BACKGROUND:

The Oregon State Marine Board (OSMB) provides an annual allocation to Business and Community Services - County Parks Division in support of the improved boat ramp facilities at Barton, Carver and Hebb parks as well as the Boones Ferry Marina. State funds support staff labor, material expenditures, and vehicle costs related to maintenance of restrooms, grounds, boater parking lots, docks, and boat ramps. Federal funds are used to support the labor and materials to maintain the boat waste pumpout and dump station at the Boones Ferry Marina ramp.

The allocation to County Parks for FY 18/19 is \$25,350 with a 40 percent required match, equaling \$10,140. The Allocation Certification Agreement, attached, details the breakdown of funds by site and notes the amount awarded by feature. The revenue and expenses associated with the MAP grant were approved in the FY 2018-19 Budget. The Grant Application Lifecycle Form was submitted to County Administrator, Don Krupp and signed on May 23, 2018.

RECOMMENDATION:

Staff recommends the Board approve this Grant Application for the OSMB Maintenance Assistance Program and authorizes the BCS Director or delegate to execute all documents necessary to effectuate the same.

- C. MAP and CVA funds will be spent only to maintain improved marine facilities identified in the Site Inventory in accordance with MAP procedures and policies; and
- D. During the season of use identified on the Site Inventory the facilities will be open and maintained for public use; and
- E. The amount of any user fee, identified on the Site Inventory, that is presently charged or will be charged during the fiscal year, includes the highest of any entrance, day use, launch ramp, parking, transient moorage, or other fees paid, excluding annual passes or donations, and no fee will be charged for any vessel waste disposal system or floating restroom; and
- F. OSMB will have access to all eligible boating facilities and maintenance expenditure and performance records upon request and the Recipient will cooperate during any audit; and
- G. MAP funds will not exceed sixty-percent of the overall maintenance cost of eligible boating facilities; and
- H. Matching funds do not include any cash or in-kind activities expended on campgrounds, marinas, fuel stations, trails, picnic shelters, swim areas, or other large day-use components. The percentage of shared use has been documented for areas such as restrooms and parking that serve eligible marine facilities and other park uses; and
- MAP funds are principally targeted for labor, supplies, or contract services that will be expended at the eligible marine facilities. Expenditures for program administration, supervision, or other general service assessments will be limited to a maximum of fifteen-percent; and
- J. MAP funds will not be expended for capital construction projects or used as match to other grants.
- K. The Recipient <u>does not</u> * have a federally approved indirect rate. If applicable, a copy of the letter from the Federal Agency approving the indirect rate will be provided to OSMB before MAP funds are paid. (* Enter 'does' or 'does not' as appropriate.)
- L. The Recipient <u>cloes</u> * receive \$750,000 or more in federal funding from all sources in a fiscal year requiring submission of a Single Audit report.

- II. The Recipient agrees:
- A. To provide a minimum of \$16,000.00 matching resources for state MAP funds and \$450.00 matching resources for federal CVA grant funds.
- B. That the MAP Program is designed to supplement funds expended at eligible marine facilities and the intent is to assist in improving the quality of maintenance at the facilities identified on the Site Inventory.
- C. To immediately notify OSMB of any changes in operation or maintenance practices, fees, season of use, or public access. The Recipient agrees to reimburse OSMB any MAP funds deemed an overpayment as a result of such changes.
- D. To reimburse OSMB any excess MAP funds not expended within the fiscal year that exceed the ten-percent maximum carry forward amount.
- E. To provide at the end of the fiscal year an expenditure report for maintenance and operations outlining labor, supplies, materials, and services for all facilities identified on the Site Inventory and a performance report for any vessel waste collection systems and/or floating restroom.
- II. OSMB certifies that:
- A. It is authorized by ORS 830.150(2)(a) to provide MAP funds for annual maintenance of improved boating facilities and is further authorized under CFR 50 Part 85 to provide federal Clean Vessel Act funds from the U.S. Fish and Wildlife Service for maintenance of vessel waste collection facilities and floating restrooms.
- B. It has sufficient MAP funds available within its current biennial budget and has authorized expenditure of MAP funds to the Recipient for the eligible marine facilities identified on the Site Inventory.

The Recipient, by the signature of its authorized representative below, hereby acknowledges that it has read the agreement, understands it, and agrees to be bound by its terms and conditions.

Section III: Funding Opportunity Information - To be completed at Pre-Application Meeting by Dept Program and Fiscal Staff

Mission/Purpose:

1. How does the grant support the Department's Mission/Purpose/Goals?

Theses funds help to provide safe public spaces where residents, and visitors can thrive and prosper in healthy vibrant communities.

2. How does the grant support the Division's Mission/Purpose/Goals? (If applicable)

The grant helps provide funding for maintenance and upkeep of restrooms, ramps, grounds, boater parking lots, and docks so Clackamas County Parks can provide clean and safe boating facilities.

3. What, if any, are the community partners who might be better suited to perform this work?

None

4. What are the objectives of this grant? How will we meet these objectives?

State funds provided are used for labor, material, contracted services, and vehicle expenses to maintain restrooms, grounds, ramps, boater parking lots, and docks. Federal funds provide for labor, materials contracted services, and vehicle expenses to maintain a boat waste pumpout station located at the Boones Ferry ramp. County Parks staff will perform the duties and therefore meet the requirements of the grant funds.

5. Does the grant proposal fund an existing program? If yes, which program? If no, what should the program be called and what is its purpose?

This is on-going funding provided by the Oregon State Marine Board under their Maintenance Assistance Program. County Parks has received this funding support for boat ramp facilities within our parks since the program was started. There is no application process involved in this funding. We participate voluntarily in the program to leverage funding for our boat ramp facilities.

Organizational Capacity:

1. Does the organization have adequate and qualified staff? If yes, what types of staff are required?

If no, can staff be hired within the grant timeframe?

Yes, current FTE and PTE staff are used to perform the work throughout the grant period. Contracted labor is hired under limited circumstances where staff cannot perform the repair or mainteanance task.

2. Is there partnership efforts required? If yes, who are we partnering with, what are their roles and responsibilities, and are they committed to the same goals?

No

3.If this is a pilot project, what is the plan for sunsetting the program or staff if it does not continue (e.g. making staff positions temporary or limited duration, etc.)?

N/A

4. If funding creates a new program, does the department intend that the program continue after initial funding is exhausted? If so, how will the department ensure funding (e.g. request new funding during the budget process, discontinue or supplant a different program, etc.)?

Collaboration

1. List County departments that will collaborate on this award, if any.

None

Reporting Requirements

1. What are the program reporting requirements for this grant?

County Parks Administrative Analyst tracks labor, contracted services, and material costs for each facility throughout the fiscal year. Costs are reported to the OR State Marine Board in August/September each year.

2. What is the plan to evaluate grant performance? Are we using existing data sources? If yes, what are they and where are they housed? If not, is it feasible to develop a data source within the grant timeframe?

Peoplesoft Financial System is used to track materials & services costs. The WorkForce labor system is used to track labor costs with program codes that identify each boating facility, and with the use of a project codes specific to these grant funds. Annual costs to maintain boating facilities within County Parks far exceeds the match requirement of this grant. FY 16/17 matching funds were \$113,742

3. What are the fiscal reporting requirements for this grant?

A one page annual report is submitted to the OR State Marine Board in August/September each year, that includes supporting documentation for labor, and materials & services. Funding is provided in advance each year, but allocations are withheld until annual reporting requirements for prior year funding is met.

Fiscal

1. Will we realize more benefit than this grant will cost to administer?

Yes, annual administration of these grant funds is under \$4,000.

2. What other revenue sources are required? Have they already been secured?

Matching funds for this grant come from revenue generated by parking fees at our improved boat ramp facilities. This revenue is budgeted in the FY 18/19 County Parks budget and totals \$

3. Is there a match requirement? If yes, how much and what type of funding (CGF, Inkind, Local Grant, etc.)?

Matching funds for this grant come from revenue generated by parking fees. This revenue is budgeted in the FY 18/19 County Parks budget and totals \$317,034

4. Is this continuous or one-time funding? If one-time funding, how will program funding be sustained?

Funding is continuous.

5. Does this grant cover indirect costs? If yes, is there a rate cap? If no, can additional funds be obtained to support indirect expenses and what are they?

No.
