proceeds shall be disbursed to Recipient on an expense reimbursement or costs-incurred basis.

B. Disbursement Requirements.

- (1) Recipient must submit each disbursement request for eligible Project Costs on a Request for Reimbursement form (“RFR”), provided by OEM.
- (2) Recipient must submit a signed RFR, that includes supporting documentation for all grant expenditures. RFRs may be submitted monthly or quarterly during the term of this Agreement. The final RFR must be submitted no later than 30 days following the end of the Period of Performance (“RFR Deadline”). OEM has no obligation to reimburse Recipient for any RFR submitted after the RFR Deadline.
- (3) Reimbursements for expenses will be withheld if performance reports are not submitted by the specified dates or are incomplete.
- (4) Reimbursement rates for travel expenses shall not exceed those allowed by the State of Oregon. Requests for reimbursement for travel must be supported with a detailed statement identifying the person who traveled, the purpose of the travel, the dates, times, and places of travel, and the actual expenses or authorized rates incurred.
- (5) Reimbursements will only be made for actual expenses incurred during the Period of Performance. Recipient agrees that no grant may be used for expenses incurred before or after the Period of Performance.
- (6) Recipient must pay its contractors, consultants, and vendors before submitting a RFR to OEM for reimbursement. Eligible costs are the reasonable and necessary costs incurred by Recipient for the Project, in accordance with the EMPG guidance and application materials, including without limitation the Notice of Funding Opportunity (NOFO), that are not excluded from reimbursement by OEM, either by this Agreement or by exclusion as a result of financial review or audit. The guidance, application materials and NOFO are available at:

EMPG: [Oregon Department of Emergency Management : Emergency Management Performance Grant \(EMPG\) Program : Grants : State of Oregon](#)

C. Financing Availability. Recipient must incur eligible costs under this Agreement on or before the Period of Performance Deadline. Recipient’s right to request disbursements for eligible costs under this Agreement terminates 30 days following the end of the RFR Deadline.

D. Conditions to Disbursements. As to any disbursement, OEM has no obligation to disburse funds unless all following conditions are met:

- (1) OEM (a) has received a completed RFR on an OEM provided form, (b) has received an accounting of how all prior disbursements have been expended, including written evidence of materials and labor furnished to or work performed upon the Project, including itemized receipts or invoices for payment, and releases, satisfactions or other signed statements or forms as OEM may require, (c) is satisfied that all items listed in the RFR are reasonable, and (d) has determined that the disbursement is only for eligible costs that are in accordance with Exhibit A Project Description and Project Budget.
- (2) The representations and warranties made in this Agreement are true and correct on the date of disbursement as if made on such date.

- (3) OEM has sufficient funds currently available and authorized for expenditure to finance the costs of this Agreement within OEM's biennial appropriation or limitation. Notwithstanding the preceding sentence, payment of funds by OEM is contingent on OEM receiving appropriations, limitations, allotments or other expenditure authority sufficient to allow OEM, in the exercise of its reasonable administrative discretion, to continue to make payments in accordance with the terms of this Agreement, and notwithstanding anything in this Agreement, occurrence of such contingency does not constitute a default. Upon occurrence of such contingency, OEM has no further obligation to disburse funds to Recipient.
- (4) All other conditions precedent under this Agreement are met.
- (5) There is no Event of Default by Recipient.

SECTION 4 - USE OF GRANT

- A. Eligible Use. Recipient's use of the Grant funds is limited to those expenses that are both reasonable and necessary to complete the Project and that are in accordance with Exhibit A Project Description and Budget.
- B. Ineligible Use. Recipient shall not use the Grant funds to retire any debt or to lobby, influence or attempt to influence, any federal, state or local government official.

Any Grant funds disbursed to Recipient, or any interest earned by Recipient on the Grant funds, that is not used according to this Agreement and approved by OEM or that remain unexpended after the earlier of the Period of Performance Deadline, the date the Project is completed or the date that this Agreement is terminated, shall be immediately returned to OEM, unless otherwise directed by OEM in writing.

The Recipient shall be responsible for pursuing recovery of monies paid under this Agreement in providing disaster assistance against any party that might be liable, and further, the Recipient shall cooperate in a reasonable manner with the State of Oregon and the Federal Government in efforts to recover expenditures under this Agreement.

In the event the Recipient obtains recovery from a responsible party, the Recipient shall first be reimbursed its reasonable costs of litigation from such recovered funds. The Recipient shall pay to OEM the proportionate Federal share, as defined in Exhibit D, of all project funds recovered in excess of costs of litigation.

Recipient shall use its own procurement procedures and regulations, provided that the procurement conforms to applicable Federal and State law (including but not limited to the Build America, Buy America Act (BABAA) 2 CFR Part 184, ORS chapters 279A, 279B, 279C), and that for contracts for more than \$150,000, the contract shall address administrative, contractual or legal remedies for violation or breach of contract terms and provide for sanctions and penalties as appropriate, and for contracts for more than \$10,000 address termination for cause or for convenience including the manner in which termination will be effected and the basis for settlement.

 - e. In the event that Recipient subcontracts for engineering services, Recipient shall require that the engineering firm be covered by errors and omissions insurance in an amount not less than the amount of the firm's contract. If the firm is unable to obtain errors and omissions insurance, the firm shall post a bond with Recipient for the benefit of Recipient of not less than the amount of its subcontract. Such insurance or bond shall remain in effect for the entire term of the subcontract. The subcontract shall provide that the subcontract shall terminate immediately upon cancellation or lapse of the bond or insurance and shall require the subcontractor to notify Recipient immediately upon any change in insurance coverage or cancellation or lapse of the bond.
- (2) Purchases and Management of Property and Equipment: Records. Recipient agrees to comply with all applicable federal requirements referenced in Exhibit B, Section II.C.1 to this Agreement and procedures for managing and maintaining records of all purchases of property and equipment will, at a minimum, meet the following requirements:
- a. All property and equipment purchased under this agreement, whether by Recipient or a contractor, will be conducted in a manner providing full and open competition and in accordance with all applicable procurement requirements, including without limitation ORS chapters 279A, 279B, 279C, and purchases shall be recorded and maintained in Recipient's property or equipment inventory system.
 - b. Recipient's property and equipment records shall include: a description of the property or equipment; the manufacturer's serial number, model number, or other identification number; the source of the property or equipment, including the Catalog of Federal Domestic Assistance (CFDA) number; name of person or entity holding title to the property or equipment; the acquisition date; cost and percentage of Federal participation in the cost; the location, use and condition of the property or equipment; and any ultimate disposition data including the date of disposal and sale price of the property or equipment.
 - c. For acquisition projects, Recipient shall retain real estate transaction and property tracking records indefinitely to enable FEMA to track the use of real property acquired with grant funds and ensure that the property is maintained for open space in perpetuity (see 44 CFR Part 80).
 - d. A physical inventory of the property and equipment must be taken, and the results reconciled with the property and equipment records at least once every two years.

- i. Recipient shall require its contractors to use property and equipment management requirements that meet or exceed the requirements provided herein applicable to all property and equipment purchased with Grant Funds.
- j. Recipient shall, and shall require its contractors to, retain, the records described in this Section 9.b. for a period of six years from the date of the disposition or replacement or transfer at the discretion of OEM. Title to all property and equipment purchased with Grant Funds shall vest in Recipient if Recipient provides written certification to OEM that it will use the property and equipment for purposes consistent with the EMPG

D. Compliance with Laws. Recipient shall comply with the requirements of all applicable laws, rules, regulations and orders of any governmental authority, except to the extent an order of a governmental authority is contested in good faith and by proper proceedings.

Specifically, Recipient acknowledges and agrees to follow constitutional Equal Protection requirements. Recipient shall consider all eligible beneficiaries (meeting 2 or more economic equity risk factors) as described in Exhibit A and shall not refuse to work with individuals, families, businesses, or communities based on protected class considerations.

E. Notice of Adverse Change. The Recipient shall promptly notify OEM of any adverse change in the activities, prospects or condition (financial or otherwise) of Recipient, or the Project related to the ability of Recipient to perform all obligations required by this Agreement.

F. Notice of Event of Default. The Recipient shall give OEM prompt written notice of any Event of Default, or any circumstance that with notice or the lapse of time, or both, may become an Event of Default, as soon as Recipient becomes aware of its existence or reasonably believes an Event of Default is likely.

G. Indemnity. To the extent authorized by law, Recipient shall defend, indemnify, save and hold harmless the State of Oregon, OEM, and their officers, employees and agents from and against any and all claims, suits, actions, proceedings, losses, damages, liability and court awards, including but not limited to costs, expenses, and attorneys' fees incurred (collectively, "Claims"), related to any actual or alleged act or omission by Recipient, or its officers, employees, agents or contractors, that is related to this Project. Notwithstanding the foregoing, neither Recipient nor any attorney engaged by Recipient may defend any Claim in the name of the State of Oregon, nor purport to act as legal representative for the State of Oregon, without first receiving from the Oregon Attorney General in a form and manner determined appropriate by the Oregon Attorney General, authority to act as legal counsel for the State of Oregon, nor may Recipient settle any Claim on behalf of the State of Oregon without the approval of the Oregon Attorney General. If the State of Oregon assumes its own defense, Recipient will be liable for the attorney fees of the State of Oregon, including but not limited to any fees charged by the Oregon Department of Justice. The provisions of this section are not to be construed as a waiver by the State of Oregon or OEM of any immunity, defense or limitation on damages provided for under Chapter 30 of the Oregon Revised Statutes or under the

laws of the United States or other laws of the State of Oregon. If attorney fees are awarded to Recipient, such attorney fees shall not exceed the rate charged to OEM by its attorneys.

Recipient's sub agreement(s) shall require the other party to such sub agreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless OEM and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Recipient's sub agreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that OEM shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of OEM, be indemnified by the other party to Recipient's sub agreement(s) from and against any and all Claims.

Any such indemnification shall also provide that neither Recipient's contractor(s) nor any attorney engaged by Recipient's contractor(s) shall defend any claim in the name of OEM or any agency of the State of Oregon (collectively "State"), nor purport to act as legal representative of the State or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Recipient's contractor is prohibited from defending State or that Recipient's contractor is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Recipient's contractor if State elects to assume its own defense.

Recipient shall require the other party, or parties, to each of its sub agreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement.

- H. Disadvantaged and Emerging Small Business. ORS 200.090 states public policy is to "aggressively pursue a policy of providing opportunities for available contracts to emerging small businesses." OEM encourages Recipient, in its contracting activities, to follow good faith efforts described in ORS 200.045. The Governor's Policy Advisor for Economic & Business Equity provides additional resources and the Certification Office for Business Inclusion and Diversity at the Oregon Business Development Department maintains a list of certified firms and can answer questions. Search for certified firms on the web at:
<https://oregon4biz.diversitysoftware.com/FrontEnd/VendorSearchPublic.asp>.
- I. Inspections; Information. The Recipient shall permit OEM, and any party designated by OEM: (i) to inspect, at any reasonable time, the property, if any, constituting the Project; and (ii) at any reasonable time, to inspect and make copies of any accounts, books and records, including, without limitation, its records regarding receipts, disbursements, contracts, investments and any other related matters. The Recipient shall supply any related reports and information as OEM may reasonably require.
- J. Records, Access to Records and Facilities. Recipient shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Equipment in accordance with all applicable generally accepted accounting principles, generally accepted governmental auditing standards, and state minimum standards for audits of municipal corporations. OEM, the Secretary of State of the State of Oregon ("Secretary"), and their duly authorized representatives shall have access to the books, documents, papers, and records of Recipient that are directly related to this Agreement or the Equipment provided for the purpose of making audits and examinations. In addition, OEM, Oregon Secretary of State (Secretary), Office of Inspector General (OIG), Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), or

any of their authorized representatives may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records.

- K. Retention of Records. Recipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project for until the latest of (a) six years following termination, completion or expiration of this Agreement, (b) upon resolution of any litigation or other disputes related to this Agreement, or (c) as required by 2 CFR 200.333. It is the responsibility of Recipient to obtain a copy of 2 CFR Part 200, and to apprise itself of all rules and regulations set forth. If there are unresolved issues at the end of such period, Recipient shall retain the books, documents, papers and records until the issues are resolved.
- L. Continued Tax Compliance. Recipient shall, throughout the duration of this Agreement, comply with all tax laws of this state and all applicable tax laws of any political subdivision of this state. OEM does not provide tax advice and OEM is not responsible for any tax consequences or compliance requirements associated with the Grant award to Recipient, including but not limited to 1099 Requirements and tax reporting requirements. Recipient is advised to consult with their own tax advisor or legal counsel.
- M. Tax Notice to Beneficiaries. Recipients that provide direct funding to beneficiaries shall provide notice to beneficiaries to the effect that OEM has not provided any tax advice to the beneficiaries of Program funds and OEM is not responsible for tax consequences, if any, to beneficiaries in connection with receipt of Program funding. Beneficiaries are advised to consult with their own tax advisor or legal counsel regarding tax consequences, if any, of accepting funds.
- N. Federal Audit Requirements. The Grant is federal financial assistance, and the Catalog of Federal Assistance Listing (formerly CFDA) number and title is “97.042 Emergency Management Performance Grants.” Recipient is a sub-recipient.
- (1) If Recipient receives federal funds in excess of \$750,000 in the Recipient’s fiscal year, it is subject to audit conducted in accordance with the provisions of 2 CFR part 200, subpart F. Recipient, if subject to this requirement, shall at its own expense submit to OEM a copy of, or electronic link to, its annual audit subject to this requirement covering the funds expended under this Contract and shall submit or cause to be submitted to OEM the annual audit of any Recipient(s), contractor(s), or subcontractor(s) of Recipient responsible for the financial management of funds received under this Contract.
 - (2) Audit costs for audits not required in accordance with 2 CFR part 200, subpart F are unallowable. If Recipient did not expend \$750,000 or more in Federal funds in its fiscal year but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the funds received under this Contract.
 - (3) Recipient shall save, protect and hold harmless OEM from the cost of any audits or special investigations performed by the Federal awarding agency or any federal agency with respect to the funds expended under this Contract. Recipient acknowledges and agrees that any audit costs incurred by Recipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Recipient and the State of Oregon.

SECTION 7 - DEFAULT

Any of the following constitutes an “Event of Default”:

- A. Misleading Statement. Any material false or misleading representation is made by or on behalf of Recipient, in this Agreement or in any document provided by Recipient related to this Grant or the Project.
- B. The Recipient fails to perform any obligation required under this Agreement, other than those referred to in subsection A of this section, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by OEM. OEM may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action.

SECTION 8 - REMEDIES

Upon the occurrence of an Event of Default, OEM may pursue any remedies available under this Agreement, at law or in equity. Such remedies include, but are not limited to, termination of OEM’s obligations to make the Grant or further disbursements, return of all or a portion of the Grant amount, payment of interest earned on the Grant amount, and declaration of ineligibility for the receipt of future awards from OEM. If, as a result of an Event of Default, OEM demands return of all or a portion of the Grant amount or payment of interest earned on the Grant amount, Recipient shall pay the amount upon OEM’s demand. OEM may also recover all or a portion of any amount due from Recipient by deducting that amount from any payment due to Recipient from the State of Oregon under any other contract or agreement, present or future, unless prohibited by state or federal law. OEM reserves the right to turn over any unpaid debt under this Section 8 to the Oregon Department of Revenue or a collection agency and may publicly report any delinquency or default. These remedies are cumulative and not exclusive of any other remedies provided by law.

In the event OEM defaults on any obligation in this Agreement, Recipient’s remedy will be limited to a claim for reimbursement or disbursement of funds authorized under this Agreement. In no event will OEM be liable to Recipient for any expenses related to termination of this Agreement or for anticipated profits or loss.

SECTION 9 - TERMINATION

In addition to terminating this Agreement upon an Event of Default as provided in Section 8, OEM may terminate this Agreement with notice to Recipient under any of the following circumstances:

- A. Termination by OEM.
 - (1) The Oregon Department of Administrative Services notifies OEM of an anticipated shortfall in applicable revenues or OEM fails to receive sufficient funding, appropriations or other expenditure authorizations to allow OEM, in its reasonable discretion, to continue making payments under this Agreement;
 - (2) There is a change in federal or state laws, rules, regulations or guidelines so that the Project funded by this Agreement is no longer eligible for funding;
 - (3) Recipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Recipient is, for any reason, rendered improbable, impossible, or illegal;
 - (4) The Project would not produce results commensurate with the further expenditure of funds;

- (5) Recipient takes any action pertaining to this Agreement without the approval of OEM and which under the provisions of this Agreement would have required the approval of OEM; or
 - (6) OEM determines there is a material misrepresentation, error or inaccuracy in Recipient's application.
- B. Termination by Recipient. Recipient may terminate this Agreement effective upon delivery of written notice of termination to OEM, or at such later date as may be established by Recipient in such written notice, if:
- (1) The requisite local funding to continue the Project becomes unavailable to Recipient; or
 - (2) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- C. Termination by Either Party. Either Party may terminate this Agreement upon at least ten days notice to the other Party and failure of the other Party to cure within the ten days, if the other Party fails to comply with any of the terms of this Agreement.
- D. Termination by Mutual Consent. The Agreement may be terminated by mutual written consent of the parties.
- E. Effect of Termination. In the event of termination of this Agreement, each party shall be liable only for Project Costs and allowable expenses incurred by the other party, prior to the effective date of termination, and Recipient will return all Federal funds paid to Recipient for the Project which have not been expended or irrevocably committed to eligible activities.
- F. Settlement Upon Termination. Immediately upon termination under Sections 9.A.(1), (4) or (5), no Grant Funds shall be disbursed by OEM, and Recipient shall return to OEM Grant Funds previously disbursed to Recipient by OEM in accordance with Section 4.C and the terminating party may pursue additional remedies in law or equity. Upon termination pursuant to any other provision in this Section 10, no further Grant Funds shall be disbursed by OEM and Recipient shall return funds to OEM in accordance with Section 6.c, except that Recipient may pay, and OEM shall disburse, funds for obligations incurred and approved by OEM up to the day that the non-terminating party receives the notice of termination. Termination of this Agreement does not relieve Recipient of any other term of this Agreement that may survive termination, including without limitation Sections 10.D and G.

SECTION 10 - MISCELLANEOUS

- A. No Implied Waiver. No failure or delay on the part of OEM to exercise any right, power, or privilege under this Agreement will operate as a waiver thereof, nor will any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other such right, power, or privilege.
- B. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.
