BACKGROUND:

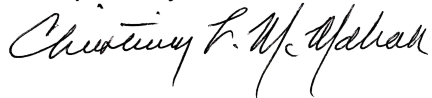

The Juvenile Department received notification of a Grant Award for the FY 2018 Local Solicitation provided through the Edward Byrne Memorial Justice Grant (JAG). This is a formula grant providing \$36,423 to Clackamas County. The Juvenile Department was awarded the FY 2010 Local Solicitation of \$46,976, the FY 2011 Local Solicitation of \$39,013,

the FY 2012 Local Solicitation of \$32,236, the FY 2013 Local Solicitation of 29,661, the FY 2014 Local Solicitation of \$29,550, the FY 2015 Solicitation of \$24,237, and the FY 2016 Solicitation of \$25,771.

RECOMMENDATION:

Staff recommends the Board approves and the County Administrator signs the award of the Edward Byrne Memorial Justice Assistance Grant in the amount of \$36,423. The delay in accepting the award was the result of the Chief Legal Officer's inability to sign the "Certification of Compliance with 8 U.S.C. 1373" until recent decisions and modifications to the certificate were made.

Respectfully submitted,

Christina L. McMahan, Director
Juvenile Department

Brief Description of Project:

The Clackamas County Juvenile Department (CCJD) strives to keep communities safe through restorative services for youth offenders, victims, and communities. CCJD targets interventions in order to hold youth meaningfully accountable and teach them new skills, while simultaneously addressing the harm done to victims and communities. Youth who have become (or at risk of becoming) involved in the juvenile justice system face significant barriers to developing positive life skills and obtaining an education and employment. These youth exhibit more and greater risk factors, such as school dropout, use of alcohol and/or drugs, lack of connections with positive peers and community members, or experience significant family conflict, than are present in the general youth population. For many youth, access to intervention services is a prominent barrier to participation in programs, treatment and pro-social activities that address risk factors. Funding provided by the Edward Byrne Memorial Justice Assistance Grant will enable CCJD to sustain a .43 FTE Cognitive Skills Group Facilitator position, responsible for facilitating skills groups, many in rural communities, and providing transportation support for juvenile department involved youth to attend appointments and activities.

The objectives or goals of this grant are to: 1) provide coordinated service delivery to at-risk youth, specifically youth in rural areas; 2) reduce risk factors and increase protective factors by providing evidence-based interventions; 3) address transportation barriers for youth that do not have access to public transportation or live in remote geographic areas of Clackamas County.

5. Does the grant proposal fund an existing program? If yes, which program? If no, what should the program be called and what is its purpose?

This grant award will provide additional funding for the Skills Group Program.

Organizational Capacity:

1. Does the organization have adequate and qualified staff? If yes, what types of staff are required? If no, can staff be hired within the grant timeframe?

This is not a pilot project.

4. If funding creates a new program, does the department intend that the program continue after initial funding is exhausted? If so, how will the department ensure funding (e.g. request new funding during the budget process, discontinue or supplant a different program, etc.)?

This award is not being used to create a new program.

2. What other revenue sources are required? Have they already been secured?

Additional revenue sources are not required for this program.

3. Is there a match requirement? If yes, how much and what type of funding (CGF, Inkind, Local Grant, etc.)?

This grant award does not have a match requirement.

4. Is this continuous or one-time funding? If one-time funding, how will program funding be sustained?

This funding is available annually, but is based on a statutory formula, therefore award amounts will vary.

5. Does this grant cover indirect costs? If yes, is there a rate cap? If no, can additional funds be obtained to support indirect expenses and what are they?

Mr. Don Krupp
Clackamas County

Oregon City, OR 97045

Dear Mr. Krupp:

Congratulations on your recent award! The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972, require recipients of federal financial assistance to give assurances that they will comply with those laws. In addition to those civil rights laws, many grant program statutes contain nondiscrimination provisions that require compliance with them as a condition of receiving federal financial assistance. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with OJP and other DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a non-discriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOPs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEOP requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(c)(5). Please submit information about any adverse finding to the OCR at the above address.

We at the OCR are available to help you and your organization meet the civil rights requirements that are associated with OJP and other DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to let us know.

Sincerely,

SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2018 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2018 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2018 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2016, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after-- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2016, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

SPECIAL CONDITIONS

7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

8. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

9. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or 2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

10. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

12. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

13. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

15. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>.

SPECIAL CONDITIONS

21. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

22. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2018)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2018, are set out at <https://ojp.gov/funding/Explore/FY18AppropriationsRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

23. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 1425 New York Avenue, N.W. Suite 7100, Washington, DC 20530; and/or (2) the DOJ OIG hotline: (contact information in English and Spanish) at (800) 869-4499 (phone) or (202) 616-9881 (fax).

24. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

25. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

26. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

27. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

28. Cooperating with OJP Monitoring

The recipient agrees to cooperate with OJP monitoring of this award pursuant to OJP's guidelines, protocols, and procedures, and to cooperate with OJP (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) requests related to such monitoring, including requests related to desk reviews and/or site visits. The recipient agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP's monitoring activities may result in actions that affect the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to award funds; referral to the DOJ OIG for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

34. Compliance with 28 C.F.R. Part 23

With respect to any information technology system funded or supported by funds under this award, the recipient (and any subrecipient at any tier) must comply with 28 C.F.R. 40. Submission of eligible records relevant to the National Instant Background Check System

Consonant with federal statutes that pertain to firearms and background checks -- including 18 U.S.C. 922 and 34 U.S.C. ch. 409 -- if the recipient (or any subrecipient at any tier) uses this award to fund (in whole or in part) a specific project or program (such as a law enforcement, prosecution, or court program) that results in any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the National Instant Background Check System (NICS), or that has as one of its purposes the establishment or improvement of records systems that contain any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS, the recipient (or subrecipient, if applicable) must ensure that all such court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS are promptly made available to the NICS or to the "State" repository/database that is electronically available to (and accessed by) the NICS, and -- when appropriate -- promptly must update, correct, modify, or remove such NICS-relevant "eligible records".

In the event of minor and transitory non-compliance, the recipient may submit evidence to demonstrate diligent monitoring of compliance with this condition (including subrecipient compliance). DOJ will give great weight to any such evidence in any express written determination regarding this condition.

41. Certification of Compliance with 8 U.S.C. 1373 and 1644 (within the funded "program or activity") required for valid award acceptance by a local government

In order validly to accept this award, the applicant local government must submit the required "State or Local Government: FY 2018 Certification of Compliance with 8 U.S.C. 1373 and 1644" (executed by the chief legal officer of the local government). Unless that executed certification either-- (1) is submitted to OJP together with the fully-executed award document, or (2) is uploaded in OJP's GMS no later than the day the signed award document is submitted to OJP, any submission by a local government that purports to accept the award is invalid.

If an initial award-acceptance submission by the recipient is invalid, once the local government does submit the necessary certification regarding 8 U.S.C. 1373 and 1644, it may submit a fully-executed award document executed by the local government on or after the date of that certification.

For purposes of this condition, "local government" does not include any Indian tribe.

SPECIAL CONDITIONS

42. Noninterference (within the funded "program or activity") with federal law enforcement: 8 U.S.C. 1373 and 1644; ongoing compliance

1. With respect to the "program or activity" funded in whole or part under this award (including any such program or activity of any subrecipient at any tier), throughout the period of performance, no State or local government entity, -agency, or -official may prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status as described in 8 U.S.C. 1373(a); or (2) a government entity or -agency from sending, requesting or receiving, maintaining, or exchanging information regarding immigration status as described in either 8 U.S.C. 1373(b) or 1644. Any prohibition (or restriction) that violates this condition is an "information-communication restriction" under this award.

2. Certifications from subrecipients. The recipient may not make a subaward to a State, a local government, or a "public" institution of higher education, unless it first obtains a certification of compliance with 8 U.S.C. 1373 and 1644, properly executed by the chief legal officer of the government or educational institution that would receive the subaward, using the appropriate form available at <https://ojp.gov/funding/Explore/SampleCertifications-8USC1373.htm>. Also, the recipient must require that no subrecipient (at any tier) may make a further subaward to a State, a local government, or a public institution of higher education, unless it first obtains a certification of compliance with 8 U.S.C. 1373 and 1644, properly executed by the chief legal officer of the government or institution that would receive the further subaward, using the appropriate OJP form.

3. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with the requirements of this condition.

4. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the recipient, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

5. Rules of Construction

A. For purposes of this condition:

(1) "State" and "local government" include any agency or other entity thereof, but not any institution of higher education or any Indian tribe.

(2) A "public" institution of higher education is defined as one that is owned, controlled, or directly funded (in whole or in substantial part) by a State or local government. (Such a public institution is considered to be a "government entity," and its officials to be "government officials.")

(3) "Program or activity" means what it means under title VI of the Civil Rights Act of 1964 (see 42 U.S.C. 2000d-4a).

(4) "Immigration status" means what it means under 8 U.S.C. 1373 and 8 U.S.C. 1644; and terms that are defined in 8 U.S.C. 1101 mean what they mean under that section 1101, except that "State" also includes American Samoa.

(5) Pursuant to the provisions set out at (or referenced in) 8 U.S.C. 1551 note ("Abolition ... and Transfer of Functions"), references to the "Immigration and Naturalization Service" in 8 U.S.C. 1373 and 1644 are to be read as references to particular components of the Department of Homeland Security (DHS).

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to OJP, before

43. Authority to obligate award funds contingent on noninterference (within the funded "program or activity") with federal law enforcement (8 U.S.C. 1373 and 1644); unallowable costs; notification

1. If the recipient is a "State," a local government, or a "public" institution of higher education:

A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded in whole or in part with award funds is subject to any "information-communication restriction."

B. In addition, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that would be reimbursed in whole or in part with award funds was subject to any information-communication restriction.

C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) that is a State, local government, or public institution of higher education, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: 8 U.S.C. 1373 and 1644 and ongoing compliance."

D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient at any tier that is either a State or a local government or a public institution of higher education, may be subject to any information-communication restriction. In addition, any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

2. Any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... 8 U.S.C. 1373 and 1644 and ongoing compliance" award condition.

4. Rules of Construction

A. For purposes of this condition "information-communication restriction" has the meaning set out in the "Noninterference ... 8 U.S.C. 1373 and 1644 and ongoing compliance" condition.

B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference ... 8 U.S.C. 1373 and 1644 and ongoing compliance" condition are incorporated by reference as though set forth here in full.

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by the award, as of the date the recipient accepts this award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward (at any tier).

1. Noninterference: No public disclosure of federal law enforcement information in order to conceal, harbor, or shield

Consistent with the purposes and objectives of federal law enforcement statutes and federal criminal law (including 8 U.S.C. 1324 and 18 U.S.C. chs. 1, 49, 227), no public disclosure may be made of any federal law enforcement information in a direct or indirect attempt to conceal, harbor, or shield from detection any fugitive from justice under 18 U.S.C. ch. 49, or any alien who has come to, entered, or remains in the United States in violation of 8 U.S.C. ch. 12 -- without regard to whether such disclosure would constitute (or could form a predicate for) a violation of 18 U.S.C. 1071 or 1072 or of 8 U.S.C. 1324(a).

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

4. Rules of construction

- A. For purposes of this condition--

(1) the term "alien" means what it means under section 101 of the Immigration and Nationality Act (see 8 U.S.C. 1101(a)(3));

(2) the term "federal law enforcement information" means law enforcement sensitive information communicated or made available, by the federal government, to a State or local government entity, -agency, or -official, through any means, including, without limitation-- (1) through any database, (2) in connection with any law enforcement partnership or -task-force, (3) in connection with any request for law enforcement assistance or -cooperation, or (4) through any deconfliction (or courtesy) notice of planned, imminent, commencing, continuing, or impending federal law enforcement activity;

SPECIAL CONDITIONS

45. Noninterference (within the funded "program or activity") with federal law enforcement: Interrogation of certain aliens

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by this award, as of the date the recipient accepts this award, and throughout the remainder of the period of performance for the award. Its provisions must be among those included in any subaward (at any tier).

1. Noninterference with statutory law enforcement access to correctional facilities

Consonant with federal law enforcement statutes and regulations -- including 8 U.S.C. 1357(a), under which certain federal officers and employees "have power without warrant ... to interrogate any alien or person believed to be an alien as to his right to be or to remain in the United States," and 8 C.F.R. 287.5(a), under which that power may be exercised "anywhere in or outside the United States" -- within the funded program or activity, no State or local government entity, -agency, or -official may interfere with the exercise of that power to interrogate "without warrant" (by agents of the United States acting under color of federal law) by impeding access to any State or local government (or government-contracted) correctional facility by such agents for the purpose "interrogat[ing] any alien or person believed to be an alien as to his [or her] right to be or to remain in the United States."

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction

A. For purposes of this condition:

(1) The term "alien" means what it means under section 101 of the Immigration and Nationality Act (INA) (see 8 U.S.C. 1101(a)(3)).

(2) The term "correctional facility" means what it means under the title I of the Omnibus Crime Control and Safe Streets Act of 1968 (see 34 U.S.C. 10251(a)(7)).

(3) The term "impede" includes taking or continuing any action, or implementing or maintaining any law, policy, rule, or practice, that--

(a) is designed to prevent or to significantly delay or complicate, or

(b) has the effect of preventing or of significantly delaying or complicating.

B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference (within the funded 'program or activity') with federal law enforcement: 8 U.S.C. 1373 and 1644 and ongoing compliance" award condition are incorporated by reference as though set forth here in full.

46. Noninterference (within the funded "program or activity") with federal law enforcement: Notice of scheduled release

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by the award, as of the date the recipient accepts the award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward at any tier.

1. Noninterference with "removal" process: Notice of scheduled release date and time

Consonant with federal law enforcement statutes -- including 8 U.S.C. 1231 (for an alien incarcerated by a State or local government, a 90-day "removal period" during which the federal government "shall" detain and then "shall" remove an alien from the U.S. "begins" no later than "the date the alien is released from ... confinement"; also, the federal government is expressly authorized to make payments to a "State or a political subdivision of the State ... with respect to the incarceration of [an] undocumented criminal alien"); 8 U.S.C. 1226 (the federal government "shall take into custody" certain criminal aliens "when the alien is released"); and 8 U.S.C. 1366 (requiring an annual DOJ report to Congress on "the number of illegal alien[felons] in Federal and State prisons" and programs underway "to ensure the prompt removal" from the U.S. of removable "criminal aliens") -- within the funded program or activity, no State or local government entity, -agency, or -official (including a government-contracted correctional facility) may interfere with the "removal" process by failing to provide -- as early as practicable (see para. 4.C. below) -- advance notice to DHS of the scheduled release date and time for a particular alien, if a State or local government (or government-contracted) correctional facility receives from DHS a formal written request pursuant to the INA that seeks such advance notice.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction

- A. For purposes of this condition:

(1) The term "alien" means what it means under section 101 of the INA (see 8 U.S.C. 1101(a)(3)).

(2) The term "correctional facility" means what it means under the title I of the Omnibus Crime Control and Safe Streets Act of 1968 (see 34 U.S.C. 10251(a)(7)).

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, or any other entity or individual to maintain (or detain) any individual in custody beyond the date and time the individual otherwise would have been released.

- C. Applicability

(1) Current DHS practice is ordinarily to request advance notice of scheduled release "as early as practicable (at least 48 hours, if possible)." (See DHS Form I-247A (3/17)). If (e.g., in light of the date DHS made such request) the scheduled release date and time for an alien are such as not to allow for the advance notice that DHS has requested, it shall NOT be a violation of this condition to provide only as much advance notice as practicable.

(2) Current DHS practice is to use the same form for a second, distinct purpose -- to request that an individual be

detained for up to 48 hours AFTER the scheduled release. This condition does NOT encompass such DHS requests for detention.

D. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference (within the funded 'program or activity') with federal law enforcement: 8 U.S.C. 1373 and 1644 and ongoing compliance" award condition are incorporated by reference as though set forth here in full.

47. Requirement to collect certain information from subrecipients

The recipient may not make a subaward to a State, a local government, or a "public" institution of higher education, unless it first obtains from the proposed subrecipient responses to the questions identified in the program solicitation as "Information regarding Communication with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE)." All subrecipient responses must be collected and maintained by the recipient, consistent with regular document retention requirements, and must be made available to DOJ upon request. Responses to these questions are not required from subrecipients that are either a tribal government/organization, a nonprofit organization, or a private institution of higher education.

48. Compliance with National Environmental Policy Act and related statutes

Upon request, the recipient (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA.

The recipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. The activities covered by this condition are:

a. New construction;

b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and

e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The recipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The recipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://bja.gov/Funding/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Condition to Recipient's Existing Programs or Activities: For any of the recipient's or its subrecipients' existing programs or activities that will be funded by these award funds, the recipient, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

49. Establishment of trust fund

If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish a trust fund account. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The trust fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the award funds in the trust fund (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.

SPECIAL CONDITIONS

50. Prohibition on use of award funds for match under BVP program

JAG funds may not be used as the 50% match for purposes of the DOJ Bulletproof Vest Partnership (BVP) program.

51. Certification of body armor "mandatory wear" policies

The recipient agrees to submit a signed certification that all law enforcement agencies receiving body armor purchased with funds from this award have a written "mandatory wear" policy in effect. The recipient must keep signed certifications on file for any subrecipients planning to utilize funds from this award for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any funds from this award may be used by an agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

52. Body armor - compliance with NIJ standards and other requirements

Ballistic-resistant and stab-resistant body armor purchased with JAG award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and is listed on the NIJ Compliant Body Armor Model List (<https://nij.gov/topics/technology/body-armor/Pages/compliant-ballistic-armor.aspx>). In addition, ballistic-resistant and stab-resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(c)(1)(A). The latest NIJ standard information can be found here: <https://nij.gov/topics/technology/body-armor/pages/safety-initiative.aspx>.

53. Body armor - impact on eligibility for other program funds

The recipient understands that the use of funds under this award for purchase of body armor may impact eligibility for funding under the Bulletproof Vest Partnership (BVP) program, a separate program operated by BJA, pursuant to the BVP statute at 34 USC 10531(c)(5).

54. Reporting requirements

The recipient must submit quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through OJP's GMS (<https://grants.ojp.usdoj.gov>). Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, the recipient must provide data that measure the results of its work. The recipient must submit quarterly performance metrics reports through BJA's Performance Measurement Tool (PMT) website (www.bjaperformancetools.org). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.

55. Required data on law enforcement agency training

Any law enforcement agency receiving direct or sub-awarded funding from this JAG award must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

56. Expenditures prohibited without waiver

No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.

SPECIAL CONDITIONS

57. Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after October 1, 2017

The recipient may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (October 1, 2017), however, the recipient may choose to incur project costs using non-federal funds, but any such project costs are incurred at the recipient's risk until, at a minimum-- (1) the recipient makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by OJP (via a Grant Adjustment Notice). (A withholding condition is a condition in the award document that precludes the recipient from obligating, expending, or drawing down all or a portion of the award funds until the condition is removed.)

Except to the extent (if any) that an award condition expressly precludes reimbursement of project costs incurred "at-risk," if and when the recipient makes a valid acceptance of this award and OJP removes each applicable withholding condition through a Grant Adjustment Notice, the recipient is authorized to obligate (federal) award funds to reimburse itself for project costs incurred "at-risk" earlier during the period of performance (such as project costs incurred prior to award acceptance or prior to removal of an applicable withholding condition), provided that those project costs otherwise are allowable costs under the award.

Nothing in this condition shall be understood to authorize the recipient (or any subrecipient at any tier) to use award funds to "supplant" State or local funds in violation of the recipient's certification (executed by the chief executive of the State or local government) that federal funds will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for law enforcement activities.

58. Use of funds for DNA testing; upload of DNA profiles

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS.

No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA.

Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS.

59. Three percent set-aside for NIBRS compliance

The recipient must ensure that at least 3 percent of the total amount of this award is dedicated to achieving full compliance with the FBI's National Incident-Based Reporting System (NIBRS), unless the FBI or appropriate State official has certified that the recipient locality is already NIBRS compliant, and evidence of this has been submitted to and approved by BJA. The recipient will be required by BJA to make revisions to budgets that do not clearly indicate what projects will be supported by this 3 percent set-aside, unless evidence of NIBRS compliance has been submitted to and approved by BJA. Recipients serving as fiscal agents for "disparate jurisdictions," (as defined at 34 USC 10156(d)(4)) have to pass this requirement through to in subawards to other localities in the disparate jurisdiction, so that each locality in a disparate jurisdiction group dedicates at least 3 percent of award funds to NIBRS compliance, unless, with respect to each locality in the disparate jurisdiction group, evidence of NIBRS compliance has been submitted to and approved by BJA.

61. Withholding of funds: Required certification from the chief executive of the applicant government

The recipient may not obligate, expend, or draw down any award funds until the recipient submits the required "Certifications and Assurances by the Chief Executive of the Applicant Government," properly-executed (as determined by OJP), and a Grant Adjustment Notice (GAN) has been issued to remove this condition.

62. Withholding - DHS question attachment

The recipient may not obligate, expend or draw down funds until the Office of Justice Programs has received and approved the required application attachment(s) described in the program solicitation as "Information regarding Communication with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE)," and has issued a Grant Adjustment Notice (GAN) releasing this special condition.

Memorandum To: Official Grant File

From: Orbin Terry, NEPA Coordinator

Subject: Incorporates NEPA Compliance in Further Developmental Stages for Clackamas County

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

- a. New construction;
- b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see <https://www.bja.gov/Funding/nepa.html>.

Please be sure to carefully review the grant conditions on your award document, as it may contain more specific information about environmental compliance.

BACKGROUND:

The Juvenile Department received notification of a Grant Award for the FY 2020 Local Solicitation provided through the Edward Byrne Memorial Justice Grant (JAG). This is a formula grant providing \$41,824 to Clackamas County. The Juvenile Department was awarded the FY 2010 Local Solicitation of \$46,976, the FY 2011 Local Solicitation of \$39,013,

the FY 2012 Local Solicitation of \$32,236, the FY 2013 Local Solicitation of 29,661, the FY 2014 Local Solicitation of \$29,550, the FY 2015 Solicitation of \$24,237, FY 2016 Solicitation of \$25,771 and the FY 2018 Solicitation of \$36,423.

RECOMMENDATION:

Staff recommends the Board approves and the County Administrator signs the award of the Edward Byrne Memorial Justice Assistance Grant in the amount of \$41,824. The delay in accepting the award was the result of the Chief Legal Officer's inability to sign the "Certification of Compliance with 8 U.S.C. 1373" until recent decisions and modifications to the certificate were made.

Brief Description of Project:

The Clackamas County Juvenile Department (CCJD) strives to keep communities safe through restorative services for youth offenders, victims, and communities. CCJD targets interventions in order to hold youth meaningfully accountable and teach them new skills, while simultaneously addressing the harm done to victims and communities. Youth who have become (or at risk of becoming) involved in the juvenile justice system face significant barriers to developing positive life skills and obtaining an education and employment. These youth exhibit more and greater risk factors, such as school dropout, use of alcohol and/or drugs, lack of connections with positive peers and community members, or experience significant family conflict, than are present in the general youth population. For many youth, access to intervention services is a prominent barrier to participation in programs, treatment and pro-social activities that address risk factors. Funding provided by the Edward Byrne Memorial Justice Assistance Grant will enable CCJD to sustain a .43 FTE Cognitive Skills Group Facilitator position, responsible for facilitating skills groups, many in rural communities, and providing transportation support for juvenile department involved youth to attend appointments and activities.

Section III: Funding Opportunity Information - To be completed at Pre-Application Meeting by Dept Program and Fiscal Staff

Mission/Purpose:

1. How does the grant/funding opportunity support the Department and/or Division's Mission/Purpose/Goals?

This grant supports the County's strategic plan to "ensure safe, healthy and secure communities" and the Juvenile Department's mandate to serve the youth of the County.

2. What, if any, are the community partners who might be better suited to perform this work?

The Juvenile Department is best positioned to administer this grant due to its existing infrastructure, which ensures quality control and adherence to protocols and procedures

3. What are the objectives of this funding opportunity? How will we meet these objectives?

1) Provide coordinated service delivery to at-risk youth, specifically youth in rural areas; 2) reduce risk factors and increase protective factors by providing evidence-based interventions; 3) address transportation barriers for youth that do not have access to public transportation or live in remote geographic areas of Clackamas County

4. Does the grant/financial assistance fund an existing program? If yes, which program? If no, what is the purpose of the program?

This grant will provide additional funding for the Skills Group Program

Organizational Capacity:

1. Does the organization have adequate and qualified staff? If no, can staff be hired within the grant/financial assistance funding opportunity timeframe?

The Juvenile Department has qualified staff currently working to coordinate and facilitate cognitive skills groups, however, the current capacity does not meet the demand for services, especially in rural areas.

2. Are there partnership efforts required? If yes, who are we partnering with and what are their roles and responsibilities?

Yes, there are partnership efforts required. Partnerships with schools and community sites are required and have been established.

3. If this is a pilot project, what is the plan for sunseting the project and/or staff if it does not continue (e.g. making staff positions temporary or limited duration, etc.)?

This is not a pilot project.

4. If funded, would this grant/financial assistance create a new program, does the department intend for the program to continue after initial funding is exhausted? If yes, how will the department ensure funding (e.g. request new funding during the budget process, supplanted by a different program, etc.)?

This award is not being used to create a new program.

Collaboration

1. List County departments that will collaborate on this award, if any.

Collaboration on this award will be with county schools and community sites.

Reporting Requirements

1. What are the program reporting requirements for this grant/funding opportunity?

Semi-annual progress reports are required, as is a final progress report.

2. How will performance be evaluated? Are we using existing data sources? If yes, what are they and where are they housed? If not, is it feasible to develop a data source within the grant timeframe?

Evaluation of grant performance will be done utilizing existing collection efforts and procedures. Data collected will include: number of youth served; number of youth completing programming; risk reduction. Impact of groups on youth participants will also be measured through the use of pre- and post-group surveys.

3. What are the fiscal reporting requirements for this funding?

Quarterly financial reports are required, as well as a final financial report. An annual audit report may also be required.

Fiscal

1. Will we realize more benefit than this financial assistance will cost to administer?

The benefits to the County and its citizens far exceed the cost to administer the grant.

2. Are other revenue sources required? Have they already been secured?

Additional revenue sources are not required for this program.

3. For applications with a match requirement, how much is required (in dollars), and what type of funding will be used to meet it (Cash-CGF, In-kind meaning the value from a 3rd party/non-county entity, Local Grant, etc.)?

This grant award does not have a match requirement.

4. Does this grant/financial assistance cover indirect costs? If yes, is there a rate cap? If no, can additional funds be obtained to support indirect expenses and what are they?

This grant does allow for indirect costs; however based upon the standards outlined, we are not eligible to charge for indirect costs.

Office of the Assistant Attorney General

Washington, D.C. 20531

September 18, 2020

Mr. Gary Schmidt
County of Clackamas
2051 Kaen Road
Oregon City, OR 97045-4035

Dear Mr. Schmidt:

On behalf of Attorney General William P. Barr, it is my pleasure to inform you that the Office of Justice Programs (OJP), U.S. Department of Justice (DOJ), has approved the application by County of Clackamas for an award under the OJP funding opportunity entitled "JAG Local: Eligible Allocation Amounts \$25,000 or More." The approved award amount is \$41,824. These funds are for the project entitled Cognitive Skills Group.

The award document, including award conditions, is enclosed. The entire document is to be reviewed carefully before any decision to accept the award. Also, the webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm) is to be consulted prior to an acceptance. Through that "Legal Notices" webpage, OJP sets out -- by funding opportunity -- certain special circumstances that may or will affect the applicability of one or more award requirements. Any such legal notice pertaining to award requirements that is posted through that webpage is incorporated by reference into the award.

Please note that award requirements include not only award conditions, but also compliance with assurances and certifications that relate to conduct during the period of performance for the award. Because these requirements encompass financial, administrative, and programmatic matters, as well as other important matters (e.g., specific restrictions on use of funds), it is vital that all key staff know the award requirements, and receive the award conditions and the assurances and certifications, as well as the application as approved by OJP. (Information on all pertinent award requirements also must be provided to any subrecipient of the award.)

Should County of Clackamas accept the award and then fail to comply with an award requirement, DOJ will pursue appropriate remedies for non-compliance, which may include termination of the award and/or a requirement to repay award funds.

Please direct questions regarding this award as follows:

- For program questions, contact Heather Wiley, Program Manager at (202) 598-3969; and
- For financial questions, contact the Customer Service Center of OJP's Office of the Chief Financial Officer at (800) 458-0786, or at ask.ocfo@usdoj.gov.

We look forward to working with you.

Sincerely,

Mr. Gary Schmidt
County of Clackamas
2051 Kaen Road
Oregon City, OR 97045-4035

Dear Mr. Schmidt:

Congratulations on your recent award. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972, require recipients of federal financial assistance to give assurances that they will comply with those laws. In addition to those civil rights laws, many grant program statutes contain nondiscrimination provisions that require compliance with them as a condition of receiving federal financial assistance. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with OJP and other DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a non-discriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEO requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(c)(5). Please submit information about any adverse finding to the OCR at the above address.

We at the OCR are available to help you and your organization meet the civil rights requirements that are associated with OJP and other DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to let us know.

Sincerely,

AWARD DATE 09/18/2020

SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

SPECIAL CONDITIONS

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2020 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2020 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2020 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

8. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

9. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or

any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

10. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

11. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

12. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

15. Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ)(or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

16. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

SPECIAL CONDITIONS

24. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

25. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2020) The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions that may be set out in applicable appropriations acts are indicated at <https://ojp.gov/funding/Explore/FY20AppropriationsRestrictions.htm>, and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

27. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

29. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

30. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. 31. Authority to obligate award funds contingent on noninterference (within the funded "program or activity") with federal law enforcement: information-communication restrictions; unallowable costs; notification
1. If the recipient is a "State," a local government, or a "public" institution of higher education:
- A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded wholly or partly with award funds is subject to any "information-communication restriction."
- B. Also, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient, at any tier, described in par. 1.A of this condition) that would be reimbursed wholly or partly with award funds was subject to any information-communication restriction.
- C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) described in par. 1.A of this condition, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: information-communication restrictions; ongoing compliance."
- D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient (at any tier) described in par. 1.A of this condition, may be subject to any information-communication restriction. Also, any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.
2. Any subaward (at any tier) to a subrecipient described in par. 1.A of this condition must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.
3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... information-communication restrictions; ongoing compliance" award condition.
4. Rules of Construction
- A. For purposes of this condition "information-communication restriction" has the meaning set out in the "Noninterference ... information-communication restrictions; ongoing compliance" condition.
- B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference ... information-communication restrictions; ongoing compliance" condition are incorporated by reference as though set forth here in full.

35. Noninterference (within the funded "program or activity") with federal law enforcement: No public disclosure of certain law-enforcement-sensitive information

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by the award, as of the date the recipient accepts this award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward (at any tier).

1. Noninterference: No public disclosure of federal law-enforcement information in order to conceal, harbor, or shield

Consistent with the purposes and objectives of federal law enforcement statutes and federal criminal law (including 8 U.S.C. 1324 and 18 U.S.C. chs. 1, 49, 227), no public disclosure may be made of any federal law-enforcement information in a direct or indirect attempt to conceal, harbor, or shield from detection any fugitive from justice under 18 U.S.C. ch. 49, or any alien who has come to, entered, or remains in the United States in violation of 8 U.S.C. ch. 12 -- without regard to whether such disclosure would constitute (or could form a predicate for) a violation of 18 U.S.C. 1071 or 1072 or of 8 U.S.C. 1324(a).

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

SPECIAL CONDITIONS

37. Noninterference (within the funded "program or activity") with federal law enforcement: Notice of scheduled release

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by the award, as of the date the recipient accepts the award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward at any tier.

1. Noninterference with "removal" process: Notice of scheduled release date and time

Consonant with federal law enforcement statutes -- including 8 U.S.C. 1231 (for an alien incarcerated by a State or local government, a 90-day "removal period" during which the federal government "shall" detain and then "shall" remove an alien from the U.S. "begins" no later than "the date the alien is released from ... confinement"; also, the federal government is expressly authorized to make payments to a "State or a political subdivision of the State ... with respect to the incarceration of [an] undocumented criminal alien"); 8 U.S.C. 1226 (the federal government "shall take into custody" certain criminal aliens "when the alien is released"); and 8 U.S.C. 1366 (requiring an annual report to Congress on "the number of illegal alien[felons] in Federal and State prisons" and programs underway "to ensure the prompt removal" from the U.S. of removable "criminal aliens") -- within the funded program or activity, no State or local government entity, -agency, or -official (including a government-contracted correctional facility) may interfere with the "removal" process by failing to provide -- as early as practicable (see para. 4.C. below) -- advance notice to DHS of the scheduled release date and time for a particular alien, if a State or local government (or government-contracted) correctional facility receives from DHS a formal written request pursuant to the INA that seeks such advance notice.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction

A. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, or any other entity or individual to maintain (or detain) any individual in custody beyond the date and time the individual otherwise would have been released.

- B. Applicability

(1) Current DHS practice is ordinarily to request advance notice of scheduled release "as early as practicable (at least 48 hours, if possible)." (See DHS Form I-247A (3/17)). If (e.g., in light of the date DHS made such request) the scheduled release date and time for an alien are such as not to allow for the advance notice that DHS has requested, it shall NOT be a violation of this condition to provide only as much advance notice as practicable.

(2) Current DHS practice is to use the same form for a second, distinct purpose -- to request that an individual be detained for up to 48 hours AFTER the scheduled release. This condition does NOT encompass such DHS requests for detention.

C. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference (within the funded "program or activity") with federal law enforcement: Interrogation of certain aliens" award condition are incorporated by reference as though set forth here in full.

55. Compliance with National Environmental Policy Act and related statutes

Upon request, the recipient (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA.

The recipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. The activities covered by this condition are:

a. New construction;

b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and

e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The recipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The recipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://bj.gov/Funding/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Condition to Recipient's Existing Programs or Activities: For any of the recipient's or its subrecipients' existing programs or activities that will be funded by these award funds, the recipient, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

56. Establishment of trust fund

If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish a trust fund account. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The trust fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the award funds in the trust fund (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. SPECIAL CONDITIONS

57. Prohibition on use of award funds for match under BVP program

JAG funds may not be used as the 50% match for purposes of the DOJ Bulletproof Vest Partnership (BVP) program.

58. Certification of body armor "mandatory wear" policies

If recipient uses funds under this award to purchase body armor, the recipient must submit a signed certification that law enforcement agencies receiving body armor purchased with funds from this award have a written "mandatory wear" policy in effect. The recipient must keep signed certifications on file for any subrecipients planning to utilize funds from this award for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any funds from this award may be used by an agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

59. Body armor - compliance with NIJ standards and other requirements

Ballistic-resistant and stab-resistant body armor purchased with JAG award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and is listed on the NIJ Compliant Body Armor Model List (<https://nij.gov/topics/technology/body-armor/Pages/compliant-ballistic-armor.aspx>). In addition, ballistic-resistant and stab-resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(c)(1)(A). The latest NIJ standard information can be found here: <https://nij.gov/topics/technology/body-armor/pages/safety-initiative.aspx>.

60. Body armor - impact on eligibility for other program funds

The recipient understands that the use of funds under this award for purchase of body armor may impact eligibility for funding under the Bulletproof Vest Partnership (BVP) program, a separate program operated by BJA, pursuant to the BVP statute at 34 USC 10531(c)(5).

61. Reporting requirements

The recipient must submit quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through OJP's GMS (<https://grants.ojp.usdoj.gov>). Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, the recipient must provide data that measure the results of its work. The recipient must submit quarterly performance metrics reports through BJA's Performance Measurement Tool (PMT) website (<https://bjapmt.ojp.gov/>). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.

62. Required data on law enforcement agency training

Any law enforcement agency receiving direct or sub-awarded funding from this JAG award must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

SPECIAL CONDITIONS

63. Expenditures prohibited without waiver

No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.

64. JAG FY 2020 - Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after October 1, 2019 [BJA]

Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after October 1, 2019

The recipient may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (October 1, 2019), however, the recipient may choose to incur project costs using non-federal funds, but any such project costs are incurred at the recipient's risk until, at a minimum-- (1) the recipient makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by OJP (via a Grant Adjustment Notice). (A withholding condition is a condition in the award document that precludes the recipient from obligating, expending, or drawing down all or a portion of the award funds until the condition is removed.)

Except to the extent (if any) that an award condition expressly precludes reimbursement of project costs incurred "at-risk," if and when the recipient makes a valid acceptance of this award and OJP removes each applicable withholding condition through a Grant Adjustment Notice, the recipient is authorized to obligate (federal) award funds to reimburse itself for project costs incurred "at-risk" earlier during the period of performance (such as project costs incurred prior to award acceptance or prior to removal of an applicable withholding condition), provided that those project costs otherwise are allowable costs under the award.

65. Use of funds for DNA testing; upload of DNA profiles

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS.

No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA.

Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS.

66. Encouragement of submission of "success stories"

BJA strongly encourages the recipient to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to a My BJA account at <https://www.bja.gov/Login.aspx> to access the Success Story Submission form. If the recipient does not yet have a My BJA account, please register at <https://www.bja.gov/profile.aspx>. Once registered, one of the available areas on the My BJA page will be "My Success Stories." Within this box, there is an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the BJA Success Story web page at <https://www.bja.gov/SuccessStoryList.aspx>.

Memorandum To: Official Grant File

From: Orbin Terry, NEPA Coordinator

Subject: Incorporates NEPA Compliance in Further Developmental Stages for County of Clackamas

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

- a. New construction;
- b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see <https://www.bja.gov/Funding/nepa.html>.

Please be sure to carefully review the grant conditions on your award document, as it may contain more specific information about environmental compliance.

Background:

The mission of the Clackamas County Juvenile Department (“CCJD”) is to provide equitable juvenile justice, family support, intervention, and reformation services to youth so they can repair harm to victims, experience positive change, and contribute to a safe, healthy, and secure community.

CCJD supports a system of interventions that addresses a youth’s risk factors and supports success for that youth by identifying and building upon their strengths, competencies, and natural supports to prevent further system involvement. Parrott Creek Child and Family Services, Inc. has provided outpatient treatment for youth who have been adjudicated for committing sex offenses and are under the supervision of CCJD for many years. This program allows youth to be served in Clackamas County in a developmentally appropriate, least restrictive, and cost-effective manner, while allowing the youth to maintain their connections to their community. For the last three years since we began to track outcomes for Performance Clackamas, 100% of the youth who participated in this treatment program successfully completed it, which assists in keeping the community safe.

Procurement Process:

This procurement was advertised in accordance with ORS and LCRB Rules on July 28, 2020. Proposal was opened on August 27, 2020. The County received one (1) Proposal: Parrott Creek Child and Family Services, Inc. An evaluation committee scored the proposal and confirmed their capability of performance.

Recommendation:

Staff respectfully recommends that the Board approve and execute the Contract with Parrott Creek Child and Family Services, Inc. for the Juvenile Sex Offense Treatment Program.

Sincerely,

Christina McMahan, Director
Clackamas County Juvenile Department

Introduction

52 years ago, the Commissioners and citizens of Clackamas County made a decision to invest in a community asset to support some of our most vulnerable community members: children and families caught up in the child welfare and juvenile justice systems. What was first just a farmhouse and ranch program to help kids “get away from it all” has grown into a robust community-based organization offering expertise in a diverse array of programs and services that help children and families stabilize their lives, identify their strengths and develop life-long skills that support their success, all the while making our communities safer, healthier and more nurturing for all of us. Every year, nearly 800 children and families benefit from our support, not only enriching their lives but saving hundreds of thousands of dollars for our taxpayers. Our expertise and experience covers:

- Children and teens in the Child Welfare system
- Youth in the Juvenile Justice system
- Community-based Restorative Justice programming
- Young people with high levels of Adverse Childhood Experiences (ACEs)
- Families with substance abuse challenges
- Families facing housing insecurity and homelessness
- Behavioral Health (mental health, drug & alcohol, sexually harming behaviors)

Parrott Creek has been successfully providing Juvenile Sex Offense Treatment services for youth in Clackamas County for almost 20 years, delivering a highly effective service to the Clackamas County Juvenile Department, Oregon Youth Authority and, latterly, Oregon Department of Human Services.

Parrott Creek consistently applies a developmentally appropriate, strengths-based, trauma-informed and evidence-based approach to the design of *all* its programs and services. Our work is also premised on an inclusive, anti-racist ethos, responding to both BIPOC and LGTBTQI communities.

Our business model, strategic aims and overarching ethos align directly with the Clackamas County Juvenile Department’s vision of “...a system of care that addresses a youth’s risk factors and supports success for that youth by identifying and building upon their strengths, competencies, and natural supports.”

We have a broad array of local partnerships and culturally specific resources that also assist in creating greater connections for youth and their families to their local community.

Service Delivery

Parrott Creek Child and Family Services has been facilitating the Lifeguards Juvenile Sex Offense Treatment (JSOT) program in conjunction with the Clackamas County Juvenile Department (CCJD) for close to 20 years. Parrott Creek's Lifeguard JSOT program has a Certified Clinical Sexual Offense Therapist (CCSOT) with three years of experience managing and conducting all services in the program and seven year's experience providing offence-specific treatment to adjudicated youth. This therapist receives direct clinical supervision from the Director of Clinical Services and management supervision and oversight from the Director of Programs as well as the Executive Director of Parrott Creek.

Parrott Creek will offer flexible operating hours to accommodate the needs of youth, families, and the CCJD. Generally speaking the therapist would work between 10 AM and into the early evening Monday through Thursday depending upon the scheduling of groups and the schedules of youth clients, their families and the professionals at the CCJD. The program will operate on Fridays and weekends if it is necessary to accommodate the needs of youth or families.

During the Covid 19 pandemic, the current JSOT program moved individual and group meetings to telehealth/video conferencing platforms through discussion, planning and collaboration with the Clackamas County Juvenile Department. As the pandemic continues, adaptations for treatment groups, parent groups, and meetings with the CCJD have been continually developed and adapted based on the guidelines of the Oregon Health Authority (OHA) and Centers for Disease Control (CDC). Parrott Creek continues to liaise with CCJD on our response to Covid-19 and how best to meet the needs of JSOT clients.

Paul Stanzione, MSW, LCSW, CCSOT, has been the JSOT therapist and program manager for the last 3 years. Paul is a Licensed Clinical Social Worker and has been a Sexual Offense Treatment Board (SOTB) Certified Clinical Sex Offender Therapist (CCSOT) in the State of Oregon for the past two years. Paul, in his time as the Lifeguards' JSOT therapist has conducted dozens and dozens of psychosexual assessments utilizing his education, clinical experience and SOTB approved continuing education training.

Service Components as outlined in Section 3.3.2 of RFP

Upon receiving a referral for a psychosexual assessment from the CCJD, the JSOT therapist collates all appropriate referral information including police reports. Then, coordinating with the assigned Juvenile Court Counselor, the therapist arranges to have an assessment interview with the client and

appropriate caregivers. Again, utilizing clinical experience and appropriate assessment tools such as the "JSOAP II" and the "PROFESOR," the JSOT therapist will produce a detailed psychosexual assessment with a recommendation for an appropriate level of clinical service for the CCJD's consideration.

For youth directly referred to the JSOT Lifeguards program the therapist will contact them in a timely manner and arrange an intake meeting. During the times of COVID; assessments, individual and family sessions, group therapy and CCJD meetings are being conducted via video/telehealth platforms. After intake, the therapist's first priority is assessing the youth's current living and social situation. This leads to the development of a comprehensive Safety Plan ensuring the safety of both the community, the youth and the youth's family. This is done in conjunction with the assigned Juvenile Court Counselor, the youth and their family. Within 30 days of intake, a treatment plan is developed and submitted which details specific treatment goals aligned with the youth's needs and considerations of community safety.

Embedded within the treatment plan is a prescription for the dosages treatment i.e., number of individual sessions per month, family sessions per month and group treatment applicability. Each youth is assessed by the therapist to make sure that the dosage of treatment fits within the parameters of the CCJDs requirements for Juvenile Sex Offender Treatment while simultaneously taking consideration the youth's developmental capacities. Developmental considerations include chronological age and emotional maturity, cognitive and psychoemotional conditions as well as specificities in regards to offenses. Family time commitments are also taken into consideration.

Treatment modalities employed include but are not limited to: Cognitive Behavioral Therapy, Dialectical Behavior Therapy, solution focused work as well as Motivational Interviewing techniques. Offending cycles are examined, if appropriate, as well as familial and social supports to help the youth safely integrate into more normalized community interactions.

Relapse prevention is addressed as well as detailed work in regards to victim clarification to whatever degree is appropriate and possible. Most importantly, a mindfulness-based, relational approach employed by the JSOT therapist develops a therapeutic relationship that simultaneously has defined boundaries and cultivates an environment of trust and safety. This enables the youth to eventually hold themselves accountable. This is the catalyst to internalize, long-term change which ensures future safety for both the community and the youth themselves.

The JSOT Lifeguards program has always embodied the idea that collaboration is the key to successful treatment. In addition to any monthly meetings with the JSO team and case specific meetings with the assigned Juvenile Court Counselor, consistent and clear communication with the CCJD is the norm.

The JSOT Lifeguards therapist has extensive experience in polygraph preparation having gone through the process with clients for over seven years in two different Parrott Creek programs working with adjudicated youth. The JSOT therapist works closely with the CCJD, the youth and their family, and whenever possible the polygrapher to try and ensure successful polygraph completion. Offense history review, therapeutic trust, role-play and questions specific investigation are all employed for this.

The JSOT therapist will do everything they can to coordinate and schedule quarterly treatment reviews for each client to include the youth, parents/guardians, and the assigned Juvenile Court Counselor.

All treatment will be completed within the prescribed treatment period unless an extension is arranged by the CCJD. All tracking of treatment and treatment completion summaries will be provided to the CCJD within the prescribed time frames.

The Lifeguards JSOT program treatment structure and protocols will ensure that:

- psychosexual assessments will be done prior to treatment starting.
- Individual sessions will be completed once per week.
- Group therapy sessions will be conducted once a week.
- Family therapy sessions will be conducted twice a month and will include historical reviews, support for the family within the treatment plan, and addressing any ongoing crises that occur.
- Within the first four months of treatment each youth will be prepared for a full disclosure polygraph as well as ongoing maintenance polygraphs every 4 to 6 months after the full disclosure.
- The therapist will conduct quarterly treatment reviews for all clients.
- The therapist will participate in quarterly treatment reviews for all clients.
- The therapist will provide parent, psychoeducational and support groups that will facilitate discussions in the following: sharing of information in regards to juvenile sex offender treatment, family challenges, and engagement in the sex offender treatment process.
- The therapist will complete additional psychosexual assessments for all clients every six months using approved risk assessment tools. And within 30 days of completion of treatment the therapist will provide a discharge summary outlining treatment progress and final recommendations.

- The therapist will participate in the monthly CCJDs JSO team meetings.
- The Lifeguards JSOT program provides services to Clackamas County families through the CCJD and our treatment philosophy is always family focused.
- Outside the times of COVID, the treatment provider's office is centrally located in Oregon City easily accessible by public transportation.
- The program provides flexible hours for treatment to accommodate youth and family schedules and the ease of treatment around school, work and social activity commitments. This is tailored individually to the needs of participants.
- The therapist has direct clinical supervision on a weekly basis with the director of clinical services of Parrott Creek as well as supervision with Parrott Creek's Director of Programs and Executive Director to ensure oversight, support, and quality assurance.
- Part of the Lifeguards JSOT programs' philosophy is that clients feedback is essential for success in assessing internalization of treatment goals. Therefore, the program does all it can to acquire real-time feedback from the clients and the family/guardians regarding treatment goals and satisfaction of the treatment provided.
- In addition to participating with the JJCD in regards to program functionality, oversight of all program processes is carried out by Parrott Creek's Director of Clinical Services Parrott Creek, the Director of Programs and the Executive Director. In addition, bi-monthly reports are given to Parrott Creek's Board of Directors which includes oversight from the District Attorney and a Clackamas County Circuit Court Judge.
- The therapist is a master level Licensed Clinical Social Worker as well as being certified by the SOTB as a Certified Clinical Sex Offender Therapist (CCSOT).
- The Lifeguards JSOT therapist maintains all relevant trainings to maintain licensure and certifications that include but are not limited to: restorative justice, trauma informed care, cultural and racial and ethnic and religious and sexual orientation and gender identity responsivity, best practice and treatment of juvenile sex offenders and all the trainings recommended by the CCJD.
- The therapist will be able to provide documentation of license, certifications, and all training.
- The therapist will utilize all culturally relevant services including interpretation and translation services when necessary.

The JSOT therapist has extensive experience working with youth with a wide variety of needs and from differing demographics. These include youth with developmental delays, spectrum disorders, significant mental health conditions and substance abuse issues. The JSOT therapist has worked with youth between the ages of 11 and 20 as well as youth from diverse racial, ethnic, cultural, and different genders and gender identities.

Ensuring that our programs and services are culturally responsive

Youth and their families are fully involved in creating individualized goals for themselves in equal partnership with staff and in a culturally responsive manner. Parrott Creek staff use the culture, knowledge and prior experiences of participants to ensure that their treatment is relevant and effective for them. We know that youth and families want our services to be relevant and comfortable, such as incorporating relatable aspects of their communities. Lastly, being culturally responsive includes having bilingual staff or translation support where and when appropriate.

At Parrot Creek, we endeavor to:

- Speak to young people and families in preferred language whenever possible
- Learn about family and community cultural values and discuss these in service and case planning
- Incorporate cultural heritage into service content
- Factor in each young person's, and their families', strengths and characteristics
- Train staff to uphold key cultural values of different ethnicities
- Ask youth and/or families how they want to be respected and validated
- Support staff in validating the opinions of both youth and families
- Help participants access essential, cultural resources in the community
- Support open discussions on family matters between youth, their caregivers and/or extended family
- Provide services with a relational-cultural lens that upholds their community values

Case Examples

Parrott Creek's JSOT program works to be mindful of the position of the therapist and the power differential that exists between the provider and the youth. We also recognize and accommodate the fact that cultural factors influence the youth and families' approach to the treatment process, that we should adapt to their needs and perspective and not the other way around. The program has had open conversations with Black youth and their families about the historical trauma they've experienced from the legal system and how that leads to fear and apprehension about trusting the process due to uncertainty around being treated fairly. The provider has worked to understand their perspective and to develop a trusting therapeutic relationship. Through observable actions, the JSOT therapist demonstrated their ability to be a professional who is attempting to help address the underlying issues that contributed to their sexually harmful behaviors. These conversations have been had in collaboration with Juvenile Court Counselors (when appropriate) to help reassure the family that the

primary focus is treatment and to help the youth stay with their family and within their community unless they are not able to alter behaviors that are unsafe and put them and others at risk.

These experiences have further illustrated the importance within Parrott Creek to educate staff on being self-aware of their own bias and considerations when working with youth and families of color within the juvenile justice setting. Mindfulness practice and self-reflection on one's own implicit bias is required of all staff on a weekly basis and forms part of both informal and formal staff supervision meetings. (See below for more detail on our culturally responsive service design.)

Parrott Creek's JSOT therapist works to recognize the community support network each youth and their families have and works to honor that within their treatment. Understanding the youth's culture, beliefs, or family systems are important when considering treatment plans and interventions. Recently the JSOT program worked with an Pacific Islander youth who had a large extended family and where their offenses greatly impacted the family's ability to have meetings and gatherings that are vital to their culture. The youth's ability to understand the impact that he had on his family system made the clarification process in treatment more meaningful. Understanding their culture was important for the provider's ability to help the youth understand the impact of his actions and why addressing the abuse was important for the person impacted as well as the entire family system. This experience and others have been important reminders for the agency on the importance of taking a holistic approach to the assessment process to fully understand a youth and their culture to help inform the interventions. The JSOT therapist also drew on Parrott Creek's 20+ years delivering Restorative Justice (RJ) programs and using RJ practice in community-based and residential programs for youth in the juvenile justice system.

Adhering to Ethical Standards

Through maintaining their SOTB certification, the Lifeguards JSOT clinician stays up-to-date on the most current clinical practices, policies and standards in regards to Juvenile Sex Offender Treatment. Parrott Creek and the JSOT therapist adhere to all ethical standards and requirements of both Association for Treatment of Sexual Abusers (ASTA) and the SOTB.

Treatment success has been and will be demonstrated through detailed documentation of goal completion, treatment progress as reported in real time to the youth, family, and the CCJD. Recent history of the Lifeguards program has shown 100% success in regards to sexual offense recidivism.

Demonstrated Ability to Provide JSOT Services

Parrott Creek Child and Family Services has been delivering the requested Juvenile Sex Offense Treatment service in a collaborative manner with the Clackamas County Juvenile Department for at least 20 years. Parrott Creek's program is staffed by a licensed MSW Therapist who is a Certified Clinical Sexual Offense Therapist as licensed by the Oregon Sexual Offense Treatment Board for the past six years. This certification allows the therapist to provide psychosexual assessments and sex offense specific treatment to youth in Oregon that is of an exemplary standard and meets the criteria for a provider for youth referred by the Juvenile Department.

The current therapist also has three years' experience working closely with the Clackamas County Juvenile Department as the Therapist for the current Lifeguards Juvenile Sex Offense Treatment Program as well as four years' experience working collaboratively with the Clackamas County Juvenile Department and the Oregon Youth Authority (OYA) at Parrott Creek's Residential Programs prior to being moved at the request of the Juvenile Department to the Lifeguards Juvenile Sex Offense Treatment program.

Parrott Creek Child and Family Services has been treating youth with sexually harming behavior for more than twenty years both contracting with OYA in our residential program and also in our Shelter Program with youth from Clackamas County Juvenile Department. In 2019, at the request of the Oregon Department of Human Services (DHS), we opened a new program for highly traumatized and reactive youth with sexually concerning behaviors on our residential campus.

All of these programs have required the development of a Quality Assessment, as well as an appropriate psychosexual assessment. This assessment then drives the creation of a treatment plan collaboratively with the youth, the family and any other relevant agencies such as the Juvenile Department. The treatment plan provides a comprehensive outline of the youth's progress through treatment, any necessary safety planning, family work, supervision needs, an outline of the youths goals towards clarification with victims and transition from the program with re-unification with their family, or in the case of youth in residential programs their next resource, as the ultimate goal.

All goals created during the treatment plan are family and youth centric and based on self-identified and culturally specific strengths identified by and with the client. Parrott Creek has a core belief that youth and families are doing the best they are able to with the skills they currently have. With the acquisition

of new skills in a regulated individual and/or group setting, youth and families will be able to access new skills and practice them allowing for different responses when faced with difficult choices.

Our Juvenile Sex Offence Treatment program will be in alignment with the Clackamas County Juvenile Department's mission to provide equitable juvenile justice, family support and reformation services to youth so they can repair harm to victims, experience positive change and contribute to a safe, healthy and secure community. The program will comply with the Oregon Sex Offenders Treatment Boards practices and standards as well as the Treatment of Sexual Abusers standards. The program will consist of a caseload of up to 25 clients and their families between the ages of 10 and 18.

Parrott Creek's programs are regularly revised, adapted and improved based on a robust quality assurance process. Parrott Creek, for 15 years, has been developing a mindfulness-based approach to treatment that emphasizes regulation and accountability for youth and staff. The Lifeguards JSOT program has been part of this development and growth. This commitment to program development has resulted in the ability to meet the challenges of changing standards (SOTB, ATSA, etc.) as well as ensuring appropriately qualified staff are providing our services.

Parrott Creek has always been a family centered agency. We engage families in every aspect of treatment for youth, beginning with the creation of the treatment plan through the clarification process and transition from the program. The Lifeguards JSOT program has consistently engaged families in parent meetings, parent groups and individually. We have adopted a culturally responsive approach to all our work engaging with youth and families, particularly when working with such community and culturally sensitive issues as sexual offences and sexually inappropriate behaviors.

Restorative Justice

Our Lifeguards Juvenile Sex Offence Treatment program, along with all other programs at Parrott Creek, has incorporated a Restorative Justice (RJ) approach to treatment that aligns with the Clackamas County Juvenile Department's own RJ ethos and practice to working with youth. The Lifeguards JSOT program emphasizes the idea of true accountability for youth and grounding this on a youth's understanding of their responsibility for the harm they have done to firstly their victims, but also the communities of their victims' family, their own family and ultimately the harm they have caused the community at large. While the clarification process is not a traditionally reparative process it does give opportunity for youth to listen to and acknowledge the harm their victims and their families have experienced, to be honest about the harm they have caused to victims and to explain how this will not happen again.

Parrott Creek has 20+ years' experience developing and implementing Restorative Justice programs and services in the community, as part of outpatient treatment and within our residential programs. Parrott Creek is an active and contributing member of the Restorative Justice Coalition of Oregon as well as a number of other community-based initiatives related to Restorative Justice.

Parrott Creek has not experienced any difficulty in meeting the requirements of the contracts it has with OYA, DHS or the Clackamas County Juvenile Department. We have not been subject to any corrective actions or had service delivery difficulties, beyond hiring new staff when vacancies happen.

20 Year JSOT Track Record

Parrott Creek's most significant strength for this application is a proven, 20 year track record in successfully providing services to sexually harming youth in Clackamas County in both our residential programs and the Lifeguards Juvenile Sex Offence Treatment outpatient program. We have demonstrated a commitment to supporting staff in acquiring the appropriate licensing for therapists along with the certification from the SOTB board to provide services in the most effective, ethical and evidence-based manner. The costs of SOTB and other credentialing requirements are typically not covered by the contract amount and is a commitment Parrott Creek has made as an agency.

Parrott Creek has a long history of working in Restorative Justice as well as using evidence based practice in treatment and assessments. Ensuring staff are trained in using the JSOAP II, and the PROFESSOR as part of the comprehensive psychosexual assessment provided by Parrott Creek for youth in the program. (Parrott Creek staff are also trained in using the ERASOR assessment tool, while there is growing evidence that the ERASOR does not accurately predict sexual recidivism and has limited ability to accurately predict nonsexual or general recidivism.)

If successful in the RFP process there would be no interruption in programming as Parrott Creek's Lifeguards Juvenile Sex Offence Treatment program is currently serving this population in the County.

Based on the budgeted amount Parrott Creek would be able to accommodate a caseload of 25 youth in outpatient services at any given time.

Cultural and Gender Responsivity

Parrott Creek is committed to delivering the Juvenile Sex Offense Treatment program through an equity lens and removing barriers to equitable outcomes for all youth, particularly those excluded from

traditional provision - Black, Indigenous and People of Color (BIPOC) and lesbian, gay, bisexual, transgender, queer, questioning, intersex (LGBTQI) communities. We will ensure that our service centers diversity, equity and inclusion. As answered in previous questions, Parrott Creek's work is founded on the principle that youth and families are the experts in their lives and lived experiences. Youth and families should lead in creating individualized goals for themselves, to best meet their needs, in partnership with staff. Parrott Creek will base all Juvenile Sex Offense Treatment in a family or child's own culture, identity and/or belief systems.

Cultural and gender/identity-responsive services are not an add-on but core to our treatment modality. In order to prioritize equitable outcomes, a robust equity lens will be employed that outlines expected results, data collection and analysis, community engagement, and accountability.

As an organization, we are also committed to expanding opportunities for racial equity and social justice by identifying, challenging, and changing the values, structures and behaviors that perpetuate systemic inequities, and including gender inequalities.

The clinician working in the Lifeguards Juvenile Sex Offense Treatment program attends the Oregon Adolescent Sex Offender Treatment Network (OASOTN) annual training which, through multiple presentations, incorporates cultural and gender responsive elements over 12 hours of workshops when discussing youth who engage in sexually harmful behaviors. Trainings highlight appropriate assessment and interventions for youth and family systems of color, honoring different cultures and belief systems, and appropriate interventions and inclusive teachings around healthy sexuality with LGBTQQI youth (understanding discrimination and challenges with hetero-normative traditional sex education).

In addition, the clinician has worked with a Planned Parenthood educator over the past 3 years learning about the holistic approach the organization takes in teaching about sexuality and discussing gender identity, cultural differences, body differences, sexual orientation, different forms of intimacy, as well as other pertinent topics. The Lifeguards Juvenile Sex Offense Treatment clinician also meets with Parrott Creek management to audit and improve upon implementation of best practices when working with youth and families from different cultures and/or who have varying identities. The clinician has also attended gender specific training on the population of women and girls in engage in sexually harming behaviors that discusses assessment and intervention. The clinician has attended trainings discussing gender differences in sexually harming behaviors and appropriate interventions. The Lifeguards Juvenile Sex Offense Treatment assessment process considers a youth and their family's culture,

identity, and belief system and factors into the youth's treatment plan in order to individualized services accordingly and being mindful of how these factors may influence their treatment process. Discussions around these factors are conducted with the youth's Juvenile Court Counselors and a collaborative approach is taken to provide the youth the best opportunity to succeed in the program.

Twice per year Parrott Creek requires each program or service to undertake a comprehensive Culturally Responsive Service Audit and develop action plans based on these. Equity & Inclusion is a standing item at all monthly management team meetings. Mindfulness practice and self-reflection on one's own implicit bias is required of all staff on a weekly basis and forms part of both informal and formal staff supervision meetings.

Parrott Creek is about to undertake a three-part, 12 hour training on sexism, misogyny, race, power and intersectionality with Equality Works NW. This training will use a multi-modality approach and will rely heavily on community participation.

On average, each Parrott Creek employee receives upwards of 12-16 hours per year in training and support on Diversity, Equity and Inclusion on top of the formal training programs described above.

Parrott Creek's Board of Directors has instituted a process to assess, review and revise policies and procedures for institutional racism and bias as per our Equity, Inclusion and Anti-Racism Strategy.

Finally, Parrott Creek created a Youth Council which meets on a weekly basis to provide feedback and input on program and service design. The Youth Council also attends Parrott Creek Board meetings six times per year.

Parrott Creek has several bilingual staff in Spanish who can support the Lifeguards Juvenile Sex Offense Treatment program as required to meet the needs of mono-lingual Spanish youth. Parrott Creek has a good partnership with Latino Network and the Native American Youth & Family Center (NAYA) to either commission additional support or engage in our service with youth or their families. Parrott Creek also has a contract with *Alboum: the translation agency for nonprofits* to provide fully comprehensive interpretation and/or translation services on demand and as needed by other monolingual youth or families. Parrott Creek has already used these services for Russian and Vietnamese families in Clackamas County.

Staff Descriptions and Qualifications

Parrott Creek's JSOT program is delivered by a Licenced Clinical Social Worker who has been a SOTB Certified Clinical Sex Offender Therapist (CCSOT) in the State of Oregon for the past six years and who has been delivering the JSOT program for the past three years, managing and conducting all services. Parrott Creek's JSOT therapist follows all aspects of the ATSA professional code of ethics.

The JSOT therapist receives direct clinical supervision from the Director of Clinical Services (LCSW) and management supervision and oversight from the Director of Programs and the Executive Director of Parrott Creek. Parrott Creek has a team of five therapists, two with CCSOT certification and one Certified Associate Sexual Offense Therapist.

Administrative Management, Supervision, Policies & Procedures

The Lifeguards Juvenile Sex Offence Treatment Program is administratively managed by Neil Davies, Director of Programs, and Greg Newman LCSW, Director of Clinical Services. The treatment and support provided directly to youth and families is delivered by Paul Stanzione LCSW. Parrott Creek's Executive Director, Simon Fulford, has ultimate responsibility and reports directly to the Board of Directors.

The Director of Programs is responsible for ensuring that all programs and services achieve the goals of the contract and maintaining compliance while the Director of Clinical Services is responsible for ensuring programs and services adhere to stringent ethics protocols and licensing requirements such as to the Sex Offender Treatment Board, Oregon Department of Human Services and Oregon Health Authority. Parrott Creek has a system of monthly file review in order to maintain compliance. Files are also reviewed randomly so that fidelity and consistency of service delivery and treatment is maintained.

Across all of it's services for youth with sexually harming behaviors, Parrott Creek has made the decision to adopt interventions that conform with the guiding principles of the Sex Offender Treatment Board that states treatment and interventions must be:

- Victim- or survivor-centered; and
- Evidence informed; and
- Individualized, based on assessments; and
- Collaborative, involving the client's family and support network; and

- Sensitive to the client's development; and
- Affirming of sexual orientation, gender identity, and gender expression; and
- Cognizant that juvenile clients who participate in sexual abuse-specific treatment are different from adults; and
- Trauma-informed; and
- Focused on behavioral change, with an emphasis on risk-reduction strategies.

Providers must:

Conformity with these principles is discussed in supervision and during development of new strategies in the program. It is also our practice in the Lifeguard Juvenile Sex Offense Treatment program to engage our partners in the Juvenile Department when making additions or changes to the program.

This is done through direct communication by email, phone call or in person meeting.

Parrott Creek's Board of Directors ensures oversight and quality assurance through the Program & Quality Oversight Committee that meets with the Director of Programs and Director of Clinical Services on a bi-monthly basis.

Finally, Parrott Creek is in the final stages of behavioral health accreditation with the Joint Commission, the global leader in accreditation and unbiased assessment of quality achievement in patient care, treatment and safety.

Staff Supervision, Quality Assurance & Corrective Actions

The Director of Programs provides monthly management supervision to the Lifeguards Juvenile Sex Offense Treatment therapist while the Director of Clinical Services provides weekly clinical supervision to the therapist. This ensures program fidelity and performance and when staff or treatment problems arise they are addressed immediately using Parrott Creek's Procedure Review Sheets and/or Performance Review Sheets for evaluation and corrective action if necessary. Parrott Creek employs Coaching Sheets when there is a need for corrective intervention with staff. These are specific to the behavior in question and goal oriented to help staff be more effective. These are written collaboratively by the Director of Clinical Services and the Director of Programs, reviewed with the employee, and signed by both. Files are also randomly spot-checked and documented for adherence.

Parrott Creek's program management is structured in such a way that there is open and accessible communication and supervision among team members at all operational levels. Managers and supervisors are available for immediate assistance when any questions, challenges or concerns arise.
