

# Appointed Boards and Commissions (ABCs) Recommendation

The Library District Budget Committee, staffed by the Business and Community Services Department, currently has two openings on its committee due to term expirations. Five members are allowed with three year terms.

Recruitment opened to the public on January 6, 2022 and closed on April 16, 2022 after two extension periods. Recruitment took place by press release, Facebook, Nextdoor, and the county website. Through this recruitment process, one application was received and is recommended to be appointed. The one application received was from a member currently on the Library District Budget Committee. The other incumbent chose not to re-apply which will leave one vacancy on the committee.

The Board of County Commissioners could select this candidate or require further recruitment. The Board is scheduled to convene as the Library District Budget Committee on May 23, 2022.
