**EXECUTIVE SUMMARY:** The Clackamas County Public Health Division (CCPHD) of the Health, Housing, and Human Services Department requests the approval of Amendment #07 to the Intergovernmental Agreement with Clackamas Fire District #1 for Ambulance Services.

The County entered into agreements with the Consortium (Clackamas Fire District #1, Tualatin Valley Fire and Rescue District, and Lake Oswego Fire Department) in 2014 to guarantee a paramedic response within the times required in the American Medical Response (AMR) Ambulance Service Agreement. Rapid response times for ambulance transport units are only shown to affect patient outcomes in select emergencies. Research shows that the response time to get a paramedic on the scene can affect patient outcomes in many more instances. Getting a paramedic on the scene of a medical emergency quickly is arguably more important than getting a transporting ambulance on the scene quickly.

In Consortium areas, AMR is provided additional time to respond in urban and suburban areas because the Consortium departments guarantee a paramedic on scene 90% of the time, according to the response time requirements of the AMR Ambulance Service Agreement. For Priority 1 incidents, the Consortium agrees to provide a paramedic on the scene in eight minutes in Urban areas and twelve minutes in Suburban areas. That allows AMR additional time in those areas (Ten minutes in urban areas and fifteen minutes in suburban areas).

For Filing Use Only

This agreement supports the EMS system and the work the EMS Council, staff, and stakeholders are doing to improve EMS in Clackamas County by supporting integration and collaboration among first responders and private ambulances and ensuring a rapid paramedic response.

This agreement is regarding first responder response times of the Consortium agencies and is not related to subcontracts for ambulance transport.

Requests to extend the agreements with the other Consortium agencies (Tualatin Valley Fire and Rescue District and Lake Oswego Fire Department) will be forthcoming.

**RECOMMENDATION:** The staff respectfully requests that the Board of County Commissioners approve this agreement (6346) and authorize Chair Smith to sign on behalf of Clackamas County.

Respectfully submitted,

Rodney A. Cook  
Director of Health, Housing, and Human Services
