

Basic Mediation Training Scholarship Application

We believe that conflict resolution is one of the ingredients to a healthy community and it is important to us to share these teachings. We also recognize that cost and time commitment are often barriers to potential participants.

Clackamas County Resolution Services is offering a limited number of full scholarship seats for this 6-day, 40-hour Basic Mediation course.

We are aware that there may be other barriers in place beyond financial, and that not everyone feels comfortable advocating for scholarships. You, the community members are important to us, we are happy to discuss concerns with you and attempt flexibility.

To Apply:
