Transportation Safety Office Grant Agreement
(Federal Funded only)
Pedestrian Safety Enforcement Overtime Grant
Clackamas County Sheriff's Office

This Transportation Safety Office Grant Agreement ("Agreement") is made by Oregon Impact, hereinafter referred to as Grantor, and Clackamas County Sheriff's Office hereinafter referred to as Grantee or Subrecipient, and collectively referred to as the Parties (the "Project").

Agreement Terms and Conditions

1. Effective Date. This Agreement is effective on the date that it is fully executed and approved as required by applicable law or October 1, 2022, whichever is later (the "Effective Date"). Reimbursements will be made for Project Costs incurred on or after **October 1, 2022** through and including **September 30, 2023** (the "Grant Period"). No Grant Funds are available for expenditures incurred after the Grant Period.

2. Agreement Documents. This Agreement includes the following documents, listed in descending order of precedence for purposes of resolving any conflict between two or more of the parts:

Exhibit C - SUMMARY OF FEDERAL REQUIREMENTS.
The Agreement Terms and Conditions set forth herein
Exhibit A Project Description
Exhibit B ODOT Grant Budget and Cost Sharing
Exhibit D - INFORMATION REQUIRED BY **2 CFR § 200.332(a)(1)**.

All of the Exhibits attached hereto are incorporated herein by this reference.

3. Grant Award. In accordance with this Agreement, Agency shall provide Grantee an amount not to exceed **\$5000.00** (the "Grant Funds") for eligible costs of the Project.

4. Project.

a. Description. The Grant Funds shall be used solely for the activities described in Exhibit A (the "Project") and may not be used for any other purpose. No Grant Funds will be disbursed for any changes to the Project unless such changes are approved by Agency pursuant to **Section 5c** hereof. Grantee shall implement and complete the Project in accordance with Exhibit A.

b. Project Change Procedures. Any proposed changes in the scope of the Project, the Project objectives, key Project personnel, time period, or Budget must be requested in writing and approved by Agency. Grantee shall not perform any Project changes without a Grant Adjustment Form, submitted in the form provided by ODOT, and signed by Agency and Grantee. Any extension of the time period for completion or performance of the Project must be requested at least six weeks prior to the end of the stated time period and may need approval of the funding agency (identified in

Section 8 of this Agreement) if the end of the grant award year is involved.

c. Conditions of Project Approval. [RESERVED].

5. Grant Funds.

a. Use of Grant Funds. The Grant Funds shall be used solely for the Project activities described in Exhibit A in accord with the ODOT Grant Budget and Cost Sharing set forth in Exhibit B (the "Budget"). Grantee agrees to use its best efforts to fully expend the Grant Funds for their stated purposes within the Grant Period, after which time all unspent award funds are no longer available for the project beyond the end of the Grant Period.

b. Eligible Project Costs. The Grant Funds may be used only for Grantee's actual Project costs to the extent those costs are (a) reasonable, necessary and directly used for the Project; and (b) eligible or permitted uses of the Grant Funds under, as applicable, federal and State law and this Agreement and are (c) not excluded from reimbursement or payment as a result of any later financial review or audit ("Eligible Project Costs"). Eligible Project Costs do not include any expenditures incurred outside of the Grant Period.

c. Reimbursement. ODOT will disburse the Grant Funds only as reimbursement for Eligible Project Costs paid by Grantee and upon receipt and approval of Grantee's Quarterly Reports and Claims for Reimbursement (along with any required supplementary documents like Residual Value Agreement form, receipts indicating proof of purchase, etc.) submitted in accord with **Section 6** of this Agreement. Grantee will be reimbursed only for Eligible Project Costs incurred by Grantee after the date set forth in the "Authorization to Proceed" for the Project provided to Grantee by Agency. Grant Funds shall not be used for Project activities previously carried out with the Grantee's own resources with no declared intent to be reimbursed under this Agreement (supplanting). Income earned through services conducted through the Project should be used to offset the cost of the Project and be included in the Budget.

d. Conditions Precedent to Reimbursement. ODOT's obligation to disburse Grant Funds to Grantee is subject to the conditions precedent that:

(i) ODOT has received funding (including federal funds), appropriations, limitations, allotments, or other expenditure authority sufficient to allow ODOT, in the exercise of its reasonable administrative discretion, to make the reimbursement;

(ii) Grantee is in compliance with the terms of this Agreement and no Grantee Default under **Section 13** of this Agreement has occurred or is occurring; and

(iii) ODOT has received and approved the reports and Claims for Reimbursement submitted by Grantee.

e. Availability of Federal Funds. The federal funds committed under this Agreement are subject to the continuation of funds made available to Agency by the National Highway Traffic Safety Administration (NHTSA) and the Federal Highway Administration (FHWA) (each

or collectively the “Federal Funding Agency”) by statute or administrative action.

6. Project Reporting and Management. Grantee’s Project Director (described below) shall be responsible for implementing this Agreement and establishing and maintaining procedures that will ensure the effective administration of the Project.

a. Project Director Responsibilities. The Project Director shall:

(i) **Accounting.** Establish or use an accounting system that conforms to general accepted accounting principles, as described in **Section 10a** of this Agreement, and ensure that source documents are developed which will reliably account for the Grant Funds expended, any required match provided, and any grant project income.

(ii) **Personnel.** Maintain copies of job descriptions and resumes of persons hired for all Project-related positions which are funded at 0.25 FTE or more.

(iii) **Hours Worked.** Maintain records showing actual hours utilized in Project-related activities by all Grant Funded personnel and by all other staff personnel or volunteers whose time is used as in-kind match.

(iv) **Quarterly Reports.** Complete a quarterly highway safety project report (“Quarterly Report”). Each Quarterly Report must be signed by the Project Director or the Designated Alternate and submitted to Agency by the tenth day of the month following the close of each calendar quarter for the duration of the Grant Period.

The “Project Director” is the person responsible for implementing this Agreement and establishing and maintaining procedures that will ensure the effective administration of the project objectives. The “Designated Alternate” is an individual who is given the authority to sign Quarterly Reports for the Project Director, in the event he/she is unable to sign due to circumstances beyond his/her control.

(v) **Reimbursement Claims.** Submit a Claim for Reimbursement within 35 days of the end of the calendar quarter in which expenses were incurred (submit claims no more than monthly), using the form provided by Agency as follows:

(A) Residual Value Agreement form, and invoices and/or receipts indicating proof of purchase. Copies of ODOT’s pre-approval, invoices and/or receipts for all specified items must be submitted to Agency upon request with the Claim for Reimbursement.

(B) Claims for Reimbursement may be submitted as often as monthly but must be submitted at least quarterly; and

(C) Claims for Reimbursement must be signed (or electronically ‘signed/approved’, if applicable) by the Project Director or the Designated Alternate (Agency will not accept duplicated signatures).

b. Travel. Grantee shall keep a record of all significant travel. Agency will provide reimbursement without pre-approval only for in-state travel by persons employed by Grantee in Project-related activities. All out-of-state or other travel must be pre-approved by Agency. Grantee must adhere to the State’s travel policy, such as utilizing Government Services Administration (GSA) travel

reimbursement rates. To receive approval or reimbursement, the trip must be detailed on the Budget or requested in a grant adjustment as described under Project Change Procedures. All travel outside the Grantee’s jurisdiction should be summarized on the Quarterly Reports.

c. Development of Print or Production Materials.

(i) **Agency Rights.** Grantee *shall* provide Agency with draft copies of all outreach, media, and/or educational materials to be developed using Grant Funds, and prior to production (regardless of medium: print, broadcast, radio, etc.).

Agency may suggest revisions and must pre-approve production of any materials developed using Grant Funds. All brochures; course, workshop and conference announcements; and other materials that are developed and/or printed using Grant Funds shall include a statement crediting Agency. Materials produced through the Project shall be provided to Agency for its use and distribution and may not be sold for profit by either the Grantee or any other party. Every invention, discovery, work or authorship, trade secret or other tangible or intangible item that Grantee is required to deliver to Agency under this Agreement and all intellectual property rights therein (“Work Product”), including derivative works and compilations shall be the property of Agency; any original work of authorship created by Grantee under this Agreement is “work made for hire” of which Agency is the author. Grantee hereby irrevocably assigns to Agency any and all rights, title, and interest in all original Work Product created by Grantee under this Agreement. Upon Agency’s reasonable request, Grantee shall execute such further documents and instruments necessary to fully vest such rights in Agency. Grantee forever waives any and all rights relating to Work Product created by Grantee under this Agreement, including without limitation, any and all rights arising under 17 U.S.C. §106A or any other rights of identification of authorship or rights of approval, restriction or limitation on use or subsequent modifications.

(ii) **Grantee Rights.** If the Work Product created by Grantee under this Agreement is a derivative work based on Grantee Intellectual Property, or is a compilation that includes Grantee Intellectual Property, Grantee hereby grants to Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform, and display the pre-existing elements of the Grantee intellectual property employed in the Work Product, and to authorize others to do the same on Agency’s behalf.

(iii) **Third Party Rights.** If the Work Product created by Grantee under this Agreement is third party intellectual property or a derivative work based on third party intellectual property, Grantee shall secure on Agency’s behalf and in the name of Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the pre-existing element of the third party intellectual property employed in the Work Product, and to authorize others to do the same on Agency’s behalf.

(iv) **Other State/Federal Rights.** The rights granted or reserved under this section are subject to any requirements of the Federal or State Funding Agency, including those set

forth in Exhibit C of this Agreement. If state or federal law requires that Agency or Grantee grant to the United States a license to any intellectual property in the Work Product, or if state or federal law requires that Agency or the United States own the intellectual property in the Work Product, then Grantee shall execute such further documents and instruments as Agency may reasonably request in order to make any such grant or to assign ownership in such intellectual property to the United States or Agency.

d. Equipment Purchased with Grant Funds.

(i) **Residual Value Agreement.** If Grant Funds are used in whole or in part to acquire any single item of equipment costing \$5,000 or more (which acquisition is only upon ODOT's pre-approval), Grantee shall complete and submit to Agency an equipment inventory that lists such items and includes Agency's rules governing the removal or release of such items from Grantee's inventory (a "Residual Value Agreement"), in the form provided by Agency. Agency may, at its discretion, require Grantee to execute a Residual Value Agreement for equipment costing less than \$5,000 in order to track the tangible equipment purchased with Grant Funds. A copy of the original vendor's invoice indicating quantity, description, manufacturer's identification number and cost of each item will be attached to the signed agreement. All equipment should be identified with the Grantee's property identification number.

(ii) **Federal Requirements.** Grantee shall comply with all applicable federal requirements related to the purchase of equipment with Grant Funds, including but not limited to any "Buy America," ownership and disposition requirements set forth in Exhibit C.

e. Costs and Expenses Related to Employment of Individuals; Insurance; Workers' Compensation.

Grantee is responsible for all costs and expenses related to its employment of individuals to perform the work under this Agreement, including but not limited to retirement contributions, workers' compensation, unemployment taxes, and state and federal income tax withholding. In addition, Grantee's subcontractors, if any, and all employers working under this Agreement are subject employers under the Oregon Workers' Compensation Law and shall comply with ORS 656.017 and shall provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included. Grantee shall ensure that each of its sub-recipient(s), contractor(s), and subcontractor(s) complies with these requirements.

7. Final Report. Grantee must prepare a Project Director's Final Evaluation Report ("Final Report") in accordance with the Evaluation Plan described in Exhibit A and in the form provided by Agency to Grantee. This report is separate and distinct from the required fourth Quarterly Report; this Final Report must cover the entire grant year. The Final Report must be submitted within 35 days following the last day of the Grant Period. The report may be no more than ten pages and must include the following elements:

a. Objective and Activities. A summary of the Project including problems addressed, objectives, major activities and accomplishments as they relate to the objectives;

b. Costs. A summary of the costs of the Project including the amount of Grant Funds and amounts paid by Grantee, other agencies and private sources. The amount of volunteer time should be identified;

c. Implementation. Discussion of implementation process so that other agencies implementing similar projects can learn from Grantee's experiences; including descriptions of what went as planned, what didn't work as expected, what important elements made the Project successful or as successful as expected;

d. Evaluation. Respond to each of the evaluation questions set forth in Exhibit A, including completing and referencing the Data Table (as applicable);

e. Completed Data Table. Complete the Data Table (as applicable) by inserting the information in the format required in Exhibit A.

8. Recovery of Grant Funds.

a. Recovery of Grant Funds. Any Grant Funds disbursed to Grantee under this Agreement that are expended in violation of one or more of the provisions of this Agreement, including any Grant Funds used for ineligible or unauthorized expenditures as determined by a state or federal review for which Grant Funds have been claimed and payment received, ("Misexpended Funds") must be returned to Agency. Grantee shall return all Misexpended Funds to Agency no later than fifteen (15) days after ODOT's written demand.

b. Audit.

i. Grantee shall comply, and require any subcontractor to comply, with applicable audit requirements and responsibilities set forth in this Agreement and applicable state or federal law.

ii. If Grantee receives federal awards in excess of \$750,000 in a federal fiscal year, Grantee is subject to audit conducted in accordance with the provisions of 2 CFR part 200, subpart F.

iii. Grantee shall save, protect and hold harmless from the cost of any audits or special investigations performed by the Secretary of State with respect to the funds expended under this Agreement. Grantee acknowledges and agrees that any audit costs incurred by Grantee as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Grantee and the State or Oregon.

9. General Representation and Warranties of Grantee. Grantee represents and warrants to ODOT as follows:

a. Organization and Authority. Grantee is duly organized and validly existing under the laws of the State of Oregon and is eligible to receive the Grant Funds. Grantee has full power, authority and legal right to make this Agreement and to incur and perform its

obligations hereunder, and the making and performance by Grantee of this Agreement:

- (i) have been duly authorized by all necessary action of Grantee;
- (ii) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency or any provision of Grantee's, as applicable, governing laws or Articles of Incorporation or Bylaws,
- (iii) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which Grantee is a party or by which Grantee or any of its properties may be bound or affected, and
- (iv) no further authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by Grantee of this Agreement.

b. Binding Obligation. This Agreement has been duly executed and delivered by Grantee and constitutes a legal, valid and binding obligation of Grantee, enforceable in accordance with its terms subject to, if applicable, the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.

c. No Gratuities. Grantee's officers, employees, and agents shall neither solicit nor accept gratuities, favors, or any item of monetary value from contractors, potential contractors, or parties to subagreements, except as permitted by applicable law. No member or delegate to the Congress of the United States or State of Oregon employee shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

The warranties set in this **Section 9** are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

10. Records Maintenance and Retention.

a. Records, Access to Records and Facilities.

Grantee shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with, as applicable, all generally accepted accounting principles, generally accepted governmental auditing standards, and minimum standards for audits of non-profit organizations. Grantee shall ensure that each of its sub-recipients and subcontractors, if any, complies with these requirements. Agency, the Secretary of State of Oregon (Secretary), the federal government (including the Federal Funding Agency or the Comptroller General of the United States), and their duly authorized representatives shall have access to the books, documents, papers and records of Grantee that are directly related to this Agreement, the Grant Funds, or the Project for the purpose of making audits and examinations and may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Nothing herein is

meant to be or will be interpreted to be a waiver of any protection against disclosure of records or communication otherwise provided by law, including protection provided by attorney-client privilege or the attorney work product doctrine.

b. Retention of Records. Grantee shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Grant Funds or the Project (including all records required under 49 CFR Part 18.42) until the date that is the later of: (i) any date required under 49 CFR Part 18.42 or (ii) six (6) years following the expiration of the Grant Period.

c. Expenditure Records. Grantee shall document the expenditure of all Grant Funds reimbursed by ODOT under this Agreement. Grantee shall create and maintain all expenditure records in sufficient detail to permit Agency to verify how the Grant Funds were expended. This Section 10 shall survive any expiration or termination of this Agreement.

11. Sub-agreements.

a. Subcontractors. Performance of this Agreement shall not be subcontracted in whole or in part, except with the written consent of Agency. If applicable, Grantee shall not assign this Agreement or the Project described herein, either in whole or in part, or otherwise attempt to convey any right, privilege, duty or obligation hereunder, without the prior written consent of Agency.

b. Terms of Subcontracts. Any contracts or other service agreements that are entered into by the Grantee as part of the Project shall be reviewed and approved by Agency to determine whether the work to be accomplished is consistent with the objectives and funding criteria of the Project. Grantee shall ensure that any subcontractors adhere to applicable requirements established for the Grant Funds and that any subcontracts include provisions for the following:

- (i) Administrative, contractual, or legal remedies in instances where subcontractors violate or breach sub contract terms, and provide for such sanctions and penalties as may be appropriate;
- (ii) Access by the Grantee, the state, the federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives, to any books, documents, papers, and records of the contractor which are directly pertinent to that specific subcontract, for the purpose of making audit, examination, excerpts, and transcriptions. Subcontractors shall maintain all required records for six years after Grantee makes final payments and all other pending matters are closed;
- (iii) Notice of Agency's requirements and regulations pertaining to reporting, requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such subcontract, and requirements and regulations pertaining to copyrights and rights in data; and
- (iv) Any additional requirements imposed by federal law and set forth in **Exhibit C**, including without limitation, sections 1 (Miscellaneous Federal Provisions), 2 (Equal Employment Opportunity), 3 (Clean Air, Water and

EPA), 4 (Other Environmental Standards), 5 (Energy Efficiency), 6 (Audits), 7 (Intellectual Property Rights), 8 (Super Circular), 9 (Whistleblower), 10 (Nondiscrimination), 11 (Buy America), 12 (Prohibits Helmet Use Survey/Checkpoints), 13 (Political Activity), 14 (Federal Lobbying), 15 (State Lobbying), and 16 (Debarment).

c. Conditional Terms. Where applicable, subcontracts shall include the following provisions:

(i) Termination for cause and for convenience by the Grantee including the manner by which it will be effected and the basis for the settlement (subcontracts in excess of \$10,000);

(ii) Compliance with Executive Order 11246 of September 24, 1965 entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967 and supplemented in Dept. of Labor regulations (41 CFR Part 60) (subcontracts in excess of \$10,000);

(iii) Compliance with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 USC 327-330) as supplemented by Dept. of Labor regulations (29 CFR Part 5) (subcontracts in excess of \$2,500);

(iv) Bidders, proposers, and applicants must certify that neither they nor their principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in the Project by any federal agency or department (subcontracts in excess of \$25,000; and

(v) Any additional terms required by federal law and set forth in Exhibit C.

d. Subcontractor Indemnity/Insurance.

(i) **Indemnity.** Grantee's subcontract(s) shall require the other party to such subcontract(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless State of Oregon ("State") and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Grantee's subcontract or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Grantee's subcontract(s) from and against any and all Claims. Any such indemnification shall also provide that neither Grantee's subrecipient(s), contractor(s) nor subcontractor(s) (collectively "Subgrantees"), nor any attorney engaged by Grantee's Subgrantee(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Grantee's Subgrantee is prohibited from

defending State or that Grantee's Subgrantee is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Grantee's Subgrantee if the State elects to assume its own defense.

(ii) **Insurance.** Grantee may require the other party, or parties, to each of its subcontracts that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts typically provided for projects of the Project's nature. Any insurance obtained by the other party to Grantee's subagreements, if any, shall not relieve Grantee of the requirements of Section 11 of this Agreement. The other party to any subcontract with Grantee, if the other party employs subject workers as defined in ORS 657.027, must obtain Workers Compensation Coverage as described in **Section 6**.

12. Termination

a. Termination by Agency. Agency may terminate this Agreement effective upon delivery of written notice of termination to Grantee, or at such later date as may be established by Agency in such written notice, if:

(i) Grantee fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Grantee is, for any reason, rendered improbable, impossible, or illegal;

(ii) Agency fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or

(iii) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or

(iv) The Project would not produce results commensurate with the further expenditure of funds; or

(v) Grantee takes any action pertaining to this Agreement without the approval of Agency and which under the provisions of this Agreement would have required the approval of Agency; or

(vi) Grantee is in default under any provision of this Agreement.

b. Termination by Grantee. Grantee may terminate this Agreement effective upon delivery of written notice of termination to Agency, or at such later date as may be established by Grantee in such written notice, if:

(i) The requisite local funding or match, if any, to continue the Project becomes unavailable to Grantee; or

(ii) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.

(iii) Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that Grantee is

no longer authorized to operate or to carry out the Project.

c. Termination by Either Party. If a Party fails to comply with any of the terms of this Agreement, the other Party may terminate this Agreement upon at least ten days' notice to the other Party or upon failure of the other Party to cure within any cure period provided in the notice.

13. Default.

a. Grantee Default. Any of the following constitutes a default by Grantee under this Agreement:

- (i) Any false or misleading representation is made by or on behalf of Grantee or sub-grantee, in this Agreement or in any document provided by Grantee to Agency related to the Grant Funds or the Project;
- (ii) Grantee fails to cure any performance as provided in Section 12.c;
- (iii) Grantee fails to perform any other obligation required under this Agreement; or
- (iv) If and to the extent allowed by law, Grantee initiates or consents to a proceeding or case, or a proceeding or case is commenced without the application or consent of Grantee, seeking: (A) the liquidation, dissolution or winding-up, or the composition or readjustment of debts, of Grantee, (B) the appointment of a trustee, receiver, custodian, liquidator, or the like of Grantee or of all or any substantial part of its assets, or (C) similar relief in respect to Grantee under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, and such proceeding or case continues undismissed, or an order, judgment, or decree approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty (60) consecutive days, or an order for relief against Grantee is entered in an involuntary case under the Federal Bankruptcy Code (as now or hereafter in effect).

b. Agency Default. Agency will be in default under this Agreement if it fails to perform, observe or discharge any of its covenants, agreements or obligations under this Agreement.

14. Remedies.

a. Agency Remedies. Upon any default, Agency may pursue any or all remedies in this Agreement and any other remedies available at law or in equity to enforce the performance of any obligation of Grantee. Remedies may include, but are not limited to:

- (i) Terminating Agency's commitment and obligations under the Agreement as provided in **Section 12**;
- (ii) Requiring repayment of the Grant Funds and all interest earned by Grantee on those Grant Funds as provided in **Section 8**. No remedy available to Agency is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right power or privilege under this Agreement will preclude any other or further exercise thereof or the exercise of any other such right, power or privilege.

b. Grantee Remedies. In the event Agency defaults on any obligation in this Agreement, Grantee's remedy will be limited to injunction, special action, action for specific performance, or other available equitable remedy for performance of Agency's obligations.

15. General Provisions.

a. Contribution.

(i) If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against Agency or Grantee with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.

(ii) With respect to a Third Party Claim for which Agency is jointly liable with Grantee (or would be if joined in the Third Party Claim), Agency shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Grantee in such proportion as is appropriate to reflect the relative fault of Agency on the one hand and of the Grantee on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Agency on the one hand and of Grantee on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Agency's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if Agency had sole liability in the proceeding.

(iii) With respect to a Third Party Claim for which Grantee is jointly liable with Agency (or would be if joined in the Third Party Claim), Grantee shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Agency in such proportion as is appropriate to reflect the relative fault of Grantee on the one hand and of Agency on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Grantee on the one hand and of Agency on the other hand shall be determined by reference to, among other things, the Parties' relative intent,

knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Grantee's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

b. Dispute Resolution. The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

c. Amendments. This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.

d. Duplicate Payment. Grantee is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.

e. No Third Party Beneficiaries. Agency and Grantee are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

f. Notices. Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email or mailing the same, postage prepaid, to Grantee Project Director or Agency Contact at the address or number set forth below or to such other addresses or numbers as either Party may hereafter indicate pursuant to this Section. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against Agency, such facsimile transmission must be confirmed by telephone notice to Agency Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received. Notices shall be directed to:

g. Governing Law, Consent to Jurisdiction.

This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between Agency (or any other agency or department of the State of Oregon) and Grantee that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. *Each Party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.*

h. Compliance with Law. Grantee shall comply with all applicable federal (including those set forth in **Exhibit C**), state, and local laws, regulations, executive orders and ordinances applicable to the Project including, but not limited to, the provisions of ORS 319.020 and OAR 738 Divisions 124 and 125 where applicable by this Agreement, incorporated herein by reference and made a part of this Agreement.

i. Independent Contractor. Grantee shall perform the Project as an independent contractor and not as an agent or employee of Agency. Grantee has no right or authority to incur or create any obligation for or legally bind Agency in any way. Agency cannot and will not control the means or manner by which Grantee performs the Project, except as specifically set forth in this Agreement. Grantee is responsible for determining the appropriate means and manner of performing the Project. Grantee acknowledges and agrees that Grantee is not an "officer", "employee", or "agent" of Agency, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.

j. Severability. If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.

k. Counterparts. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.

l. Integration and Waiver. This Agreement, and the attached Exhibits, constitute the entire Agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver or consent under this Agreement shall bind either Party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver or consent, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of Agency to enforce any provision of this Agreement shall not constitute a waiver by Agency of that or any other provision.

The Grantee, by its signature below, acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

Pedestrian Safety Enforcement Overtime Grant

Clackamas County Sheriff's Office agrees that the principal purpose of this agreement is to conduct Pedestrian Safety Enforcement overtime operations. Definition: A pedestrian safety operation is an intensive direct team law enforcement activity conducted at or near pedestrian crossing locations within specific time frames. The team generally will include an observer/recorder, a decoy pedestrian, and an adequate number of chase vehicles and LEO's to maximize the number of violator contacts to detect both motorist and pedestrian violations.

Although the primary focus of the operations is pedestrian safety related violations, any observed safety related Vehicle Code violation may be addressed.

In participating months, complete the data entry into Badge Data and submit an Oregon Impact Pedestrian Safety Enforcement Activity Report; including the individual LEO reports for each shift and also copies of the pre and post media releases for HVE events. These need to be uploaded into Badge Data, prior to submitting the agencies monthly claim. Claims should be submitted to Oregon Impact by the 10th of the following month.

Only actual LEO overtime pay rates will be reimbursed to the grantees in their monthly claim. Match time is required by the agencies participating in this grant in the amount of twenty percent (20%) of the amount awarded.

2. Equal Employment Opportunity. If this Agreement, including amendments, is for more than \$10,000, then Grantee shall comply and require all subcontractors to comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 CFR Part 60).

For purposes of this subsection, the terms “grant” and “award” refer to funding issued by the Federal Funding Agency to Agency. The Grantee agrees that it has been provided the following notice:

a. The Federal Funding Agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the Project Work Product, and to authorize others to do so, for federal government purposes with respect to:

(i) The copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and

b. The parties are subject to applicable federal regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements.”

As applicable, Grantee shall make purchases of any equipment, materials, or services pursuant to this Agreement under procedures consistent with those outlined in ORS Chapters 279, 279A, 279B and 279C.

9. Federal Whistleblower Protection. Grantee shall comply, and ensure the compliance by subcontractors or subgrantees, with 10 USC 2409 2324 and 41 U.S.C. 4712.

10. Nondiscrimination. Grantee will comply with all Federal statutes and implementing regulations relating to nondiscrimination (“Federal Nondiscrimination Authorities”). These include but are not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin) and 49 CFR part 21;

- Acknowledges that the United States has a right to seek judicial enforcement with regard to any matter arising under these Non-Discrimination Authorities and this Assurance;
- Agrees to insert in all contracts and funding agreements with other state or private entities the following clause:
"During the performance of this contract/funding agreement, the contractor/funding recipient agrees—
a. To comply with all Federal nondiscrimination laws and regulations, as may be amended from time to time;
b. Not to participate directly or indirectly in the discrimination prohibited by any Federal non-discrimination law or regulation, as set forth in Appendix B of 49 CFR part 21 and herein;

c. To permit access to its books, records, accounts, other sources of information, and its facilities as required by the State or Oregon highway safety office, US DOT or NHTSA;

d. That, in event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding agreement, the State highway safety agency will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies; and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part; and
e. To insert this clause, including paragraphs (a) through (e), in every subcontract and subagreement and in every solicitation for a subcontract or sub-agreement, that receives Federal funds under this program.

11. Buy America Act. All material and equipment purchased shall be produced in the United States in accordance with Section 165 of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424; 96 Stat. 2097) unless the Secretary of Transportation has determined under Section 165 that it is appropriate to waive this agreement.

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal Funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

12. Prohibition on Using Grant Funds to Check for Helmet Use. The State and each subrecipient will not use 23 U.S.C Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.

13. Political Activity (Hatch Act). The State will comply with provisions of the Hatch Act (5 U.S.C. §§1501-1508) which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

14. Certification Regarding Federal Lobbying.

Certification for Contracts, Grants, Loans, and Cooperative Agreements.

Grantee certifies by the signature of its authorized representative to this Agreement that, to the best of his or her knowledge and belief:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

c. The undersigned shall require that the language of this certification be included in the award documents for all sub-award at all tiers (including subcontracts, subgrants, and contracts under grant, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

15. Restriction on State Lobbying. None of the funds will be used for any activity specifically designed to urge or influence a state or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (e.g., "grassroots")

lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

16. Certification Regarding Debarment and Suspension.

Instructions for Primary Tier Participant Certification (States)

a. By signing and submitting this proposal, the prospective primary tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR Parts 180 and 1200.

b. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective primary tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary tier participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

c. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.

d. The prospective primary tier participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

e. The terms *covered transaction*, *civil judgment*, *debarment*, *suspension*, *ineligible*, *participant*, *person*, *principal*, and *voluntarily excluded*, as used in this clause, are defined in 2 CFR parts 180 and 1200. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

f. The prospective primary tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

g. The prospective primary tier participant further agrees by submitting this proposal that it will include the clause titled "Instructions for Lower Tier Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR Parts 180 and 1200.

h. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>)

i. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

j. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department or agency may terminate the transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters-Primary Covered Transactions

1. The prospective primary tier participant certifies to the best of its knowledge and belief, that it and its principals:

a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency;

b. Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery,

falsification or destruction of record, making false statements, or receiving stolen property;

c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or Local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

d. Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State, or local) terminated for cause or default.

2. Where the prospective primary tier participant is unable to certify to any of the Statements in this certification, such prospective participant shall attach an explanation to this proposal.

Instructions for Lower Tier Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR Parts 180 and 1200.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms *covered transaction*, *civil judgment*, *debarment*, *suspension*, *ineligible*, *participant*, *person*, *principal*, and *voluntarily excluded*, as used in this clause, are defined in 2 CFR Part 180 and 1200. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.

5.
