Annexation of land outside of Sandy's urban growth boundary

Question 20 words which plainly phrases the chief purpose of the measure.

Should Sandy annex City-owned land located outside the City's urban growth boundary for park and open space purposes?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This measure asks voters to approve or reject Resolution 2018-08 which the City Council enacted on May 21, 2018. The resolution requires submission of the annexation request to voters before implementation. If passed, the City's boundary would be extended to annex a City-owned 38.05 acre area (Annexation Area) that is currently outside the urban growth boundary (UGB) and which is contiguous to property inside the City limits that is also City-owned. The City intends to use the Annexation Area, which is located along the Sandy River for park and open space purposes as it will become part of the Sandy River Park. Since the Annexation Area is currently outside the UGB, it may not be used for "urban" purposes. If approved by voters, the City will amend the City's Comprehensive Plan and Zoning Map to reflect park and open space uses for the Annexation Area. The Sandy River Master Plan will also be revised to add the Annexation Area and to ensure adequate planning and law enforcement activity for the Sandy River Park.
