Contract No.	32579

BACKGROUND:

This is a local agency agreement between Clackamas County and the Oregon Department of Transportation (ODOT) to exchange unspent federal funds for State funds so the County can design and build the Rural Intersections and Curve Warnings project under ODOT Certification. This project had been previously identified for ODOT to complete the project, but the County requested to deliver the project under the State Funded Local Project Program. This safety project is part of the 2017-2021 ODOT All Roads Transportation Safety Program (ARTS). The goal of this program is to use a data-driven approach to reduce fatal and serious injury crashes as part of the Moving Ahead for Progress in the 21st Century Act (MAP-21).

The project includes design and construction of warning signs at 81 intersections, 26 corridors and all-way stop-control at the intersection of Springwater Road at Harding Road. The project cost is estimated at \$1,770,169 including a County match of \$137,719 (7.78%).

County Counsel has reviewed and approved this agreement.

RECOMMENDATION:

Staff respectfully recommends that the Board of County Commissioners approve the attached Local Agency Agreement with ODOT for the “Rural Intersection and Curve Warnings” project on the County roads listed in the agreement.

Respectfully submitted,

Joseph F. Marek
Traffic Safety Program Manager

LOCAL AGENCY AGREEMENT
State Funded Local Project Program
Rural Intersection and Curve Warnings

THIS AGREEMENT is made and entered into by and between THE STATE OF OREGON, acting by and through its Department of Transportation, hereinafter referred to as "State" or "ODOT;" and CLACKAMAS COUNTY, acting by and through its elected officials, hereinafter referred to as "Agency," both herein referred to individually or collectively as "Party" or "Parties."

RECITALS

1. Agency wishes to exchange unspent federal funds previously allocated to the Project for state funds, in order to fund the Project using state funding. State has determined that Agency is eligible for state funds for the work to be performed under this Agreement through the State Funded Local Project Program. The Parties enter into this Agreement to exchange these funds, identify the Project that will be funded with the state funds, and describe the method State will use to reimburse Agency for work performed on the Project using the state funds, including establishing invoicing requirements and the proportional reimbursement rate.
2. By the authority granted in Oregon Revised Statute (ORS) 190.110, 366.572 and 366.576, state agencies may enter into cooperative agreements with counties, cities, and units of local government for the performance of any or all functions and activities that a party to the Agreement, its officers, or agents have the authority to perform.
3. The roads listed in this Agreement Exhibit A are a part of the county road system under the jurisdiction and control of Agency.

NOW THEREFORE, the premises being in general as stated in the foregoing Recitals, it is agreed by and between the Parties hereto as follows:

The Project description and locations are listed in the attached "Exhibit A," attached hereto and by this reference made a part hereof.
2. The total Project cost for the work to be performed under this Agreement is estimated at \$1,770,169, which is subject to change. Prior to exchanging funds, the federal share of the total Project cost is \$1,632,449.85.
 - a. Per the 1:1 fund exchange ratio of state dollars to federal dollars, Agency will exchange \$1,632,449.85 of federal dollars allocated for this Project for \$1,632,449.85 of state dollars.

- b. State funds under this Agreement are limited to \$1,632,449.85.

5. To be eligible for reimbursement, expenditures must comply with the requirements of Article IX, Section 3a of the Oregon Constitution. Eligible costs are defined as reasonable and necessary costs incurred by the Agency in performance of the Project.
6. The term of this Agreement will begin upon the date all required signatures are obtained and will terminate upon completion of the Project and final payment or ten (10) calendar years following the date of final execution, whichever is sooner.

Agency shall perform the services under this Agreement as an independent contractor and shall be exclusively responsible for all costs and expenses related to its employment of individuals to perform the work under this Agreement including, but not limited to, retirement contributions, workers compensation, unemployment taxes, and state and federal income tax withholdings.
10. All employers, including Agency, that employ subject workers who work under this Agreement in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage unless such employers are exempt under ORS 656.126. Employers Liability insurance with coverage limits of not less than \$500,000 must be included. Agency shall ensure that each of its subcontractors complies with these requirements.

11. Agency shall, at its own expense, maintain, operate, and provide power as needed upon Project completion at a minimum level that is consistent with normal depreciation and/or service demand and throughout the useful life of the Project. State and Agency agree that the useful life of this Project is defined as 20 years. Maintenance and power responsibilities shall survive any termination of the Project Agreement.
12. Utility relocation or reconstruction may or may not be an eligible Project expense according to the following standard:
 - a. The expense is an eligible expense if the owner of the utility facility possesses a property right for its location on the public right of way.
 - b. The expense is not an eligible expense if the owner of the utility facility does not possess a property right for its location, but the facility exists on the public right of way solely under the permission of the Agency or other road authority, whether that permission is expressed or implied, and whether written or oral.
13. Agency certifies, at the time this Agreement is executed, that sufficient funds are available and authorized for expenditure to finance costs of this Agreement within Agency's current appropriation or limitation of the current budget. Agency further agrees that they will only submit invoices to State for reimbursement on work that has been performed and paid for by Agency as described in this Agreement.
14. To the fullest extent permitted by law, and except to the extent otherwise prohibited under ORS 30.140, Agency shall require its contractor(s) and subcontractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon, Oregon Transportation Commission and its members, Oregon Department of Transportation and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260 (Claims), to the extent such Claims are caused, or alleged to be caused by the negligent or willful acts or omissions of Agency's contractor or any of the officers, agents, employees or subcontractors of the contractor. It is the specific intention of the Parties that State shall, in all instances, except to the extent Claims arise from the negligent or willful acts or omissions of the State, be indemnified from and against all Claims caused or alleged to be caused by the contractor or subcontractor.
15. Any such indemnification shall also provide that neither Agency's contractor and subcontractor nor any attorney engaged by Agency's contractor and subcontractor shall defend any claim in the name of the State of Oregon or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State of Oregon may, at anytime at its election assume its own defense and settlement in the event that it determines that Agency's contractor is prohibited from defending the State of Oregon, or that Agency's contractor is not adequately defending the State of Oregon's interests, or that an important governmental principle is at issue or that it

is in the best interests of the State of Oregon to do so. The State of Oregon reserves all rights to pursue claims it may have against Agency's contractor if the State of Oregon elects to assume its own defense.

16. If Agency enters into a construction contract for performance of work for the Project, then Agency will include provisions in that contract requiring its contractor to comply with the following:
- a. Contractor and Agency shall name State as a third party beneficiary of the resulting contract.
 - b. To the fullest extent permitted by law, and except to the extent otherwise prohibited under ORS 30.140, Contractor shall indemnify, defend and hold harmless State from and against all claims, suits, actions, losses, damages, liabilities, costs and expenses of any nature whatsoever resulting from, arising out of, or relating to the activities of Contractor or its officers, employees, sub-contractors, or agents under the resulting contract.
 - c. Commercial General Liability. Contractor shall obtain, at Contractor's expense, and keep in effect during the term of the resulting contract, Commercial General Liability Insurance covering bodily injury and property damage in a form and with coverages that are satisfactory to State. This insurance shall include personal and advertising injury liability, products and completed operations. Coverage may be written in combination with Automobile Liability Insurance (with separate limits). Coverage shall be written on an occurrence basis. If written in conjunction with Automobile Liability the combined single limit per occurrence shall not be less than \$1,000,000 \$2,000,000 \$5,000,000 for each job site or location. Each annual aggregate limit shall not be less than \$1,000,000 \$2,000,000 \$4,000,000 10,000,000.
 - d. Automobile Liability. Contractor shall obtain, at Contractor's expense, and keep in effect during the term of the resulting contract, Commercial Business Automobile Liability Insurance covering all owned, non-owned, or hired vehicles. This coverage may be written in combination with the Commercial General Liability Insurance (with separate limits). Combined single limit per occurrence shall not be less than \$1,000,000.
 - e. Additional Insured Endorsement. The liability insurance coverage, except Professional Liability, Errors and Omissions, or Workers' Compensation, if included, required for performance of the resulting contract will include State and its divisions, officers and employees as Additional Insured but only with respect to the Contractor's activities to be performed under the resulting contract. Coverage shall be primary and non-contributory with any other insurance and self-insurance.
 - f. Notice of Cancellation or Change. There shall be no cancellation, material change, potential exhaustion of aggregate limits or non-renewal of insurance coverage(s) without thirty (30) days written notice from the Contractor or its insurer(s) to State. Any failure to comply with the reporting provisions of this clause shall constitute a

material breach of the resulting contract and shall be grounds for immediate termination of the resulting contract and this Agreement.

17. Agency acknowledges and agrees that State, the Oregon Secretary of State's Office, and their duly authorized representatives shall have access to the books, documents, papers, and records of Agency which are directly pertinent to the specific Agreement for the purpose of making audit, examination, excerpts, and transcripts during the course of the Project and for a period of six (6) years after final payment. Copies of applicable records shall be made available upon request. Payment for costs of copies is reimbursable by State.
18. Agency certifies and represents that the individual(s) signing this Agreement has been authorized to enter into and execute this Agreement on behalf of Agency, under the direction or approval of its governing body, commission, board, officers, members or representatives, and to legally bind Agency.
19. Agency's Project Manager for this Agreement is Joseph Marek, 150 Beaver Creek Road, Oregon City, OR 97045, (503)742-4705, JoeM@co.clackamas.or.us, or assigned designee upon individual's absence. Agency shall notify the other Party in writing of any contact information changes during the term of this Agreement.

STATE OBLIGATIONS

1. In consideration for the services performed under this Agreement, State shall reimburse Agency 92.2% of eligible costs incurred in carrying out the Project up to the maximum amount of state funds committed for the Project in Terms of Agreement, Paragraph 2 of this Agreement. Reimbursements shall be made by State within forty-five (45) days of State's approval of a request for reimbursement from Agency, except that final payment will be withheld until the State's Project Manager has completed final project inspection and project acceptance.
2. State shall provide the following items to Agency's Project Manager no later than 30 days after execution of this Agreement:
 - a. Scoping Notes; and
 - b. Any other project specific information gathered during the scoping and selection process
3. State's Project Manager will arrange for a final project inspection upon notification from Agency of Project completion, to confirm project completeness and fulfillment of Agreement obligations, prior to final payment.
4. If Project includes traffic signal improvements on or along a State Highway, traffic signal timing shall be the responsibility of State, unless there is an agreement that specifically allows Agency to perform that function. Consistent with Agency Obligations Paragraph 2 State shall:

- a. Ensure its Region Electrical Crew, at Project expense, perform the signal equipment environmental testing and perform the signal field testing and turn on,
 - b. Retain the right of review of the traffic signal timing for signals on state highways, or those which State maintains, and shall reserve the right to request adjustments when needed,
 - c. Notify the local jurisdiction whenever timing changes that affect the operation of local street connections to the state highway are scheduled. All modifications shall follow guidelines set forth in the current Manual on Uniform Traffic Control Devices, and the current ODOT State Traffic Signal Policy and Guidelines,
 - d. Upon completion of the Project, maintain the pavement surrounding the vehicle detector loops installed in the State highway in such a manner as to provide adequate protection for said detector loops and at State's expense,
 - e. Maintain the pavement markings and signing installed on the State highway in accordance with current ODOT standards, and
 - f. Where Agency has an agreement with State to modify signal timing and the Agency modifies timing to add railroad or emergency vehicle preemption, bus priority, or other changes that affect vehicle or pedestrian clearances, or operation of the state highway, Agency shall promptly report such modifications to State's Region Traffic Engineer. Any such timing modification shall comply with the ADA and Agency Obligations Paragraph 2.
5. State's Project Manager for this Agreement is Mahasti Hastings, Local Agency Liaison, 123 NW Flanders St., Portland, OR 97209, (503)731-8595 or assigned designee upon individual's absence. State shall notify the other Party in writing of any contact information changes during the term of this Agreement.

GENERAL PROVISIONS

1. This Agreement may be terminated by mutual consent of both Parties.
2. State may terminate this Agreement effective upon delivery of written notice to Agency, or at such later date as may be established by State, under any of the following conditions:
 - a. If Agency fails to provide services called for by this Agreement within the time specified herein or any extension thereof.
 - b. If Agency fails to perform any of the other provisions of this Agreement or so fails

- to pursue the work as to endanger performance of this Agreement in accordance with its terms, and after receipt of written notice from State fails to correct such failures within ten (10) days or such longer period as State may authorize.
- c. If Agency fails to provide payment of its share of the cost of the Project.
 - d. If State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement.
 - e. If federal or state laws, regulations or guidelines are modified or interpreted in such a way that either the work under this Agreement is prohibited or if State is prohibited from paying for such work from the planned funding source.
3. If State terminates this Agreement for the reasons described in General Provisions 2(a) or (b) above, Agency must reimburse State for all state funds expended. If Agency fails to reimburse State, State may withhold Agency's proportional share of State Highway Fund distribution necessary to reimburse State for costs incurred by such Agency breach.
 4. Any termination of this Agreement shall not prejudice any rights or obligations accrued to the Parties prior to termination.
 5. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against State or Agency with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.
 6. With respect to a Third Party Claim for which State is jointly liable with Agency (or would be if joined in the Third Party Claim), State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Agency in such proportion as is appropriate to reflect the relative fault of State on the one hand and of Agency on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of State on the one hand and of Agency on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. State's contribution amount in any instance is capped to the same extent it would have

been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if State had sole liability in the proceeding.

7. With respect to a Third Party Claim for which Agency is jointly liable with State (or would be if joined in the Third Party Claim), Agency shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by State in such proportion as is appropriate to reflect the relative fault of Agency on the one hand and of State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Agency on the one hand and of State on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Agency's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.
8. The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
9. State and Agency are the only Parties to this Agreement and, as such, are the only Parties entitled to enforce its terms. Nothing in this Agreement gives or shall be construed to give or provide any benefit, direct, indirect or otherwise to third persons unless such third persons are expressly identified by name and specifically described as intended to be beneficiaries of its terms.
10. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.
11. This Agreement and attached exhibits constitute the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision.

THE PARTIES, by execution of this Agreement, hereby acknowledge that their signing representatives have read this Agreement, understand it, and agree to be bound by its terms and conditions.

Background:

The transportation challenge addressed by this project is the deterioration of the 124-year-old Bull Run Bridge, a critical transportation system link for the Portland water system providing water to over one million people, for emergency response, for maintenance of the timber industry, and for residents of an isolated area of Clackamas County. Although the bridge is not currently load restricted, Clackamas County believes that it will be within several years due to the continuing deterioration of the bridge. When that occurs, access for the water system, for emergency response and for timber harvest will be cut off or greatly reduced.

The statement of work includes providing project management, public involvement, surveying, preliminary engineering, and preliminary right-of-way and environmental services for Bull Run River (Bull Run Rd) Bridge Type, Size and Location (TS&L) Project. Also, the work covered by this contract includes the preparation of preliminary design reports, alternative plans, cost estimates for design and construction, public involvement efforts, and other related materials required in order to apply for future grants, identify the final design scope of the project, and create a more detailed project budget.

Procurement Process:

This project was advertised in accordance with ORS and LCRB Rules on August 21, 2018. Proposals were opened on September 18, 2018. The County received two Proposals: Harper Houf Peterson & Righellis and Quincy Engineering, Inc. An Evaluation committee was assembled consisting of County staff. After evaluations of proposals Quincy Engineering, Inc. was determined to be the highest ranking and qualified proposer. Upon Contract award, the final statement of work was negotiated and finalized. Project fees were negotiated and based upon existing Oregon Department of Transportation (“ODOT”) Negotiated Billing Rates.

This contract has been reviewed and approved by County Counsel.

Recommendation:

Staff respectfully recommends that the Board approve and execute the Engineering and Related Services Contract with Quincy Engineering, Inc. for the Bull Run Bridge (Bull Run Rd) Bridge TS&L project. The Contract amount not to exceed is \$297,545.96.

Sincerely,

Dan Johnson, Director

Consultant shall, without additional compensation, correct or revise any errors or deficiencies in its designs, drawings, specifications and other Services.

Upon receipt of such information, the Contract Administrator will review Consultant's revised estimate of construction cost. County may, if it determines that the estimated construction contract price set forth in this Section is so low that award of a construction contract not in excess of such estimate is improbable, authorize a change in scope or materials as required to reduce the estimated construction cost to an amount within the estimated construction contract price set forth in this Section, or County may adjust such estimated construction contract price.

This obligation of the Consultant does not apply to a situation involving a third party who enters a license agreement directly with the County. At the request of Consultant, County shall take reasonable steps to protect the confidentiality and proprietary interests of Consultant in any Consultant Intellectual Property licensed under this Section, within the limits of the Oregon Public Records Law (ORS 192.410 through 192.505) and the Oregon Uniform Trade Secrets Act (ORS 646.461 to 646.475).

- e. **Consultant Use of Work Product.** Notwithstanding anything to the contrary in this Section 11, Consultant may refer to the Work Product in its brochures or other literature that Consultant utilizes for advertising purposes and, unless specified otherwise in Exhibit A - Statement of Work, County hereby grants to Consultant a non-exclusive, non-transferable, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display County-owned Work Product on other unrelated projects, except for any "Confidential Information" protected from disclosure under the provisions of Section 12 below, pertaining to Confidentiality and Non-Disclosure.

In the event Consultant is required to disclose Confidential Information pursuant to a subpoena or other legal process, Consultant shall immediately notify County of such subpoena or other legal process, provide County with copies of any subpoena, other legal process and any other written materials supporting the subpoena

or other legal process, and otherwise cooperate with County in the event County decides to oppose the disclosure of the Confidential Information. In the event County decides not to oppose such subpoena or other legal process or County's decision to oppose the subpoena or legal process has not been successful, Consultant shall be excused from the confidentiality provisions of this Section, to the extent necessary to meet the requirements of the subpoena or other legal process controlling the required disclosure.

13. Indemnity

Provided, however, Consultant shall not be obligated to indemnify, defend, save and hold harmless the County (or other entities identified above) under this section 13(c), based solely on the following: Consultant's compliance with County specifications or requirements, including, but not limited to the required use of tangible or intangible items provided by County.
- d. **Defense Qualification.** Neither Consultant nor any attorney engaged by Consultant shall defend or purport to defend a claim in the name of the County, the State of Oregon, the OTC or ODOT without first receiving from the applicable entity, authority to act as legal counsel, nor shall Consultant settle any claim on behalf of the foregoing entities without the approval of these entities. The County, the State of Oregon, the OTC or ODOT may, at their election and expense, assume their own defense and settlement.
- e. **County's Acts or Omissions.** This section 13 does not include indemnification by Consultant of the County, the State of Oregon, the OTC and ODOT, and their respective officers, members, agents and employees, for the acts or omissions of these entities and their respective officers, members, agents and employees, whether within the scope of the Contract or otherwise.

- c. **County's Right to Terminate for Cause.** County may terminate the Contract, in whole or in part, immediately upon written notice to Consultant or at such later date as County may establish in such notice, upon the occurrence of any of the following events:
 - (i) County fails to receive appropriations, limitations or other expenditure authority sufficient to allow County, in the exercise of its reasonable administrative discretion, to continue to make payments for Consultant's Services. Payments under this Contract and continuation of this Contract beyond the current biennium are subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available from current funding sources. The County may terminate this Contract, and Consultant waives any and all claims for damages, effective immediately upon receipt of written notice, or any date specified therein, if for any reason the County's funding from local, state and/or federal sources is not appropriated or is withdrawn, limited or impaired;
 - (ii) Federal, State or local laws, regulations or guidelines are modified or interpreted in such a way that either the Services under the Contract are prohibited or County is prohibited from paying for such Services from the planned funding source;
 - (iii) Consultant no longer holds any license or certificate that is required to perform the Services; or
 - (iv) Consultant commits any material breach or default of any covenant, warranty, obligation or agreement under the Contract, fails to perform the Services under the Contract within the time specified or any extension thereof, or so fails to perform the Services as to endanger Consultant's performance under the Contract in accordance with its terms, and such breach, default or failure is not cured within 14 calendar days after County's notice to Consultant, or such longer period as County may specify in such notice.
- d. **Consultant's Right to Terminate for Cause.**
 - (i) Consultant may terminate the Contract by giving written notice to County if County fails to pay Consultant pursuant to the terms of the Contract and if County fails to cure within 14 calendar days after receipt of Consultant's written notice, or such longer period of cure as Consultant may specify in such notice.
 - (ii) Consultant may terminate the Contract, for reasons other than nonpayment, if County commits any material breach or default of any covenant, warranty, obligation or agreement under the Contract, fails to perform under the Contract within the times specified, or so fails to perform as to endanger Consultant's performance under the Contract, and such breach, default or failure is not cured within 14 calendar days after Consultant's notice to County, or such longer period as Consultant may specify in such notice.
- e. **Remedies.**
 - (i) In the event of termination pursuant to Sections 15(a), 15(b), 15(c)(i), 15(c)(ii) or 15(d), Consultant's sole remedy (except as otherwise required by applicable State or Federal law) shall be a claim for payment of the satisfactory Services actually rendered up to the time of termination. If previous amounts paid to Consultant exceed the amount due to Consultant under this subsection, Consultant shall pay all excess to County upon demand.
 - (ii) In the event of termination pursuant to Section 15(c)(iii) or 15(c)(iv), County shall have any remedy available to it in law or equity. If it is determined for any reason that Consultant was not in default under Section 15(c)(iii) or 15(c)(iv), the rights and

obligations of the Parties shall be the same as if the Contract was terminated pursuant to Section 15(b).

- f. **Consultant's Tender Upon Termination/Retained Remedies of County.** Upon receiving a notice of termination of the Contract, Consultant shall immediately cease all activities under the Contract, unless County expressly directs otherwise in such notice of termination. Upon County's request, Consultant shall surrender to anyone County designates, all documents, information, research, works-in-progress, Work Product and other property, that are deliverables or would be deliverables had the Contract been completed, that are in Consultant's possession or control and may be needed by County to complete the Services. In addition, Consultant shall maintain all other records pertinent to the Contract and the project and shall do so in such a manner as to clearly document Consultant's performance. The County, ODOT, the Oregon Secretary of State's Office (OSS), FHWA and the Comptroller General of the United States (CGUS) and their respective, duly authorized representatives shall have access, and Consultant shall permit the aforementioned entities and individuals access, to such fiscal records and other books, documents, papers, plans and writings of Consultant that are pertinent to the Contract to perform examinations and audits and make excerpts and transcripts. Consultant shall retain and keep accessible all such fiscal records, books, documents, papers, plans, and writings for a minimum of 6 years, or such longer period as may be required by applicable law, following final payment and expiration or termination of the Contract, or until the conclusion of any audit, controversy or litigation arising out of or related to the Contract, whichever date is later. Any cost data submitted by Consultant pursuant to this Contract may be shared with ODOT, FHWA, OSS and CGUS, as necessary, for audit purposes. County, ODOT and FHWA shall have the right to review or examine the work in progress for any Services performed under the Contract.

17. Performance Evaluations. County will conduct performance evaluation(s) on the Consultant and its subconsultants during the term of the Contract, which will be compiled and maintained by County, and become a written record of Consultant's performance. County will provide a copy of the performance evaluation results to Consultant within 14 calendar days following completion. Consultant may respond, in writing, or may request a meeting to address any or all findings contained in the completed performance evaluation within 30 calendar days following receipt. County may adjust evaluation score(s) upon County's finding of good cause. County may provide copies of any performance evaluation documentation to ODOT, FHWA, and other parties unless lawfully exempt from disclosure. County may use performance evaluation findings and conclusions in any way deemed necessary, including, but not limited to, corrective action, requiring submittal of performance improvement plan by Consultant and withholding of retainage. County and ODOT may use Consultant performance under previous contracts as a selection criterion for future contracts.

18. Compliance with Applicable Law. Consultant shall comply with all Federal, State and local statutes, regulations, administrative rules, executive orders, ordinances and other laws applicable to the Services under the Contract, in effect at the time the Contract is executed and as may be

amended, revised, enacted or adopted thereafter. Changes in these legal requirements after the execution of the Contract may or may not be the basis for modifications to Consultant's schedule, scope and fee, depending on a reasonable assessment of the nature of the change, the extent to which the change was anticipated by Consultant or the Parties, and other circumstances then existing. Without limiting the generality of the foregoing, Consultant expressly agrees to comply with: (i) Title VI of the Civil Rights Act of 1964; (ii) Section V of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659a.142; (iv) the Clean Air Act (42 U.S.C. 7401-7671q); (v) the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387); (vi) Executive Order 11738; (vii) Environmental Protection Agency regulations (40 CFR part 15); (viii) and all applicable standards, orders, regulations and administrative rules established pursuant to the foregoing laws. County's performance under the Contract is conditioned upon Consultant's compliance with, and Consultant shall comply with, the obligations applicable to public contracts and intended for contractors under ORS 279C.520 and 279C.530, which are incorporated by reference herein. All rights and remedies available to County under applicable federal, state and local laws are also incorporated by reference herein and are cumulative with all rights and remedies under the Contract. If Consultant discovers a conflict among Federal, State and local statutes, regulations, administrative rules, executive orders, ordinances and other laws applicable to the Services under the Contract, Consultant shall in writing request County to resolve the conflict (in collaboration with ODOT and FHWA as applicable). Consultant shall specify if the conflict(s) create a problem for the design or other Services required under the Contract. If County concludes there is a conflict among the applicable laws, Federal laws shall govern among the others; State laws shall govern over the others except Federal. The resolution of the conflict of the applicable laws by County shall be final and not subject to further review or challenge.

19. Permits and Licenses

- a. Permits and licenses to conduct business.** Unless otherwise specified in **Exhibit A**, Statement of Work, Consultant shall obtain, hold, maintain and fully pay for during the term of the Contract all permits and licenses required by law for Consultant to conduct its business and perform the Services under the Contract.

Consultant shall review the project site, if applicable, and the nature of the Services that Consultant shall perform under the Contract. Consultant shall advise County throughout the course of the project as to the necessity of obtaining all project permits and licenses, the status of the issuance of any such permits and licenses, and any issues or impediments related to the issuance or continuation of any such permits and licenses.

20. Foreign Contractor. If Consultant is not domiciled in or registered to do business in the State of Oregon, Consultant shall promptly provide to the Oregon Department of Revenue and the Secretary of State Corporation Division all information required by those agencies relative to the Contract.

21. Force Majeure. Neither County nor Consultant shall be held responsible for delay or default in the performance of its obligations due to a cause beyond its reasonable control, including, but not limited to, fire, riot, acts of God, terrorist acts or other acts of political sabotage, or war where such cause was beyond the reasonable control of County or Consultant, respectively. Consultant shall, however, make all reasonable efforts to remove or eliminate such a cause of delay or default

and shall, upon the cessation of the cause, diligently pursue performance of its obligations under the Contract.

22. Survival. Any notice or day-to-day communication sent by e-mail shall be deemed received when it is sent. **The recipient of any notice sent by e-mail shall reply by e-mail to confirm receipt of such notice.** Any communication or notice made by personal delivery shall be deemed to be received when actually delivered. Any communication or notice delivered by facsimile shall be deemed received on the date of the notice of successful transmission generated by the transmitting machine. To be effective, such facsimile transmission must be confirmed by telephone notice to County's Contract Administrator or Consultant's representative, as applicable.

25. Severability. The Parties agree that if any term or provision of the Contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Contract did not contain the particular term or provision held to be invalid.

26. Dispute Resolution and Errors & Omissions Claims Process. In the event of a dispute between the Parties regarding any aspect of the Contract or performance under the Contract, the Parties agree to attempt in good faith to investigate and resolve any such dispute through direct communications and negotiations.

- a. Errors & Omissions Related.** In the event those good faith efforts do not resolve disputes related to potential Errors and Omissions, the Parties agree to make good faith efforts to resolve the matter pursuant to **Exhibit I**, Errors & Omissions Claims Process.
- b. Other Disputes.** In the event good faith efforts do not resolve disputes unrelated to Errors & Omissions, the Parties agree to make a good faith effort to resolve any such dispute through fact finding and non-binding mediation prior to resorting to litigation. The mediator shall be selected by mutual agreement of the Parties. If the Parties fail to agree on a mediator, each Party shall select a mediator and those two persons shall agree on a third-party, who will be the sole mediator. The cost of the mediator shall be split equally between the Parties.

27. Governing Law; Venue; Consent to Jurisdiction. The Contract shall be governed by, and construed and enforced in accordance with, the laws of the State of Oregon, without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between County (or any agency or department of the State of Oregon) and Consultant that arises from or relates to the Contract shall be brought and conducted solely and exclusively within the Circuit Court located in the County in which the Project is located; provided, however, if a Claim must be

brought in a Federal forum, then it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event shall this Section be construed as a waiver by the County or State of Oregon of any form or defense or immunity, whether based on sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the United States Constitution, or otherwise. **CONSULTANT, BY EXECUTION OF THE CONTRACT, HEREBY CONSENTS TO THE IN PERSONAM JURISDICTION OF SAID COURTS.**

28. Amendments. County may amend the Contract to the extent permitted by applicable statutes, administrative rules and ordinances and as mutually agreed upon by County and Consultant. County may agree to appropriate increases in the maximum compensation payable under the Contract, should any County-approved increase occur in the scope, character, schedule or complexity of Services as outlined in the Statement of Work. Consultant shall not commence any Services authorized under an amendment, and the amendment is not effective, unless it is in writing, signed by the Parties and all approvals required by applicable law have been obtained.

29. False Claims

- a. Consultant understands and acknowledges it is subject to the Oregon False Claims Act ([ORS 180.750 to 180.785](#)) and to any liabilities or penalties associated with the making of a false claim under that Act. By its execution of the Contract, Consultant certifies the truthfulness, completeness, and accuracy of any statement or claim it has made, it makes, it may make, or cause to be made that pertains to the Contract or the Project for which the Services are being performed, including but not limited to Consultant's statement of proposal and any invoices, reports, or other deliverables.
- b. Consultant shall immediately disclose (in writing) to County whenever, in connection with the award, performance or closeout of the Contract, or any subcontract thereunder, Consultant has credible evidence that a principal, employee, agent, or subcontractor of Consultant has committed—
 - (i) A violation of the Oregon False Claims Act; or
 - (ii) A violation of State or Federal criminal or civil law involving fraud, conflict of interest, bribery, gratuity or similar misconduct.
- c. Consultant must include subsections (a) and (b) of this section in each subcontract Consultant may award in connection with the performance of the Contract. In doing so, Consultant may not modify the terms of those subsections, except to identify the subcontractors or sub grantee that will be subject to those provisions.

30. Certified Small Businesses. Respecting certification as a disadvantaged business enterprise, minority-owned business, woman-owned business, business that a service-disabled veteran owns or an emerging small business under ORS 200.055, as and when applicable, the Consultant shall maintain the certifications, and require in its subcontracts that subcontractors maintain the certifications required by Section 2, Chapter 325, Oregon Laws 2015, as amended by Section 26, Chapter 565, Oregon Laws 2015 as a material condition of the Contract. If the Consultant or subcontractor was awarded the Contract or subcontract, as applicable, in the course of County carrying out an affirmative action goal, policy or program under ORS 279A.100, and fails to maintain the required certification, County may terminate the Contract, require the Consultant to terminate the subcontractor, or exercise any of remedies reserved for breach of the Contract.

31. Merger Clause; Waiver; Interpretation. The Contract, including everything incorporated by reference, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding the Contract. No waiver, consent, modification or change of terms of the Contract shall

bind either Party, unless such waiver, consent, modification or change of terms is in writing and signed by the Parties, and all necessary State of Oregon governmental approvals have been obtained. Such a waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. Either Party's failure to enforce any provision of the Contract shall not constitute a waiver by that Party of that or any other provision. The characterization of provisions of the Contract as material provisions or the failure to comply with certain provisions as a material breach of the Contract shall in no way be construed to mean that any other provisions of the Contract are not material or that failure to comply with any other provisions is not a material breach of the Contract.
