HEALTH IMPLICATIONS/IMPACT ASSESSMENT CONSULTANT

Addendum #1

Issue Date: April 9th, 2018

It is the sole responsibility of the respondent to note the contents of this Addendum.

A. Questions from a Potential Responder:

1. I didn't find anything in the RFQ that would exclude a University from applying but would like to confirm that is the case. Universities are eligible to respond to this solicitation.

2. Requirement for Professional Errors and Omissions Liability Insurance that is referenced on p.10 item

C.3. Could you confirm that it is required for this solicitation? For the Errors and Omissions requirement, please plan on applying and we can potentially negotiate this piece if your team is selected.
