Kid's Day- Tuesday, August 13th

“Soils for Salmon Day”

Featuring: The National Wildlife Federation

**The Floral
Department can
be accessed
through the
Entertainment
Gate located on
Pine Street.**

Entries Accepted:

Entries will be accepted from **11:00 am to 8:00 pm on Monday, August 12th**. Exhibitors with more than 15 entries are requested to have their PAPER WORK turned into the main office by 1pm August 12th. If you have a number of entries, we suggest that for each entry you also bring a gummed name and address label to be placed on your Exhibitor's Entry Tags. This will avoid the tedious task of filling in your name with pen or pencil on each entry tag. Downloading the entry form off of the Fair website gives you a head start, and can be filled out prior to your arrival to the Fairgrounds. **Exhibitor Entry Forms can now be completed online.** Our Floral Dept. Clerks are on duty, and available to answer any questions you may have, when you come onsite. **Feel free to contact the Floral Superintendent with any questions, prior to August 12th.**

Specific Rules:"

We ask all entrants to FURNISH THEIR OWN CLEAR, OR SEE THROUGH VASE OR JAR, FOR DISPLAY IN THE HORTICULTURE ENTRY PORTION. Make sure it IS IN PROPER PROPORTION TO THE FLOWER YOU ARE SHOWING and won't tip over. NO PLASTIC WATER BOTTLES, PLEASE.

Put your name on the bottom of the vases you would like returned to you after the close of the Fair. The Fair Board will not be responsible for Exhibits or containers, but reasonable care will be exercised. We do have a limited number of available vases on site.

The Floral Department is closed during judging and will not be open to the public until noon, Tuesday, the opening day of the Fair. Nationally accredited judges will be busy at work during this time.

All Horticulture Specimens must be grown by the Exhibitor. **Name Horticulture Specimens, if at all possible.** Preference given to named varieties when judging. All Horticulture Specimens must have their own foliage except where noted. Judges may be impressed by grooming and staging of exhibits.

An Exhibitor may show only one
Entry in each Class, unless noted in Division List

Floral Arrangement Notes:

*Material used in the Arrangements Department must be field grown.
Arrangements must be made by the Exhibitor.*

1. We provide a minimum of security; please do not put keepsakes in your display. Clackamas County Fair not responsible for lost items.
2. **While arranging your display, water it well.** Arrangements will not be watered until after judging on Tuesday. Containers should be large enough to provide water for at least two days.
3. **Arrangements should be well anchored in case of wind.** Accessories permitted, not to exceed 26" in length.

Release Time:

Entries may be picked up from 12pm to 5pm Sunday, the day following the Fair. Please have your exhibitor's claim check. Cash Premiums and Ribbons (on request), will be given out at the Fair Office Will Call Window. All Premium Monies have to be claimed by **August 30th.**

Hints and Helps for Preparation of Flowers for Fair Entry:

Gather flowers early in the morning or late in the evening. Place stems immediately in cool water (the first 30 seconds are what counts). Set container in a cool, draft-free place. Use a sharp knife and cut stem on a slant. Crush wood stems for at least 2". Let stand in deep water overnight. Roses may be cut and placed in water in the refrigerator and protected with paper.

Remove foliage of flowers that would be below the waterline for Arrangements and Horticulture vases. Stray petals can be removed without harming the quality of the flower.

Dahlias and Chrysanthemums should be cut when fully open. Most others, when buds are just beginning to open. A judge would rather see a flower coming into bloom than when the prime is past.

Gladioli should be evenly spaced on the stalk. Dahlias are hollow stemmed. Place cut Dahlia stems to a depth of 2-3" in 160-180° water, protecting the blooms and leaves from the heat and steam by a collar of paper. Let stand in water in a cool shaded area for 2 hours or more, then add more water.

It is important that all exhibits be named correctly and in proper Class. Check your exhibits for insect damage, groom, and clean.

Transport your entries carefully so they do not bend and break or get bruised. Anchor them in boxes or tubs with packing on hand.

Don't Forget...
