1710 Red Soils Court, Suite 100
Oregon City, OR 97045

Dear Voter:

Happy Special District Election season! The **Clackamas County May 20, 2025 Special District Election Voters' Pamphlet** includes voting resources and information about local candidates and measures.

This is a county-wide election and every eligible voter will receive a ballot. If you have not yet registered to vote you can do so at oregonvotes.gov or by filling out a paper Oregon Voter Registration Card. You must have an Oregon driver's license or identification card to sign up online. **The Voter Registration Deadline is April 29, 2025.** Clackamas County Elections will be open until 7 p.m. on the Voter Registration Deadline, April 29, 2025. Clackamas County Elections will begin to mail ballots to voters on Wednesday, April 30.

This election includes contests for positions on local school boards, community colleges, education service districts, fire districts, water districts, and other special districts. You may also have one or more measures on your ballot. Where you live determines what districts, measures, and contests are on your ballot. Not all contests or measures in the Voters' Pamphlet will be on your ballot and not all candidates submitted an optional statement. Candidate statements are printed as filed; no corrections to spelling or grammar are made, and the information is not verified for accuracy by the county.

Sign up for Track Your Ballot! Visit clackamas.us/elections/track-your-ballot. Know when your ballot is in the mail heading your way. This is an opt-in service that will alert you via text, phone, or email. After you vote and return your ballot, you'll be alerted when it has been received and then accepted for counting.

Two voter locations to serve you! Clackamas County Elections will open a pop-up vote center inside the Happy Valley Library starting May 5. The Happy Valley Vote Center (13793 SE Sieben Park Way in Happy Valley) provides a closer choice for voters in Happy Valley, Sandy, Damascus and other north-east communities. Hours at the Happy Valley Vote Center and the Clackamas County Elections Office (1710 Red Soils Ct., Suite 100 in Oregon City) will be Monday – Friday 8:30 a.m. – 5 p.m., Saturday, May 17 10 a.m. – 2 p.m. and Election Day, Tuesday, May 20 7 a.m. – 8 p.m.

Each voter service location is staffed by sworn election officials. Citizens can replace a lost or damaged ballot, update voter registration information, get voting assistance if they have a disability, get voting assistance in a preferred language, return their voted ballot, or vote in person.

If you need assistance registering to vote, voting, or understanding elections processes; we are here to help! Please call us at 503-655-8510, email elections@clackamas.us or visit the Clackamas County Elections Oregon City office or Happy Valley Vote Center. You can check

Catherine McMullen
County Clerk

Elections, Recording & Records Management

the website for more information at clackamas.us/elections/may-20-2025-special-district-election .

Return your voted ballot to an official ballot drop box or by mail (with a valid postmark) by 8 p.m. Election Day, May 20, 2025. I recommend that if you choose to mail your ballot that you put it in the mail no later than Friday, May 16 to ensure it is received on time. No stamp needed!

There are 25 official ballot drop boxes open 24 hours a day, located throughout the county. All official ballot drop sites close promptly at 8 p.m. on Election Day, May 20. **The official ballot drop site in Colton at ColtonTel is temporarily closed due to construction through December 2025.** You can see the full list online at clackamas.us/elections/official-ballot-drop-sites .

It is an honor to serve Clackamas County voters as your elected County Clerk. Thank you for exercising your right and responsibility to vote. Thank you for participating in local democracy.

Sincerely,

Catherine McMullen
Clackamas County Clerk

Voter Registration

To Vote in Oregon, you must be registered in your county of residence.

To register, you must be:

- A US Citizen
- A resident of Oregon
- At least 16 years of age*

*You will not receive a ballot to vote until the election on/after your 18th birthday. You must be registered before the registration deadline to be eligible.

How to Register

1. Online at oregonvotes.gov
2. Mail/Deliver a registration form to:
Clackamas County Elections
1710 Red Soils Court, Suite 100
Oregon City, OR 97045

Registration forms are available:

- Online at oregonvotes.gov
- Any county elections office
- Post offices
- Libraries
- DMV locations

New registrations must be postmarked 21 days before Election Day.

You Must Update Your Registration if:

1. Your residence or mailing address changes
2. Your name changes
3. You wish to change your party affiliation

Clackamas County Elections

Two locations to serve you!

****Clackamas County Elections****

County Elections Office

Voters' Pamphlet Submission Information

- *Not all candidates choose to purchase space in the Voters' Pamphlet.
- For a complete list of candidates and measures that have been filed, visit clackamas.us/elections or visit us at 1710 Red Soils Court, Suite 100, Oregon City, OR 97045.
- Measure filings appear in the order which they will appear on the ballot as instructed by the Secretary of State. Arguments in favor/opposition to a measure appear exactly as submitted, by the type of argument, in the order each was received by Clackamas County Elections.

Not all candidates or measures in this Voters' Pamphlet will be on your ballot.

- Your residence address determines those districts in which you may vote.

The printing of candidate statements, measure filings, and arguments does not constitute an endorsement by Clackamas County, nor does the county warrant the accuracy or truth of any statements.

Wade Hathhorn

Occupation: General Manager, Sunrise Water Authority; General Manager, North Clackamas County Water Commissioner

Occupational Background: Senior Client Manager, MWH Global, Inc.; Vice-President, HDR, Inc.; President, Economic & Engineering Services, Inc.; Assistant Professor, Washington State University

Educational Background:

University of Texas at Austin, Civil Engineering, PhD; University of Wyoming, Civil Engineering, MS; University of Nevada, Reno, Civil Engineering, BS

Prior Governmental Experience: Board of Education, Zone 3, Clackamas Community College; Member, Clackamas County Economic Development Commission; Member, Board of Examiners, Malcolm Baldrige Quality Award Program

My time as a member of the Board of Directors at CCC has been rewarding both personally and professionally. In this position, I am given the opportunity to share my experience in a direct and meaningful way. Most importantly, I get to participate in an organization that I am passionate about, while supporting the goals of educating both young and mature adults. The College is driven by a mission to service the community and continuously improve the lives of its students, faculty and staff. I am honored to be part of this organization and ask for your support in allowing me to continue in this role. Your vote is much appreciated.

Community College - Education for All

Clackamas Community College is a remarkable and well-recognized educational institution, and it has been my honor to serve on its board of directors for 19 years. While much has changed in our world during that time, the College has remained steadfast in providing up-to-date career and technical training, affordable transfer degrees, high-school partnerships, industry collaborations, workforce development and strong community programming.

CCC is a vital pathway to the middle class and a major participant in the regional economy for our residents of all ages. I look forward to

- Supporting the leading-edge programming that is emerging since the passage of our recent bond
- Strengthening relationships with K-12 schools and local business and industry
- Providing strong fiscal and programmatic stewardship, and
- Pursuing efforts to meet the unique needs of the smaller, more rural communities in our county

I believe my years of leadership and experience with Clackamas Community College position me to serve Zone 6 well as we adapt to future changes, opportunities and needs. I would be grateful for your support.

LIVED EXPERIENCE. REAL RESULTS. TRUSTED LEADERSHIP

As a proud MHCC graduate and a member of the Native American and LGBTQ+ communities, I've spent my life fighting for those too often left out. I understand the challenges our communities face because I've lived them. From grassroots organizing to shaping policy at the local, state, and federal levels, I've worked hard to turn struggle into action. I'm running because MHCC deserves leaders who center those most impacted by the systems around them. who listen. build trust. and deliver results.

COMMUNITY DRIVEN. RESULTS ORIENTED

I'll work hard to support our students, faculty, staff, and community by:

- **Strengthening career, transfer, and apprenticeship pathways** so students are prepared for jobs, higher education, and lifelong success
- **Promoting equity and inclusion** by centering the voices and needs of students, faculty, staff, and communities most impacted by systemic barriers
- **Ensuring MHCC remains affordable and accessible** so that cost is never a barrier to opportunity
- **Fostering transparent, collaborative leadership** that builds trust across the MHCC community

Cremona Wagner**

Occupation: VP, Marketing Operations at Pure Storage; Volunteer board member for Clackamas Women's Services

Occupational Background:
VP, Global Lead Management at Oracle; VP, Marketing Performance at SAP; VP, Education Services at BMC Software and EMC Corporation

Educational Background: Stanford University, Civil Engineering & Construction Management, M.S.; Stanford University, Architecture & Urban Design, B.A.

Prior Governmental Experience: Portland Community College Director; appointed by governor to Oregon Workforce Talent and Development Board; appointed by governor to Oregon School Facilities Task Force

Higher education is the key to success for Oregon students, families, communities, and businesses. At Portland Community College, I will continue working to connect students with today's careers to build a better future for our region.

We must create a sense of belonging and well-being for every student, faculty member, and employee. I will continue to build partnerships with local businesses, community leaders and elected officials to advance student success.

Increase Access, Completion and Student Success

- Make higher education more accessible to everyone
- Reduce disparities for first low-income students and students of color
- Provide support services to improve academic success, transfer and graduation
- Connect students to careers of the future

Drive Economic Development and Sustainability

- Cultivate a long-term sustainable college enterprise
- Continuously innovate to help Oregon respond confidently, effectively and consistently to unexpected and unpredicted community and workforce needs
- Drive effective use of technology in learning and all college operations

Director, At Large

Clackamas Education Service District
Director, At Large

Heather Ray

Occupation: Project Director, Oregon Council for Behavioral Health

Occupational Background: 2021-Present, Project Director, Oregon Council for Behavioral Health; 2013-2020, Marketing Project Manager, Bargreen Ellingson; 2010-2013, Marketing Manager, Boxer Northwest; 2009-2016, CFO, Project Manager, Director of Marketing,

HouseofSound.org.

Educational Background: Willamette University, Master of Business Administration; University of Missouri, Columbia, BA, Psychology

Prior Governmental Experience: Secretary, City of Milwaukie Public Safety Advisory Committee; Milwaukie Hector Campbell Neighborhood District Vice Chair

Community: Riverside Elementary PTA President/VP (4 years); Certified Youth Mental Health First Aid Instructor (2 years); training adults to recognize and respond to the signs of mental health and substance use challenges in youth; North Clackamas Soccer Club President: ensuring “Soccer for All!” with needs-based scholarships and accessible support for players with disabilities; Soccer Coach (3 years).

Your kids deserve a voice and I'll be there. I will be:

Invested. I'm a mom with a third-grader in a Clackamas ESD dual-language program.

Dedicated. I'm an active PTA member and will bring my background in non-profit project management and business as we face potential challenges during the next four years with an uncertain budgetary climate.

Hard-Working. I will work to ensure all our children and support staff are well-served by:

- Promoting equitable access to student mental healthcare and support services.
- Advocating for greater access to services for students with disabilities.
- Providing insights on effective resource management.
- Supporting staff training that inspires student resilience.

Heather Jefferis, Oregon Council for Behavioral Health and Clackamas County (Oak Grove) parent. “Heather Ray is a dedicated Behavioral Health Administrator & community involved advocate for kids & families. She has a broad understanding of complex educational, health and other government structures combined with a caring and accountable vision. I highly recommend her for this position.”

I'm committed to Clackamas ESD's strong partnership with its districts, providing access to current evidence-based services for our diverse student population, as well as continued training for our educators.

I respectfully ask for your vote.

Heather Ray for Clackamas ESD At-Large.

Nadene Duffield

Occupation: Director, Clackamas County Education Service District Board, Unpaid; Teacher-Retired

Occupational Background: Clerk, Secretary, Bookkeeper-Portland Public School and Portland Community College; Teacher-North Clackamas School District; Teacher-Baton Rouge, LA; Reading Specialist-Eugene School District; Title I Coordinator and Teacher-Redland School (Paid

Positions). Junior Great Books Leader and Tutor at Redland; Tutor in Portland Schools; Docent, Stevens-Crawford Heritage House, Oregon City; H.O.P.E. Food Pantry at First Baptist Church, OC (Unpaid Positions).

Educational Background: Portland State University, Education, Bachelor of Arts; Lewis and Clark College, Education, Master of Arts in Teaching; Portland State University, Education, Post-Graduate Work; Lewis and Clark College, Education, Post-Graduate Work

Prior Governmental Experience: Director, Clackamas Educational Service District Board, Elected; Member, Site Council, Redland School, Appointed

As a lifelong educator, I am devoted to improving the lives of our children. For a number of years, I have been serving as a Director on the Clackamas ESD Board.

Clackamas Education Service District actively collaborates with and provides essential support to the county's 10 public school districts. It partners with the districts by delivering service to families and children to help all students succeed. Some of the key services include:

- Early Learning
- Special Education
- Technology
- Teacher Training/Staff Support
- Internet Provider Services
- Student Attendance Accounting

I would be honored and committed to continuing this work as a Board Member at Clackamas ESD.

Rick Larson

Occupation: Retired Certified Public Accountant, Municipal Auditor

Occupational Background: Interim Director of Operations, Special Projects manager, Oregon City School District, 3 years; Business/Operations Director, Centennial School District, 22 years; Certified Public Accountant, audit manager, municipal auditor,

personal taxes, 8 years; Classified employee, Beaverton School District, 10 years

Educational Background: Portland State University, Accounting, post graduate studies; University of Oregon, Business, bachelor's degree; Benson High School, diploma

Prior Governmental Experience: Clackamas ESD, Board of Directors, Position 3; City of West Linn, Budget Committee, Chairperson; City of West Linn, Transportation Advisory Board; Serendipity Center, Board of Directors

As a passionate advocate for education, I am deeply committed to the ESD's mission to "Lead, serve, and innovate for learning." Each student deserves access to high-quality educational opportunities, and I am dedicated to ensuring that our schools are equipped to meet the diverse needs of all learners.

Throughout my 40-year career working to guide and improve public education in Oregon I have a proven track record of developing and implementing policies that enhance educational outcomes and emphasize safety of students and staff while ensuring fiscal responsibility to taxpayers. I understand the complexities of Oregon school funding and budgeting, and I am committed to making data driven decisions that prioritize students, families, and educators.

In my previous roles, I have successfully collaborated with various stakeholders to foster innovation and implement programs that support student success. I believe in the power of community and collaboration. I am committed to working together with parents, educators, and fellow board members to drive school improvement.

As a member of the ESD Board, I will prioritize transparency, accountability, and open communication. I promise to listen to your concerns and ideas because your voices are essential in shaping the future of our educational landscape.

Together, we can lead, serve, and innovate for schools that empower each student to achieve their full potential. I respectfully ask for your support and your vote.

Prior Governmental Experience: Canby School District Budget
Committee; Canby Fire Civil Service Commission

As a lifelong Canby resident and parent, I'm committed to ensuring that our schools serve the individual needs of every student. My career in both public service and the non-profit sector has allowed me to build strong relationships within the community and collaborate on problem-solving initiatives. Schools need strong partnerships with the community, as the success of our students depends on the support and involvement of those around them. When our schools succeed, our community thrives.

Collaboration and Active Listening: The work of the school board should transcend partisan divides. A successful school district relies on strong partnerships between the school board, parents, and educators. It's vital that we maintain an atmosphere where collaboration and active listening are at the forefront, allowing us to work together to solve problems, address concerns, and ensure all perspectives are heard.

Fiscal Responsibility and Transparency: As someone who serves on the district's budget committee, I recognize the tough fiscal realities we are navigating. I'm committed to bringing transparency, accountability, and a strategic focus to every budget decision - ensuring each dollar spent will have the greatest impact on student outcomes.

Strategic Focus on Student Success: With the district's strategic plan in place, we have a meaningful opportunity to drive progress. In partnership with the superintendent, we can ensure our decisions align with the plan's objectives, focusing on measurable gains in student achievement and well-being. Regular reviews will help us stay accountable and focused on our goals.

Our children's futures depend on smart policies, engaged leadership, and an unwavering commitment to student outcomes.

Canby School District Director, Position 3

Sara Magenheimer

Occupation: Self-employed, Property Management

Occupational Background: USDA, Partnership Liaison and Public Relations Officer

Educational Background: Oregon State University, Agriculture Business Management, Bachelors; Linn-Benton Community College, Agriculture Business Management,

Associates; Canby High School, Diploma

Prior Governmental Experience: Director, Canby School Board (2017-present); Director, Clackamas County Fair Board (2023-present)

It is an honor to represent the Canby community as a School Board Director, and to have served as Board Chair for the past four years. I remain committed to being a compassionate listener and a voice for students, dedicating my time to ensuring they receive a quality, robust education, graduating with a bright future ahead.

The last eight years on the board have given me a depth of experience and perspective, which I utilize to lead and make informed decisions for our schools and our students. This experience coupled with my commitment to our community is critical, as we collectively work to navigate our current budgetary constraints.

As a parent with four children who are the third generation to attend Canby Schools, I am deeply invested in this community. Currently, two of my children attend 91 School and two attend Canby High, following in the footsteps of myself and their grandparents. My husband and I own our own business, and are very involved in our church, school, youth sports and community service.

When serving, my approach is to lead and inspire through hard work, integrity, and collaboration. During my career in the U.S. Department of Agriculture as a trained facilitator, I gained extensive experience in developing communication strategies, partnerships, and managing budgets and personnel.

I believe we all have a responsibility to use our strengths to serve. My goal will always be to cultivate relationships and collaborate for success. I am committed to bringing vision, empathy, and strength to my role as a School Board Director, and I would be honored by your vote.

Canby School District
Director, Position 7

Shelley Vissers

Occupation: Self Employed
Occupational Background:
Business Owner; School Board
Member 2021-Present; Community
Volunteer; School Volunteer
Educational Background:
Linfield University, Accounting,
BS; Canby High School, General,
Diploma
Prior Governmental Experience:
Canby School Board Member

2021-Present

As a fifth-generation resident of Canby, I have a unique understanding of where our community has been, where it is now, and the possibilities for our future. I have three children in the Canby School District and have committed myself to our schools and community through volunteer efforts at many educational levels. These efforts have ranged from current school board member, volunteering in our schools, being a reading mentor, coaching youth sports, and encouraging parental involvement in our educational community. Canby is my home, and I believe it is the responsibility of our community to ensure the highest quality education for our kids. I am passionate about the educational future in Canby.

- Advocate for Parent Involvement in educating our children.
- I see a need for the school board to advocate for students, parents and teachers while improving communication with the community.
- Empower the teachers to have the tools that they need with the goal of improving test scores, comprehension, and graduation rates.
- Spending money appropriately, making sure the money gets to the classroom.

I believe that if we work together, we can help our schools thrive. I will bring a knowledge of the role of the school board and energy to accomplish the goal of improving our educational opportunities for our children.

Estacada School District Director, Zone 1

Rosa Martinez

Occupation: Small Business Owner, PMG

Occupational Background: Small Construction Business Owner, 22 years

Educational Background: Roosevelt High School, General Studies, Diploma

Prior Governmental Experience: Estacada School District Board

Member - Zone 1 Since 2020; Oregon Construction Contractors Board Member Since 2020

As a mother of two graduates and a current student at Estacada High School, I am running for Estacada School District Zone 1 Board of Directors to build on the great work already in progress and to ensure accountability in executing the strategic plan developed by the Greater Estacada Community.

Background and Other Qualified Experience

- Eagle Creek Resident
- Eagle Creek Small business owner
- Board of Directors LatinoBuilt 2019-Current
- Oregon Construction Contractors Board Member 2020-Current

Estacada School District Accomplishments under current

board leadership: For the past 4 years, Rosa Martinez has been a dedicated Board Member of the Estacada School District, advocating for the success of students, families, and educators in a nationally acclaimed public school system.

Under Rosa Martinez leadership, Estacada has achieved:

- **Strategic Budgeting & Facility Investments** - Through strong financial stewardship, Rosa has advocated for competitive employee wages, prudent emergency savings, and infrastructure enhancements that support academics, athletics, and the art?
- **Remarkable Growth** - Estacada Public Schools have seen a 23% rise in student enrollment as more families choose the district, all while maintaining strong fiscal responsibility.
- **Record-Breaking Graduation Rates** - A remarkable 38-point rise, reaching an all-time high of 94% in 2024. Special education students now graduate at an impressive 92%, driven by policies that promote inclusive, neighborhood-based education.

Rosa's leadership has helped shaped Estacada into a model district for Oregon and beyond. With your support and your vote, we can build on this success and secure a bright future for all students.

Re-Elect Rosa Martinez -Trusted Leadership, Thriving Schools.

(This information furnished by Rosa Martinez)

How Do I Track My Ballot?

Sign up to Track Your Ballot! Trust that your vote counts with simple, secure, mail ballot tracking! Know where your ballot is in the voting process from mailed to accepted.

As a Clackamas County voter, you can sign up to receive alerts via text, phone, or email. Know when your ballot is mailed to you. After you vote and return your ballot, be alerted when it has been accepted for counting. Your vote remains anonymous and confidential.

Sign up online for **Track Your Ballot** at clackamas.us/elections/track-your-ballot This service is free for the voter.

Clackamas County Elections
503-655-8510 | elections@clackamas.us
clackamas.us/elections

Remember to Sign Your Ballot Return Envelope.

The most important thing is to remember to sign in the signature box on the return envelope. Your ballot cannot be counted if you do not sign the return envelope. Every signature is checked against the registration signature on file. The signatures must match for the ballot to be counted.

If you forget to sign or your signature does not match the ballot will be challenged. You will be notified with a mailed letter so that you can take action to ensure that your vote can be counted. The deadline for a voter to take action on their challenged ballot is 5 p.m., 21 days after Election Day.

Voters who have a disability and are unable to sign their ballot return envelope can contact Clackamas County Elections to request a *Signature Stamp Attestation Form*. This form allows voters to use a signature stamp or other mark as a signature on their voter registration file.

No one can sign a return envelope on behalf of a voter, including a Power of Attorney or Guardian. Signing someone else's signature on a ballot is a felony punishable by up to five years' imprisonment and a fine of up to \$125,000 and civil offense punishable by penalties of up to \$10,000.

Voters can contact Clackamas County Elections at 503-655-8510 or elections@clackamas.us for a *Signature Stamp Attestation Form* or other assistance.

Gladstone School District Director, Position 1	Gladstone School District Director, Position 5
<div data-bbox="77 178 361 520">  </div> <div data-bbox="361 178 711 213"> Donna Diggs </div> <div data-bbox="361 213 711 520"> <p>Occupation: English Language Development Teacher, Canby School District (19 years)</p> <p>Occupational Background: Teacher for 35 years in 2 school districts; Reading Summer School Coordinator, Migrant Summer School Coordinator, Head Teacher and Teacher (16 years); OMSI Spaceflight Academy Coordinator (5 years)</p> <p>Educational Background: MS in Curriculum and Instruction, Administrative License, Reading Endorsement - Portland State University; BS in Elementary Education, minor in ESL/Multicultural Education - Western Oregon University; Diploma - Gladstone High School</p> <p>Prior Governmental Experience: Gladstone School Board Chair 2024-2025 and Vice Chair 2023- 2024; Gladstone School Board 2021-current; Gladstone School District Budget Committee; National Night Out Gladstone Committee; Citizens Police Academy</p> <p>Born and raised in Gladstone, my brothers and I are all graduates of Gladstone High School. My mom, lone, worked in the schools' kitchens for over 20 years. After having my daughter, Madison, we returned to Gladstone where she attended grades K-12, graduating with Honors.</p> <p>The past four years on the board have provided significant learning experiences and I would like the opportunity to continue my work on the board.</p> <p>As a Gladstone School Board Member, I pledge to continue to:</p> <ul style="list-style-type: none"> • Imbed an equity lens in every conversation, policy and decision to increase student achievement. • Ensure our schools are safe and secure learning environments for all students. • Continue to encourage collaboration with all stakeholders - students, parents, teachers, support staff, administrators and community members. • Pass the bond, Measure 3-624, and certify that the work be completed as planned. <p>Students are my focus. I have integrity and solid work ethic, a strong passion for education, am fiscally responsible and passionate about diversity, equity and inclusion. I would greatly appreciate your vote</p> <div data-bbox="175 1891 606 1918"> <i>(This information furnished by Donna Diggs)</i> </div> </div>	<div data-bbox="722 178 1006 520">  </div> <div data-bbox="1006 178 1350 213"> Andrew Labonte </div> <div data-bbox="1006 213 1350 520"> <p>Occupation: Retail</p> <p>Occupational Background: Traffic Safety Education (20 years); Small Business Owner</p> <p>Educational Background: Western Oregon Univ., Driving Instructor, Cert.; Brown Univ. Community ed., Fundamentals of Management, Cert; Attleboro High School, High School Diploma</p> <p>Prior Governmental Experience: Gladstone City Council; Planning Commision; Traffic Safety Advisory Board, Parks and Recreation Board; Clackamas County Traffic Safety Advisory Board.</p> <p>I believe in the Gladstone School system. I believe in the teachers, staff and administration. Mostly, I believe in the students for showing up everyday and pursuing their goals. At the state level, a financial dilemma is impacting our district due to underperforming funds tied to the Public Employees Retirement System. Not good for Gladstone. We may have more students per class next year, we may have reduced staff and likely provide less services. We will need volunteers. Please step up.</p> <p>Leadership is critical in any high functioning endeavor. Quality leadership demonstrates and encourages honest and clear communication, establishes attainable, well-defined goals, and ensures accountability for students, teachers and leadership.</p> <p>I support the School Bond. Our schools are like a late model car that is in need of repairs and we do not have the money for a new one. We must fix our critical infrastructure and improve campus safety. I also support exploring opportunities to utilize untapped revenue sources. Our schools need to become more self-sufficient.</p> <p>I support county wide collaboration. There has been an increase in classroom disruptions especially amongst our youngest students. I am hopeful the Early Intervention and Early Childhood Special Education program can provide beneficial and timely services to those students and families in crisis. Teaching and parenting children with disabilities is hard and help is essential.</p> <p>I believe Gladstone Schools have a tradition of resilience and can rise to challenges. My goal as a School Board member is to be professional and open minded. I strive to do my research and be prepared for meetings. I humbly ask for your vote.</p> <div data-bbox="806 1891 1270 1918"> <i>(This information furnished by Andrew Labonte)</i> </div> </div>

**Gresham-Barlow School District
Director, Position 3, Zone 2**

**Gresham-Barlow School District
Director, Position 4, At Large**

Brenna Puderbaugh

Occupation: Creative Director
Occupational Background: Retail Manager, Bank Customer service Representative, Preschool Teacher, Childcare Director.
Educational Background: Reynolds High School, Mt. Hood Community College
Prior Governmental Experience: None

Gresham is my home, and I wouldn't have it any other way!

I am a mom of three who will be in elementary, middle and high school next year. I work for a non-profit and love volunteering in our community. Currently, I am renovating the main city snack shack, serving on the Gresham youth football board and working alongside my husband, who coaches youth sports and baseball at Gresham High School.

I am extremely passionate about kids, their future and looking at education holistically. I am running for the School board because I want to prioritize safer schools, foster authentic dialogue and evaluate programs with fresh eyes.

As a creative director, I know how to bring people together, navigate different personalities, and find innovative solutions. I am energetic, analytical, fast-paced, and idea-driven-all qualities that will help address budget shortfalls and safety concerns affecting our students today.

Together, we can make a lasting impact on the future of our schools.

Holly Riegelmann

Occupation: Bookkeeper, Riegelmann's Appliance
Occupational Background: Receptionist, Adventist Medical Center
Educational Background: Sam Barlow High School
Prior Governmental Experience: Director, Gresham-Barlow School Board

Four years ago I was elected to the board with a mission to bring our kids and staff back to our classrooms. Two years ago when I was reelected, our students were back in the classroom but our challenges were greater than ever. Today, there is still much work to do. We are starting to see improvements in both academics and behavior, we have hired a new superintendent, and our board has established new board goals to direct the district going forward.

Those goals are:

- **Safety:** An environment in which physical security, emotional support, and intellectual freedom coexist through shared accountability, care, and respect.
- **Belonging:** The connection of students, staff, and community to their schools and to each other, recognizing that each individual is a valuable part of our educational community.
- **Opportunity:** An awareness of and unhindered access to quality instruction and breadth of experiences that ignite curiosity and develop skills to launch students toward personal fulfillment and positive contributions to society.
- **Achievement:** The intentional, determined, and confident pursuit of individual and collective excellence through the development of critical thinking, creativity, and problem-solving skills.

Our community needs and deserves great schools. Schools they can feel proud of and find a sense of belonging in. As a mother, neighbor and member of the local business community I will not stop advocating for our students, staff and families and would appreciate your vote.

**Gresham-Barlow School District
Director, Position 5, Zone 4**

Blake Petersen

Occupation: Financial Analyst,
City of Gresham

Occupational Background:
Executive Director, Good News
Community Health Center;
Captain, US Army

Educational Background: Sam
Barlow High School; United States
Military Academy - West Point

Prior Governmental Experience:
Gresham-Barlow School Board,

2017-Present

I am a dad to four students, a proud Gresham-Barlow alumni, a West Point graduate, and experienced non-profit and public servant. It has been the honor of a lifetime to serve the community I love over the past eight years. We have been through a lot together in that time. We built new schools, opportunities, and futures for our kids through the bond. We navigated the trials of the pandemic and forged a more flexible and responsive educational future for our community. More recently, we expanded college and career readiness programs, grew our dual-language immersion programs and expanded our co- and extra-curricular opportunities including middle school sports programs and our music programs at the elementary level.

As a result of our investment, our kids experienced incredible successes: in classrooms, on fields and courts, and on stages that we built together.

Nevertheless, the road ahead is challenging. We face a difficult budgetary forecast, an increasingly complicated teaching and learning environment and a stubborn achievement gap that keep too many of our kids away from their potential. It will take discipline, vision, and leadership to focus on the things that connect our kids to their schools and launch them toward their future. My promise to this community is to maintain the focus, urgency, and integrity that these challenges demand.

Thank you for giving me the opportunity to serve you and your kids.

Heather Coleman-Cox
Occupation: Retiree, Media Relations Director for Juneteenth Oregon, Secretary for the Board of Directors PDX Jazz, Vacation Bible School Teacher for Emmanuel Church
Occupational Background: Network and Cloud Engineer at Intel for 12 years
Educational Background: M.S. Management Information Systems University of Maryland University

College

Prior Governmental Experience: Gresham Community Enhancement Committee

As a parent of elementary-aged kids in Gresham-Barlow, I'm passionate about ensuring all students access quality, inclusive education. My experiences as a student, parent, and grandparent highlight both the progress we've made and the areas that need improvement, particularly in ensuring families have a voice in school board decisions.

I facilitate and administer robotics training for the Miss Juneteenth Oregon Program, collaborating with industries such as banking, healthcare, and technology to provide free training for young girls. On the school board, I would advocate for more partnerships that connect students with real-world skills and find innovative solutions to support their success despite budget constraints.

I'm a wife, a mother of Hogan Cedars Elementary students, and a retiree who is dedicated to listening to community concerns and partnering with families to find solutions. I genuinely believe that education is not cookie-cutter, and my goals include promoting not only STEAM but also skilled trades education. I value service, and I'm a strong advocate for public schools and recognize their vital role in our communities. I plan to bring a fresh perspective to the school board, focusing on community engagement, tech-savvy solutions, and amplifying the voices of families who haven't been heard.

My goals also include improving after-school programs, promoting inclusive curricula, and ensuring fairness for every student, regardless of their background or learning style. Together, we can create a school system where every child is prepared, supported, and ready to thrive.

Endorsements:

Heidi Blakley, Principal Hogan Cedars Elementary School
La'Shawanta Spears, Assistant Superintendent of DEI, David Douglas School District
Vince Jones-Dixon, Multnomah County Commissioner
Eddy Morales, Gresham City Councilor

Stefanie Craft
Occupation: Special Project Manager, Ad-Tek
Occupational Background: Home daycare provider for 15 years, Nanny
Educational Background: Clatsop C.C.
Prior Governmental Experience: None

Community Involvement:

Board positions:

- Founder and current treasurer of Barlow VIPS 501(c)3 supporting SBHS(choir and theatre - 10 years
- Treasurer of Barlow Booster Club (Senior All Night Party) - 3 years
- Current Past Executive Officer of Barlow Booster Club - 1 year
- Deep Creek/Damascus Boosters/Parent Teacher Organization - 10 years
- Valley Premier Futbol Club (and photographer) - 10 years

Other Volunteer Activities:

- Campaign Manager for successful 2016 GBSD bond
- Barlow boys soccer team manager/photographer/fundraiser - 4 years

Thirty-five years ago, my husband and I decided to plant our roots in Damascus. We raised our three sons, all of whom are products of the GBSD, along with countless other children I had the privilege to care for at my daycare. I understand the critical role a quality education can have on the trajectory of our youths' lives, which is why I have devoted my life to serving our children.

I have a proven track record of advocating, fundraising and managing programs to benefit our educators, students and community. I am asking for your vote, so that I can take that commitment and experience to serve families district wide.

As your next GBSD Board Member for Position 6, I will be a champion for:

- Prioritizing school safety
- Improving students' mental health
- Addressing students' needs academically and socially
- Expanding CTE and STEAM curriculum for all ages

I will always fight for a better future for all of our students. My commitment to you is to work tirelessly to provide the resources and support necessary for our schools to thrive.

Endorsements:

James Hiu, Retired Superintendent, Gresham Resident
Jim Schlachter, Retired GBSD Superintendent

Lake Oswego School District
Director, Position 2

Lake Oswego School District
Director, Position 2

Neelam Gupta

Occupation: Director, Clinical Supports and Workforce, Oregon Health Authority

Occupational Background: Career leading cross-sector healthcare initiatives

Educational Background: UCLA, Psychobiology, BS; UCLA, Public Health, Masters; UCLA, Social Welfare, Masters

Prior Governmental Experience:

LOSD School Board, LOSD Inclusion Committee Chair, 2019 LO Levy Co-Chair, LOSD Elementary Facilities Taskforce, Oregon Workforce and Talent Development Board, Oregon School Boards Association board

Community Service: LO Schools Foundation board, LO Middle School treasurer, LO for LOve, National Charity League, Leadership LO

My Story

I have a 35-year history with the LO Schools, first as a sibling of a graduate and now as a parent of a student. I moved here for the top-notch schools and vibrant community.

I have enriched the schools as a parent and school board member. I volunteered in classrooms, parent clubs, and Schools Foundation. I led levies to fund educators and supported bonds to build modern, sustainable facilities. I understand public budgeting, through the school board and my day job.

I ask for your vote, because there is more to accomplish so that all students are valued and ready for jobs of the future. I will continue to provide accountability to ensure high academic achievement, focus on health and well-being, and create an even stronger culture of belonging.

“Neelam provides sound fiscal oversight to school budgets and never loses focus on academic excellence for all students.” - John Wallin and Liz Hartman, LO School Board Chair and Vice-Chair

Lena Elbakshish

Occupation: Finance & Accounting

Occupational Background: Finance & Accounting

Educational Background: University of California, Santa Barbara, Business Economics, BA

Prior Governmental Experience: None

As a parent of three, experienced finance professional, and engaged community member, I am running for the Lake Oswego School Board to bring fiscal responsibility, transparency, and community representation back to our district’s leadership.

The goal of my candidacy is to be the voice of moderate parents who want what’s best for all of our children, which includes:

- Common sense practices
- Academic achievement
- Fiscal responsibility and accountability

Our schools should be the best in Oregon, but poor financial management and a lack of accountability and transparency have put that at risk. I will advocate for smart budgeting, ensuring resources go where they matter most-into classrooms, supporting teachers, and enhancing student programs.

Parents and community members deserve a voice in school board decisions. Too often, policies are implemented while ignoring meaningful public input, leaving families frustrated and unheard. I will work to restore trust by improving transparency and ensuring our district leadership listens to those they serve.

I am committed to maintaining and improving the academic excellence that sets LOSD apart. We must continue prioritizing core competencies like math, reading, and science to ensure all students are prepared for future success.

I support balanced, community-driven solutions for critical issues. Whether it’s school facilities, curriculum, or student services, my approach will be pragmatic, data-driven, and focused on what’s best for our students.

For more information on where I stand on the issues visit: www.lenaforlo.com

Lake Oswego School District Director, Position 3

Brian Bills

Occupation: Educational Consultant

Occupational Background: Attorney, Developer, Education Consultant

Educational Background: UCLA, Political Science & International, BA; UCLA, Law, JD

Prior Governmental Experience: Lake Oswego School Board, Director (2021–Present), Lake

Oswego School Board Chair (2023–2024), Bond Development Committee, LOSD AI Task Force, LOSD Long Range Facilities Planning Committee, LOSD DEIA Advisory Committee

Why I'm Running for Re-election: Lake Oswego's schools are among our greatest community assets—and I've been proud to serve on the Lake Oswego School Board these past four years, working to ensure every student has access to excellent instruction, safe learning environments, and the support they need to thrive.

I'm running for re-election because there's still important work ahead. We must address our district's current \$12 million budget shortfall with sound fiscal stewardship while preserving academic rigor. As a former Board Chair, I've led with transparency, helping guide our district through critical decisions on bond development, facilities planning, and ethical technology use.

As a parent of three LOSD students and an education consultant working with students from across the country and internationally, I bring perspective on what high-quality education looks like. I've helped hundreds of students navigate competitive college admissions, and understand the value of strong academic programs and well-run schools.

Proven Leadership/Deep Commitment: During my tenure, I've served as Chair, organized town halls for community feedback, and represented diverse voices. As a member of the district's AI Task Force, I've advocated for integrating AI to democratize educational resources, sharing this expertise with district leaders at state and regional levels.

I've served as Treasurer of the Forest Hills PTO, coached OBOB and Little Hoopers teams for a decade, and volunteer in classrooms and career events.

I believe deeply in public education's transformative power because I lived it: I was the first in my family to graduate from college. I'm hoping you will allow me to continue ensuring LOSD delivers that same opportunity to every student.

Let's keep Lake Oswego's schools strong, equitable, and future-ready.

Katherine Lupton
Occupation: Parent; Educator
Occupational Background: Educator (Spanish language); Curriculum Design
Educational Background: Johns Hopkins University, Education Policy & Leadership, Masters of Science; Portland State University, Spanish, Masters of Arts; University of Oregon, Music/Chemistry, Bachelor of Arts

Prior Governmental Experience: Lake Oswego School Levy Campaign; Democratic Precinct Committee Person; Neighborhood Leader

Katherine's Vision:
I am a parent, educator, and life-long Oregonian running for Lake Oswego School Board to ensure that Lake Oswego preserves and expands its reputation as the #1 school district in Oregon. My husband Josh and I have three children in the district.

As the daughter of two public school teachers, I am grateful for Lake Oswego's outstanding K-12 public education system. My first priority is to maintain these successes, despite the projected budget shortfall. My goal will always be to improve student outcomes in our district, and I am eager to contribute my expertise in education policy to the School Board. I will ensure the Board's focus remains on maximizing student achievement through evidence-based, fiscally responsible decisions made with input from our families and community stakeholders.

- Priorities**
- Help our students in the Lake Oswego School District better compete on a national level
 - Empower our students, parents, teachers, and community stakeholders to provide input to the Board
 - Ensure our School Board is including best practices and innovation in every decision

"Katherine Lupton will put our kids first for a brighter future." - Rob Wagner, Senate President

"With young children, Katherine is the right person to be dedicated to achieving academic excellence for the next generation of LOSD students" - Kirsten Aird, LO School Board

BUILDING OUR CHILDREN'S TOMORROW

The district must operate within a sustainable budget, and restore emergency reserves depleted in recent years

Fiscal Responsibility & Transparency

- Belt tightening must not jeopardize the quality of classroom education
- Protect our neighborhood schools, special education resources, STEM/art/music programing

"I'm endorsing Kasey as my replacement. His strong budgeting background gives him the expertise to understand the costs of reaching all students." Liz Hartman, LO School Board Director

Improving Outcomes

- A commitment to improving our ability to measure and elevate academic outcomes should be a priority
- We must work to reverse the trends of declining student proficiency scores

"Kasey's mantra is 'keep your eye on the ball.' He knows success comes with a team coming together, keeping our school district moving forward." Martha Schrader, Clackamas County Commissioner

Academic Rigor & Career Readiness

- The district should strive to be the best in academic preparation, so all students are on a ready-to-work track in whatever field they choose
- The education we offer must not be a one size fits all

"As a coach, Kasey brings out the best in each child. He's the person to navigate budget challenges so all children are inspired to reach their full potential." Megan Daniels, Mom, 4 LO school students

Bipartisan Officials Endorse Kasey

Amy McNeil

Occupation: Lead Project Coordinator

Occupational Background:
Project Manager, Import Buyer,
Marketing Assistant, Sales,
Customer Service

Educational Background:
West Linn High School, general,
diploma; Portland Community
College, general

Prior Governmental Experience:

Elected Molalla River School Board Member; Elected Clackamas County Precinct Committee Person

My family is very active in the community and I'm extremely proud to call Molalla my home.

Our community's bright future is heavily dependent on our student successes, and I'm eager to remain on this board to help facilitate that.

As a parent and aunt of former MHS students, as well as serving as vice chair for 2 years and as current board chair since July; I'm passionate about helping our kids thrive. I understand the importance of family involvement, as well as ensuring that our teachers and staff have the tools they need.

If re-elected, I will continue to:

- o Recognize and respect the varying talents and beliefs of my fellow board members, staff and students, and create a board that is responsive to the community
- o Ensure transparency in board actions and school district decisions
- o Ensure that the district responsibly uses taxpayer monies and resources
- o Enhance the services available to our students
- o Keep open communication with teachers, staff, parents, and students
- o Serve as a model for how a community can work together toward a common goal

I would appreciate your vote to help keep Molalla Proud!

M Tory McVay

Occupation: Banker
Occupational Background: Banking (1985 - current)
Educational Background: Southern Oregon State College, Business Admin/Communication, BS
Prior Governmental Experience: Fair Dismissal Appeals Board; North Clackamas School Board; OSAA Appeals Board

Re-Elect Tory McVay

As a dedicated member of the North Clackamas School Board, I am proud to have served our community for three terms. I am seeking a fourth term to continue my work in strengthening our schools and neighborhoods. I am a firm believer that the quality of our schools is closely connected to the health of our communities. My focus has always been on ensuring that every student has access to a quality education that prepares them for success. Public education is the foundation of our future, and I will continue to advocate for resources and programs that provide academic excellence, support services and extracurricular opportunities for all students. As a board member, I have worked to build bridges between schools, families and local organizations to create partnerships that benefit everyone. I believe that healthy, vibrant communities and engaged families are essential to the success of our students. I believe that schools should be the heart of our neighborhoods, where families come together to support one another and ensure that every child has the resources they need to thrive. In this next term, I will continue to advocate for policies that provide opportunities for all students and support our educators. With your support, we can build an even stronger North Clackamas School District, where strong neighborhoods and strong schools go hand in hand, paving the way for a brighter future for our children. Thank you for considering me for another term on the North Clackamas School Board.

Occupational Background: Small Business Owner; Community Engagement, Nonprofit Family Homeless Shelter.
Educational Background: PPS, GED
Prior Governmental Experience: North Clackamas Equity Advisory Committee.

Volunteer Service: Oak Grove PTO; Classroom & School Volunteer; Path Home Family Homeless Shelter.

Dear voter: North Clackamas is where my children grew up, where we built our family's small business, where I've nurtured lasting connections.

As a classroom volunteer, I've seen firsthand the power of people coming together to make a difference in a child's life. This school community has supported our family and I'll do the same, ensuring every student has the opportunity to thrive. I would be honored to be elected to our School Board.

A proven advocate for all kids and every school

"Samantha has been a parent and volunteer in our district for over 20 years. She's worked alongside families and educators to ensure all students have the resources they need to succeed."

Kathy Wai, NCSD Member

A sharp eye on the bottom line

"Samantha has the experience and dedication to ensure every dollar is used wisely and with intention. With her leadership, school spending will be transparent, accountable, and focused on what truly matters: supporting students and our community."

Desiree Thomas, Happy Valley small business owner

My top priorities:

- Remove barriers, provide opportunities for every student.
- Responsible, transparent school spending.
- Involve the community in shaping our schools.
- Invest in teachers from all walks of life and engage students from diverse backgrounds.
- Empower students to succeed beyond high school.

We support Samantha!

Prior Governmental Experience: None

EXPERIENCED EDUCATOR. ADVOCATE FOR STUDENT SUCCESS. PROVEN SCHOOL LEADER.

Public education has the power to change lives.

As a teacher, school administrator and a parent, I'm running for School Board to increase student success in our local schools - so kids are prepared for life, college and career.

North Clackamas Schools are strong and well-supported in our community. And, we can do even better:

- **Early literacy for all:** Every child should finish elementary school with strong reading and writing skills.
- **Strong school funding & fiscal responsibility:** Budgets must continue to prioritize classrooms, not bureaucracy.
- **Community engagement:** We can offer more ways for families and community members to be engaged and ensure our schools succeed.
- **Prepared for the future:** We can better support our career/technical education at Sabin Skills Center and help more students who want to pursue college.
- **Support our great educators:** Invest in teachers and school staff to ensure classroom success.

"April Olson would be one of the most qualified people to serve on our local school board. She'll keep a sharp eye on the bottom line and help even more students succeed in their chosen path. Vote for April!"

Voting Instructions

1. Vote your Official Ballot

Locate the measure response (Yes or No) of your choice for each contest. To vote, completely darken the rectangle to the left of your choice with black or blue ink. [Figure 1]

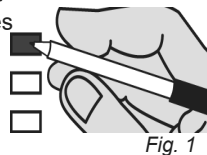

Fig. 1

Remember: If you vote for more than the number of candidates allowed for an office, or you vote both Yes and No on a measure, it is called an overvote and your vote for the candidate or measure will not count. [Figure 2]

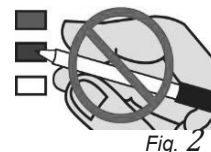

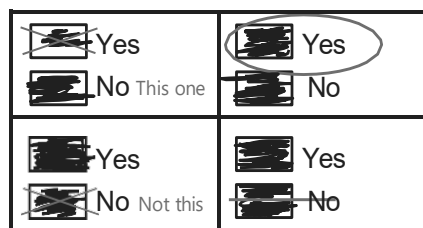

Fig. 2

You are not required to vote on everything. Your ballot will still be counted as cast and your votes for other contests will be counted.

If you make a mistake

Don't tear up your ballot yet. You can fix it!

Make your choice obvious so that election officials can count it correctly. Please review the examples of acceptable corrections.

2. Review your Official Ballot

Ensure you have correctly marked your choice for each contest. Your official ballot may contain contests printed on both front and back. Remember to review both sides!

If you lose your ballot, or it is spoiled in any way, contact Clackamas County Elections at **503-655-8510** to request a replacement ballot.

3. Return your Official Ballot

Place your voted official ballot in the envelope and sign the Voter's Statement.

Remember: Read and sign the Voter's Statement on the Return Ballot Envelope. Your ballot cannot be counted if the Return Ballot Envelope is not signed.

By Mail: **Stamps are not required** to mail your Return Ballot Envelope. Please mail it as soon as possible; it **must be postmarked by Tuesday, May 20, 2025**. Ballots postmarked by the deadline must also be received by Clackamas County Elections within 7 days after the election.

In Person: Deliver the signed and sealed Return Ballot Envelope to any official ballot drop site no later than **8 p.m. on Tuesday, May 20, 2025**.

The above information has not been verified for accuracy by the county.

Michele Lee Stroh

Occupation: Childcare provider, Current Schoolboard Member, Chair of OC Together

Occupational Background: Small business owner, Child care Provider

Educational Background: Canby Union High; Clackamas Community, early childhood education

Prior Governmental Experience: Elected 2020 to OCSD schoolboard

I would love to thank my community for the opportunity to serve as your schoolboard member the last 4 years. I have leaned so much and continue to ask for accountability, transparency and most of all, student success.

In my first term, I was able to work with administration, nurses and the board to create a Narcan policy, which allowed our district to have this life saving medication on campus to be used if needed for our students. The district also listened to my conversations around Fentanyl and we proactively started to teach and I was able to lead assemblies for our junior high and high school.

As the state legislation passed mandated Fentanyl education in the short session, our district was already ahead by having this education worked into our teachings.

I listen more than I speak. If you listen just to respond, you are not listening.

Oregon is at the bottom for education. The rules set forth by the legislation and ODE have furthered hampered our recovery since covid. I have pledged to be more involved at the state level for the bills and mandates that directly affect our student's education.

Student behavior is one of the greatest concerns from our teachers and staff. We must bring back accountability within the classroom setting.

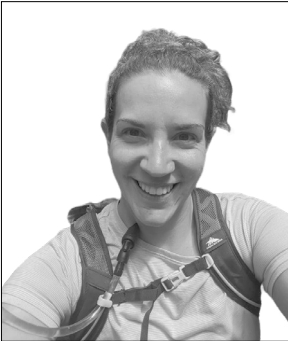

Parents are concerned with the low testing data and the withdrawal of state graduation requirements.

I encourage parents to be involved and stay involved throughout the child's education. Parents know their child better than anyone.

I am a life long Oregon City resident. I raised my family here in this district.

I am a small business owner.

I look forward to the opportunity of serving our community for a second term.

Heidi Chang

Occupation: Youth Director at Lake Oswego United Methodist Church

Occupational Background: Youth pastor; stay at home mom; combat medic; social service assistant; and preschool teacher aide.

Educational Background: Thurston High School, High School Diploma; George Fox University, History and Political Science, Bachelor's of Art; Western Seminary, Divinity, Master's

Prior Governmental Experience: None

I am a mom of three girls, two of whom are enrolled in the Oregon City School District and have disabilities (or superpowers as we call them in our house).

I am a wife to an amazing man who is a nurse at Providence Willamette Falls here in Oregon City and a medic in the Oregon National Guard.

I am a combat veteran who served in Afghanistan and earned a Purple Heart and Bronze Star on that deployment.

I am passionate and care deeply, not just for my family, but for my community.

I believe that all children should feel safe and welcome in their schools and community and deserve a high-quality education. Showing up for our students is more important now than it has ever been, and that is why I am answering the call.

If elected, I will support our students, staff members, and families develop and maintain policies to ensure our kids succeed. Fiscal responsibility is important, and I will support responsible budgeting and ensure open and transparent communication with our constituents.

I want to serve our community, show up for our students, and cultivate a culture where students can thrive.

**Oregon Trail School District
Director, Zone 1**

**Oregon Trail School District
Director, Zone 3**

Gregg Chastain

Occupation: Pastor
Occupational Background: Pastor, Youth Pastor, School Bus Driver, Site Supervisor
Educational Background: Multnomah University, BA in Bible & Theology
Prior Governmental Experience: Kelso Elementary Site Council; Boring Middle School Site Council; Oregon Trail Academy Board

Member; OTSD’s Superintendent’s Leadership Council; OTSD’s Budget Committee; Sandy Ministerial Association Director

For almost 20 years, my family has lived in Sandy, and we are thankful to call this community home. My wife and I guided our own children through the Oregon Trail School District and are thankful for the education they received and the many teachers and administrators who invested in them. We have consistently sought to invest in our schools in order that every student would receive a well rounded education.

I have actively served on Site Councils, Budget Committees, the school board for our district’s charter school, Oregon Trail Academy, and the Superintendent’s Leadership Council. For many years I drove a school bus within the district primarily driving students on field trips and sports activities, interacting daily with teachers and students. In my role as a pastor within the community I have worked to find ways churches can support our schools within the limits of the constitution and the law. These efforts have included various church organized school clean up days in the summer, teacher appreciation gifts, assisting with specific needs of families, and offering free tutoring services during COVID.

I believe in responsible stewardship of district resources, transparency in decision-making, and fostering an environment where students can thrive academically, socially, and emotionally. I am dedicated to supporting educators and staff while ensuring parents and community members have a voice in shaping the future of our schools.

I would be honored to serve on the Oregon Trail School District Board and work collaboratively to support excellence in education for all students.

I appreciate your support and your vote!

Paula Siverly

Occupation: Mortgage Broker
Occupational Background: Financial Industry since 1991
Educational Background: Mt Hood Community - College Credit Union Management
Prior Governmental Experience: Current OTSD Board Director Zone 3; OTSD Superintendent’s Leadership Council; OTSD Facility

Task Force Member; Welches School PTCO Board Member; Oregon Trail Academy founding committee member; Sandy Area Chamber of Commerce Board Director/President; Sandy Area Chamber of Commerce Career and Education committee member; Oregon Council for Youth and Family Education League Liaison

For over 25 years, I have called the Oregon Trail community home. As a parent, volunteer, and longtime advocate for education, I have dedicated my time and energy to making our schools and community stronger.

As listed, I have served in a variety of roles within the Oregon Trail School District and the Sandy Area Chamber of Commerce. Most recently, I was honored to be appointed to the school board in 2023, where I have worked to ensure that our schools remain a place where all students can thrive.

With over 30 years of experience in the finance industry, I understand the importance of fiscal responsibility and long-term planning. My background as a mortgage advisor has reinforced my belief that strong schools build strong communities, and I am committed to ensuring that our district continues to provide high-quality education while being accountable to students, families, and taxpayers.

I am running for a full term on the Oregon Trail School Board because I believe in investing in our students, supporting our teachers, and fostering collaboration between schools, families, and businesses. I am passionate about making sure every child has access to the resources they need to succeed-whether in academics, career pathways, or extracurricular activities.

I would be honored to continue serving our community and advocating for our schools. Volunteering for my community feeds my soul. I respectfully ask for your vote in this election.

**Oregon Trail School District
Director, Zone 5**

Robert Lee

Occupation: Senior Policy Advisor, Government Relations, Oregon Health Authority

Occupational Background: Director of Standards & Compliance, Oregon Health Authority; Lead Project Manager, Oregon Health Authority; Policy Consultant; Adjunct Faculty, Hatfield School of Government, PSU; Lead Operations & Policy Analyst, Oregon Housing &

Community Services; Director of Government Affairs & Health Policy Analyst, Care Medical

Educational Background: Willamette University, Project Management, Certificate; Portland State University, Public Administration, MPA:HA; Portland State University, Political Science; BA; Sam Barlow High School, General Studies, Diploma

Prior Governmental Experience: Oregon Trail School District, Vice Chair/Board Director, Zone 5; Oregon Trail School District, Budget Committee Member; Legislative Policy Committee, Oregon School Board Association; Reynolds School District, Vice Chair/Board Director, Position 1 ; Reynolds School District, Budget Committee Member

Serving our community as a member of the Oregon Trail School Board has been a true honor and privilege. Now more than ever, it takes a community to create an environment for children to thrive, and I am continually inspired by the hard work of our teachers, staff, administrators, and parents, who strive every day to ensure our students have educational opportunities for success.

Throughout my time as a Board Member, I have stayed committed to four goals:

- Ensuring access to excellent public education for every child
- Practicing fiscal responsibility and stewardship of taxpayer dollars
- Supporting our teachers and the students they serve
- Increasing opportunities that prepare our children to become successful members of our future workforce through higher education and technical training

I firmly believe in our public education system, our teachers, our students, and above all, our community. This is why I am seeking your vote to serve a third term on the Oregon Trail School District Board of Directors.

FIGHTING FOR STUDENTS AND SCHOOLS

Dear Voter,
I'm a fighter, builder, and hard worker. Since age 16-starting at
McDonald's-I've paid my own way: food, rent, college. My parents
struggled financially; thus I bring hustle and perseverance to
everything I do.

I'll bring urgency and action to **address chronic absenteeism,
improve student achievement, secure better funding, and
ensure safe, supportive schools.**

I'll insist on greater financial accountability and rigorous oversight
of district spending.

I ask for your support, Virginia

"Virginia shares our mission to ensure all students-especially
those whose potential is often overlooked-receive a high-quality
relevant education."

- Stand for Children

Virginia's work helped deliver:

- **Health and safety improvements, repairs** in all schools,
including removal of lead in paint and water; seismic
upgrades, asbestos removal.
- **Bond funding for modernizations:** McDaniel, Lincoln,
Benson, Kellogg.
- **More playing fields and improvements at PPS high
schools**, including, securing long-term Grant Bowl
upgrades.
- **A policy banning school-day cell phone use.**
- **Air quality testing** resulting in \$10M in air quality
improvements at Tubman School.
- **Improved state complaint process** for school families.

"I've stood with Virginia fighting for our students.
When Virginia's in the room, things get done."

-Julia Brim-Edwards, County Commissioner, PPS Board

Empowering Students, Teachers

"Virginia shows up in tangible ways for our students,
always following through!"

-John Eisemann, Jaina Kapranos, PPS Teachers

"Virginia knows us and advocates for us."

-Ella Addy, Maya Lacy, PPS Students

Riverdale School District
Director, Position 3

Riverdale School District
Director, Position 3

Boone Scholibo

Occupation: Business Owner

Occupational Background: I own a generational local family business that has served our community for 42 years. With over 100 employees and multiple locations, I have hands-on experience in operations, finance, human resources, and real estate.

Educational Background: Finance degree from the McLaren School of Business at the University of San Francisco.

Prior Governmental Experience: As a sworn police officer for nine years, I served on an active shooter prevention team, as well as the SWAT team. Ensuring a safe learning environment for students and staff is my highest priority. I would assess current safety procedures and recommend necessary improvements while strengthening collaboration between Riverdale and local law enforcement.

I'm dedicated to strengthening Riverdale School District's education so all students may experience the same exemplary education I did. As a Riverdale alum, I will be a visible advocate, engaging with parents, educators, and residents to promote transparency and ensure the community feels heard. Strong schools thrive when families are informed, engaged, and invested. As the husband of a former teacher, I understand the challenges educators face and will advocate for policies that support teachers, reduce turnover, and create a positive environment where they feel valued and equipped to succeed.

I am proud to have deep-rooted ties to this community that span generations. My wife and I are raising our children-two sets of identical twins-right here in Dunthorpe. I want to ensure their journey, from RGS through RHS, is exceptional and enriching. My desire is to foster a long-term vision that ensures our district stands strong for generations to come.

I am passionate about rekindling Riverdale's pride and community. As a school board member, I will advocate for equity, close achievement gaps, and ensure all students have the support they need to thrive. By combining innovation with tradition, we can restore the district's vibrancy. I would be honored to have your vote.

(This information furnished by Boone Scholibo)

Michele Rosenbaum

Occupation: President, Elizabella; Children's Art Teacher

Occupational Background: OMSI Trustee; Real Estate

Educational Background: Political Science; Art BA from UCLA

Prior Governmental Experience: Riverdale School Board Chair;

Riverdale District Budget, Policy and Political Advocacy Committees; MESD Budget Committee; Oregon School Boards Association MCC

I have served on the Riverdale School Board since 2021 and am deeply invested in the success of our schools. My leadership has created growth in a time when our neighboring school districts have not bounced back from declines and are now facing large budget cuts. Since 2008, I have volunteered extensively to support our students, teachers, community and my four children.

My family has been a part of every classroom from Pre-K through 12th grade.

• **Excellence:** Our schools are highly rated and Riverdale High School was recently recognized by Niche as the **#1 Public High School in Oregon**. My work continues as we build upon a comprehensive education with the application of the **International Baccalaureate program** this year. We have more work to do in integrating the connection and identity between both schools in our K-12 District.

• **Fiscal Viability and Responsibility:** We have a vested interest in our District and its longevity. **Thoughtful and transparent budgeting has enabled our District to maintain its exceptional programs and safeguard funds during a time when other school districts are facing massive fiscal shortfalls and drastic cuts.**

• **Leadership:** The role of the School Board is to create a strategic vision and oversee its accomplishment by the Superintendent. **As Board Chair, I have worked closely with our talented and committed Superintendent and recently signed a renewal of his contract to provide much needed stable leadership.**

• **Student Centered Education:** I am committed to a well-rounded and exceptional Riverdale education with small class sizes where students develop academic mastery to become engaged lifelong learners and effective leaders.

“Michele’s proven leadership has stabilized Riverdale when most districts are facing uncertain times.” - Oregon Senate President Rob Wagner

**Riverdale School District
Director, Position 5**

**Milessa Muchmore
Lowrie**

Occupation: Investor, Board Member, Mother

Occupational Background:
U.S. Diplomat, Co-Founder of Athletivate Public Benefit Corporation

Educational Background:
Stanford University, Bachelor of Arts in International Relations and Spanish; Princeton University,

Master's in Public Affairs

Prior Governmental Experience: Foreign Service Officer, U.S. Department of State (Postings in Canada and Mexico)

As a dedicated Riverdale parent and active community volunteer, I am committed to ensuring we build on our district's exceptional foundation while preparing for future challenges.

Engaged District Service

I have an established track record of service to our district as a parent, volunteer, fundraiser, and committee member. Contributions include volunteering in my children's classrooms, leading events like Field Day and Candy Crawl, and serving on the District's Political Advocacy Subcommittee. I am also a demonstrated fundraiser for the district, serving as a Riverdale Foundation Board Member, call captain, and co-chair of the "Light the Way" luminary initiative. These diverse, hands-on experiences give me a comprehensive understanding of our educational ecosystem and a view of our district's strengths and needs from multiple perspectives.

Strategic Leadership

As your School Board representative, I will leverage my professional experience to support the needs of our students and keep our district a source of pride and excellence. During my diplomatic career, I developed key skills in policy analysis, negotiation, cultural sensitivity, and strategic thinking—all crucial to school board service. My entrepreneurial experience building my own firm, as well as my work advising and investing in start-ups, has honed my ability to manage budgets, mitigate risks, and drive innovation.

My Commitments to Riverdale

I will bring my firsthand experience as an engaged Riverdale parent and volunteer to every board decision.

I will leverage my diplomatic and entrepreneurial background to ensure responsible stewardship of district resources.

I will prioritize:

- Making student centered decisions
- Sustaining high quality district leadership
- Ensuring fiscal responsibility
- Advancing academic excellence
- Maintaining small class sizes and exceptional teachers at the grade school
- Upholding Riverdale's position as Oregon's top public high school

Sherwood School District
Director, Position 3

Sherwood School District
Director, Position 3

Calli Ross

Occupation: Advocate;
Community Leader

Occupational Background:
Disability & Education Advocate

Educational Background:
Sun Valley Idaho Community
School, High School; Boise State
University, Biology, incomplete

Prior Governmental Experience:
Advocacy and lobbying lawmakers.

My Priorities:

- **Inclusion:** Ensuring every student, regardless of ability or background, has access to a high-quality, supportive education. Strengthen special education, expand assistive technology access, and foster inclusive classrooms.
- **Fiscal Responsibility:** Prioritize responsible budgeting to ensure taxpayer dollars directly support students, teachers, and classrooms. Advocate for fair funding, financial transparency, and strategic investments.
- **Safe and Supportive Schools:** Push for stronger anti-bullying policies, increased mental health support, and a school culture that prioritizes representation. Support trauma-informed practices and gender-inclusive policies.
- **Accessible Community Engagement:** Remove barriers to communication and actively seek input from underrepresented communities to ensure every voice is heard.
- **Policy Expertise:** Use my experience in navigating complex policy and funding systems to secure resources and create inclusive opportunities for students.

My Motivation:

Ten years ago, my journey into disability advocacy began when my second son was born. This experience opened my eyes to systemic inequities and fueled my passion to create a more inclusive and equitable world. I believe our schools are the foundation of our future, and I am committed to driving meaningful change within our community.

As a dedicated advocate, parent, and community member, I understand the importance of building strong partnerships between families, students, schools, and the wider community. I am committed to working tirelessly to ensure every student in Sherwood has the opportunity to thrive. I would be honored to serve on the school board and I respectfully ask for your vote.

and Criminology, 2004.

Prior Governmental Experience: Sherwood School Board, 2021-2025

Over the last four years I've had the pleasure of serving the Sherwood community as a member of the School Board. I've learned a tremendous amount about curriculum adoptions, school district budgets, policy updates and the importance of local legislation. I have stood alongside our district through challenging times, including passing the education levy, as well as hiring two superintendents. I have collaborated with community members, students, teachers, administrators and fellow board members to achieve our goals for the district. I'm incredibly proud of the work that has been accomplished, but know there is more work to be done, where I can have a positive impact on moving the district forward for Sherwood students and families.

I have three children attending Sherwood schools (2nd grade, 8th grade, 10th grade) and feel like their span in ages has been a gift with regards to the school board position, as it allows me to have a pulse on events and topics at all levels. It also means that no matter what we are discussing in board meetings, it is relevant to my life and my children's education. **I would love the opportunity to continue to serve this district for one more term and am asking for your vote.**

Accomplishments:

Sherwood School Board Chair, 2022-2024
Passed Education Levy in 2023
2016 Bond Committee
Sherwood Education Foundation (7 years)

Endorsements:

Tim Rosener, Mayor, City of Sherwood
Kim Young, Sherwood City Council President
Kevin Barton, Washington County District Attorney
Harmony Carson, Sherwood School Board Chair
Hans Moller, Sherwood School Board Director
Jessica Adamson, Sherwood School Board, 2012-2023
Matt Kauffman, Sherwood SD Budget Committee Chair

Sherwood School District
Director, Position 4

Hans Moller

Occupation: Orthopedic Surgeon, Providence Medical Group (part-time); Board Member, International Geriatric Fracture Society

Occupational Background: Partner, Orthopedic and Fracture Specialists (1984–2020); Regional Medical Director, Orthopedic Institute, Providence Health Services (2004–2020)

Educational Background: Denison University - Chemistry, BA (1970–1974); Medical College of Ohio at Toledo, MD (1974–1977); Board Certified, Orthopedic Surgery (1986–present)

Prior Governmental Experience: Sherwood School Board Director (2022–present); U.S. Naval Reserve, Lieutenant Commander (1977–1984)

Serving as a Sherwood School District board director for the past two years has been a privilege and an opportunity to contribute to our student's success and the future of our community. During this time, we've worked collaboratively to strengthen financial stability, foster leadership, and advance student-centered progress.

Some key accomplishments include:

- **Strengthening Financial Stability:** We passed the district's first school levy, securing critical funding to support growth and enhance educational programs.
- **Leadership for the Future:** We hired a new superintendent, whose leadership and vision are already driving positive change.
- **Collaborating with Teachers:** We successfully negotiated a new teacher contract, avoiding disruptions seen in neighboring districts and building mutual trust and respect.
- **Strategic Planning:** We developed a five-year strategic plan to guide district priorities, which will launch in June 2025.

In addition to these milestones, I've worked on initiatives reflecting my passion for supporting students and strengthening our schools. These include mentoring students to build leadership skills, partnering with the Food Services Director to enhance nutrition programs, and attending extracurricular activities—such as band, theater, sports, and FFA events—to engage with students and deepen community connections.

I remain committed to fostering an inclusive, supportive educational environment that prepares all students for success beyond high school. I would be honored to continue serving as your school board director. Visit HansMoller.com to learn more.

Endorsements:

Did you make a
mistake?

Don't tear up your ballot. You can fix it!

Please do NOT use corrective tape or white out.

Make your choice obvious so election officials can count it correctly. Please review the examples of acceptable corrections.

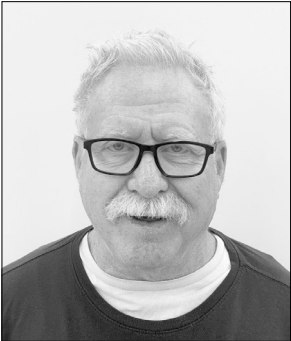

For further assistance, contact
Clackamas County Elections at
503-655-8510.

Where is my
secrecy sleeve?

The ballot packet no longer contains an optional secrecy sleeve. That is because you do not need one. Ballot packets have been redesigned to protect privacy, save costs, and improve efficiency. New larger 6-by-9-inch official ballot return envelopes include your signature line along with information on ways to return your ballot. A privacy secrecy weave has been embedded directly into your ballot return envelope. When your ballot is placed into the envelope, the privacy weave prevents anyone from seeing how you voted. This change has been approved by the Secretary of State and the U.S. Postal Service. It reflects best practices of Vote-by-Mail and financial institutions to protect your information.

Silver Falls School District
Director, Zone 2

Silver Falls School District
Director, Zone 2

David H Helman

Occupation: Retired
Occupational Background: Programming - GE, Dell, State of Oregon; Teaching - University level philosophy and computer science, Substitute teaching, Middle school math
Educational Background: UC Berkeley, Philosophy, BA; Harvard University, Philosophy, PhD; Portland State University, Computer Science, MS

Prior Governmental Experience: None

We moved to Silverton in 1995. All three of my children have gone through the Silver Falls School District. Now that they have achieved success, I would be honored to serve the community that supported my children. My focus is on:

Safety: Under “provisions for safety” I believe it is important to look at all factors which can interfere with student success. This includes provision for metal detectors, which can provide an inexpensive barrier to tragedy, school resource officers, who can provide a deterrent as well as a visible positive reinforcement to good citizenship, and counselor-supported processes to combat bullying. I think that the best chance for children to be safe is for schools to listen to and respect their parents’ decisions.

Data: We need to effectively use the data we can access and be transparent about the data that is not made available. I have made a living as a programmer for thirty years, and I believe that, with access to school financial data, I can help ask the necessary questions based on data anomalies.

Rural Schools: The history of Silverton education originates with outlying rural schools. There are powerful reasons to preserve these schools: They provide a wonderful education to a diverse group of students. Rural residents rely on the availability of local schools - to close these schools is unfair and a hardship for rural residents. A society that discriminates against its rural residents is not just; equity dictates that elementary education be available reasonably close to the residence of citizens.

I think I can be a force for good in the Silver Falls School District, I hope you will support my candidacy.

Sarah Dalisky

Occupation: Mom, Student Behavior Specialist- David Douglas School District
Occupational Background: Behavior Specialist- Oregon City SD, Student Management Specialist- St. Helens SD, 3-4 Teacher- Silver Crest- Silver Falls SD, Instructional Coach- Classroom Teacher- Salem-Keizer SD

Educational Background: Western Oregon University- BS in Early Childhood/Elementary Education & MS in Education with Reading Endorsement, Willamette University- Writing Certificate, George Fox University- Administrative License

Prior Governmental Experience: None

With 20 years in Silverton, my two children proudly attending SFSD, and a former teacher in the district, I know how dedicated the educators and staff are. With limited resources and uncertain times, they are giving their best selves to our students.

I want to bring my 22 years of experience as an educator to the district and ensure that SFSD has the voice of an experienced educator on the board. I have devoted my life to ensure that all students get the best educational experience, and the students of Silver Falls deserve this as well.

My Priorities:

- **Transparency:** Our recent budget crises once again highlighted the lack of transparency that has plagued this district for years. From unification to bond measures, the community doesn’t trust the district. I will work towards regaining trust with strong communication, transparency in decision making, and working to bring all voices to the table.
- **Accountability:** I will work to hold the district leaders accountable by ensuring there is budget oversight and fiscal responsibility, verifying that the superintendent and staff work within the framework of our district policies, and that the voices and concerns of our educators can be heard without the fear of retaliation.
- **Students First:** All decisions need to be made in the best interest of our students. I am passionate about putting the needs of students before the needs of adults and as a board member, I will filter all decisions through this lens. Sometimes we need to do hard things because it is the right thing for our students.

Silver Falls School District
Director, Zone 4

Silver Falls School District
Director, Zone 4

Kellie King Strawn

Occupation: Mom

Occupational Background: Communications Coordinator, Oklahoma 4-H Program; Marketing and Sales Associate, Stahlbush Island Farms; Quality Assurance and Bookkeeping, Ag Solutions; College of Ag Sciences Leadership Academy Director, Oregon State University; Agricultural Leadership and Communications Instructor, Oregon State University

Educational Background: Oklahoma State University, Agricultural Communications, M.S.; Oregon State University, Agriculture, B.S.; Silvertown High School, Diploma

Prior Governmental Experience: SFSD Budget Committee (appointed 2024)

Growing up in Silvertown, I attended K-12 in the Silver Falls School District and developed important skills that set me on a path for success. High-quality writing instruction in high school sparked a passion for a career in writing and communication. Involvement in FFA, athletics, drama, choir and other extracurricular activities taught me important leadership and life skills that shaped me and laid a foundation for lifelong learning. I want all students in our district, including my own, to have these same opportunities.

As our school district continues to navigate the aftermath of the 2024 financial crisis, I am eager to help us maintain this year's positive momentum. We are on track to start restoring our financial safety net. We are working to bring our curriculum and policies up to date. Soon we can start rebuilding programs and addressing staffing issues as well as critical building needs across the district. This is the time for us to listen to our students, parents, staff and community to develop a clear, purposeful vision and a strategic plan that guides our decision making, so we can ensure a thriving, sustainable future for Silver Falls School District.

I am running for a position on the school board, because I would like to use the critical thinking, creative problem solving, and listening and communication skills I gained throughout my 20-year career, to help us develop that vision with a spirit of collaboration, and pursue it with enthusiasm, wisdom and transparency.

Wally Lierman

Occupation: Farm Owner/ Operator, Safety Consultant

Occupational Background: Project Management (Intel, SSOE Group)

Educational Background: Salem Academy; Chemeketa Community College; George Fox College

Prior Governmental Experience: Central Howell SB 1995-1997; Silver Falls School Board

1997-2017 (Chair 9 years); Oregon Blueberry Commission 2021-Present (chairman)

Our school district has fallen on difficult times over the past few years, in terms of its financial position, student academic performance and being a desirable place of employment. Causes stem from the damaging decisions by our State in response to the pandemic and multiple changes in district leadership. These issues are not unusual in Oregon, but we must do better and rise above that.

Focused on Mission

The district needs to return to its focus of its stated mission of academic growth and have meaningful, intentional decision making around that. It's important that parents are engaged in their child's education, and educational aspirations for their children need to be heard and honored.

Tax Dollar Management

I am committed to valuing our community schools and ensuring that your tax dollars are spent wisely, maximizing the value for our students' education. Clear communication with taxpayers regarding the financial situation is essential. Some significant changes have been made recently, but regular communication is necessary regarding the financial position.

Managing Challenges

Challenges to the school district include declining enrollment, PERS funding, Legislative mandates, employee healthcare costs, older buildings requiring maintenance, continued focus on safety and security, and increasing needs of special needs students. Changes at the Federal level will bring new challenges as the District and State take on changing responsibilities.

Proven Record

I look forward to the opportunity to serve on the school board after being away from it for several years. I bring to the district a proven track record in managing large budgets, making policy, managing people and projects, and identifying and correcting problems. Your vote for me will ensure a voice for prudent use of your tax dollars and a demand for excellence within our classrooms.

52	Official Clackamas County May 20, 2025 Special District Election Voters' Pamphlet

**What if I did not receive a ballot?**

If you do not receive a ballot by May 8, 2025 call Clackamas County Elections at 503-655-8510.

What if I need assistance voting?

Voters with disabilities, or those needing assistance voting in a language other than English, may contact Clackamas County Elections for voter assistance or interpretation services.

What if I make a mistake on my ballot?

You may simply cross out your mistake, write "not this," and circle the intended choice.

What if I change my mind after I have returned my ballot?

As soon as you deposit your ballot in a mailbox or at an official ballot drop site, your ballot has been cast. A new ballot cannot be issued.

Does my ballot have to be returned by mail?

No. You may return your ballot by mail or drop it off at any official ballot drop site in the state.

Do I need a stamp on the envelope to return my ballot?

No, stamps are **NOT** required to mail your ballot back to Clackamas County Elections.

When must my ballot be returned?

If you send your ballot through the U.S. Mail, it must be postmarked by Election Day, Tuesday May 20, or, you can drop off your ballot at any official ballot drop box in Oregon by **8 p.m. on Election Day, Tuesday May 20.**

Where is my secrecy sleeve?

The ballot packet no longer contains an optional secrecy sleeve. That is because you do not need one. Ballot packets have been redesigned to protect privacy, save costs, and improve efficiency. New larger 6-by-9-inch official ballot return envelopes include your signature line along with information on ways to return your ballot. A privacy secrecy weave has been embedded directly into your ballot return envelope. When your ballot is placed into the envelope, the privacy weave prevents anyone from seeing how you voted. This change has been approved by the Secretary of State and the United States Postal Service. It reflects best practices of Vote-by-Mail and financial institutions to protect your information.

When is Clackamas County Elections open on Election Day, May 20?

On Election Day, Clackamas County Elections will open at 7 a.m. and close at 8 p.m. at two voter service locations.

- Clackamas County Elections office at 1710 Red Soils Ct., Suite 100 in Oregon City
- Happy Valley Vote Center inside the Happy Valley Library at 13793 SE Sieben Park Way in Happy Valley.

Voter Registration

To Vote in Oregon, you must be registered in your county of residence.

To register, you must be:

- A US Citizen
- A resident of Oregon
- At least 16 years of age*

*You will not receive a ballot to vote until the election on/after your 18th birthday. You must be registered before the registration deadline to be eligible.

How to Register

1. Online at oregonvotes.gov
2. Mail/Deliver a registration form to:
Clackamas County Elections
1710 Red Soils Court, Suite 100
Oregon City, OR 97045

Registration forms are available:

- Online at oregonvotes.gov
- Any county elections office
- Post offices
- Libraries
- DMV locations

New registrations must be postmarked 21 days before Election Day.

You Must Update Your Registration if:

1. Your residence or mailing address changes
2. Your name changes
3. You wish to change your party affiliation

West Linn-Wilsonville School District Director, Position 1

Mike Selvaggio

Occupation: Communications consultant, public policy analyst

Occupational Background: Substitute K-12 teacher

Educational Background: University of California

Prior Governmental Experience: Chief of Staff, Oregon Senate; Policy Director, State Treasury; County Services Planning Council; Clackamas County Economic

Development Commission; Higher Education Coordinating Commission Student Aid Workgroup; West Linn Police Review Committee

Community Service: West Linn Chamber of Commerce; West Linn Historical Society; Willamette Neighborhood Association

Dear neighbors:

I'm not a Republican or a Democrat. **I'm simply a parent of two wonderful kiddos who, like every child in our school district, deserve a safe, welcoming, and well-resourced place to learn.** Some of the things I want to focus on:

- **Increased investments in career readiness**

In 2016, I led the signature-gathering effort to get Oregon's High School Success Program on the ballot. Since then, career technical education participation has grown over 25% and graduation rates have increased. Let's continue to invest in programs such as the career readiness curriculum at Riverside High School.

- **Forward-looking financial management**

We need to do a better job of mitigating financial crises before they hit, such as re-thinking how the District handles its unemployment liabilities, and focusing on intergovernmental cooperation rather than litigation.

- **Making sure students feel safe and welcomed**

Continue work on the District's existing Equity Plan. The most effective way to improve student wellness is to ensure safe, affirming spaces where students feel welcomed and accepted — particularly those from marginalized communities. Improve appropriate curriculum for students with learning challenges.

As we face significant challenges over the next few years, there will be some tough decisions. I can't promise that we'll always agree. **But I can promise that I'm always willing to hear new ideas and work toward the best environment for our children that we possibly can.**

Endorsed by:

Bringing Vision, Community, and Accountability to Our Schools

As a lifelong West Linn resident, a parent of three children, and an advocate for special education, I am committed to ensuring every child in our district receives the support they need to thrive.

For the past two years, I've actively engaged in PTA/PTSO groups, Special Education Parent Collaboration meetings, and attended school board meetings and work sessions, advocating for a stronger literacy program and improved support systems for all students.

I believe in:

- **Vision:** Safe, inclusive, and innovative schools that provide every child with the resources they need to succeed.
- **Community:** Rebuilding trust through **authentic communication** and **stronger parent-school collaboration**, including reinstating **Site Councils** and a **Special Education Advisory Committee**.
- **Accountability:** Greater transparency in **academic performance data** and **financial stewardship** to ensure high standards and responsible decision-making.

I am ready to ask tough questions, champion student needs, and work tirelessly to make WLWV schools stronger, more inclusive, and better for every child.

I would be honored to earn your vote.

Stronger Schools Through Accountability

This has been a challenging year for our school district community. It began with \$10 million in budget cuts, leaving schools short-staffed and three neighborhood schools at risk of closure. Frog Pond Primary was delayed, and now another \$15 million in cuts are projected for next year. Families and educators are still awaiting clarity on teacher layoffs and what class sizes will look like for our kids. **I believe that fresh, new leadership is needed to navigate these difficult times.**

Like many others, I've stepped up—advocating for state funding, helping relaunch the WLWV Education Foundation, and volunteering to boost enrollment through outreach and awareness. I'm running for school board to ensure **responsible stewardship of our tax dollars and bring leadership that prioritizes students and supports educators and families.**

My Priorities:

Smart Budgeting & Accountability

- Cap administrative spending to direct more funding to classrooms.
- Implement a five-year financial plan for stability.
- Review past spending and create clear policies for school openings or closures.
- Expand revenue through enrollment efforts, grants, and partnerships.

High Academic Standards

- Increase parent engagement.
- Ensure compliance with state standards.
- Expand affordable after-school and summer programs.
- Launch peer mentorships connecting older and younger students.

Engaged Communities

- Support full-service community schools with wraparound services.
- Build partnerships with local businesses and organizations.
- Foster a culture of collaboration, transparency, and inclusion.

Please join local leaders in supporting Christi:

West Linn Mayor Rory Bialostosky
West Linn City Councilors Mary Baumgardner, Carol Bryck, and Kevin Bonnington

A Proven Leader for WLWV Schools

As your School Board Director, I have worked tirelessly to improve our district. If re-elected, I will continue championing:

- Academic Excellence – Improving math, literacy outcomes and growth through real-time assessment data, professional development, phonics-based literacy instructions, and data-driven curriculum.
- Student & School Safety – Addressing critical issues like **Fentanyl awareness, overdose prevention, and mental health** while promoting a safe and inclusive learning environment.
- Financial Stewardship – Offering solutions to **make sure funding is used effectively** to support teachers, counselors, and student success programs.
- Transparency & Community Engagement – Ensuring that everyone has a voice in decision making through listening sessions, open communication, and a **strong partnership with the community**.
- Supporting Educators – Ensuring **teachers receive support, training, and resources** to address disruptions and negative behaviors which in turn, promotes a safe and welcoming environment for student success and well-being.
- Legislative Advocacy – Advocating for **adequate state funding for Special Education**, increasing the special ed cap and fully funding high-cost disabilities.

"Kelly has been instrumental in the successful implementation of NARCAN in our schools, directly addressing the opioid crisis and prioritizing student safety."

Pam Pearce, Community Living Above Founder

"Kelly's commitment to special education support ensures the best outcomes for every student, including those with disabilities."

What if I did not receive a ballot?

If you do not receive a ballot by May 8, 2025 call Clackamas County Elections at 503-655-8510.

What if I need assistance voting?

Voters with disabilities, or those needing assistance voting in a language other than English, may contact Clackamas County Elections for voter assistance or interpretation services.

What if I make a mistake on my ballot?

You may simply cross out your mistake, write "not this," and circle the intended choice.

What if I change my mind after I have returned my ballot?

As soon as you deposit your ballot in a mailbox or at an official ballot drop site, your ballot has been cast. A new ballot cannot be issued.

Does my ballot have to be returned by mail?

No. You may return your ballot by mail or drop it off at any official ballot drop site in the state.

Do I need a stamp on the envelope to return my ballot?

No, stamps are **NOT** required to mail your ballot back to Clackamas County Elections.

When must my ballot be returned?

If you send your ballot through the U.S. Mail, it must be postmarked by Election Day, Tuesday May 20, or, you can drop off your ballot at any official ballot drop box in Oregon by **8 p.m. on Election Day, Tuesday May 20.**

Where is my secrecy sleeve?

The ballot packet no longer contains an optional secrecy sleeve. That is because you do not need one. Ballot packets have been redesigned to protect privacy, save costs, and improve efficiency. New larger 6-by-9-inch official ballot return envelopes include your signature line along with information on ways to return your ballot. A privacy secrecy weave has been embedded directly into your ballot return envelope. When your ballot is placed into the envelope, the privacy weave prevents anyone from seeing how you voted. This change has been approved by the Secretary of State and the United States Postal Service. It reflects best practices of Vote-by-Mail and financial institutions to protect your information.

When is Clackamas County Elections open on Election Day, May 20?

On Election Day, Clackamas County Elections will open at 7 a.m. and close at 8 p.m. at two voter service locations.

- Clackamas County Elections office at 1710 Red Soils Ct., Suite 100 in Oregon City
- Happy Valley Vote Center inside the Happy Valley Library at 13793 SE Sieben Park Way in Happy Valley.

Clackamas County Fire District
Director, Position 2

Clackamas County Fire District
Director, Position 4

Chris Hawes

Occupation: Retired
Occupational Background: Industrial Construction Management
Educational Background: OSU, Mechanical Eng.; Sam Barlow HS, Pre-Eng.
Prior Governmental Experience: Current Board President - Clackamas Fire District #1;

Current Board Chair - Sunrise Water Authority; CFD#1 Civil Service Commission; SWA Budget Committee; C800 Citizens Accountability Committee; City of Damascus Committee for Citizen Involvement

I am running for re-election to the Clackamas Fire District #1 Board of Directors to ensure the Emergency Services our Community receives continue to be both excellent and efficient. CFD#1 faces all the fiscal challenges the future brings, and we must make the most of the resources provided by the **Taxpayers**.

I helped create the **Future Funding Task Force**. Representatives from the board, command staff, and labor began an innovative collaborative effort to evaluate the needs of the organization, possible funding sources, possible operational solutions, and choose a path forward to best serve the community by ensuring fiscal and functional health for CFD#1. The result was the Emergency Services Levy that allows **increased staffing** in strategic areas, **service to two rural areas** never before with **24/7 protection**, and new **Rescue type vehicles** for calls not requiring a full engine company. The improvements in operational readiness, time spent, and wear and tear on the fire engines have been significant.

Clackamas Fire District #1 provides a vital service to the **Community** we share, and I would like to help guide and prepare CFD #1 for the future.

I am humbled and honored to be supported by these Community Leaders:

- Bill Kennemer - State Senator (Former)
- Patrick Sheehan - State Representative (Former)
- Wilda Parks - Milwaukie Mayor (Former)
- Luke Roberts – Gladstone City Councilor
- Jay Cross - CFD#1 Director
- Marilyn Wall – CFD#1 Director
- Jamie Karn - CFD#1 Deputy Chief (Retired)
- Tessah Danel – Clackamas River Water Commissioner
- Wade Hathhorn – Clackamas Community College Director

I ask for your **Trust**, our **Support**, and your **Vote**.
Please Vote for Chris Hawes - Clackamas Fire District#1 Position#2.
Thank You,
Chris Hawes

Jay Cross

Occupation: AMR Multnomah County Part Time; Multnomah County EMS Volunteer
Occupational Background: Gresham Fire & Emergency Services
Educational Background: Western Baptist College, Managment & Communications, BS; Rouge Cummunity College, Fire Science, AS; Phoenix High School, General Studies, Diploma

Prior Governmental Experience: Director, Boring Fire District; Director, Clackamas Fire District; Director, Oregon Fire District Directors Association; Director, National Association of Elected Fire Officials

**Re-Elect Jay Cross
Clackamas County Fire District
Board of Directors**

I have been a resident of Clackamas County for 26 years and have counted it a privilege and honor to serve the people of my community for 8 years as a Board of Director with Clackamas Fire District, currently serving as Board Vice President. I currently represent the Oregon Fire Service as a Director with Oregon Fire District Directors Association and with The National Association of Emergency & Fire Officials.

I am retired from Gresham Fire & Emergency Services and served in the Fire Service, cumulatively for 34 years. I am currently working part time for a local ambulance provider and volunteer with the Oregon Disaster Medical Team.

Clackamas Fire District is experiencing unprecedented increases in call volume, and population growth. As a current Director with Clackamas Fire District, I have proven experience and ability to work through challenges for our county, both big and small. I look forward to continuing to provide clear policy that improves service delivery, financial accountability, and access to services.

The future success of Clackamas Fire District will combine innovation and our continued commitment to quality customer service. I am seeking reelection to continue the great work that Clackamas Fire leadership has been providing for the citizens of Clackamas County for many years.

As your reelected representative I will continue my commitment to increased service, fiscal responsibility, and transparency in governance for all residents of Clackamas Fire District.

Endorsed by:
Chris Hawes Director CFD
Marilyn Wall Director CFD
Thomas Joseph Director CFD
John Kihlstrum

Thank you for your support. I ask for your vote

MBA, Degree

Prior Governmental Experience: None

Dear Community Members,

I am excited to run for the Fire Board Director position #4. My decision to run stems from a deep commitment to bringing my extensive experience and forward-thinking vision to the Colton Fire Board. Since moving to Colton, I have been profoundly inspired by the strong sense of community and the unwavering dedication of our firefighters. Since assuming this role in November 2024, I have been devoted to ensuring our firefighters have the best resources available to protect our community effectively.

With 19 years of experience as a registered nurse, I have consistently prioritized community service. I also possess strong strategic planning, budgeting, and policy development skills, which I believe are essential for the Colton Fire Board. My extensive leadership experience has refined my ability to manage complex budgets, drive operational improvements, and cultivate an inclusive environment.

As a board member, I will provide visionary strategic oversight and collaborate closely with stakeholders to advance the fire department's mission and enhance its impact. I am determined to help the Colton Fire Department thrive and ensure it continues to safeguard our community with excellence.

Thank you for considering my candidacy. I look forward to the opportunity to serve and contribute to the future of our community.

**Hoodland Fire District
Director, Position 2**

Terry Niedermeyer

Occupation: Business Owner

Occupational Background:

Business Manager, Mt. Hood Ski
Patrol 27 years I, Highway 26
Wild Fire Partnership member,
Government Camp CPO member

Educational Background:

University of Oregon, BS Finance.
University of Portland, MBA.
University of Utah, CERT Training.
FEMA Emergency Management

Institute's Professional Development Series. University of Hawaii
National Disaster Preparedness Training Center, Community
Planning for Disaster Recovery.

Prior Governmental Experience: Current Hoodland Fire District #74 Board Member; Hoodland Fire Citizen Committee; Clackamas Emergency Preparedness Council; Government Camp CPO Wildfire Subcommittee.

What I Bring to Hoodland Fire District

With over 30 years of experience in budgeting and financial planning, I bring fiscal responsibility and sound judgment in managing expenses. I have ensured the responsible use of taxpayer dollars. I take that responsibility seriously. Hoodland Fire District has solid financial practices in place, but continued oversight is essential, and I will remain diligent in this role.

Wildfires and Preparedness

The Hoodland Fire District has been proactive in implementing Firewise practices to protect homes and businesses, but challenges remain. Through collaboration with groups like the Highway 26 Wildfire Partnership, we can strengthen community resilience by improving fuel reduction efforts, enhancing emergency access routes, and ensuring homeowners have the resources needed to safeguard their properties. Wildfires are a growing threat, but with coordinated planning and community engagement, we can minimize risks and protect the lives and property of those who call our district home.

I look forward to continuing my work, with other Board members, to spending your tax dollars wisely in meeting the challenges ahead

Terry is endorsed by
Jeff Kohnstamm, Timberline Lodge
Pat Erdenberger, Chair Hoodland Community Planning
Organization
Melinda McCrossen, Timberline Rim HOA Firewise
The Government Camp Community Planning Organization (CPO)
voted unanimously to fully support Terry on the Hoodland Fire
District Board.

Clackamas River Water District

Commissioner, Position 5

Oak Lodge Water Services Authority

Director, Position 1

Robert (Rob) Cummings

Occupation: Retired from an Oregon Public Water Supply Agency.

Occupational Background: Employed by Clackamas River Water for 43 years. Experienced in watershed management; water treatment plant operations management and water distribution. Oregon Heath

Authority Certification as Water Treatment Operator Level 4 and Water Distribution Level 3. Both of these certifications remain active. Previous experience includes manufacturing and related quality inspections; customer order accuracy audits; shipping and material handling; diverse equipment maintenance experience; customer service and communications

Educational Background: Milwaukie High School, Electronics & Science, Diploma; Clackamas Community College, Water Treatment Technology; Linn-Benton Community College, Chemistry, Biology & Electronics; FEMA Incident Command System, Emergency Management

Prior Governmental Experience: Experienced through representing Clackamas River Water in governmental interactions with the Oregon State Health Division; US Environmental Protection Agency; US Geological Survey; Oregon Department of Environmental Quality; Clackamas County Fire District #1; Clackamas County Water & Environmental Services and the Oregon Occupational Safety and Health Administration.

Paul Gornick

Occupation: Retired
Occupational Background: City of Portland, Bridge Projects Manager; Trimet, Structural Quality Control Inspector

Educational Background: Mt Hood CC, Associate of Science Degree, Civil Engineering Technology; Portland State University, Civil Engineering Coursework

Prior Governmental Experience: Oak Lodge Water Services Director (2018-present); North Clackamas County Water Commissioner (2019-Present)

**VOTE Paul Gornick for Director
Oak Lodge Water Services**

The Oak Lodge Water Services Authority now has a secure boundary and customer base, providing certainty in planning our community's needs. Oak Lodge's goal is to cost-effectively provide services to our customers while planning for the future.

I am proud of our accomplishments, and will continue our work in the following areas:

- Maintaining the independence of Oak Lodge Water Services is paramount to effectively serve our customers, who are the ultimate owners of our water and sewer infrastructure.
- Working with our regional water supply partners to assure an adequate supply for our customers as we face the challenge of low stream flows on the Clackamas River.
- Planning for orderly and cost-effective replacement of the district's water and sewer piping (most of which was installed in the 1950's and 1960's) to avoid large jumps in costs for our customers.
- Prioritizing environmental compliance projects assures the treated wastewater discharged to the Willamette River meets increasing federal and state standards.
- Exploring ALL options for funding infrastructure needs, including state and federal grants, and low cost infrastructure loans.
- Continuing stormwater protection to meet the stringent environmental standards of our operating permit. Working with Clackamas County to assure joint responsibilities for surface water facilities are being met.
- Planning for earthquakes, extreme rainfall, and other natural disasters. Continuing district participation in local and regional simulation drills to build needed skills and relationships. Facilitating work with the Community Emergency Response Teams to focus on mitigating disruption in water service during a natural disaster.

VOTE Paul Gornick - OLWS Director
(This information furnished by Paul Gornick)

(This information furnished by Robert (Rob) Cummings)

Oak Lodge Water Services Authority
Director, Position 2

Oak Lodge Water Services Authority
Director, Position 3

Ginny Van Loo

Occupation: Small Business, owner

Occupational Background: Clackamas County Commissioners Office Staff Assistant; Oregon Legislature, Legislative Assistant; Small Business Owner; Oak Lodge Sanitary District Director; Oak Lodge Water Services Authority Director

Educational Background: Portland Community College,

Purchasing, Certificate; Clackamas Comm. College, Real Estate & Contract Law, Certificate; Portland State University, Purchasing Law, Certificate; Tillamook High School, English and Business, Diploma

Prior Governmental Experience: Legislative Assistant; County Commissioner’s Assistant; Oregon State Marine Board Director; Secure Rural Schools Resource advisory committee (Federal)

As a resident of the Oak Grove and Jennings Lodge area since the 60’s, I am totally committed to the health and safety of this area. My family and I are truly grateful to call Jennings Lodge our home.

In the past, we have seen rain, snow and most recently tornado and other weather alerts. It is most comforting to know that our crews and staff are ready for anything that comes their way in emergency situations. I am committed to continuing to support them so we can provide safe, reliable drinking water, continue to protect our public health and provide excellent customer service.

The Sanitary Sewer Master Plan has been completed. Many areas of our district are having laterals replaced or worked on. Our pipes are old and close to reaching their useful life and many are there already. We have a considerable amount of work going now and I am happy to report we are gaining ground.

In my many years of public service, taking care of our citizens has been my number one priority. It is an honor to serve on the Oak Lodge Water Services Authority Board and I am asking you to elect me to another four-year term.

Count on me to continue to be an advocate for all citizens when working with ratepayer dollars and to keep a watchful eye on spending.

Please Vote for Ginny Van Loo, Oak Lodge Water Services Director Position #2

Kevin Williams

Occupation: Retired

Occupational Background: Sewer and Stormwater Collections Systems Management, City of Portland P.B.O.T.

Educational Background: Portland Community College, Psychology/ criminal Justice, None

Prior Governmental Experience: OLSD Budget Committee; OLWSD Director; North Clackamas County

Water Commission Commissioner; Regional Water Providers Consortium Executive Committee

In support of my candidacy I have over 32 years of experience managing and maintaining public works infrastructure including roads sanitary sewer and stormwater facilities. I have served this community for the past eight years as a Director on the Board of the Oak Lodge Water Services District. Prior to that I served on the O.L.S.D. Board for nearly eight months and two years on the O.L.S.D. Budget committee.

I am proud of the fact that I have been able to serve this community through the process of consolidating the previous Sewer and Water Districts into one entity. The Board has worked well as a team identifying many areas for improvement and supported staff in achieving many of those suggestions to match our goal of providing the most cost efficient services that we can.

- I have some very specific goals for the water authority;
1. Establishment of long term financial planning.
 2. Support district staff in our efforts to fully implement capital improvement plans.
 3. Continue to strongly advocate and support emergency planning efforts within the organization, including training for staff, participation in regional drills to hone their skills and development of goal oriented emergency plans.
 4. Work towards securing a secondary source of potable water.
 5. I will work to insure that we meet or exceed all of our environmental compliance requirements.

I want you to know that I am an honest and ethical person and will always perform the Director duties with your best interests in mind. I am proud to serve this community on the board and I am asking you for your vote.

**Palatine Hill Water District
Commissioner, Position 2**

**Rivergrove Water District
Commissioner, Position 5**

Boone Scholibo

Occupation: Business Owner

Occupational Background: I own a generational local family business that has served our community for 42 years. With over 100 employees and multiple locations, I have hands-on experience in operations, finance, human resources, and real estate.

Educational Background: Finance degree from the McLaren School of Business at the University of San Francisco.

Prior Governmental Experience: None

I believe I would be a strong candidate for the Palatine Hill Water District due to my dedication to service, problem-solving skills, and commitment to sustainability. I understand the importance of providing clean, safe water to the community, and I am eager to contribute my abilities to ensure that the water needs of Palatine residents are met efficiently and responsibly. My business background has given me a solid foundation in technical problem-solving and communication, which I believe are key to navigating the challenges that come with managing water resources. I am proud to have deep-rooted ties to this community that span generations. My wife and I are raising our four children right here in the Dunthorpe neighborhood.

Additionally, I am passionate about continuous improvement and am always looking for ways to optimize processes and make them more sustainable. I am committed to working collaboratively with the team at Palatine Hill Water District to find innovative solutions that benefit both the community and the environment. My attention to detail, strong work ethic, and ability to adapt to new challenges would allow me to contribute meaningfully to the success of the district. I would be honored to have your vote.

Christine K Roth

Occupation: Retired

Occupational Background: Clackamas County Public & Governmental Affairs

Educational Background: Univ Texas San Antonio, Business Mgt., BBA

Prior Governmental Experience: Rivergrove Water District Board of Commissioner

As a 36-year resident of Rivergrove Water District and elected board member, my goal has been to ensure our customers have clean, safe, reliable and fairly priced water. Over the past few years things have changed. We are likely to continue to have infill growth, and the district needs to continue work with Lake Oswego and Clackamas County.

- I will continue to accomplish these goals by:
- Being financially responsible
 - Maintaining and upgrading district facilities
 - Replacing outdated asbestos cement water pipes
 - Hiring qualified, well trained staff
 - Maintaining open communications with customers
 - Communicating and cooperating with other governmental agencies
 - Implementing conservation and protections of our water source

I appreciate your past support and ask you to re-elect me to Commissioner Position 5, Rivergrove Water District.

Prior Governmental Experience: Volunteer, Gresham Parks & Recreation council

I have been serving as a temporary board member since 2024.

I've spent the last year learning the ins and outs of our water district and my priorities are the same as yours - clean, flowing water coming out of our taps and quick response to any disruptions.

I look forward to a full term of working with my fellow board members to keep our water the best tasting in the country, our regulatory requirements met, and our budget healthy.

Voting Tips

Your Vote Counts!

Make sure your voice is heard by voting in the May 20, 2025 Special District Election.

Make a plan to vote.

- **Do you know where you will receive your ballot?** Is your registration up-to-date?
- **When will you vote?** Ballots are mailed to voters April 30 and are due Election Day, May. 20, 2025 by 8 p.m.
- **How will you return your ballot?**
 - By Mail** - Must be postmarked by Election Day, May. 20. No stamp required.
 - By Official Ballot Drop Box** - Must be deposited by 8 p.m. on Election Day, May. 20.

Don't forget to sign!

Your ballot cannot be counted if you do not sign the return envelope. Every signature is checked against the registration signature on file and the signature must match for the ballot to be verified and counted.

City of Gladstone
Measure 3-623

The full text of this measure is available online at www.clackamas.us/elections. Copies are available at the clerk's office.

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Charter Approval to Sell or Lease Old Library Property

Question: Shall Gladstone be permitted to sell or lease the old library property after community input if a development opportunity arises?

Summary: Gladstone owns the old library property (135 E. Dartmouth), which is no longer needed for library purposes. The City would like to redevelop the property into another unknown use, which could potentially require a sale or lease.

Although not used as a park, the property is zoned in an area where park use is permissible. Because of this, the Charter prohibits the City from selling or leasing the property without voter approval.

If approved, this measure would authorize the City to sell or lease the property if a sale or lease is required for the chosen redevelopment plan. This approval is contingent on the City providing an opportunity for public input before Council approves any sale or lease.

At this time, there are no specific redevelopment plans for the property. The City seeks voter approval to allow for flexibility in planning for redevelopment and to take advantage of opportunities that may arise between election cycles. The City intends to engage in community outreach to formulate ideas for redevelopment, which could include public or private uses.

sell or lease the property, but the Council believes having flexibility to do so would be in the best interests of the community, as it will allow the City to negotiate and finalize a redevelopment opportunity with greater certainty, if that is the path decided upon after community engagement.

EXPLANATORY STATEMENT

The City owns property at 135 E. Dartmouth, which is the location of the old library. With the construction and the opening of the new library at 525 Portland Avenue, the old library property is no longer needed for library use and is sitting vacant. Even though the property is vacant, the City must still spend money to maintain the building and surrounding property. For these reasons, the City is seeking to repurpose or redevelop the property.

The City has yet to determine how the property should be used in the future. There are multiple options to consider, including keeping the property under city ownership or selling or leasing all or a portion of it to another party. Under the zoning code, potential uses could include, among others, retail and service businesses, hotels, eating or drinking establishments, medical clinics, housing, government offices, or community service facilities. The City plans to engage in a discussion with the public about what use might best benefit the community and then take steps to implement that use.

Charter section 42 requires voter approval before the City may sell or lease certain property. Section 42 applies to any city-owned property in Gladstone that allows either outright, or as a conditional use, or as an accessory use a "park," "open space," "green space," wildlife habitat," "natural area," or "wetland". The old library property is zoned C-2, Community Commercial, which permits a "park" as an outright use of the property. Therefore, the property may not be sold or leased without voter approval, even though it is not currently being used as a park.

So, in addition to community engagement and conducting due diligence on potential new uses for the property, the City must also receive voter approval if a future use would require selling or leasing all or a portion of the property. If approved, this measure would grant such authority, contingent upon the City providing an opportunity for public input before Council approves any sale or lease.

The City is seeking approval now, even though a specific use has not been decided upon, so that it is prepared to take advantage of any opportunities that arise between May and November election dates. The City has not decided to actually

NO ARGUMENTS IN FAVOR/OPPOSITION TO THIS
MEASURE WERE FILED

Mt. Hood Community College Measure 26-258

The full text of this measure is available online at www.clackamas.us/elections. Copies are available at the clerk's office.

REFERRED TO THE PEOPLE BY THE DISTRICT BOARD

Bonds updating career education, increasing safety, security; repairing aging facilities.

Question: Shall College update vocational facilities; improve accessibility, safety, security; repair buildings; issue \$136.445 million in bonds; citizen oversight, audits required?

If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: Mt. Hood Community College seeks approval for bonds in a maximum principal amount of \$136.445 million to finance capital costs, including:

Expanding Career Education Facilities & Meeting Growing Demand

- Repurpose existing space to create Center for Health Professions training health care professionals such as nurses, surgical technicians, respiratory therapists, and mental health counselors.
- Renovate classroom technology to serve online and hybrid learning.

Improving Community Access

- Community pool improvements, including a retractable pool cover for year-round use, increasing opportunities for community use such as swim lessons and local events.
- Increased accessibility.

Securing Campus

- Enhancing safety with improved lockdown capabilities, fire, seismic retrofits.

Repairing Aging Facilities

- Updating aging systems in 1970's era buildings, including roofs, siding, flooring, HVAC and electrical.
- Site improvements, demolition, furnishings, equipment, issuance costs.
- State expected to provide \$8 million in matching funds.

Bonds may be issued in multiple series, maturing within 21 years from issuance. Levy rate estimated at \$0.25 per \$1,000 assessed value. Actual levy rates may differ due to changes in interest rates at issuance or assessed property value.

EXPLANATORY STATEMENT

Established in 1966, Mt. Hood Community College (MHCC) serves 18,000 students across 3 campuses stretching from Government Camp to East Portland and everything in between—Sandy, Corbett, Gresham, Fairview, Wood Village and Troutdale.

HOW MHCC CURRENTLY SERVES OUR COMMUNITY:

Meeting Regional Needs

In the past five years, MHCC has trained nearly 1,000 healthcare professionals and provided 60,000+ student volunteer hours to local hospitals and clinics.

Contributions to Local Economy

MHCC alumni contribute over \$350 million annually to the local economy in East Multnomah and Clackamas Counties.

Powering Our Workforce

MHCC is a provider of job training, supporting careers in healthcare, emergency response, education, skilled trades, small business, and more.

Financial Stewardship

As the only Oregon public college to receive the Government Financial Officers Association's Triple Crown Award, which includes producing annual comprehensive financial reports that evidence transparency, MHCC is committed to responsible management of taxpayer dollars.

THE COLLEGE SEEKS COMMUNITY SUPPORT TO IMPROVE AND EXPAND FACILITIES

The MHCC Board of Education seeks voter approval of a \$136.445 million general obligation bond to address critical capital needs, expand career training opportunities, and improve campus infrastructure.

STATE MATCHING FUNDS AVAILABLE

MHCC anticipates receiving at least \$8 million in matching funds to offset costs from the State of Oregon. These funds are contingent upon the passage of this bond.

WHY IS THE COLLEGE PROPOSING THIS MEASURE?

MHCC has identified key priorities to improve educational facilities, expand career training, and enhance campus safety:

Expanding Career Education Facilities & Meeting Workforce Demand

- Repurposing existing spaces to create a **Center for Health Professions**, training healthcare professionals such as nurses, surgical technicians, respiratory therapists, and mental health counselors.
- Upgrading classroom technology to support online and hybrid learning.

Improving Community Access

- Renovating the **community pool**, including installing a retractable cover for year-round use, increasing opportunities for community events, swim lessons, and recreation.
- Improving campus accessibility for individuals with disabilities.

Enhancing Campus Safety and Security

- Upgrading safety measures, including enhanced **lockdown capabilities**, fire safety systems, and seismic retrofits to protect students and staff.

Repairing and Upgrading Aging Facilities

- Addressing infrastructure needs in **1970s-era buildings**, including repairs to roofs, siding, flooring, heating, ventilation, air conditioning (HVAC), and electrical systems.

Additional capital costs covered by the bond include:

- Site improvements, demolition, furnishings, and equipment.
- Costs associated with bond issuance.

COMMUNITY OVERSIGHT AND USE OF FUNDS

If the measure passes, the MHCC Board of Education will oversee the bond's implementation to ensure all funds are used for voter-approved projects. An independent oversight committee will provide additional accountability and transparency.

BOND FUNDS CAN ONLY BE USED FOR VOTER-APPROVED PROJECTS

By law, bond funds can only be spent on capital improvements outlined in the measure. Funds **cannot** be used for faculty salaries or operational expenses.

FINANCIAL IMPACT

- Bonds will be issued in one or more series and will mature within **21 years** from issuance.
- Estimated levy rate: **\$0.25 per \$1,000 of assessed property value.**
- The actual tax rate may vary based on interest rates and assessed property values.

NO ARGUMENTS IN OPPOSITION TO THIS MEASURE WERE FILED

Mt. Hood Community College Measure 26-258

ARGUMENT IN FAVOR:

Mt. Hood Community College Board of Education and Community Members Urges you to vote YES!

The Bond Makes Critical Repairs and Upgrades Learning Spaces:

- Establishing a Center for Health Care Professionals
- Modernizing Science Labs
- Updating learning spaces to accommodate hybrid and online learning needs
- Renovating classrooms and study spaces
- Replacing outdated HVAC to improve air quality and energy efficiency
- Improving aging computer labs and networks
- Improving safety and security for all campuses

The Bond Establishes a Center for Health Care:

- Renovation plans for the Bond will repurpose an existing building to establish a Center for Health Professions.
- The Bond prioritizes some of the most in-demand programs, including Nursing and EMT.

The Bond Improves Campus Safety and Security:

- Improves Lockdown Capability, Fire Safety and Seismic Retrofitting.

The Bond Upgrades Athletic and Community Pool:

- Pool upgrades include a new cover to open year-round access to the 50-meter pool allowing for swim lessons, expanded pool events and competitions, which drives business to East County.

The Bond Expands ADA Accessibility:

- ADA improvements including improved elevators and restrooms throughout campus will expand access for all students.

Your YES Vote Assures that MHCC Can Serve Our Region Today and into the Future.

- **MHCC Board of Education:** Diane McKeel, Andrew Speer, Marie Teune, ShaToyia Bentley, Diane Cordero de Noriega, Annette Mattson, and Dana Stroud
- **Multi-Industry Community Leaders:** Dan Malinaric, Sue O'Halloran, Doug Walker, Bess Wills, Pualani Derman, Jennifer Boehmer, Dawn Loomis, and John Hasegawa

Mt. Hood Community College Measure 26-258

ARGUMENT IN FAVOR:

Clackamas County Leaders & Elected Officials Unite to Support MHCC Bond 26-258.

Clackamas County Leaders from Happy Valley to Sandy to Government Camp strongly support the Mt. Hood Community College Bond Measure 26-258. We have prepared this open letter to the community to ask for your support to **VOTE YES** for vital education in our region!

Mt. Hood Community College provides key educational opportunities to Clackamas County, and is your designated community college for many in the county. The college provides your local students with affordable, high-quality education and career training that bring jobs to our area. The MHCC Bond will renovate and upgrade learning spaces, expand job training programs and improve community access to the campus.

The bond is highly cost effective, focusing only on essential improvements. This efficiency results in a low bond cost of about \$5 per month or \$60 a year for the district's average assessed home value.

Critical Campus Improvements Include:

- Establishing a Center for Health Care Professionals
- Modernizing Science and Computer Labs
- Improving Safety and Security of the Campus
- Replacing HVAC to improve Air Quality and Energy Efficiency
- Pool Upgrades with New Retractable Pool Cover
- ADA Improvements to Expand Access to those with Disabilities

Keep our community well educated and competitive for a positive future!

-Congresswoman Maxine Dexter, Oregon
Congressional District 3
-Kayse Jama, State Senator
-Lynn Peterson, Metro Council President
-Marie Teune, Oregon Trail SD Board
-Kathleen Walker, Sandy Mayor
-Tom Ellis, Happy Valley Mayor
-Martha Schrader, Clackamas County Commissioner

**Mt. Hood Community College
Measure 26-258**

ARGUMENT IN FAVOR:

Chamber of Commerce Business Leaders Support Mt. Hood Community College Bond

Strong Community College = A Strong Economy

Join Chamber of Commerce Business Leaders in strong support of MHCC bond measure 26-258. **Investing in our community college is an investment in our workforce, economy, and future prosperity.** MHCC alumni working in the region contribute over \$350 million annually to local economic activity. This bond measure will fund much-needed facility upgrades, expand workforce training programs, and ensure students have access to modern technology and resources that will continue growth and development for a future of opportunity in our region, prioritizing in-demand workforce fields such as healthcare, technology, early childhood education, business, and numerous trades.

This bond measure is a **smart and responsible investment** with strong fiscal oversight. MHCC has demonstrated consistent financial stewardship. It is the only college in Oregon to be awarded the prestigious Triple Crown Award for financial excellence, which shows strong evidence of the competent fiscal oversight. The bond focuses only on essential improvements and is highly efficient, resulting in the low cost of about \$5 per month for average district homeowners (25 cents per \$1,000 of assessed value). Your taxpayer dollars will be competently managed, stay local, and benefit businesses, workers, and students alike.

As Business Leaders, we encourage you to vote YES on Measure 26-258 to support quality education, economic growth, and a thriving local workforce.

-The Gresham Chamber of Commerce

**Mt. Hood Community College
Measure 26-258**

ARGUMENT IN FAVOR:

The MHCC Family of Faculty, Staff, and Students - Urges you to Listen to Those Who Know Our College Best!

The Mt. Hood Community College Faculty, Staff, Students and Alumni have joined together in supporting Measure 26-258 as the best way to facilitate economic and individual prosperity.

MHCC Faculty Member Francisco Graciani Describes Facility Upgrade Needs:

"I am emboldened to join this bond push first and foremost to address the conditions of my classrooms. The rooms are atrocious in terms of supporting student success and fostering a successful learning environment. The room is a hazard to students as we've had wooden pilings and ceiling tiles fall during class. I feel like my room is a microcosm for the state of disrepair a lot of the campus has fallen into and can hopefully be addressed with the bond passage. **The bond is imperative to promoting student success on campus."**

Faculty, Staff and Administration at Mt. Hood Community College have joined together in supporting Measure 26-258:

- **MHCC Full time Association**
- **MHCC Part-time Faculty and Tutor Association Steering Committee**
- **Associated Students of Mt Hood Community College**

Leadership, Faculty, Staff and Students:

Jennifer Boehmer, Tina Redd, Traci Simmons, Dr. Peter Szucs, Dawn Loomis, Doctor Ayeliya, John Hasegawa, Marilyn Pitts, Kaisa Larson, Lisa Rye, Amanda Haight, Marguerite Holt, Paulani Derman, Fransico Graciani, Holly D. DeGrow, Sarah Chieko Hunter, Catherine Creech, Bernard Grysen, Jason Pinkerton, Sare E. Williams, Fatima Preciado, Mary Clayton, Nell Hart, Colby Sunderland, Eric Manazans, Cindy Booker, Wayne Feagle, Cherilyn Nederhisher, Andrew Gonzalez, Charles Wainaina, Nbaa Jaffar, Khrysta Annabelle Kinsman, Anthony Petrucelli, Judianne Charman, Pamela Shields

**Mt. Hood Community College
Measure 26-258**

ARGUMENT IN FAVOR:

Community members far and wide urge you to vote YES on Measure 26-258!

As Community Organizations, Former Educators, Parents, and Retired Leaders -

We support this bond for this generation and the ones to come. We know that funding education is everyone's responsibility, regardless if we have students at the community college. We have to invest in our next workforce in order to have a vibrant and prosperous community.

Invest in our Communities' only Olympic Sized Pool:

Mt. Hood Community College has the only olympic-sized pool in the Northwest. This bond will prioritize a permanent, retractable pool cover, allowing year-round use of the 50-meter pool. This means the aquatic center can host regional year-round swim meets and the Mt. Hood region can draw thousands of tourists increasing local business revenue.

Invest in Workforce Training:

With our fast paced world, our community needs students to be learning with up-to-date medical and scientific technology. This bond prioritizes in-demand workforce training for fields such as healthcare, construction, and data science.

Invest in a College for All:

This bond addresses urgent technology needs. When passed, it will fund technological renovations to serve remote and online learners, allowing more students to attend college. It will improve campus accessibility allowing all students, staff and community members to visit the three campuses.

Community members and organizations all agree this bond is not just for the students, it is for everyone.

We encourage a YES vote on Measure 26-258.

**Mt. Hood Community College
Measure 26-258**

ARGUMENT IN FAVOR:

Regional Health Care Agencies Vote YES for Measure 26-258

The Bond will fill a critical shortage in local health professions.

Healthcare professionals, students studying medicine, and local hospitals all strongly encourage a yes vote on Measure 26-258 to pass a bond to support utilizing an existing building MHCC establishing a Center for Health Care Professionals. The center will provide up to date technology to train students on modern equipment by repurposing existing space.

Our region is facing a critical shortage of trained health care workers, from nurses, paramedics, CNAs, medical assistants, and technicians. This shortage directly impacts patient care, leading to longer wait times, provider burnout, and gaps in essential services. Investing in the Center for Health Care Professionals is a proactive and necessary step to address this challenge.

Measure 26-258 is not just about education, it's about supporting public health, economic growth and community well-being. By developing a pipeline of well trained healthcare workers locally, we keep talent in our region, create stable, well-paying jobs and improve access to quality care for all residents.

Vote YES on Measure 26-258 to support the future of our healthcare workforce. The health of our families, friends and neighbors depends on your vote.

**Mt. Hood Community College
Measure 26-258**

ARGUMENT IN FAVOR:

A Great Community College = Better Real Estate

Join Real Estate Professionals in Voting YES for Measure 26-258

Community colleges add undeniable value to local real estate markets, boosting property values, and stimulating the local economy.

Passing this bond will protect property values, enhance the workforce, support a more vibrant community, and expand access to MHCC resources for the entire community.

- **Stable property values:** Quality education often strengthens the value of your home investment, which is very important for fixed incomes.
- **Employment generation:** People want to live and work in their community. This bond builds employment opportunities and the workforce in our local area.
- **Access to resources:** Campus improvements will lead to better access to community resources such as the MHCC pool and athletic facilities, as well as lifelong learning.
- **Energy efficiency savings:** Investments in school energy efficiency leads to long-term savings, potentially lowering overall district expenses in the long term.
- **Shared responsibility:** Funding education is a shared community responsibility. It ensures that all people have access to quality education, which will have a lasting impact on the Mt. Hood District as a whole.

Please join East County Real Estate Professionals in voting YES on Measure 26-258.

**Mt. Hood Community College
Measure 26-258**

ARGUMENT IN FAVOR:

Securing Our Campus Against the Unthinkable, but Real Threats

Join Fire and Police Leaders to Vote YES to Protect Students and MHCC.

Public Safety professionals know we must keep students, faculty, and staff safe. Security related incidents and natural disasters have increased nationwide, and our campus must be more secure to ensure the physical safety of our students and community members. We need to protect against emergencies like an active shooter situation, serious earthquake or fire.

The MHCC bond makes critical investment in safety and security on all three campuses:

- Lockdown abilities with new interior door access controls
- Increased coverage of security cameras
- Improved fire safety
- Seismic retrofitting in the event of an earthquake

Measure 26-258 will fund all three campuses with these life saving strategies.

Vote YES for Measure 26-258 to keep our students, faculty and staff safe and secure.

- Travis Gullberg, Gresham Chief of Police
- Michael L. McKeel, Chairman Multnomah County Fire District #10
- Thomas Slyter, Former Deputy Sheriff

Gladstone School District

Measure 3-624

The full text of this measure is available online at www.clackamas.us/elections. Copies are available at the clerk's office.

REFERRED TO THE PEOPLE BY THE DISTRICT BOARD

Bonds to Increase Safety, Security, and Update and Repair Facilities

Question: Shall Gladstone School District issue \$70 million principal amount of bonds; receive \$6 million state grant? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: If measure passes, the district will receive \$6 million in state matching funds.

Measure would finance capital costs, including:

- Safety and Security: Secure entries, office safety, updated security systems, ADA upgrades, structural and seismic improvements, and fire life safety replacements.
- Critical Repairs and Upgrades: Roofing, plumbing, HVAC, and electrical systems; building exteriors, site repairs and improvements.
- Educational Enhancements: Improving facilities for Career and Technical programs, science lab updates, classroom technology improvements.
- Recreation and Athletics: Athletic facilities and playground improvements.
- Other Projects: Cafeteria upgrades, modular removal, and furniture replacement.

The bond aims to address aging infrastructure, improve safety, and enhance learning environments districtwide.

Bonds may be issued in multiple series, each maturing within 21 years of issuance. Current bond levy rate to remain at estimated \$4.30/\$1,000 of assessed value; when existing bonds expire in 2027 bond levy rate will drop to an estimated \$3.99/\$1,000. Actual bond levy rates may differ depending on interest rates, changes in property value.

- accommodate current educational technology.
- Remove deteriorating portable buildings.
- Classroom Furniture: Replace outdated or damaged furniture.
- Career and Technical Education (CTE) Program: Renovate CTE classrooms.

Financial Details

If approved, the bonds are expected to be sold in two phases:

1. First Sale: \$6 million in bonds expected to be issued immediately following the election. These funds, combined with the \$6 million state grant, would address \$12 million in urgent critical repairs before the current 2006 bond expires in 2027.
2. Second Sale: After the 2006 bond expires in 2027, the district expects to issue the remaining \$64 million in bonds to fund additional critical updates, safety and security enhancements, and Career and Technical Education projects.

2025-2027 Estimated District Bond Levy Rates if measure passes: \$4.30/\$1,000 of assessed value

2028-2047 Estimated District Bond Levy Rate if measure passes: \$3.99/\$1,000 of assessed value

District Bond Rate if measure fails: \$0.00 (starting in 2028 and no projects will be completed)

Actual District Bond Levy Rates may differ depending on final interest rates, changes in property value.

Conclusion

Approving this bond will enable the Gladstone School District to address critical facility needs, enhance educational opportunities, and ensure a safe and conducive learning environment for all students. The proposed projects are designed to maintain and update schools.

EXPLANATORY STATEMENT

The Gladstone School District proposes a \$70 million general obligation bond to update and maintain educational facilities for students and staff. The district would receive a \$6 million matching grant from the state of Oregon only if the measure is passed by voters.

Background

In 2006, voters passed a general obligation bond that funded critical repairs, the renovation of the Center for Children and Families, and the construction of Career and Technical Education facilities at Gladstone High School. That bond is set to expire in 2027. A comprehensive facilities assessment and community engagement sessions have identified facility needs.

Planned Projects

- Safety and Security: Update security systems and renovate entryways to create controlled and secure access.
- Roofing: Repair and replace roofs to prevent water intrusion.
- ADA Compliance: Update facilities to meet current accessibility standards.
- HVAC Systems: Replace boilers and update heating, ventilation, and air conditioning for upgraded climate control.
- Fire Life Safety: Install fire safety panels that meet current safety codes.
- Structural and Seismic: Reinforce structures to withstand seismic events.
- Plumbing: Update plumbing systems to prevent leaks and improve water quality.
- Athletic Facilities: Update athletic and physical education spaces.
- Electrical Systems: Upgrade electrical infrastructure to

NO ARGUMENTS IN OPPOSITION TO THIS MEASURE WERE FILED

**Gladstone School District
Measure 3-624**

ARGUMENT IN FAVOR:

Vote YES on 3-624 to improve child safety, Career/ Technical classrooms, and roofs

We volunteer in Gladstone schools and have seen first-hand the urgent need to upgrade our school buildings. This bond will:

- **fix leaky roofs**
- **update erratic heating/cooling systems**
- **extend classroom Wi-Fi access**
- **upgrade fire and intruder life safety & security systems**

As homeowners, we know aging buildings built in the 1960s need critical renovations and updates to remain useful and protect our long-term investment. The school bond will:

- **reinforce school buildings for earthquake preparedness**
- **update athletic & P.E. facilities**
- **prevent leaks and improve school water quality**
- **update Career/Technical classrooms**

Each Gladstone student will benefit from these bond projects. These children are the future of our community. They deserve safe, well-maintained, functional school buildings so they can focus on learning and prepare to be tomorrow's workers and leaders.

As Gladstone school volunteers, we urge you to VOTE YES on Measure 3-624.

When this measure passes, the tax rate will remain the same for 2 years, then drop starting in 2028.

(This information furnished by Leslie Robinette)

**Gladstone School District
Measure 3-624**

ARGUMENT IN FAVOR:

Vote YES on Measure 3-624!

As School Board Members, we are united in support and urge you to vote YES for Gladstone Schools' future.

Without increasing current tax rates for local homeowners, the Gladstone School Bond Measure will:

• Upgrade and Make Critical Repairs to Failing Infrastructure

- Repair and replace roofs to prevent water intrusion
- Update plumbing to prevent leaks and water quality
- Replace boilers and update heating, ventilations, and air conditioning
- Reinforce structures to withstand seismic events
- Update facilities to meet accessibility standards

• Keep Our Students and Staff Safe

- Update security systems and renovate entryways to create control and secure access
- Install fire safety panels that meet safety codes

• Enhance Educational Opportunities

- Improve facilities for Career and Technical programs
- Upgrade science labs
- Update classroom technology

With the passing of Measure 3-624, Gladstone Schools will receive \$6 million in additional state matching funds. If this measure does not pass, this money is NOT guaranteed in the future.

This bond measure is an investment for today and a commitment to our community's future. Strong schools are essential for a strong community. By voting YES, you help build a brighter, safer, and more prosperous future for our students and community.

Gladstone School District
Measure 3-624

ARGUMENT IN FAVOR:

Gladstone Parents and Educators Vote YES to Measure 3-624

As parents and educators in Gladstone, we urge voters to support the Gladstone School Bond Measure. Here is why:

Critical Infrastructure Upgrades

Our schools require urgent repairs and modernization. This bond measure will fund critical upgrades to our school buildings including roof repairs, updates to plumbing, replacing boilers, and updating HVAC systems. These updates are necessary to keep our children warm, safe, and dry.

Enhanced Safety Updates

We need to protect against emergencies like an active shooter situation, fire, or earthquake. This bond will update security systems and renovate entryways to create controlled and secure access, install fire safety panels that meet safety codes, and make crucial seismic updates in the event of an earthquake.

Investment in Career Technical Education (CTE)

Investing in career technical education is an investment in our future workforce. The bond allocates funds to upgrade CTE programs, ensuring that our students have access to improved facilities and updated classroom technology.

Investing in Our Schools Is Investing in Our Community

Voting yes for the bond measure will improve outdoor areas, including athletic fields, which will benefit not only our students but the entire community by providing updated spaces for recreation and community activities.

Measure 3-624 will not raise tax rates for homeowners. An added benefit is that our school district stands to receive \$6 million in matching funds from the state if the bond is passed—a significant boost that won't be available if the bond fails.

By voting for Measure 3-624, you are ensuring that our children have access to better educational facilities and opportunities. Please join us in voting YES.

Gladstone School District
Measure 3-624

ARGUMENT IN FAVOR:

Vote YES on the Gladstone School District Bond

Ensure safer, stronger schools and better learning environments for our students.

“Won’t this increase taxes?”

NO, this is **NOT A TAX INCREASE**. This measure continues **EXISTING BOND** funding at the current rate of \$4.30 per \$1,000 of assessed value until 2027, after which it will drop to an estimated \$3.99 per \$1,000. Investing now reduces the need for costlier emergency repairs later. (Remember, your assessed value is usually much lower than your home’s actual value)

“Why should I care about school funding? I don’t have young children.”

Having safe and successful schools benefits the whole community.

- **Protecting Property Values:** Quality schools are a major factor in maintaining and increasing property values. Even if you don’t have children, strong schools make neighborhoods more desirable, benefiting homeowners when it’s time to sell.
- **Strengthening the Local Economy:** Good schools help produce a well-educated workforce, attracting businesses and encouraging economic growth. Thriving local economies create job opportunities and support small businesses.
- **Community Safety and Stability:** Schools provide students with opportunities, reducing the likelihood of crime and social issues. Communities with strong schools tend to have lower crime rates and greater community engagement.

This bond measure, combined with a matching \$6M state grant, will fund critical repairs and essential upgrades **without increasing the current tax rate**. Failing to pass this bond will slash school funding and lose \$6M in state money for our local schools.

The bond addresses aging infrastructure, security upgrades, and ADA compliance while ensuring accountability through transparent oversight. Our 2006 bond successfully delivered on its promises, and this new measure builds on that progress.

By investing in career/technical education, science labs, and technology updates, we prepare students for future careers while protecting property values and supporting our local economy.

Vote YES for safe, strong schools in Gladstone—a responsible investment for a brighter tomorrow!

Submitted by Cierra Cook- parent, small business owner, and former Gladstone City Councilor.

Gladstone School District Measure 3-624

ARGUMENT IN FAVOR:

Make our schools safe and secure – Vote YES to renew the Gladstone Schools Bond

Measure 3-624 is our chance to stand up for our community and support public education.

As one of your local elected officials who also works with students across the region, I regularly hear from families concerned about our community schools. Schools are the heart of our community, and every student should have a safe and healthy place to learn. Schools are a critical community gathering space for sports, after school activities, and other programs that support the growth and development of our youth.

Gladstone school district has proven to be a responsible steward of public resources and has delivered on the promises of the 2006 bond. Generations have benefited from our schools and we must plan for the generations still to come.

A YES vote on 3-624 will:

- **Update security systems and renovate entryways to create controlled and secure access:** This includes adding vestibules that will make it more difficult to gain unlawful entry to our schools.
- **Install fire safety panels that meet safety codes:** This past summer, the fire safety panel at John Wetten Elementary stopped functioning. To remain in code, school officials were required to patrol the property 24 hours/day until the outdated panel could be fixed.
- **Seismic Updates and Climate Control:** This bond will pay to reinforce structures to withstand large earthquake events, as well as HVAC and other critical systems that keep our buildings safe and accessible for students.
- **Renew our investment in public education – without raising tax rates.**
- **Enhance learning spaces for Career and Technical Education.**

If Measure 3-624 passes in May, Gladstone Schools will receive \$6 million in additional state matching funds. If this measure does not pass, this money is NOT guaranteed in the future.

Measure 3-624 is an investment in Gladstone's — and our region's — future. By voting yes, you are helping to create a safer environment for our community.

Portland School District Measure 26-259

REFERRED TO THE PEOPLE BY THE DISTRICT BOARD

Bonds to Improve Health, Safety, and Learning; Modernize, Repair Schools

Question: Shall Portland Public Schools repair, modernize schools; increase health, safety; by issuing bonds estimated to maintain current tax rate?

If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: Measure authorizes up to \$1.83 billion in principal amount of general obligation bonds for facilities and education investments.

If approved, this measure would finance capital costs, including:

Update, Repair Aging Elementary and Middle Schools:

- Update/replace major building systems, including roofs, siding, heating/cooling

Make Schools Safe and Secure:

- Update safety, security systems
- Seismic upgrades

Modernize, Improve Educational Materials, Technology and Schools:

- Renovate/replace schools, including Cleveland, Ida B. Wells (formerly Wilson)
- Upgrade curriculum materials, technology, including student devices

Increase Extracurricular Opportunities:

- Upgrade/expand high school athletic facilities; create district-wide athletic hubs at Jackson, Marshall
- Update high school performing arts/theater facilities

Requires community accountability/oversight; independent audits of projects and expenditures

Bonds may be issued in one or more series, each series maturing in 30 years or less.

Due to declining debt service, measure is not expected to increase PPS's bond tax rate above \$2.50/\$1,000 assessed value, the rate that has been targeted since 2017 bond. Actual rates may differ based on interest rates and changes in assessed value.

EXPLANATORY STATEMENT

If approved, this measure will allow Portland Public Schools to continue to prioritize schools in need of large-scale repairs and replacements to address safety hazards and to fix failing infrastructure.

This measure is not expected to increase tax rates above the level targeted by the 2017 bond.

In 2012, 2017, and 2020, voters approved capital bonds that funded improvements to many of Portland Public Schools's aging buildings, creating modern, safer places for students to learn.

Since 2012, the bond program has fully modernized eight schools, with three more under design. In addition, the bond program has addressed some of the infrastructure needs at every school throughout the District.

Prior investments include:

- Roosevelt, McDaniel, Franklin, Grant, Benson, and Lincoln High Schools, Kellogg Middle School, Faubion PK-8, and the Multiple Pathways to Graduation building were fully modernized.

The full text of this measure is available online at www.clackamas.us/elections. Copies are available at the clerk's office.

- Full modernizations of Jefferson, Ida B. Wells, and Cleveland High Schools are in design.
- Health and safety improvements, including:
 - Replacing plumbing to reduce lead and improve water quality;
 - Removing or encapsulating exposed lead paint and asbestos;
 - Upgrading fire alarm and sprinkler systems;
 - Repairing or replacing leaking or deteriorating roofs;
 - Mitigating radon exposure;
 - Strengthening school safety and security.
- Educational improvements, including:
 - Upgrading science labs;
 - Enhancing technology;
 - New curriculum materials.
- Accessibility improvements for children and adults with disabilities.

What Would the Proposed 2025 Bond Fund?

If approved, bond funding would address additional building, health, safety, and learning needs in schools across the District, while continuing PPS's plan to comprehensively address facility needs by improving all of our schools over the long term.

If approved, the bond funds will:

Update and Repair Aging Elementary and Middle Schools:

- Update or replace leaking or deteriorating school roofs, mechanical systems (heating and cooling), and other building repairs

Make Schools Safe and Secure:

- Update safety and security systems - including additional cameras, fencing to protect students and staff
- Seismic upgrades

Modernize, Improve Educational Materials, Technology, Schools:

- Renovate/replace Cleveland and Ida B. Wells (formerly Wilson) High Schools
- Utilize any high school improvement cost savings to update/repair elementary and middle schools
- Provide comprehensive, culturally relevant, and current curriculum materials across core and supplemental subject areas
- Replace or provide student tablets and laptops to provide equitable access to classroom learning, and update classroom and District technology

Increase Extracurricular Opportunities:

- Upgrade athletic facilities, including needed improvements for Roosevelt, Lincoln, Franklin and Grant and create athletic hub facilities at Jackson Middle School and Marshall campus.
- Update high school performing arts/theater facilities.

What Would the Bonds Cost?

Because the tax rate on existing bonds is scheduled to decline, PPS's bond tax rate is not expected to exceed the previous estimate of \$2.50 per \$1,000 of assessed value. The total principal amount of bonds authorized by this measure cannot exceed \$1.83 billion.

Oversight and Accountability

An independent group of community members will review quarterly reports and audits of how the bond dollars are being spent to provide accountability to the public until construction is completed.

MEASURE WERE FILED**

Tigard-Tualatin School District Measure 34-342

REFERRED TO THE PEOPLE BY DISTRICT BOARD

Bonds increasing safety, security; modernizing schools, technology; repairing, updating facilities

Question: Shall District increase safety, accessibility; repair facilities; modernize, replace schools; issue \$421.3 million bonds; citizen oversight, audits required?

If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: Tigard-Tualatin School District seeks approval for bonds in principal amount of \$421.3 million to finance capital costs, including:

Safe, Secure, Accessible Schools:

- New or upgraded cameras, access controls, fire alarm systems, fencing, door hardware.
- Increased accessibility.

Updating Aging Buildings, Preserving Facilities:

- Replace/repair roofs, siding, plumbing, flooring, windows, electrical, HVAC, lighting systems.

Modernizing Education, Improving Classrooms:

- Replacing Fowler Middle School (constructed 1974), due to failing building systems and significant structural issues, making replacement more cost-effective than repair.
- Renovating Bridgeport, Byrom, Durham, and Mary Woodward Elementary Schools.
- Upgrading curriculum, technology district-wide.
- Addressing ventilation, natural light, acoustics.

Additional Projects:

- Fields, playgrounds, furnishings, equipment.
- Install/replace turf, field lighting.

Requires community bond oversight committee, regular audits.

District to receive \$8,281,105 state matching grant with measure approval.

Bond Details:

- Bonds may be issued in multiple series, maturing within 21 years from issuance.
- Estimated increase over FY 2025 bond tax rate is \$0.99 per \$1,000 assessed property value.
- Actual levy rates may differ due to changes in interest rates and property assessments.

EXPLANATORY STATEMENT

The Tigard-Tualatin School District (TTSD) serves approximately 11,000 students across Tigard, Tualatin, and surrounding communities. TTSD operates 17 school buildings: 11 elementary schools, 3 middle schools and 3 high schools.

Continuing Our Community's Investment in Our Schools

This bond represents the next step in the construction program designed to address ongoing repair needs, modernization, and growth in the Tigard-Tualatin School District.

TTSD voters passed a \$291.315 million bond in November 2016 that funded projects recommended by a committee of parents and staff and adopted by the School Board. This included a new elementary school, rebuilding two schools, updating Tigard High and Tualatin High, and adding secure vestibules at every school site.

The full text of this measure is available online at www.clackamas.us/elections. Copies are available at the clerk's office.

2025 Bond: Investing in Our Schools to Provide Safe, Modern Learning Spaces

A long-range facilities planning committee of community members, district staff, and consultants studied the district's facilities needs for more than two years. Their 200-page report prioritized the buildings and systems most in need of repair to support student safety and learning environments. The district and School Board used this report to develop the 2025 Bond.

The proposed \$421.3 million bond would fund high priority repairs, modernize school facilities, and enhance learning environments while ensuring schools remain secure, warm, and dry.

State Matching Funds

District would receive a **\$8,281,105 state matching grant** but only if the measure is approved.

Proposed Bond Projects

Secure: Enhancing School Safety

- Secure campuses to control access and improve student and staff safety.
- Install or upgrade security cameras and access control systems.
- Update door hardware to meet modern safety standards.
- Upgrade fire sprinkler and alarm systems.
- Install high-efficiency HVAC systems with filtration to address air quality concerns, including wildfire smoke.
- Improve accessibility in compliance with ADA requirements.

Repair: Addressing Aging Infrastructure

Many TTSD school buildings require repairs and updates to ensure they remain safe and functional. This bond would fund:

- Replacement or repair of roofs, siding, plumbing, and flooring.
- Modernization of windows, electrical, and heating, ventilation, and cooling (HVAC) systems.
- Installation of energy-efficient lighting to reduce operating costs.

Prepare: Modernizing Learning Environments

- Replace Fowler Middle School, built in 1974, which faces structural and mechanical failures.
- Renovate four of the district's oldest elementary schools: Bridgeport, Byrom, Durham, and Mary Woodward.
- Update curriculum and classroom technology for 21st-century learning.
- Upgrade sports and performing arts spaces to enhance student programs.

Citizen Oversight and Accountability

If passed, the bond measure would be subject to financial oversight. An independent, citizen-led Bond Oversight Committee would ensure funds are spent responsibly and in alignment with voter-approved projects. The committee would:

- Ensure bond revenues are used only for approved projects.
- Review quarterly expenditure reports to monitor compliance with bond commitments.

Costs

If passed, this bond is projected to cost property owners an additional \$0.99 per \$1,000 of assessed property value over the FY 2025 bond tax rate. Actual levy rates may differ due to changes in interest rates and property assessments.

**NO ARGUMENTS IN OPPOSITION TO THIS
MEASURE WERE FILED**

**Tigard-Tualatin School District
Measure 34-342**

ARGUMENT IN FAVOR:

**Parents support Bond Measure
to repair aging Tigard-Tualatin
schools and keep students safe**

Please join us in voting **YES** to:

- Repair and Update Aging Schools:

Fowler Middle School (constructed 1974) has failing building systems and structural issues, making replacement more cost-effective than repair. Four of the District's oldest elementary schools need significant renovations to keep students safe, warm and dry: Bridgeport, Byrom, Durham, and Mary Woodward.

Across the District, repairs and replacements are needed to address safety hazards, accessibility issues and fix failing roofs, siding, floor coverings and HVAC systems.

Measure 34-342 would:

- Increase Health, Safety & Security:

- Secure campuses
- Add new or upgraded cameras and access controls
- Update door hardware
- Replace fire sprinkler and alarm systems

AND

**- Make Classroom, Building, Technology and
Extracurricular Improvements**

- Update curriculum and technology district-wide.
- Make upgrades to sports fields and lighting, and high school performing arts spaces

As parents, we urge you to join us in VOTING YES for a sound investment in our community's future.

**Tigard-Tualatin School District
Measure 34-342**

ARGUMENT IN FAVOR:

**Educators Urge You to Support
Tigard-Tualatin School Bond**

As current and retired educators, we know that safe, warm and dry school spaces and access to modern curriculum and technology make a difference for student learning.

That's why we urge you to **Vote YES** on Measure 34-342, which has been endorsed by the Tigard-Tualatin Education Association.

Measure 34-342 would:

- Replace or repair aging facilities across the District, including roofs, siding, plumbing, ventilation systems, flooring and more;
- Protect the community's investment in our schools for decades to come;
- Improve safety for students, staff and the community.

This community has a long history of supporting our schools, and we appreciate the opportunity to nurture a constant stream of outstanding learners. Let's ensure that our students have the modern school spaces they deserve.

We thank you in advance for your **YES Vote** and your continued support for our Tigard-Tualatin Schools!

**Tigard-Tualatin School District
Measure 34-342**

ARGUMENT IN FAVOR:

Local Elected Leaders STRONGLY Support Tigard-Tualatin Bond Measure - Vote YES on 34-342!

We are your elected representatives in the Tigard-Tualatin community – we are voting **YES** on Measure 34-342 and urge you to do the same.

Our community thrives because of the strength of our schools. Strong schools don't just teach students — they are the heart of our neighborhoods. They shape our future by creating successful adults, attracting families who value education, and providing the foundation for a skilled workforce.

By voting YES on 34-342, you're making a lasting commitment to our community's growth and prosperity. This bond measure will allow us to:

- **Ensure safety and security** in all our schools.
- **Upgrade outdated school facilities**, providing students with warm, dry, and modern learning environments.
- **Expand extracurricular opportunities** by improving sports fields and performance spaces.
- **Invest in technology** and adapt classrooms to meet 21st-century learning needs.

Why does this matter? Because strong schools lead to a stronger community. They foster students who will grow into the leaders, neighbors, and innovators of tomorrow. And, in turn, they make our region an even better place to live, work, and raise a family.

Vote YES on Measure 34-342! Together, we can continue to invest in the future of our children and our community.

**Tigard-Tualatin School District
Measure 34-342**

ARGUMENT IN FAVOR:

**Keep Tigard-Tualatin
a Great Place to Live, Work and Do Business**

The boards of the Tigard and Tualatin Area Chambers of Commerce have voted to endorse the Tigard-Tualatin School District Bond Measure.

This measure would:

- Repair and update aging school facilities across the District to meet today's educational standards;
- Secure campuses and ensure that students are safe, warm and dry;
- Prepare students for future jobs by ensuring that they have access to modern curriculum and technology.

**Tigard and Tualatin Chambers of Commerce
Urge You to Vote Yes
on Measure 34-342**

Megan De Salvo, CEO **Anneleah Jaxen, CEO**
Tigard Area Chamber of Commerce Tualatin Area Chamber of Commerce

**Business Community Supports the Tigard-Tualatin
School Bond**

A vibrant economy requires a strong school system. Ensuring that our local students are ready for college and career is an investment that assures prosperous businesses, strong neighbors and a sense of community that we all cherish.

Good schools are good for business.

A highly trained and dedicated local workforce helps businesses thrive, contributing to the economy and our overall quality of life.

**Thriving schools and businesses are good for the
community.**

Strong businesses rely on our schools, and in turn provide good jobs, pay taxes that support education, contribute to school activities and athletics, and add to our overall quality of life. We urge you to invest in education for the long-term, positive impact it has on our economy, our kids and our community's future.

**Tigard-Tualatin School District
Measure 34-342**

ARGUMENT IN FAVOR:

**Local Legislators Urge YES Vote for
Tigard-Tualatin School Bond**

We grew up in the Tigard-Tualatin community and attended TTSD schools. Now, as your state representatives, we are honored to advocate for local residents in our state Legislature.

We are grateful for our TTSD education and we recognize the vital connection between a first-rate school system and a thriving community. That is why we are both voting for and actively supporting Measure 34-342 in this election.

Students need safe and healthy buildings to support a well-rounded learning experience. Our community supported a school bond in 2016 that addressed some of the district's facility needs, but too many buildings remain dated – creating unsafe and challenging learning conditions. Our students and their educators deserve much better.

Tigard and Tualatin area residents benefit from the recreational and gathering spaces our school buildings provide. Our economy and community fabric are dependent upon ensuring that young learners become productive adults.

As lifelong supporters of Tigard-Tualatin schools, we urge you to join us in **Voting YES on Measure 34-342**, the TTSD bond proposal.

State Representative Ben Bowman, House Majority Leader
Tualatin High School Class of 2010, Former TTSD School Board Chair

State Representative Courtney Neron, Chair, House Education Committee
Tigard High School Class of 1997, Former TTSD Educator

(This information furnished by Rep. Ben Bowman)

**Tigard-Tualatin School District
Measure 34-342**

ARGUMENT IN FAVOR:

**Community Members STRONGLY support
Tigard-Tualatin Bond Measure**

We are community members without children in schools – and we are voting YES on 34-342 and urging you to vote YES on 34-342, too.

Our community is now and always has been shaped by our excellent schools. Our lives are better because we live in a community with a high-quality school system that produces well-educated students. We recognize that schools are more than learning spaces – they are community hubs that benefit all of us.

Our Strong Schools:

- Educate students who become successful adults, business and civic leaders, and caring neighbors;
- Attract productive families that support one another and cherish living in areas with high-quality schools;
- Draw successful businesses that require a talented, educated workforce.

**We must renew our commitment
to keep our Tigard-Tualatin Schools
Safe and Strong.**

We must help our schools:

- Ensure that buildings are safe and secure
- Repair and replace aging facilities so that students can learn in surroundings that are warm and dry
- Create extracurricular opportunities by expanding sports fields/lighting and replacing outdated lighting systems in high school performing arts spaces
- Adapt to changing technology and classroom needs.

**Tigard-Tualatin School District
Measure 34-342**

ARGUMENT IN FAVOR:

**10 Reasons to Vote YES
on Tigard-Tualatin School Bond
Measure 34-342**

- 1. Across the District, schools are showing their age and need replacement of or repairs to roofs, siding, plumbing, flooring, windows, electrical, HVAC and lighting systems.
- 2. Our community's roughly 11,000 students, their teachers and families deserve for young people to have a learning environment that is warm, secure and dry.
- 3. Safety issues such as adding doors to classrooms and providing modern camera and fire systems must be addressed to keep students and staff safe.
- 4. Our community has consistently supported our schools, recognizing that a thriving community benefits from a strong local educational system.
- 5. By taking care of our investment in buildings we all benefit from their continued use.
- 6. Fowler Middle School was built in 1974, and its failing building systems and challenging structural issues make it more cost-effective to replace than repair.
- 7. Four of our oldest elementary schools – Byrom, Mary Woodward, Durham and Bridgeport – are an average of 43 years old and require significant repairs.
- 8. New curriculum and modern technology are needed for students to stay up to date in a rapidly changing world.
- 9. Renovated fields, and auditorium lighting upgrades at the high schools, will create extracurricular opportunities.
- 10. The state has committed to funding an \$8.28 million one-time grant if the bond passes this May.

For all of these reasons, and more, we strongly urge you to **VOTE YES on Measure 34-342** to support our students for years to come.

Measure 3-625**

The full text of this measure is available online at www.clackamas.us/elections. Copies are available at the clerk's office.

REFERRED TO THE PEOPLE BY THE DISTRICT BOARD

Issuance of General Obligation Bonds for New District Fire Station

Question: Shall District issue up to \$19,145,000 in General Obligation Bonds to finance a new public safety facility? If the Bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: If approved, Hoodland Fire District #74 will use Bond proceeds to finance the capital construction related to:

- Hoodland Fire District #74 New Main Fire Station:
 - Hoodland Fire District #74's New Main Fire Station will accommodate projected 50-year growth, incorporates modern standards, and code compliance; and includes a community/training room, triage area, drive-thru apparatus bays, private sleeping quarters, offices, and integrated US Forest Service wildland fire operations - a first-of-its-kind inter-agency collaboration.
 - Furnishings, fixtures and equipment and bond issuance costs

Bonds may be issued in multiple series over multiple years to accommodate project needs and take advantage of potential future assessed valuation growth which may lower tax rates, and each series would mature over a period not to exceed 25 years from issuance. The average annual tax rate is estimated to be \$0.78 per \$1,000 of taxable assessed value. The tax rate is an estimate only based on information obtained from the Clackamas County Assessor's office and can vary depending on assessed values and interest rates at the time of the bonds issuance.

EXPLANATORY STATEMENT

What services does Hoodland Fire District provide?

The District staff includes career, volunteer, and student firefighters who provide:

- Fire Suppression
- Fire Prevention Services
- Emergency Medical Response
- Technical Rescue
- Hazardous Materials Response

The District serves the rural 45-square-mile area between Sandy and Mount Hood in Clackamas County, including Welches, Cherryville, Marmot, Brightwood, Wemme, Zigzag, Rhododendron, and Government Camp. The District operates three stations. Operations are funded through appropriations and property tax levies.

How would the funds be used?

The bonds would raise approximately \$19.145 million for the design and construction of a new Main Fire Station 351. Clackamas County has donated the land for the new site, and the District is actively pursuing other funding sources, such as grants and donations, to help offset the bond amount. The US Forest Service has approached the District to include dedicated space in the new station for their operations, in exchange for committing \$5.6 million to the project.

If approved, the District would proceed through the design, permitting, and construction of a new Main Fire Station. Existing taxes will fund operations and staffing during this process.

Over the 25-year life of the bond, it would fund:

- Finalizing design and permitting for the new Main Fire Station.
- Retaining a construction manager and general contractor for cost estimation, value engineering, planning, pre-construction, and construction services.

- Maintaining services provided by Otak, Inc. (Owner's Representatives) and Mackenzie Architecture.
- Construction of a new Main Fire Station on an adjacent property obtained at zero cost. The station will include:
 - Administrative offices
 - Publicly reservable community room
 - Living and private sleeping quarters for firefighters
 - Physical training room
 - Apparatus bays
 - Associated mechanical and equipment rooms
- Providing public parking, including:
 - Parking for station visitors
 - Community garden access
 - 12 spaces for Mt. Hood Express park-n-ride
 - Turn-around space for Mt. Hood Express buses
 - Private gated parking for District staff and firefighters
- Purchase and replacement of furniture, fixtures, and office equipment for the new Main Fire Station.
- Expenses associated with bond development and implementation.

What is the cost to property taxpayers?

The estimated initial tax rate is 0.78 cents per \$1,000 of assessed value (not market value). For property assessed at \$220,000, about average for homes in the District, the cost would be \$171.60 a year or \$14.30 per month.

What if the bond is not approved?

If the bond is not approved, the District will revise and resubmit the bond request in the November 2025 election cycle, and, if necessary, repeat in May 2026. The District will also continue seeking alternative funding.

Need more information?

Visit the District's website at hoodlandfire.gov.

**NO ARGUMENTS IN OPPOSITION TO THIS
MEASURE WERE FILED**

**Hoodland Fire District
Measure 3-625**

ARGUMENT IN FAVOR:

Please vote YES for the Hoodland Fire Station Bond.

Details on the New Main Station:

The site for new station is the “Dorman” property located 100 yards off Hwy 26 on Salmon River Road. Clackamas County is **donating** this 4 acre site given this bond passes. Market value of this property is \$987,328*.

The new station will have:

- Larger training room that the community can use
- Four pull through bays accommodating 8 apparatus with proper ventilation.
- Decontamination space
- Day room, kitchen, bathrooms and sleeping quarters.
- Dedicated physical training space
- Rear yard security fencing
- Modern administrative offices
- Community garden and bus stop will remain
- 12 spaces for Mt Hood Express bus stop
- Pull through parking for both Hoodland apparatus and Mt Hood Express bus

Why not renovate the current station?

Board of Directors pressed hard to find a way to renovate the existing station. Cost estimate was \$17 million.

The current station issues include:

- Narrow site and zoning restricts expansion
- Lacks proper ventilation
- Sleeping quarters are in temporary trailers.
- Lacks decontamination space
- Would not withstand an earthquake
- 50 year old facility not built for 24hr operations
- Contains asbestos
- Not ADA compliant
- ODOT plans to constrain egress
- Apparatus bays are not drive through
- Training room location limits how the public can use it

What will happen to the current station?

It is the consensus of the Board of Directors to sell the property. Current market value is \$1,630,000*.

Other sources of funding?

Federal, State, private grants will be applied for once matching funds (this bond) are in place. Grant awards are expected to shorted the length of the bond. The Forest Service has offered \$5,600,000 support this project as an **Interagency Fire Facility** with space added to house their apparatus. HFD is supportive of this Interagency proposal.

**Hoodland Fire District
Measure 3-625**

ARGUMENT IN FAVOR:

CERT, Community Emergency Response Team unanimously endorses Measure 3-625. We are your family, friends, co-workers, neighbors and call Mt. Hood Corridor our home. CERT is part of first responders through Hoodland Fire. Hoodland Fire is one of the only first responder agencies between Warm Springs and Sandy and is responsible for fire, rescue, advanced life support, and emergency medical services covering 45 square miles of protection and safety.

Hoodland Fire employees and volunteers are working 24 hours, seven days a week in a substandard building- built decades ago.

The building does not have sleeping quarters forcing firefighters to sleep outside the building in an old job site shack without bathrooms.

Most alarming is the fact the building, inspected by Associated Consultants, Inc., did not pass seismic safety requirements due to critical weaknesses in the foundation and support structures.

Our communities are located in an area prone to earthquakes. In the event of seismic activity, the fire station and equipment may become inoperable incapacitating personnel on duty. Should any of the bridges between Sandy and Warm Springs fail due to seismic activity, communities in the Mt. Hood Corridor cannot expect outside responders or resources in a timely manner.

The existing building contains asbestos. Required repairs cannot be completed due to exorbitant handling and disposal costs.

A new fire station would provide:

- Properly ventilated building
- Sleeping quarters with bathrooms
- Location for proper decontamination
- ADA compliant
- Drive thru bays
- Compliance w/lt building codes addressing seismic activity
- Secure fuel storage, employee parking
- Mt. Hood Express bus stop public parking
- Continued community garden with equipment shed
- Large training room open to the community free of charge
- Incorporated advanced technologies for faster emergency response

Provided the Bond is approved, Clackamas County will donate the approximately one-million-dollar Dorman property for the new station.

Thank you for taking the time to read CERT's statement and for supporting your community by voting.

Molalla Fire District
Measure 3-622

The full text of this measure is available online at www.clackamas.us/elections. Copies are available at the clerk's office.

REFERRED TO THE PEOPLE BY THE DISTRICT BOARD

Bonds for Public Safety

Question: Shall Molalla Rural Fire Protection District No. 73 issue up to \$4.9 million principal amount of bonds for Public Safety? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: If approved this measure is expected to maintain the same levy rate targeted by the Fire District since 2014.

If approved this measure would finance capital costs for District purposes, including:

- Ambulances and fire apparatus, firefighting equipment, and medical equipment; and
- Improved and expanded public safety facilities.

Bonds may be issued in multiple series; each maturing within 11 years from issuance.

Because of expiration of existing bonds, measure is not expected to increase the Fire District's bond levy rate above \$0.26/\$1,000 assessed value, the rate that has been targeted since 2014. Actual levy rate may differ due to final interest rates and changes in assessed value.

Because of expiration of existing bonds, measure is not expected to increase the District's bond levy rate of about \$0.26/\$1,000 assessed value, the rate that has been targeted since 2014. Actual levy rate may differ due to final interest rates and changes in assessed value.

EXPLANATORY STATEMENT

Molalla Rural Fire Protection District No. 73 provides fire protection over approximately 101 square miles and ambulance coverage over approximately 419 square miles. This coverage includes the City of Molalla, Mulino and surrounding areas. The District provides fire protection, emergency medical transport and life safety education. It is staffed by fifteen paid career personnel, one office personnel, and approximately 52 volunteer firefighters, emergency medical and support personnel. Molalla Fire District is a special service district governed by a Board of Directors elected by the District residents. Molalla Fire District is separate from the City of Molalla.

If approved, this measure would provide funding for capital costs of the District, including:

1. Ambulances. Purchase of two emergency medical service ambulances and equipment. Molalla Fire has one front-line ambulance that will soon reach its life expectancy and another that has already passed its life expectancy.
2. Medical Equipment. Replacement of medical equipment that is becoming outdated to align with changing medical technologies.
3. Fire Apparatus and Fire Fighting Equipment. Upgrade existing fire apparatus and firefighting equipment, including purchase of one fire engine and one water tender. Upgrades will enable the District to meet increasing training, safety and insurance requirements as mandated by federal, state and national fire protection organization
4. Improve and expand existing public safety facilities. Volunteer firefighters, EMT's and support personnel allow the District to maintain current service levels. The Mulino station was built in 1967 and has had minimal upgrades. Bonds would modernize living areas and office space in order to bring it to ADA compliance and improve accessibility.
5. Maintenance and Storage Structure. Vehicles and equipment stored outside are exposed to natural and weather related deterioration. Bonds would finance maintenance and storage of apparatus inside to extend life expectance and reduce related maintenance costs.

NO ARGUMENTS IN OPPOSITION TO THIS
MEASURE WERE FILED

**Molalla Fire District
Measure 3-622**

ARGUMENT IN FAVOR:

Protecting Our Community, Supporting Our Firefighters

Vote YES on Measure 3-622

The Professional Firefighter EMTs and Paramedics of Molalla proudly support Bond Measure 3-622. This critical measure ensures our crews have the equipment, resources, and facilities needed to protect our community safely and effectively.

Molalla Fire District serves 26,000 residents across 100 square miles for fire protection and over 400 square miles for ambulance service—including the City of Molalla, Mulino, and surrounding areas. Our staff includes 15 full-time firefighter EMTs and Paramedics, one administrative staff member, and over 50 volunteer and support personnel. 365 days a year, your Molalla firefighters respond to emergencies, saving lives and protecting property.

This bond funds long-overdue capital improvements, including:

- **New Ambulances:** Molalla Fire’s current ambulances are aging and overdue for replacement. Reliable transport is essential to provide rapid emergency medical care.
- **Updated Medical Equipment:** Replacing outdated gear allows our EMTs and Paramedics to deliver the highest standard of care using up-to-date technology.
- **Modern Fire Apparatus:** A new fire engine and water tender will help firefighters meet today’s safety, training, and insurance requirements—keeping both firefighters and residents safe.
- **Facility Upgrades:** Built in 1967, the Mulino station needs modernization. Improvements will enhance accessibility and provide safe, functional spaces for our responders.
- **Vehicle & Equipment Storage:** Weather exposure shortens the life of emergency vehicles. Secure storage will protect equipment and reduce maintenance costs.

This bond DOES NOT raise your taxes.

A **YES** vote is an investment in safety, reliability, and the future of Molalla Fire District. Stand with your Professional Firefighters of Molalla who stand with you—**vote YES on Measure 3-622.**

**Molalla Fire District
Measure 3-622**

ARGUMENT IN FAVOR:

Molalla Volunteer Firefighters and EMS Are In Favor Of Bond Measure 3-622

Since 1924, Molalla volunteer firefighters, EMS and support teams continue to proudly serve our community. Molalla and the surrounding area is evr-growing and the 911 call volumes continue to increase.

We travel long distances and over rural terrain. Our training and equipment must evolve with the addition of multi-story apartment complexes and electric vehicles. We respond when our neighboring towns request additional help.

We could never do this without you and your support. We train on - and operate the equipment that bonds purchase. Full-time volunteers in the Resident Student program live in the dormitories that would be renovated.

Total calls for 2024 were 2,271 medical calls, 381 fire calls, 213 motor vehicle crashes, 160 public assists, 112 mutual aids. Earlier this year 2 firefighters took WT382 to southern California with a strike team of water tenders from Clackamas County.

Molalla volunteer firefighters and EMS will vote YES on bond measure 3-622 and invest in Molalla’s safety and future. We urge you to vote YES with us.
